In the event he/she is disqualified, within his/her probationary period, he/she shall return to his/her previous position. An employee who has been awarded a permanent vacancy shall be ineligible to be awarded another job in their own or lower wage classification during the thirty-five (35) working days following his/her commencing work on the job awarded to him/her.

- 11.3 When an employee moves to a higher classification, he/she shall be placed on the salary schedule in that classification at the same level of years as his/her wage at the time of bidding.

The following applies when compensatory time is considered for use.

- A. If work is in need of completion by a day shift custodian (day shift is a shift normally completed by 6:30 p.m.) beyond the regularly scheduled shift time, the decision to allow compensatory time for hours worked e.g. two hours beyond regular shift assignment is to be decided by the building administrator (Principal) after consultation with the Head Custodian. The Director of Buildings and Grounds is to be informed within 24 hours of that decision.

If overtime in lieu of compensatory time is needed, permission is required from the Director of Buildings and Grounds.

If the employee affected is on an evening or night shift (ending after 6:30 p.m.) the permission for either compensatory time or overtime must be approved in advance by the Director of Buildings and Grounds. The supervisor will inform the building administrator so that time off can be arranged where compensatory time is used. (Building permits excluded) compensatory time used as described must be granted during the same pay period whenever possible. Personnel must be notified of exceptions.

If the additional work puts the custodian beyond an eight hour day or forty hour week, the compensatory time must be at time and one-half. (Three (3) hours compensatory for two (2) hours worked).

- B. Occasional shift adjustments of up to two (2) hours may be granted for extenuating reasons. The time is to be made up at the end of the same shift without overtime e.g. 3:00 p.m. to 11:00 p.m. shift, dental appointment 3:00 p.m. - 4:00 p.m. adjusted shift 4:00 p.m. - 12:00) approved in advance through Head Custodian by building administrator.
- C. Except for occasional shift adjustments (#2 above) compensatory time for overtime worked shall be recorded on the payroll.

*Paid service shall include regular salary, personal leave, sick leave, vacation time, holiday pay or any day in which an employee is covered and paid.

- 14.3 Except as provided in 14.2 of this section, a minimum of two (2) hours overtime will be paid when the employee is called back to work on weekends or after a regular workday.
- 14.4 It shall be the general policy to keep overtime to a minimum. Overtime shall be allowed only when authorized by the Board. If a custodian is absent, the Board shall determine whether to fill the absence with an unassigned custodian, authorize a minimum of four (4) hours of work time for another custodian in that building, use the emergency work list made up of custodial/maintenance employee wishing to work extra, or leave this position vacant.

ARTICLE XV

Temporary exceptions to this schedule shall be cleared by the immediate building supervisor (one day and up to one week). More than one week or permanent changes shall be approved by the Director of Buildings and Grounds.

15.5 When school programs are not being conducted, or staff is not present, it shall be the general policy to place night custodial employees who are regularly assigned to buildings which serve elementary and secondary students on a day shift.

Exceptions to this general policy shall be three (3) election days per building. In buildings with more than one custodial employee, the Head Custodian shall be responsible for assigning the Assistant Head Custodian and other night employees, if needed, to accommodate elections and scheduled established education programs of the District (K-12, Adult & Community Ed. and school sponsored extra-curricular activities).

15.6 For every scheduled work period of four (4) hours or more, a fifteen (15) minute break will be allowed during that work period at the Custodial/Maintenance employee's current work site. (i.e. an eight hour employee will receive two fifteen (15) minute breaks.)

- 15.7 Custodial/Maintenance personnel shall not leave their place of assignment during working hours, except under unusual circumstances and only with the prior approval of the employee's immediate supervisor, or in his/her absence, the Director of Building and Grounds.
- 15.8 The last ten (10) minutes of each shift shall be allowed for personal clean-up and/or the clean-up of tools and equipment.

16.2 If an employee in his/her first year works less than the full year, but more than three (3) months, vacation shall be granted at one (1) day per month employed, up to ten (10) days.

The employee shall be granted ten (10) days vacation for each year employed from the second year through the seventh year.

Vacation for Custodians/Maintenance may be scheduled any time throughout the year provided that building coverage is maintained and arrangements can be made for normal services. (When school is in session vacation requests shall be submitted to the Director of Buildings and Grounds). A minimum of three (3) working days notice is required. The Director of Buildings and Grounds will respond to the employee's request within (2) working days. Notice for vacations shall be given by the end of the regular shift to the Head Custodian who in turn will notify the Director of Buildings and Grounds.

*Continuous employment shall mean from date of hire to present time as a custodian/maintenance employee within the bargaining unit; up to one year unpaid medical leave is considered continuous employment. Vacation is considered a fringe benefit.

16.7 Vacation time shall be taken within one year after July 1 when designated as earned, and will not be accumulative year-to-year.

If a custodial/maintenance employee is on a leave of absence unpaid by the District for up to one year full vacation pay will be paid. Vacation pay will be prorated for the amount of time the employee worked in the year they return to work.

In cases where hospitalization, sick leave, or workers' comp. would prevent a custodian or maintenance employee from using his/her vacation time prior to July 1, an exception would be made and vacation may be taken until August 15 at which time any remaining vacation owed will be paid at the rate earned.

16.8 A custodial/maintenance employee who terminates his/her employment in the course of the year will be entitled to his/her accumulated vacation benefit, if he/she has been employed by the schools for one (1) full year and has given not less than two (2) weeks notice of termination of employment.

Sick Leave (Personal Illness)

18.1 The following rules shall be applicable to sick leave for personal illness:

- A. During the first year of employment, the qualified full-time employee shall earn sick leave for personal illness at the rate of one (1) day per month of employment or major fraction thereof.
- B. No sick leave may be used by a new employee before he or she has completed the probationary period.
- C. Employees who have accumulated sick leave due to previous service but who are unable to begin a new contract year because of personal illness or personal injury, shall be allowed to draw upon such sick leave accumulated until it is depleted or until resumption of assigned work, whichever occurs sooner.
- D. After the first year of employment, full-time employees shall earn one (1) day per month.
- E. Accumulation of sick leave days shall be without limit.
- F. Additional absences shall result in deduction on a pro rata or per diem basis.
- G. Any employee who is absent because of injury or disease in compliance with the Michigan Workers Compensation law shall receive from the Board the difference between the allotted amount and his/her regular salary for the duration of the illness, limited to and deducted from any accumulated sick leave. Number of days of sick leave deducted would be proportionate to the dollar amount contributed in salary by the Board.
- H. The Board of Education reserves the right to consider all sick leave problems extending beyond the limitations set forth herein on the merits of each individual case. Any employee whose personal illness extends beyond the period compensated under Section 18.1, shall be granted a leave of absence without pay for such time as is necessary for complete recovery (but not to exceed twenty-four (24) months). Upon return from leave, if physically qualified, an employee shall be assigned to the same position previously held if the position still exists. If the leave extends beyond the two year limit the employee's employment will be terminated.

- K. Half-time employees will receive above benefits on a half-time basis.
- L. Sick leave taken beyond those days accumulated at the time of illness will result in a loss of pay for each additional day or fraction of a day taken.

If an individual wishes to have payment for any lost days when additional sick leave days are earned he/she may request payment through the personnel office.

ARTICLE XIX

PROCEDURES APPLICABLE TO PERSONAL AND OTHER LEAVE

- 19.1 The Principal or other appropriate administrator, shall certify to the legitimacy of a claim for compensation for absence covered in Article XIX, by entering on the payroll his signature and the dates and causes for such absence, provided the provisions of this Agreement covering such absence(s) are complied with.
- 19.2 Employees who may have accumulated sick leave days under the provisions of this Article and who terminate their employment with this school system, shall not be compensated for unused sick leave days and said unused sick leave days may not be carried forward in case of subsequent reemployment with this school system. However, employees employed in this district continuously for at least ten (10) consecutive years, shall, upon retirement, receive ten (10) dollars for each day of unused accumulated sick leave. * Beginning July 1, 1998 employees employed in this district continuously for at least ten (10) consecutive years, shall, upon retirement, receive thirty (30) dollars for each day of unused accumulated sick leave.
- 19.3 No employee shall absent himself or herself from regular duties for causes other than personal illness, illness in the immediate family requiring the personal attention of such employee, death in the immediate family, or death of a relative, except with the prior permission of the immediate supervisor. When, in the judgment of the immediate supervisor, Supervisor of Transportation, Director of Buildings and Grounds or Assistant Superintendent for Human Resources, such absence contributes to the general interest of the school system, compensation may be paid on a full or partial basis.
- 19.4 Absence with pay not chargeable against the employee's allowance, shall be granted for the following reasons:
- A. Absence when an employee is called for jury service. (Pay the difference between jury pay and regular pay.)
 - B. Court appearance as a witness whenever an employee is subpoenaed to attend any proceeding. (Pay difference between witness fees and regular pay.)

(For A and B, the district will pay the difference between pay received from the court and the employee's regular pay. Determination of the amount to be received from the school shall be determined by deducting the court fee from the amount usually earned during the time missed because of the employee's physical presence at court, plus reasonable travel time to return to the work site.)
 - C. Time necessary to take the Selective Service physical examination.
 - D. A maximum of two (2) days for personal leave per year, but such personal leave days will not be used immediately prior to or immediately following a holiday or vacation (with the exception of emergency leave). Except in cases of emergency, an employee taking personal leave must notify the immediate supervisor during his/her shift on the day previous to the leave. Unused personal leave days will be added to sick leave accumulation. Those who have used two (2) days and terminate at six (6) months, must have one (1) day deducted.
- 19.5 Parental leaves of absence shall be granted, upon request, for up to two (2) years without pay to commence at the end of disability, due to childbirth, or at any time during the first year after receiving

de facto custody of said infant child, or prior to receiving such custody if necessary, in order to fulfill the requirements for adoption. Such requests shall include the beginning date and probable ending date of said leave.

- 19.6 Military leaves of absence shall be granted to any employee who shall be inducted or shall enlist for military duty in any branch of the Armed Forces of the United States, in accordance with the requirements of applicable law.
- 19.7 The Board shall grant a leave of absence without pay to any employee to campaign for or serve in an elected public office for a period not to exceed two (2) years. Upon return from serving in a full-time public office, an employee shall receive salary increments mutually agreed upon by the employee, and the Assistant Superintendent for Human Resources, but in no case exceeding salary benefits allowable for military leave.
- 19.8 Seniority shall continue to accumulate during all leaves. An employee who is granted a leave of absence pursuant to the sections above, shall have the following re-employment right:
 - A. When an employee notifies the Assistant Superintendent for Human Resources of a desire to return to active employment, said employee shall be assigned to the first available vacant position for which he/she is qualified.

ARTICLE XX

ABSENCE OF EMPLOYEES

- 20.1 Employees who are unable to report for work, shall notify their Head Custodian at the earliest possible time and in no event less than one (1) hour before the employee is to report for work. In event the Head Custodian cannot be reached, the employee shall notify the office of the Director of Buildings and Grounds. In buildings without Head Custodians, an appropriate person shall be designated.
- 20.2 Second and third shift employees who are unable to report for work shall follow the contract procedure, but with notification at least two (2) hours before their scheduled shift.

ARTICLE XXI

INJURIES TO EMPLOYEES

- 21.1 Any employee who receives a personal injury arising out of, and, in the course of his/her employment, shall report such injury to his/her immediate supervisor, in accordance with the provisions of the Michigan Workers Compensation Act.

ARTICLE XXII

DISCIPLINE AND DISCHARGE

- 22.1 A non-probationary employee shall not be disciplined or discharged without just and sufficient cause. In cases where rules call for a penalty less than immediate discharge and a written warning is not required, the discipline administered shall be commensurate with the seriousness of the violation. The Board shall not be obligated to re-employ any employee who had been laid off or discharged during his/her probationary period.
- 22.2 When the Board is considering disciplinary action* against an employee, the Chief Steward shall be notified in advance, in writing, so that the employee may be represented at the time such discipline is invoked. Within five (5) working days of an alleged infraction, an employee shall be notified in writing that disciplinary action is being considered and the reasons therefore. The foregoing time limit shall be waived, however, in those cases where the Board could not have been reasonably expected to know, in a timely fashion, that an infraction had taken place. Copies of such notification shall be provided to the Chief Steward.

Should an employee choose to not have representation by the Grievance Committee at the time discipline is to be imposed, said employee shall indicate such preference in writing and provide copies in advance to his/her immediate supervisor imposing said discipline and the Chief Steward. Notwithstanding the provisions above, both parties recognize that cases of gross misconduct may require immediate and direct disciplinary action on the part of the supervisor at the time such offense takes place.

- 22.3 When imposing any discipline on a current charge, the Board will not take into account any prior infractions which occurred more than one (1) year prior thereto. In cases where the discipline imposed on an employee is taken to arbitration, however, the parties agree that the work performance of said employee over the prior eighteen (18) month period, may be introduced by the Board and shall be subject to the arbitration process.

*Disciplinary action shall be defined as written reprimand, suspension, demotion or, discharge.

ARTICLE XXIII

LAYOFF AND RECALL

- 23.1 Layoff. If it becomes necessary for the Board to effect a reduction in the work force, probationary employees shall be laid off first, subject to the provisions of Article 23.4. Exceptions to the foregoing would be those instances where more senior employees do not possess the skills needed to perform the work of a probationary maintenance employee. After probationary employees have been laid off, other employees may then be laid off in accordance with their seniority, those having the least seniority being laid off first, providing more senior employees possess the necessary skills and ability to perform the work available.

Should a more senior employee become laid off or displaced, said employee shall be allowed to (1) bump the least senior employee in the same job classification within the same wage classification, or, if not available, (2) a choice to bump the least senior employee in a different job classification within the same wage classification, if qualified for the position, (the displaced employee may choose the position held by the least senior employee on the same work schedule or select the position held by the least senior employee on a different work schedule), or a less senior employee in a lower wage classification.

A "displaced" employee is one employed by the Board, whose particular position has been redefined or eliminated.

An exception to the above layoff procedure shall apply to Bus Drivers as follows:

Should a more senior driver become displaced or laid off, said employee shall be allowed to bump (1) the least senior employee with the same number of hours in his/her regular run (excluding shuttles, field trips, and other miscellaneous time), or if not available, (2) the least senior full-time (30 hours or more) driver or if not available, (3) the least senior driver with less than thirty (30) hours in their assigned run or if not available (4) they become unassigned drivers.

No laid off employee shall lose accrued vacation pay to which he/she is entitled.

- 23.2 Recall. When the work force is increased after a layoff, employees shall be recalled in order of their seniority to the first available position for which they are qualified in their previous wage classification or lower wage classification.
- 23.3 Seniority. Seniority shall be determined by the number of years of continuous service with the school system. Separate seniority lists shall be maintained for: (1) custodians and maintenance workers; (2) bus drivers.

Seniority lists shall be up-dated annually and published during the month of July. Seniority order of employees hired on the same day shall be decided by lottery, the N.I.E.A. shall be represented.

An employee shall lose his/her seniority for the following reasons:

- a. He/she quits
- b. He/she is discharged
- c. He/she retires

- 23.4 Seniority on one list shall not entitle an employee to seniority rights on another list for the purpose of layoff, recall, transfer or promotion. Total school district service time shall be used to determine longevity, vacation and accumulated sick time.
- 23.5 Procedures to be followed if a bus driver wishes to become a custodial employee or vice versa.

An employee on one seniority list (bus driver) may apply for a position on the other list (custodian/maintenance).

The application will be processed the same as any outside application.

If the position is offered, the applicant will enter the probationary period of the new position. He/she will remain on the seniority list of the job from which he/she is leaving until the probationary period is successfully completed and the new job is awarded.

Seniority will begin to accrue on the new list retroactive to the original date of hire in the new position. If the employee is unsuccessful in completing the probationary period by school district standards, he/she may return to the previous department as an unassigned employee. Seniority will be continued on the original list.

If the employee chooses not to remain in the new position, a resignation will be accepted. All rights to the previous position will be terminated. The person may reapply as a new applicant.

- 23.6 No employee on the district payroll shall work for two (2) or more bargaining units when the combined regular schedules exceeds eight (8) hours a day. Also, any employee under this provision shall be paid at the rate of the position being worked, according to the wage scale.

ARTICLE XXIV

GRIEVANCE PROCEDURE AND ARBITRATION

24.1 The term "grievance" as used herein, shall refer to any alleged violation of the expressed terms and conditions of this Agreement. A grievant is defined as an employee, a group of employees and/or the Association.

24.2 PROCEDURE

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level are maximums and every effort should be made to expedite the process. However, the time limits may be extended by mutual agreement of the parties.

A. Level One

1. An employee and steward, if requested by the employee, shall, within five (5) working days of the occurrence of the grievance, orally discuss the matter with the immediate supervisor with the objective of resolving the matter informally.

All grievances of disciplinary action shall begin at level two in writing on the proper form.

However, the foregoing time limit shall be waived up to twenty (20) working days in those cases where the grievant could not have been reasonably expected to know that a contract violation had taken place. If the aggrieved is not satisfied with the disposition from the oral discussion and wishes to further pursue the matter, he/she shall file the grievance in writing on a grievance form provided by the Board. The written grievance must be submitted to the Director of Buildings and Grounds or Supervisor of Transportation whichever is appropriate, within five (5) working days of the discussion of the grievance.

2. Within three (3) working days of the filing date, the Director of Buildings and Grounds or the Supervisor of Transportation or his/her representative shall meet with the aggrieved and the grievance committee* in an effort to resolve the grievance. A written answer shall be given within three (3) working days after such meeting.

B. Level Two

1. If the aggrieved is not satisfied with the disposition of the grievance at Level One, the proper form as provided by the Board, shall be forwarded within three (3) working days thereafter by the employee to the Assistant Superintendent for Human Resources or designee, stating a desire to pursue grievance to Level Two. At this level, the grievance form must be co-signed by the aggrieved and the Association and one signed and dated copy retained by the Association.

*The grievance committee shall consist of no more than three persons.

2. Within seven (7) working days of receipt of such grievance, the Assistant Superintendent for Human Resources or designee, will meet with the aggrieved and the grievance committee to discuss the issue. A written answer shall be given to the aggrieved and the N.I.E.A. representative within fifteen (15) working days after receipt of such grievance.

C. Level Three

The grievance shall be deemed settled on the basis of the answer given by the Assistant Superintendent for Human Resources or designee, unless within thirty (30) calendar days

after receipt of the answer of the Assistant Superintendent for Human Resources or designee, or the expiration of the time for him/her to answer, whichever is earlier, the grievance is appealed to arbitration by the N.I.E.A.

Any such appeal shall be made within that period by written demand for arbitration served upon the Assistant Superintendent for Human Resources. An exception to the foregoing shall be a grievance which does not fall within the jurisdiction of the arbitrator, as provided below, in which event the parties shall have recourse to their rights provided by law with respect to any answer given by the Assistant Superintendent for Human Resources which is not accepted as satisfactory settlement of the grievance.

An exception to this procedure will be a mutually agreed upon meeting two weeks prior to an arbitration date for the parties to meet for a final attempt to settle before arbitration. If there is no agreement at this final meeting the arbitration procedure will continue.

ARBITRATION:

In the event the answer of the Board is not satisfactory to the N.I.E.A. and the grievance has been appealed to arbitration in the manner above provided, the arbitrator shall have the following jurisdiction, and no other, to hear and decide all issues with respect to such unsettled grievance:

1. The grievance shall relate solely to the application and interpretation of the terms and conditions of this Agreement, or any addendum or supplement thereto, including and issue respecting suspension, discharge or other discipline.
2. The arbitrator shall have no authority to add to, subtract from, modify, change, alter or amend the terms and conditions of this Agreement or any supplement or addendum thereto, and he/she shall have no authority to hear or rule upon any of the following:
 - a. Any matter involving the refusal of the Board to hire any person or to permit any person to remain an employee of the Board to the completion of the probationary period;
 - b. Any matter involving the Board's discretion in the expenditure of funds for outlay;
 - c. Any matter involving the fixing or establishment of any salary schedule or rate of pay;
 - d. Any matter which can be addressed only by a change or revision or non-enforcement of one or more of the terms of provisions of this Agreement, or any schedule, exhibit, supplement or addendum thereto;
 - e. Any matter which requests the change of any classification of work (but he/she shall have jurisdiction over the application of any established classification involving a claim of misclassification);
 - f. Any grievance requesting a change or revision of any performance standard; or
 - g. Any grievance involving any issue respecting the no-strike provision of this agreement, except to hear and decide a case involving the sole issue of guilt or innocence of an employee receiving disciplinary layoff or discharge for alleged breach of said provision. Subject to the foregoing limitations on the jurisdiction of the arbitrator, the arbitrator's decision within his/her jurisdiction shall be final and binding upon both parties. The fees and expenses of the Arbitrator shall be divided fifty percent (50%) to the Board and fifty percent (50%) to the N.I.E.A.

- 24.3 All requests for arbitration pursuant to the provisions of Section 24.2 shall emanate from the Board or the N.I.E.A., and not an individual employee or group of employees. The Board may demand arbitration respecting any unsettled grievance by making its written demands for arbitration upon the N.I.E.A. within the period above allowed to the N.I.E.A. for so doing. In the event of such demand, the N.I.E.A. shall have the right, within the period allowed for demanding arbitration by it, to notify the Board in writing that it unqualifiedly accepts the Board's answer to grievance given in Step Three, in which event such grievance shall be deemed conclusively settled on the basis of such answer without the necessity for arbitration.
- 24.4 Where arbitration is properly demanded under Section 24.2 or 24.3 the Board and the N.I.E.A. shall refer their request for the appointment of an arbitrator to the Federal Mediation and Conciliation Service for arbitration, in accordance with its rules of procedure applicable to labor arbitration cases. The Federal Mediation and Conciliation Service shall be requested to furnish the names of five (5) arbitrators, and proceeding by lot, the Board and the N.I.E.A. shall alternately strike one name each until one (1) of the five (5) remains, which person shall be deemed the impartial arbitrator for the purpose of proceeding under said rules. Where the parties are able to agree upon an impartial arbitrator without invoking the procedures of the Federal Mediation and Conciliation Service, the arbitrator shall, nevertheless, adhere as closely as possible to the rules of procedure of the American Arbitration Association established for labor arbitration cases, except that the American Arbitration Association shall not serve as administrator and there shall be no duty to notify the American Arbitration Association pursuant to any of its rules of the appointment of the arbitrator by agreement of the parties.
- 24.5 Either party may designate an alternate representative to act in a temporary absence of its regular representative at any step in this grievance procedure. Such designation shall not affect any grievance in process which was properly presented to the designated representative. Any such designation of an alternate by either party shall be made by notice in writing given to the other party and such temporary designation shall remain in effect until written notice is given to the other party of the restoration of the representatives designated above.

ARTICLE XXV

STUDENT TRANSPORTATION SECTION
ROUTE SELECTION

25.1 Route selection procedures will be conducted at least one week prior to the beginning of the regular school year and one week prior to summer runs. Proposed routes will be available one week prior to the selection meeting based upon available information.

The Procedure shall be as follows:

1. Each basic route will be listed.
 - a. Basic routes will include the location of pick-up and drop-off points of the students to be transported, (those known as of the selection day).
 - b. An additional one-half (1/2) hour will be allowed before the first pick-up of the day which will consist of 15 minutes to pre-trip the vehicle and 15 minutes travel time, and one-half, (1/2), hour after the last drop of the day which will consist of 15 minutes travel time and 15 minutes vehicle clean-up time.
2. Selection of routes will be made in descending order by seniority, with the Chief Steward and a committee person in attendance.
3. A driver on leave may select a route if he/she is ready and able to report to work when awarded the route. If extenuating circumstances preclude the driver returning as scheduled, an unassigned will be placed on the route for up to thirty (30) calendar days. If the driver is still not available after fifteen (15) days, a temporary position shall be posted. The temporary driver shall hold the position until the driver awarded the permanent route returns to work, within the school year.

25.2 Detailed information concerning transportation runs (routes), (including names, addresses and phone number), that are to be selected by the bus drivers prior to the beginning of the regular school year, shall be available one week prior to route selection:

1. Be posted at the warehouse.
2. Be available in notebook form in at least eight copies for drivers to check-out for their review. The eight copies shall be given to the Chief Steward for the N.I.E.A. membership use.

The administration shall keep one master copy in reserve, and available, if individual drivers' wish to have additional copies of routes made at their own expense.

25.3 Assignment of unassigned drivers shall be by order of seniority, as routes become available, e.g. drivers call in sick et cetera.

ARTICLE XXVI

WORK TIME

26.1 Workweek and Hours for Bus Drivers

The assigned route will determine the length of the workday and the number of days per week. The normal year for all drivers will end on the last day of the last week that students are transported during the regular (K-12) school year (approximately the end of the first week of June).

Every effort will be made so that a driver who is awarded a run and remains continuously on that run, will receive as a minimum in any given full week of school, no less in wages than the number of hours of their run times their hourly pay rate. Hours used shall be those posted at the bidding of runs and includes adjustments made during the first full two weeks of the school year as approved by the supervisor of transportation. Runs posted during the school year will follow the same procedure and adjustments in hours may be made during the first two weeks of the run if approved by the Supervisor of Transportation. Driver's wages will be pro-rated in weeks which there are less than five (5) school days. The above mentioned procedures will hold true only as long as the run exists.

Unassigned drivers will have their hours locked in for a full week of school as a minimum at their pay rate times the run with the least amount of hours as determined at the time of bidding at the beginning of the school year. Hours will be pro-rated for weeks with less than five (5) days.

Summer assignments including SMI-SXI, where drivers are on the Muskegon Public School payroll, will be made following the above procedure. (See 25.1)

The procedure for assigning drivers for field trips and athletic trips is as follows:

A. Field Trips and Athletic Trips

1. General Education and Local Special Education drivers will be assigned on a seniority rotating basis to all athletic and field trips, up to and including 4:00 p.m., provided that the trip does not interfere with the driver's regular run. An unassigned driver will be assigned for the field trip if a regular driver is not available.

Those unable to be assigned because of unavailability as a result of other special assignments by supervision, e.g. inservice training, Board directed medical exam, state tests, et cetera, shall hold their position on the assignment list. They will be offered the first available trip when they return from the special assignment.

Those unavailable because of regular runs, illness, personal leave, et cetera, will be assigned when their name reappears in the regular rotation.

2. Field trips and athletic trips commencing after 4:00 p.m., or when school is not in session, or when overnight travel is required, will be assigned on a seniority rotating basis to all drivers.

The driver shall stay at the destination on trips of twenty-five (25) miles or more. On trips of less than twenty-five (25) miles, the driver may stay or return home with the permission of the Supervisor of Transportation.

The field trip sponsor may overrule the Supervisor of Transportation if he/she should determine that the use of the vehicle may be necessary for the protection of students because of threatening weather, etc.

Non-driving time on field trips and athletic trips will be paid at the regular pay rate.

Compensation for overnight trips will be determined by mutual agreement between the Board and N.I.E.A.

- B. Time Blocks and Shuttle Runs will be assigned on a seniority basis, provided the senior driver is available and is assigned for their regular run the appropriate vehicle for the number and handicapping condition of the students to be transported on the shuttle.

A shuttle is the use of a vehicle to transport student(s) at any time other than the normal building/program starting/dismissal time, occurring on an ongoing basis.

- C. If the time between a driver's last drop and the next pick-up is one and a half hours (1 1/2) or less, the driver will be paid for such time.

D. Emergency Trips

In the event a driver who is assigned to a field trip or athletic trip becomes unavailable for that trip, assignment will be made from the emergency drivers' list only under the following conditions:

1. Notification of unavailability is given less than two (2) hours prior to the trip.

OR

2. The Transportation Office is closed at the time of notification.

The emergency drivers' list shall be updated annually and consist of five (5) drivers, bid by seniority, who have volunteered to take field and athletic trips with less than one (1) hour notification.

E. Unscheduled Field and Athletic Trips

Unscheduled field and athletic trips will be defined as trips which the transportation office becomes aware of on the same day in which the trip is to take place. Drivers who accept these trips, will have these count as a rotation trip. Drivers who do not accept these trips, will not have their position affected on the rotation list. Unscheduled trips where the transportation office has more than two hours notice, an attempt will be made to assign them on a rotation basis.

F. Cancellation Pay

If a driver is not notified of a scheduled trip being canceled at least one (1) hour prior to pick up time, they shall receive two (2) hours of pay.

G. Breaks

If a driver is paid the 1-1/2 hours time between runs, this time shall incorporate a break and no time shall be allotted during that period for a break. Should a driver work three (3) hours in the morning without said 1-1/2 hours, he/she shall be entitled to a ten (10) minute break. The same shall pertain to the afternoon work period.

H. Notes

Notes for bus routes must be completed by the second Friday after the opening day of school.

Any changes to the bus routes after the above two (2) week allowance for set-up time will be compensated at the rate of five (5) minutes per card for the original set provided there is not sufficient

paid time during the day to complete the required change. Copies of the changed notes will be placed in the second notebook and there will be no additional time granted for making these copies. A copy of the Change Form received by the driver will be returned with the payroll indicating the number of cards that need to be changed. The time to make this copy is also included in the original five (5) minutes per card.

ARTICLE XXVII

VACATION DRIVERS

- 27.1 Bus drivers * working twenty (20) hours per week or more shall receive vacations as follows:
- A. They shall be paid vacation pay for time worked in the previous July 1 to June 30 period.
 - B. Bus drivers with more than three (3) months service shall receive .4% of their gross pay for each additional month of service for vacation pay up to maximum of 4% of their gross pay for each full year of service. If the driver has completed eight (8) years of service he/she will be paid 6% and if he/she has completed thirteen (13) years of service, the driver shall be paid 8% of the gross pay the driver would have earned in the previous fiscal year. If a bus driver is on a leave of absence unpaid by the District for up to one year full vacation will be paid. Vacation pay will be prorated for the amount of time the employee worked in the year they return to work.
 - C. Vacation allowance shall be paid in the second paycheck in July of each year.
 - D. Drivers who are employed forty-seven (47) to fifty-two (52) weeks, shall be allowed to take five (5) days unpaid vacation. Their vacation days must be taken during the summer months between the regular (K-12) school year. The Transportation Supervisor must be notified five (5) work days prior to any vacation days being taken.
 - E. A driver shall be determined to have completed eight (8) or thirteen (13) years of service when they have completed eight or thirteen school years of driving, regardless of hire date.

For example:

Hire date, August 21, 1979, shall have completed thirteen (13) years of driving by the end of the school year 1992 or --

Hire date, February, 1979, shall have completed thirteen (13) years in February, 1992.

*Bus and wagon drivers may not take unpaid vacation during the school year without prior approval from the Assistant Superintendent for Human Resources or designee.

ARTICLE XXVIII

ORIENTATION AND TRAINING

- 28.1 Bus drivers shall be assigned only after an orientation session is completed. All drivers shall participate in an orientation session and a minimum of six (6) hours of inservice annually.
- 28.2 Difficulties of student management shall be brought to the attention of the immediate supervisor and/or the Supervisor of Transportation. Arrangements for additional inservice and/or transfer of the driver to another run may be made when within the judgment of the Supervisor of Transportation such action would be warranted. The bus driver Chief Steward shall be notified as soon as possible.

If a transfer is to be long term or permanent, the vacated positions shall be posted. If no transfer is available, the driver shall be continued until a vacancy occurs or laid off until an appropriate run becomes available. This will be at the discretion of the Supervisor of Transportation.

ARTICLE XXIX

Therefore, the Board and the N.I.E.A., for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement. If both the N.I.E.A. and the Board should mutually agree that a need exists to re-open a specific area of this Agreement, negotiations may be initiated on that area during the life of the Agreement.
- 29.2 This Agreement shall supersede and replace, as of its effective date, all agreements between the parties dated prior thereto, or all rules and regulations of the Board which are in conflict herewith.
- 29.3 This Agreement shall be binding upon the Board and the N.I.E.A. and shall be binding upon any successor of the N.I.E.A. A successor of the N.I.E.A. shall be (a) a labor organization into which the N.I.E.A. is merged, consolidated, assigned, transferred or reorganized, or (b) a labor organization which is the successor to the N.I.E.A. by operation of law.
- 29.4 Nothing in this Agreement shall be interpreted as modifying or eliminating the Board's authority to act under Public Act 112 of 1994.
