A. Teachers have the right to organize, join and support the Association for the purpose of engaging in collective bargaining and other lawful concerted activities. The Employer agrees that it will not deprive any Teacher of their rights under any laws or constitutions of the State of Michigan or the United States, and that it will not discriminate against any employee by reason of their membership in the Association, their participation in any lawful concerted activities of the Association or their institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

B. The political activities and private life of Teachers shall not be grounds for any discipline or discrimination with respect to their employment, as long as their actions do not interfere with their ability to perform their assigned jobs.

C. The Association and its members shall have the right to use the Employer's premises during and outside of regular school hours for Association meetings in accordance with the Employer's normal scheduling practices.

D. Association representatives shall be permitted to transact Association business on school property. Any organized transaction of Association business during regular hours must be with the approval of the building principal, providing that this business shall not interfere with or interrupt normal school operations.

ARTICLE IV AGENCY SHOP PROVISIONS

A. Each Teacher shall, as a condition of employment, join the Association or pay to the Association a service fee pursuant to the Association's "Policy Regarding Objections to Political Ideological Expenditures" and the administrative procedures adopted pursuant to that policy. This obligation commences thirty (30) days after the execution of this Agreement, or the completion of a Teacher's first thirty (30) days of employment, whichever is later. The service fee shall not exceed the amount of yearly dues collected from Association members. Teachers who have sincere religious objections to joining or contributing to labor organizations such as the Association may satisfy the requirement of this paragraph by making a contribution in the amount of the service fee to a charitable organization mutually agreed upon between the Employer and the Association.

B. At the beginning of each school year, the Association shall provide written notification to all employees and the Employer in writing of the amount of its dues and service fees. The parties acknowledge that the amount of the service fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year. Consequently, the parties agree that the procedures relating to the payment or non-payment of the service fee by non-members shall be activated thirty (30) days following the Association's notification to non-members of the fee for that given school year. In such event, it is understood that the employee remains obligated for the entire yearly service fee.

C. The Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to Teachers who are not members of the Association. The remedies set forth in that policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting Teacher concerning the application and interpretation of that policy shall be subject to the grievance procedure set forth in this Agreement, or to any other administrative or judicial procedure.

D. In the event that a Teacher who is not a member of the Association fails to pay a required service fee directly to the Association, or to authorize payment of the service fee through payroll deduction, the Association may request the imposition of a mandatory deduction of the service fee pursuant to MCLA 408.477. In order to invoke such a mandatory deduction, the Association shall notify the Teacher of non-compliance by certified mail, return receipt requested, a copy of which shall be provided to the Employer. The notice shall detail the facts of the non-compliance, provide the Teacher with ten (10) working days for compliance, and inform the Teacher that a request for a wage deduction may be filed with the Employer in the event compliance is not

effected. If the Teacher fails to remit the service fee or authorize a deduction for the service fee, the Association may file a written request to the Employer to make the deduction, a copy of which shall be provided to the Teacher. Upon receipt of the request for an involuntary deduction, the Employer shall provide the Teacher with an opportunity for a due process hearing limited to the question of whether or not the Teacher has remitted the service fee to the Association or authorized payroll deduction for the service fee, if the Teacher requests a hearing within five (5) working days of receipt of the involuntary deduction request. The hearing, if requested, will be held within ten (10) working days of receipt of the hearing request. The Employer agrees to impose a mandatory deduction for the service fee if it determines after the hearing that the Teacher has not paid a required service fee in an amount established by the Association or if the Teacher does not request a hearing within the five (5) working day request period. All service fees so deducted shall be promptly remitted to the Association at an address authorized for this purpose within twenty (20) days following the deduction.

E. During the term of this Agreement, the Employer agrees to deduct service fees and Association membership dues from each Teacher who executes and files with the Employer a proper check-off authorization in a form supplied by the Association. A Teacher may pay their service fee directly to the Association or may authorize payment through this payroll deduction program. A list of authorizations received shall be transmitted to the Association. All authorizations filed with the Employer shall become effective the first (1st) payroll period of the following month and each succeeding month, provided that the Teacher has sufficient net earnings to cover the amounts to be deducted. These authorizations shall continue in effect for the period of that school year, unless revoked by the Teacher. Pursuant to such authorization, the Employer shall deduct required amounts in equal payments. Amounts deducted as provided above shall be transmitted along with a list of the names, respective amounts deducted for each bargaining unit member and, if the dues, assessment, contribution and/or service fee was determined wholly or in part by a percentage formula, the wage amount used to calculate the respective dues, assessment, contribution and/or service fee. The deducted dues and service fees so deducted shall be promptly remitted to the Association at an address authorized for this purpose. If a dispute arises as to whether or not a Teacher has properly executed or properly revoked a written check-off authorization form, such deductions will be placed in escrow until the matter is resolved.

F. In the event of any action against the Board brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:

1. The Board gives timely notice of such action to the Association; and
2. The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.

Such hires will not be paid on the BA+15 level. When all grandfathered Teachers have either advanced to the BA+20 or left the system, the BA+15 level will be dropped from the contract.
- M. Each K-12 Teacher may contribute five (5) hours per school year to an activity in which Hillman students are involved. This activity may not be an activity for which the Teacher is paid under Schedule B. The activity need not be limited to Hillman School sponsored activities. Upon completion of the five hours of contributed time, the Teacher will be paid One Hundred Fifty Dollars (\$150.00).

ARTICLE XIII

(For 2015 the cap is 499.36 single, 1044.31 for two person & 1361.89 full family.) The Board's contribution shall increase/decrease pursuant to the statutory changes when the medical benefit plan changes (July 1st). Cost above the Board's contribution shall be subject to payroll deduction. The coverage of this provision is limited to one health plan per household. Medical insurance changes will be implemented as soon as possible after ratification. The parties may mutually agree upon changes in insurance carrier coverage and specifications.

Teachers who are currently getting health insurance and wish to switch to cash in lieu after September 1, 2008, will receive the Three Hundred Dollars (\$300.00) per month rate. This amount may also be used toward insurance coverage and/or tax sheltered annuities or MESSA Options.

C. The Hillman School District will have the opportunity in each year of the contract to have a MESSA representative explain the MESSA PAK pro-ration cost procedure for the Hillman Community Schools based on the current year Hillman Community School census of those employees who are MESSA PAK members.

ARTICLE XIV MENTOR TEACHERS

A. A Mentor Teacher shall be defined as a Master Teacher as identified in Section 1526 of the School Code and perform the duties of a Master Teacher as specified in the Code.

B. Each Teacher in their first three years in the classroom shall be assigned a Mentor Teacher by the Administration with the consultation of the Association. Mentor Teachers shall be available to provide professional support, instruction, and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources and information in a non-threatening collegial fashion.

C. Mentor Teachers shall be assigned in accordance with the following:

1. The Mentor Teacher shall be a tenured member of the bargaining unit or retired area teacher.
2. Participation as a Mentor Teacher shall be voluntary.
3. The Employer shall immediately notify the Association of those Teachers requiring a mentor assignment of any affected member whose classroom assignment has changed.
4. The Administration shall notify the Association when a Mentor Teacher is matched with a Mentee Teacher.
5. Every effort will be made to match Mentor Teachers and Mentees who have the same area of certification.
6. Mentee shall be assigned to only one (1) Mentor Teacher at a time.
7. The Mentor Teacher assignment shall be for one (1) year subject to review by the Mentor Teacher and Mentee after the first semester of teaching. The appointment may be renewed in succeeding years.

D. Because the purpose of the Mentor/Mentee match is to acclimate the bargaining unit member and to provide necessary assistance toward the end of quality instruction, the Employer and the Association agree the relationship shall be confidential (but not as recognized by the law like that of attorney/client or doctor/patient) and each party is obligated to notify the administration if any legal statutes have been broken and shall not, in any fashion be a matter included in the evaluation of the Mentor Teacher or Mentee. Neither the Mentor Teacher nor the Mentee shall be permitted to participate in any matter related to the evaluation of the other without mutual consent of the Mentee, the Mentor, and the Administrator.

E. Upon request, the Administration shall make available release time so the Mentor Teacher may work with the Mentee during the regular workday. Where possible the Mentor Teacher and Mentee shall be assigned common preparation time.

F. Mentees shall be provided with a minimum of fifteen (15) days of professional development instruction during their first three (3) years of classroom teaching. Professional development shall be scheduled within the parameters of the regular workday and work year.

G. Compensation for the bargaining unit Mentor Teacher will be based upon the following:

Years as Mentor Teacher	Payment to Mentor
1	.0201 times the BA Base
2	.0134 times the BA Base
3	.0067 times the BA Base
4	.0067 times the BA Base

ARTICLE XV
EARLY RETIREMENT INCENTIVE

A. In an effort to address future staffing considerations and to provide an opportunity for early retirement to certified employees of the Hillman Community Schools who have faithfully served the district for at least fifteen years, the following incentive plan is proposed.

B. The plan is based on years of service in the Hillman Community Schools.

1. .0067 times the BA Base for each year of service for those who served between 15 and 20 years
2. .01 times the BA Base for each year of service for those who served between 21 and 25 years
3. .0134 times the BA Base for each year of service for those who served between 26 or more with 30 years maximum to be paid

C. Applicants planning retirement at the end of the first semester of the school year must notify the Administration on or before November 1 of that year. Applicants planning retirement at the end of the school year must notify the Administration on or before March 1 of that year.

D. All incentive compensation will be subject to the appropriate tax deductions.

E. The employee must be eligible to retire under the Michigan Public School Employees Retirement System and submit a letter of retirement from his/her position with the Hillman Community Schools. Retirement means the Teacher cannot serve the Hillman Community Schools in any future paying capacity without the approval of the Superintendent.

F. Prior to November 1, before mid-year retirement, or by March 1, before the end of the school year of the retirement, the retiring staff member will notify the Superintendent, in writing, of his/her intent to retire to be eligible for either the "early retirement incentive" (Article XVIII) or the accumulated sick leave (Article XIX) payments.

The District will make the appropriate payment into each employee(s) MEA Financial Service 403(b) Plan (or other 403(b) investment plan the employee subscribes to with Hillman Community Schools) not later than January 31, following mid-year retirements, or July 31, following end of the year retirements.

G. Exceptions to the time lines in this article may be granted by the Superintendent and/or Board and are not subject to the Grievance Procedure.

ARTICLE XVI
SICK LEAVE AND PERSONAL LEAVE

A. SICK LEAVE POLICY

1. Teachers will be awarded ten (10) sick days per year to be used for themselves or members of the immediate family. All of the sick days may be used during the year. Five (5) of the ten (10) sick days have to be doctor verified as to the Teacher's inability to work or members of the immediate family illness. The remainder of the unused sick days will be accumulated. In order to qualify for the use of such days, a Teacher must notify the administration of his/her illness and subsequent absence prior to his/her absence. A Teacher who works less than a full school year shall receive a prorated number of sick and personal days. In addition, any Teacher who works less than a full day shall receive prorated sick and personal days by the ratio of the number of hours worked to the number of hours in a full day's schedule, rounded to the nearest half (1/2) Day. A change in an Employee's status from part-time to full-time or full-time to part-time will carry forward their prorated days.
2. Wage protection shall be provided to all Teachers. This plan is devised to allow Teachers to receive their regular salary if the Teacher is unable to attend to his/her duties because of illness after exhausting his/her accumulated sick leave. The proof of this shall consist of a doctor's statement regarding the Teacher's inability to work. When the inability has been established and additional doctor verification days are needed during the year, Hillman Community Schools will provide up to forty (40) additional days. These wage protection days are to be used only for the illness of the employees. The teacher must have taught one year or more in the district to be eligible for these additional days.

These days are in addition to the ten (10) days awarded each year as stated in number one (1) above.

3. If additional days are needed, the Teacher may draw from his/her accumulated sick leave total. If the sick days are used from the accumulated sick leave, the Teacher may use five (5) days or less, at any one time, without doctor verification of the Teacher's inability to work. If more than five (5) sick leave days are used consecutively, then a doctor's statement of the Teacher's inability to work must be provided.
4. The Teacher, upon retirement from teaching in Michigan and after twelve (12) years of employment with Hillman Community Schools, will be reimbursed for up to 188 sick days. The rate of reimbursement will be .00243 times the BA Base times the number of accumulated sick days.
5. The retiring Teacher must notify the District office of his/her intent to retire prior to November 1 for retirement at the end of the first semester and March 1 for the end of the year retirement. Upon request, a Teacher may expect confidentiality of this notification on the part of the District Administration. If a medical situation would arise during the school year that created a need to retire, then this one criterion would be waived.

B. LEAVE DUE TO DEATH OR CRITICAL ILLNESS IN THE IMMEDIATE FAMILY

1. Critical Illness

Such absences may not exceed five (5) working days. Pay will be lost for those days exceeding five. The number of days allowed with pay will be at the discretion of the Superintendent based on just cause.

Immediate family shall be defined for critical illness as:

- a. Husband, wife, children, any member of the same home.
- b. Father, mother, step-mother, step-father, foster parents.
- c. Sisters, brothers, step-sisters, step-brothers

The employee must notify the District prior to the first day of his absence if possible. Critical illness shall be defined as illness which the attending physician considers sufficiently serious to require the immediate family's presence at the bedside.

2. Death

The employee shall be allowed up to five (5) funeral days for death in the immediate family. For deaths of persons outside the immediate family, up to three (3) days shall be allowed with two (2) more days available at the discretion of the Superintendent. The employee must notify the District prior to the first day of his absence if possible.

3. If there is a death in a Teacher's family, or a death of someone in the community, there may be two representatives sent from the staff to represent the Teachers. The Executive Committee of the HEA will determine the two Teacher representatives. This provision shall be used only at the discretion of the Superintendent.

4. Immediate family shall be defined for bereavement* as:
 - a. Husband, wife, children, any member of the same home.
 - b. Father, mother, step-mother, step-father, foster parents.
 - c. Sisters, brothers, step-sisters, step-brothers.
 - d. Grandfather, grandmother, grandchildren.
 - e. Father-in-law, mother-in-law.
 - f. Brother-in-law, sister-in-law.
 - g. Daughters-in-law, sons-in-law.
5. Persons outside the immediate family shall be defined as:
 - a. Aunts, uncles, nieces, nephews.

C. PROFESSIONAL IMPROVEMENT - COMMUNITY GROWTH NONACCUMULATIVE

1. The Employer recognizing the importance of continued professional improvement for the teaching staff will allow for professional improvement activities that are mutually agreed to by the staff member and building administrator. The Association recognizes that the building administrator may require some professional improvement activities that may result from the evaluation process.
2. One day per school year shall be granted for community growth or service which shall be mutually defined as a day used for the betterment of the Hillman Community.
3. These days are in addition to sick leave and personal business.

D. PERSONAL BUSINESS DAYS

Four (4) days per year shall be granted to conduct personal business. These days are in addition to sick leave and should involve no more than 20% of the teaching staff in each building at one time. A Teacher desiring to make use of a personal business day(s) shall notify his/her building principal in writing, using the personal business day form (Appendix E) at least one (1) day in advance of the day to be taken. Four (4) unused personal leave days per year will be added to a teacher's accumulated sick days.

E. LEAVES OF ABSENCE WITH PAY NOT CHARGEABLE AGAINST THE TEACHER'S ALLOWANCE SHALL BE GRANTED FOR THE FOLLOWING REASONS:

1. Absence when a Teacher is called for jury duty.
2. Court appearance as witness in any case connected with the Teacher's employment or the school or whenever the Teacher is subpoenaed to attend any proceeding.
3. Time necessary to take the selective service physical examination.
4. The Teacher shall receive full daily salary pay with the jury duty pay being returned to the Employer.

F. HALF-DAY ABSENCES OR LESS

Any leave of absence of less than one-half day shall be considered one-half day.

ARTICLE XVII
LEAVE OF ABSENCE

A. CHILD CARE LEAVE - UNPAID

A leave of absence shall be granted to any Teacher for the purpose of childcare. Said leave is subject to the following conditions:

1. The Teacher must provide (except in cases of emergency) ninety (90) days' notice of request for leave.
2. If less than 1/2 semester remains at the time the leave is granted, the leave may be for the remainder of the semester plus two (2) consecutive semesters. If more than 1/2 semester remains at the time the leave is granted, the leave may be for the balance of that semester plus one additional consecutive semester.
3. The leave must end at the end of a semester.
4. The reinstatement shall be to the Teacher's former position or to a position for which they are certified and qualified.
5. The Teacher shall receive the health and/or life insurance benefits provided for under this agreement for the period of the leave provided that the Teacher pays all premiums during such period.
6. When the length of the leave permits, the Teacher shall provide ninety (90) days' notice regarding intention to return.

B. PERSONAL ILLNESS

1. Any Teacher whose personal illness extends beyond the period compensated shall be granted a leave of absence of up to one (1) year with-out pay to allow for complete recovery from such illness. Upon return from a year or less leave of absence, a Teacher shall be entitled to their former position or to a position for which they are certified and qualified.
2. Upon written application at least ninety (90) calendar days prior to the close of the school year, said leave of absence may be renewed for up to one year.
3. When length of leave permits the Teacher shall provide ninety (90) days notice regarding intention to return.

C. PEACE CORPS LEAVE

Leave of absence without pay shall be granted for up to two (2) years to any tenured Teacher who joins the Peace Corps as a full-time participant in such a program. Upon written application at least ninety (90) calendar days prior to the close of the school year, said leave of absence may be renewed for up to one year. Upon return from such a leave of absence the Teacher will be assigned to the same position or a position for which they are certified and qualified. Any period so served shall be treated as time taught for receiving credit toward annual salary increments on the appropriate salary schedule.

D. ASSOCIATION LEAVE

1. Tenured Teachers who are officers of the Association or are appointed to its staff, shall upon written application to their building principal, be given leave of absence without pay for up to one year for purposes of performing duties for the Association. Upon return from such a leave of absence, a Teacher will be assigned to the same position or a position for which they are certified and qualified. Upon

written application at least ninety (90) calendar days prior to the close of the school year, said leave of absence may be renewed for up to one year, providing assignment to the same position or to a position for which they are certified and qualified.

2. The Association shall be entitled to Association business days. Leaves in excess of three (3) days shall be applied for fifteen (15) days in advance. The Association shall pay the costs of the substitute and the Teacher shall not receive a reduction in pay.

E. PUBLIC OFFICE LEAVE

The Employer will grant a leave of absence without pay for up to one (1) year to any tenured Teacher to campaign for, or serve in a public office. Upon return from a one (1) year or less leave of absence, a Teacher will be assigned to the same position or a position for which they are certified and qualified. Upon written application at least ninety (90) calendar days prior to the close of the school year, said leave of absence will be renewed for up to one year, providing for assignment to the same position, or to a position for which they are certified and qualified.

F. MILITARY LEAVE

A military leave of absence shall be granted to any Teacher who shall be inducted or shall enlist for military duty in any branch of the armed forces of the United States. Upon return from such leave, a Teacher shall be placed at the same position on the salary schedule as he would have been had he taught in the district during such period. Leave and benefits accrued shall not extend beyond one inducted or enlisted period. Upon return from such leave, a Teacher shall be assigned to the same position or to a position for which they are certified and qualified, even if such return necessitates a necessary reduction of staff. Such service time shall not count towards tenure.

G. PERSONAL LEAVE

The Employer shall allow up to one (1) year unpaid leave for personal reasons. More than one leave may be allowed at the discretion of the Employer and not be subject to the Grievance Procedure. In cases where there is more than one applicant, the applicant with the most seniority in the District will be granted the leave. The Teacher must provide (except in cases of emergency) ninety (90) days' notice of request for leave. The Teacher must provide notice of intent to return from leave sixty (60) days prior to the end of the school year.

ARTICLE XVIII

- B. It is agreed that the employees will work the full number of days specified in the school calendar so that the school district will be in compliance with state law and receive full state aid.
- C. It is further agreed that if Section 101, Subsection 3, of the State Aid Act is repealed at any time, for any reason, Article XXI of the Master Agreement shall be null and void and no precedents shall have been created, and the parties will return to their former practice as indicated in Paragraphs D and School Calendar(s).
- D. The School District shall be entitled to reschedule any days lost in the event school is closed for reasons which do not allow such days to be counted as days of student instruction. The rescheduling of such days shall not entitle employees to additional compensation. The parties shall negotiate when these days shall be made up.
- E. For the 2015-2016, school year there will be 175 student days and 180 teacher days, for 2016-2017 school year, 180 student days and 186 teacher days, 2017-2018 school year 182 student days and 186 teacher days.

These meetings are not intended to by-pass the grievance procedure.
- B. It is contemplated that matters not specifically covered by this Agreement but of common concern to the parties shall be subject to professional negotiations between them from time to time during the period of this Agreement upon written request by either party to the other. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters.

I. If an emergency financial manager is appointed by the state under PA 4 of 2011, Fiscal Accountability Act, the emergency manager may reject, modify, or terminate the collective bargaining agreement in his/her sole discretion.
