AGREEMENT BETWEEN

BOARD OF EDUCATION OF THE CITY OF FLINT

AND

FLINT EDUCATION ASSOCIATION

THIS AGREEMENT entered into this First day of September, 1969, by and between the BOARD OF EDUCATION OF THE CITY OF FLINT, hereinafter sometimes called the "Board," and the FLINT EDUCATION ASSOCIATION, A MICHIGAN NON-PROFIT CORPORATION, now commonly known as UNITED TEACHERS OF FLINT, hereinafter sometimes called the "UTF,"

WITNESSETH:

WHEREAS, the Board and the UTF recognize and declare that providing a quality of education for the children of the School District of the City of Flint is their mutual aim, and

WHEREAS, the parties have a mutual obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain in good faith with respect to hours, wages, terms and conditions of employment of Board Personnel being fully described in Article I hereof, and

WHEREAS, the parties, following extended and deliberate negotiations, have reached certain understandings which they desire to memorialize,

IN CONSIDERATION of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I.

Recognition

- A. The Board hereby recognizes the UTF as the exclusive bargaining representative for regular employees of the Board, EXCLUDING those employees listed in Appendix A to this Agreement.
- B. Definitions

1. The term "teacher," when used hereinafter in this Agreement, shall refer to all employees represented by the UTF in the bargaining unit as above defined, unless otherwise indicated.

2. The term "Board" and "UTF" shall include authorized officers, representatives, and agents. Despite reference herein to "Board" and "UTF" as such, each reserves the right to act hereunder by committee, individual member, or designated representative.
3. References to male teachers shall include female teachers.

## ARTICLE II.

### Teacher, UTF and Board Rights

- A. The teachers and the UTF, as the exclusive bargaining representative of the teachers, shall have and enjoy all of the rights and privileges granted to them by Act 379 of the Michigan Public Acts of 1965, as amended from time to time, and by other applicable Michigan statutes now or hereafter enacted, except as expressly limited by terms of the Agreement.
- B. The Board hereby retains and reserves unto itself, without limitation, all the powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, except as expressly limited by the terms of this Agreement.
- C. The UTF and its representatives shall have the right to use Board of Education buildings at hours when the buildings are open and not previously scheduled for other use, and the use shall be without charge if used for business meetings. Use for other than business meetings shall be in accordance with rental rules applicable to restricted membership organizations. No teacher shall be prevented from wearing insignia, pins, or other identification of membership in the UTF, either on or off school premises as long as the insignia or identification does not disrupt the climate of the instructional process. The UTF shall be given access to the teachers' mailboxes for distribution of informational materials, and the UTF and its members shall be permitted use of a bulletin board in each building designated for teachers' information, which shall be located to the extent possible in areas not frequented by students, provided that all such information and material is identified with the organization's or the author's name.
- D. The President and the President-Elect of the UTF shall be released from classes for four (4) and five (5) days, respectively, per school year for the purpose of attending state or national level meetings. Other officers or committee chairmen, not to exceed five (5) in number, will be granted one (1) day's relief from teaching duties for the same purposes. There shall be no deduction from salaries, provided that the UTF shall pay for the cost of any necessary substitutes. No release time shall be granted unless the UTF notifies the Personnel Office in writing three (3) days in advance of the proposed absence.

- E. The Board agrees to furnish to the UTF in response to requests from time to time all available information concerning the financial resources of this district, adopted budgets, and such other information as it may reasonably require, together with such information as may be necessary for the UTF to process any grievance. Nothing contained in the above shall be construed to require that the Board provide any information not already available to it or to provide such information in any form other than that in which it would normally be provided to the Board.

Whenever the Board has reached a tentative conclusion to request additional millage from the community, it will give notice to the UTF of that fact prior to the reaching of a final decision with respect thereto and will give the UTF the opportunity to meet with either the Financial Committee of the Board or such other representatives as the Board may select to discuss the Board's contemplated request for any millage increase and its expected allocation thereof.

- F. Duly authorized representatives of the UTF shall be permitted to transact official UTF business on school property provided that this shall not interfere with or disrupt normal school operations.

### ARTICLE III.

#### Membership, Fees and Payroll Deductions

- A. All teachers, except teachers born before November 1, 1914, shall, as a condition of continued employment by the Board:
1. Maintain membership in the UTF, or
  2. Pay, as a representation fee, an amount equal to the membership dues of the UTF (which dues shall include the dues of the Michigan Education Association and the National Education Association).
- B. Any teacher now employed by the Board who is not a member of the UTF and any teacher hereafter employed by the Board (except those teachers who were born before November 1, 1914) within thirty (30) days from the date of execution of this Agreement, or within thirty (30) days from the date of employment, or within thirty (30) days after the indemnity hereinafter mentioned is received and approved by the Board, whichever date is later in point of time, shall make application for membership in the UTF (which shall include membership in the MEA & NEA) or pay said representation fee if membership is not desired.
- C. Any teacher may sign and deliver to the Board an assignment authorizing the deduction of said dues or representation fee, as the case may be. All such assignments shall remain in effect from year to year unless employment by the Board is discontinued or until revoked in writing between June 1 and September 1 of any subsequent year.

- D. Upon presentation of the assignment to the business office of the Board, deductions shall be made for dues or representation fees in ten (10) equal installments beginning in September and continuing through June except that,
1. Deductions for the school year ending June 30, 1970 shall be computed according to the following formula:  
  
Total dues or fees divided by ten (10) multiplied by the number of months remaining in the school year after this Article becomes operative, and
  2. Deductions for teachers employed after the opening of school or after this Article becomes operative shall be computed according to the following formula:  
  
Total fee divided by ten (10) multiplied by the number of months remaining in the school year after the date of employment or after this Article becomes operative, whichever is the later date in point of time.
  3. The sums computed under Paragraphs 1 and 2 of this subparagraph D shall be deducted in equal installments beginning the first full month following the month this Article becomes operative or the first full month following employment, whichever shall be applicable.
  4. Any dues or fees erroneously deducted by the Board and transmitted to the UTF or the Michigan Education Association shall be refunded to the Board or the teacher upon demand.
  5. If a teacher, after all other authorized or mandatory deductions or garnishments, shall not have sufficient funds due to him to provide for the payment of said dues or representation fee, no sums shall be deducted, and the UTF shall assume the duty of direct collection from the teacher. The UTF shall assume the same responsibility in all cases where no deductions have been made because a teacher's earnings are insufficient during any pay period to pay such dues or representation fee.
- E. In the event that a teacher fails to pay the membership dues or representation fee, the Board shall cause the termination of the employment of said teacher as of the end of the school year in which said failure occurs. The parties expressly recognize that the failure of any teacher to comply with the provisions of this Article shall constitute reasonable and just cause for discharge.

1. The procedure in all cases of discharge for violation of this Article shall be as follows:
  - a. The UTF shall notify the teacher of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for discharge will be filed with the Board in the event compliance is not effected.
  - b. If the teacher fails to comply, the UTF shall file charges in writing, with the Board, and shall request termination of the teacher's employment. A copy of the notice of non-compliance and proof of service thereof shall be attached to said charges.
  - c. The Board, upon receipt of said charges and request for termination, shall conduct a hearing on said charges, and to the extent that said teacher is protected by the provisions of the Michigan Tenure of Teachers Act, all proceedings shall be in accordance with said Act. In the event of compliance at any time prior to discharge, charges may be withdrawn.
- F. The Board of Education shall furnish the UTF with the name and address of any newly hired teacher whose position is included in the bargaining unit within two (2) weeks from the date of employment. The UTF upon requests, shall from time to time promptly deliver to the Board an alphabetical list of all members of the UTF in good standing.
- G. The UTF shall furnish the Board a directive as to the proper allocation of the dues and representation fees. With respect to all sums deducted by the Board pursuant to authorization of the employees, whether for membership dues or representation fees, the Board agrees, within fifteen (15) days after the end of the month in which deductions are made to remit to the UTF that portion allocated to the UTF and to remit the balance to the Michigan Education Association, 1216 Kendale Boulevard, Box 673, East Lansing, Michigan 48823, accompanied by the alphabetical list of teachers for whom such deductions have been made.
- H. This Article shall not become operative until the UTF and the Michigan Education Association execute and deliver to the Board an agreement under which the UTF and the Michigan Education Association jointly and severally agree to save the Board harmless from and indemnify the Board against any and all claims, demands, losses, costs and expenses of whatsoever kind and nature (including reasonable attorneys fees) arising out of or incurred directly or indirectly because of the application, implementation, and enforcement of Paragraph D4 and Paragraph E of this Article, and the defense of actions taken against the Board before any court or administrative agency.

## ARTICLE IV.

### Academic Freedom

The parties seek to educate young people in the democratic tradition, to foster a recognition of individual freedom and social responsibility, to inspire meaningful awareness of the respect for the Constitution and the Bill of Rights, and to instill appreciation of the values of individual personality. It is recognized that these democratic values can best be transmitted in an open atmosphere which is free from artificial restraints upon free inquiry and learning, and in which academic freedom for teacher and student is encouraged, provided the Board adopted curriculum and courses of study are adhered to.

## ARTICLE V.

### Human Relations

Whereas, the Board and UTF are mutually committed to the human rights and dignities of all and to policies and programs of racial integration and desegregation as being necessary to good government, good education and good management; and

Whereas, the parties of this Agreement are mutually committed to the necessity of equal educational opportunity for all pupils in the Flint schools with no exclusion from any program on the basis of race, religion, creed, or social status.

1. The UTF agrees to continue to admit persons to membership without discrimination on the basis of race, creed, color, or national origin, and to represent fairly all teachers subject to the terms of this Agreement.
2. The Board agrees to continue its policy of not discriminating against any teacher on the basis of race, creed, color, national origin, or sex in hiring, placement, and assignment of personnel covered under terms of this Agreement.
3. The Board shall make all reasonable efforts to recruit minority group members for employment in the schools.

To implement this effort the Board will adopt the following procedures:

1. The Board shall regularly communicate with institutions training substantial numbers of minority group members for the teaching profession.
2. Campus visits for the purpose of recruiting will be scheduled when it would appear that such visitations will result in successful recruiting. Such visitations may be cancelled when there are an insufficient number of teaching candidates who have scheduled interviews.

3. The parties recognize that teachers shall be an integral part of the recruiting effort. Teachers shall participate in recruiting trips when practicable. Teachers participating in recruiting trips shall be selected by the Personnel Office. The Personnel Office shall give the UTF the names of teachers selected.
4. Teacher "search" operations shall be used when such use would result in successful recruiting.
5. Recommendation of potential teaching candidates by community leaders and community organizations will be given careful consideration.

#### ARTICLE VI.

##### Negotiation Procedures

- A. Not later than March 1 of the calendar year in which this Agreement expires, the Board agrees to begin negotiations with the UTF concerning a successor Agreement, in accordance with the procedures set forth herein. Any Agreement so negotiated shall apply to all teachers, and shall be reduced to writing and signed by the Board and the UTF.
- B. In any negotiations described in this Agreement, neither party shall have any control over the selection of the bargaining representatives of the other party, and each party may select its representatives from within or without the school district. It is recognized that no final Agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership of the UTF.
- C. This Agreement incorporates the entire understanding of the parties on all issues which were or could have been subject to negotiation. During the term of this Agreement neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
- D. When it is mutually agreed that negotiations referred to in Paragraph A between the UTF and the Board shall take place during the school day, any teacher so engaged shall be released from regular duties without loss of salary.
- E. In the event the negotiations described in Paragraph A above reach an impasse, the procedure described in Act 379 of the Michigan Public Acts of 1965, as amended from time to time, shall be followed when requested by either party.

ARTICLE VII.

Compensation and Expenses

- A. The salaries of teachers employed to teach in kindergarten through twelfth grade for the school years 1969-1970 and 1970-1971, and the rules governing the placement of such teachers and instructors on such salary schedule are set forth in Appendix B.
- B.
1. Salary differentials shall be paid for the school years 1969-1970 and 1970-1971, as set forth in Appendix C; provided, however, that the Board reserves the right to eliminate any position paying a salary differential or to add positions to the said list of such salary differentials as may be determined after negotiations between the Board and the UTF. Provided, further that positions carrying salary differentials shall be considered extra duty for extra pay and no tenure shall be granted in such positions.
  2. Salary differentials payable from funds other than State and local taxes are not included in Appendix C. All such differentials are subject to change or termination at any time such funds are not available for this purpose.
- C. All adjustments to salary as a result of additional training shall be effective at the beginning of the payroll period succeeding the date that a certificate that such training has been successfully completed is received by the Personnel Office, provided that:
1. If such certificate for a course completed between April 15 of a given year and the succeeding November 15 is received by said November 15, the adjustment to salary shall be retroactive to September 1, of that year or the date the course was completed, whichever is later; and
  2. If such certificate for a course completed between November 15 of a given year and the succeeding April 15 is received by said April 15, the adjustment to salary shall be retroactive to the date the course was completed.
- It shall be the responsibility of the teacher to obtain such certificate and deliver or cause such certificate to be delivered to the Personnel Office.
- D. When a full-time teacher is asked and agrees to engage in temporarily assigned professional work, other than incomplete work, on days other than those specified in Article VIII (A), he shall be paid at the rate established in Article XIX, Paragraph A of this Agreement. When a full-time teacher is asked and agrees to act as a substitute during his planning period, or when a counselor is asked and agrees to act as a substitute he shall be paid, in addition to his regular salary, at the rate of 1/6th of the substitute teacher's daily rate established from time to time by the Board.

- E. Whenever a Principal is absent for more than one day and a teacher is appointed Acting Principal, the teacher shall be relieved of his classroom duties for the period of the Principal's absence. When a Principal is absent for one day or less, no substitute will be provided and the teacher designated as Acting Principal in that school shall not be expected to handle any matters coming into the Principal's office other than emergency situations which require immediate decisions.
- F. At the end of each semester, the total payment by institutions sending student teachers to Flint shall be credited on a pro rata basis to a special account for the critic teachers participating in the program for that semester. The money credited to such account shall be regarded as in a trust for such teacher for so long as he is employed in the Flint school system and may be used either to pay for the cost of taking training courses or for the purchase of books and/or supplies for personal or classroom use by the teacher.

Any tools or supplies so purchased shall be considered the personal property of such teacher. Any balance remaining in a teacher's account at the time of resignation, retirement, death, or termination of employment for any reason shall remain available for use in supplementing requests by other eligible critic teachers. Any funds may be transferred to the supplemental account with the consent of the teacher.

If, during the term of this Agreement, no institutions sending student teachers to Flint refuse to permit their payments to be distributed directly to critic teachers, the Board agrees that the total payments by institutions sending student teachers to Flint shall be distributed in cash among the critic teachers on a pro rata basis.

- G. Any teacher who is not given a car allowance and who is authorized to use his own automobile in pursuance of assigned school duties shall be reimbursed at the rate of 10¢ per mile for in-town travel and 7¢ per mile for out-of-town travel. All claims for reimbursement shall be made only upon forms provided by the Board.
- H. Substitute teachers shall be provided at Board expense whenever necessary for a teacher conducting a field trip with students.
- I. Counselors and Librarians shall be employed on a 40 week basis with the fortieth week being the week prior to school. Their compensation shall be increased accordingly, it being recognized that Appendix B is based on a 39 week year.

ARTICLE VIII.

Teaching Days and Hours

- A. The teaching year shall consist of no more than one hundred ninety-five (195) teaching days. The calendars for 1969-1970 and 1970-1971 school years are hereto attached as Appendix D and Appendix E respectively.
- B. Nothing herein contained shall be construed to prohibit the Board from offering an extended contract for longer than thirty-nine (39) weeks to any individual teacher, such additional time to be paid at the per diem rate of 1/195th of the teacher's annual salary; provided, that no individual teacher shall be required to accept an extended contract; provided, further, that the foregoing shall not prohibit the continuation and renewal of existing contracts for an extended school year; provided, further, that the Board shall have the right after negotiation with the UTF to require extended contracts for a special group of teachers at the rate set forth above.
- C. The teacher's regular teaching hours in the Senior High School shall be as follows:
1. Teachers shall be required to report for work at 7:52 A.M.,
  2. Classes shall begin at 8:10 A.M.,
  3. Classes shall be dismissed at 3:00 P.M.,
  4. Teachers may leave the building after 3:07 P.M.
- D. Teacher's regular teaching hours in the Junior High Schools shall be as follows:
1. Teachers shall be required to report for work at 8:12 A.M.
  2. Classes shall begin at 8:30 A.M.
  3. Classes shall be dismissed at 3:22 P.M.
  4. Teachers may leave the building after 3:30 P.M.
- E. The teachers' regular teaching hours in the elementary school shall be as follows:
1. Teachers shall have a planning period from 8:10 A.M. to 8:50 A.M.
  2. The period from 8:50 A.M. to 9:00 A.M. shall be supervision.
  3. Classes shall begin at 9:00 A.M.
  4. Morning classes shall be dismissed at 11:45 A.M.

5. The period from 11:45 A.M. to 12:35 P.M. shall be the teachers' lunch period.
  6. The period from 12:35 P.M. to 12:50 P.M. shall be supervision.
  7. Afternoon classes shall begin at 12:50 P.M. and shall end at 3:35 P.M.
  8. The period from 3:35 P.M. to 3:40 P.M. shall be supervision.
  9. Teachers may leave their assignments at 3:40 P.M.
- F. The starting and dismissal times set forth in Paragraphs C, D, and E above may be changed so long as such change does not increase the number of hours during which teachers are required to be present.
- G. All teachers in the Junior and Senior High Schools shall have a duty-free lunch period equal in length to the student lunch period at the same time.

#### ARTICLE IX.

##### Teaching Loads

- A. The weekly teaching load in the senior high and the junior high schools will be twenty-five (25) teaching periods of no more than fifty-five (55) minutes, five (5) unassigned preparation periods, a morning homeroom period of no more than fifteen (15) minutes and, in the junior high school, an afternoon "homeroom" period of no more than twenty-eight (28) minutes. Assignment to homeroom periods shall be equitably rotated on a semester basis among teachers except that Department Chairman shall not be required to take a homeroom period unless there is insufficient staff to cover all homeroom assignments in the building in which case Department Chairman will be assigned on an equitable basis.
- B. In cases where special teachers of art, music and science are utilized, the regular teacher shall not be required to remain in his classroom when a special teacher is in charge.
- C. Teacher participation in extra-curricular activities for which no additional compensation is paid shall be strictly voluntary. At the same time, the teachers recognize that their responsibilities to their students and their profession require the performance of duties that involve the expenditure of time beyond that of the normal working day. Each teacher will accept two (2) assignments per semester to participate in extra-professional evening meetings (e.g. PTA affairs, parent visitations). The Principal shall assign such duties on as equal a basis as possible, provided that teachers shall be relieved of any such assignment for good cause.

- D. Regular monthly faculty meetings shall be scheduled at the beginning of the year, provided that nay such meetings shall be cancelled if unnecessary. Faculty meetings shall be as brief as possible. When held in the afternoon, such meetings shall be commenced immediately after dismissal time and will be completed no later than 5:00 P.M. Other meaningful meetings may be called as necessary on forty-eight hours notice except in emergencies.
- E. Travel time of teachers of the homebound shall be considered as part of such teacher's teaching day.
- F. Case loads for counselors shall be limited to a 1 to 350 ratio. For the purpose of computing such ratios, Assistant Principals for Students, Nurse Counselors, Police Counselors, Special Education, and PCP teachers and experimental programmers shall not be included as counselors. Counselors shall not be permitted to act as Department Chairmen.
- G. No teachers shall be assigned, except for good cause, and in that event for no longer than one year, outside the scope of their teaching certificates or their major or minor field of study.
- H. Teachers who will be affected by a change in grade assignments in the elementary school grades and by changes in subject assignments in the secondary school grades will be notified and consulted by their principals or the Personnel Office prior to December 1st, and prior to June 1st, provided that notice may come after such dates when circumstances arising thereafter necessitate further changes in assignments. Every effort will be made to avoid reassigning probationary elementary school teachers to different grade levels unless the teacher requests such change.

#### ARTICLE X.

##### Teaching Conditions

- A. The parties agree that it is their mutual goal that class size be lowered whenever feasible, having due regard for the availability of staff and facilities. Maximum class sizes shall be as follows:
  - 1. Kindergarten-3 -- Thirty-four (34) pupils per teacher
  - 2. Grades 4-6 -- Thirty-five (35) pupils, subject to the following:
    - a. Where it would be necessary to create split classrooms in order to comply with the above provisions, without the expenditure of additional funds, teachers who might have to teach such classrooms will be asked whether they are willing to do so. In the event that no teacher is willing, then the above maximum class size will be exceeded by no more than three (3), and split classes to meet this requirement may be created without teacher consent. This maximum

of thirty-seven (37) in K-3 and thirty-eight (38) Grades 4-6 may be exceeded only in those cases where enrollment after the second Friday in September would necessitate regrouping of classes, in which case the teachers involved will be consulted with respect to whether regrouping is appropriate or the maximum should be exceeded.

- b. The above maximums may also be exceeded when agreement is reached between the principal and the teachers in the grade affected that to level off the number of students in classes in that grade to comply with the above would adversely affect student groupings and the educational process, but in no event may any class size be higher than thirty-seven (37) in Grade K-3 and thirty-eight (38) in Grade 4-6 as a result of such agreement.
  - c. When split classrooms are created, the teacher who will be assigned to such a classroom will be consulted with respect to the selection of students for that class. Such selection will be made with the goal of insuring as much homogeneity in terms of educational development as possible and only students within three reading levels will be included.
  - d. In the 1970-71 school year the assigning ratio of teachers to pupils in grades kindergarten through 6 shall be reduced by one (1) as follows: Kindergarten to 28.5 and grades 1-6 to 30.5.
3. The maximum total teaching load per individual teacher in the Junior and Senior high schools for other than teachers of performing music groups, physical education and typing, shall be 170 pupils per 5 periods of actual classroom teaching (or a pro rata number of pupils for a lesser teaching day). No such teacher shall be required without his consent to teach more than thirty-six (36) pupils in any one class unless in the opinion of the principal a class of greater size cannot be avoided, and in no event shall he be required to teach a class of greater than thirty-eight (38) pupils without his consent.
4. Notwithstanding the foregoing, the maximum class size may be exceeded in summer school and emergency situations, such as, but not limited to, highway dislocation, urban renewal, lack of funds and inability to obtain teachers. However, in such cases the UTF shall be involved before the final decision is made by the Board.
- B. Wherever feasible, the Board shall make available in each school at least one room, appropriately furnished and vented, which shall be reserved for use as a faculty lounge in which smoking shall be permitted.

- C. Outside telephones shall be available for teacher use for professional and emergency calls. Long distance calls shall be made only in emergencies and with the prior approval of the Principal.
- D. In schools where cafeteria service is not available for teacher use, the teachers, with the prior consent of the principal, may arrange for the installation of a vending machine for beverages. The installation, operation, control, and maintenance of the machines shall be the responsibility of the teachers in that building and all proceeds therefrom shall be used in such manner as the teachers in that building shall determine.
- E. Wherever feasible, adequate parking facilities shall be made available to teachers for their exclusive use.
- F. The provisions of this Agreement shall be applied without regard to race, creed, religion, color, national origin, age, sex or marital status or membership in or association with the activities of any employee organization; provided, however, that nothing herein shall be so construed as to prevent the Board from establishing a mandatory retirement age. No teacher shall be required to hold membership in any organization or to contribute directly or indirectly to any political party or any other organization or any agent or individual as a condition of employment or continuation of employment. Nor shall any teacher be prejudiced in his employment because he has joined or failed to join any lodge, religious group, employees association, union or other lawful organization; provided that nothing in this Paragraph F shall be construed to alter or modify the provisions of Article III.
- G. The Board declares its intention to provide adequate supplies and textbooks. No curriculum change shall be implemented in a given program until sufficient textbooks to initiate the program are available or are expected to be available within a reasonable period of time. The Board will use its best efforts to coordinate curriculum changes with the ordering of supplies and materials.

#### ARTICLE XI.

##### Promotions

- A. Whenever any vacancy shall occur in any professional position in the District for which certification or a degree is required, other than one on the K-12 or College salary schedule, the Board shall publicize the same by giving written notice of such vacancy to the UTF and by providing for appropriate posting in the Personnel Office, Principals' Office, and by publication in the Superintendent's Bulletin or other publication of general circulation among teachers. Posting during the summer shall be in the Personnel and the UTF Offices. No vacancy shall be filled, except on a temporary basis, until such vacancy shall have been posted for at least fifteen (15) days.

- B. Any teacher may apply for such vacancy. In filling such vacancy the Board agrees to give due weight to the professional background and attainments of all applicants, the length of time each has been in the school system and other relevant factors. A copy of the procedure for interviewing and otherwise judging the merits of applicants for such positions shall be given to all teachers. The decision of the Board as to the filling of such vacancies shall, however, be final.

## ARTICLE XII.

### Vacancies and Transfers

- A. Although the Board and the UTF recognize that frequent transfers of teachers from one school to another is disruptive of the educational process and interferes with optimum teacher performance, they also recognize that some transfers for administrative purposes and to insure a fair distribution of experienced and qualified teachers throughout the system will be necessary.
- B. Transfers and changes of assignments shall be on a voluntary basis whenever possible. In making involuntary assignments and transfers, the convenience and wishes of the individual teacher will be honored to the extent that these considerations do not conflict with instructional requirements and the best interests of the school system and the pupils. Teachers will be given thirty (30) days notice of involuntary transfers, and the reasons therefor if the teachers so request, except that in those cases in which a transfer must be made in less than thirty (30) days, such notice will be given as time will allow. All involuntary transfers shall be reviewed by the Personnel Office and teachers will be given an opportunity to state in writing the reasons for their objection to the transfer.
- C. Teachers shall be given an opportunity to apply, without giving reasons, for transfers to be effective the next school year if their application is made by April 7; provided, that if the application is made after April 7, the teacher shall state the reasons for the transfer request or if the request is for transfer to a particular school, the teacher shall be obligated to state the specific reasons for the choice of the school. The Board will maintain in the Personnel Office a current list of vacancies in positions in K-12 until April 7. If a teacher requests a transfer under this Paragraph and is refused, he shall be notified in writing of the reasons therefor if he so requests.
- D. Teachers may apply for transfers to be effective during the school term in which application is made, provided that in such a case the teacher will be required to state the reasons for the transfer request.
- E. An involuntary transfer or the denial of a request for transfer may be challenged through the grievance procedure solely on the ground that the decision made was unreasonable.

ARTICLE XIII.

Sick and Emergency Leave

- A. Sick and emergency leave shall be credited annually to each teacher on the first day of his employment year as follows:
1. Ten (10) days for teachers on 39, 40, or 41 week contracts;
  2. Eleven (11) days for teachers on 42 through 47 week contracts;
  3. Twelve (12) days for teachers on contracts of 48 weeks or more.
- B. In the event that the service of any teacher is interrupted by reason of discharge, termination, suspension or leave and said teacher has utilized more sick leave days than have been accumulated on a pro rata basis, then the value of the excess paid-for leave days shall be deducted from the last paycheck due to the teacher at the time of interruption.
- C. The total unused portion of the annual sick and emergency leave allowance shall be permitted to accumulate indefinitely;
1. No teacher shall forfeit accumulated leave days during approved leaves of absence.
  2. No teacher shall accumulate sick and emergency leave during any leave of absence granted under this Article or Article XIV. Sick leave accumulated prior to a leave of absence shall be credited upon return.
  3. All accumulated leaves shall automatically terminate on the date that a teacher's resignation, accepted by the Board, becomes effective.
- D. Annual and accumulated leave days shall be used either for personal illness or emergencies, as defined below; provided that a teacher shall not be eligible to use such days while on a leave of absence under Article XIV. All teachers other than first year teachers shall be credited with and use their annual accumulated sick and emergency leave allowances as of the first day of their employment year even though they have not been able to report for duty on that day, provided that:
1. The teacher notifies the Personnel Office that he will be unable to report because of personal illness or death or serious illness in his immediate family, and
  2. Immediately upon reporting for work the teacher complies with all of the requirements of this Article.

- E. The Board may request a doctor's certificate from a teacher who uses illness as an excuse for absence. Upon a teacher's return to work after an illness of more than five (5) days duration, a statement shall be submitted from a doctor certifying that the employee is capable of returning to work. In cases where a teacher frequently claims extended personal illness, a medical examination in accordance with established policy may be required by the Board.
- F. Emergencies for which leave may be used are as follows:
1. Absence due to the death of a member of the immediate family shall be granted upon written recommendation of the immediate supervisor for a period not to exceed five (5) working days. Immediate family shall mean: husband, wife, father, mother, brother, sister, son, daughter, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, uncle, aunt, nephew, niece, and first cousin.
  2. Absence due to quarantine or serious illness of any person listed in paragraph F(1) above shall be granted upon written recommendation of the immediate Supervisor for a period not to exceed five (5) working days.
  3. When serious illness of a member of the family is immediately followed by death, the leave provided in Paragraph F(2) may be extended upon written recommendation of the immediate supervisor; provided that the total thereof shall not exceed eight (8) working days.
  4. Paid emergency leave days in excess of the limitations herein contained may be granted by the Sick and Emergency Leave Committee.
- G. An emergency leave form shall be completed by the teacher and submitted to the teacher's supervisor immediately upon return to work after an emergency absence. The completed form shall contain all pertinent information relating to the absence.
- H. Unpaid Sick and Emergency Leave may exceed the total annual and accumulated leave days in unusual "hardship" cases when specifically approved by the Sick and Emergency Leave Committee.
- I. Any teacher who is absent because of injury or disease, other than an assault covered in Article XVII, Paragraph E of this Agreement, shall be permitted to deduct from annual and accumulated sick and emergency leave the difference between the allowance under the Michigan Workmen's Compensation Law and his regular salary.
- J. Teachers under contract for less than full time but half time or more will be allowed one-half (1/2) the normal sick and emergency allowances provided above.

- K. The Sick and Emergency Leave Committee shall consist of three (3) teachers appointed by the UTF, and three (3) persons appointed by the Board. The Personnel Director shall be an ex officio member of the Committee entitled to vote only in the event of a tie. A quorum for a meeting of the Sick and Emergency Leave Committee shall be six people. Either the Board or the UTF may send representatives by proxy, including the Personnel Director.
- L. The Board shall provide every teacher within 45 days after the beginning of school in the fall an accounting of their sick days accumulated. Such accounting shall not be binding upon the teacher or the Board.

#### ARTICLE XIV.

##### Leaves of Absence

###### A. Extended Illness

Any teacher whose personal illness extends beyond the period compensated under Article XIII shall be granted a leave of absence without pay for the duration of such illness, but not to exceed one (1) year. Unrequested leaves of absence for physical or mental disability shall be governed by the Michigan Tenure of Teachers Act.

###### B. Personal Leave

1. Two days of paid personal leave per school year shall be granted annually to all full-time employees in a regularly assigned position. Half-time employees will be granted two (2) half-days of personal leave. Substitute or part-time employees will not be eligible for any personal leave days.
2. It is agreed that personal leave days are provided for legitimate business, professional, and family obligations a teacher regularly encounters which cannot be met outside the regular school day. Typical of these obligations, although not all inclusive, are: court appearances, scheduled medical examinations, religious holidays, college graduation exercises, honors convocations honoring the teacher or members of his immediate family, and real estate transactions. This provision for personal leave is not to be used for the pursuit of sporting or recreational interests, hobbies, avocations, other gainful employment, shopping or such activities as yard maintenance.
3. Application for personal leave shall, except in emergencies, be made to the immediate supervisor at least three (3) days prior to the date of such leave on a form provided for by the Board which is attached hereto as Appendix F, which form shall require the teacher to state at least in general language the reason for the personal leave. So long as the personal leave is consistent with the purposes of this paragraph it shall automatically be granted. Teachers taking personal leave days for reasons other than specifically set forth herein, or not within the spirit of this Article shall be subject to discipline.

4. Personal business days may not be taken on the first day of school, on the first working day preceding or following a non-teaching day (except Saturday or Sunday), on the opening day of a small game or fishing season, on the first two (2) working days of a deer hunting season, on the working day preceding or following the opening of small game or fishing season, on the working day preceding the opening of deer hunting season or on days when final examinations are scheduled, except that personal leave may be taken on such restricted days if a teacher has personal business such as: court appearance, a scheduled medical examination, religious holiday, college graduation exercises, honors convocations honoring the teacher, real estate transaction, and other legitimate business on such restricted days, provided that the teacher shall, prior thereto, furnish proof of such business to his immediate supervisor.

C. Religious Holiday Leave

Three (3) days leave of absence without pay shall be granted to teachers who wish to observe traditional and customary religious holidays.

D. Jury Duty and Court Service

1. When a teacher is called for jury service, he shall give his immediate Supervisor proper notice and the Board of Education will reimburse the teacher for the difference between his regular pay and the amount he received for court services. It is the responsibility of the teacher to collect for his court services.
2. When a teacher is subpoenaed to serve as a witness in a court action involving the Board of Education or arising out of his employment, he shall be given a leave of absence with pay for the time required for such court appearance. Any witness fees resulting from court service shall be paid to the Board.

E. Maternity Leave

1. Teachers may be requested to take a maternity leave without pay at any time after the fourth month of pregnancy. Such leave will be granted for up to eighteen (18) months.
2. Return to work after the birth of a child will not be permitted until at least three (3) months have passed unless approved by the Sick and Emergency Leave Committee. The maternity leave for a teacher will extend to the end of the semester or summer during which the three-month period is completed.
3. A teacher shall not be reinstated until a medical report of the mother's physical fitness to return to work has been submitted to the Personnel Office.

#### F. Military Leave

1. Leave for extended military service will be granted in accordance with the requirements of state law.
2. Whenever a teacher who is a member of the National Guard, Naval Reserve, Army Reserve, Marine Reserve, or Air Force Reserve is called to active service during his contractual year, he shall be paid the difference between his regular salary and the allowance of the State of Michigan or other governmental authority for such active service, if such difference be less than he would receive for a comparable time worked for the Board of Education, provided that the total period of such service does not exceed two (2) calendar weeks in any single calendar year. Before such payment shall be made, the teacher shall file in the Personnel Office a letter from his commanding officer stating the period of active duty and the allowance by the State of Michigan or other governmental authority for such service.

#### G. Detached Service Leave

The Board may grant detached service leave with another school system, educational institution or with an official governmental agency, including the Peace Corps. A teacher who is on tenure and who is granted detached service shall not forfeit his tenure status.

Any time spent on such detached service shall be considered as additional experience on the salary schedule.

#### H. Sabbatical Leave

1. Sabbatical leaves for study and research will be granted by the Board to teachers who have completed seven (7) years of service in K-12. Such sabbatical leaves shall be in recognition of significant service through teaching and for the purpose of encouraging scholarly achievement which contributes to the professional effectiveness of the members of the staff and the value of their subsequent service to the Flint School System.
2. Each year, one percent (1%) of the teachers in K-12, who are otherwise eligible will be granted sabbatical leave. In calculating the maximum number of persons who would be eligible, fractions will be rounded off to the nearest whole number and half-year sabbatical leaves will be considered leave for one-half person.
3. Sabbatical leave may not be granted to one individual more often than once every seven (7) years. It will be granted only when the proposed purpose of the leave warrants it and when the teaching program of the department and the interest of the Flint School System will not be seriously impaired by the teacher's absence.
4. A sabbatical leave may be granted for one semester, one full school year, or for the last semester of one school year and the first semester of the following year. Each teacher on sabbatical

leave shall receive one-half the pay he would otherwise receive during the period of this sabbatical leave plus one-half (1/2) of his medical-hospitalization insurance and life insurance. A teacher on sabbatical leave shall not render service for compensation in another educational institution, provided, however, that this shall not preclude the acceptance of a fellowship or other assistance in research.

5. Application for sabbatical leave shall be made in writing and addressed to the division head not later than February 1 preceding the school year within which the leave is desired. The application must be accompanied by a statement of a well-considered plan for spending the leave in a manner calculated to contribute to the professional effectiveness of the applicant and the best interests of the Flint School System.
6. Each teacher who is granted sabbatical leave will be expected to return to his duties in the Flint School System for at least one (1) year and upon returning, shall present a full report regarding the use of his sabbatical leave to the division head.
7. Any time spent on sabbatical leave shall be considered as additional experience on the salary schedule.

#### I. Study Leave

A teacher may submit a plan for a year of fully scheduled academic study which substantially contributes to his competence in his teaching assignment. Such plan will be reviewed by the division head and if approved the leave shall be granted. One year experience credit will be granted upon presentation of evidence of successful completion of the plan as previously approved by the division head.

Only one such leave will be granted to a teacher unless he is requested to take additional study leave by the Board.

No more than ten study leaves for which experience increments are granted will be approved in any one academic year. Denial of study leave may be grieved on the grounds that such denial is unreasonable, provided that no denial shall be unreasonable if ten study leaves have been granted in that academic year.

#### J. Professional Leaves

Full pay may be granted to teachers to attend professional meetings or other special assignments with the approval of their immediate supervisor, and under established procedures.

K. Miscellaneous

1. Leaves of absence under this Article, with the exception of personal leave, shall be granted only after the completion of probationary service.
2. Teachers on leave of absence for other than military service, detached service, or sabbatical leave shall not receive years-of-service credit toward salary increments for the period of the leave.
3. A teacher returning from leave of absence shall be given consideration for the first vacancy for which he is qualified.
4. A teacher on leave for at least a semester shall be required to notify the Personnel Office, in writing, not less than ninety (90) days prior to the expiration of leave, whether he will return to employment. A teacher not conforming to this notice requirement may have his employment terminated.

ARTICLE XV.

1. Any teacher who retires at the end of the school year in which he attains age 65.
  2. Any teacher who has twenty (20) years of service in the Flint School System and who retires at the end of the school year in which he attains age 60 or at the end of any school year thereafter.
  3. Any teacher who retires after reaching age 55 who has fifteen (15) years of service in the Flint School System if retirement is the result of ill health sufficient to qualify such teacher for disability retirement under the Michigan Retirement System for Public School Employees Act.
- B. Any teacher who retires under the terms and conditions of Paragraph A(1) and A(2) shall receive \$500.00 additional terminal pay if he has accumulated 135 unused earned sick days at the time of said retirement.
- C. For the purposes of Paragraphs A(1) and A(2) the school year is defined as beginning on September 1st of any given year and ending August 31st of the following year.

ARTICLE XVI.

Insurance Protection

- A. The Board shall provide, without cost to the teacher, group life insurance protection which shall pay to the teacher's designated beneficiary the sum of \$10,000.00 upon death and, in the event of accidental death, a sum not less than two times that amount.
- B. The Board shall provide for each regularly assigned full time teacher the entire premium for the year for the teacher's Blue Cross-Blue Shield M75 Program, MEA Super-Med or to any other employee organization insurance program equivalent thereto approved by the Board for both the teacher and his family; provided that the cost of life insurance included in the MEA Super-Med Program shall be paid by the insured teacher.
- C. The Board will continue furnishing the premium for regularly assigned full time teachers for the long term disability insurance plan in effect during the 1968-69 school year.
- D. Each teacher under contract to work less than full-time but one-half time, or more, is entitled to receive fringe benefits equal to one-half the amounts set forth in Paragraphs A, B, and C above. Teachers working less than half-time and substitute teachers are not entitled to benefits under this Article.

ARTICLE XVII.

Protection of Teachers

- A. The Board hereby assures teachers that it will put its full support behind the discipline procedures and policies recommended and adopted by the Board in matters of discipline. The administration and the teachers recognize a mutual responsibility for the enforcement of such policies. It is also agreed that such policies will be enforced fairly and consistently without favoritism due to race, creed or color. It is recognized and agreed that there is a continuing need to review discipline policies and procedures and to that end, the parties agree to the appointment of a specific professional study committee to study such policies as provided in Article XX hereof.
- B. Any case of assault on a teacher shall be promptly reported to the Board. The Board shall render all reasonable assistance to the teacher (excluding legal counsel) in connection with the handling of the incident by law enforcement and judicial authorities.

- C. Any complaints by a parent of a student directed toward a teacher which become a matter of record shall be promptly called to a teacher's attention.
- D. In the case of an assault by a student on a teacher causing injury for which workmen's compensation is paid, the Board will pay the difference between workmen's compensation and the teacher's regular salary for the period of disability, not to exceed two years or the term of employment, whichever is lesser.

#### ARTICLE XVIII.

##### Teacher Evaluation

- A. The evaluation of the work of all teachers is a responsibility of the administration, but the development of an appropriate and fair instrument and procedure for evaluation is of proper concern of the teaching staff.

To this end, a professional study committee will be appointed as provided in Article XX hereof.

- B. Any adverse evaluation of teacher performance asserted by the Board or any agent or representative thereof shall be subject to the grievance procedure herein set forth; provided, however, that (1) as to probationary teachers the Board may give such notices of unsatisfactory work as shall be required or permitted by the Michigan Tenure of Teachers Act, and (2) as to teachers on tenure pending grievance procedures shall be dismissed upon the filing of written charges under the Michigan Tenure of Teachers Act after Level III of the grievance procedure is completed, provided that all proceedings under the grievance procedure shall cease thirty (30) days after the filing of such charges. The Tenure Act shall thereafter govern all proceedings against the teacher.
- C. Each teacher shall have the right, upon request, to review the contents of his own personnel file. A representative of the UTF may, at the teacher's request, accompany the teacher in such review. The review will be made in the presence of the administrator responsible for the safekeeping of such file. Privileged information such as confidential credentials and related personal references normally sought at the time of employment are specifically exempted from such review. The administrator shall remove such credentials and confidential reports from the file prior to the review of the file by the teacher.
- D. All monitoring or observation of the work performance of a teacher shall be conducted openly and with full knowledge of the teacher.

ARTICLE XIX.

Summer School

Salaries for summer school teachers in K-12 shall be calculated as follows:

- A. Each teacher shall be paid one-sixth (1/6) of the average daily rate for each period taught. The average daily rate shall be determined by dividing the average of teachers' salaries, exclusive of differentials, paid on the preceding February 1, by 195.
- B. Summer school teachers shall be entitled to two (2) summer school days of sick leave with no deduction from pay, provided that the Board may request submission of a doctor's certificate as proof of illness. Such sick leave shall not be accumulated from summer to summer or added to a teacher's regular sick leave accumulation.
- C. The teacher shall, in the first instance, make reasonable effort to secure a substitute. The Board, however, will provide and maintain in the Personnel Office a list of summer school substitutes and, at a teacher's request, will secure a substitute. The teacher will cooperate with the Personnel Office in making any arrangements necessary for the substitute to assume his classroom responsibilities.
- D. Summer school teachers shall not be required to make inquiries with respect to the legitimacy of or reasons for student absences.
- E. Summer school for the purposes of this Agreement shall mean those courses offered during June, July, and August which are the same as those offered during the regular academic year.

3. Elementary School (upper)

Applications for summer school will be determined as follows:

Only teachers with three (3) or more years of consecutive Flint service who have taught the past two (2) years in the subject area for which they have applied will be considered. From among these teachers those having the highest number of summer school points will be selected.

Summer school points shall be determined as follows:

1. Each teacher shall be given one point for each year of service in the Flint school system beginning with the 1966-67 school year.
2. Each teacher will have three points deducted for each year of summer school taught beginning with the 1966-67 summer school.
3. No teacher will be assigned to senior high summer school who does not meet accreditation requirements of the North Central Association of College and Secondary Schools.

Priority listing of teachers for placement in summer school assignments shall be posted in the office of Personnel Services by April 1st. A copy of the list shall be mailed to the UTF. No corrections of the list will be made after May 1st. The Board will make appointments from the list after May 1st in order of the teachers' rank on the priority list.

In the event that eligibility of any teacher shall be equal, selection shall be made by first the highest degree earned, and second by lot.

If an assignment has been made and the class for which the assignment was made is not offered, no summer school points shall be charged against the teacher. A teacher who applies for summer school and who is assigned and then withdraws shall have points counted as summer school taught, provided that a teacher may withdraw his application before April 1st without penalty.

- F. All applicants will receive notification from the Personnel Office:
1. That they have been appointed to a position;
  2. That there is a possibility for appointment at a later date;  
or
  3. That they will not be appointed this summer.

Upon completion of its study and report on the subject assigned to it, each subcommittee shall be considered dissolved, and once dissolved no subcommittee shall be reactivated except by mutual consent of the members to the PSC.

- F. The parties agree that the PSC and its subcommittees serve in an advisory capacity only, and that the failure of the Board to place any of its recommendations in effect shall not constitute the basis for a grievance.
- G. The clerical expenses of the PSC and its subcommittees shall be borne by the Board.
- H. UTF representatives of the PSC shall be released from school duties for one monthly meeting of the PSC without salary deduction. Any of its subcommittees may be excused from their regular work if authorized by the Board

#### ARTICLE XXI.

##### Discipline of Teachers

- A. The Board may adopt rules and regulations not in conflict with the terms of this Agreement concerning the discipline of teachers.

## ARTICLE XXII.

### Grievance Procedure

#### A. Definitions

1. A grievance is a claim, by one or more teachers, of improper application or interpretation of this Agreement or personnel policy as established from time to time, specifying the part of the Agreement or personnel policy which is claimed to be violated and the specifics of such violation.
2. The term "teacher" includes any individual or group of individuals within the bargaining unit hereinbefore defined, and covered by this Agreement.
3. The term "days," when used in this Article, shall mean school teaching days, except that it shall mean weekdays when schools are in summer recess and calendar days for the purpose of Levels IV and V of this procedure.

#### B. Purpose

The purpose of the following grievance procedure shall be to settle equitably, at the lowest possible administrative level, issues which may arise from time to time with respect to specific claims of improper application or interpretation of the terms of this Agreement or established Personnel Policy. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure.

### C. Structure

1. Nothing herein contained shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted, without the intervention of the UTF if the adjustment is not inconsistent with the terms of this Agreement and the UTF has been given an opportunity to be present at such adjustment.
2. Any teacher may be represented at the first and second level of this procedure by a representative of the UTF, provided, that if the representative at the first level is not a member of the bargaining unit, the principal will receive prior notice that such a representative will be present at any first level meeting.
3. There shall be established by the UTF a Central Grievance Committee (CGC) which shall consist of no more than four (4) persons selected by the UTF. This Committee shall represent the UTF at the third, fourth and fifth levels of this procedure.
4. The Board's Appeal Committee at the third level shall consist of the General Superintendent, Associate Superintendent for Business Affairs, and Director of Staff Personnel Services and the Head of the Division of which the teacher is employed, or their designees.
5. Upon the request of either party hereto or of the teacher or teachers involved in a grievance, the latter may be present at any level of the grievance procedure.

### D. Procedures

The number of days indicated at each level below should be considered as maximum and every effort should be made to expedite the process. The time limits may be extended by mutual consent in writing by the authorized representatives of each party. If the grievance is filed on or after June 1, the parties will endeavor to effect a solution as soon thereafter as practicable.

#### 1. Level One

- a. A teacher with a grievance may initiate this procedure in one of the following ways:
  - (1) He may approach his immediate supervisor and discuss the matter in his own behalf, or
  - (2) He may request that a representative of the UTF accompany him in approaching his immediate supervisor. In such case, the supervisor shall not initiate any consultation with the grievant prior to any scheduled meeting at which a representative is to be present.

- b. In the event that steps (1) or (2) are unsuccessful, or one of the parties to the grievance does not wish to use these steps, the teacher may file a formal grievance on a form to be supplied by the UTF. The form shall be completed in triplicate, one copy for the grievant, one for the UTF and one for the immediate supervisor. A formal grievance shall be filed as soon as possible, but in no event longer than thirty (30) days after notice of the facts giving rise to the grievance came to the teacher's attention.
- c. Within five (5) days of the filing of a formal grievance, a meeting shall take place between the immediate supervisor, the grievant and the UTF representative and an answer to the grievance shall be given in writing.

## 2. Level Two

- a. In the event the grievance is not satisfactorily resolved at Level One, the CGC will determine whether it believes the grievance has merit. Within five (5) days of receipt of the answer at Level One, it will notify the next higher supervisor (e.g., Director of Elementary Education, Director of Secondary Education) whether it intends to process the grievance any further.
- b. If the UTF gives notice that it desires to proceed with the grievance, a meeting will be held between a representative of the UTF and appropriate supervisor within five (5) days of such notice and a written answer will be given within three (3) days thereafter.

## 3. Level Three

If the grievance is not settled at Level Two above, the UTF may, within five (5) days after said decision, notify the Director of Personnel Services that it intends to appeal the grievance, stating the grounds for such appeal. The Director of Personnel Services shall, within five (5) days after receipt thereof, convene a third level meeting between the CGC and the Board's Appeal Committee and a written decision, on or attached to the grievance, shall be rendered by the Appeal Committee within five (5) days thereafter and delivered to the UTF.

## 4. Level Four

If the grievance is not settled at Level Three above, it may be appealed to the Board by filing a written notice with the General Superintendent within five (5) days after the receipt of the answer at Level Three, stating the grounds for appeal. The General Superintendent will place the matter upon the agenda of a Board Committee of the Whole meeting occurring within the twenty (20) days next following receipt of such notice and will promptly

notify the UTF of the date, time, and place where such appeal will be heard; provided that, the Board may determine, other than in a case not appealable to Level Five, that it does not wish to hear the grievance, in which case it shall give notice of this fact to the UTF which shall then be entitled to appeal directly to Level Five. The Board's written decision, on or attached to said grievance, shall be transmitted to the UTF by the General Superintendent within seven (7) days after said hearing.

5. Level Five

- a. Within five (5) days of receipt of the answer at Level Four or of notice that the Board has decided not to hold a Level Four hearing, the UTF may by notice request that the matter be submitted to arbitration.
- b. The parties will attempt to select an arbitrator by mutual agreement. If they cannot agree on an arbitrator within five (5) days after notice is given, he shall be selected by American Arbitration Association in accord with its rules which shall likewise govern the arbitration hearing. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement. The arbitrator shall render his decision in writing and shall set forth his findings and conclusions on the issues submitted. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.
- c. The costs of any arbitration under this Article shall be divided equally between the Board and the UTF.
- d. Notwithstanding the foregoing, neither the dismissal of a probationary or tenure teacher nor any matter arising out of the first sentence of Article X (A) and Articles X (A) 4 and Article X (B) and (E) of this Agreement shall be subject to arbitration.

E. Miscellaneous

1. Copies of all written answers at any level of this procedure shall be given to the grievant and to the UTF.
2. Any grievance not appealed within the time limits set forth above shall be considered settled on the basis of the last decision. If an answer to a grievance is not received within the time limits set forth above, it may automatically be appealed to the next level.
3. No grievance shall be filed by any teacher after the effective date of his resignation.
4. No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.

ARTICLE XXIII.

Miscellaneous Provisions

- A. The Board agrees to make every reasonable effort to provide qualified substitute teachers, and the teachers shall be informed of a telephone number they may call to report unavailability for work. Teachers shall report unavailability for work at the earliest possible time and shall make every effort to report no later than 7:00 A.M. Teachers who fail to report that they will be unavailable by the opening of the school day of the building to which they are assigned will lose one day's pay and may not use their sick leave for that day. However, there will be no deduction from their accumulated sick and emergency leave.
- B. This Agreement shall supersede any rules, regulations, or practice of the Board which shall be contrary or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement.
- C. Copies of the standard probationary and tenure contracts for use in K-12 are attached hereto as Appendix G.
- D. Copies of this Agreement shall be printed at the expense of the Board and presented to all teachers now employed or hereafter employed by the Board.
- E. All notices required to be given to the UTF by this Agreement shall be mailed to the UTF by ordinary mail, addressed to 1005 West Third Avenue, Flint, Michigan, or to such other address as the UTF shall direct in writing. All notices required to be given to the Board by this Agreement shall be mailed to the Board by ordinary mail addressed to 923 East Kearsley Street, Flint, Michigan, or to such other address as the Board shall direct in writing. All notices to be given to a teacher under this Agreement shall be mailed to his last address recorded in the Board's Personnel Office.
