A G R E E M E N T

between the

BOARD OF EDUCATION OF THE FRASER PUBLIC SCHOOLS DISTRICT
and the
FRASER EDUCATION ASSOCIATION

THIS AGREEMENT entered into this 30th day of August, 1971, by and between the Board of Education of the Fraser Public Schools District, Macomb County, Michigan, hereinafter called the "Board", and the Fraser Education Association, hereinafter called the "Association".

WHEREAS, the Board and the Association each have the common objective of providing the best possible educational opportunity for all children enrolled in the schools consistent with community resources; and,

WHEREAS, the success of the educational program is dependent upon the knowledge, skill and creative ability of teachers; and,

WHEREAS, the laws of the State of Michigan (Act 379, P.A. 1965) authorize collective bargaining between public employers and employees with respect to hours, wages, and terms and conditions of employment; and,

WHEREAS, the parties hereto, following extended and deliberate collective bargaining, have reached understandings which they desire to incorporate into a formal contract;

NOW THEREFORE, in consideration of the following mutual covenants, the parties agree as follows:

ARTICLE I

A. ASSOCIATION RECOGNITION - The Board recognizes the Association as the exclusive bargaining representative of all certified teaching personnel under contract (hereinafter referred to as "teacher" or "teachers"), excluding the Superintendent, Assistant Superintendent, Business Manager, Director of Elementary Education, Teaching Principals, Principals and Assistant Principals.

The Board agrees it shall be unlawful for it:

(a) to interfere with, restrain, or coerce teachers in the exercise of their rights to organize together or to form, join or assist in labor organizations, to engage in lawful concerted activities for the purpose of collective bargaining or other mutual aid and protection, or to negotiate with the Board through representatives of their own free choice;

(b) to initiate, create, dominate, contribute to or interfere with the formation or administration of any labor organization;

(c) to discriminate in regard to hire, terms or other conditions of employment in order to encourage or discourage membership in a labor organization;

(d) to discriminate against a teacher because he has given testimony or instituted proceedings under Act 336, Public Acts of 1947, as amended, or,

(e) to refuse to bargain collectively with the exclusive bargaining representatives of the teachers in respect to rates of pay, wages, hours of employment or other conditions of employment. The Board further agrees that for the purposes of this section, to bargain collectively is the performance of the mutual obligation of the Board and the Association to meet at reasonable times and confer in good faith with respect to wages, hours and other terms and conditions of employment, but such obligation does not compel either party to agree to a proposal or require the making of a concession.

B. DUES AND FINANCIAL RESPONSIBILITY - It is recognized that the proper negotiation and administration of collective bargaining agreements entail expense which is appropriately shared by all teachers who are beneficiaries of such agreements. To this end all teachers shall as a condition of continued employment execute an authorization for the deduction of Association

dues or for deduction of a sum equivalent to the Association dues as a service fee. The Board will deduct from the pay of each teacher from whom it receives an authorization, the required amount of dues or service fees. Said deductions shall be made starting with the second (2nd) paycheck of the year, and shall continue to be made from the next ten (10) consecutive paychecks.

Sums deducted as dues shall be forwarded to the Association treasurer within thirty (30) days after their deduction.

This service shall not be provided by the Board to any other teacher organization.

The Association shall notify the Board prior to September 1 of the full amount of dues and service fees for the year. Dues or service fees may not be increased after that date.

Sums deducted as service fees shall be collected and held in an escrow account pending a determination of the legality of "Agency Shop" by an appellate court. In the event that such an authorization is not signed following the commencement of employment of the teacher, the Board agrees that the services of such teacher shall be discontinued.

C. BOARD POWERS - The Board retains all rights and powers conferred upon it by the Constitution and Laws of the State of Michigan and of the United States, including the right to manage the school system, establish curriculum content, hire, promote, transfer, assign, discharge or retain teachers in positions within the system, and to determine the methods, means, and personnel to operate the system, except as limited by the express provisions of this Agreement or the applicable laws of the State of Michigan or the United States of America.

D. The Association agrees that it shall not strike, as defined in Section 1, Act 336, Public Acts of Michigan, 1947, as amended, which reads as follows:

". . .the word 'strike' shall mean the concerted failure to report for duty, the wilful absence from one's position, the stoppage of work or the abstinence in whole or in part from the full, faithful and proper performance of the duties of employment, for the purpose of inducing, influencing or coercing a change in the conditions, or compensation, or the rights, privileges, or obligations of employment."

ARTICLE II

SALARY SCHEDULE 1971-1972

The Salary Schedule appearing on Page A-1, attached hereto as "Exhibit A", and made a part hereof, shall be in effect during the term of this Agreement.

ARTICLE III

HOSPITAL, LIFE AND INCOME PROTECTION INSURANCE

A. HOSPITAL AND SURGICAL INSURANCE - All teachers covered by this Agreement shall be eligible to receive hospital and surgical insurance benefits for themselves and their dependents on a nonparticipation basis. The Board shall pay the full cost of such coverage.

New group members shall be eligible for coverage from September 1st.

The Board agrees to present a list of the subscribers to the hospital and surgical insurance program, upon request, to the Association.

B. LIFE INSURANCE - The Board agrees to pay the full costs of an accidental death and dismemberment group life insurance policy in the face amount of Ten Thousand (\$10,000.00) Dollars per teacher.

C. INCOME PROTECTION INSURANCE - The Board agrees to pay the full costs of a group long term income protection plan which pays fifty (50%) percent of an employee's pay after one hundred eighty (180) days of disability to age sixty-five (65).

Any teacher who has exhausted his accumulated bank of leave days and has been ill for thirty (30) or more conse-

cutive days, and who otherwise qualifies under the Long Term Income Protection Plan as herein above provided, shall be paid the difference between Twenty-Six (\$26.00) Dollars and his normal "daily rate"* for each "Work Day"** he is absent during the term of this Agreement.

D. CONTINUITY OF COVERAGE - The Board's insurance contributions shall begin in September of each year and continue for twelve (12) full months.

ARTICLE IV

LEAVES OF ABSENCE

A. PERSONAL LEAVE - Each teacher shall be entitled to a total of twelve (12) personal leave days with full pay per school year to be used for reasons of illness or personal business. Leave days shall be earned, and in all cases where a teacher leaves or terminates his service to the school district, his leave days for the year shall be prorated to his service. Any unused leave days shall be accumulated in a bank which in no event shall exceed one hundred twenty (120) days. The day immediately preceding or immediately following a legal holiday

*The "daily rate" shall be the sum of money computed by dividing a teacher's total salary (as determined from "Exhibit A") by the total number of Work Days.

**"Work Day" is defined as any day during which a teacher would have been assigned to work in accordance with the School Calendar.

or school recess shall not be recognized as a personal leave day except in a case of emergency or personal illness. Suspected abuse of personal leave shall be reported by the Superintendent of Schools to the Association for investigation within five (5) days of discovery of the suspected abuse, and the Association shall report its findings and recommendation in writing to the Superintendent.

Advance notice of the necessity for such leave shall be given the office of the Board as early as possible.

B. MATERNITY LEAVE - Maternity leave shall be granted without pay for a period not to exceed one (1) full school year to any married woman teacher upon evidence of pregnancy. A written application for maternity leave must be made to the Board not later than the end of the third (3rd) month of pregnancy, and must be accompanied by a physician's written statement indicating the anticipated date of delivery. Maternity leave shall officially begin on the ninetieth (90th) day prior to said anticipated delivery date; provided however, that if the close of a semester or the close of a marking period or a vacation occurs within a thirty (30) day period prior to said ninetieth (90th) day, said maternity leave shall officially begin at the close of said semester, marking period or vacation.

The Board and a teacher may, however, agree to extend employment after the official commencement of a maternity leave on a day-to-day basis (provided that the official termination date for said leave shall be likewise extended) anything herein to the contrary notwithstanding.

In the event such teacher is employed by the Board for five (5) or more consecutive days in any one position during her official maternity leave, she shall be paid in accordance with the Salary Schedule attached hereto as "Exhibit A". In all other cases such teacher shall be paid at the prevailing "substitute teacher" rate.

Reinstatement of teachers returning from maternity leave will be for the month of September following the end of their leave. Written notification of intent to return to the system, accompanied with a physician's written approval, shall be made to the Superintendent by such teacher prior to April 1st in order to be reinstated the following September.

Any benefits under the provisions of this Agreement which would otherwise accrue to a teacher granted maternity leave shall be suspended during her leave of absence. However, any teacher granted maternity leave who enjoys tenure status under the laws of the State of Michigan, and who has completed one (1) semester or more of the school year prior to her leave,

shall be considered to have completed a full year for seniority purposes.

Any teacher granted maternity leave may make arrangements to continue hospitalization and surgical insurance and life insurance coverage as provided in Article III hereof at her own expense during her leave.

Any teacher who furnishes satisfactory evidence of pending adoption proceedings, and who applies in writing to the Board not less than sixty (60) days prior to the requested leave, shall be granted "maternity leave".

C. SABBATICAL LEAVE - Sabbatical leave for professional improvement may be granted for a period not to exceed two (2) consecutive semesters in any one (1) school year. Any teacher who holds a Permanent or Life Certificate and who has been employed at least seven (7) consecutive years by the Board (or at the end of each additional period of seven [7] or more consecutive years of employment by the Board) shall be eligible for Sabbatical Leave.

Applications for Sabbatical Leave shall be submitted to a committee composed of two members chosen by the Association and two members chosen by the Board and such application shall be accompanied by plans for the use of the Sabbatical Leave, and an exposition of the plan's potential for increasing the

applicant's professional competence and such other information as may be required by said Committee. The Sabbatical Leave Committee shall make its recommendation to the Board as soon as possible prior to the end of the semester preceding the semester or school year for which such leave is sought.

Any person granted Sabbatical Leave should return to employment with the School District for at least one (1) year following such leave.

Any person granted a Sabbatical Leave shall receive one-half (1/2) of his or her salary, full contractual benefits for the period of the leave, and upon return from a Sabbatical Leave shall be restored to the teacher position, or to a position of like nature, seniority, status and pay, as formerly held.

D. PROFESSIONAL LEAVE - Professional leave to attend conferences, conventions, or similar activities designed to contribute to the effectiveness of the instructional program may be granted by the Board.

E. OTHER LEAVES - Other leaves of absence may be granted to any teacher by the Board for extended illness, family problems, military service or professional improvement.

An "Other Leaves Committee" shall be established to review

requests for such leaves; the Committee shall be comprised of two (2) members selected by the Association and two (2) members selected by the Board.

All requests for these leaves shall be in writing, shall contain the reasons, purpose and plan for the leave, and shall be submitted to the Committee before April 1 preceding the school year in which the leave is requested to commence except in emergencies. Additional information shall be furnished to the Committee upon request. The Committee shall make recommendations to the Board no later than April 15 except in emergencies.

Any benefits under the provisions of this Agreement which would otherwise accrue to a teacher granted such leave shall be suspended during the leave of absence. Notwithstanding the foregoing, any teacher who has been granted a leave of absence for professional improvement for the purpose of participating in a curriculum development program approved by the administration shall be entitled to a salary increment for the period of the leave.

Leaves for professional improvement may be requested only by teachers who have been employed by the Board for three (3) or more consecutive years and the leave may only be requested for one (1) year or less.

Re-employment of a teacher returning from leave shall be contingent upon the availability of a position in the same grade level in the elementary grades and in the same subject matter area in the junior high or senior high grades occupied by the teacher prior to the leave and then only after written Notice of Intent to Return has been filed with the Board on or before April 1 preceding the teacher's anticipated return. In the event a position is not available, the teacher's eligibility for re-employment in accordance with the foregoing criteria, shall continue until September 1 of the year following his request for reinstatement.

ARTICLE V

TEACHER'S SCHOOL DAY

The teacher's school day shall not exceed seven and one-quarter (7-1/4) consecutive hours. The teacher's school day shall start at the time the teacher is required to be at school, and shall end at the time the teacher is scheduled to leave school, and shall include a lunch period, a preparation period, and not more than five (5) hours and twenty (20) minutes of teacher-pupil contact.

DUTY FREE LUNCH - All teachers shall have not less than thirty (30) consecutive minutes for a duty-free lunch period. In no event, however, shall any school be unattended at any time during the day. At least one unassigned teacher shall be available in each school during the lunch period for emergencies.

PREPARATION TIME - All elementary teachers shall have not less than thirty (30) consecutive minutes of preparation time during the teacher's school day, and all secondary teachers and counselors shall have at least one preparation period equal to the same duration as a class period during the teacher's school day. Teachers may not leave their building during their preparation time without permission of the building principal except in a case of emergency, or except in a case of school business after notice to the principal's office of the nature and location of the school business.

ABSENCE AND TARDINESS - Any teacher who is tardy three (3) or more times in any semester or any teacher who shall fail to notify the office of the Board to request a substitute at least sixty (60) minutes prior to his respective starting time shall be docked \$5.00 per hour for each assigned class period or fraction thereof.

GENERAL - Any regular teacher under contract who substitutes for another regular teacher under this contract

shall be paid at the rate of \$5.00 per hour, in addition to his regular pay.

Teachers shall receive compensatory time off for district scheduled parent-teacher conferences held outside the teacher's school day. Arrangement for compensatory time must be made with the school principal.

No elementary teacher shall be required to supervise more than one (1) of the two (2) daily recess periods.

The parties agree that in the 1971-1972 school year, the school day for all secondary teachers will consist of five (5) teaching periods.

ARTICLE VI

RE-ASSIGNMENT, TRANSFER AND PROMOTION

The Board shall give written notice to the Association of vacancies and new positions created or occurring between the first day of school in September and the last day of school in June. The notice should include any requirements for applicants and, when possible, any available job descriptions. Except in case of an emergency, no position will be filled within ten (10) calendar days from the date of giving notice to the Association.

In filling vacancies or newly created positions, the Board shall consider the applications and qualifications of teachers presently employed by the District.

Any teacher who is re-assigned shall be notified of such re-assignment as soon as possible and preferably prior to the close of the school year.

No teacher shall be re-assigned unnecessarily.

Any tenure teacher may request a transfer to a different grade, building or teaching position for which he is certified and qualified.

A teacher shall receive a written reply of the reason(s) for a re-assignment or a denied request for transfer.

Any teacher who is re-assigned after July 1st shall be entitled to resign, in good standing, effective immediately in lieu of accepting the re-assignment if the resignation is submitted within ten (10) days after notice of re-assignment is mailed to him.

ARTICLE VII

act or condition which affects the welfare or working conditions
of a teacher or group of teachers, or a complaint that there has
been a violation, misinterpretation or misapplication of any

the same qualifications and seniority in the District, the Board
shall make the final decision as to who shall be laid off.

provision of this Agreement.

An aggrieved party is any teacher, group of teachers, or the Association filing a grievance.

B. PROCEDURE - Only those grievances which have been initiated at Step 1 or Step 2 of the Grievance Procedure by the Association may be appealed to Arbitration. All other grievances which have been initiated by a teacher or group of teachers and not by the Association may be appealed through Step 3 of the Grievance Procedure. The decision of the Board shall be final and binding as to all grievances which have been initiated by a teacher or group of teachers other than the Association.

Problems and grievances shall be presented and adjusted according to the following procedure:

Any teacher with a problem may first informally discuss the matter directly or accompanied by an Association representative with the appropriate member of the administration.

Step 1. In the event the matter is not resolved informally, a written grievance may be filed with the principal of the school in which the grievance arises within ten (10) school days following the act or condition which is the basis of the grievance.

(a) A grievance may be lodged and thereafter discussed with the principal;

(1) by a teacher accompanied by an Association representative,

(2) through an Association representative if the teacher so requests,

(3) by an Association representative in the name of the Association.

(b) Within ten (10) school days after receiving the grievance, the principal shall state his decision in writing, together with the supporting reasons, and shall furnish a copy to the aggrieved party and to the Association.

Step 2. Within ten (10) school days after receiving the decision of the principal the aggrieved party may appeal to the Superintendent of Schools. The appeal shall be in writing and shall be accompanied by a copy of the original grievance and the decision at Step 1.

(a) Within fifteen (15) school days after receipt of the appeal, the Superintendent shall

communicate his decision in writing, together with the supporting reasons, to the aggrieved party and to the Association.

Step 3. If the Association or a teacher or group of teachers is dissatisfied with the decision of the Superintendent, the Association or a teacher or group of teachers may within ten (10) days request a meeting with the Board of Education to consider fairly and in good faith any other method of settlement which might be mutually agreed upon including mediation or binding arbitration.

C. ARBITRATION - If the Board of Education and the Association shall be unable to resolve any grievance, and such grievance shall involve an alleged violation, misinterpretation or misapplication of a specific article or section of this Agreement, or an alleged arbitrary discharge of a teacher, the grievance may be appealed to arbitration within twenty (20) school days after the decision of the Superintendent. Such appeal shall be in writing and shall be delivered to the American Arbitration Association and the Board of Education within said twenty (20) day period, and if not so delivered the grievance shall be abandoned. If the parties are unable to agree upon an Arbitrator, he shall be appointed under the rules of the American Arbitration Association.

The Arbitrator so selected will confer with the parties and hold hearings promptly and will issue his decision not later than twenty (20) days from the date of close of the hearing. The Arbitrator's decision shall be in writing and will set forth his findings of fact, reasoning, and conclusions on the issues submitted. The Arbitrator shall be limited to deciding whether an alleged violation, misinterpretation or misapplication of a specific article or section of this Agreement, or an alleged arbitrary discharge of a teacher has occurred, and he shall be subject to, in all cases, the rights, responsibilities and authority of the parties under the Michigan General School Laws, the Constitution of the United States and of the State of Michigan, and all other applicable state and federal laws. The Arbitrator shall not usurp the functions of the Board of Education or the proper exercise of its judgment and discretion under the Law and this Agreement.

The decision of the Arbitrator, if within the scope of his authority as above set forth, shall be final and binding.

The costs of arbitration shall be borne by the losing party, however, each party shall bear its own expense.

D. GENERAL - All written complaints must be specific. They shall contain a concise statement of the facts upon which

the grievance is based; a specific reference to the Articles and sections of the Agreement, if any, which have allegedly been misinterpreted, misapplied or violated; the specific nature of the relief requested; and, shall be signed.

Any teacher may request a grievance for adjustment without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given opportunity to be present at such adjustment.

If a grievance arises of a general nature, the Association may present such grievance directly to Step 2.

The time limits specified in this procedure may be extended in any specific instance by mutual written agreement.

Failure of the Board to report any decision within the specified time limit at any step of the grievance procedure shall automatically move the grievance to the next step in the grievance procedure.

Any complaint for which there is a remedial procedure, or a form established by law or by regulation having the force of law, including any matter subject to the procedure specified in the Teachers Tenure Act (Act 4 of Public Acts, Extra Session of 1937 of Michigan, as amended, M.S.A. 15.1971, etc.) shall not

be the basis of any grievance.

**"Work Day" is defined as any day during which a teacher would have been assigned to work in accordance with the School Calendar.

provided, however, that any teacher who shall fail to present his resignation to the Board sixty (60) days before the resignation is to become effective, (or who shall fail to return to employment from a maternity leave of absence, sabbatical leave or other leave of absence, and shall fail to present his resignation sixty [60] days prior to the end of the leave), shall automatically forfeit his right to any pay for accumulated leave days.

In no event shall any teacher be relieved of duty or contractual benefits prior to the effective date of his resignation.

RETIREMENT OR DEATH - Any teacher retiring in accordance with the Michigan Teacher Retirement Act shall be paid a sum of money equal to three-fourths (3/4) of his total accumulated personal leave days multiplied by his current "daily rate"*.

In all cases where a teacher's service to the district is terminated by death, his heirs, or personal representative, shall be paid a sum of money equal to three-fourths (3/4) of his total accumulated personal leave days multiplied by his current "daily rate"*.
