This Agreement entered into this first day of July, 1967 by and between the Board of Education of the City of Garden City, Michigan, hereinafter called the "Board," and the Garden City Education Association, hereinafter called the "Association."

WITNESSETH

WHEREAS the Board and the Association recognize and declare that providing a quality education for the children of Garden City is their mutual aim and that the character of such education depends predominately upon the quality and morale of the teaching service, and

WHEREAS the members of the teaching profession are particularly qualified to assist in formulating policies and programs designed to improve educational standards, and

WHEREAS the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms and conditions of employment, and

WHEREAS the parties, following extended and deliberate professional negotiations, have reached certain understandings which they desire to confirm in this agreement.

In consideration of the following mutual covenants, it is hereby agreed as follows:

## ARTICLE I

### Recognition

A. The Board hereby recognizes the Association as the exclusive bargaining representative, as defined in Section 11 of Act 379, Public Acts of 1965, for all professional personnel included in the bargaining unit described as follows: All certificated teaching personnel under contract including teachers in the Department of Instruction and the Department of Special Services, librarians, and counselors, employed or to be employed by the Board (whether or not assigned to a public school building). The term "teacher," when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the bargaining or negotiating unit as above defined, and reference to male teachers shall include female teachers.

B. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement.

## ARTICLE II

### Association and Teacher Rights

A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of his membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

B. Nothing contained herein shall be construed to deny or restrict to any teacher rights he may have under the Michigan General School laws or applicable tenure laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

C. The Association and its members shall have the right to use school building facilities, at all reasonable hours for meetings, if not inconsistent with school days or prior scheduled activities providing there is no cost to the Board. No teacher shall be prevented from wearing insignia or pins of membership in the Association either on or off school premises. Bulletin boards not to exceed one-half of the available bulletin board space in each teachers' lounge, shall be available for the use of the Association.

Article II - continued

D. The Association may use the school mail boxes for the dissemination of information to staff members only. Materials from individual mail boxes will be removed only by the teacher. All items so distributed are to carry the title or letterhead of the Association. The Association assumes full responsibility and legal liability for the information it distributes. The allowance to so distribute literature does not imply agreement upon the part of the Board as to content or validity.

E. The Association may have announcements read over the intercom system in each school which, in their reading, have no impact upon the student body. Such announcements are to be made at the times regularly scheduled for announcements within that building.

F. The Board agrees to furnish to the Association, in response to requests, all reasonably available information concerning the financial resources of the district, after presentation to and approval for release by the Board of Education, tentative budgetary requirements and allocations and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and students, together with information which may be necessary for the Association to process any grievance or complaint, exclusive of those items legally prescribed or designated (written or understood) privileged communication by an issuing agency.

G. Duly authorized representatives of the Association, MEA and NEA, shall be permitted to transact official Association business on school property at all reasonable times, provided that this shall not interfere with or interrupt normal school operations nor have or could have an adverse impact on the operation of the school system.

H. Upon request the Board shall consult with the Association on any new or modified fiscal, budgetary or tax programs, construction programs, or major revisions of educational policy, which are proposed or under consideration and the Association shall be given opportunity to advise the Board with respect to said matters.

Article II - continued

I. Teachers shall be entitled to full rights of citizenship and no religious or political activities consistent with common American practice of any teacher shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher. The private and personal life of any teacher, within the bounds of usually accepted moral standards, is not within the appropriate concern or attention of the Board.

J. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status, or membership in or association with the activities of the Association. The Board and the Association will seek to extend the advantages of public education to every student without regard to race, creed, religion, sex, color or national origin and will seek to achieve full equality of educational opportunity to all pupils.

K. The Board specifically recognizes the right of its employees, appropriately, to invoke the assistance of the State Labor Mediation Board, or a mediator from such public agency, costs to be borne for legal assistance by the respective parties, and all other costs equally shared, exclusive of legal judgements.

### ARTICLE III

#### Deductions for Professional Dues

Teachers may at any time have the option of signing and delivering to the Board an assignment authorizing deduction of membership dues of the Association as per the conditions on the form devised by the Association. Such sum shall be deducted in equal installments from the regular salaries of such teachers and remitted not less frequently than monthly to the Association. The Association will indemnify and save harmless the Board of Education for all sums improperly checked off and remitted to the teacher organization plus any cost, including attorney's fees, incurred by the Board in connection therewith.

## ARTICLE IV

### Professional Compensation

A. The salaries of teachers covered by this Agreement are set forth in Schedule A which is attached to and incorporated in this Agreement. Such salary schedule shall remain in effect during the term of this Agreement.

B. The salary schedule is based on a school year from Labor Day through Friday of the second full week in June.

C. When it is necessary to compute a day's rate for purposes of paydock and/or balancing to contract, the contractual salary divided by the number of days, commencing with Labor Day and ending with the final contractual day as specified in this Agreement, with the exception of Saturdays and Sundays, will be used. Further, to determine the hourly rate for these same purposes, the daily rate shall be divided by seven (7). A class period at the secondary level shall be construed as being one (1) hour.

D. A change of salary due to a higher level of educational attainment shall be honored only if official transcripts, or a letter of authority indicating the completion of academic credits, shall be received by the Personnel Office on or before November 1 or March 1 of any school year, and shall be retroactive to the respective semester. Official notification after either of these dates will not result in any change in salary status until the following school semester, and shall not be retroactively considered.

E. Department of Instruction and Department of Special Services teachers required in the course of their work to drive personal automobiles from one school building to another have within the extra pay salary schedule (Schedule B) a flat \$100.00 per year car allowance.

F. All teachers shall be entitled to holidays without loss of pay if paid for the work day preceeding and the first work day immediately following such holidays.

Article IV - continued

✓ G. Any emergency hour (period) of instruction at the secondary level beyond the normal teaching load will be computed at the regular substitute teacher rate.

H. Teachers involved in extra duty assignments set forth in Schedule B which is attached to and incorporated in this Agreement shall be compensated in accordance with the provisions thereof.

## ARTICLE V

### Teaching Loads and Assignments

A. The normal weekly teaching load in the senior high will be 25 teaching periods and five (5) unassigned preparation periods. The normal weekly teaching load in the junior high schools will be thirty (30) teaching periods and five (5) unassigned preparation periods. The normal teaching week in the elementary schools will be twenty six (26) hours and forty (40) minutes of instruction.

B. Since pupils are entitled to be taught by teachers who are teaching within their area of competence, teachers shall not be assigned outside the scope of their teaching certificates.

C. Teachers who will be affected by a change in grade assignments in the elementary school grades and by changes in subject assignment in the secondary school grades will be notified and consulted by their principals as soon as practicable. Such changes will be voluntary to the extent possible. Effort will be made to avoid reassigning probationary elementary teachers to different grade levels.

D. In the determination of assignments and transfers, the convenience and wishes of the individual teacher will be honored to the extent that these considerations do not conflict with the instructional requirements and best interests of the school system and the pupils. An involuntary assignment or transfer shall be made only after written or oral communication between the teacher involved and the Superintendent or his designee, at which time the teacher shall be notified of the reasons for the assignment or transfer. In the event that a teacher objects to the assignment or transfer, the Association will, upon request of such teacher, send a representative to meet with the Superintendent or his designee to discuss the assignment or transfer. In case the teacher is not satisfied, he may resign if the contractual services of a fully qualified and certified replacement can be obtained.

Article V - continued

E. Notice of assignment shall be given to teachers as soon as practicable and under normal circumstances not later than the Wednesday following the second regular Board of Education meeting in May.

F. On Fridays and on days preceding holidays and vacations, teachers may leave fifteen (15) minutes earlier than the teachers' regular dismissal time.

G. Teachers may be required to substitute during their planning periods. Teachers may also be required to substitute in an emergency for part of or the entire day when their assignment does not require their presence with the same students daily, provided that all reasonable efforts to secure a substitute have been exhausted. However, any other assignments in addition to the normal teaching schedule during the regular school year for which there is compensation shall not be obligatory but shall be with the consent of the teacher.

H. Elementary teachers may use for preparation all time during which their classes are receiving instruction from various teacher specialists; provided that, this preparation time shall not be used for purposes unrelated to school work, such as extending lunch periods or leaving the school to attend to personal business.

I. If, at the request of the Board, a teacher should be engaged during the school day in negotiating in behalf of the Association with any representative of the Board, that teacher shall be released from regular duties without loss of salary.

J. In cases where extra curricular positions for which there is added compensation are not filled from within the building, the position will be posted on a systemwide basis.

K. Teachers (other than those who meet the same students daily and for whom preparation time has been scheduled) shall be provided with preparation time.

## ARTICLE VI

### Teaching Conditions

The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to better insure the high quality of education that is the goal of both staff and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end. In addition, supervision is recognized as an essential part of total teacher responsibility.

A. Because the pupil-teacher ratio is an important aspect of an effective educational program, the Board will strive to utilize to their fullest extent all existing classroom facilities.

B. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, physical education equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. The Board or its designated authority will confer from time to time with the Association for the purpose of improving the selection and use of such educational tools and the Board will attempt to implement all joint recommendations made by its representatives and the Association.

C. Each school shall provide a teacher reference library.

D. The Board agrees to make available in each school typing and duplicating facilities. Clerical personnel will continue to aid teachers in the preparation of instructional materials as they can be made available by the building or department administrator.

E. To relieve teachers of pupil lunch supervision, the Board shall employ non-professional supervisor personnel.

F. Special staff members in the areas of art, music and physical education shall be scheduled the equivalent of one-half hour per room per

Article VI - continued

week where facilities and scheduling permit. The regular teacher is encouraged to remain in the classroom but may elect to use this time for planning or conferences in the building. The regular teacher must be present in the classroom at the beginning and conclusion of these periods.

G. The Board shall make available, in each school, lunchroom and lavatory facilities for teachers. One room in each school shall be furnished and reserved for use as a faculty lounge in which smoking shall be permitted.

H. Throughout the school system, telephones shall be made available to teachers for school business and emergency personal use. Teachers are to pay for all toll charges for their personal calls. Each school will maintain one private (unlisted) separate line for extreme emergency, i.e., civil defense or weather warnings. Present phone facilities shall be maintained.

I. In all schools, a vending machine for beverages shall be installed at the request of the Association, provided that no alteration to the building is necessary. All financial and operational arrangements shall be the responsibility of the building administrator. A separate activity accounting of these funds in each building will be maintained, and the net proceeds will be disbursed as determined by the total building teaching staff upon the authorization of the building representative and the building principal.

J. Adequate parking facilities shall be made available to teachers, and these facilities shall be maintained reasonably free of snow, ice and debris.

K. All teachers shall be entitled to a duty-free, uninterrupted lunch period of thirty (30) minutes. The elementary teachers in the regular elementary schools shall have a thirty (30) minute lunch period and a thirty-five (35) minute unassigned preparation period during the noon period. The elementary teachers in the junior high schools will have their unassigned preparation period following the conclusion of the instructional day. The secondary teachers will have their lunch time structured within the fourth (4th) period.

Article VI - continued

L. Unsafe or hazardous conditions which endanger the health, safety or well-being of a teacher will be brought to the attention of the immediate administrator for appropriate action.

ARTICLE VII

Teaching Hours

A. The teaching hours for teachers shall be as set forth in Schedule D.

B. Teachers who are not classroom teachers shall not have a regular work day longer than that of secondary teachers. All teachers shall be at their assigned teaching station at least ten (10) minutes before classes begin.

C. The school schedules may be altered by the Board in order to accommodate special situations; however, in general, all time limits will be adhered to.

D. Teachers shall be required to attend meetings called before, during or after school hours provided that a majority of those affected are in agreement as to the times of such meetings.

## ARTICLE VIII

### Teacher Discipline

A. Whenever a teacher is to be formally disciplined, verbally or in writing, for any infraction of discipline or delinquency in professional performance, he shall be entitled to have present the building representative of the Association. Action may be immediate or may be taken at a specified time outside the class day as determined by the administration.

B. Any formal discipline or charge leveled at a teacher for a violation of professional ethics shall be subject to the professional grievance negotiations procedure hereinafter set forth.

## ARTICLE IX

#### A. Eligibility

An employee retiring from the Garden City School District shall be eligible to receive a lump-sum retirement benefit under the following conditions:

##### 2. Special Situation

##### 4. Limitation

#### B. Retirement Benefits

The lump-sum retirement benefit shall be computed in the following manner:

Article IX - continued

3. Employees shall receive the amounts described in either  
1. or 2., whichever is greater.

C. Death Benefit

A death benefit calculated on the retirement formula at the time of death shall be paid the designated beneficiary of any Garden City school employee. Certificated staff members must be under contract for the beneficiary to realize this benefit.

## ARTICLE X

### Administrative Vacancies

Recommendations to specific positions or assignments are exclusively the responsibility of the administration. Hiring and placement is exclusively the prerogative of the Board.

A. Notices of vacancies in administrative positions during the school year shall be posted in an appropriately designated place in each school building for not less than ten (10) calendar days prior to closing date for filing applications. In the event a vacancy occurs during the summer, said notice shall be mailed to the president of the Association. Notices of such vacancies shall include the qualifications necessary to fill the position. All applications shall be in writing and shall be directed to the Superintendent or his delegated authority who will screen the applications and make a recommendation to the Board.

B. On occasion, the filling of one vacancy may lead to another opening. Under these conditions, the new opening can be filled from current applicants, from the applicants previously indicating in writing to the personnel Office an interest in a particular administrative position, from other employees, or from outside applicants, with the posting procedure as outlined in Section A above.

C. The Board will give recognition to a policy of filling administrative vacancies from within the professional staff, however, the Board reserves the right to fill these vacancies on the basis of its own judgement of qualifications, and also to hire new employees for vacancies in administrative positions.

ARTICLE X - continued

D. Staff members who seek an administrative position are encouraged to keep their immediate administrator informed, and to notify the Personnel Office, in writing, of their desires. It is not necessary for a candidate to submit a new application for each opening as it occurs unless he wishes. He may supplement his previous application at any time if he believes it desirable. All administrative applications are retained on file in the Personnel Office.

E. Candidates shall be presented by the Superintendent or his delegated authority for any administrative position. The Board may interview candidates for an administrative position if they so desire. Notification of probable appointment shall not be given to any candidate prior to a decision by the Board. The rejection of an administrative position by a candidate does not prejudice his consideration for future openings in which he may have an interest.

F. Vacancies in an administrative position may be filled on a temporary basis.

G. Any teacher may apply for such vacancy. In filling vacancies, the Board agrees to give due weight to professional background and attainments of applicants, tenure, and other relevant factors. Applicants with less service shall not receive preference unless qualifications are superior.

H. Applicants for administrative vacancies shall have, as a minimal criterion, successfully completed two (2) years of teaching and preferably four (4) years and preferably at the level of the position for which the application is made. The successful applicant for an administrative vacancy shall have acquired his master's degree preferably in educational administration or shall be in the process of completing his final course work by the time he assumes such duty. The absence of the degree would make the awarding of the position a temporary award. Administrative positions for which certification requirements are not needed are excluded from the provisions of this section.

ARTICLE X - continued

I. In all cases of filling administrative vacancies, the Association may review the report of the Superintendent of the qualifications of all applicants as presented to the Board. The unsuccessful applicants may request a statement of their evaluation for the position showing their strengths and weaknesses.

J. Any teacher who shall be transferred to a supervisory or executive position and shall later return to a teacher status shall be entitled to retain such rights as he may have had under this Agreement prior to such transfer.

## ARTICLE XI

### Teacher Evaluation

A. The primary objective of formal and informal evaluations is to improve the quality of instruction through communication. Evaluative visits should be followed by mutually supportive efforts on the part of both the evaluator and the teacher, to consummate the objectives of the evaluations.

B. All observations of teacher performance shall be conducted openly.

C. Secondary considerations of evaluations are to permit decisions relative to retention or severance of employment in accordance with the Tenure Laws.

D. All probationary teachers, before being placed on tenure or dismissed, must have been observed a minimum of four (4) class periods. All probationary first year teachers will be given at least a twenty-four (24) hour advance notice of the first formal observation. A formal conference will follow. Written evaluations will not be dated or distributed prior to December 1.

E. All tenure teachers shall receive a written evaluation based on formal observations on separate days in their areas of certification.

F. All written evaluations must be signed by the evaluator. The teacher must sign and return the evaluation within three (3) days indicating that he has read it. The teacher may attach a written signed statement to the evaluation.

G. Any teacher shall have the right upon request to review the local evaluation contents of his own personnel file. At the request of a teacher, the Association representative may accompany him at such a review.

H. Evaluations shall be conducted by the teacher's immediate supervisor or an administrator working in the same building or otherwise familiar with the teacher's work, who shall be designated by the Board.

I. In the event a probationary teacher is not continued in employment, the Board will advise the teacher of the reasons therefor in writing and provide for a hearing upon request.

## ARTICLE XII

### Protection of Teachers

A. The Board recognizes the teacher's authority and effectiveness in his classroom is enhanced by administrative backing and support. When an atypical pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, and the teacher appropriately refers the matter in writing to the administration, the administration will promptly take a direct interest in the case, take steps to refer the pupil involved to special services, and effect a follow-up procedure.

B. Any case of assault upon a teacher shall be promptly reported to the administration. The Board will provide legal counsel to advise the teacher of his rights and legal processes with respect to such assault.

C. If a teacher is injured while in the line of duty, medical, surgical or hospital care will be furnished by the Board at a designated hospital per its workmans compensation policy.

D. Any complaints by a parent of a student directed toward a teacher shall be promptly called to the teacher's attention. A teacher shall be deemed innocent of any and all charges until proven otherwise.

## ARTICLE XIII

### Negotiation Procedures

A. Upon ratification of the Master Agreement, the bargaining unit shall not bring up matters for negotiation to the Board and the Board will not bring up matters to the Association except as provided in Section B of this Article.

B. Within one hundred and twenty (120) days, but not less than sixty (60) days prior to the expiration of this Agreement, and upon written notice, the parties will begin negotiations for a new agreement covering wages, hours, and terms and conditions of employment of teachers employed by the Board.

C. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party, and each party may select six (6) representatives and two (2) alternates from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by both parties, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.

D. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the State Labor Mediation Board.

## ARTICLE XIV

### Grievance Procedures

#### A. Definitions

1. A "grievance" is any alleged violation, or misinterpretation of the terms of this Agreement.
2. The "aggrieved employee" is the person or persons making the claim.
3. The term "teacher" includes any individual or group who is a member of the bargaining unit covered by this contract.
4. A "Party of interest" is an employee of the Board, or the Board, who might be required to take action, or against whom action might be taken in order to resolve the problem.
5. The term "days" shall mean school attendance days.

#### B. Purpose

The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Nothing contained herein shall be construed as limiting the right of any teacher with a grievance to discuss the matter informally with any appropriate member of the administration or proceeding independently as described in Section E of these procedures.

#### C. Structure

1. The Association shall have an established Professional Rights and Responsibilities Committee, whose membership shall be known to all "parties of interest."
2. The building principal shall be the administrative representative when the particular grievance arises in that building.
3. The Board hereby designates the Superintendent or his designee as its representative when the grievance arises in more than one school building.

.ARTICLE XIV - continued

D. Procedure

The number of days indicated at each level shall be considered as maximum, and every effort shall be made to expedite the process. The time limits may be extended by mutual consent. If the grievance is filed on or after June 1, the time limits shall be reduced in order to effect a solution prior to the end of the school year, except in those cases which cannot be resolved within this time limit. The grievance shall be signed by the aggrieved and shall specify the facts giving rise to the grievance, the article and section of the Agreement allegedly violated.

1. Level One

A teacher with a concern which he identifies as a grievance shall discuss it with his immediate supervisor or principal, individually or together with his Association representative, through the Association representative, or with representatives of either party of interest present, within three (3) days of the occurrence, exclusive of holiday and vacation periods.

2. Level Two

a. In the event the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) days after presentation of the grievance, he may file the grievance, in writing, within ten (10) days of the occurrence of the grievance with the Association's P.R. & R. ARTICLE XIV - continued

of the written grievance, the immediate supervisor shall submit his written report as to the solution, with copies to all parties as noted above.

- b. Within five (5) days of receipt of the grievance, the P.R. & R. Committee shall decide whether or not there is a legitimate grievance. If the committee decides that no grievance exists and so notifies the claimant and the immediate supervisor in writing within the same five (5) day period, the teacher may continue to process his claim through the Association. If the committee decides there is a legitimate grievance, it shall, within the same five (5) day period, process the written grievance to the Superintendent of Schools, or his designee, with copies to all parties of interest.
- c. As soon as possible, but within ten (10) days from receipt of the written grievance, the Superintendent or his designee will render a written decision to all parties of interest.

3. Level Three

In the event the aggrieved person is not satisfied with the decision at Level Two, or no decision has been reached within ten (10) days, he may refer the grievance through the P.R. & R. Committee to the Board of Education for consideration at its next regularly scheduled meeting. The Board will render a decision at this regular meeting or at the next regular meeting following the meeting at which the grievance was considered.

4. Level Four

In the event the grievance is not satisfactorily resolved at Level Three, the P.R. & R. Committee, within ten (10) days,

ARTICLE XIV - continued

may take action to process the grievance thru such other legal avenues which are available exclusive of arbitration.

E. Rights to Representation

1. Any party of interest may be represented at all meetings and hearings at any level of the grievance procedure by another teacher or legal counsel; providing, however, that any teacher may in no event be represented by an officer, agent or outside representative of any organization other than the Association.
2. Nothing contained herein shall be construed to prevent any individual teacher from presenting a formal grievance by himself and having the formal grievance adjusted without intervention of the Association within the time limits established if the adjustment is consistent with the terms of this Agreement.

F. Miscellaneous

1. A grievance may be withdrawn at any level without prejudice.
2. No reprisals of any kind shall be taken by or against any party of interest or any participant in the grievance procedure by reason of such participation.
3. All documents, communication, and records dealing with a grievance shall be filed separately from the personnel files of the participants.
4. Forms for filing and processing grievances, designed by the Superintendent and the P.R. & R. Committee, shall be prepared by the Superintendent, and shall be given appropriate distribution so as to facilitate the operation of the grievance procedure.

ARTICLE XIV - continued

5. Access shall be made available to all parties, places, and records for all information necessary to the determination and processing of the grievance, within the limits specified in Article II, Section G.
6. The failure of an aggrieved person to proceed from one level of the grievance procedure to the next level within the time limits set forth, shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance.
7. When a grievance arises in more than one building, and is directed to the Superintendent or his designee, the regular grievance procedure will be followed, with the Level 1 and Level 2a procedures directed to the Superintendent's designee and the Level 2c procedure directed to the Superintendent.
8. It shall be the general practice of all parties of interest to process grievance procedures during times which do not interfere with assigned duties; provided, however, in the event it is agreed by the Board to hold proceedings during regular working hours, a teacher participating in any level of the grievance procedure, with any representative of the Board, shall be released from assigned duties without loss of salary.

## ARTICLE XV

#### A. Sick Leave

1. Employees shall receive a bank of ten (10) sick days each school year to be earned at the rate of one (1) day per month of employment. All such sick days may be used prior to being earned; however, any unearned sick days that have been so used will be deducted from the final pay in case of termination of employment. No employee may use unearned sick days in excess of those that can be earned during the balance of the school year. A teacher must be paid for three-fourths ( $3/4$ ) of the working days of the calendar month to earn a sick day for that calendar month.
2. Sick leave days shall be cumulative without limit.

4. An employee who takes an extended sick leave of more than twenty (20) consecutive working days for personal health reasons, shall have a certificate from his physician authorizing his return to work before returning to work.

Sabbatical leaves for the certificated personnel employed by the Garden City Board of Education shall be granted in the following manner:

No more than eight (8) semesters of Sabbatical Leave shall be granted during any one year.

The teacher involved will then be asked to be present at the meeting when it comes up for consideration by the Board.

While on the Sabbatical Leave, the teacher will receive one-half the salary he would have received for teaching in Garden City during this time. Such pay will be paid according to regular pay procedure for that year or semester.

On the part of the recipients, the granting of Sabbatical Leave carries an obligation to return to the system and to teach for a period of time at least double the length of the period for which the Sabbatical Leave was granted.

1. As a condition to receiving final approval for a Sabbatical Leave, a teacher shall file with the personnel office a written agreement stipulating that following the leave he will remain in the service of the Garden City Public Schools for a period of:

ARTICLE XV - continued

If he fails to return to teach in Garden City at the following semester, the full value of the note comes due on the day teachers report for duty for that semester. If the teacher returns and teaches one semester and

ARTICLE XV - continued

fails to teach the second successive semester, one-half of the note is forgiven but one-half is due the first day of the next semester when the school system's teachers report for duty.

b. Full Year Sabbatical Leave

The teacher who receives a year's Sabbatical Leave executes a promissory note in the amount of the half pay due him for the period of the year's Sabbatical Leave payable to the Board of Education and bearing a due date of the first day of the semester following the completion of the year's Sabbatical Leave.

If he fails to return to teach in Garden City at the following semester, the full value of the note comes due on the day teachers report for duty for that semester.

If the teacher returns and teaches one year but fails to teach a second successive year after the completion of the Sabbatical Leave then half of the face amount is forgiven but one-half is then due the first day of the next semester when the school system's teachers report for duty.

During the Sabbatical, all rights in reference to the teacher's professional status on the faculty shall remain the same as though the teacher had taught in the classroom in Garden City for the academic year.

During the Sabbatical, the teacher shall not be allowed to hold

ARTICLE XV - continued

any full-time paid position. However, this section shall not be construed to deny any teacher the right to fellowships, scholarships, grants-in-aid, or other scholastic stipends.

The deadlines for filing applications are:

1. The last school day in November for leaves to be granted for the second semester of that school year.
2. Last school day in May for the following fall semester or school year.

The Board will budget an amount of money for Sabbatical purposes equal to the number of teachers that may be on a Sabbatical Leave each year, times one-half of the maximum M.A. salary as listed on the salary schedule. Money budgeted shall not be allowed to accumulate, but will be budgeted yearly.

K. Return from Leave

Upon return of a teacher from a leave of any sort, the teacher shall be assigned to the same position or a substantially equivalent position, if available.
