If a **Personnel Committee has not been seated, the appeal shall go directly to Step 4.**

Neither party may raise a new defense or ground at Step Three not previously raised or disclosed at other written steps. Each party shall submit to the other party not less than three (3) days prior to the hearing a pre-hearing statement alleging facts, grounds, and defenses which will be proven at the hearing and hold a conference at that time in an attempt to settle the grievance.

Within five (5) days of conclusion of the hearing, the Personnel Committee shall render its decision on the grievance in writing transmitting a copy of the decision to both the Superintendent and the Association President.

STEP 4:—If the grievance is not satisfactorily resolved at Step Three, either side may request, in writing to the other, that the matter be submitted to non-binding mediation with the Michigan Employment Relations Commission. Such request for mediation must be made no more than ten (10) days after the delivery of the level two formal disposition. For mediation to occur, the mediation must be agreed to in writing by the other party not more than ten (10) days following receipt of the request. Mediation shall be considered Step 4.

STEP 5: An individual employee shall not have the right to process a grievance at Step Five.

1. If the Association is not satisfied with the disposition of the grievance at Step Four, it may, within ten (10) days after the decision of the Board, request in writing the appointment of an arbitrator to hear the grievance. The arbitrator shall be selected by agreement of the parties within twenty-one (21) days after the Board receives the Association's written request for arbitration. If the parties cannot agree upon an arbitrator, the arbitrator shall be selected by the American Arbitration Association in accordance with its rules.
2. Neither party may raise a new defense nor ground at a Step Five proceeding not previously raised or disclosed at other written levels. Each party shall submit to the other party not less than three (3) days prior to the hearing a pre-hearing statement alleging facts, grounds, and defenses which it intends to prove at the hearing and hold a conference at that time in an attempt to settle the grievance.
3. In the event the grievance is not settled prior to the hearing, the grievance shall be tried before the arbitrator whose decision shall be binding upon both parties who agree that a judgment thereon may be entered in any court of competent jurisdiction.
4. Notwithstanding the foregoing, the arbitrator shall not have the power to add or modify, alter or amend, or subtract from the terms of this agreement. He/she shall not hear any grievance previously barred from the scope of the grievance procedure, nor shall the arbitrator question the reasonableness of Board policy.

In the event any grievance award shall include back pay, then said award shall not extend more than thirty (30) days prior to the date of the Step One conference.

5. Grievance of similar nature may not be consolidated, except upon express written mutual consent.
6. The cost of arbitration shall be borne equally by the parties, except each party shall assume its own cost for representation.

- D. Nothing contained in this Agreement shall prevent a bargaining unit member from presenting a grievance and having the grievance adjusted by the Employer without the intervention of the Association provided such adjustment is consistent with the terms of this Agreement and provided further that the Association shall be notified of such adjustment.

- G. The time limits established in the grievance procedure shall be followed unless otherwise shortened or extended in writing by mutual agreement of the parties.

ARTICLE 8 - NO STRIKE CLAUSE/ACT OF GOD DAYS

- A. The Association recognizes that strikes, as defined by Section 1 of the Public Act 336 of 1947 of Michigan, as amended, by public employees, are contrary to law and public policy. The Board and the Association subscribe to the principle that differences shall be resolved by appropriate and peaceful means, without interruption of the school program. Accordingly, the Association agrees that during the term of this Agreement, it will not direct, instigate, participate in, encourage, or support any strike against the Board or any employee or group of employees.

- B. Act of God Days:

Act of God pay will be up to five (5) days. For purposes of this Article, days will be defined as the hours of a person's regular schedule. For example, if a driver works three (3) hours per day, he/she will be paid for three (3) hours for an Act of God Day. In the event the state alters the parameters for Act of God days during the duration of this contract, the new time limits will be automatically applied to DESPA members.

If school is closed due to an Act of God, school year employees need not report for work. School year employees generally include Classifications 1, 2, 3, 4, and 6. These

employees will receive their pay even though they do not work, but may be required to make up the Act of God days without additional pay. All building secretaries shall report for work as soon as they reasonably can even though school is closed due to an Act of God. They shall continue to work, unless excused by the Building Principal, and will receive their regular pay when required to work.

If a bus driver or bus aide does not receive notification of school cancellation or delay and report to work, they shall be paid from their regular starting time until notification of delay or cancellation. When proper notification is not received due to a breakdown in communication of the telephone chain between members, payment for non-notification shall not apply under those circumstances.

ARTICLE 9 - SUBCONTRACTING

- A. The Board reserves the right to subcontract bargaining unit work in order to promote the efficient operation of the school district. Prior to subcontracting bargaining unit work, the Board will provide ninety (90) days notification and discuss the matter with the Association representatives.

ARTICLE 10 - WORK YEAR, WORK WEEK, WORK DAY

- A.1. **Secretaries:** It is understood that with a bargaining unit as diverse as this, that the work year, work week, and work hours will vary from classification to classification. As a general proposition, the normal work week is Monday through Friday. The normal work day shall not exceed eight (8) hours **unless approved by the immediate supervisor.** The normal work year for school year building secretaries will be as follows: School year building secretaries and departmental secretaries will be expected to report five (5) work days prior to the teachers' reporting day. School year building secretaries and departmental secretaries will also work five (5) days after the teachers' final day. Full-year building secretaries generally work fifty-two (52) weeks per year from July 1 to June 30. Full-year building secretaries' contracts include nine (9) weeks of six (6) hour days, seven (7) weeks in the summer at six (6) hours; with flexible time being available to full-year secretaries upon approval of their respective building principals, one (1) week at Easter at six (6) hours, and one (1) week at Christmas at six (6) hours. Total contract hours will vary and the nine (9) weeks at (6) hours should be included at the time the yearly contracts are signed.
- A.2. **Paraprofessionals:** Annually, no later than the end of the current school year, paraprofessionals will be provided with a tentative schedule for the following school year. Management reserves the right to make necessary adjustments and agrees to contact those affected. Not less than three (3) weeks prior to the teacher's reporting day, the administration will establish a meeting with the DESPA president at which extra duties and open positions will be bid. Not less than two (2) weeks prior to the teacher's

reporting day the meeting will take place. The administration has the authority to postpone the meeting by one week. In the event a paraprofessional cannot be present at the meeting he/she may designate another paraprofessional, in writing, to bid for him/her. **If for some reason, a new position is created after this meeting or a vacancy occurs after October 1st, that position may be filled on a temporary basis for the remainder of the school year unless the position involves an increase in hours and will be open to the bidding process of the following year as permanent assignment. Such temporary posting shall only be open to those with less hours than the posting.**

All positions will be written showing a daily schedule. It will indicate a starting time, ending time and where there is time for an extra duty to be inserted.

All open positions will be bid by seniority and **awarded to the most highly qualified applicant by classification** if the paraprofessional meets the written standard of qualifications necessary. (i.e.: Title I requirement, Project Read requirement, associate's degree). **Paraprofessionals currently employed who have met requirements of NCLB shall be deemed to have met this requirement but shall not lose their right to bid.**

All extra duties established by the administration will be shared by all paraprofessionals and bid on annually. These duties will be bid by seniority until all extra duties are assigned. If there are left over duties the administration can make the necessary adjustments by assignment to the paraprofessional whose schedule allows, starting with the lowest seniority member.

DESPA members hired prior to December 15, 2009 who seek classification 3 positions are required to meet the qualifications outlined in Article 21, Miscellaneous L. All DESPA members or individuals hired into the district after December 14, 2009 will be required to possess the qualifications outlined in the job posting, as set by the district, to be qualified for a classification 3 position.

- A.3. **Transportation:** Annually, three (3) weeks prior to the teacher's reporting day, the Transportation Director will notify each regular driver of the date, time, and place for the bus route bid meeting. At that time, the drivers will also receive a copy of the routes to review. Two (2) weeks prior to the teacher's reporting day, a meeting will be held where all regular and special ed runs will be posted and subject to bid based upon seniority. The Transportation Director has the authority to postpone the bid meeting by one week. In the event that a regular driver cannot be present at the meeting for bidding, he/she may designate another driver, in writing, to bid for him/her. After all regular drivers have had an opportunity to bid on open runs that are posted or occur as a result of successful bids, the last open runs then become available for substitutes to be taken from the substitute list kept by the Transportation Director. If a new regular or noon run is established or if for any reason a permanent vacancy occurs, only the vacant run will go up for bid. When a permanent vacancy occurs, that position will be posted within fifteen (15) working days.

The break will be part of the employee's work schedule, as determined by the Principal or Supervisor. No **full-time** employee can take their break at the beginning or end of their shift. Special ed bus drivers and bus aides' break cannot interfere with the transportation schedule of the students on their bus.
- B.4. Overtime will be paid at the rate of one and one-half (1 1/2) times the hourly rate for all hours actually worked in excess of forty (40) hours per week, provided the employee has the prior approval of supervisor. **Paid holidays shall count toward the regular work schedule.** Compensatory time may be used in lieu of cash overtime payments at the rate of 1 1/2 hours per hour worked, provided the employee has the prior approval of the Principal or Superintendent. Any compensatory time is to be utilized by July 31 of the succeeding work year. The use of compensatory time must be coordinated with the Building Principal and must not disrupt the operation of the school district. At the beginning of the school year, extra trips will be assigned according to the seniority list, starting with the highest senior driver. All extra trips shall be rotated equally based on seniority.

Trips for the week are shown with a start mark and an end mark indicating where the list started and ended.

If the driver is absent and has not designated another driver to pick their choices, the list will go on to the next senior driver.

Trips that fall outside the assignment sheet wheel will be put on the emergency wheel, and the next driver up will be listed on the trip assignment sheet.

When a trip is canceled, the driver who was assigned that trip will be placed on the top of the next Trip Assignment sheet.

) Drivers will not be permitted to trade trips.

Drivers will be allowed fifteen (15) minutes prior to scheduled departure time for bus inspection and preparation. Drivers will be allowed fifteen (15) minutes at the end of a field trip to clean up the bus.

All field trips have a two (2) hour minimum.

All drivers interested in substituting for a kindergarten or special ed run must sign up with the Transportation Director the first day of school. Only the drivers who sign up will be allowed to substitute on the special ed runs during the following school year and summer. All drivers who take required training for special needs of students will be paid for their training time.

Any run that is established by a substitution list will be rotated based on the highest seniority to lowest seniority. If a driver declines the opportunity to substitute a total of five (5) times, they may be removed from the substitution list at the discretion of the Transportation Director.

) In the event a special ed driver is on an extended leave, substitutes will serve in two (2)-week rotations. After two (2) weeks of substitution on the special ed runs, the position will automatically be offered to the next person on the list. This process will continue until the return of the special ed driver.

In the event that there is an opening on a driver's regular run and a regular driver can fill the absence without interfering with their own regular route, the regular drivers must be asked in order of seniority first.

In the event a bus aide position can be filled by a regular driver, the regular drivers must be asked in order of seniority.

In the event that there is a bus breakdown on a regular run and the bus driver is detained from their normal arrival time by more than one-half (1/2) hour, the following schedule will be used for payment:

1. One-half (1/2) hour minimum time on breakdown before pay begins.

Payment beyond the first one-half (1/2) hour will be based upon the nearest 15 minute intervals at \$10.00 per hour.

2. Two (2) hours maximum payment for breakdown.

Authorization for payment under this provision rests with the Transportation Director.

Paraprofessionals called in to substitute for extra duties will be paid a minimum of two (2) hours.

It is understood and agreed that observation for purposes of evaluation may be formal as well as informal in nature and that each may be used to evaluate the work performance of the bargaining unit member. **Unit members are to be aware that the district employs cameras and surveillance equipment on a 24-hour basis. Reviewed video may be used for purposes of supervision.** Each bargaining unit member shall be evaluated annually. **Failure of administration to conduct a performance evaluation shall be interpreted as the employee's performance is satisfactory.**
- B. Observations of bargaining unit work for evaluation purposes shall, where appropriate, be of sufficient length of time to fairly represent the bargaining unit member's work.
- C. All evaluations shall be reduced to writing and a copy given to the bargaining unit member within ten (10) days of the final observation. If the bargaining unit member disagrees with the evaluation, he/she may submit a written response within **ten (10) working days** which shall be attached to the file copy of the evaluation in question. **The bargaining unit member may submit a written notation or reply regarding any material subject to the restrictions contained in MCLA 423.505, Section 5 of the Bullard-Plawecki Employee Right to Know Act, Michigan Public Act 397 of 1978.** All final evaluations will be made a part of the employee's personnel file.

If the supervisor believes that the bargaining unit member is doing unacceptable work, the reasons therefore shall be set forth in specific terms in writing and shall identify specific ways in which the bargaining unit member is to improve, and if assistance is to be given by the Employer towards that improvement, the same shall be placed in writing. It is specifically understood that the administration shall have the right to require bargaining unit members to correct deficiencies noted and where appropriate to render assistance to the employee in correcting the deficiency, including the requirement of attendance at appropriate workshops, in-services, classes, courses, etc., if in the judgment of the administrator the same is required. If the administration requires attendance at one of the above, it shall be paid for by the Employer.

- F. A copy of the evaluation instrument is appended to this Agreement as Exhibit B. **Should different evaluation instrument be desired, a committee made up of equally divided members of DESPA and administration shall be formed to work out an agreement.**

ARTICLE 13 - NEGOTIATION PROCEDURES

- A. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Association, for the life of this Agreement each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
- B. Negotiations between the parties on a successor agreement shall begin at least sixty (60) days prior to the expiration of this contract. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. Parties mutually pledge their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and to otherwise bargain in good faith.
- C. Upon completion of agreement at the bargaining table, both parties acknowledge that the final agreement is subject to ratification by the Board of Education and the bargaining unit.

Upon ratification, the parties shall execute sufficient copies of the Agreement to meet their respective needs. The cost of duplicating the contract shall be shared by the Employer and the Association. Each employee of the bargaining unit shall be provided a copy of the final Agreement.

- C. Employees will maintain discipline and control of students in their areas or assigned to their care. The Employer will provide reasonable assistance where necessary to help maintain discipline and control. It is understood that corporal punishment is prohibited as a means of discipline and/or control. Physical force that is necessary and reasonable may only be used to protect oneself or another from immediate physical injury or to obtain possession of a weapon or other dangerous object within control of a student or to protect property from physical damage.
- D. Bargaining unit members who are designated by administrators may only reasonably administer medication to students in good faith, in the presence of another adult and pursuant to written permission of the pupil's parent or guardian and then only in compliance with the instruction of a physician and in accordance with Board policy.

The employer will post all job descriptions in each building office.
- D. The Board reserves the right to hire a substitute for a position that is temporarily vacant. A bargaining unit member's rate of pay shall not be reduced as a result of any temporary change in duties. It is expressly understood that a teacher aide does not assume the duties of the classroom teacher while the teacher is not present. Any assumption of teaching duties by the classroom aide must be formally pre-approved by the Building Principal.

ARTICLE 16 - SENIORITY

- A. Seniority shall be defined as length of service within the particular classification to which the employee is assigned. Henceforth, seniority will start with date of hire by the Board of Education. In cases where employees are hired on the same day, all individuals so affected will participate in a drawing to determine placement on the seniority list unless any of these employees has experience as a sub in the district. When two or more employees are hired and added to the seniority list, new hires that have substituted in Dundee Schools will be placed on the seniority list ahead of those that have not substituted. Probationary bargaining unit members shall have no seniority until the completion of the probationary period at which time their seniority shall revert back to their first day of hire by the Board of Education.
- B. Part-time bargaining unit members shall accrue seniority on a pro-rata basis. Seniority shall accrue while an employee is on a paid leave of absence, but shall not accrue while an employee is on an unpaid leave of absence or **during an unpaid suspension**.
- C. Classifications for seniority purposes shall be as specified in Article 1, Section D.
- D. The Employer shall prepare an initial seniority list by classification. A copy of said list shall be forwarded to the Association President who shall have thirty (30) days in which to examine the list to survey the membership to ascertain its validity and to report back to the Superintendent any changes in the seniority list that the Association desires. Upon agreement between the parties not more than ten (10) days after notification of any changes, the seniority list shall be finalized and shall not thereafter be subject to challenge either by the Association, any bargaining unit member, or the Employer. Once the initial seniority list is finalized, it shall be posted on appropriate bulletin boards and updated by the administration by the fifteenth of October of each school year.
- E. Seniority shall be lost by a bargaining unit member upon termination, resignation, **layoff period of more than three (3) years** or retirement. If a bargaining unit member moves from one classification to another, previously acquired seniority will be frozen in that classification. If a bargaining unit member moves to a non-bargaining unit position without resignation from the Employer, the seniority previously acquired will be frozen.
- F. The first ninety (90) working days of employment shall be deemed to be a period of probation for all newly hired employees within each classification. All employees within a probationary period shall be evaluated at least once by their immediate supervisor prior to the termination of the probationary period. If the employee successfully completes a probationary period, his/her name shall be entered on the seniority list retroactive to his initial date of hire as a probationary employee in that classification. If an employee shall not be continued in employment after the probationary period, the reasons therefore shall be stated to him/her upon request by the immediate supervisor prior to termination of employment. Release of a probationary employee during the period of probation shall

not be grievable by the probationary employee or the Association unless it is asserted that the reason for the termination was because of union activity. At such meeting the Employer shall submit a list of the number of employees scheduled for layoff, their names, seniority, job titles, work locations, and classification.
- C. When a layoff takes place, employees not entered on the seniority list shall be laid off first. That is, all non-union employees will be laid off before any DESPA members are laid off, regardless of hours. Employees having seniority shall be laid off in the inverse order of their seniority, i.e., the least senior qualified employee on the seniority list being laid off first.
- D. Employees to be laid off will receive at least ten (10) calendar days advance notice of the layoff.

In times of layoff/reduction the lowest seniority person will be laid off first within the classification.

In the event a position is eliminated, first: The lowest seniority person within the classification will be laid off. Second: In the area of the classification that the layoff took place the lowest seniority person would move to an open position in that classification.

Example: A media center position is eliminated. The lowest seniority paraprofessional is laid off. Her position was as a Title I. The lowest seniority media center employee would be moved into the open Title I position.

If the person being moved to an open position does not meet the standard of qualifications necessary the administration will make the necessary adjustments.

In accordance with Article 16-Seniority, Section F, the probationary period would also apply to individuals who based on seniority bump into a new position due to position reductions. Dismissal under this provision is not subject to the grievance procedure.

- E. When the work force is increased after a layoff, employees will be recalled according to seniority and Classifications, with the most senior employee on layoff being recalled first. Notice of recall shall be sent to the employee at his last known address by registered or certified mail. If an employee fails to report of intent to return to work within five (5) calendar days upon receipt of notice of recall or to report to work within two (2) weeks of the date of notice, he/she shall be considered a quit by all parties. If an employee is not at his/her last known address on file with the Employer and the notice is mailed and returned, the Association shall be notified of non-receipt and it shall have three (3) days to notify the recalled individual. Thereafter, he/she shall be considered a quit. **Right of recall from layoff shall not extend beyond three (3) years.**
- F. A bargaining unit employee who is laid off and who is paid unemployment compensation benefits associated with his/her regular assignment during the summer immediately following the layoff and who is subsequently recalled at the beginning of the next school year will be paid according to an annual salary or annualized hourly rate such that his/her unemployment compensation plus that annual salary rate or annualized hourly rate that will be equal to the amount he/she would have earned had he/she not been laid off.

The doctor's statement must certify incapacity of the individual, projected date of recovery from incapacity if obtainable, and that the incapacity will be continuous throughout the period. The Board of Education shall specify the beginning date and ending date of the leave of absence if granted. It is understood that the employee granted an unpaid leave of absence shall notify the administration at least thirty (30) days prior to the termination date of the leave of absence of his/her intent to return. Failure to so notify the administration or failure to return to employment on the expiration date shall constitute an irrevocable and conclusive intent of the employee to resign from employment from the district. Upon return from such leave of absence, the employee shall be placed in the same or similar position as held before the leave of absence.

The foregoing leaves of absence may be extended by the Dundee Board of Education in their sole discretion upon application by the employee prior to the expiration date.
