8 Article 2

9 Union Recognition, Agency Shop, Check Off

10 **Section 1. Union Recognition**

- 11 (a) The Board hereby recognizes the Union as the sole and exclusive bargaining agent of the  
12 employees covered by this Agreement for the purpose of collective bargaining with respect to  
13 rates of pay, wages, hours of employment, working conditions and other conditions of  
14 employment.
- 15 (b) The term "employee" as used herein shall include all Playground Aide Employees, excluding  
16 supervisors as defined in the Act, and all other employees of the Board.

17 **Section 2. Agency Shop**

- 18 (a) All employees employed in the bargaining unit or who become employees in the bargaining  
19 unit, who are not already members of the Union, shall within thirty (30) working days of the  
20 effective date of this Agreement, or within ninety (90) working days of their date of hire by the  
21 Board, whichever is later, become members or in the alternative, shall within ninety (90)  
22 working days of their date of hire by the Board as a condition of employment, pay to the  
23 Union a service charge in an amount equal to the regular monthly dues uniformly required of  
24 employees of the Board who are members.
- 25 (b) An employee who shall tender or authorize the deduction of membership dues or service fees  
26 uniformly required as a condition of acquiring or obtaining membership in the Union shall be  
27 deemed to meet the conditions of this Article so long as the employee is not more than sixty  
28 (60) working days in arrears of payment of such dues (or fees).
- 29 (c) Employees who fail to comply with the conditions of this Article shall be discharged by the  
30 Board within thirty (30) working days after receipt of written notice of such default is delivered  
31 to the Board by the Union.

- 1 (d) If any provision of this Article is deemed invalid under Federal or State Law, said provision  
2 shall be modified to comply with the requirements of said Federal or State Law.
- 3 (e) The Union agrees that it will make membership in the Union available to all employees  
4 covered by this Agreement on the same terms and conditions as are generally applicable to  
5 other members of the Union.
- 6 (f) In the event that the Union refuses to accept any person so hired as a member, said person  
7 may continue in employment by paying the regular monthly services fees.
- 8 (g) The Union shall indemnify and save the Board harmless against any and all claims, demands,  
9 suits or other forms of liability that shall arise out or by reason of action taken by the Board in  
10 reliance upon claims made by the Union that an employee must be discharged because the  
11 employee has not complied with this Article.

12 **Section 3. Check-Off**

- 13 (a) The Board shall deduct the initiation fee and Union dues or service fees from each employee's  
14 pay and transmit the total deductions to the Financial Secretary of the Union on or before the

16 together with a listing of each employee, the employee's social security number, and the  
17 amount that is deducted each month. Provided, however, that the Union shall have submitted  
18 to the Board an authorization card signed by the employee from whose pay said deductions  
19 are to be made.
- 20 (b) Such monies, as and when deducted, shall be kept separate from the Board's general funds,

6 Agreement is being observed by the parties, or for assisting in the adjusting of grievances, provided,  
7 that said visitation shall not disrupt orderly operations.  
8

- 14 (b) Reasonable arrangements will be made to allow the Chief and/or Alternate Steward time off

1 Article 7

2 Safety Practices

3 The Board will take reasonable measures in order to prevent and eliminate any present or

5 the provisions of the Michigan Occupational Safety and Health Act, State and Local regulations.  
6

7 Article 8

8 Jurisdiction

9 Persons not covered by the terms of this Agreement shall not perform work covered by this  
10 Agreement, except in the case of emergency, nor shall such non-bargaining unit persons be used for  
11 the purpose of affecting the present work status, nor shall the usage of such non-bargaining unit  
12 persons cause a reduction in the employee's present working hours. Certified non-bargaining unit  
13 employees may perform bargaining unit work as specified in this Article.  
14

15 Article 9

16 Contractual Work

17 The right of contracting or subcontracting is vested in the Board. The right to contract or  
18 subcontract shall not be used for the purpose of undermining the Union, nor to discriminate against  
19 any of its members, nor shall the use of contracting or subcontracting result in the reduction of the  
20 present work force as is now in effect, nor in the event of the extension of service shall contracting  
21 or subcontracting be used to avoid the performance of work covered under this Agreement.  
22

23 Article 10

24 Seniority

25 (a) A newly hired employee shall be on probationary status for ninety (90) working days, taken  
26 from and including the first day of employment. If at any time prior to the completion of the  
27 ninety (90) working days probationary period the employee's work performance is  
28 unsatisfactory, the employee may be dismissed by the Board during this period without appeal  
29 by the Union. Probationary employees who are absent on scheduled work days, or who serve  
30 their probationary period during a time in which their job is not operative, shall work  
31 additional days equal to the number of days absent, or equal to the number of days that their

1 job was not operative, and such employees shall not have completed their probationary period  
2 until these additional days have been worked.

3 (b) Upon satisfactory completion of the probationary period, the employee's seniority date shall  
4 be retroactive to the employee's date of unit hire. Seniority shall be determined by the  
5 employee's continuous service with the Board, subject to the provisions stated in this Article.

6 (c) In the event that the Board determines that it is necessary to reduce the number of employees  
7 through the lay-off procedure, the Board will furnish the affected employee or employees a  
8 minimum of two (2) weeks written notice prior to the date that the scheduled lay-off or lay-  
9 offs are to become effective. Employees shall be laid-off and recalled according to their  
10 seniority in their classification. An employee on scheduled lay-off shall have the right to  
11 exercise his/her seniority and displace a lesser seniority employee in a lower series  
12 classification, provided the senior employee is qualified to hold the position held by the lesser  
13 seniority employee.

14 (d) An employee will lose his/her seniority for the following reasons:

- 15 1. The employee resigns.
- 16 2. The employee is discharged for cause.
- 17 3. The employee retires.
- 18 4. The employee transfers to a different unit.

19 (e) Seniority shall be retained for an employee who transfers to a supervisory position, with that  
20 employee having the right to exercise the seniority that he/she had accumulated while a  
21 member of the bargaining unit, in the event that such employee vacates his/her supervisory  
22 position and returns to the bargaining unit.

23 (f) An updated seniority list shall be furnished to each employee covered by this Agreement, and  
24 a copy sent to the Union, on or about October 1st of each year. Such list shall contain each  
25 employee's name, date of hire, classification seniority, job location and classification. The  
26 employee may challenge the list within sixty (60) calendar days of the publication. Following  
27 the sixty (60) calendar days time period the list is then permanent. Seniority in classification  
28 shall be as of the date of entry into the classification. In the event of two or more employees  
29 are hired on the same day, the last four (4) digits of their social security number, ranked  
30 highest to lowest, will be the determinant of most senior on the seniority list.

1 Article 11

2 Vacancies and Newly Created Positions

3 **Section 1. Vacancies**

4 (a) Notice of all vacancies and newly created positions shall be posted on employee bulletin  
5 boards within one (1) pay period from the date of the vacancy, or the establishment of the  
6 new position, and the employees shall be given five (5) working days time in which to make  
7 application to fill the vacancy or new position. The senior employee making application shall  
8 be transferred to fill the vacancy or new position, provided, the employee has the necessary  
9 qualifications to perform the duties of the job involved.

10 (b) Vacancies or newly created positions are to be posted in the following manner:

- 11 1. The type of work.
- 12 2. The classification.
- 13 3. The place of work.
- 14 4. The starting date.
- 15 5. The rate of pay.
- 16 6. The hours to be worked.

17 **Section 2. Probationary Period - Vacancies and Newly Created Positions**

18 A transferred or promoted employee shall serve a probationary period of ninety (90)  
19 working days. During this ninety (90) working days probationary period, the employee may request  
20 to be returned to his/her former position, and the Board shall honor such request, or in the event  
21 that the employee's work performance is unsatisfactory to the Board, the Board shall have the right  
22 to return the employee to his/her former position at any time during the ninety (90) working days  
23 probationary period in the event that the Board so desires. In the event that the Board returns the  
24 employee to his/her former position, the Board shall furnish the affected employee the written  
25 reason or reasons as to why his/her work performance was unsatisfactory. During the time period  
26 that the employee is serving the ninety (90) working days probationary period, the Board may fill any  
27 subsequent vacancies with a substitute employee, upon the Board making the vacated position  
28 available as specified under Section 3, Temporary Vacancies of this Article.

29 **Section 3. Temporary Vacancies**

30 In the event of a temporary vacancy for a specified period of time, the Board shall have the  
31 right to hire a temporary employee during the duration of the vacancy, provided that the Board  
32 offers the position to the existing employees within the bargaining unit who are working fewer

1 hours within that same classification, if qualified. In the event that any employees within the  
2 bargaining unit who are working fewer hours in the bargaining unit, accept the temporary vacancy  
3 or vacancies, or after the temporary vacancy has been offered to the employees within the  
4 bargaining unit who are working fewer hours within that same classification who are qualified, and  
5 such employees refuse such temporary vacancy or vacancies, the Board then may hire a temporary  
6 employee to fill such vacancy. Temporary vacancies are deemed to be temporary as long as the  
7 regular employee is off the job, but is due or scheduled to report back to his/her regular work  
8 assignment. In the event the regular employee does not return to his/her position from his/her  
9 absence, then as of the date that the determination is made that the employee will not be returning  
10 to his/her former position, the position will then be considered to be vacant and will be filled as  
11 specified under the terms of this Article.

12 **Section 4. Temporary Transfers**

- 13 (a) Any employee temporarily transferred from his/her classification to another classification  
14 within the bargaining unit shall be paid either the rate of the position from which the  
15 employee is transferred or the rate of the position to which the employee is transferred,  
16 whichever is higher.
- 17 (b) Temporary transfers shall be for a period of no longer than ninety (90) working days, except in  
18 the event that both parties mutually agree to an extension of the ninety (90) working days  
19 probationary period. In the event that it is not mutually agreeable to extend the temporary  
20 transfer beyond the ninety (90) working days, the position shall then be considered to be  
21 vacant, and shall be posted for bidding from interested employees.

22

23 **Article 12**

24 **New Jobs**

- 25 (a) The Board shall notify the Union, in writing, when new or revised job duties are required  
26 during the term of this Agreement. In the event that they cannot be properly placed into an  
27 existing classification by mutual agreement between the parties, the Board shall place into  
28 effect a new classification and a rate of pay for the job in question and the Board shall  
29 designate the classification and pay rate as temporary. The Board shall notify the Union, in  
30 writing, of any such temporary job which has been placed into effect upon the institution of  
31 such job.

1 (b) The new classification and rate of pay shall be considered as temporary for a period of ninety  
2 (90) working days, following the date of written notification to the Union. During this ninety  
3 (90) working days period, but not thereafter during the life of this Agreement, the Union may  
4 request, in writing, that the Board negotiate the classification and rate of pay. The negotiated  
5 rate, if higher than the temporary rate, shall be applied to the date the employee first began  
6 working in the temporary classification, except as otherwise mutually agreed. In a case where  
7 the parties are unable to agree on the classification and/or rate of pay, the issue may be  
8 submitted to arbitration. When a new classification has been assigned a permanent rate of pay,  
9 either as a result of the Union not requesting negotiations for the temporary classification  
10 during the specified period of time, or as a result of final negotiations between the parties, or  
11 upon resolving the matter through arbitration, the new classification shall be added to and  
12 become a part of Schedule A of this Agreement.

### 13 Article 13

#### 14 Discipline Discharge

- 15
- 16 (a) Dismissal, suspension and/or any other disciplinary action shall be only for just and stated  
17 causes, which shall be furnished to the employee in writing, a copy to the Chief Steward and a  
18 copy to the Union. The employee shall have the right to defend himself/herself against any  
19 and all charges. When the Board feels disciplinary action is warranted, such action must be  
20 initiated within five (5) working days of the occurrence of the condition giving rise to the  
21 action, or within five (5) working days of the date that it is reasonable to assume that the  
22 Board first became fully aware of the conditions giving rise to the discipline. Causes which  
23 shall be deemed sufficient for dismissal, suspension and/or other disciplinary action, shall  
24 include, but shall not be limited to the following: drunkenness, dishonesty, insubordination,  
25 moral turpitude or willful violation of the agreed upon Board's rule.
- 26 (b) An employee may be dismissed, suspended or disciplined pending investigation, and if the  
27 dismissal, suspension, or disciplinary action is found to be without justification, the employee  
28 shall be reinstated with full back pay, full seniority rights and all fringe benefits that the  
29 employee would have earned during the dismissal or suspension period. If the dismissal is  
30 sustained, or the suspended employee is not reinstated through the grievance procedure, the  
31 employee shall be deemed dismissed as of the date such action was taken.

1 (c) The Union, with specific written consent of the employee, may have the right to review the  
2 contents of the personnel file of any employee within the bargaining unit, upon making the  
3 request to the Board's designated representative. An employee, upon making request, may  
4 have the right to review the contents of his/her own personnel file maintained by the Board.  
5 Such review of personnel files must be done in the Board's offices under the supervision of a  
6 person designated by the Board.

7  
8 **Article 14**

9 **Leave of Absence**

- 10 (a) An employee, who because of illness or accident which is non-compensable under the  
11 Worker's Compensation Law, is physically unable to report to work, and has exhausted all  
12 means of compensation from the Board, shall be granted a leave of absence for up to one (1)  
13 year, which may be extended upon approval by the Board, provided, the employee notifies the  
14 Board of the necessity thereof, and provided further that the employee supplies the Board with  
15 a written statement from his/her medical or osteopathic doctor of the necessity, length of time  
16 and for the continuation of such leave when the same is requested by the Board. The Board  
17 may require the employee to submit to a physical examination by a Board approved physician.
- 18 (b) Leaves of absence may be granted to employees covered by this Agreement for the purpose of  
19 personal need, provided that the employee supplies the Board with a written request for such a  
20 leave by not later than two (2) weeks prior to the date that the employee desires to take such  
21 leave. The leave will be for a maximum of one (1) year and may be extended an additional  
22 year by the Board.
- 23 (c) Leaves of absence shall be granted for physical or mental illness, prolonged serious illness in  
24 the employee's immediate family, which includes husband, wife, children or parents of the  
25 employee. The leave will be for a maximum of one (1) year and may be extended an  
26 additional year by the Board.
- 27 (d) Leaves of absence may be granted for a specified period of time for training related to an  
28 employee's duties in an approved educational institution.
- 29 (e) Whenever an employee shall become pregnant, she shall by the end of her fourth (4th) month  
30 furnish the Board with a written statement from her physician stating the approximate date of  
31 delivery, and any restrictions on the nature of work that she may be able to do, and the length  
32 of time that she may continue to work. When she is required to interrupt her employment

1 upon the advice of her physician, she shall immediately be granted a leave of absence. Upon  
2 her return to work, she will be required to furnish a signed medical statement to the Board,  
3 from her physician, indicating that she is physically able to return to work. The Board may  
4 require the employee to submit to a physical examination by the Board approved physician  
5 prior to returning.

6 (f) The reinstatement rights of any employee who enters the military services of the United States  
7 by reason of an Act or Law enacted by the Congress of the United States, or who may  
8 voluntarily enlist during the effective period of such law, shall be determined in accordance  
9 with the provisions of the law granting such rights.

10 (g) Leaves of absence will be granted to employees who are active in the National Guard or a  
11 branch of the Armed Forces Reserve for the purpose of fulfilling their annual field training  
12 obligations, or in the event that the employees are ordered to active duty for the purpose of  
13 handling civil disorders or other emergencies, provided such employees make written request  
14 for such leave of absence immediately upon receiving their orders to report for such duty.

15 (h) Any employee in the bargaining unit who is either elected or appointed to full-time office or  
16 position in the Union whose duties require his/her absence from work, shall be granted a  
17 leave of absence for up to one (1) year.

18 (i) All requests for leaves of absence shall be in writing, stating the reason for the request and the  
19 approximate length of leave requested, with a copy of the request to be maintained by the  
20 Board, a copy furnished to the employee, and a copy sent to the Union.

21 (j) An employee who meets all of the requirements as herein before specified shall be granted  
22 a leave of absence without pay, and shall accumulate seniority during his/her leave of  
23 absence, and the employee shall be entitled to resume his/her regular seniority status, all job  
24 and recall rights. Leaves of absence may be granted at the discretion of the Board for  
25 reasons other than those listed above, when they are deemed beneficial to the employee  
26 and/or the Board. The leave will be for a maximum of one (1) year and may be extended an  
27 additional year by the Board.

## 28 Article 15

### 29 Grievance Procedure

#### 30 **Definitions:**

31 (a) A grievance shall be defined as an alleged violation, misinterpretation or misapplication of the  
32 express terms of this Agreement.

- 1 (b) For the purpose of processing grievances, working days shall be defined as Monday through  
2 Friday, on any day in which the employee is scheduled to work, excluding all paid holidays.
- 3 (c) The time elements in the steps may be shortened, extended or waived upon written mutual  
4 agreement between the parties.
- 5 (d) A grievance concerning alleged safety hazards may be processed directly to Step Three (3) of  
6 the grievance procedure, upon the employee having orally discussed the grievance with  
7 his/her immediate supervisor.
- 8 (e) Any employee or Union grievance which is not presented for disposition through the  
9 grievance procedure within five (5) working days of the date that it is reasonable to assume  
10 that the employee or the Union, as the case may be, first became fully aware of the conditions  
11 giving rise to the grievance, unless the circumstances made it impossible for the employee or  
12 the Union, as the case may be, to know prior to that date that there were grounds for such a  
13 claim, the grievance shall not hereafter be considered a grievance under this Agreement.
- 14 (f) The failure of the Board, at any step level of the grievance procedure, to communicate the  
15 decision on the grievance in writing to the Union within the prescribed time limits set forth in  
16 that step level of the grievance procedure, shall permit the Union to file an appeal of the  
17 grievance at the next higher step of the grievance procedure, but shall not be deemed to be an  
18 admission as to the substantive merit of said grievance. The time for filing such an appeal  
19 shall be measured from the date on which the response to the grievance was due.
- 20

21 **PROCEDURE:**

22 **Step 1:**

- 23 (a) Any employee having a grievance shall discuss the grievance with his/her immediate  
24 supervisor and then if the grievance is not settled orally with his/her immediate supervisor, the  
25 employee may request a meeting with the Chief Steward to discuss the grievance.
- 26 (b) The Chief Steward then may submit the grievance in writing to the immediate supervisor,  
27 stating the remedy or correction requested, plus the facts upon which the grievance is based  
28 and the alleged contract violation and the relief requested. The employee and the Chief  
29 Steward shall sign the grievance.
- 30
- 31
- 32

1 **Step 2:**
