The written grievance shall be presented to and discussed with the building administrator by either the grievant or the Association representative. Within five (5) workdays after the receipt of the written grievance, the building administrator shall render his/her written decision to the Association and to the grievant.

Step 3. Within five (5) workdays after the receipt of the building administrator’s written decision, the grievance may be (by the Association or grievant) appealed to the Superintendent or his designee. The appeal shall be in writing and shall be accompanied by a copy of the decision at Step 2.

Article 8

Seniority

A. Definition of Probationary and Substitute Employees

1. Probationary Employee: A person who is employed to fill a bargaining unit position for a trial period of a maximum of one hundred twenty (120) calendar days. Probationary employees shall have no seniority until the completion of the probationary period at which time their seniority shall revert to their first day of work.

1. Substitutes in Temporary Positions: It is expressly understood and agreed that substitute(s) in temporary positions shall not fill a bargaining unit position for a period in excess of thirty (30) workdays. Under extenuating circumstances, it is possible that JAPA and the administration may mutually agree to extend this time period.

2. Substitutes in Non-Temporary Positions: A substitute who is employed to fill a position on a per diem basis while the regular bargaining unit member is absent or on an approved leave for a period of up to one (1) year, shall not become a member of the bargaining unit. (See Article 5, F.)

B. Seniority

Seniority shall be defined as an employee's length of employment with the employer since the employee's last hiring date in a bargaining unit position. Seniority of employees with the same date of hire shall be determined as follows:

1. The employee who is hired with the most hours shall have the higher seniority.
2. If employees are hired for the same amount of hours, the tie shall be broken by the last four digits of his/her Social Security Account- the lower/lowest number having the higher/highest seniority. An updated seniority list shall also be furnished at this time.

Seniority for persons who work less than a year shall be pro-rated.

3. Seniority shall be defined as years worked within the bargaining unit.

Should a member leave the bargaining unit for any reason other than disciplinary reasons, and then return to the bargaining unit, his/her seniority shall be considered to have been frozen and he/she shall resume accumulation upon the first day of work. Said accumulation shall also be applicable to placement on the salary schedule.

Article 9

Vacancy, Layoff, & Recall

A. Vacancy - Postings. Notice of all paraprofessional certified vacancies and newly created paraprofessional positions shall be posted on employee bulletin boards within one (1) pay period from the date of the vacancy or the establishment of the new position. Association members shall be given five (5) working days to make application and shall be given due consideration for the position.

1. Any opening will be posted for bid first within the unit to those that are presently working, secondly to those who are laid off and finally to outside applicants.

The posting will reflect:

- A. Type of work
- B. Classification

- C. Place of work
- D. Starting date
- E. Rate of pay
- F. Hours to be worked

2. Members who successfully bid on a position may not bid again during the same school year, unless aforementioned member is displaced by layoff or reduction in staff, exclusive of principal's right of assignment.

B. Loss of Position

If a paraprofessional loses her/his position due to extraordinary circumstances, (i.e. family moves, IEP changes, etc.) or if that position has been eliminated or reduced by thirty (30) minutes or more per day, she/he will have the option of voluntarily agreeing to the reduction in hours or having the opportunity to bump the least senior paraprofessional with equivalent or comparable hours, provided he/she has the required qualifications for the position. Then the paraprofessional who was bumped may exercise her/his bumping rights and bump the least senior paraprofessional with equivalent or comparable hours. The paraprofessional who is left without a position will then be subject to the layoff provisions of the agreement.

C. Reduction/Layoff of Staff.

Reduction in staff due to finances, program changes, or other reasons shall be made on the basis of inverse seniority. Input will be sought from the Association before changes are made. All employees affected by change will be given two (2) weeks' notice.

D. Recall Procedure. The most senior employee on layoff shall be the first employee recalled to work. (See Article 9, A., 1)

Employees shall be notified by certified mail, at the last known address, of their recall. The employee shall have five (5) workdays to notify the Board of his/her intent to return to work. The employee shall be responsible for supplying the Board with his/her current address. Refusal of an offer from the Board of an equivalent position for which the laid off employee is

qualified, or failure to respond within five (5) workdays of the receipt of a written offer, shall constitute a forfeiture of all seniority and rights of recall. An equivalent position will be defined as a position with the same (or greater) number of hours.

Article 10
Miscellaneous Provisions

- A. Agreement Distribution. Copies of this Agreement shall be printed at Board expense. The Board will provide a copy of the Agreement for each association member. In addition to a copy of this Agreement, new members shall receive appropriate insurance and retirement forms at the time of hire.

- B. State Law. The Agreement is subject in all respects to the laws of the State of Michigan with respect to the powers, rights, duties, and obligations of the Board and the Association. In the event any provision of this Agreement shall at any time be held to be contrary to the law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for doing so, such provision shall be void and inoperative; however, all other provisions of this Agreement shall continue in effect.

- C. Act of God Days. "Act of God" days beyond the allowance by Michigan Law and the Department of Education regulations will be made up by the students and assistants at the end of the school year or at other times as specified by the calendar. Assistants will only receive compensation for the "Act of God" days allowed. When a scheduled day of schoolwork is delayed, association members shall report as near as possible to their regular starting times. Assistants will receive their full day's pay when the school day is shortened due to weather or mechanical problems.

- D. Mileage. An association member directed by the building principal to drive his/her personal automobile for school business shall receive a mileage allowance that shall be at the IRS established rate per mile.

- E. Tuition. When an association member upgrades his/her skills by taking job related workshops which have been pre-approved by the Board of Education, tuition and book fees incurred will be assumed by the Board upon successful completion of the course. When an association member is required by the Board to upgrade his/her skills by taking courses, all expenses incurred will be assumed by the Board.

- F. Salary and Sick Day Notification. All association members shall receive, not later than October 1st, a report of their step on the salary schedule, salary for the year, the number of pay periods as well as the salary for each pay period and their accumulated number of sick days and business leave days.

- G. Special Training. If an association member serves as a preschool/inclusion aide, this member may be required, at the Board's option, to take additional training for this position at the expense of the Board.

- H. Notification of Assignment. Paraprofessionals will receive tentative notification of assignment by August 1st. If the assistant is seeking a change in assignment, he/she may request such in writing to the Superintendent by April 15. Such requests will be considered by the administration prior to the August 1st placements.

- I. Equipment Use. JA/PA will be permitted to use school equipment, typewriters, duplication equipment, telephones, calculating machines, and all types of audio-visual equipment at reasonable times, when such equipment is not otherwise in use. The Association shall pay the cost of all materials and supplies incident to such use. No equipment shall be removed from the school premises for the Association's use.

- J. Emergency Financial Manager. If an Emergency Financial Manager is appointed by the State under PA 4 of 2011, Fiscal Accountability Act, The Emergency Manager may reject, modify, or terminate the Collective Bargaining Agreement in his/her sole discretion. The authority is a prohibited subject of bargaining under the Public Employment Relations Act (PERA)

Article 11
Evaluation

- A. Each employee's job performance shall be evaluated at least every two (2) years in writing by the principal. Failure of administration to conduct a performance evaluation shall be interpreted as the employee's performance is satisfactory.
- B. If the employee has any questions regarding his/her evaluation, the employee may request a conference regarding the evaluation.
- C. The evaluation report shall be signed by the employee, as evidence of having seen or read the evaluation report. In addition, space shall be provided on the evaluation form for employee comments. A copy shall be provided to the employee.
- D. If a disciplinary demotion of a member is to be considered because of inadequacies observed in the member's work, such action must be preceded by:
 - 1. Clear direction to the member that he/she must improve and the consequences of failure to do so.
 - 2. Opportunity and time for the association member to make improvement upon mutual agreement of both parties.
 - 3. Identification of the specific ways in which the employee is to improve and documented direction from administrators and school district resources to help the member improve.

Article 12
Protection of Association Members

- A. The Board will continue its policy of non-discrimination with respect to any association member by reason of race, creed, color, national origin, gender, marital status, or membership in, or association with, the activities of any ~~bargaining association organizations.~~

- B. No association member shall be disciplined, reprimanded, suspended, reduced in rank, or discharged without just cause. There will be a policy of progressive discipline which minimally includes verbal warning, written warning, reprimand, suspension without pay, with discharge as a final and last resort. Any action taken against an association member shall relate only to the said violation and not to other aspects contained in previous evaluations. The Association recognizes that if an employee engages in a serious breach, the employee may be subject to severe discipline. The severity of the discipline may be grievable.
- C. An association member shall be entitled to have present a representative of the Association during any disciplinary action when such action will become part of the association member's file. When a request for such representation is made, no action shall be taken with respect to the association member until a readily available representative of the Association is present. Further, in the event disciplinary action is to be taken, the member shall be advised of the right to representation under this provision of the Agreement prior to action being taken.
- D. When a member is absent as a result of personal injury caused by an accident arising out of and in the course of his/her employment, he/she will be paid his/her full Worker's Compensation for the period of absence not to exceed one year.
- E. An employee will have the right to review the contents of his/her personnel file excluding initial references; and to have a representative of the Association accompany him/her in such a review.

Article 13

Hours and Work Week

- A. Hours Per Day. The employee's workday shall consist of a maximum of six (6) hours, including breaks with the exception of preschool and special education paraprofessional assistants who may work a maximum of seven ~~(7) hours per day including breaks if specifically written into a student~~

special education (IEP) plan. The seven (7) hour positions must be posted yearly to be determined by seniority, with the most senior paraprofessional assistant that applies receiving the position. For purposes of this section, there shall be two categories: Full-time, and Part-time, as set forth in Article 8, Section B.

- B. Break Time. There will be one (1) fifteen (15) minute paid break during a three (3) or four (4) hour workday. There will be two (2) fifteen (15) minute paid breaks allowed during a five (5) hour or six (6) hour workday. A thirty (30) minute unpaid lunch period will also be included in days of four (4) hours or more.
- C. Scheduled Work. Paraprofessionals shall be employed and paid only when students are in school. Principals may ask individuals to work when students are not in school. If an assistant is called in, he/she will be paid at the regular pay rate.
- D. Work Other Than School Hours. If employees are required to work more than their regular work hours, including field trips, they shall be compensated at the regular rate of pay, not to exceed six (6) hours.
- E. Calendar. The employee's work year will be at a maximum of one hundred eighty (180) days, or the number of hours established by the state and confirmed by the Board of Education. If an employee's work year is less than one hundred eighty (180) days, the JA/PA may suggest a workable plan for the scheduling of the shortened days. The minimum number of work days shall not fall below the minimum number required for one (1) year retirement credit. On teacher in-service/professional development days, the Board will provide at least eight (8) hours of in-service training per year for JA/PA members.
 - 1. Members shall be notified a minimum of two (2) weeks prior to in-service dates of their option to attend. In instances when mandatory attendance is required at in-service events due to the nature of the scheduled training, as determined by the Building Administrator, members will ~~receive two (2) weeks' notice, or the earliest advance notification that is~~

practicable. The bargaining unit members shall receive their hourly rate of pay for attending the training sessions.

2. Failure to attend an offered in-service event may result in receiving less than one (1) full year retirement credit.

F. The number of six (6) hour positions for a given school year shall be determined by the administration. The union will submit a list of employees to fill these positions. This list will be based on qualification (Preschool) and seniority. The administration will then determine the building/classroom assignment for all six (6) hour positions.
