This agreement is made by and between the Board of Education of the Lake City Area Schools, Missaukee County, Michigan (hereinafter called the "Board"), and the Paraprofessional Chapter of the Lake City Federation of Teachers, AFT Local 3239 (hereinafter called the "Union").

ARTICLE I – Purpose and Intent

The general purpose of this agreement is to set forth all wages, hours, terms and conditions of employment which exist between the Board, the employees in the bargaining unit and the Union.

ARTICLE II – Recognition

- A. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965 as amended, the Board does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of work, and other conditions of employment, for the term of this Agreement, of all employees of the Board included in the bargaining unit, as described below.
- B. The term "employee" shall include all aides.

ARTICLE III – Right of the Board

- A. It is agreed that all rights and prerogatives, which ordinarily vest in and have been exercised by the Board, except those which are relinquished herein by the Board, shall continue to vest exclusively in and be exercised exclusively by the Board during the term of this Agreement. Such rights shall include, by way of illustration and not by way of limitation, the right to:
 - 1. Continue its rights, policies, and practices of assignments and director of its personnel and scheduling of all the foregoing.
 - 2. The rights to establish, modify, or change any work or business or school hours or day.
 - 3. The right to direct the working forces, including the right to hire, promote, transfer, discipline and/or reassign employees, assign work or duties to employees, determine the size of the work force and to lay off employees
 - 4. Determine the services, supplies, and equipment necessary to continue its operations and to determine all methods and means of distributing its services, methods, schedules, and standards of operation, the

means, methods, and processes of carrying on the work, the institution of new and/or improved methods or changes therein.

5. Adopt reasonable rules and regulations.
 6. Determine the qualifications of employees.
 7. Determine the number and location or relocation of its facilities, including the establishment or relocation of new schools, buildings, departments, divisions or subdivisions thereof, and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities.
 8. Determine the placement or operations, production, service, maintenance or distribution of work, and the source of materials and supplies.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the terms of this Agreement.

ARTICLE IV – Strikes and Lockouts

The Union agrees that during the life of this Agreement neither the Union nor its agents will authorize, instigate, aid, condone, or engage in work stoppage, slow down, or strike. The Board agrees that during the same period there will be no lockouts.

ARTICLE V – Hours and General Description of Work

- A. The services of unit employees shall be utilized in whatever manner the Board, or the superintendent of Schools or Building Principal, as agents of the Board, may reasonably deem to be appropriate and to further the educational programs of the Lake City Area Schools.
- B. Employees who work four (4) hours are entitled to one (1) fifteen minute break with pay. Employees who work more than four hours are entitled to two (2) fifteen (15) minute breaks with pay. These employees are also entitled to a duty-free non-paid thirty (30) minute lunch period.
- C. Unit employees are not normally to be given sole responsibility for classroom management or instruction. In an emergency situation, it is permissible for an aide to assume temporary leadership of a classroom in the temporary absence of a teacher providing a certified teacher or administrator has been specifically designated to be responsible for the class. Such responsible individual shall visit the classroom at regular intervals.

ARTICLE VI – Representation

- A. The Union shall keep an up-to-date list of building representatives and shall supply the Board with a copy of same, including officers of the Union, and shall notify the Board if any changes are made.**
- B. When necessary, building representatives shall be permitted reasonable time to investigate and present grievances during working hours. Such representative shall not leave his/her job to conduct his/her duties as representative without first securing the approval of his/her immediate supervisor.**

ARTICLE VII – Assignments and Duties

- A. The assignment of duties, functions, and work schedules of all unit employees shall be the responsibility of the building principal. When assignments are made for an aide to assist a particular teacher, such teacher shall supervise the activities of the aide and assign duties within the classroom or assigned area to the aide.**
- B. Unit employees shall be informed of their regular assignments at the beginning of a semester. In the event that changes of assignment or duty become necessary during a school year, the affected employee(s) shall be informed as far in advance as possible, but a good faith inability to give prior notice shall not precluded reassignment.**
- C. Job description for each category of paraprofessional assignment shall be provided by the Board. When this has been accomplished, an aide shall receive a written job description for an initial assignment and for any additional assignments which arise during the course of employment.**

ARTICLE VIII – Vacancies and Transfers

- A. All vacancies, whether created by expansion, resignation, discharge, transfer, leave or promotion shall be filled by the applicant found by the Board to be the most qualified.**

For the purpose of this agreement, qualifications shall be considered to be related work experience, past performance of the applicant, and other reasonable factors determined by the board. If applicants for a job vacancy are found by the board to be equal, the vacancy shall be filled by the applicant with greatest seniority in the school district.

Whenever any permanent vacancy within the bargaining unit occurs, the Board agrees to provide for posting of the position and to give written notice of the vacancy to the union. No vacancy shall be filled until it has been posted for at least five (5) days.

- B. When for reasonable cause, a transfer must be made on a non-voluntary basis, the Board of Education shall have the sole authority to determine which employees shall be transferred to which positions.

ARTICLE IX – Seniority, Lay-off and Recall

- A. Seniority shall be defined as length of service in the district, exclusive of lay-off and unpaid leave periods. During lay-off and/or unpaid leave periods, seniority shall not continue to accrue, but shall be “frozen” from the commencement date to the termination date of the lay-off and/or leave.
- B. Reductions in force or lay-offs may occur whenever, in the sole discretion of the board, such action is necessary. This may be done by reducing hours or by eliminating positions and reassigning job duties.

1. Bargaining unit positions are divided into the following “Category of Employment,” as listed below:

Category 1: Title Aide

Category 2: Library Aide and Instructional Aide

Category 3: Office Aide, Playground Aide, Health Aide, and
Combined Positions Aide (employees that perform the
duties of more than one aide position)

2. Employees will be laid-off in inverse order of seniority within their “Category of Employment” and in the event of a lay-off, the following procedure will be utilized:

- **Category 1: Title 1 Aide** – In times of Reductions in Force (RIF), employees in this category may “bump” anyone in this or the other three (3) categories with less seniority, provided that they meet any requirements imposed by state or federal law or regulation.

It is further agreed that all current employees: Kimberly Brooks, Laurie Walsh, Carol Pedlar and Tanya Baldwin, retain their right of “bumping” into any category, regardless of their current assignment, provided that they meet any requirements imposed by state or federal law or regulation.

- **Category 2: Library Aide and Instructional Aide** – In times of Reductions in Force (RIF), employees in this category may “bump” anyone in this category or the one listed below, provided that they meet any requirements imposed by state or federal law or regulation.
 - **Category 3: Office Aide, Playground Aide, Health Aide, Combination Aide** - In times of Reduction in Force (RIF), employees in this category may only “bump” employees with less seniority in this category provided that they meet any requirements imposed by state or federal law or regulation.
3. **Employees shall be recalled in order of seniority within their category, providing that if an employee is being recalled into a new category he/she must satisfactorily complete a thirty (30) work day trial period and must meet any requirements imposed by state or federal law.**
 4. **Registered or certified letters of recall shall be sent to the last address the employee listed with the Board as his/her mailing address.**
 5. **Employees on lay-off, who have any change of address during lay-off, are responsible to provide written notification of any changes in their address to the Superintendent at the Central Office by registered or certified mail, during the two-year recall time period. If an employee fails to notify the Superintendent and the district is unable within reasonable efforts to reach the individual, he/she shall be considered to have voluntarily abandoned employment with the district and shall forfeit all employment rights with the district.**

ARTICLE X – Job Security, Discipline, Discharge

- A. **The probationary period for new employees will be a period of one (1) calendar year from the date of hire.**
- B. **Discharge of a probationary employee shall not be grievable or arbitrable, provided that administration has made reasonable efforts to inform probationary employees of job expectations and has provided written criteria for improvement to the probationary employee within reasonable time prior to the termination. In the event an employee asserts that the administration has failed to meet its obligations under this provision, the employee may request that the board of education consider and reverse or modify the administration’s determination provided that any such claim is filed within fifteen (15) days of the date of the notice of termination. The Board’s**

determination shall be final and binding on all parties and is not subject to the contractual grievance procedure. For purposes of this provision, the term written criteria for improvement shall mean that the employee is furnished with written evaluations, based on direct observations, which evaluations specifically describe job-related deficiencies and contain constructive suggestions and/or methods for improvement under administrative guidance.

Nothing shall preclude discharge or discipline of an employee during the probationary period for reasons other than performance deficiencies (e.g., misconduct, conviction of a crime, serious rule violations, etc.). Probationary employees are employed on an "at-will" basis until completion of their probationary period.

- C. Annual evaluations will be given to each aide by the supervising administrator. It is herewith understood that, if an employee receives two consecutive overall unsatisfactory (annual) ratings, the employee will be terminated, provided that the employee is furnished with written evaluations, based on direct observations, which evaluations specifically describe job-related deficiencies and contain constructive suggestions and/or methods for improvement under administrative guidance.
- D. A non-probationary employee discharged or suspended, who considers such discharge without good cause, shall present a grievance within fifteen (15) working days of such action. Any discharge or suspension not questioned within fifteen (15) days shall be considered final.

ARTICLE XI – Grievance Procedure

- A. A grievance shall be defined as an alleged violation, misinterpretation, or misapplication of the terms of this Agreement. The following matter shall not be the basis of any grievance: Discharge of employees in the bargaining unit during the probationary period shall not be grievable except as provided in Article X.
- B. At the beginning of each school year, the Union shall notify the administration of the Grievance Chairman and any alternate(s) who may perform this function in the absence of the Grievance Chairman.
- C. An aggrieved person shall mean any member or members of the bargaining unit, or the Union on its own behalf, making the complaint. Wherever notice is used, it is intended that such be written notice to all parties concerned. The term days shall mean duty days, except where otherwise indicated.

D. General Principles

- 1. A grievance may be withdrawn at any level, but withdrawal shall not extend the time limits hereinafter specified.**
- 2. If a grievance arises from the action of authority higher than the building principal, it may be initiated at Step 1 of this procedure.**
- 3. Hearings and conferences held under this procedure shall be conducted at times other than when aggrieved persons are scheduled for duty, unless it is impossible or unreasonable to do so. If scheduled during duty hours, the employees shall suffer no loss in pay.**
- 4. Forms for filing and processing grievances shall be given appropriate distribution so as to facilitate the operation of the grievance procedure. Any written grievance not substantially in accordance with the form may be rejected as improper, and such rejection shall not extend the time limits.**
- 5. Not decision or adjustment of a grievance shall be contrary to any provision of this Agreement.**
- 6. Failure by the employee and/or the Union at any step of this procedure to appeal a decision within the specified time limits shall be deemed an acceptance of the decision.**
- 7. If the Board or its designated agents fail to communicate a decision on a grievance within the specified time limits, the grievance may be appealed to the next step.**
- 8. The time limits specified in this procedure may be extended in any specific instance by mutual agreement, which agreement shall be reduced to writing and signed by the parties. The arbitrator shall be bound by the time limits set forth herein and shall not have power to extend such limits.**
- 9. The arbitrator shall have no power to alter, add to, or subtract from the term of this Agreement.**
- 10. The arbitrator shall have no power to establish salary scales or to change a salary.**
- 11. The arbitrator shall have no power to decide any question which, under this Agreement, is within the exclusive responsibility of the Board to decide. In rendering decisions, the arbitrator shall give due regard to the responsibilities of the Board, and shall so construe this**

agreement that there will be no interference with such responsibilities, except as they may be conditioned by this Agreement.

12. The arbitrator shall have no power to interpret state or federal law.
13. No arbitrator shall hear more than one grievance at any one hearing without mutual consent of the Board and the Union.
14. The Board and the Union each shall bear the full cost for their representative counsel in the arbitration.
15. The arbitrator's fee shall be assessed against the parties in a proportion to be determined by the arbitrator.
16. It is the intention of the parties, where possible, that the issue(s) to be arbitrated, the relevant facts comprising the issue(s), and the remedy or remedies sought shall be jointly stipulated by the Board and the Union, or if the parties are unable to agree to such stipulation of the issue(s) to the arbitrator in advance of the hearing date.
17. The decision of the arbitrator shall be final and conclusive and binding upon employees, the Board and the Union.

In situations where the employee could not possibly have anticipated the absence ahead of time, such notification shall be made by 7:30 a.m. of the day the absence occurs. Emergency situations shall be individually and equitably handled.

B. Personal Leave:

A maximum of two days per year shall be available for personal business of the employee. Personal leave days are not to be taken for activities which could be performed during vacation or non-school hours. Except in cases of emergency, requests for personal leave days shall be made at least two days in advance of the time the day(s) on which personal leave is to be taken. C. Jury Duty:

An employee who serves on jury duty shall be paid the full amount he/she would have earned for each day to a maximum of ten (10) days in which the employee reports for or performs jury duty and on which he/she otherwise would have been scheduled to work provided the employee turns over to the employer the amount received for jury duty on the days when the employee would otherwise have been undertaking regular assigned work in the district. If an employee is paid mileage by the court, such employee shall retain the mileage payment.

D. Extended Child Care Leave:

1. An Extended Child Care Leave without pay shall be granted to any employee, provided that the employee applies in writing to the Board at least thirty (30) days prior to the date such leave is to commence, except in the case of emergency.

Employees on unpaid leaves will not be covered by any employer benefits. Failure to return after termination date of leave, unless such failure is legitimately excusable in the judgment of the employer, shall constitute termination of employment.

H. Return from Leave:

Providing there is a vacancy, an employee returning from a leave will be entitled to the same or similar position as the one he/she took leave from. If there is no vacancy the lay-off procedure will be implemented to determine who among the employees (including the returning employee) will fill the available positions.

No charge shall be made for the use of rooms one hour before the commencement of the school day or until five p.m. of that day. Such use will require that the Union follow the established building scheduling procedures.

ARTICLE XIX – Information Availability

The Board shall make available to the Union within a reasonable time statistics, records, work schedules, or other information which the Union reasonably needs for preparation of bargaining demands, for implementation of the terms of this Agreement, or for the processing of grievances arising out of this Agreement. (It is understood that this provision in no way requires the Board to compile materials in ways such material is not normally compiled.)

ARTICLE XX – Dues Check-Off

- A. Upon filing with the Board of a written authorization form for payroll deduction, signed by the employee, the Board agrees to deduct Union membership dues which have been levied in accordance with the constitution and By-Laws of the Union from the pay of such employee.**
- B. Deductions from each paycheck shall be in the amount stipulated per pay period by the Union prior to the opening of school for the term of this agreement, and shall commence with the pay period following receipt of the written authorization, up to and including the twentieth paycheck of each school year. ARTICLE XXI – General

- A. This agreement is subject to the laws of the State of Michigan with respect to the powers, rights, duties, and obligations of the Board, the Union, and employees in the bargaining unit. In the event that any provision of this agreement shall, at any time, be held to be contrary to law by a court of competent jurisdiction from whose final judgment and decree no appeal has been taken within the time provided for doing so, such provisions of this agreement shall be void; however, all other provisions of this agreement shall continue in effect, and the parties agree to meet and negotiate substitute language for the voided section(s).**

The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.
