- C. No employee shall sign a job posting unless willing to assume the duties of said job.
- D. An employee who signs a job posting and is awarded the job cannot sign for another posting for a period of one hundred and eighty (180) days. The only exception would be if the posting would result in either a promotion or a raise in pay for the employee.
- E. The employee shall sign for the posting at the designated location in the Administration Center.

Absence for family illness will be charged to the employee's sick leave bank.

- B. Unused sick leave days accumulate without limitation.
- C. Employees who have no sick leave absences for six months earn a vacation day in addition to the days described in Article XIX – Vacation Schedule. For each additional six month period an employee does not

use a sick day he/she will earn an additional vacation day. This policy will be applied using a rolling calendar, meaning that an employee begins to accumulate toward additional vacation the day he/she returns following use of sick leave.

- D. Unused sick leave days at the time of termination of employment, for any reason including retirement, will not constitute a claim upon the District.
- E. Sick days are eligible for employee use the year after they have been earned.
- F. Up to half the earned sick days may be borrowed, to a maximum of five (5) days.
- G. Pay while on sick leave. An employee will be paid full compensation starting with the first day of approved sick leave in accordance with the following conditions:
 - 1. On each occasion the employee calls in reporting the use of sick leave, no later than the beginning of the employee's shift. Failure to do so may result in denial of sick leave at the discretion of the District. In the case of custodians, when school is in session, this notification must be made no less than two (2) hours prior to the start of their shift. Failure to notify supervisor or designee at least two (2) hours prior to the start of their shift may result in denial of sick leave at the discretion of the District. In addition, employees must notify their supervisor or designee each day that they intend to use sick leave, in accordance with the above items. Exceptions to this will be any illness or injury, resulting in admittance to a hospital.
 - 2. Medical certification may be required to substantiate sick leave absences of three (3) working days or more, if the supervisor or designee has reason to believe the employee is abusing sick leave. In this instance, the District will require a medical certification by sending the employee to the District's physician at the employer's expense for verification of the sick leave request or prior to returning to work in order to verify fitness for the employee's job description.
- H. An employee, while on paid sick leave, shall be deemed to be on continuous employment for the purpose of computing all benefits, including seniority, referred to in this Agreement.
- I. If an employee is injured on the job and therefore eligible for Workers' Compensation, sick leave shall be paid starting on the first day.
- J. Sick leave may not be used for routine dentist appointments, routine doctor's exam or office call.
- K. Preplanned use of sick leave.

1. Absence for preplanned use of sick leave (such as scheduled surgery or childbirth) will be approved starting on the date at which the employee is physically no longer able to work. This date and the employee's physical inability to work must be certified by the employee's physician.
2. The District may require an examination by an independent physician as to the date at which the employee is physically unable to work. The date at which the approved absence is to begin will be the date set by the independent physician. This examination will be at the expense of the District. Absence from work by the employee prior to the date set by the independent physician will be unauthorized.
3. It is expressly understood that absence under sick leave for recovery from childbirth is not for the purpose of caring for the baby.

Article XVII COMPENSABLE INJURY PAY

Employees receiving Workers' Compensation benefits as a result of compensable injuries shall be paid the difference between the proceeds from Worker's Compensation and the employee's full pay period provided, however, that the difference shall be deducted from the accumulated sick leave on a prorated dollar basis. When an employee's sick leave is depleted, the employee shall be paid Worker's Compensation only. Upon return to work, said employee will return to the job held on the date of injury, providing the employee is capable of performing the duties of said job.

The employee shall pay his/her portion of the premium for health insurance, if applicable, while receiving Workers' Compensation payments.

Article XVIII SUPERVISION WORKING

Appendix C – Snow Removal

All Grounds and Skilled Trades (Maintenance) Employees, Members of the Midland City Education Association, may assist in the removal of snow for the Midland Public Schools, under the following conditions:

Employees will voluntarily sign up to be on the list to do snow plowing. Signing onto the voluntary snow plowing list implies a commitment to do the snow plowing when the need arises. Unless the Employee is ill or otherwise absent on a day snow plowing is scheduled, he/she will make himself/herself available to work the additional hours.

The District will train all volunteer Employees to perform the duties involved in snowplowing. Training will be completed during regular work hours or as overtime, at the Employer's discretion.

If more than four (4) inches of snow is predicted for a given day, the Employer will assign work based on seniority within the sub-classification. For instance, if two electricians are on the voluntary snow plowing list, the first one called would be the most senior member. On the following occasion of need, the next most senior member would be called.

If less than four (4) inches of snow is predicted for a given day, Grounds personnel will be the employees to be called/offered overtime, if no one from Grounds is sick or otherwise absent. Skilled Trades (Maintenance) will only plow snow during the day after and until midnight shift personnel have been offered the work.

Snow plowing done during the Employee's regular hours will be paid at his/her regular rate of pay. Snow plowing done beyond eight (8) hours in one day or forty (40) hours in one week will be paid at the employee's regular overtime rate, as defined in the Master Agreement.

Snow plowing will be done on an as needed basis, as assigned by the Employer.
