Activities listed on Schedule B shall not be conducted during a teacher's regular class period without prior approval of the Administration.

These percentages are based on the B.S. column of salary schedule for a maximum of ten steps by years of experience per activity.

1. **Teacher Tuition Payment** – The Board will compensate fifty percent of the tuition cost for additional college courses. In order to be compensated a teacher must have a permanent or continuing certificate and the approval of the administration. Payment will be made upon proof of credit or credits received.

1. **Retirement** – Upon retirement said teacher is to be paid \$40 for all unused sick leave days. This provision is contingent on proper application and verification by the Office of Retirement Services. Accumulated sick leave payments will be made according to the requirements of the mutually agreed upon Special Pay Plan and over the same payment schedule selected in the Retirement Incentive Plan.

2. Employees with at least ten years invested in the Carney-Nadeau Public School system that are eligible to retire under the provisions of the School Retirement System (ORS) will be offered a retirement incentive. An employee who wishes to take advantage of the incentive shall provide to the ORS his/her application to retire by April 15th of said year. The incentive will offer 33% of the Employee's wages to be paid in an annuity or three equal, annual cash payments—the first of which shall occur on the first day of retirement—within a period of three years. Wages to be defined by the highest three year average of said employee's wages.
