1 **PREAMBLE:**

2 A Professional Negotiations Agreement between the UPEA/MEA and the Board of
3 Education of the Stephenson Area Public School District.

4 This Agreement entered into this 14th day of June, 2007, by and between the
5 Board of Education of the Stephenson Area Public School District, Stephenson,
6 Michigan, hereinafter called the "Board" and the Stephenson Education Association,
7 hereinafter called the "Association".

8 **WITNESSETH**

9 **WHEREAS**, the Board and the Association recognize and declare that providing
10 a quality education for the children of the Stephenson Area Public School District is
11 their mutual aim and that the character of such education depends predominantly
12 upon the quality and ideals of the teaching service; and

13 **WHEREAS**, the members of the teaching profession are particularly qualified to
14 assist in formulating policies and programs designed to improve education standards;
15 and

16 **WHEREAS**, the Board has a statutory obligation, pursuant to Act 379 of the
17 Michigan Public Acts of 1965, to bargain with the Association as the representative of
18 its teaching personnel with respect to hours, wages, terms, and conditions of
19 employment; and

20 **WHEREAS**, the parties, following extended and deliberate professional
21 negotiations, have reached certain understandings which they desire to set forth in
22 writing and publicly declare.

23 In consideration of the following mutual covenants, it is hereby agreed as follows:
24

1 **ARTICLE I**

2 **Recognition**

3 A. The Board hereby recognizes the UPEA/MEA Association as the sole and
4 exclusive bargaining representative as defined in Section 11 of Act 379, Public Acts of
5 1965, for certified teaching personnel, employed or to be employed by the Board
6 (whether or not assigned to a public school building), but excluding per diem
7 substitutes, Community School employees, supervisory, executive personnel, office and
8 clerical employees, and all other employees. The term "Teacher" when used
9 hereinafter in this Agreement, shall refer to all employees represented by the
10 Association in the bargaining or negotiating unit as above defined, and references to
11 male teachers shall include female teachers.

12 B. The Board agrees not to negotiate with any teachers' organization other than
13 the Association for the duration of this Agreement. Nothing contained herein shall be
14 construed to prevent any individual teacher from presenting a grievance and having
15 the grievance adjusted without intervention of the Association, if the adjustment is not
16 inconsistent with the terms of this Agreement, provided that representative of the
17 Association has been given opportunity to be present at such adjustment.

18 C. Nothing contained herein shall be construed to deny or restrict to any teacher
19 the rights they may have under the Michigan General School Laws or applicable civil
20 service laws and regulations. The rights granted to teachers hereunder shall be
21 deemed to be in addition to those provided elsewhere.

22

23

24

1 **ARTICLE II**

2 **Teacher Rights**

3 A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that
4 every teacher employed by the Board shall have the right freely to organize, join and
5 support the Association for the purpose of engaging in collective bargaining or
6 negotiations with respect to hours, wages, terms and conditions of employment; and
7 that it will not discriminate against any teacher with respect to hours, wages or any
8 terms or conditions of employment by reason of their membership in the Association,
9 their participation in any activities of the Association or collective professional
10 negotiations with the Board, or their institution of any grievance, complaint or
11 proceeding under this Agreement or otherwise with respect to any terms or conditions
12 of employment.

13 B. The Association and its members shall have the right to use school building
14 facilities for meetings at a time mutually agreed upon by the Association and the
15 administration. No teacher shall be prevented from wearing insignia, pins or other
16 identification of membership in the Association either on or off school premises.
17 Bulletin boards and other established media of communication shall be made available
18 to the Association and its members in the teachers' workroom.

19 C. The Board agrees to furnish to the Association in response to written requests
20 available public information concerning the financial resources of the District,
21 tentative budgetary requirements and allocations, and such other information relevant
22 to collective bargaining, as long as such information or materials are not privileged or
23 prohibited from disclosure by law or non-employer regulation. The Association shall
24 reimburse the Board for reasonable expenses incurred in furnishing information or

1 making records available.

2 **ARTICLE III**

3 **Board of Education Rights**

4 The Board, on its own behalf and on behalf of the electors of the district, hereby
5 retains and reserves unto itself, without limitation, all powers, rights, authority, duties
6 and responsibilities conferred upon and vested in it by the laws and the constitution of
7 the State of Michigan and of the United States, including, but without limiting the
8 generality of the foregoing, the right:

- 9 1. To the executive management and administrative control of the school
10 system and its properties and facilities, and the professional activities of
11 its employees;
- 12 2. To hire all employees and subject to the provisions of law, to determine
13 their qualifications, and the conditions for their continued employment,
14 or their dismissal or demotion; and to promote, and transfer all such
15 employees;
- 16 3. To establish grades and courses of instruction, including special
17 programs, and to provide for athletic, recreational and social events for
18 students, all as deemed necessary or advisable by the Board;
- 19 4. To decide upon the means and methods of instruction, the selection of
20 textbooks and other teaching materials and the use of teaching aids of
21 every kind and nature;
- 22 5. To determine class schedules, the hours of instruction, and the duties,
23 responsibilities, and assignments of teachers and other employees with
24 respect thereto and nonteaching activities and the terms and conditions
25 of employment;
- 26 6. To exclude from tenure all extra compensation positions during the
27 school year, and all employment in summer programs.
- 28
29
30
31
32
33

34 The exercise of the foregoing powers, right, authority, duties and responsibilities
35 by the Board, the adoption of policies, rules, regulations and practices in furtherance
36 thereof and the use of judgment and discretion in connection therewith shall be limited

1 only to the extent such specific and express terms hereof are in conformance with the
2 Constitution and laws of the State of Michigan and the Constitution and laws of the
3 United States.

4 **ARTICLE IV**

5 **Professional Compensation**

6 A. The salaries of teachers covered by the Agreement are set forth in Schedule A
7 which is attached to and incorporated in this Agreement. Such salary schedule shall
8 remain in effect for the stated duration of this agreement.

9 B. The salary is based upon a normal weekly teaching load, as hereinafter
10 defined in Article V, Part A during normal teaching hours. In the event a teacher works
11 part time on a regular basis, he/she shall receive a prorated salary from the salary
12 schedule based on the amount of time he/she works. For extra work the teacher shall
13 be entitled to additional compensation, as defined in Schedule B.

14 C. All teacher salaries should be spread over twenty-one(21) or twenty-six(26)
15 pay periods at the bargaining unit member's option on a bi-weekly basis. The
16 bargaining unit member shall notify the district on the appropriate form during the
17 first week of school of the school year in which the change is to take effect. Once the 21
18 or 26 pay periods has been elected by the bargaining unit member he/she shall
19 continue with the option selected for the remainder of the year unless administrative
20 approval has been obtained to change it. Newly hired employees shall select the option
21 upon being hired.

22 D. A teacher engaged during the school day in contract negotiations on behalf of
23 the Association with any representative of the Board or participating in any
24 professional grievance, including arbitration, shall be released from regular duties

1 without loss of salary.

2 E. A teacher or teachers shall be released from regular duties without loss of
3 salary for the purpose of participating in area, regional, or state meetings of the
4 Michigan Education Association, not to exceed a total of ten(10) days for all certificated
5 personnel in any one school year. These days shall be used at the discretion of the SEA
6 President for the purposes intended upon three(3) days notification, except in case of
7 emergency. Use of these days shall be based on the availability of qualified substitutes.

8 A "qualified" substitute shall be defined as a substitute teacher on the school's
9 substitute list. Not more than three(3) days shall be taken consecutively by any one
10 person without the prior approval of the superintendent. The association shall
11 reimburse the employer for the cost of the substitute and the employee's retirement for
12 the days beyond ten (10).

13 F. The salary of teachers who are employed under a program which is wholly or
14 partially reimbursed by Federal or Special State Funds may be adjusted by the Board of
15 Education consistent with state practices.

16 G. Credit for graduate hours beyond the BA/BS or MA degrees and the earning
17 of a Master's degree shall be credited to the employee by salary schedule adjustment
18 beginning at the next semester following confirmation of the credit for graduate hours
19 beyond the BA/BS or MA degree or credit hours. Bargaining unit members attending
20 summer sessions shall be credited in the fall of that year if evidence of credit or an
21 advanced degree is presented during the first week of school.

22 H. The salary schedule pay is based on a school year as per state guidelines.

23 I. In determining the initial salary of a teacher, who begins his work in the
24 Stephenson Area Public Schools after teaching in other schools, full credit will be given

1 for the first five (5) years, year for year. A fraction of one-half or greater shall be
2 counted as a whole year of service.

3 J. Each year of military service following teacher certification will count as one
4 full year of teaching.

5 K. If, for any reason, an employee is to be docked a day's pay, the formula used
6 to compute the docked or lost wages shall be to divide the number of teacher
7 attendance days into the employee's listed base salary on the particular salary schedule
8 and step that person holds. In the event of deduction of pay or in hiring part-time
9 employees, a fraction of one-sixth (1/6) or divisions thereof shall be used to determine
10 employee hourly pay amounts in prorating pay for partial day employees from the
11 above formula for determining a day's pay amount. This clause in no way impairs the
12 employment practices of the Board.

13 L. Teachers who are working before or after regular school hours on curriculum
14 or other related projects are to be compensated at the current Drivers Education rate
15 (see Schedule B). Paid hours will be only those approved by a building level
16 administrator (Principal, not a Building Coordinator). Prior approval and proper
17 paperwork must be attained and completed for pay. Released time during the regular
18 teaching day, extended days as negotiated, inservice days, time compensated elsewhere
19 such as through the ISD or grant projects, department head responsibilities, Special Ed
20 IEPC's, or other similar times are not eligible for extra compensation.

21 **ARTICLE V**

22 **Teaching Hours**

24 System shall be as follows:

1. Teachers at assigned building no later than 7:45 a.m.
2. Teachers will commence working or be at their work stations by 8:10 a.m.
3. The school day shall end at 4:05 p.m., however, this time may vary by building to accommodate additional time added to the calendar. Elementary teachers may leave at the end of their teaching day provided students are adequately supervised by teachers during bus departure. For the purposes of this Agreement, three (3) teaching periods shall constitute one-half(1/2) day in the high school as fifty(50%) percent of the teacher's day shall be one-half(1/2) day in the elementary schools.
4. Faculty meetings may be held on the second Wednesday of each month from 4:00 p.m. to 4:45 p.m., if necessary. The administrator will distribute agendas to the teacher no later than two days in advance. Teachers may suggest items for the agenda. Teachers are expected to attend the meeting unless excused in advance by the administrator. A second staff meeting may be held. This second meeting could consist of a department meeting, grade level, building level, or full staff. Any one of these meetings called by the principal (not building coordinator) would be the second meeting for the entire staff. Example: A full staff meeting at the high school and an English staff meeting would constitute the two meetings for the high school. Elementary - full staff meeting and the third grade teachers would constitute two meetings. (Reminder: Meetings could be at 7:45 a.m. in the morning.)
5. Teachers may leave school on the day preceding a scheduled recess after the buses have departed.
6. When, in the judgment of the Superintendent of Schools, hazardous weather conditions prevent the opening of schools in the District, the school buildings will remain open for use by teachers who can reach them. Notice of closing will be given through radio stations listed in the "Emergency School Closing Administrative Procedures" updated annually and posted in each teacher's workroom. On such days teachers are requested to tune in to the local radio stations.

In the event school is closed under the authority of Section 101(3) of the State School Aid of 1984 prior to the start of school, and State Aid is lost for the day, bargaining unit members shall make up such days during remaining vacation days by mutual agreement with the Association or at the end of the school year. If school is called off after employees have reported for work but prior to noon, employees shall be paid a pro-rated amount based on their day's pay rate for the additional hours of work, determined from student dismissal time, if a full day must be made up at a later time. If the State law reverts to its former condition, in accordance with the past practice of the district, bargaining unit members need not report to school or for work on such days and shall

1 not suffer any diminution of pay for such inability to report.

2
3 7. Employees shall dress in a manner appropriate to their work station.

4
5 The Board recognizes the principle of a standard forty-hour work week and will, so
6 far as possible, set work schedules and make professional assignments which can
7 reasonably be completed within such standard work week. The Board will not require
8 teachers regularly to work in excess of such standard work week within or outside of
9 any school building.

10 B. Arrangement will be made to provide for a duty-free, uninterrupted lunch
11 period by making every effort to secure volunteer adults or assigning student
12 assistants.

13 C. Elementary teachers in grades kindergarten through five inclusive will be
14 provided two fifteen minute recess periods per day.

15 D. Elementary recess periods are to be assigned by the Building Coordinators.

16
17 **ARTICLE VI**

18 **Teaching Loads and Assignments**

19 A. The normal teaching load of all regular 6-12 secondary classroom teachers
20 consists of an assigned teaching assignment of six (6) class periods and one(1)
21 preparation period, consistent with the provisions of Article V, Section A. Should any
22 change be deemed appropriate by the Board, it will negotiate the change with the
23 Association. Commencing 2007-08, the normal teaching load of all regular 6-12
24 secondary classroom teachers consists of an assigned teaching assignment of six (6)
25 class periods and one (1) preparation period, consistent with the provisions of
26 ARTICLE V, Section A. Should any change be deemed appropriate by the Board, it will

1 negotiate the change with the Association. Each full-time secondary teacher shall be
2 entitled to a single preparation period each day. Such teachers working half-time or
3 more in levels six (6) to twelve (12) shall be entitled to prorated preparation time
4 according to the number of classes taught.

5 B. The normal teaching load of the regular K-5 classroom teachers will be based
6 on the teaching grade assignment.

7 C. Since pupils are entitled to be taught by teachers who are working within their
8 area of competence, teachers shall not be assigned, except temporarily and for good
9 cause, outside the scope of their teaching certificates or their major or minor field of
10 study. The Association agrees that bargaining unit members shall meet state and
11 federal standards for certification and qualifications.

12 D. The administration agrees to provide all teachers with tentative teaching
13 schedules/assignments on or before May 20 of each school year. A final schedule will
14 be sent to teachers on or before seven (7) days prior to the start of school of each school
15 year. The final schedule will not be changed except in cases of emergency. Individual
16 teachers may request a voluntary transfer any time prior to August 1; such teachers
17 must submit the request in writing to the appropriate administrator by August 1 of
18 each school year.

19 E. Employees requested to substitute for other bargaining unit members during
20 their daily preparation period can voluntarily agree to accept such duty to cover
21 another teacher's absence from class. In the event there is no volunteer available and it
22 becomes necessary for the appropriate building administrator to assign another
23 teacher to cover an absent teacher's class, he/she will be reimbursed at a rate of drivers
24 ed rate per class. Reimbursement for a fractional class period will be prorated based

1 on actual time spent in the classroom.

2 F. Bargaining unit members and administrators shall be mutually responsible
3 for creating and maintaining conditions conducive to learning and the maintenance of
4 discipline.

5 G. On the second Thursday of September, December, March, and May, at
6 4:15 p.m. in the district office, the Association Executive Committee and
7 administration, including the superintendent, will meet to address Master
8 agreement issues, current or anticipated. The superintendent of schools will
9 send a reminder e-mail one week ahead of time asking for agenda items to be
10 returned to him/her. On the Monday preceding the meeting day, the
11 superintendent will e-mail a copy of the agenda to each member of the Quarterly
12 Conference Team, or e-mail a cancellation notice if no items are received 48
13 hours before the start of the meeting. Minutes will go to Association members,
14 Administration and all Board members. The District is responsible for recording
15 and distribution of the approved minutes.

16 H. One teacher paid 1/6 their rate of pay, may agree to teach during their prep
17 period. This would be based on need as determined by the administration and
18 seniority, qualification and certification.

19 I. High school personnel who participate in the first or second lunch supervision
20 rotation are eligible for one (1) additional discretionary day. (See guidelines for
21 discretionary days.) The number of days staff would work per school year will vary
22 according to the number of staff who signs up for the rotation.

23
24
25

1 **ARTICLE VII**

2 **Teaching Conditions**

3 The parties recognize that the availability of optimum facilities for both student
4 and teacher is desirable to insure the high quality of education that is the goal of both
5 teacher and the Board. It is also acknowledged that the organization of the school and
6 the school day should be directed at insuring that the energy of the teacher is primarily
7 utilized to this end.

8 A. Because the pupil-teacher ratio is an important aspect of an effective
9 educational program, the parties agree that class size should be lowered wherever
10 possible.

11 B. Elementary schools, grades kindergarten through five inclusive should be as
12 follows wherever possible:

- 13 1. Kindergarten 22 pupils
- 14 2. Elementary school grades 27 pupils
- 15 3. Special education classes

16 The number of pupils shall be as
17 provided by the applicable guidelines
18 of the state of Michigan. The receiving
19 elementary classroom teacher will be
20 present at IEPC and have input.
21

22 C. In secondary grades, six through twelve inclusive, the ratio of pupils to
23 teachers and other professional staff members of the high school shall not exceed 27 to
24 1 wherever possible. The administration will try to achieve the best or manageable
25 balance possible in both elementary or secondary grades. Only a staff member's time
26 actually devoted to duties in the high school may be counted in determining the pupil-
27 teacher ratio.

1 D. The Board recognizes that appropriate texts, library reference facilities, maps
2 and globes, laboratory equipment, audio-visual equipment, questionnaires, and similar
3 materials are the tools of the teaching profession. The parties will confer from time to
4 time for the purpose of improving the selection and use of such education tools. The
5 Board agrees at all times to request teacher participation in the selection of
6 instructional equipment and teaching supplies.

7 E. If funds are available, elementary K-5 teachers will be relieved of bus duty and
8 responsibilities in the cafeteria. Such responsibilities may be assigned to teacher aides.
9 These responsibilities may include inventorying of supplies and equipment, collecting
10 money for milk and lunch, and similar nonprofessional responsibilities.

11 F. The Board shall make available in each school adequate lunchroom, rest
12 rooms and lavatory facilities exclusively for teacher use and at least one room,
13 appropriately furnished, which shall be reserved for the faculty.

14 G. Communications with parents, other schools, and organizations being
15 essential to a positive school, a private uninterrupted phone station for school business
16 only will be provided as designated for a teacher's use.

17 H. The Association is granted the privilege of installing appropriate vending
18 machines in the teacher's workroom, the proceeds to be used for the existing Teachers'
19 Fund.

20 I. Adequate parking facilities shall be made available to teachers. Designated
21 (marked to separate students from faculty) parking areas will be monitored by building
22 principal during the school day.

23 J. Notwithstanding their employment, teachers shall be entitled to full rights of
24 citizenship and no religious or political activities of any teacher or the lack thereof shall

1 be grounds for any discipline or discrimination with respect to the professional
2 employment of such teacher. The private and personal life of any teacher is not within
3 the appropriate concern or attention of the Board.

4 K. The provisions of this Agreement and the wages, hours, terms and conditions
5 of employment shall be applied without regard to race, creed, religion, color, national
6 origin, age, sex, handicap, or marital status or membership in or association with the
7 activities of any employee organization. The Board and the Association pledge
8 themselves to seek to extend the advantages of public education to every student
9 without regard to race, creed, religion, sex, handicap, color or national origin and to
10 seek to achieve full equality or educational opportunity to all pupils.

11 L. Each department in the secondary school will select one staff member to serve
12 as department chairperson(s) for the school year; selection to be made prior to the end
13 of the second week of the school year. The duties and responsibilities of the
14 department head will be determined by the Building Principal following input from the
15 teachers concerned, and will be submitted to each member of the department. In the
16 event a chairperson(s) is not selected, the Building Principal will appoint a
17 chairperson(s). If a bargaining unit member so appointed does not wish to be
18 appointed, he/she shall have the right to decline the appointment.

19 Chairperson(s) will be selected in nine(9) academic and support areas. The
20 makeup of each department will be mutually developed by the administration and the
21 SEA. The position of department chairperson will be a paid position and will be for a
22 one (1) year period only.

23 M. Weekly lesson plans will be provided to the Building Coordinator or Principal
24 by each teacher assigned to the building the last school day of the week for the next

1 school week. The plan book is to be provided by the district and submitted to the
2 Building Coordinator or Principal at the close of the school year.

3 N. The Board of Education shall provide substitute personnel in the event the
4 elementary music, gym, computer or art teacher is absent. These teachers will have a
5 "generic" lesson plan on file.

6 O. For the purposes of this Agreement, a communicable disease shall be as
7 defined by the Michigan State Health Department. In the event that a child with an
8 ongoing or chronic communicable disease is allowed by policy or law to attend school,
9 all employees potentially having contact with the student shall be notified, unless
10 compelled by law otherwise. The Board shall provide inservice instruction or training
11 in hygienic practices and management to employees coming into contact with such
12 students.

13 The Board agrees to indemnify bargaining unit members against any damages,
14 fines, legal fees, or other costs that may result as a consequence of following Board
15 policy and/or inservice instruction regarding management of students with
16 communicable diseases.

17 Any employee contracting a communicable disease shall have no fewer rights to
18 continued employment with the employer than the rights afforded to a student to
19 attend school. Such employees shall have the right to continue working as long as
20 his/her personal physician certifies that he/she is able to continue unless there is
21 contrary intervention by the Michigan Department of Health. The employer shall have
22 the right to request a second medical opinion at its own expense.

23 P. Elementary teachers will be responsible to provide one (1) evening program
24 during the school year.

1 **ARTICLE VIII**

2 **Vacancies and Promotion**

3 A. A vacancy shall be defined as any position, either newly created or a present
4 position, that is not filled, which the Board intends to fill. Whenever any vacancy in
5 any certificated professional position in the district shall occur, the Board shall
6 publicize the same by giving ten (10) days written notice of such vacancy to the
7 Association and to the Building Coordinator or Principal of Schools in each school
8 building. No vacancy shall be filled, except in case of emergency on a temporary basis,
9 until the Association has been notified.

10 B. Any teacher may apply for such vacancy. In filling such vacancy, the Board
11 agrees to give due weight to the professional background and attainments of all
12 applicants, the length of time each has been in school system of the District, and other
13 relevant factors. An applicant with less service in the system shall not be awarded such
14 position unless his qualifications therefore shall be substantially superior to applicants
15 with greater service. The Board declares its support of a policy of promotions to
16 supervisory and executive levels. "Service" in the system, for purposes of this
17 Agreement, shall mean continuous employment in a school of the District, irrespective
18 of tenure status, but shall exclude all periods when the teacher was on leave of absence.

19 C. Provision will be made for consultation between the Board of Education,
20 Administrators and Association on subjects relating to dismissal, transfer, demotion
21 and promotion of professional personnel. Final decision will remain with the Board of
22 Education.

23 D. With respect to any vacancy that becomes open during the school year, either
24 permanently or temporarily, the Administration shall have the right to fill that position

1 with a substitute teacher on a temporary basis until the end of that semester at which
2 time the position would be posted if it is a permanent vacancy.

3 **ARTICLE IX**

4 **Consolidation - Annexation**

5 In the event that this school district shall be combined by consolidation or
6 annexation with one or more districts, the Board of Education will use its best efforts
7 to assure the continued employment of the members in the new and reorganized
8 school district.

9

10 **ARTICLE X**

11 **Reduction in Personnel**

12 A. No later than thirty(30) days following ratification of this Agreement, and by
13 September 30th thereafter, the Employer shall prepare and post in every building of
14 the district a seniority list. Bargaining unit members shall be ranked on the seniority
15 list from most senior to least senior. If a bargaining unit member does not object to
16 his/her placement on the seniority list within thirty(30) days of the posting, that list
17 shall become final for the purpose of reduction in personnel for that school year.

18 B. Seniority shall be defined as length of service within the bargaining unit as of
19 the bargaining unit member's first day of hire and as recognized as a union member.
20 (Note" retro-pay does not equate retro seniority.) In circumstances of more than one
21 bargaining unit member signing an individual contract on same date of hire, all such
22 individuals so affected shall participate in a drawing, conducted by the Association at a
23 time and in a place available to bargaining unit members, to determine the affected
24 members' placement on the seniority list. The district shall be informed of the results

1 in writing following the drawing. Members returning from a leave or layoff in which
2 seniority does not accrue shall be placed at the bottom of the list of members for their
3 respective position (number of accumulated years) on the list if more than one person
4 is listed in order for that particular position. Part-time bargaining unit members shall
5 accumulate seniority on a prorated basis, based on the actual number of paid
6 equivalent days worked.

7 Seniority shall be lost permanently if a bargaining unit member resigns, retires, is
8 discharged for just cause, fails to return from an authorized leave of absence, is a
9 probationary teacher whose contract is not renewed, or fails to respond to recall to a
10 position for which they are certified and qualified or is permanently and verifiably
11 disabled and will not be able to return to work.

12 If a bargaining unit member becomes disabled, he/she shall continue to accrue
13 seniority for not more than one (1) year or up until the time the disability is certified
14 permanent, whichever is shorter, and if the disabled member returns to work at some
15 future date, he/she will be reinstated with the level of seniority held prior to its
16 discontinuance.

17 C. Seniority shall continue to accumulate for any bargaining unit member on
18 paid leave of absence, paid maternity leave, or sick leave. Individuals on military and
19 unpaid leaves of absence shall not accrue seniority during such leave and the
20 bargaining unit member shall be placed on the seniority list upon his/her return to
21 employment in the same manner as those returning from layoff.

22 Administrators shall not accrue seniority in the bargaining unit but shall be
23 entitled to reinstatement of seniority held prior to becoming an administrator if the
24 administrator is returned to active membership in the bargaining unit, provided

1 his/her employment in the district has been continuous.

2 D. In the event of a general cutback or reduction of teachers through layoff from
3 employment, the following will be utilized by the Board or its designee. If there is no
4 mutual agreement following discussion as stipulated in Section E below, all bumping
5 within the bargaining unit shall take place within fifteen (15) calendar days of Board
6 action.

- 7 1. Teachers holding permits in the specific positions being reduced or
8 eliminated will be laid off first, provided there are fully certificated
9 teachers to replace and perform all of the duties of the laid-off teachers.
10
11 2. If reduction is still necessary, then probationary teachers in the specific
12 positions being reduced or eliminated will be laid off, provided there are
13 fully qualified, fully certificated teachers to replace and perform all of the
14 duties of the laid-off teachers.
15
16 3. If reduction is still necessary, the teachers in the specific position being
17 reduced or eliminated will be laid off in accordance with the following
18 factors:

19
20 Seniority, certification, and qualifications shall be used to determine any
21 layoff. All three factors shall be given equal weight, and the teacher who
22 has the lowest ranking will be first laid off. If two or more teachers have
23 an equal ranking, the teacher with the least seniority shall be first laid off.
24 If a position is eliminated, the surplus employee shall be allowed to
25 bump a person of lesser seniority in the bargaining unit, provided he/she
26 is certified and qualified to fill the position of the employee being
27 bumped. Such bumping shall occur by the effective date of the layoff.

28 "Qualifications" shall be defined to include only the following:

- 29
30
31 a. Advanced credit hours beyond minimum certification requirements.
32
33 b. Number of years of K-12 public education teaching experience out of
34 the District.
35
36 c. Educationally related workshops and/or professional training in
37 areas related to bargaining unit member's employment.
38
39 d. Past performance as revealed through formal evaluations.
40

41 Except in the event of an emergency, bargaining unit members shall be given at

1 least thirty (30) days advance written notice of layoff prior to the effective date of the
2 layoff. An emergency for the purposes of this Article shall be defined as an event or
3 occurrence which results in extensive physical damage to school property; (i.e., fire,
4 plumbing breaks, vandalism) which are of such a nature that they could not have been
5 anticipated in advance. Financial emergencies for the purposes of this Article shall be
6 defined as the loss of two and five-tenths (2.5%) percent or more of the K-12 students
7 as verified by the Official Count Days or most recent count for that year; or if the base
8 grant is frozen at the previous year rate or is reduced from the previous year rate; or if
9 a millage fails after the start of the school year.

10 Any tenured employee on layoff shall be entitled to recall for up to three (3) years,
11 any non-tenured employee on layoff shall be entitled to recall for up to the length of
12 his/her seniority not to exceed 2 years and be reinstated to the seniority level held by
13 the bargaining unit member prior to such layoff upon his/her return to employment.

14 This will not affect employees laid off prior to July 1, 2007. The Board shall recall
15 employees in the reverse order of layoff to any position for which bargaining unit
16 member is certified and qualified. Such bargaining unit member shall be notified of
17 recall by certified letter to the bargaining unit member's last known address of record.

18 The bargaining unit member shall have ten(10) days from receipt of such certified
19 letter to notify the district superintendent of acceptance or rejection of such position.

20 Rejection of a position shall not restrict the bargaining unit member's right to recall or
21 retention of seniority rights provided the position rejected was not a full time position
22 or equivalent in time to the position previously occupied by the bargaining unit
23 member.

24 E. Before official action on a reduction of teachers is taken by the Board of

1 Education, it will give written notice to the Association President by certified mail
2 return receipt requested of the contemplated reduction and afford the Association
3 opportunity to discuss it with the employer. Such notification shall be given to the
4 Association President at least ten (10) calendar days prior to any official Board action.
5 As soon as the names of the teachers to be laid off are known, a list of such names shall
6 be given to the Association. Such notification shall be given to the Association
7 President at least 10 calendar days prior to any official Board action.

8 F. In the event the Association questions the decision of the employer as to
9 specific teachers involved in layoff, bumping or in the filling of vacant positions, the
10 Association shall put such concerns in writing to the Superintendent. The employer,
11 following receipt of the Association request, will set forth in writing to the Association
12 President its reason for its action. It is understood, however, that the Association's
13 request for this information is reasonable, timely, and intended in good faith.

14 G. If the employer fails or refuses to comply with Section E and F above, or if the
15 reasons assigned clearly demonstrate that the employer acted arbitrarily or
16 capriciously, the Association has the right to utilize the grievance and arbitration
17 procedure to seek relief. If the employer does comply with Section E & F, the
18 Association cannot utilize the grievance and arbitration procedure.

19 H. Those teachers on leave of absence shall notify the superintendent's office by
20 April 15 of the current school year of his intent to return to the Stephenson School
21 District the following year or his leave shall be terminated. It is the teacher's
22 responsibility to keep his address with the Personnel Office current.

23 1. Other Conditions

24 a. Leaves of absence without pay will be automatically granted to any
25 and all personnel affected by a reduction in staff. These leaves of

1 absence shall not prohibit the teachers from seeking and accepting
2 gainful employment elsewhere and shall not be terminated for that
3 reason except on written request of the teacher.

4
5 b. During said leave of absence the teacher shall receive no insurance
6 benefits at Board expense, but may elect to continue insurance
7 benefits by paying the premiums directly to the carrier. This section
8 is contingent upon approval by the insurance carrier.

9
10 c. During said leave of absence such teacher's seniority shall remain
11 unbroken despite such leave, but shall not accumulate. His
12 accumulated sick leave shall not be canceled, but shall remain
13 credited to him.

14
15 d. Any teacher who would have qualified for retirement during the
16 reduction year, shall be permitted to teach that year so as to acquire
17 needed service.

18
19 e. The leave of absence for the purpose of staff reduction shall not
20 result in loss of status or credit for previous years of service. Upon
21 return to the district he shall assume the position on the salary
22 schedule previously held with no credit allowed for the leave of
23 absence period.

24
25 **ARTICLE XI**

26 **Transfers**

27 A. The parties agree that unrequested transfers of teachers are to be minimized
28 and avoided whenever possible.

29 B. Requests to transfer to vacancies occurring in the system may be made when:

30 1. The application is made in writing

31
32 2. The person requesting the transfer is fully qualified for the position.

33
34 3. The transfer is for the good of the system as well as the individual.

35
36 C. Any teacher who shall be transferred to a supervisory or administrative
37 position and shall later return to a teacher status shall be entitled to retain such rights
38 as he may have had under this Agreement prior to such transfer to supervisory or
39 executive status.

1 allotted shall not exceed the total number of days in the bank. The bank
2 may not be used for maternity leave. The Sick Bank Committee may
3 grant or deny leave days requests from the bank. Its judgment and/or
4 decision will be final. Written approval from the Association by the Sick
5 Bank must be provided to the payroll office before compensation will be
6 made. It is the purpose of the sick leave bank to assist members until
7 L.T.D. begins.
8

- 9
- 10 4. The bank would be limited to a number of days equal to the number of
11 teachers in the school system within the given school year unless there
12 has been a reduction in staff. New hires will be allowed to contribute
13 their day regardless of the number of days in the bank.
- 14 5. When any teacher is making use of the days allotted to him/her by the
15 Association from the bank, he/she will receive his regular teaching salary,
16 and the Board will pay the substitute's salary up to the time when the
17 total number of days allotted to the teacher by the Association from the
18 bank has expired.
19
- 20 6. If the total number of days is not used in a given school year, the total
21 number of days not used shall be carried forward to the next school year.
22 At such time, teachers can again voluntarily contribute one sick leave day
23 to bring the total number of days in the bank up to the maximum allowed
24 (which is defined above to be a number of teachers in the system within
25 the school year).
26
- 27
- 28 7. The Board shall in no way be responsible for the allocation of days from
29 the bank to teachers or indicating the teachers who should donate days to
30 the sick leave bank. Such matters shall be the sole and separate
31 responsibility of the Association. No grievance shall be filed by the
32 Association or any teacher on any matters which are specifically made the
33 responsibility of the Association and not the Board in this paragraph.
34 The Association agrees to indemnify and hold harmless the Board for
35 damages incurred by the Board with respect to the matters made solely
36 the responsibility of the Association and not the Board in this paragraph.
37

38 C. Any teacher who is absent because of an injury or disease compensable under
39 the Michigan Workers' Disability Compensation Law, shall receive from the Board the
40 difference between the workers' compensation benefits and his regular pay for the
41 number of days he is absent from his teaching duties up to the limit of his accumulative
42 leave in the sick bank with subtraction of sick leave.

1 D. The Board reserves the right to request a statement from physician in case of
2 chronic, intermittent absences or mass absences or upon evidence of abuse. If a
3 statement from a physician is requested, any expense of such statement shall be borne
4 by the Board of Education.

5 E. Procedure for notification of absence because of illness

- 6 1. Please notify the Office of the Superintendent of Schools or his
7 representative no later than one hour prior to the start of the teacher's
8 assigned arrival time, if you plan to be absent for the day because of
9 personal illness.
10
11 2. The teacher's class list must be available to the substitute teacher.
12
13 3. Assignments and lesson plans will be provided for the substitute teacher.
14 In cases of sudden illness, these plans must be given verbally to the office
15 secretary. If no plans are provided and no real emergency exists, sick
16 leave will not be authorized.
17
18 4. A teacher will not be charged for sick day(s) or personal leave or
19 discretionary leave applied for in the event school is canceled on those
20 days.

21
22 **ARTICLE XIII**

23 **Leave of Absence**

24 A. Any teacher whose personal illness extends beyond the period compensated
25 under Article XII shall be granted a leave of absence without pay for such time as is
26 necessary to complete recovery from such illness up to eighteen months that run
27 concurrently with L.T.D. Charges for the use of such days shall be at the minimum
28 rate of one-half(1/2) day per time used. Upon return from leave, a teacher shall be
29 assigned to the same position, if available, or a substantially equivalent position. Such
30 leave of absence must be requested by the teacher in writing upon use of accumulated
31 sick leave. The intention to return to a teaching position during the next school year
32 shall be made in writing prior to April 15.

12
- 13 3. Attendance at a ceremony awarding degree to a staff member for such
14 portion of the day as is necessary.
15
- 16 4. One day, except when travel requires additional time, for attendance at
17 the school graduation of a son, daughter, husband or wife.
18
- 19 5. Time necessary for attendance at the funeral of person whose
20 relationship to the teacher warrants such attendance. Leave to be
21 approved by the Building Coordinator or Principal of the school.
22
- 23 6. Death in the immediate family shall have a limitation of three days for
24 each bereavement. Bereavement days do not have to be consecutive if a
25 spring burial is necessary. Additional time may be granted by the
26 Superintendent for extenuating circumstances. Immediate family shall
27 refer to husband, the wife, or the child and the mother, father, brother,
28 brother-in-law or the sister, sister-in-law, grandfather and grandmother
29 of the employee or of the spouse. Not more than one day of Sick Leave
30 shall be granted by the Board of Education for the death of an uncle or

36 those described in this Master Agreement, shall be granted at the discretion of the
37 district.

- 8 proof is furnished of the pending examination.
- 9

10 D. A teacher shall be entitled to three(3) days of personal leave per year to be

11 used at the employee's discretion. Two(2) additional personal leave days shall be

12 granted when the employee accumulates 125 sick days. Any personal

13 leave/discretionary days not used in the current school year will be allowed to

14 accumulate as sick day(s) at the start of the new school year. Total accumulation of

15 sick days is not to exceed 125 days.

16

- 17 (1) Those desiring to use such leave shall submit their request on a form
- 18 provided by the Board at least five(5) days in advance of the
- 19 anticipated absence, except in cases of emergency. In such case, the
- 20 employee shall apply as soon as possible. The form shall be filed
- 21 with the appropriate administrator or building coordinator.
- 22
- 23 (2) Charges for the use of such days shall be at the minimum rate of one-
- 24 half(1/2) day per time used.
- 25
- 26 (3) These days shall not be used on the first or last day of school, or to
- 27 extend holidays or vacations, or on Parent-Teacher Conference days,
- 28 or Professional development/in-service days, unless under
- 29 extenuating circumstances, to be determined individually in advance
- 30 by the Superintendent of Schools. Use of these days shall be based
- 31 on the availability of qualified substitutes. A "qualified" substitute
- 32 shall be defined as a substitute teacher on the school's substitute list.
- 33
- 34 (4) Days of discretion may be used during hunting season provided no
- 35 more than ten(10) percent of the staff use the leave on any one day
- 36 and provided that qualified substitutes are available. If more than
- 37 ten(10) percent of the staff apply for a day of discretion during
- 38 hunting season for any one day, a drawing shall be held by the
- 39 Association. Exceptions to the ten(10%) percent limit may be
- 40 considered.
- 41

25 Details regarding when the teacher should cease employment, or return to
26 employment will be determined by the circumstances in each case and determined by
27 the administration and the employee with the advice and assistance of a physician.
28 This leave shall not result in a break in continuous service in the district (seniority) for
29 leaves not exceeding one semester. In case of a leave exceeding one semester, the
30 teacher shall retain the seniority she had at the date of the commencement of the leave
31 of absence.

32 In lieu of this provision a teacher may elect to utilize the sick leave provisions of
33 Article XII.

1 In the event the adopting agency requires a period of child care as a part of the
2 adoption procedure, the employer will grant an unpaid leave of absence for the period
3 of time required by the adopting agency.

4 H. (Sabbatical Leave) No specific provisions are made for the sabbatical leave of
5 the regular employees. Each case will be considered and judged on its own merits.

6 I. When a regular employee qualifies for retirement, is laid off, or severs
7 employment after 20 years of service, the Board of Education shall pay to the employee
8 the amount equivalent up to 1/2 the current substitute teacher rate per day for an
9 amount equivalent to accumulated sick leave days not used. Any employee who starts
10 their last year of employment with the maximum number of accumulated sick leave
11 days, shall be awarded the full ten(10) days at the end of his or her retirement year.

12 J. (Professional Leave) School employees who are elected or appointed as
13 delegates, committeeperson, or officers of professional and educational organizations

15 loss of pay to attend the professional meetings. Each request shall be judged on its
16 own merits.

17 K. Dental work scheduled during the teaching day will not be considered under
18 sick leave unless a signed statement by the dentist is presented to the office prior to
19 taking leave from work indicating it is impossible for the dentist to make appointments
20 at times other than the teaching day. This restriction applies only to normal checkups
21 and cleaning, and shall not apply to those occurrences when the employee is in pain or
22 need of dental work.

23 L. Medical checkups scheduled during the teaching day will not be accepted for
24 sick leave. Beyond 75 miles will be accepted if a statement is provided by the family

1 physician that the checkup is necessary immediately and cannot be arranged at recess
2 periods during the school year including Thanksgiving, Christmas, Easter, and
3 summer. This restriction applies only to regular physical checkups and not to
4 diagnostic checkups or when the employee is ill or injured, or is being fit into the
5 physician's schedule for necessary medical diagnosis.

6 M. All payments will be withheld in the respective school office until the report of
7 absence form is completed and returned to the building secretary.

8 N. Leave of absence will be granted as per FMLA. Information about FMLA
9 may be found at <http://www.dol.gov/esa/regs/statutes/whd/fmla.htm#content>

10 **ARTICLE XIV**

11 **Teacher Evaluation**

12 A. All monitoring or observation of the work performance of a teacher shall be
13 conducted openly and with full knowledge of the teacher. The use of eavesdropping,
14 closed circuit television, public address, computer or audio system, and similar
15 surveillance devices shall be strictly prohibited unless mutually agreed upon by the
16 teacher and administration. The appropriate administrator will notify the local
17 Association President of each occurrence.

18 B. No teacher shall be disciplined, reprimanded, reduced in rank or
19 compensation or deprived of any professional advantage without just cause. This
20 section shall not apply to a decision by the Board of Education concerning the non-
21 renewal of a probationary teacher's contract, the same being within the discretion of
22 the Board of Education as provided by law.

23 C. Evaluation - To Improve Services

24 1. The administration shall be responsible for written evaluations of all

2. Teachers may be evaluated in writing once each semester, unless specific recommendations for improvement have been indicated and discussed with the teacher, in which case further evaluations may be conducted. The teacher shall have the right to request a different administrator perform the subsequent evaluations without the right of selection. This provision shall not restrict the administration in observing the teacher in the classroom or in the number of observations.
3. The teacher shall be notified no later than the morning of the formal evaluation. Prior to a formal evaluation the administrator shall meet with the bargaining unit member at a reasonable time for a pre-evaluation conference for the purpose of discussing the methods and materials the teacher will be using during the evaluation period. Following the evaluation a post evaluation conference shall be held prior to completion of a formal written evaluation to discuss the teacher's performance. This paragraph is in no way meant to discourage or limit administrators from observing teachers or stopping in at their classrooms.
4. The teacher shall be provided with a copy of a formal evaluation report.
5. Any teacher receiving substandard evaluations that may lead to dismissal, shall be provided with definite, positive assistance to rectify professional difficulties. The teacher shall be provided a reasonable time to effect the recommendations for improvement, except this section shall not apply to probationary teachers who are being evaluated pursuant to the Michigan Teachers/Tenure Act concerning renewal or non-renewal of their employment.
6. Should an employee feel that he has been misjudged in his/her final evaluation, he/she may present his/her case in writing and/or in person to the Superintendent, and the written response of the teacher shall be placed in the teacher's personnel file.

ARTICLE XV

Protection of Teachers

40 A. Since the teacher's authority and effectiveness in his/her classroom is
41 undermined when students discover that there is insufficient administrative backing
42 and support of the teacher, the Board and the administration recognizes its
43 responsibility to give all reasonable support and assistance to teachers with respect to

1 the maintenance of control and discipline in the classroom. The Board further
2 recognizes that the teacher may not fairly be expected to assume the role of warden or
3 custodian for emotionally disturbed students nor to be charged with responsibility for
4 psychotherapy. Whenever it appears that a particular pupil requires the attention of
5 special counselor, social workers, law enforcement personnel, physicians or other
6 professional persons, the Board will take reasonable steps to aid the teacher with
7 respect to such pupils.

8 Teacher(s) will make reasonable efforts to work with special counselors, social
9 workers, law enforcement personnel, physicians, or other professional persons in
10 regards to students who have special diagnosed problems. Bargaining unit members
11 and administrators shall be mutually responsible for creating and maintaining
12 conditions conducive to learning and the maintenance of discipline.

13 B. Any case of assault upon a teacher shall be promptly reported to the Board
14 through its designated representative. The Board will render all reasonable assistance
15 to the teacher in connection with handling of the incident by law enforcement and
16 judicial authorities.

17 C. If any teacher has a formal, legal complaint lodged against him/her, or is sued
18 by reason of disciplinary action taken by the teacher against a student, the Board will
19 render all reasonable assistance to the teacher in his defense, providing the actions
20 taken by the teacher were in compliance with P.A. 451 of 1989.

21 D. Time lost by a teacher in connection with any incident mentioned in this
22 Article shall not be charged against the teacher providing the teacher has been found
23 innocent of all charges.

24 E. Teachers shall be expected to exercise reasonable care with respect to the

1 safety of pupils and property.

2 F. The building level coordinator/principal will provide teachers access to a
3 confidential list/file of students with diagnosed health and emotional problems. This
4 list/file shall be updated by both the administrator/coordinator and bargaining unit
5 members who become informed of such problems with permission of the student's
6 parent/guardian.

7 **ARTICLE XVI**

8 **Negotiation Procedures**

9 A. The parties intend this Master Agreement to cover any and all problems and
10 questions arising between them. It shall specifically be unnecessary for any party to
11 negotiate or bargain upon any area covered or not covered by the terms of this
12 Agreement. In all such instances, no new area shall be bargained or negotiated upon,
13 until this Agreement shall have been lawfully terminated or has expired, or until there
14 shall be mutual written agreement by and between the parties.

15 B. In the event the salary schedule is reopened for negotiations by either party,
16 as provided in Article II of this Agreement, the parties will promptly negotiate for the
17 purpose of reaching an agreement covering wages, hours, terms, and conditions of
18 employment of teachers employed by the Board.

19 C. The Board, through its authorized representative, may employ teachers to fill
20 vacancies for the subsequent school year under the provisions of the Master Agreement
21 in force. However, teachers so hired will be subject to the Master Agreement approved
22 subsequent to the date of employment.

23 D. In any negotiations described in this Article, each party shall have control
24 over the selection of its negotiation or bargaining representatives from within or

1 outside the school district. It is recognized that no final agreement between the parties
2 may be executed without ratification by a majority of the Board of Education and by a
3 majority of the membership of the Association, but the parties mutually pledged that
4 representatives selected by each shall be clothed with all necessary power and authority
5 to make proposals, consider proposals, and make concessions in the course of
6 negotiations or bargaining, subject only to such ultimate ratification.

7 E. If the parties fail to reach an agreement in such negotiations, either party may
8 invoke the mediation machinery of the Michigan Employment Relations Commission
9 (MERC) or take any other lawful measure it may deem necessary.

10 F. Letters of intent to negotiate shall be delivered not later than March 1 of the
11 calendar year in which this agreement expires.

12 **ARTICLE XVII**

13 **Grievance Procedure**

14 **A. Definitions**

- 15 1. A grievance is a claim based upon an event or condition or circumstance
16 under which a teacher works caused by misinterpretation or inequitable
17 application or alleged violation of the specific terms and conditions of
18 this agreement. The district agrees that this is the sole agreement
19 between the parties and that management and board policy shall comply
20 with the intent of Public Law 379 of Public Act 1965 amended.
21
- 22 2. A "party of interest" is the person or persons making the claim and any
23 person or persons who might be required to take action or against whom
24 action might be taken in order to resolve the problem.
25
- 26 3. The term "days" when used in this section shall, except where otherwise
27 indicated, mean days in which school is in session for teachers.
28

29 **B. Purpose**

30 The primary purpose of the procedure set forth in the Section is to secure, at
31 the lowest level possible, equitable solution to the problems of the parties. Both parties

1 agree that these proceedings shall be kept as confidential as may be appropriate at any
2 level of such procedure. Nothing contained herein shall be construed as limiting the
3 right of any teacher having a grievance to discuss the matter informally with any
4 appropriate member of the administration.

5 C. When a cause for grievance occurs, the affected bargaining unit member(s)
6 and/or the Association shall file a grievance in an attempt to resolve the problem.

7 Association representatives shall be appointed and/or elected according to
8 Association policy. The Board hereby designates the principal or immediate supervisor
9 (elementary supervisor) to act as its representative at Level One as hereinafter
10 described and the superintendent or his designated representative to act at Level Two
11 or during expedited grievances as hereinafter described.

- 12 1. Termination of or failure to re-employ a probationary teacher shall not be
13 a subject of the grievance procedure; and neither shall
- 14 2. The placing of a non-tenure teacher on a third year of probation.
- 15 3. The termination of services or failure to re-employ any teacher to a
16 position on the extracurricular schedule.
- 17
- 18
- 19

20 D. Written grievances as required herein shall contain the following:

- 21 1. It shall be signed by the grievant(s) or at least one Association member.
- 22
- 23 2. It shall contain a synopsis of the facts giving rise to the alleged violation.
- 24
- 25 3. It shall cite the Article or subsections of the contract alleged to have been
26 violated.
- 27
- 28 4. It shall contain the date of the alleged violation.
- 29
- 30 5. It shall specify the relief requested.
- 31
- 32
- 33
- 34
- 35

1 **LEVEL ONE**

2 Within fifteen (15) days of the alleged violation or when the alleged violation
3 should reasonably have been discovered, the individual member(s) and/or the
4 Association shall first meet with the immediate supervisor concerned and informally
5 discuss the problem. A record of the subject of the discussion shall be made and signed
6 and dated by the administrator, the grievant and/or the Association. Within five(5)
7 days of the oral discussion, the administrator shall give his verbal answer to the
8 employee and/or the Association. If the employee/Association is not satisfied with the
9 answer of the administrator, the grievance shall be formally reduced to writing and
10 advanced to the next level.

11 **LEVEL TWO**

12 If the complaint is not resolved in the conference between the affected bargaining
13 unit member(s) and/or the Association and the administration, a formalized grievance
14 shall be advanced and submitted in writing to the Superintendent at Level Two within
15 ten (10) days from the initial discussion. If a grievance affects more than one member
16 or is filed by the Association in defense of the contract rather than a specific
17 individual(s), the grievance may be expedited and begin in writing at the
18 Superintendent's level rather than with the immediate supervisor's level without there
19 being any claim of technical failure to follow the grievance procedure by either party.

20 The Superintendent shall answer in writing within ten (10) days of receipt of
21 grievance. The written answer shall specifically state whether or not the
22 Superintendent sustains or denies the grievance and the grounds for that answer and it
23 shall be signed and dated, a copy to be transmitted to the grievant, the Association
24 Secretary, the immediate supervisor concerned, and a copy to be placed in a permanent

1 grievance file in this office. Within five (5) days of receipt of the Superintendent's
2 denial, the Association and/or grievant shall advance the grievance to Level Three.

3 **LEVEL THREE**

4 If the bargaining unit member(s) and/or the Association is/are not satisfied with
5 the resolution of the grievance at Level Two, the Association may elect to proceed to
6 binding arbitration except that any claim or complaint for which there is another
7 remedial procedure established by law shall not be subject to arbitration. If the
8 Association advances the grievance to binding arbitration before an impartial
9 arbitrator, it shall mail a copy of the Demand for Arbitration within twenty (20) days
10 following receipt of the written denial of the Superintendent to the Superintendent's
11 office. The arbitrator shall be selected by the American Arbitration Association in
12 accord with its rules which shall likewise govern the arbitration proceeding. Both
13 parties agree to be bound by the award of the arbitrator and the fees and expenses of
14 the arbitrator shall be shared equally by the Association and the Board.

15 The powers of the arbitrator shall be subject to the following:

- 16 1. He shall have no power to alter, add to, subtract from, disregard, or
17 modify the specific terms of this Agreement.
- 18 2. More than one grievance may not be considered by the arbitrator at the
19 same time except upon express written mutual consent of the parties.
- 20 3. Where no financial loss has been caused by the action of the Board, the
21 Board shall be under no obligation to make monetary adjustments and
22 the arbitrator shall have no power to order one.

23 E. Right to Representation

24 Any party in interest may be represented at all meetings and hearings at all
25 steps and stages of the grievance procedure by another teacher or another person.
26 Provided, however: That any teacher may in no event be represented by an officer,
27

1 agent, or other representative of any teacher organization other than the Association.
2 Provided, further: When a teacher is not represented by the Association, the
3 Association shall have the right to be present and to state its views at all stages of
4 grievance processing.

5
6 F. Miscellaneous

- 7 1. During the pendency of any proceedings and until final determination
8 has been reached, all proceedings shall be private and preliminary
9 dispositions will not be made public without the agreements of all parties
10 or as required by law.
11
12 2. There shall be no reprisals of any kind by administrative personnel taken
13 against any party in interest of his Association Representative, any
14 member of the Grievance Committee, Appeal Committee, or Ad Hoc
15 Committee, or any other participants in the procedure set forth herein by
16 reason of such participation.
17
18 3. All documents, communications and records dealing with the processing
19 of a grievance shall be filed separately from the personnel files of the
20 participants.
21
22 4. Timelines as to filing and to advance or respond to a grievance within this
23 procedure shall be strictly adhered to by all parties unless mutual written
24 agreement to extend a timeline has been reached and signed by the
25 parties involved.
26
27 5. Any grievance arising hereunder shall be processed until resolution. In
28 the event this Agreement shall have expired, the parties agree that this
29 procedure shall continue in full force and effect during the negotiations
30 of a successor agreement and that all grievances shall be processed by
31 this procedure until a successor agreement has been ratified and signed
32 by the parties at which time the terms of the new contract shall take
33 effect and a new procedure, if any, shall be used.
34
35 6. Any agreement reached between the Association and the employer is
36 binding on all individuals concerned and cannot be changed by any
37 individual.
38
39 7. All preparation, filing, presentation, or consideration of a grievance shall
40 be held at times other than when an employee or participating
41 Association representative are to be at their assigned duty stations unless
42 mutual consent has been obtained beforehand.
43

1 **ARTICLE XVIII**

5 each case shall be individually decided at the Board's discretion.

11 parents at a time that is mutually agreeable to all parties. These meetings will take

11 made available to all teachers now employed or hereafter employed by the Board.

19 binding on all individuals and cannot be changed by any individual. All such
20 agreements shall be in writing and signed by the appropriate parties.

1 **ARTICLE XXIV**

2 **Strike Prohibition**

3 The Association recognizes that strikes (as defined by Section 1 of Public Act 336 of the
4 P.A. of 1947, as amended, of Michigan) by teachers are contrary to law and public policy.
5 The Board and the Association subscribe to the principle that differences shall be resolved
6 by appropriate and peaceful means, in keeping with the high standards of the profession,
7 without interruption of school program. Accordingly, the Association agrees that during
8 the term of this Agreement it shall not direct, instigate, participate in, encourage, or
9 support and strike against the Board by any teacher or group of teachers. In the event a
10 teacher, during the term of this Agreement, individually participates in a strike as presently

18 If any provision of this Agreement or any application of the Agreement to any teacher

21 provisions hereof shall continue in full force and effect.

22 **ARTICLE XXVI**

23 **Duration of Agreement**

24 This Agreement shall be effective as of July 1, 2007, and shall continue in effect until

1 until June 30, 2010.

2 **ARTICLE XXVII**

3 **Academic and Professional Responsibility**

4 Since teachers are working with students who have not reached full maturity, they are
5 expected to consider carefully their words, deeds, actions, and personal image in all
6 classroom and supplementary duty situations.

7 It is the responsibility of the teacher to insure fair presentations of facts, philosophies
8 and ideologies for consideration. Freedom of individual conscience, association and
9 expression will be encouraged and fairness in procedure will be observed to safeguard the
10 legitimate interests of the school and community.

11 Patriotism in its highest form requires dedication to the principles of our democratic
12 heritage. Professional ethics require sharing the responsibility for the development of
13 sound policy with all other citizens. As educators we are particularly accountable for
14 participating in the development of education programs and policies, and for interpreting
15 them to the public.

16 The professional staff is committed to the Code of Ethics of the educational profession
17 as adopted by the Michigan Education Association and the National Education Association.

18 The Association agrees to establish a professionalism committee to work with the
19 Board of Education in the areas listed:

20
21 A. The implementation of Article XII and XIII with specific reference to requests not
22 specifically covered by the Master Agreement. The final decision in all cases, however, to
