1.0 PURPOSE AND INTENT

- 1.1 The general purpose of this Agreement is to set forth provisions and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the Employees, and the Union.
- 1.2 The parties recognize that the interest of the community and the job security of the Employees depend upon the Employer's success in establishing a proper service to the community.
- 1.3 To these ends the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all Employees.

2.0 COLLECTIVE BARGAINING DEFINED

- 2.1 To bargain collectively is the performance of the mutual obligation of the Employer through its designated representative(s) and the representative(s) of the Employee Union to meet at reasonable times and confer in good faith in respect to wages, hours, and other conditions of employment (including but not limited to grievance procedures, holiday and vacation pay, sick leave, jury duty, pensions, insurance coverage of various kinds, and seniority in layoffs) and the execution of a written agreement incorporating the results of such bargaining.

3.0 RIGHT TO ORGANIZE

- 3.1 Pursuant to and in accordance with all applicable provisions of Act 336 of the

Public Acts of 1947 and as last amended by Act 379 of the Public Acts of 1965, for the State of Michigan, Employees of the City of Grosse Pointe Woods shall have the right of self-organization, to join a union, and to bargain collectively through representatives of their own choosing on questions of wages, hours, and other conditions of employment.

4.0 RECOGNITION - EMPLOYEES COVERED

- 4.1 The Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment; and for the term of this Agreement, the Employees included in the bargaining unit shall be as follows:
- 4.2 All City Employees, excluding any and all elected or appointed officials, Directors, Assistant Directors, Superintendents, Assistant Superintendents, Administrative Assistants, Public Safety Officers, Confidential and part time, temporary or seasonal Employees as reflected in Case #R72 E-207, June 19, 1972.
- 4.3 The Provisions of this Agreement shall apply to the relationship between the Employer, the Employees of said bargaining unit, and said Union.

5.0 UNION SECURITY

- 5.1 Employees covered by this Agreement at the time it becomes effective and who are members of the Union at that time shall be required as a condition of continued employment to continue membership in the Union for the duration of this Agreement.

5.2 In recognition of the fact that the Union is required to represent all of the Employees in the bargaining unit, those Employees who are hired, rehired, reinstated, or transferred into the bargaining unit after the effective date of this Agreement, who do not make application for membership into the Union within thirty (30) days, shall, as a condition of continued employment, pay to the Union each month a service charge as a contribution toward the administration of this Agreement in an amount equal to the regular monthly membership dues of the Union.

6.0 UNION DUES AND INITIATION FEES

6.1 Payment by Check-off.

During the term of this Agreement and in accordance with the provision of the form of Authorization of Payroll Deduction of dues, as hereinafter set forth, the Employer agrees to deduct Union membership dues levied in accordance with the Constitution and By-laws of the Union from the pay of each Employee who executes or has executed the following Authorization for Payroll Deduction form, and the Union agrees that all its members shall be required to sign such form forthwith:

7.0 AUTHORIZATION FOR PAYROLL DEDUCTION

7.1 I hereby request and authorize you to deduct from my earnings the Union membership initiation fee; assessments; and once each month, commencing at the date indicated below, to start deduction, until the annual expiration of and in accordance with an Agreement between the City of Grosse Pointe Woods and the Union, dated March 25, 1968, an amount established by the Union as monthly dues. The

7.5 Save City Harmless.

The Union agrees to save the City harmless from any action growing out of these deductions and commenced by any Employee or other person against the City and/or its officials, and assumes full responsibility for the disposition of the funds so deducted once they have been turned over to the authorized responsible Union Official.

7.6 Withdrawal of Union Membership.

If a member of the Union desires to withdraw from Union membership, he may do so by giving notice to the Union and to the Employer during the ten (10) days immediately prior to the annual expiration date of this Agreement. Such notice must be in writing and must be signed by the member Employee.

8.0 UNION REPRESENTATION

8.1 It is mutually recognized that the principal of proportional representation which reflects the increase and decrease in the work force is a sound and sensible basis for determining proper representation.

9.0 STEWARDS

9.1 It is understood and agreed that the Employees of this bargaining unit may be represented by a Chief Steward and three (3) Stewards who shall be elected by the Employees of the said bargaining unit.

9.2 The Chief Steward and/or Stewards shall have completed their probationary period of employment with the Employer prior to their election to such office.

9.3 The President of the Local Union shall promptly notify the Employer, in writing, of the names of the Chief Steward and/or Stewards within fifteen (15) days after such election.

9.4 In the absence of either the Chief Steward or Steward, an alternate may be appointed by the Local Union President.

10.0 GRIEVANCE PROCEDURE

10.1 Definitions.

10.1.1 A "Grievance" shall mean a complaint by the Union, and an Employee or a group of Employees, based upon an event, condition, or circumstance under which an Employee works and which is allegedly caused by a violation or misinterpretation of any of the provisions of this Agreement.

10.1.2 An "Aggrieved Person" shall mean the person or persons making the complaint, either individually or through the Union.

10.2 General Principles.

10.2.1 The primary purpose of the procedure set forth in this Section is to secure, at the earliest level possible, equitable solutions to complaints or grievances. Both parties agree that proceedings under this Section shall be kept as informal and confidential as may be appropriate.

10.2.2 It shall be the firm policy of the Employer to assure to every Employee an opportunity to have the unobstructed use of this grievance procedure without fear of reprisal or without prejudice in any manner to his employment status.

10.3 Presentation of Grievance.

10.3.1 In the event a grievance or dispute arises between the Employer and the Union during the term of this Agreement as to the interpretation and appli-

cation of the provisions of this Agreement, an earnest effort shall be made to resolve such difference promptly in the following manner:

- 10.3.2 Step One The Union Steward, with or without the aggrieved Employee and/or Employees present, shall take up the grievance or dispute orally with the Employee's and/or Employees' immediate supervisor within three (3) working days after the date of the alleged grievance. The supervisor shall thereafter attempt to adjust or settle the matter and shall respond orally to the Union Steward within three (3) working days after having such grievance presented to him.
- 10.3.3 Step Two If the grievance has not been settled, it shall be presented in writing to the department or division head within three (3) working days after the supervisor's oral response was due. The aforesaid department or division head shall respond to the Union Steward in writing within three (3) working days after the receipt of the written grievance.
- 10.3.4 Step Three If the grievance still remains unresolved, it shall be forwarded to the City Administrator within five (5) working days after the response of the department or division head was due. The City Administrator's answer to the grievance shall then be filed within five (5) working days thereafter.
- 10.3.5 Step Four If all previous steps fail in reaching a satisfactory settlement of the grievance, the Union may file with the Employer a Notice of Appeal, requesting such grievance to be submitted to arbitration. Representatives of the Union and the Employer shall meet and select an arbitrator, who is a member of the American Arbitration Association, to hear the grievance appeal. The decision of the Arbitrator shall be final and binding upon both parties; the fees and expenses of the Arbitrator shall be borne equally by the Union and the Employer.

- 10.3.6 The Arbitrator shall have no power to make any award or decision which would amend, change, subtract from or add to the provisions of this Agreement and/or supplements thereto. It is further understood that the general salary and/or wage scale and economic benefits shall not be subject to arbitration.
- 10.4 Time limits at any step of the grievance procedure may be extended only by mutual agreement of both parties. In the event the Employer fails to reply to a grievance at any step of the procedure within the specified time limit, the Union shall process the grievance to the next step. In the event the Union does not appeal the grievance from one (1) step to another within the time limits specified, the grievance shall be considered as settled on the basis of the Employer's last answer.
- 10.5 If an Employee walks off his job without following the grievance procedure as outlined in this section, he shall be deemed to have no grievance and shall be subject to disciplinary action.
- 10.6 Any grievance settlement shall be made in accordance with the terms and spirit of this Agreement.
- 10.7 Where one or more grievances involve a similar issue, those grievances may be withdrawn without prejudice pending the disposition of the appeal of a representative case.

11.0 DISCIPLINARY PROCEDURES

11.1 Reprimands.

- 11.1.1 At various times that it becomes necessary for the Employer to issue verbal or written reprimands against an Employee, the Employee, if he so

desires, may file a grievance for the purpose of reviewing the same.

11.2 Discharge or Suspension.

11.2.1 In the event that an Employee under the jurisdiction of the Union shall be discharged or suspended from his employment and the Employee believes such is unwarranted, the discharge or suspension shall constitute a case arising under the grievance procedure, provided a written grievance thereto is presented to the Employer within three (3) days after such discharge or suspension is started.

11.2.2 The Employer agrees to promptly notify in writing the Employee's Chief Steward or Steward of such discharge or suspension.

The discharged or suspended Employee shall be allowed to discuss his suspension or discharge with the Chief Steward or his Steward before he is required to leave the property of the Employer.

11.2.3 In imposing any discharge or suspension, the Employer will not take into account any prior infractions of the Employer's rules or regulations which occurred more than two (2) years previously.

11.2.4 If the decision is not satisfactory to the Union, the matter shall be referred to the grievance procedure, beginning with Step 3, as outlined in sub-section 10.3.4.

12.0 SPECIAL CONFERENCES

12.1 Special conferences for important matters will be arranged between the Local President and the Employer or their designated representatives upon the request of either party. Such meetings shall be between one (1) or more representatives of the Employer and not more than two (2) representatives of the Local Union. Arrangements for such special conferences shall be made

in advance, and an Agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the Agenda, unless both parties agree to include other items. Such conferences shall begin at 3:30 P.M. and shall be held on a work day. The members of the Union who are Employees of the Employer attending such a conference shall only receive pay up to the end of their regular working day. Such conferences may be attended by a representative of the International Union. It is further agreed that the Union will impose limitations upon the time spent in meetings with the Employer for which time the Local Union representatives are compensated by the Employer.

13.0 PROHIBITED PRACTICES

- 13.1 No Employee shall be favored or discriminated against either by the Employer or by the Union because he maintains or terminates membership in the Union. The Employer and the Union, or their agents, are prohibited from restraining or coercing Employees in the exercising of their right to join or not to join the Union, to maintain or terminate membership in the Union, or to individually present a grievance.
- 13.2 The Employer will not aid, promote, or finance any other labor group or organization which proposes to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union during the term of this Agreement.
- 13.3 No persons employed by nor applicants for employment with the Employer nor any applicants for Union membership shall be discriminated against because of race, creed, color, national origin, age, sex, marital status, number of dependents, or political affiliation.

13.4 It is understood that the services performed by the Employees are essential to the public health, safety and welfare of the community represented by the Employer. The Union therefore agrees that during the term of this Agreement, neither it nor any of the Employees will engage in a strike, work stoppage, slowdown, unwarranted mass absenteeism due to "reported" illness or otherwise interfere with the Employer's operations. Any such actions by the Employees shall be subject to disciplinary measures. Likewise the Employer agrees that during the term of this Agreement there shall be no "lockouts" of the Employees.

14.0 EMPLOYER'S RIGHTS

- 14.1 The Union recognizes that, except as provided in this Agreement, all matters pertaining to, but not necessarily limited to, the management, operation, performance and/or accomplishment of the various municipal functions are vested solely and exclusively with the Employer.
- 14.2 The Union recognizes the prerogatives of the Employer to operate and to manage its affairs, the management of the City's services, accomplishment of the various municipal functions, the direction of its working forces, and the right to relieve employees from duty because of the lack of work, funds, or for any other legitimate reason except as may otherwise be provided in this Agreement.
- 14.3 The Employer shall be exclusive judge of all matters pertaining to the methods, processes or means of accomplishing the municipal ends for which the employees are hired, including, but not limited to, the right to choose and to effect reasonable new and improved methods, procedures, facilities, schedules or work assignments within the same department and/or classification and to make temporary or emergency transfer assignments

as may be required, except as otherwise provided by this Agreement, but not to exceed ten (10) days in duration unless otherwise mutually agreed upon by the Employer and the Union.

14.4 No policies and procedures covered in this Agreement shall be construed as delegating to others or as reducing or abridging any authority conferred upon the Employer by federal, state or city statutes and the City Charter.

15.0 SENIORITY

15.1 General.

15.1.1 "Seniority" shall mean the length of continuous service by the Employee with the Employer from his original date of employment to a permanent position within the bargaining unit.

15.1.2 Seniority shall be in accordance with the Employee's last date of hire. Where Employees have the same seniority date, the person hired first shall have seniority; and in cases where no records are available, lots shall be drawn in order to determine the Employee's ranking for seniority.

15.1.3 Seniority, as defined, shall be applicable to lay-offs, promotions, transfers and recall of Employees.

15.2 Transfers.

- 15.2.1 If an Employee is transferred at his request to a position under the Employer which is not included within the bargaining unit and is thereafter transferred back again to a position within the bargaining unit, the Employee shall not have accumulated seniority while working in the position to which he was transferred.
- 15.2.2 If an Employee is transferred at the request of the Employer to a position under the Employer which is not included within the bargaining unit and is thereafter transferred back again to a position within the bargaining unit, the Employee shall have accumulated seniority while working in the position to which he was transferred.
- 15.2.3 Employees transferred under either of the above circumstances shall retain all other rights accrued for the purpose of any benefits provided for in this Agreement.

15.3 Seniority Lists.

- 15.3.1 The seniority list on the date of this Agreement will show the names and classifications of all of the Employees within the bargaining unit who are entitled to seniority.

The Employer will provide, upon request, the Local Union and Council office with an up-to-date copy of the seniority list within a reasonable time.

15.4 Seniority of Officers.

- 15.4.1 Notwithstanding their position on the seniority list, the President, Vice President, Financial Secretary, Recording Secretary, Chief Steward and Steward of the Local Union shall, in the event of a layoff only, be continued at all times, provided they can perform any of the work

available. Officers shall be permanent Employees and shall have completed their probationary period.

15.5 Seniority of Veterans.

15.5.1 Any Employee covered by this Agreement who leaves the employment of the Employer to enter the Armed Forces, either by enlistment or draft under the Selective Service and Training Act of 1940 or any other similar Federal Legislation which may be hereinafter passed, shall be granted a Leave of Absence until such time as his service in the Armed Forces is terminated. His seniority will accrue under such Leave of Absence as will the privileges to which he is entitled by virtue of such seniority, provided that the Employee makes application for re-employment within ninety (90) days after receiving a discharge other than dishonorable, and further providing that the Employee is physically capable of performing the work required by his job in a proper manner. The Employer will make every effort to place those Employees who may have become handicapped during their service in the Armed Forces.

15.5.2 A probationary Employee who enters the Armed Forces of the United States and who meets the foregoing requirements, must complete his probationary period, and upon completing it satisfactorily shall have earned and accumulated seniority equal to the time that he spent in the Armed Forces of the United States.

15.6 Loss of Seniority.

15.6.1 An Employee shall lose his seniority for the following reasons only:

1. He resigns or quits.
2. He is discharged or permanently removed from the payroll, and the separation is not reversed through the grievance procedure.

3. If he does not return to work when recalled from layoff as set forth in the recall procedure.
4. He retires.
5. If he does not return at the expiration of a leave of absence as set forth in the leave of absence procedure.
6. He is absent for three (3) consecutive working days without notifying the Employer. After such absence, the Employer will send written notification to the Employee, at his last known address, stating that his employment has been terminated.

16.0 PROBATIONARY EMPLOYEES

- 16.1 New Employees hired in the unit shall be considered as probationary Employees for the first ninety (90) days of their employment. The probationary period shall be accumulated within not more than one (1) year. When an Employee finishes the probationary period, he shall be entered on the Seniority list of the unit and shall rank for seniority from the date of his initial employment.
- 16.2 The Union shall represent probationary Employees for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment except discharged and suspended employees for other than union activities.

17.0 TEMPORARY AND SEASONAL EMPLOYEES

- 17.1 Temporary employment shall be defined as Employees temporarily assigned for the purpose of filling vacancies of permanent Employees who may be on vacation or absent because of illness, unforeseen emergencies requiring

additional help, etc.

- 17.2 Seasonal employment shall be defined as Employees required to assist in various municipal programs and facilities whose tenure is for a specific period of time or season.
 - 17.2.1 Seasonal Employees shall be terminated upon the completion of the specific project or program.
 - 17.2.2 These Employees shall not be entitled to receive any fringe benefits or acquire any seniority.

18.0 LAY-OFFS

- 18.1 The Employer may lay-off a permanent Employee when he deems it necessary, by reason of shortage of work or funds, the abolition of the position, material change in the departmental organization, reinstatement of a permanent Employee from a leave of absence, or for other related reasons which are outside the Employer's control and which do not reflect discredit upon the services of the Employee.
- 18.2 Lay-off of Employees shall be made by inverse order of their seniority within a position classification. No probationary, permanent Employee shall be laid off from any position while any temporary Employee is still employed in the same position classification.

18.3 The Employer shall give written notice to the Employee and to the Union of any proposed lay-off. Such notice shall state the reasons therefor and shall be submitted at least three (3) days prior to the effective date thereof.

19.0 RECALL PROCEDURE

19.1 When the working force is increased after a lay-off, Employees will be recalled according to seniority, as defined in Section 15. Notice of recall shall be sent to the Employee at his last known address by registered mail or certified mail. If the Employee fails to report for work within ten (10) working days from date of mailing of notice of recall, he shall be considered to have terminated.

20.0 POSITION VACANCIES

20.1 The Employer will first make any position vacancies within the bargaining unit available, on a seniority basis, to its current Employees who may possess the ability and the general physical qualifications as well as any other special qualification and training necessary for the vacant position, prior to giving consideration of the hiring of a new employee to fill the said vacant position.

In the event the applicant having the most seniority is not selected to fill the position vacancy which is within the bargaining unit, the reasons for the denial shall be given the Employee applicant and, upon request, to the Chief Steward and such shall be subject to the grievance procedure.
- 20.5 Any current Employee who is selected to fill a position vacancy shall assume his new responsibility on the effective date as may be determined by the Employer and the Employee shall be granted the classification and wage and/or salary rate currently applicable to the position.
- 20.6 The Employee who accepts the new position must prove his ability to perform the duties of that position and indicate his desire to remain in that position within a four (4) week trial period.
- 20.7 In the event the Employee is subsequently transferred back to his former position classification, the Employee shall be granted the classification and wage and/or salary rate of his former position.

21.0 PAYMENT OF BACK PAY CLAIMS

- 21.1 If the Employer fails to grant an Employee the wage and/or salary to which the Employee is allegedly entitled and such is sustained by the grievance procedure, the Employer shall reimburse the Employee for the earnings the Employee lost through such failure of the Employer.
