The term "teacher" as used in this Agreement shall mean any person who is a member of the bargaining unit, both male and female.
- B. The Board agrees not to negotiate with any teachers' organization other than the Association with respect to teachers in the bargaining unit for the duration of this Agreement.
- C. Sign and deliver to the Board an assignment authorizing deduction of membership dues and assessments of the Association (including the National and Michigan Education Associations) and such authorization shall continue in effect from year to year unless revoked in writing between June 1 and September 1 of a given year.

The Association hereby acknowledges that the Board as officially constituted under the laws of the State of Michigan, is responsible for the establishment of policies designed to govern and maintain this school system; and that it is the Association's intention to aid and assist the Board in the performance of these legal responsibilities within the limits of the authority vested in it by law.

ARTICLE III
TEACHERS RIGHTS

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every teacher of the system shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation. As a duly elected body exercising governmental power under cover of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitution of the State of Michigan and the United States. The Board will not discriminate against any teacher with respect to hours, wages or any terms or conditions or employment by reason of his membership in the Association, his participation in any activities in the Association or collective professional negotiations with the Board, or his institution of any respect to any terms or conditions of employment.
- B. The Association and its members shall have the right to use school building facilities when available and according to school board policy. Bulletin boards specifically reserved for teachers shall be made available to the Association and its members.
- C. The Board agrees to furnish information which may be necessary for the Association to process any grievance or complaint.
- D. A teacher engaged during the school day in any professional grievance negotiation on behalf of the Association with any representative of the Board shall be released from regular duties without loss of salary. Any teacher engaged in negotiations or arbitration requested by the Board, which will involve the teacher during the school day, will be released from regular duties without loss of pay.
- E. The Board of Education shall provide time when the teacher is released from classroom duties for regularly scheduled Parent-Teacher Conference. Any scheduling of Parent-Teacher Conferences beyond the teaching day shall be mutually agreed upon by the Administration and Association representatives.

ARTICLE IV

TEACHER EVALUATION

- A. All teachers and the Association recognize the right, duty and responsibility of Principals and Supervisors to make periodic evaluations of the performance of the teachers. All monitoring and observation of the performance of the teacher in connection with such evaluation shall be conducted openly and with the full knowledge of the teacher.
- B. Each teacher, upon request, shall have the right to review the contents of his own personnel file maintained by the School system. The review will be made in the presence of the administrator responsible for the safekeeping of the file. Privileged information such as confidential or credentials, letters of reference from universities, individuals, or previous employers, are specifically exempted from such review. The administrator shall remove such credentials and confidential reports from the file prior to a review of the file by the teacher.
- C. All communication, including evaluations by Hamilton Community School administrators, commendations and validated complaints directed toward the teacher which are included in the personnel file shall be made available to the teacher upon request.
- D. In regard to probationary teachers at least two (2) written evaluations will be made each school year by the principal or immediate supervisor and a copy of each evaluation will be presented to the probationary teacher. In the event that a probationary teacher is denied tenure, or is served with a notice of dismissal in accordance with the Michigan Teacher Tenure Law, if said teacher requests said action shall be subject to the Professional Grievance Procedure hereinafter set forth through Level Four but shall not be arbitrable.

ARTICLE V

TEACHER RESPONSIBILITY

- A. The normal school day will consist of a 7½ hour day, including lunch period, of which a maximum of 5½ hours in elementary and five hours (5) in Secondary School will be spent at a teaching post.
- B. Teachers shall be at school one half hour before school begins and in their classroom at least ten (10) minutes before the class bell rings at the beginning of the school day. Teachers shall make themselves available for conferences or meetings on half hour after school is dismissed. On Fridays and days before holidays, teachers may be permitted to leave immediately after the school bus leaves their school.
- C. The Board shall endeavor to provide all teachers (Elementary, Junior High, and Senior High) a duty-free, uninterrupted lunch period each day.
- D. Elementary teachers shall have two hours of duty-free, uninterrupted planning time during each week of regular teaching duties. (As soon as buildings are complete and special teachers can be hired.)
- E. The Board recognizes the principle of a standard forty-hour workweek and will, so far as possible, set work schedules and make professional assignments which can reasonably be completed within such standard workweek. The Board will not require teachers regularly to work in excess of such standard workweek within or outside of any school building, except for those contracting extra duties for extra pay.
- F. The Association shall be advised of the date or dates of the Board meetings when the school calendar is to be established, and the Association shall be invited to submit its views on the calendar to the Board at said meeting or meetings.
- G. A total of no more than two after school meetings of no longer than one hour shall be called by building principal or co-ordinator per month.
- H. The Association recognizes that abuses of sick leave or other leaves, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely upon the teaching profession and create undesirable conditions in the school building. Alleged breaches of discipline or the Code of Ethics of the Education Profession shall be promptly reported to the offending teacher and to the Association. The Association shall use its best efforts to correct breaches of professional behavior by any teacher and, in appropriate cases, shall institute proceedings against the offending teacher.

ARTICLE VI

TEACHING LOADS AND ASSIGNMENTS

- A. The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality of education that is the goal of both teacher and Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end. It is further agreed that the following policy on class size is not the final word on this matter, but only represents a point of departure for continued study. Every effort will be made by the Board to stay within the prescribed limits of this proposed class size. The proposed class size is as follows:

ELEMENTARY

K	-	27	students
1	-	24	"
2	-	25	"
3	-	26	"
4	-	27	"
5	-	28	"
6	-	28	"

SECONDARY

Total pupil load - 135

(Except in areas of Band, Vocal Music, Physical Education, and Typing)

Classes in excess of these limits may be proper subjects of the prescribed P.E.P.C. (Article XI G.)

- B. In the rural schools where split classes may be present, the size should not exceed twenty-three (23) pupils per class.
- C. The Board shall make available in each school with eight (8) or more classrooms adequate lunch room, rest room and lavatory facilities exclusively for teacher use and at least one (1) room, appropriately furnished, which shall be reserved for use as a faculty lounge.
- D. Teachers who desire a change in grade or subject assignment or who desire to transfer to another building shall file a written statement of such desire with the Superintendent as soon as practicable, and under normal circumstances, not later than February 1. Such statement shall indicate the grade or subject to which the teacher desires to be assigned or the school or schools to which the teacher desires to be transferred.
- E. Teachers shall be notified in writing of any change in their tentative programs for the coming school year, including the schools to which they will be assigned, the grades or subjects that they will be teaching, and any unusual or special classes to which they will be assigned. The notice will be given as soon as practicable, and under normal circumstances, not later than the end of the school year.

- F. It is recognized that changes in grade and subject assignment may become necessary and that the changes may prove to be beneficial to the teacher, the students, and the School System. In determining the assignments and transfers, the convenience and wishes of the individual teachers will be honored to the extent that these considerations do not conflict with the instructional requirements and best interests of the School System and the pupils. An involuntary transfer or assignment shall be made only after a meeting with the teacher and the Superintendent or his designee, at which time the teacher shall be notified of the reason for the assignment or transfer.
- G. In arranging schedules for teachers who are assigned to more than one school, an effort will be made to limit the amount of inter-school travel. Teachers who are assigned to more than one school in any one school day shall receive ten (.10) cents per mile for all inter-school travel.

ARTICLE VII

APPOINTMENTS TO VACANCIES OR NEW POSITIONS WITHIN THE HAMILTON COMMUNITY SCHOOL SYSTEM

- A. Whenever, during the school year a vacancy occurs in a teaching or Elementary Principal's position; or a new position is created within the Hamilton Community School System, and said position is to be filled on a permanent basis; the Administration shall give written notice thereof to the President of the Association or his designee; and the Association will provide for appropriate posting of said notice in every school building within three (3) days of receipt of notice. The Administration agrees to give the Hamilton Community School's faculty members five (5) school days in which to present written applications for the position to the Superintendent. The position shall then be filled by the Administration from all applications received, on the basis of fitness for the position as determined by the Administration. The applicants shall be notified in writing within three (3) days after the position has been filled.
- B. If such a vacancy in a position or a new position as described in Section A above occurs at the end of the school year and is to be filled for the following school year, this shall be made known to the Association in like manner, as soon as the Administration is aware of the vacancy or position to be filled. If this notification occurs long enough before the last day of the school year, posting will be done by the Association and applications received by the Superintendent and considered in filling the position, and applicants notified in the same manner as in A above.

ARTICLE VIII

A maternity leave shall be granted without pay commencing not later than the end of the fifth month of pregnancy, except that when this date falls within one school month of the semester the teacher may be permitted to complete the semester. The teacher shall be entitled to return from such leave at any time within two years if the position becomes available for which she is qualified. The Board of Education shall be notified no later than the fourth month of pregnancy that a Maternity Leave is desired.

D. Military Leave. Any teacher who is called into the armed forces of the United States, or who is activated as a member of the reserve forces, or who enlists in anticipation of induction, or who enlists during a period of time when this country is actively engaged in an open hostility involving active acts of warfare, shall be granted leave of absence without pay for the period of such absence. Full credit on the salary schedule for each calendar year or major portion thereof spent in such military service will be granted to those so leaving Hamilton Community School service and returning thereto, provided that rights under this paragraph will terminate upon any voluntary extension of such military service.

A. Definitions

1. A "grievance" is a claim by any teacher, group of teachers or the Association believing that there has been a violation, misinterpretation of any provision of this Agreement or any existing rule, order or regulation of the Board.
2. An "aggrieved person" is the teacher or teachers having a grievance.

B. Purpose

1. The purpose of the grievance procedure is to secure, at the lowest possible administrative level, proper solutions to grievances. Both parties agree that grievance proceedings shall be kept as informal and confidential as appropriate at all levels of the procedure.
2. Nothing herein shall prohibit any aggrieved person from discussing his grievance informally with any member of the administration.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level are maximums, and every effort should be made to expedite the process. However, the time limits may be extended by mutual agreement of the parties.
2. Grievances shall be resolved as follows:

Level One

An aggrieved person shall first discuss his grievance with his principal or supervisor, either by himself or in the company of the Association's Representative, with the objective of resolving the grievance informally.

Level Two

If the aggrieved person is not satisfied with the disposition made at Level One or if no disposition is made within five (5) school days after such discussion, he may file the grievance in writing with his building Principal, with a copy to the Chairman of the Association's Professional Negotiations Committee. The Principal shall within five (5) school days after receiving the grievance give the aggrieved person his written answer, with a copy to the Professional Negotiations Chairman.

Within fifteen (15) school days after such referral, a committee of the Board shall meet with the aggrieved person and such others as it deems advisable for the purpose of resolving the grievance. The Board shall by official action make its answer to the grievance.

Level Five

A. In the event the grievance is not satisfactorily resolved at Level Four, or if no decision is reached within the five (5) day period, the State Labor Mediation Board shall be notified and their mediation procedures invoked.

Nothing contained herein shall prevent any aggrieved person from presenting a grievance and having it adjusted without intervention or representation by the Association if the adjustment is not inconsistent with the terms of this Agreement. The aggrieved person may be represented at all stages of the grievance procedure by any person of his own choosing, except that he may not be represented by a representative or officer of any teacher organization other than the Association. When a teacher is not represented by the Association, the Association shall have the right on its request to have its representative present to state its views at all stages of the grievance procedure.

Forms for filing and processing grievances shall be made available by the Board.

- B. The Administration will notify the teacher involved one day in advance of a desired observation by a college student. If the teacher gives his verbal consent the observation will take place as desired.
- C. The Association wishes to have in existence an established policy pertaining to grievances of parents concerning school employees. Both sides of an issue should be investigated before it is brought to the attention of the entire School Board. For this reason the following policy will be used for parent-teacher grievances.
 - 1. The teacher should be made aware of any disagreements a parent might have with the teacher before it is openly discussed.
 - 2. The parent will contact the teacher involved to arrange a conference over the disagreement.
 - 3. If the parent and teacher cannot solve their disagreement at a conference, a school official will be consulted.
