A. The Board recognizes its responsibility to continue to give administrative backing and support to its teachers, although each teacher bears the primary responsibility for maintaining proper control and discipline in the classroom. The teachers recognize that all disciplinary actions and methods invoked by them shall be reasonable and just, and in accordance with provisions of the School Code. It shall be the responsibility of the teacher to report to his principal the name of any student who, in the opinion of the teacher, needs particular assistance from skilled personnel. The teacher shall, upon request, be advised by the principal of the disposition of the teacher's report that a particular student needs such assistance.

B. A teacher may use such force as is necessary to protect himself from attack or to prevent injury to another student. A teacher may exclude a pupil from one class when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as his teaching obligations will allow, full particulars of the incident.

C. Any case of assault upon a teacher which had its inception in a school centered problem shall be reported immediately in writing to the superintendent or his designated representative. In the event of such an assault, the teacher involved may request assistance of the Board. Such request shall be made in writing to the principal, who with the superintendent shall make a determination as to whether the conduct of the teacher making the request justifies any assistance from the Board, and the extent thereof. When the request has been approved, the Board shall render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.

D. If any teacher is complained against or sued as a result of any reasonable action taken by the teacher while in pursuit of his employment, the Board will provide legal counsel and render all necessary assistance to the teacher in his defense.

E. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher.

F. The Board will reimburse a teacher, in an amount not to exceed One Hundred dollars (\$100.00) for loss, damage, or destruction, while on duty in the school, of personal property of a kind normally worn or brought into the school building, when the same has not been caused by the negligence of the teacher. This obligation shall extend only to that portion of any such loss not covered by insurance taken out by the teacher and shall be payable only after the teacher has first exhausted all possibility of collecting for such loss under his own insurance, if any.

G. Any complaint by a parent about a teacher shall be brought to the teacher's attention: if considered serious by the administrator receiving the complaint; if it is recorded in the teacher's personnel file; or if it is used as a basis for reprimanding a teacher.

H. Teachers shall be expected to exercise reasonable care with respect to the safety of pupils and property, but shall not be individually liable, except in the case of gross negligence or gross neglect of duty, for any damage or loss to person or property.

ARTICLE XIII

Negotiation Procedures

A. This agreement incorporates the entire understanding of the parties on all issues which were or could have been the subject of negotiation. During the term of this agreement neither party will be required to negotiate with respect to any such matter, whether or not covered by this agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this agreement.

B. At least sixty days prior to the expiration of this agreement, the parties will begin negotiations for a new agreement covering wages, hours, terms and conditions of employment of teachers employed by the Board.

C. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.

D. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the State Labor Mediation Board or take any other lawful measures it may deem appropriate, including the imposition by the Association of professional sanctions to discourage teachers from working in the absence of a contract.

ARTICLE XIV

Professional Grievance Negotiation Procedure

A. Any teacher, group of teachers or the Association believing that there has been a violation, misinterpretation or misapplication of this agreement may file a written grievance with the Board or its designated representative. Such grievance shall be filed on the form attached as Appendix B. If a teacher does not file a grievance in writing with the Board or its designated representative within ten (10) school days after the occurrence, then the grievance shall be considered as waived.

B. The following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:

1. The termination of services of or failure to reemploy any probationary teacher.
2. The placing of a non-tenure teacher on a third year of probation.
3. Any claim or complaint for which there is another remedial procedure or form established by law or regulation having the force of law.

C. Within five (5) school days of receipt of the grievance the designated representative of the Board shall meet with the Association in an effort to resolve the grievance. Affected teachers may or may not be present at such meetings. If the meeting is with the school principal and the parties cannot agree, the grievance shall be promptly transmitted to the superintendent who shall have five (5) school days thereafter to approve or disapprove the grievance. If the grievance is transmitted directly to the superintendent he shall have ten (10) school days from receipt to approve or disapprove it. If the grievance shall be denied by the superintendent, either upon review of the action of the school principal or in the first instance, the grievance shall immediately be transmitted to the Secretary of the Board, with a statement of reasons why it is being disapproved.

D. Within ten (10) school days from receipt of the grievance, the Board shall pass upon this grievance. The Board may hold a hearing thereon, may designate one or more of its members to hold a hearing or otherwise investigate the

grievance, or prescribe such procedure as it may deem appropriate for consideration of the grievance, provided, however, that in no event, except with express written consent of the Association, shall final determination of the grievance be made by the Board more than twenty (20) days after its submission to the Board.

E. If the decision of the Board is not satisfactory to the Association, the grievance may be submitted to arbitration before an impartial arbitrator selected by the parties. Any appeal must be filed within ten (10) school days after the decision of the Board. If the parties cannot agree as to the arbitrator, he shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the Arbitration hearing. Evidence presented at the arbitration proceeding must be made known to both parties the day before presentation. The Arbitrator shall have no power to alter, add to or subtract from the terms of this agreement. Both parties agree to be bound by the award of the Arbitrator and agree that judgement thereon may be entered in any court of competent jurisdiction.

F. If any teacher for whom a grievance is sustained shall be found to have been unjustly discharged, he shall be reinstated with full reimbursement of all professional compensation lost. If he shall have been found to have been improperly deprived of any professional compensation or advantage, the same or its equivalent in money shall be paid to him.

G. The costs of any arbitration under this Article shall be paid equally by the Board and the Association.

ARTICLE XV

Professional Study Committees

A. There is hereby established a Professional Study Committee composed of four members, two members selected by the Board and two members selected by the Association.

B. The Professional Study Committee shall investigate selected matters and submit a written report and recommendations to the parties on or before April 1 of each year. Additional Professional Study Committees may be established as required.

C. The clerical expenses of such Committee shall be borne by the Board. Representatives on such committee may be excused from the performance of other work, up to five hours per week, for the purpose of serving on such Committee.

D. One half day twice per semester shall be set aside for staff and department meetings to improve curriculum and teaching techniques.

ARTICLE XVI

Miscellaneous Provisions

A. The Board agrees at all times to maintain an adequate list of substitute teachers. Teachers shall be informed of a telephone number they may call before 7:30 A.M. to report unavailability for work. Failure to notify the administration of unavailability for work prior to 7:30 A.M. shall result in the forfeiture of full pay for that absence. Once a teacher has reported unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher.

B. The Association shall deal with ethical problems arising under the Code of Ethics of the Education Profession in accordance with the terms thereof and the Board recognizes that the Code of Ethics of the Education Profession is considered by the Association and its membership to define acceptable criteria of professional behavior.

C. Representatives of the Board and of the Association will meet once a month for the purpose of reviewing the contract and to resolve problems that might arise. These meetings are not intended to by-pass the grievance procedure.

D. This agreement shall supersede any rules, regulations or practices of the Board which shall be contrary or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this agreement.

E. Should substantial and unforeseen changes in student population or other conditions make necessary a general reduction in the number of teachers employed by the Board, the Board shall retain, as nearly as possible, those teachers with permanent teaching certificates having the longest service in the district. The Association and Board will further use their best efforts to assist all teachers terminated for lack of work to secure employment in adjacent school districts upon terms and conditions as nearly comparable as possible. Nothing herein shall relieve the Board from fulfilling the terms of any contract with a teacher.

F. Copies of this agreement shall be printed at the expense of the Board and presented to all teachers now employed or hereafter employed by the Board.

G. If any provision of this agreement or any application of the agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

ARTICLE XVII

Duration of Agreement

This agreement shall be effective as of July 1, 1968 and shall continue in effect for one (1) year until the thirtieth day of June 1969 or until such time as agreement on a new contract has been reached.
