## A G R E E M E N T

This Agreement is entered into by and between the City of Detroit, a Michigan Municipal Corporation, (hereinafter referred to as the Employer or the City) and the Paving Foremen's Association Unit II (hereinafter referred to as the Association).

### PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the City of Detroit in its capacity as an Employer, the Employees, the Association, and the people of the City of Detroit.

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community.

To these ends the Employer and the Association encourage to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees.

### 1. RECOGNITION OF ASSOCIATION

Pursuant to and in accordance with, all applicable provisions of Act 336 of the Public Acts of 1947, as amended, the Employer does hereby recognize the Association as exclusive representative for the classification of Street Maintenance Sub-Foreman for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement.

## 2. MANAGEMENT RIGHTS

A. The Association recognizes that the prerogative of the City to operate and manage its affairs in all respects in accordance with its responsibilities, and the power of authority which the City has not specifically abridged or modified by this Agreement are retained by the City. The Association recognizes the exclusive right of the City to establish and enforce reasonable work rules.

B. The City has the right to schedule overtime work as required in a manner most advantageous to the City and consistent with requirements of municipal employment and the public interest.

C. It is understood by the parties that every incidental duty connected with operations enumerated in job descriptions is not always specifically described. Nevertheless, it is intended that all such duties be performed by such employees.

D. The City reserves the right to discipline and discharge for just cause. The City reserves the right to lay-off for lack of work or funds; or the occurrence of conditions beyond the control of the City; or where such continuation of work would be wasteful and unproductive. The City shall have the right to establish hours and schedules of work and to establish the methods and processes by which such work is performed.

E. The right of contracting or sub-contracting is vested in the City. The right to contract or sub-contract shall not be used for the purpose or intention of undermining this Association nor to discriminate against any of its members.

F. Except as specifically abridged, delegated, granted or modified by this Agreement, all of the rights, powers, and authority the City had prior to the signing of this Agreement are retained by the City and remain exclusively and without limitations within the rights of the City.

## 3. ASSOCIATION RIGHTS

A. The employees covered by this Agreement shall act in a supervisory capacity as required, and shall not perform any work normally performed by workers under their supervision, except in an emergency, or in the instruction of workers, or to assure the proper performance of work or to perform work of an experimental nature, or for the proper operation of equipment or services, or to protect City property, or to insure the safety of employees.

B. The Sub-foremen of this Association shall be considered working when they report to their assigned location and make themselves available for work.

#### 4. NON-DISCRIMINATION

The Employer and the Association both recognize their responsibilities under Federal, State, and Local Laws pertaining to fair employment practices as well as the moral principles involved in the area of Civil Rights.

Accordingly, both parties re-affirm by this Agreement the commitment not to discriminate against any person or persons because of race, creed, color, religion, national origin, sex or sexual orientation, age, political orientation, marital status or non-disabling handicap, except where based on a bona fide occupational qualification.

#### 5. ASSOCIATION SECURITY

A. Employees are free to join or not to join the Association. Employees who are members of the recognized bargaining unit but who are not members of the Association may join the Association by initiating their Association application form and dues deduction authorization form.

B. The City agrees to deduct from the wages of an employee, who is a member of the Association, all Association membership dues uniformly required, as provided in a written authorization in accordance with the standard form used by the City provided that the said form shall be executed by the employee. The written authorization for Association dues deduction shall remain in full force and effect during the period of this Agreement unless revoked by written notice. The revocation notice must be given to both the Finance Department and to the Association.

C. Any person certified and employed with the City who is not a member of the Association and who does not make application for membership within ninety (90) working days from the effective date of this Agreement or from the date he first became a member of the bargaining unit, whichever is later, shall as a condition of employment, pay to the Association a service fee as a contribution towards the administration of this Agreement, in an amount equal to the regular membership dues of the Association. Employees who fail to comply with this requirement shall be

discharged within thirty (30) working days after receipt of written notice by the employing Department from the Association, unless otherwise notified by the Association in writing within said thirty (30) working days, and provided that the Association shall release the Department from fulfilling the obligation to discharge if during such 30 day period the employee pays the membership dues or service fee retroactive to the due date and confirms his intention to pay the required membership dues or service fee in accordance with this Agreement.

D. The City agrees to deduct from the wages of any employee covered by this Agreement, who is not a member of the Association, all Association service fees uniformly required as provided in a written authorization in accordance with the standard form used by the City, provided that the said form shall be executed by the employee. The written authorization for Association service fee deduction shall remain in full force and effect during the period of this Agreement unless revoked by written notice. The revocation notice must be given to both the Finance Department and to the Association.

E. All Association membership dues and service fees will be authorized, levied, and certified in accordance with the by-laws of the Association. Each employee and the Association hereby authorizes the City to rely upon and to honor certifications by the Treasurer of the Association regarding the amounts to be deducted and the legality of the adopting action specifying such amounts of Association dues and service fees, which dues and service fees shall be sent reasonably promptly to the Treasurer of the Association. The Treasurer of the Association shall not request the City to change the amounts so deducted more often than four times each City fiscal year.

F. The Association shall have no right or interest whatsoever in any money authorized withheld until such money is actually paid over to it. The City or any of its officers and employees shall not be liable for any delay in carrying out such deductions, and upon forwarding a check in payment of such deductions by mail to the Association, the City and its officers and employees shall be released from all liability to the employee-assignors, and to the Association under such assignments. (Chapter 16, Article 6, Section 4 of the Municipal Code of the City of Detroit.)

G. The Association shall refund to employees, dues and service fees erroneously deducted by the City and paid to the Association. The City may offset any amount erroneously or improperly deducted and paid to the Association from any subsequent remittance to the Association.

H. The Association agrees to save and hold harmless the City from any damages or other financial loss which the City may be required to pay or suffer as a consequence of enforcing the above provisions.

6. ASSOCIATION REPRESENTATION

The number of Association representatives shall be one (1). He/she will be a regular bargaining unit employee of the department. The Association representative during his/her working hours may process grievances without loss of time or pay, after arrangements have been made with the Immediate Supervisor. This privilege shall not be abused.

7. GRIEVANCE PROCEDURE

The grievance procedure contained in this Agreement shall be the exclusive grievance procedure during the term of this Agreement for all members of the Bargaining Unit. A grievance is a difference between the Employer and the employee concerning the alleged violation of any provision of this Agreement. Should differences arise between the City and the Association, an earnest effort shall be made to resolve such differences promptly and the following procedure shall be adhered to.

Step 1:

Any employee(s) who believes he/she has been unjustly dealt with or that any provision of this contract agreement has not been properly applied or interpreted may discuss his/her complaint with his/her supervisor, with or without his/her Association Representative or in his/her absence designated alternate Association representative. In the event the employee desires that his/her Association representative be present, he/she shall make his/her request through the supervisor and the supervisor shall make the necessary arrangements for a meeting between all parties.

Step 2:

In the event the grievance is not settled orally by the supervisor, the Association representative shall reduce the grievance to writing within ten (10) working days from the date of the alleged violation, and appeal it to the Division Head or his/her designated representative. The employee and the Association representative shall sign the grievance forms. The grievance form must indicate a statement of the nature of the grievance and the facts upon which it is based and the remedy or correction requested. A meeting will be promptly arranged with the aggrieved employee and his/her Association representative to review the dispute and a

decision rendered within five (5) working days of the meeting. The decision rendered in "Step 2" shall be final and the case shall be considered settled on the basis of the employer's decision, unless an appeal is made, in writing, within five (5) working days of the Division Head's decision.

Step 3:

If the grievance is not satisfactorily resolved in "Step 2", the decision may be appealed to the Department Head or his/her designated representative. A meeting between no more than two (2) representatives of the Association and no more than two (2) representatives of the City, shall be promptly arranged to hear the grievance. The Department Head or his/her designated representative shall give a decision, in writing, within five (5) working days of the meeting. The decision rendered in Step 3 shall be final and the case shall be considered settled on the basis of the employer's decision unless an appeal is made, in writing, within five (5) working days of the Department Head's decision.

Step 4 - Grievance Panel:

Failure of the above steps in the Grievance Procedure to resolve a dispute or in the event the City shall file a grievance against the Association, the matter shall be referred to the next meeting of the grievance panel consisting of: not more than two (2) Association representatives and not more than three (3) City officials. This grievance panel will meet as needed to settle unresolved grievances. In the event the dispute is not settled by the Grievance Panel, it may be referred to Step 5 within ten (10) working days from the date of the last meeting of the Grievance Panel on the grievance. Any grievances not referred to Step 5 within such period, shall be considered settled on the basis of the decision in Step 4.

Step 5 - Arbitration:

Any unresolved grievance which relates to the interpretation, application, or enforcement of any specific Article and Section of this Agreement and which has been fully processed through the Grievance Panel, may be submitted to arbitration in strict accordance with the following:

A. Arbitration shall be invoked by written notice to the other party of intention to arbitrate. If the parties are unable to agree upon an adhoc arbitrator within seven (7) working days of such notice, the City will secure a list of arbitrators from the Federal Mediation and Conciliation Service (FMCS). The parties will then meet to mutually agree upon an arbitrator from the list.

B. The Arbitrator shall limit his/her decision strictly to the interpretation, application or enforcement of this Agreement and he/she shall be without power and authority to make any decision:

1. Contrary to, or inconsistent with or modifying or varying in any way, the terms of this Agreement.
2. Concerning the discipline or discharge of an employee for engaging in a strike, slowdown or stoppage of work who exercises his/her right under Section 6 of Act 379 of the Public Acts of 1965.
3. Concerning a matter which has been appealed to the Mayor pursuant to applicable State Law.
4. Granting any wage increases or decreases.
5. Granting any right or relief for any period of time whatsoever prior to the execution date of this Agreement.
6. Relative to position classification whether permanent or temporary.

C. The arbitrator shall be without authority to require the City to delegate, alienate or relinquish any powers, duties, responsibilities, obligations or discretions which by State law or City Charter the City cannot delegate, alienate, or relinquish.

D. No settlement at any stage of the grievance procedure, shall be a precedent in any arbitration and shall not be admissible in evidence in any future arbitration proceeding.

E. All claims for back wages shall be limited to the amount of wages that the employee otherwise would have earned less any compensation received for temporary employment obtained subsequent to his/her removal from the City payroll, and payments from Unemployment Insurance, Social Security Disability, Welfare, Aid to Dependent Children, and City funded Long Term Disability Insurance, Sickness and Accident Insurance and Automobile Accident Income Replacement Insurance. Where appropriate, the City shall reimburse those agencies and insurance funds so as to not affect the employee's equity therein.

F. The decision of the arbitrator in a case shall not require retroactive wage adjustment in another case except by express agreement of the parties.

G. There shall be no appeal from the arbitrator's decision if made in accordance with his/her jurisdiction and authority under this agreement. The arbitrator's decision shall be final and binding on the City, on the employee or employees, and on the Association.

H. In the event a case is appealed to an arbitrator and he/she finds that he/she has no power to rule on such case, the matter shall be referred back to the parties without decision or recommendations on the merits of the case.

I. The expenses of the arbitrator shall be shared equally by the parties. The aggrieved and his/her local Association representative shall not lose pay for time off the job while attending the arbitration proceedings. Arbitration wherever possible, shall be conducted on the location where the grievance originated.

J. Except as provided herein by letter or agreement between the parties, the parties understand and agree that in making this contract they have resolved for its term all bargaining issues which were or which could have been made the subject of discussion. The arbitral forum here established is intended to resolve disputes between the parties only over the interpretation or application of the matters which are specifically covered in this contract.

#### 8. TIME LIMIT ON GRIEVANCES

Any grievance under this Agreement which is not filed in writing by the employee involved or by the designated Association representative within ten (10) working days after the grievance arises, shall not be considered a grievance.

The City shall not be required to pay back wages more than five (5) working days prior to the date a written grievance is filed.

In instances wherein the subject matter of the grievance lies within the jurisdiction of specific City Agencies, e.g., payroll, etc., the grievance steps may be shortened or eliminated to bring the grievance to the Agency's immediate attention.

All claims for back wages shall be limited to the amount of wages that the employee otherwise would have earned less any compensation received for temporary employment obtained subsequent to his/her removal from the City payroll, and payments from Unemployment Insurance, Social Security Disability, Welfare, Aid to Dependent Children, and City funded Long Term Disability Insurance, Sickness and Accident Insurance and Automobile Accident Income Replacement Insurance. Where appropriate, the City shall reimburse those agencies and insurance funds so as to not affect the employee's equity therein.

In the case of a pay shortage of which the employee could not have been aware before receiving his/her pay, any adjustments made shall be retroactive with the beginning of the pay period covered by such pay, if the employee files his/her grievance within ten (10) working days after receipt of such pay.

The time elements in the first four (4) steps may be shortened or extended by mutual agreement.

## 9. DISCHARGE OR SUSPENSION

A. Notice of Discharge or Suspension: The employer agrees upon the discharge or suspension of an employee to notify, in writing, the Association representative in the district of the discharge or suspension.

B. The discharged or suspended employee will be allowed to discuss the discharge or suspension with his/her representative and the employer will make available an area where he/she may do so before he/she is required to leave the property of the employer. Upon request, the employer will discuss the discharge or suspension with the employee and his/her designated representative.

C. Appeal of Discharge or Suspension: Should the discharged or suspended employee or the designated Association representative consider the discharge or suspension improper, the matter may be referred to the grievance procedure beginning with Step 3.

D. Use of Past Record: In imposing any discipline on a current charge, management will not take into account any infractions which occurred more than fourteen (14) months previously.

## 10. SPECIAL CONFERENCES

Special Conferences for important matters including promotional opportunities and maintenance of conditions will be arranged between the Association and the Department Head or his/her designated representative upon request of either party.

Such meeting shall be between no more than two (2) representatives of the Association and the Department Head or his/her designated representative.

Arrangements for such special conferences shall be made in advance and an Agenda for the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the Agenda.

Conferences shall be held between the hours of 9 a.m. and 3:30 p.m.

Special Conferences dealing with urgent matters shall be held as quickly as possible.

## 11. SENIORITY

A. SENIORITY is hereby defined as the length of continuous service beginning on the date of legal certification to a position in the classified service of the City of Detroit, or after date of induction into such classified service as provided by law. Effective July 1, 1978, employees who are certified for employment but not hired within thirty (30) calendar days of such certification, shall have their date of hire recorded as their date of seniority and certification.

Seniority, as defined above and in accordance with Rules of the Personnel Department incorporated herein by reference is established primarily to serve as a basis for determining the order of demotion or lay-off in the event of a reduction in force and the re-employment rights of employees.

B. CLASSIFICATION Seniority is hereby defined as the employee's length of continuous service in their current classification.

C. The City will furnish the Association once a year, a seniority list showing each employee's name, address, department, classification, pension number, and social security number, and total City seniority date. This information shall be organized in a format mutually agreeable to the Association and the City.

D. LOSS OF SENIORITY: An employee shall lose his/her seniority for the following reasons only:

1. The employee resigns or quits.
2. The employee retires on regular service retirement.
3. The employee is discharged or permanently removed from the payroll and the separation is not reversed through the grievance procedure.
4. The employee does not return at the expiration of a leave of absence.
5. The employee does not return to work when recalled from lay-off as set forth in the recall procedure.

E. SUSPENSION OF SENIORITY CREDIT: An employee shall not lose his/her accrued seniority but shall not accumulate additional seniority credit during the following periods:

1. Layoffs resulting from reduction in force which exceed three (3) years.
2. Leaves of absence which exceed one (1) year.
3. Non-duty disability retirements which exceed one (1) year.
4. Voluntary layoffs.

## 12. PROBATION PERIODS

A. Probation periods are recognized as "working test" periods used to supplement other evaluations to determine whether the employee fully meets the qualifications of the class. Probation periods are required in all cases of initial certified hire, transfer and promotions in the classified service and other cases as provided in Personnel Department Rules.

B. The Association shall represent initial hire probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment except discharged and suspended employees for other than Association activities.

C. The probation period or "working test" for a six (6) month period shall be served by all employees promoted or hired into classifications represented by this bargaining unit.

D. Except in instances where a discharge for cause is appropriate, an unsatisfactory employee who has classified status may by departmental action, subject to Personnel Department rules, have his/her probation period extended or be reverted to his/her former classification. During an employee's initial hire probation period, a department may in accordance with Personnel Department Rules, extend the probation period or take action to discharge the employee.

E. When an employee satisfactorily completes the probation period he/she shall be entered on the Seniority List of the bargaining unit for the classification in which he/she is employed.

13. REDUCTION IN FORCE

The City reserves the right to layoff for lack of work or funds; or the occurrence of conditions beyond the control of the City; or where the continuance of work would be wasteful or unproductive.

SECTION 1 - REDUCTION IN FORCE TERMS DEFINED

- A. A reduction in force is a reduction in the number of employees in a given class in a department of the City for lack of work, lack of funds, or reasons other than the acts or delinquencies of employees.

The expiration of a limited-term certification or change of status shall not be considered a reduction in force.

- B. A lay off due to reduction in force is the removal of an employee from a position in a department and from the classified service of the City of Detroit, subject to the recall rights provided under this Rule.
- C. A demotion due to reduction in force is the removal of an employee from a position in a class in a department by change of status to a position in a lower class.
- D. A transfer due to reduction in force is the removal of an employee from a position in a class in a department by change of status to a position in another class which is at the same level.
- E. A voluntary lay off is a removal of an employee from the classified service of the City of Detroit which is made at the request of and for the convenience of the employee.
- F. Unless otherwise indicated, seniority shall mean total city seniority as determined in accordance with Personnel Department Rules.
- G. An employee acquires status in the classified service by certification in accordance with Section 6-510 of the City Charter and Personnel Department Rules III and IV.

- H. An employee who is certified, promoted, transferred, or demoted to a position in a class on a regular permanent basis or permanent-subject to continuing availability of program funding, acquires permanent status in the class, provided he has satisfied all qualification requirements of the class including completion of any required probation period. An employee can have permanent status in only one class at a time.
  
- I. An employee who is certified, promoted, transferred or demoted to a position in a class only for a specified term or conditional event, or where the certification or status change states that such employment is limited to assignment on a particular project, acquires limited-term status in the class.

## SECTION 2 - ORDER AND MANNER OF REDUCTION

Reduction in force shall be by class in a department and shall be made from among all employees in the same class in that department.

- A. Within the department, the following categories of employees shall be removed first:
  - 1. Provisional employees shall be separated by terminating their services; provided, however, that employees provisionally employed in the class who hold permanent status in some other class shall revert to the class in the department from which they were provisionally promoted or transferred.
  - 2. Employees who have not completed their initial probationary period shall be laid off in accordance with their seniority, the least senior employees being laid off first.
  - 3. Employees hired on a limited-term shall be laid off in accordance with their seniority, the least senior employee being laid off first.
  
- B. In the event it is necessary to reduce the number of permanent status employees in the class, the order of removal shall be as follows:
  - 1. Employees in the class on a limited-term basis and employees in the class on a permanent basis who have not completed the required probationary period, but who hold permanent status in some other class, shall revert to the class in the department from which they were promoted or transferred. Removal shall be in accordance with their total City seniority, the least senior employee to be removed first.

2. Employees in the class on a permanent basis shall be removed in accordance with their total City seniority, the least senior employee to be removed first. Such employees shall be laid off subject to the following demotion or transfer rights within the department:

(a) Demotion in Series

If the employee is in an occupational series, the employee shall have the right to be demoted to a position in a lower class in the series, provided there are one or more employees in the lower class in the department having less total city seniority. (The least senior employee displaced as a result shall be subject to demotion, transfer or layoff in accordance with applicable provisions of this Rule.)

An employee who waives his right to demotion to the next lower class in series and is laid off, shall lose all rights to city-wide displacement as provided for in Section 3 and restoration rights as provided for in Paragraph A of Section 4.

(b) Demotion or Transfer to a Formerly-Held Class

If the employee has previously held permanent status in another class not in series which is at the same or lower level, the employee may elect demotion or transfer to such class, provided there are one or more employees in the class in the department having less total city seniority. (The least senior employee displaced as a result shall be subject to demotion, transfer or layoff in accordance with applicable provisions of this Rule.)

An election to accept a demotion or transfer to a formerly-held class is optional for employees who also have a right to a demotion in series.

(c) Change of Status to Vacant Positions in Other Classes

If the employee has exhausted his rights to demotion or transfer under (a) and (b) above, the department may, in so far as the interests of the service permits, propose transfer or demotion of the employee, to an available vacant position in any other class in the department for which the department believes the employee is qualified. Such proposed change of status shall be subject to the approval of the Personnel Director.

### SECTION 3 - CITY WIDE DISPLACEMENT

Employees with permanent status who have been laid off in a class from a city department shall displace employees of the same classification in those categories listed in Paragraph A of Section 2 on a City-wide basis. In addition, laid off permanent employees who have one or more years of classified service shall displace other permanent employees in the same classification of lesser seniority on a City-wide basis. Employees who fail to exhaust their eligibility for demotion to the next lower class in series in their department shall lose their eligibility for City-wide displacement. (Least senior employees displaced under this section shall be subject to demotion, transfer or layoff in accordance with applicable provisions of this Rule.)

Displacement of lesser seniority employees across departmental lines shall be accomplished by layoff and displacement certification and shall coincide with the effective date of the lay off, if possible, but in any event within thirty (30) days of the effective date of lay off of employees having displacement rights.

### SECTION 4 - RE-EMPLOYMENT PROCEDURES

- A. Employees with permanent status in the class who were laid off, demoted, transferred, or laid off and certified to a lower class as a result of a reduction in force shall have their names maintained in order of their total city seniority on a special register ("blocking list") in the Personnel Department. Such employees shall be entitled to recertification, promotion or transfer from the register to any vacancy in the class from which they were demoted, transferred or laid off, or any lower class in the same series in any city department, before any such vacancy can be filled by certification, promotion, or transfer.

An employee's name shall remain on the special register until he is restored to the classification (or equivalent level) from which he was demoted, transferred or laid off, or waives an offer of such restoration.

- B. Laid off employees who elect layoff in lieu of demotion in series shall be placed on the preferred eligible list for the class in which they were laid off and shall be recertified to available vacancies in this class in the order of their total city seniority from the list.
- C. Laid off employees shall be placed on preferred eligible lists for all other classes in which they have held permanent status and shall be offered certification to available vacancies in these classes in the order of their total city seniority from such lists, provided that employees who were laid off in such classes have been first recalled.

Should a laid off employee on a preferred eligible list waive an offer of employment to a position in the class, his right to remain on that list shall terminate.

- D. In the absence of a preferred eligible list for a class, laid off employees shall be certified to requisitions for positions in such class from higher, equivalent or allied lists which have been determined to be appropriate by the Personnel Department.

#### SECTION 5 - EFFECT OF JURISDICTIONAL LINES

The order of lay off, demotion and re-employment shall not be altered by bargaining unit jurisdictional lines and employees shall carry their total city seniority across jurisdictional lines for reduction in force purposes.

#### SECTION 6 - EMPLOYEES HOLDING MULTIPLE TITLES

In determining an employee's rights under this Rule, an employee can have permanent status in only one class at a time. An employee who carries a multiple title shall have permanent status in the lowest class of his multiple title or the class in which he last held permanent status on a single title basis, unless there is a contractual agreement which otherwise identifies the class in which the employee has permanent status, or official action is taken designating such class based upon the nature and history of the employment. Such agreement or official action must be completed at least ninety (90) days prior to the announcement of the reduction in force.

#### SECTION 7 - CONDITIONAL WAIVER OF EMPLOYEE RIGHTS

Where the City anticipates that a reduction in force will not exceed thirty (30) days, any employee in a class subject to reduction in force and his employing department may agree to a conditional waiver of the employee's seniority rights for a specified period not to exceed thirty (30) days. This conditional waiver must be in writing and be approved by the Personnel Director. It is recognized that an out-of-seniority lay off resulting from such waiver is for the benefit of the City and the employee retains the right to exercise all rights to restoration, demotion, transfer and displacement at the end of the specified period.

#### SECTION 8 - PREEMPTIVE LAY OFF REQUESTS

If a reduction in force in a department is imminent or taking place over an extended period of time, any employee who has been identified as being subject to layoff, may request in writing that he be laid off prior to the date when he would be reached for such layoff. Such request is subject to approval of the employing department and the Personnel Director.

Employees who are granted an effective date of layoff earlier than the scheduled layoff date shall retain the same rights which they would have had had they been laid off as scheduled.

#### SECTION 9 - STATUS CHANGES IN ANTICIPATION OF LAY OFFS

Where the Personnel Department shall find that any status change was made either to avoid the layoff of or to cause the layoff of any employee, upon finding by the Personnel Director that such status change was made for reasons other than the good of the service such status change shall be set aside and proper layoff made; provided, however, this section shall not apply to status changes of more than six (6) month's standing.

NOTE: In order to be recertified for employment, laid off employees must be residents of the City of Detroit or other approved area if applicable.

Laid off employees moving out of the City of Detroit and who wish to remain eligible for recall under Section 4 must file a change of address with the Certification Section of the Personnel Department. Failure to do so will result in the employees name being struck from all reemployment lists.

#### 14. VACATION

##### A. ELIGIBILITY:

Employees inducted during the course of the fiscal year shall not be eligible for vacation leave without deduction of pay until they shall have earned at least one-thousand hours of paid time, exclusive of overtime or premium time, and until they have attained status as City employees for at least six (6) months. When employees qualify, as above stated, they shall be entitled to five (5) days of vacation leave. Once employees have earned at least one-thousand nine hundred and seventy-six (1,976) hours of paid time, exclusive of overtime, and have attained status as employees for at least twelve (12) months, they are entitled to five (5) additional vacation days. This provision will not affect the current practice governing disabled employees.

F. Employees, who become eligible for a pension under the vesting provisions of the plan, shall be ineligible for any of the hospital, medical or optical benefits provided for other retirees, spouses, dependents or beneficiaries.

PAVING FOREMEN'S ASSOCIATION - UNIT II

RE: EQUITY FORMULA FOR 1984-85 and 1985-86

The formula base shall be established by using the following four revenues which are estimated in the 1983-84 Budget at a total of \$517,817,285: the Municipal Income Tax; current year, net collection of the 23 mill Property Tax for operating purposes, exclusive of penalty and interest, and excluding any taxes which may be paid in the future by Blue Cross/Blue Shield of Michigan; State Revenue Sharing; and Federal Revenue Sharing.

The above base shall be adjusted for any changes in tax rates, or changes in distribution formulas from the way they are currently formulated, and which may increase revenues from these sources. The adjustment must be factored out in a manner acceptable to the union(s) and the City Administration before being used to compute any wage increase.

In the event funds are delayed or deferred by the State of Michigan for cash flow reasons they will be considered received and applicable to this formula on the date they were due in accordance with general acceptable accounting principles as audited by the Auditor General of the City of Detroit or a certified outside independent auditor.

In November 1984 the union(s) and the City will review the actual 1983-84 receipts from the four major revenue sources involved, such receipts having been audited and certified by the Auditor General of the City of Detroit or a certified outside independent auditor. If total receipts from these four sources exceed the total amount budgeted, the surplus over budget shall be distributed as follows:

Using the 1983-4 Budget Development Fund Pro-Forma (FICS) Report, we have determined the percentage that total Salaries and Wages exclusive of Shift Premium, represent of total appropriations in the General (0100) Fund. That percentage is 38.4% (\$320,619,268 in salaries and wages divided by \$834,444,602) in total fund appropriations. The Union(s) and the City agree that this percentage will be applied to any surplus revenue dollars to determine the share of that surplus which will be available for Wage Increases and restoration of regular budgeted positions to the appropriate bargaining groups.

Of the 38.4% of surplus available, 90% will be used to fund wage increases up to 4% of base salary for all General Fund employees; once a 4% raise has been financed, 75% of any remaining surplus will be used for additional wage increases up to 6%; once a 6% raise has been financed, 50% of any remaining surplus will be used for defraying employee fringe benefit cost up to 8%; all remaining surplus available after 8% shall be available for the purpose of restoring regular budgeted positions. (See Schedule A.)

The cost of each 1% raise shall be determined by the following formula which is outlined on Schedule B:

Take 1% of the amounts budgeted in the official 1984-85 City of Detroit General Fund (0100) budget for salaries and wages (which includes all compensation other than shift premium). The dollar amount determined by this formula will be divided into the number of dollars available from surplus for wage increases to determine the percentage raise to be applied to uniformed and civilian employees of the City of Detroit. This percentage raise which shall be factored into the base rate shall be effective on January 1, 1985, and the City will be responsible for the cash cost of pension burden and the employer's share of Social Security taxes on this wage increase.

In addition, this same percentage increase will be applied to hours paid to an employee from the period July 1, 1984 through December 30, 1984 and will be paid on a lump-sum retroactive basis on the first scheduled pay of January 1985. This pay shall be known as the "Half-Year Equity Bonus" and the City and the union(s) shall agree that it shall not be considered in the computation of Average Final Compensation for pension purposes and shall not be subject to any contribution by the City to the various pension funds.

In November 1985 the union(s) and the City shall review the actual 1984-85 receipts from the four major revenue sources involved, such receipts having been audited and certified by the Auditor General of the City of Detroit or a certified outside independent auditor. If the sum of the collections from the four sources is greater than 105% of the 1983-84 budgeted revenues from these four sources, then the surplus over 105% will be available in the following manner:

Using the 1983-4 Budget Development Fund Pro-Forma (FICS) Report, we have determined the percentage that total Salaries and Wages exclusive of Shift Premium, represent of total appropriations in the General (0100) Fund. That percentage is 38.4% (\$320,619,268 in salaries and wages divided by \$834,444,602) in total fund appropriations. The Union(s) and the City agree that this percentage will be applied to any surplus revenue dollars to determine the share of that surplus which will be available for Wage Increases and restoration of regular budgeted positions to the appropriate bargaining groups.

Of the 38.4% of surplus available, 80% will be used to fund wage increases up to 2% of base salary for all General Fund employees; once a 2% raise has been financed, 70% of any remaining surplus will be used for additional wage increases up to 4%; once a 4% raise has been financed, 60% of any remaining surplus will be used for additional wage increases up to 6% of base salary; once a 6% raise increase has been financed 50% of any remaining surplus will be used for defraying employee fringe benefit cost up to 8% of surplus; once the 8% has been financed, all remaining surplus available shall be available for the purpose of restoring regular budgeted positions. (See Schedule A.)

The cost of each 1% raise shall be determined in the same manner as was the case in November 1984, except that 1985-86 Budget data will be used. Any raise granted under the formula will be paid effective January 1, 1986, and factored into the employee's base rate, with the City responsible for the cash cost of pension burden and the employer's share of Social Security taxes on the wage increase. A similar, retroactive lump-sum "Half-Year Equity Bonus" would be paid on the first scheduled pay of January 1986 in the same fashion and subject to the same conditions as in the previous year.

DATED THIS 27<sup>th</sup> DAY OF June, 1984.
