ASSOCIATION DUES OR FEES AND PAYROLL DEDUCTIONS

- A. Any teacher who is a member of the Association, or who has applied for membership, may sign and deliver to the Board an assignment authorizing deduction of Dues, Assessments and Contributions in the Association which sum shall be in the amount of \$ \_\_\_\_\_ for the school year 1986 - 1987, and shall thereafter be as established by the Association. Such authorization shall continue in effect from year to year unless revoked according to the procedures outlined in the MEA Constitution and By-Laws. Pursuant to such authorization, the Board shall deduct such dues, assessments and contributions from the regular salary check of the teacher each pay period beginning in September. Any teacher who shall not perform services for any entire month of the school year shall not be required to pay dues for each entire month he/she did not work, except where the failure to perform services during any month was the result of the teacher taking any paid leave of absence or sick leave provided for in this contract. The Board will remit the full amount of dues for all members of the Association no later than November 30 of each year.
- B. Upon appropriate written authorization from the teacher, the Board shall deduct from the salary of any teacher and make appropriate remittance for annuities, credit union, savings bonds, charitable donations, or any other plans or programs jointly approved by the Association and the Board.
- C. This article shall be effective retroactively to the date of the Agreement and all sums payable hereunder shall be determined from said date.

FINANCIAL RESPONSIBILITY

- A. On or before the 30th of September of each year, the Association shall notify the Board of the amount of the annual dues payable by members of the Association, and the equivalent amount payable by non-members pursuant to Section 10 (1) (c) and (2) of the Public Employment Relations Act. The Board shall thereupon deduct such amounts in equal installments, as nearly as may be, from the paychecks of each teacher who has executed an individual contract of employment, and promptly pay such amount over to the Association or its delegees. Upon remitting such amounts, the Board shall have no further liability or responsibility with respect thereto.
- B. The parties agree that every teacher suffered or permitted to work will be required each school year to sign an individual contract of employment as provided in Section 569 of the School Code and that every such contract shall contain the following:
- "This contract is subject to a collective labor agreement heretofore or hereafter negotiated by the Board and the exclusive bargaining representative of teachers employed by the Board. The terms of such collective labor agreement are incorporated herein and by accepting this contract, you agree to be bound by all such terms, including wage deduction provisions thereof."
- C. Those teachers who made application and/or were members during the 1979-80 school year shall remain members or pay equal to the dues of the United Teaching Profession of the Northern Michigan Education Association. And, further, that any employees who hereinafter join the Association or new members employed by the Mackinaw City School District shall be bound by Section 1.7 above. Those teachers who were not members of the Association during the 1979-80 school year are not bound by Section 1.7, Paragraphs A and B.

SCHOOL CALENDAR

- A. The parties agree that all aspects of the school calendar are negotiable including length of the school year, and further agree that the school calendar shall be set forth in Section 6.2. Any deviation shall be by mutual written consent.
- B. The school calendar shall be coordinated with the Cheboygan Area Schools and/or the Intermediate School District. Machinery for insuring its mutuality shall be established between the school districts and the Association.
- C. Spring recess should be established on the following criteria:
- a. Early Easter - late recess
  - b. Late Easter - early recess.
- D. Scheduled days of student instruction which are not held because of conditions not within the control of school authorities such as inclement weather, fires, epidemics, mechanical break downs, or health conditions as defined by the city, county or state health authorities, may be re-scheduled in the discretion of the Board of Education to insure that there are a minimum of one hundred eighty (180) days of actual student instruction. Teachers will receive their regular pay for days which are cancelled but shall work on any rescheduled days with no additional compensation. The actual dates on which any makeup days will be held will be negotiated by two designated representatives of the Association and two designated representatives of the Board of Education. Any agreement reached by such representatives will be binding on the Association without a formal ratification vote. In the event an agreement cannot be reached regarding the dates on which the makeup days will be held by March 15, the Board of Education shall establish such days.

PROFESSIONAL GRIEVANCE PROCEDURE

- A. A claim by a teacher or the Association that there has been a violation, misinterpretation or misapplication of any provision of this Agreement or any rule, order, policy, or regulation of the Board may be processed as a grievance as hereinafter provided. F
- B. In the event that a teacher believes there is a basis for a grievance, the teacher shall first discuss the alleged grievance with his/her building principal either personally or accompanied by his/her Association representative. The grievance must be filed within fifteen (15) calendar days of the violation, misinterpretation or misapplication, or within fifteen (15) calendar days of the discovery thereof.
- C. If, as a result of the informal discussion with the building principal, a grievance still exists, the teacher may invoke the formal grievance procedure through the Association on a form provided by the Association representative in each building. A copy of the grievance form shall be delivered to the principal. If the grievance involves more than one school building, it may be filed with the superintendent or a representative designated by him. G
- D. Within five (5) calendar days of receipt of the grievance, the principal shall meet with the Association in an effort to resolve the grievance. The principal shall indicate his/her disposition of the grievance in writing within five (5) calendar days of such meeting and shall furnish a copy thereof to the Association. H I
- E. If the Association is not satisfied with the disposition of the grievance or if no disposition has been made within five (5) calendar days of such meeting (or ten (10) calendar days from date of filing, whichever shall be later), the grievance shall be transmitted to the superintendent. Within ten (10) calendar days, the superintendent or his designee shall meet with the Association on the grievance J

and shall indicate his/her disposition of the grievance in writing within five (5) calendar days of such meeting and shall furnish a copy thereof to the Association.

- F. If the Association is not satisfied with the disposition of the grievance by the superintendent or his designee, or if no disposition has been made within five (5) calendar days of such meeting (or ten calendar days from the date of filing, whichever shall be later), the grievance shall be transmitted to the Board by filing a written copy thereof with the secretary or other designee of the Board. The Board, no later than its next regular meeting or two calendar weeks, whichever shall be later, shall meet with the Association on the grievance. Disposition of the grievance in writing by the Board shall be made no later than seven (7) calendar days thereafter. A copy of such disposition shall be furnished to the Association.
- G. If the Association is not satisfied with the disposition of the grievance by the Board or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator. The arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.
- H. The fees and expenses of the arbitrator shall be shared equally by the parties.
- I. The time limits provided in this article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship of any party, the superintendent shall use his best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- J.. Notwithstanding the expiration of this Agreement, any claim or

grievance arising thereunder may be processed through the grievance procedure until resolution.

- K. Paid leave shall be provided any employee of the district who is called to testify at an arbitration hearing.
- L. In the event that a grievance is filed by a bargaining unit member of the Association that is of such a nature that expediency in resolution is imperative or the grievance is of such a nature that a resolution could not be achieved by following the normal procedures, the parties may, by mutual consent, send the grievance directly to binding arbitration.
- M. If the Association files a demand for arbitration concerning a grievance pursuant to step G of the above-mentioned procedures and the Board files an action in Circuit Court to stay the arbitration, in the event the Board does not prevail in the ultimate court determination and the alleged grievance is directed to an arbitrator for a ruling on its arbitrability and/or merits, the Board shall reimburse the Association for any and all costs, including attorney fees, incurred by it as a result of its participation in the stay proceedings and appeals therefrom. Under such circumstances, in the event the Board does prevail in the ultimate court determination and the alleged grievance is held to be not arbitrable, the Association shall reimburse the Board for any and all costs.
- N. If the Association receives an unfavorable arbitration award and appeals such award to the Circuit Court, in the event the Association does not prevail in the ultimate court determination, the Association shall reimburse the Board for any and all costs, including attorney fees, incurred by reason of its participation in the initial appeal proceedings and any appeals therefrom. If the Board receives an unfavorable arbitration award and appeals such award to the Circuit Court, in the event the Board does not prevail in the ultimate court determination, the Board shall reimburse the Association for any and all costs, including attorney fees, incurred by reason of its participation in the initial appeal proceedings and any appeals therefrom.

- O. If any teacher for whom a grievance is sustained shall be found to have been unjustly discharged, he shall be reinstated with full reimbursement of all professional compensation lost. If he shall have been found to have been improperly deprived of any professional compensation or advantage, the same or its equivalent in money shall be paid to him.

NEGOTIATION PROCEDURES

- A. It is contemplated that matters not specifically covered by this Agreement but of common concern to the parties shall be subject to professional negotiations between them from time to time during the period of this agreement upon request by either party to the other. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters.
- B. At least sixty (60) days prior to the expiration of this Agreement the parties will begin negotiations for a new agreement covering wages, hours, terms and conditions of employment of teachers employed by the Board.
- C. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.

JUST CAUSE

- A. No teacher shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause. Any such discipline, or reprimand or reduction in rank, compensation or advantage, including adverse evaluation of teacher performance or violation of professional ethics asserted by the Board or any agent or representative thereof, shall be subject to the professional grievance negotiations procedure hereinafter set forth.
- B. A bargaining unit member shall be entitled to have present a representative of the Association during any meeting which leads to disciplinary action. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present. Should disciplinary action likely occur at a given meeting, the teacher shall be advised immediately of said possibility and be advised of the right to representation under this provision of the agreement.

SECTION TWO

EMPLOYEE RELATIONSHIPS

Section 2.1

VACANCIES, PROMOTIONS AND TRANSFERS

- A. The Board recognizes that it is desirable in making assignments to vacancies and new positions to consider the interests and aspirations of its teachers. Vacancies occurring within the bargaining unit and within the total professional staff, including newly created positions, shall be posted on a designated bulletin board in each building along with a copy of such posting to the Association. Positions as above described shall be posted at least ten (10) school days prior to being filled. Teachers may apply for such positions by submitting a written application to the personnel office. Said positions will be filled on the basis of the experience, competency, qualifications of the applicant and length of service in the District. When experience, competency and qualifications are substantially equal, the applicant with greater seniority shall be given preference.
- B. During the summer months when regular school is not in session, the Board will post in the personnel office all vacancies as above described and shall also forward at the same time copies of said vacancies to all teachers and the Association. Positions so posted shall remain posted at least fifteen (15) calendar days prior to being filled. Application may be made in the same manner as above described. Likewise, positions shall be filled on the same basis as provided in Paragraph A above.
- C. Involuntary transfers may be effected only for reasonable and just cause. Prior to the effectuation of any involuntary transfer, the Superintendent shall provide the affected teacher and the Association written reasons for the transfer.
- D. When involuntary transfers are effected for a necessary reduction in a school's staff allocation due to reduced student enrollments or the closing and/or consolidation of a building, said

transfers will be made on the basis of years of service in the district; that teacher in the affected building possessing the least amount of service and applicable certification being transferred first.

- E. The teachers shall be entitled to full rights of citizenship and no religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher. The private and personal life of any teacher is not within the appropriate concern or attention of the Board.
- F. A teacher will have the right to review the contents of all records, excluding initial references, of the district pertaining to said teacher, originating after initial employment and to have a representative of the Association accompany him/her in such review.
- G. No material, including but not limited to, student, parental, or school personnel complaints originating after initial employment will be placed in his/her personnel file unless the teacher has had an opportunity to review the material. Complaints against the teacher shall be put in writing with names of the complainants, administrative action taken, and remedy clearly stated. The teacher may submit a written notation regarding any material including complaints, and the same shall be attached to the file copy of the material in question. If the material to be placed in the file is inappropriate or in error, the material will be corrected or expunged from the file, whichever is appropriate. When a teacher is requested to sign material placed in the file, such signature shall be understood to indicate his/her awareness of the material but shall not be interpreted to mean agreement with the content of the material. All recommendations, written or oral, shall be based solely on the contents of the teacher's personnel file.
- H. The Board agrees that it will in no way discriminate against or between employees covered by this agreement because of their race, creed, religion, color, national origin or ancestry, age,

sex, marital status, physical characteristics, or place of residence.

- I. All communications obtained by a teacher in confidence during the course of his/her professional duties which if disclosed to other persons might result in substantial and irreparable harm to the student involved need not, except with the consent of said teacher, be disclosed to anyone, including but not limited to any school administrator, parent or guardian, unless such disclosure has been determined to be required by law. In addition, the refusal to reveal such information shall not be considered cause for discipline or dismissal nor may any reference to such a refusal become part of any personnel record unless such refusal is made in bad faith by the teacher.

TEACHER RIGHTS

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation or other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power and under cover of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. The Board specifically recognizes the right of its employees appropriately to invoke the assistance of the State Labor Mediation Board, or a mediator from such public agency, or an arbitrator appointed pursuant to the provisions of this Agreement, and the Board agrees to be bound by any lawful order or award thereof.
- C. The Board agrees to furnish to the Association in response to reasonable requests from time to time all available information concerning the financial resources of the district, tentative budgetary requirements and allocations and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students, together with the information which may be necessary for the Association to process any grievance or complaint.

193 147

D. Reprimand in presence of students, faculty, or others will not be indulged in; such reprimands will be private with only those involved present.

TEACHER QUALIFICATIONS AND ASSIGNMENTS

- A. All new teachers including substitutes employed by the Board for any regular teaching assignment shall have a bachelor's degree from a NCATE accredited college or university, a provisional or permanent certificate, and not less than ten (10) weeks of supervised student teaching experience with a certified teacher or teachers in a K-12 school district.
- B. The employment of teachers without provisional, permanent or continuing certification is to be permitted only in cases of absolute necessity when no qualified applicants are available and following an active search by school officials, and the Association shall be so notified in each instance. Any person so employed must complete requirements for and obtain provisional, permanent, or continuing certification to be re-employed for a second year.
- C. The Board shall file for and pursue the renewal of annual vocational authorization permits for teachers certified under Section 390.1165, Rule 65, Administrative Rules Governing the Certification of Michigan Teachers. Teachers affected will be notified in writing at the earliest possible date that certification has been applied for and will be informed of the acceptance or rejection of the renewal immediately.
- D. The Board further agrees to give preference to laid off Michigan teachers when filling vacancies with applicants from outside the District.
- E. Teachers shall not be assigned outside the scope of their teaching certificates and their major or minor field of study except temporarily and for good cause, and the Association shall be so notified in each instance and shall be provided with a written statement of reasons for such assignment. Temporary shall be defined for purposes of this Article as not to extend beyond the current semester.
- F. All teachers shall be given written notice of their assignment for the forthcoming school year no later than June 1. For

elementary teachers such notice shall include building and grade level. For secondary teachers such notice shall include building, department(s) and a listing of courses to be taught. If a teacher's assignment for the forthcoming school year represents a change in the assignment currently held by the teacher, such reassignment will only be made upon prior consultation with the affected teacher and only for reasonable and just cause. In the event that changes in a teacher's June assignment as to building, grade level, or department(s) are proposed after the June date, such changes shall be considered an involuntary transfer and shall, therefore, be implemented only for reasonable and just cause.

G. Any assignments in addition to the normal teaching schedule during the regular school year, including adult education courses, driver education, extra duties enumerated in Appendix \_\_\_\_\_ and summer school courses shall not be obligatory, but shall be with the consent of the teacher. All such positions when vacant shall be posted and filled in accordance with paragraph A. of Section 2.1 of this Agreement.

H. Two Way Interactive Television. It is agreed that two-way interactive television will be an alternative to be used for the instruction of students in the Mackinaw City Public Schools. Teachers are encouraged to develop classes for use in the system. Teacher assignments to teach classes utilizing two way interactive television will be voluntary for teachers.

All credit classes will be taught by certified teachers.

Teachers shall not be responsible for the behavior of the students at the remote sites where instruction is being sent by the Mackinaw City Public School.

Teachers will be provided with training to teach them methods of instruction for the new system. This training will be at no cost to the instructor.

The sending school district shall be the employer.

Classes produced shall not be copied or reproduced in any manner so as to cause any teacher to be replaced.

The use of the two-way interactive t.v. program shall not cause any teacher to be laid off.

Since this is an exploratory program, the parties agree to meet on demand to bargain hours and terms or conditions of employment that are not herein covered.

TEACHER EVALUATION

- A. Each teacher, upon employment or at the beginning of the school year, whichever is later, shall be apprised in specific terms of the teacher's responsibilities. All such responsibilities shall have been previously approved by the Association as appropriate for the teaching position involved. Teachers will be informed of the specific criterion upon which they will be evaluated.
- B. It shall be a major administrative responsibility to assist teacher to become oriented to the district and improve instruction through direct observation of the teacher's work and providing written summaries of those observations together with any recommendations the administrator may have for the teacher. Probationary teachers shall be so observed at least three times per year, and tenure teachers shall be so observed at least once per year.
- C. All monitoring or observation of the work performance of a teacher shall be conducted openly. Public address or audio systems and similar surveillance devices shall be used with the full knowledge of the teacher.
- D. Each observation may be preceded by a pre-observation conference between the administrator and the teacher so that the administrator can be apprised of the teacher's objectives, methods, and materials planned for the teaching-learning situation during which the teacher is to be observed.
- E. An observation of the teacher shall be for not less than thirty (30) minutes or the duration of a particular teaching unit.
- F. The administrator shall prepare and submit a written report and recommendations to the teacher within ten days of the observation. If an administrator believes a teacher is doing unacceptable work, the reasons, therefore, shall be set forth in specific terms as shall an identification of the specific ways in which the teacher is to improve and the assistance with attaining said improvement to be given by the administrator and other staff members.

.4  
In subsequent observation reports, failure to again note a specific deficiency shall be interpreted to mean that adequate improvement has taken place.

- G. The administrator shall hold a post-observation conference at the request of the teacher for the purpose of clarifying the written report and recommendations. Such a conference shall be held within a reasonable period of time of the submission of the written report to the teacher.
- H. A teacher who disagrees with an observation or recommendation may submit a written answer which shall be attached to the file copy of the observation in question.
- I. No evaluation shall unduly interfere with the normal teaching-learning process.

REDUCTIONS IN PERSONNEL, SENIORITY AND RECALL

- A. No later than thirty (30) days following the ratification of this Agreement, and by every September 30 thereafter, the Board shall prepare a seniority list. Seniority is defined as length of service within the local bargaining unit. All teachers shall be ranked on the list in the order of their effective date of employment. In the circumstance of more than one individual having the same effective date of employment, all individuals so affected, will participate in a drawing to determine placement on the seniority list. The Association and teacher(s) so affected will be notified in writing of the date, place and time of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected teachers and Association representatives to be in attendance.
- B. The seniority list shall be published and posted conspicuously in all buildings of the district by October 15 of each school year. Revisions and updates of the seniority list shall also be published and posted as they are made. A copy of the seniority list and subsequent revisions and updates shall be forwarded to the Association.
- C. All seniority is lost when employment is severed by resignation, retirement, discharge for cause; however, seniority is retained if severance of employment is due to layoff. In cases of layoff, teachers so affected shall retain all seniority accumulated as of the effective date of layoff.
- D. Layoff shall be defined as a necessary reduction in the work force beyond normal attrition due to decreased student enrollment or shortage of revenues.
- E. Layoff Procedure In order to promote an orderly reduction in personnel, the following procedure will be used:
1. Probationary teachers shall be laid off first. A probationary teacher shall not be laid off unless there is a tenure teacher who is certified and available to perform the duties of the position the probationary teacher is vacating or unless the position that the probationary teacher is vacating is being eliminated altogether.

2. If the reduction of teaching personnel is still necessary, then tenure teachers in the specific positions being reduced or eliminated shall be laid off on the basis of seniority, except as hereinafter provided. Layoffs made pursuant to this section shall be made in the inverse order of seniority; i.e., those with the least seniority are to be laid off first.
3. A tenure teacher, who is laid off pursuant to this Article has the right to be placed in a teaching position for which he is certified to fill and which is occupied by a teacher with less seniority.
4. For the purposes of this Article "qualified" shall be defined in the following manner:
  - a. For placement in a K-6 grade level elementary position, a tenure teacher is qualified if he/she has elementary certification, as prescribed by the Michigan Teacher Certification Code.
  - b. For placement in a secondary teaching position (7-12) a tenure teacher is qualified if he/she is certified under the Michigan Teacher Certification Code.
- F. Laid off teachers shall be recalled to the first vacancy for which they are certified in reverse order of layoff. All laid off teachers shall be recalled immediately upon the resolution of any crisis which may have precipitated the reduction in staff.
- G. A laid off teacher shall be considered laid off until he/she is reinstated in the district. Refusal of an offer from the Board of a position for which the laid off teacher is certified, or failure to respond within thirty (30) calendar days of the receipt of a written offer of a position made by the Board shall be cause for termination.
- H. Notifications of a recall shall be in writing with a copy to the Association. The notification shall be sent by certified mail to the teacher's last known address. It shall be the responsibility of each teacher to notify the Board of any change in address.
- I. Recalled teachers shall be entitled to all sickness and leave benefits as provided herein. Utilization of such benefits or an existing necessity for utilization of such benefits shall not be considered proper reason for failure to recall or reinstate.

- J. All teachers subject to layoff shall receive full fringe benefits provided herein for the remainder of the contract year.
- K. A laid off teacher shall upon application be granted priority status on the district substitute teacher list.
- L. A laid off teacher may continue his/her health, dental and life insurance benefits by paying monthly the normal per subscriber group rate premium for such benefits to the Board.
- M. During a period of impending layoffs, the Board may grant requests for voluntary leaves of absence to teachers who make such requests.
- N. In the event of a layoff, bargaining unit members will be notified at least thirty (30) days before such layoff.

A.

B

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms hereof of this agreement, and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

SECTION THREE  
TEACHING CONDITIONS

Section 3.1

STUDENT DISCIPLINE AND TEACHER PROTECTION

- A. The Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom.
- B. A teacher may exclude a pupil from one class when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as his/her teaching obligations will allow, full particulars of the incident in writing. The pupil shall not be returned to the class period until after consultation by the principal with the teacher.
- C. Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative.
