ARTICLE III - GRIEVANCE PROCEDURE

SECTION 1: GRIEVANCE DEFINED. A grievance shall be defined as any dispute regarding the meaning, interpretation, application or alleged violation of the terms and provisions of this Agreement or the reasonableness of any rule related to wages, hours or working conditions.

SECTION 2: FIRST STEP. Within ten (10) working days after the occurrence of the event upon which a grievance is based or upon the reasonable ability to have knowledge of the occurrence, all grievances should first be discussed with the employee's immediate supervisor. If the matter is not resolved, and to be processed hereunder, a grievance must be reduced to writing, state the facts upon which it is based, when they occurred, specify the Section of the contract which has allegedly been violated, must be signed by the employee who is filing the grievance and must be presented to the employee's immediate supervisor within ten (10) working days after receipt of the immediate supervisor's oral answer. The immediate supervisor

shall give a written answer to the aggrieved employee within ten (10) working days after receipt of the written grievance. If the answer is satisfactory, the employee shall so indicate on the Board's copy of the grievance and sign same.

SECTION 3: SECOND STEP. If the grievance is not settled in writing in the First Step, and it is to be appealed to the Second Step, the appropriate Association representative for the area in which the grievance arose shall present the grievance to the Assistant Superintendent for Human Resources/Labor Relations, or designee, within ten (10) working days after receipt of the First Step answer. The Assistant Superintendent of Human Resources/Labor Relations may either conduct a hearing or render a decision without a hearing. The Assistant Superintendent for Human Resources/Labor Relations shall give the Association representative a written Second Step answer to the grievance within ten (10) working days after the grievance has been presented to him, or in the event a hearing is conducted, within ten (10) working days after the close of the hearing. If the grievance is settled at this step, the Board's copy of the answer will be signed by the Association representative.

SECTION 4: THIRD STEP. If the grievance has not been resolved in the foregoing Steps and the Association desires to carry it further, the Association shall, within ten (10) working days following receipt of the Second Step answer, advise the Superintendent in writing that such answer is unacceptable, the reason it is deemed to be unacceptable, and in such communication further advise the Superintendent that the matter is being submitted to the American Arbitration Association in accordance with its Voluntary Labor Arbitration Rules, then obtaining, provided such submission is made within ten (10) working days after giving the Board the ten (10) working days notice above referred to. If the grievance has not been submitted to arbitration within said ten (10) working days period, it shall be considered as being withdrawn by the Association. The arbitrator shall have no authority to add to, subtract from, change, or modify any provision of this Agreement but shall be limited solely to the interpretation and application of the specific provisions contained herein. However, nothing contained herein shall be construed to limit the authority of an arbitrator in his own judgment, to sustain, reverse or modify any alleged unjust discipline or discharge that may reach this stage of the grievance procedure. The decision of the arbitrator on an arbitrable matter within his jurisdiction shall be final and binding upon the parties hereto. The expenses, wages, and fees of the arbitrator and the American Arbitration Association shall be shared equally by the Board and the Association. The expenses, wages, and fees of witnesses and representatives of the Board shall be borne by the Board, and the expenses, wages, and fees of witnesses and representatives of the Association shall be borne by the Association, in accordance with past practice.

SECTION 5: TIME LIMITATIONS. If a grievance which has not been settled at any Step of the grievance procedure is not appealed by the Association to the next succeeding Step within the time limit provided for such appeal, such grievance shall be considered as having been withdrawn by the Association. If the grievance is not answered within the time limits specified for such answer at any Step of the grievance procedure, such grievance shall automatically be advanced to the next higher Step of the grievance procedure, except that nothing contained herein shall be construed in such a manner as to automatically refer a subject to the Third Step of the grievance procedure.

SECTION 6: ASSOCIATION GRIEVANCES. Grievances on behalf of the entire Association shall be filed by the chairperson of the Association's grievance committee and shall be processed starting at the Second Step of the grievance procedure within ten (10) working days of the occurrence of the event upon which it is based or should have had knowledge of the event upon which the complaint is based.

SECTION 7: GRIEVANCE MEETINGS. Meetings provided for in the Second Step of the grievance procedure shall not start later than 4:00 p.m. on the day for which they are scheduled, unless mutually agreed upon by the parties hereto.

SECTION 8: GRIEVANCE COMMITTEE. The Assistant Superintendent for Human Resources/Labor Relations shall be promptly informed in writing as to the membership of the Association's grievance committee and any changes therein.

SECTION 9: WORKING DAYS DEFINED. Whenever the words are used in the Agreement, "working days" shall be defined as those days on which the District's Administration Office is scheduled for work between Monday and Friday (both inclusive) excluding holidays recognized under this Agreement.

SECTION 10: GRIEVANCE EXTENSION. Any of the time limits specified in the grievance procedure may be extended if such extension is mutually agreed to in writing by the Association and the Board.

SECTION 11: GRIEVANCE ISSUES. The following subjects shall not be subject to the grievance procedure:

- (a) Discipline or termination of a probationary employee;
- (b) Dispute over a seniority date once the date has been posted fifteen (15) working days; and
- (c) An involuntary, non-disciplinary transfer.

SECTION 12: HIGHER STEP GRIEVANCES. Any grievance which originates because of action taken by a representative of the Board other than the employee's immediate supervisor shall begin at the Assistant Superintendent Human Resources/Labor Relations and Evaluation's level of the grievance procedure.

ARTICLE IV - STRIKES AND LOCKOUTS

SECTION 1: ASSOCIATION SUPPORTED STRIKES. The Association agrees that during the life of this Agreement neither the Association, its agents, nor its members will authorize, instigate, aid, condone, or engage in a work stoppage, slowdown or strike. The Board agrees that during the same period there will be no lockouts.

SECTION 2: INDIVIDUAL STRIKES. Individual employees, or groups of employees, who instigate, aid, or engage in a work stoppage, slowdown, or strike may be disciplined or discharged in the sole discretion of the Board.

ARTICLE V - SENIORITY

SECTION 1: SENIORITY DEFINED. An employee's seniority shall be defined as his length of continuous service with the Board since his last hiring date. "Last hiring date" shall mean the date upon which an employee first reported for work as a regular employee at the instruction of the Board since which he has not resigned or been discharged. No time shall be deducted from an employee's seniority due to the absences occasioned by authorized leaves of absence, vacations, sick or accident leaves, transfers, or for layoffs for lack of work or funds except as hereinafter provided.

SECTION 2: PROBATIONARY PERIOD. All employees shall be probationary employees until they have actually worked ninety (90) days as a regular employee. The purpose of the probationary period is to provide the Board with an opportunity to determine whether employees have the ability and other attributes which will qualify them for regular employee status. During the probationary period employees may be terminated in the sole discretion of the Board without regard to their relative length of service. However, the Board will give the employee the reason for his termination which shall not be subject to the grievance procedure. At the conclusion of an employee's probationary period, the employee's name shall be added to the seniority list as of his last hiring date.

SECTION 3: SENIORITY LIST. The Board will maintain an up-to-date list, a copy of which shall be posted in each building twice each year, by November 15 and March 15, and a copy will be sent to the Association President. The names of all employees who have completed their probationary periods shall be listed on the seniority list in order of their most recent date of hire, starting with the employee with the greatest amount of seniority at the top of the list. If two or more employees who begin work after July 1, 2003 have the same last hiring date, their names shall appear on the seniority list in rank order as determined by a drawing conducted no later than October 1 of each school year. Such employees will be notified of the date, time and place of the drawing and be permitted to be in attendance, along with the President of the Association

SECTION 4: SENIORITY TERMINATION. An employee's seniority shall terminate:

- (a) If he quits or is discharged;
- (b) If following a layoff, he fails or refuses to notify the Board of his intention to return to work within seven (7) calendar days after written notice, sent by certified mail return receipt requested, of such recall, notice is sent to his last address on record with the Board and is returned as being undeliverable, or having notified the Board of his intent to return to work, fails to do so within fourteen (14) calendar days after such notice is sent, or upon the day established by the Board for his return, whichever is later;
- (c) If an employee is laid off for a continuous period of twenty-four (24) consecutive months;
- (d) If he is absent for three (3) consecutive work days without notifying the Employer prior to or within said three (3) days of a justifiable reason for such absence;

- (e) If he fails to request a leave of absence in writing, or does not return to work immediately following the termination of a leave of absence or vacation, unless, in the latter case, he presents evidence satisfactory to the Employer that it was impossible for him to return to work at the expiration of such leave or vacation.

SECTION 5: POSITION ASSIGNMENTS/TRANSFERS. Employees shall be notified, in writing, of their forthcoming schedule and assignments one week in advance. Employees who will be affected by a change in assignment/transfers during the school year, will be notified and consulted by their building principal as soon as practicable. The Superintendent of schools has the sole right to assign/transfer employees to positions for which they are qualified within the School District.

SECTION 6: DUTY ASSIGNMENTS. The assignment of various duties to non-certified employees within each school building shall be the responsibility of the building principal. The building principal shall inform the paraprofessional(s) of duties involved with the assignment.

SECTION 7: VACANCIES. In the Event the Board deems it necessary to fill a vacancy, the Board subscribes to the policy of filling vacancies from within its own employee staff. Therefore, whenever a permanent vacancy occurs or is anticipated, a notice thereof shall be posted on a bulletin board in each school building for five (5) school days before the position is filled, and at the time the notice is posted a copy thereof shall be sent to the Association President. Employees who desire to be considered for the vacancy shall submit their bids in writing to the Assistant Superintendent for Human Resources/Labor Relations. Permanent vacancies shall be filled by the applicant who in the judgment of the Board possesses the most experience, competency, qualifications and other relevant attributes to satisfactorily perform the job. Members of the bargaining unit who applied for vacancies shall be notified within ten (10) days after the job has been filled whether or not they received the position for which they applied. The Association President shall receive a copy of said communiqué. In the event a job is posted and not filled, the Association President, upon request, shall be furnished with the names of all bargaining unit members who bid on said position.

SECTION 8: REDUCTION OF WORK FORCE. When the size of the work force is reduced, temporary employees shall be laid off first. If further reduction occurs, probationary employees shall be laid off next, provided there are seniority employees who are qualified and able to satisfactorily perform the work of the laid-off employee with a reasonable break-in period. If further reduction occurs, seniority employees shall be reduced starting with the least senior employee and through the seniority list in inverse order, providing there are seniority paraprofessionals who are qualified and able to satisfactorily perform the work of the laid off employee with a reasonable break-in period. In the event there are no senior employees who are qualified and can satisfactorily perform the work of those scheduled for layoff with a reasonable break-in period, then the junior employee shall be retained and the senior employee shall be laid off. Other conditions for layoff are as follows:

- (a) If a paraprofessional's position is eliminated, she/he shall take the position of the least senior paraprofessional, provided she/he is qualified and can perform the work with a reasonable break-in period; and

- (b) The Board shall notify each paraprofessional at least ten (10) working days prior to layoff.

SECTION 9: RECALLING EMPLOYEES FOLLOWING LAYOFF. When recalling employees to work following layoff, the senior employee on layoff status who is qualified and has the present ability to satisfactorily perform the available work with the reasonable break-in period shall be recalled to such work. Available work shall be defined as any position in the bargaining unit which has been posted but not filled through the bidding process. If there are no employees on layoff status who are qualified and have the present ability to satisfactorily perform the available work with a reasonable break-in period, the senior laid off paraprofessional who is qualified and has the requisite ability to perform the work shall be the one recalled. If, under this section there are no laid off employees qualified for recall, then the Board shall be free to hire new employees who are qualified to perform such work. If an employee is given reasonable break-in as above provided, and demonstrates that with such break-in and training he is unable to satisfactorily perform such work, he shall then be returned to layoff status and shall be eligible for recall to work to which his qualifications and seniority entitles him.

SECTION 10: SUBSTITUTE PAY. If a bargaining unit employee is on lay-off and the District calls said laid-off employee in to substitute as a paraprofessional, said member shall be paid at his hourly rate of pay which would have been earned if the employee had not been laid-off but not be entitled to any other benefits unless the assignment exceeds twenty (20) consecutive work days (including partial days). The return of a bargaining unit member to work on a substitute basis shall not be considered a recall from layoff and does not constitute a break in the layoff for the purpose of Article V, Section 4(c).

SECTION 11: ON THE JOB TRAINING. If through lay-off, a bargaining unit member is placed into a type of position in which he has not served within the past two (2) years, said employee may request, in writing, through his immediate supervisor, training in said new position. If approved, said training shall be for a maximum of one (1) work day with the employee who is leaving said job.

SECTION 12: QUALIFIED. The district considers all currently employed paraprofessionals qualified until the provisions of the No Child Left Behind Act take effect. It is the responsibility of the paraprofessional to properly fill out any forms the district may require and submit verification of any tests or courses passed relevant to their NCLBA status.

ARTICLE VI - LEAVES OF ABSENCE

SECTION 1: LEAVE, PERSONAL. A leave of absence for personal reasons of not to exceed one (1) year may be granted, without pay or benefits, and without loss of seniority, to an employee who has completed his probationary period with the Board since his last hiring date, provided, in the judgment of the Board, such employee can be spared from his work. A leave of absence will not be granted to seek or accept other employment. A request for leave of absence hereunder must be made in writing, on a form provided by the Board, with one (1) copy hereof given to the employee's building principal and another copy sent to the Human Resources/Labor Relations Office. Such request must be made and the approval thereof received by the employee prior to his absence in order for the employee to be on an approved leave of absence.

SECTION 2: LEAVE, DISABILITY. In the event a paraprofessional becomes temporarily disabled, the paraprofessional may use accumulated sick leave days. Upon expiration of all such sick leave or the expiration of leave covered by the Family and Medical Leave Act (FMLA), whichever occurs later, the paraprofessional shall be granted a disability leave of absence without pay or Board paid fringe benefits for a period not to exceed one (1) calendar year, provided certification from a medical doctor supports the necessity for such leave. Should a paraprofessional be able to reasonably anticipate the need for a temporary disability leave because of illness, injury, or pregnancy, such paraprofessional shall notify the Assistant Superintendent for Human Resources/Labor Relations one (1) month prior to the anticipated beginning of the disability leave of absence. If the paraprofessional desires to return to work prior to the scheduled expiration of the leave, the paraprofessional shall:

- (1) Submit in writing notice of intent to return to work to the Assistant Superintendent for Human Resources/Labor Relations four (4) weeks prior to the expected date of return, or a shorter period if approved by the Assistant Superintendent for Human Resources/Labor Relations; and
- (2) Provide a certificate from a medical doctor attesting to the fact that the paraprofessional's physical condition is such that said paraprofessional is able to perform the duties of the assignment for which he is qualified and certified.

In the event the work and or attendance of a paraprofessional is adversely affected due to a disability condition prior to the paraprofessional's voluntary taking of a leave of absence, the paraprofessional shall be required to take an involuntary disability leave of absence should the Board's medical doctor substantiate the need for such involuntary leave. In the event a paraprofessional fails to return to work upon the expiration of a disability leave, the paraprofessional shall be terminated and forfeit any further rights the paraprofessional may have had under this Agreement or individual contract. Paraprofessionals who desire to continue their health insurance while on a disability leave may do so at their own expense, subject to the conditions and terms of the insurance carrier.

SECTION 3: LEAVE, MILITARY. An employee who enters the military service by draft or enlistment, shall be granted a leave of absence without pay for that purpose, and at the conclusion of such leave shall be reinstated in accordance with all applicable provisions of the Selective Service and Training Act, and any other applicable laws then effective.

SECTION 4: FAMILY AND MEDICAL LEAVE ACT. Pursuant to the Family and Medical Leave Act of 1993, as amended, an eligible employee shall be entitled to an unpaid leave of absence, of up to twelve (12) weeks, during a twelve (12) month period, for one or more of the following:

- a. Birth, adoption, or foster care placement of an employee's child;
- b. Serious health condition of an employee's spouse, child, or parent;
- c. The employee's own serious health condition.

The District shall provide the same group health care coverage during the employee's leave, up to twelve (12) weeks per twelve (12) month period of time. The employee returning from a leave

under this act shall be returned to his/her previous position or equivalent position. All leaves shall be granted only in accordance with federal regulations.

LETTER OF UNDERSTANDING

The Board and the Association share a common interest in seeing that all of the members of the paraprofessional staff who must obtain "highly qualified" status under the No Child Left Behind Act of 2001 ("the NCLBA") do so. In order to aid paraprofessionals in obtaining "highly qualified" status, the Board shall make available one-fourth (1/4) of five percent (5%) of the Title I funds that it is required to set aside to be used for reimbursement to paraprofessionals for expenditures in the following ways:

1. Reimbursement of up to a total of \$1,000 towards the tuition cost for up to twelve (12) hours of course work per school year (July 1 – June 30) per eligible paraprofessional which will lead to satisfying the requirements for becoming "highly qualified" under the NCLBA. In order to be eligible for reimbursement:
 - a. The paraprofessional must receive pre-approval for the course from the Superintendent or designee.
 - b. The paraprofessional must receive a grade of C or higher in the course.
 - c. The paraprofessional must apply for reimbursement in writing not more than 45 days after completion of the course. A copy of the receipt for tuition and the transcript showing successful completion or a letter from the instructor certifying successful completion must accompany the application.
2. Reimbursement for the cost of preparatory courses and materials for the Michigan state paraprofessional exam which are approved in advance by the Superintendent or designee.
3. Reimbursement for the application fee for taking the Michigan state paraprofessional exam. The Board's obligation to provide reimbursement is limited to the initial time the paraprofessional takes the exam and if necessary the time the paraprofessional actually obtains a passing score on the exam.

Your Rights

Under The

Family and Medical Leave Act of 1993

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for a covered

employer for at least one year, and for 1,250 hours over the previous 12 months, and if there are at least 50 employees within 75 miles.

Reasons For Taking Leave:

Unpaid leave must be granted for *any* of the following reasons:

- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

At the employee's or employer's option, certain kinds of *paid* leave may be substituted for unpaid leave.

Advance Notice and Medical Certification:

The employee may be required to provide advance leave notice and medical certification. Taking of leave may be denied if requirements are not met.

- The employee ordinarily must provide 30 days advance notice when the leave is "foreseeable."
- An employer may require medical certification to support a request for leave because of a serious health condition, and may require second or third opinions (at the employer's expense) and a fitness for duty report to return to work.

Job Benefits and Protection:

- For the duration of FMLA leave, the employer must maintain the employee's health coverage under any "group health plan."

- Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.
- The use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Unlawful Acts By Employers:

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA;
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement:

- The U.S. Department of Labor is authorized to investigate and resolve complaints of violations.
- An eligible employee may bring a civil action against an employer for violations.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.
