PROFESSIONAL NEGOTIATIONS AGREEMENT

This is a Professional Negotiations Agreement between the Board of Education of the Hillsdale Community Schools, Hillsdale, Michigan (hereinafter called the Board), and the Hillsdale Education Association (hereinafter called the Association),

GENERAL STATEMENT OF POLICY

The Board and the Association agree that the development and implementation of a high-quality instructional program is the responsibility of both the Board and the Professional Educators who are employed by the Board. It is further agreed that the best way to discharge this joint responsibility is through close consultation among the Board, the Administration, and the Teaching Staff.

Since these groups have the same goal, providing the best possible education for all students enrolled in the schools, relationships must be maintained which are based upon these high ideals and common interests and the proposition that education is a public trust and a professional calling.

The effective implementation of the above-stated policy requires a mutuality of relationship between the parties of this Agreement, both collectively and as individual members of their respective groups.

ARTICLE I

RECOGNITION

A. The Board hereby recognizes the Association as the exclusive bargaining unit for all teachers employed or to be employed by the Board, but excluding substitute teachers, supervisory and executive personnel, office, clerical, custodial, and school lunch employees and school bus drivers. The term "teachers," when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the bargaining unit as above defined and references to males shall include female teachers.

B. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association representative has been given an opportunity to be present at such adjustment.

C. Within ten days from the beginning of their employment hereunder, teachers may sign and deliver to the Board an assignment authorizing the deduction of membership dues or assessments of the Association (including the NEA and the MEA). This assignment authorizing deduction of membership dues is subject to change on a yearly basis at the option of the employee.

D. Nothing contained herein shall be construed to deny or restrict to any teacher rights he may have under any State or Federal Laws and Regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere. The Board and the Association agree to the Board policies and procedures that were in effect June 10, 1966, unless otherwise altered by specific conditions contained within this contract.

E. Teachers shall have the right to join any teacher organizations but membership in a teacher organization shall not be required as a condition of employment.

ARTICLE II

BOARD RIGHTS

A. The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including, and without limiting the generality of the foregoing, the right:

1. To the executive management and administrative control of the school system and its properties and facilities, and the professional activities of its employees;
2. To hire all employees and subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion; and to promote, and transfer all such employees;
3. To establish grades and courses of instruction, including special programs, and to provide for athletic, recreational, and social events for students, all as deemed necessary or advisable by the Board;
4. To decide upon the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aids of every kind and nature;
5. To determine class schedules, the hours of instruction, and the duties, responsibilities, and assignments of teachers and other employees with respect to administrative and non-teaching activities, and the terms and conditions of employment.

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of the State of Michigan, and the Constitutions and Laws of the United States.

ARTICLE III

TEACHER RIGHTS

A. The Board and the Association agree to abide by Act 379 of the Public Acts of Michigan for 1965 and all amendments thereto and to all the applicable laws and statutes pertaining to teachers' rights and responsibilities. The Board further agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of their rights granted to them under the laws above stated.

B. The Association and its members shall have the right to use the school building facilities before or after regular class hours and during lunch time. Such use of the building for Association meetings must be arranged for with the Building Administration in advance. The Administration retains the right-of-room assignment. Bulletin boards and teachers' mail boxes shall be made available to the Association for the posting or placement of materials relating to official business of the Association. These materials must be signed by a designated Association official. All such materials shall be sent to the Superintendent's Office prior to posting or placing in mailboxes for his information and as a matter of courtesy.

#### ARTICLE IV

##### PROFESSIONAL COMPENSATION

A. Salaries of teachers covered by this Agreement are set forth in Schedule A which is attached hereto and incorporated in this Agreement. The salary schedule as set forth in said schedule shall remain in effect during the term of this Agreement and as hereinafter set forth.

B. Salary Schedule A is based upon the normal weekly teaching load on a thirty-eight (38) week (190 days) basis during normal teaching hours, commencing after Labor Day. For special work, the teachers shall be entitled to appropriate additional professional compensation as set forth in Schedule B. Additional days of employment shall be compensated on a pro-rated basis of Schedule A. Type A special education teachers shall be compensated according to the Intermediate Board of Education reimbursement plan as set forth in Schedule C.

C. A teacher engaged during the school day in negotiating in behalf of the Association with any representative of the Board or participating in any necessary professional grievance or negotiation shall be released from regular duties without loss of salary. Such teachers are not to be excused from their duties until a qualified substitute can be secured.

D. Teachers may be credited with up to six years of teaching experience outside of Hillsdale on Schedule A.

E. Teachers receiving masters degrees at the close of the fall semester will be issued a new contract on the master degree schedule for the balance of the contract year; provided, however, that he submits official evidence of having earned said degree to the Superintendent on or before the first day of the spring semester.

F. Reimbursement for additional college credit earned beyond initial certification shall be at the rate of Twenty Dollars (\$20.00) per semester hour, payable at the end of each school year. Teachers leaving prior to the end of the school year are ineligible. New teachers are eligible for payment for credit earned during the summer session prior to the first contract year.

G. The earned increment principle of the Professional Growth Policy shall prevail for normal increment increases as set forth in Schedule A.

#### ARTICLE V

##### PROFESSIONAL GROWTH

A. The Professional Growth program as set forth in Appendix I is hereby adopted and made a part of this Agreement. This Professional Growth program is for the purpose of, and dedicated to, improving the quality of instruction by encouraging professional growth. Any changes in the Professional Growth policy shall be made in accordance with the provisions of this Agreement.

ARTICLE VI

TEACHING HOURS

A. The Board recognizes teaching as a professional calling and shall not impose unreasonable demands upon a teacher's time but shall agree that the schedule for the teaching staff shall be maintained at a professional level and shall be consistent with professional status. Any unusual change from present teachers' hours shall be determined jointly by the Board and the Association. All teachers shall attend meetings called by the Administration as a regular part of their teaching duties unless otherwise excused by the Administration.

B. Teachers shall report to their assigned buildings no later than fifteen minutes before the first bell admitting students to school. Teachers shall remain at their assigned buildings at least fifteen minutes after the bell sounds dismissing students from school. Exception to these regulations shall be only with permission of the building's principal. Every effort shall be made to provide duty-free lunch periods of not less than forty-five minutes for all teachers.

ARTICLE VII

TEACHING LOADS AND ASSIGNMENTS

A. The normal full-time weekly teaching load for all teachers shall be consistent with the provisions contained in the previous Article. The typical assignment for a secondary teacher will be six teaching periods a day and one planning period per day, each not to exceed one hour in length. The typical day for an elementary teacher will not exceed seven hours.

B. Teachers who will be affected by (1) change in grade assignment in the elementary school grades, or (2) by changes of subject assignments in the secondary school grades shall be notified and consulted by their principals prior to the end of the school year except under unusual circumstances. Every effort shall be made to avoid reassigning probationary teachers.

C. Since frequent transfers of teachers from one school to another are disturbing to many teachers, the parties agree that involuntary transfers will be minimized and avoided whenever possible. All teachers in the Hillsdale Community Schools are free to request a transfer for personal reasons.

D. The school administration will make every effort to relocate teachers at their request whenever it is possible, but, at the same time, will endeavor to maintain a balanced staff in each school. Even though all transfer requests cannot be honored each year, every consideration will be given prior to the beginning of the new school year in September. Requests for transfer shall be filed or renewed with the Superintendent's Office each year.

E. Because the pupil-teacher ratio is an important aspect of an effective program, the parties agree that the optimal class ratio for the regular elementary classes should be 25 and regular secondary classes 28.

F. Notices of vacancies shall be posted in each building.

#### ARTICLE VIII

##### LEAVE PRIVILEGES

A. Each teacher shall be granted a maximum of ten days' sick leave per year with full pay on account of (1) personal illness of employee; (2) absence necessitated by exposure to contagious diseases in which the health of his students would be impaired by his or her attendance on duty; (3) case of illness or death in the immediate family, not to exceed five days except with the approval of the Superintendent; (4) in addition, each teacher will be granted one day of personal leave a year, with arrangements for said personal leave to be made in advance with the Principal; (5) under unusual circumstances approved by the Principal and Superintendent, a teacher may take additional leave with a loss of salary, with the Board reserving the right to deny such request when it becomes a repetitive matter.

B. Unused sick leave days shall accumulate to a maximum of one hundred and ten (110) days. The current year's allowance shall be in addition to the stated maximum.

Note: Teachers shall not receive credit on the salary schedule for the year's leave of absence.

E. Leave of absence without pay shall be granted to any teacher who shall be inducted or shall be called or shall enlist in military duty in any branch of the Armed Forces of the United States. Teachers on military leave shall be granted the benefit of any increment which would have been credited to them had they remained in active service of this school system. Sick and personal days accumulated from the date of enlistment or draft shall be held for said employee until his return or otherwise held in accordance with other provisions of this Agreement.

F. A leave of absence with pay may be granted upon recommendation of the Principal and Superintendent to the Board for the following reasons: (1) approved travel, not to exceed one week, that is related to teaching assignment; (2) short-term university study, not to exceed two weeks, that is related to teaching assignment; (3) military reserve training duty, not to exceed two weeks. Note: When the provisions of this section are applied, the provisions of the Professional Growth program do not apply.

G. Sabbatical leave shall be granted upon recommendation of the Superintendent, with approval of the Board of Education, for a period not to exceed one year for advanced study, on the following conditions: (1) that the teacher shall have taught seven years in the system; (2) the stipend of one-fourth of his base pay shall be allowed for said one-year period; (3) the teacher agrees to return for three years or repay the amount paid.

In the event the teacher completes only one year following sabbatical, he shall repay the Board two-thirds of the amount of money received while on sabbatical. In the event the teacher completes only two years' teaching following sabbatical, he shall repay the Board one-third of the amount of money received during sabbatical.

H. The following miscellaneous provisions shall apply in regard to absences: (1) the Board of Education reserves the right to require a doctor's certificate or other evidence of illness; (2) the Superintendent of Schools shall certify the legitimacy of a claim for compensation for absence; (3) any regular employee of the school system, who in the line of duty incurs an injury for which he receives compensation from the Workmen's Compensation Act, will be paid during the period of disability the difference between his salary and the amount received from Workmen's Compensation Insurance, provided that said additional compensation is valid by law and payable only if said additional compensation will not reduce the amount of compensation received by the teacher from the Workmen's Compensation Insurance Carrier; provided further that said addition to compensation will not be paid for a longer period than the period equivalent to the accumulated sick leave as heretofore determined in this Article. The employee will not lose earned sick-leave time for that percentage of time compensated under the Act.

#### ARTICLE IX

##### CONTRACTUAL RELATIONS

A. Ninety days prior to the completion of the probationary period, the performance records of all probationers shall be reviewed by a faculty advisory screening committee. The committee shall have the responsibility of recommending either dismissal or tenure status to the Superintendent. The committee shall consist of the cognizant principal as chairman; one teacher with a comparable assignment; one teacher from the same building; and one teacher-at-large. The chairman shall appoint and convene the committee. The approval or disapproval of the committee's recommendations by the Superintendent of Schools shall be final, subject only to the review and final action of the Board of Education.

B. Any teacher on continuing tenure that is in danger of being dismissed or demoted shall have his records submitted to a faculty advisory screening committee as provided for in Section A above.

B. A teacher may continue to be employed on an annual basis after the age of 65 upon recommendation of the Superintendent and approval of the Board of Education.

#### ARTICLE XI

##### MATERNITY LEAVE

A. An employee, upon becoming pregnant, shall arrange a maternity leave or termination from employment by notifying the Superintendent, in writing, of the anticipated date of confinement. This information must be verified by a written medical report.

B. The contract of such an employee shall be terminated at least three months preceding the anticipated birth of the child. Termination may be earlier if, in the opinion of the administration, such termination is advisable.

C. If a qualified replacement is not available, the employee may continue on a day-to-day basis at the discretion of the Superintendent of Schools.

D. An employee, becoming pregnant, who has completed a satisfactory probation period in the school system may request a leave of absence in lieu of termination of service. (See provisions of the Leave of Absence Policy, Article VIII)

#### ARTICLE XII

##### TEACHER EVALUATION

A. The evaluation of a teacher is a continuing, cooperative process in which the teacher and the administrators who participate in the evaluation review their common understandings of the teacher's task; examine the conditions under which the teacher is working; determine whether or not the teacher is performing the task effectively; and decide upon any changes to be made in the task, the conditions, or the teaching.

B. An evaluation calendar and specific procedures shall be included in the Professional Handbook.

C. If a teacher requests that his response to the evaluation be included as a part of the "Teacher Evaluation Report," it shall be so included.

D. Each teacher shall have the right, upon request, to review his personnel file.

ARTICLE XIV

The administrator with whom the grievance has been filed shall within five working days give an answer in writing to the grievance. The written grievance as contemplated by this paragraph shall be specific and contain a statement of the facts upon which the grievance is based and shall refer to the articles and sections of the Agreement which have been allegedly misinterpreted or violated and shall state the relief requested, and must further bear the name of, and be signed by, the employee or employees involved.

If the grievance shall be denied by the Superintendent, the grievance shall immediately be transmitted to the Secretary of the Board with a statement of the reasons why it is being disapproved.
- Step 4: Within twenty days of the receipt of the grievance, the Board shall consider the grievance. The aggrieved person has a right to a hearing with the Association representative present. The Board shall prescribe such procedures as it may deem appropriate; provided, however, that in no event, except with express written consent of the Association, shall final determination of the grievance be made by the Board more than twenty days after the Board first considers the grievance.
- Step 5: If the decision of the Board is not satisfactory to the Association, the grievance may be submitted to the Labor Mediation Board as provided by state law.

B. If any teacher for whom a grievance is sustained shall be found to have been unjustly discharged, he should be reinstated with full reimbursement of all professional compensation lost. If he shall have been found to have been improperly deprived of any professional compensation or advantage, the same or its equivalent in money shall be paid to him.

C. All parties to this Agreement shall make earnest attempts to dispose of grievances at each level as set forth in the grievance procedure, and the grievance procedure as set forth herein shall be the exclusive procedure to be followed in the case of a grievance; provided, however, that where the state law in regard to "tenure" ~~"tenure"~~ is in conflict with this Agreement, the state law shall govern.

D. Any expense incurred through grievance procedure shall be borne equally by the Board and by the Association.

#### ARTICLE XV

##### NEGOTIATION PROCEDURES

A. In the event the salary schedule or any other of the provisions contained in this Agreement are open for negotiations as provided in other sections of this Agreement, the parties will promptly negotiate for the purpose of reaching an agreement upon such provisions.

B. In any negotiations described in this Agreement, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and a majority of the membership of the Association. The parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make concessions in the course of negotiations and bargaining, subject only to ultimate ratification.

C. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation process with the State Labor Mediation Board in conformance with State Law.

APPENDIX I

PROFESSIONAL GROWTH POLICY

- I. The Professional Staff Salary Schedule, incorporating professional growth principles, was adopted after considerable study in the spring of 1962. The schedule, adopted by the Board of Education and approved by the Hillsdale Education Association, followed more than a year of study by the Professional Problems Committee and a committee of Board members. The current salary schedule incorporates both "earned increment" and "professional growth" principles. This means that a teacher must show an approved type of professional growth every three years to continue to advance on the salary schedule or to advance to the super-maximum step.

It is the belief of the Board of Education that a salary schedule should contribute to an improvement in the quality of teaching and that compensation be related to professional growth. The Board also believes that it is necessary and good for educators to keep abreast of new educational viewpoints and methods and to continually grow in their profession. This program was adopted with the basic philosophy of improving the quality of instruction by encouraging professional growth.

A. General Provisions

1. This policy is subject to review and modification annually.
2. Earned increment defined: A teacher showing evidence of personal professional growth which should and/or would improve the abilities of the teacher to perform better in the classroom thus directly rewarding the children, system, and teachers.
3. Employment standards: The minimum educational requirement for new members of the professional staff of the Hillsdale Community Schools shall be graduation with a bachelors degree from an accredited college or university.
4. Definition of masters degree shall be a recognized degree from an accredited college or university.
5. Professional growth application forms are available in the principals' offices.

B. Requirements for Advancing Within the Schedule

1. All teaching members of the professional staff are given an increment on the basis of the professional growth requirements outlined in the following sections. All applications for professional growth advancement are subject to the approval of the Superintendent.
2. Any member of the professional staff who has not reached the maximum step may qualify for the next step by complying each three years with any ONE of the following:

- a. A regular approved credit course at a college or university of at least two (2) semester hours.
  - b. A work shop or other course of practical value, some of which might be sponsored and financed by the Board of Education and, in some cases, offering university credit. Class hours of a workshop or non-credit course shall be equivalent to time spent in a credit course of two (2) semester hours.
  - c. Service on local curriculum committees. May use not oftener than alternate qualifying periods. Reports on committees should be submitted for approval covering activity of the committee and member attendance. A minimum attendance level should be three-quarters (3/4) of the scheduled meetings.
  - d. Approved work experiences. Usable not oftener than alternate qualifying periods. Prior approval by the Superintendent required.
  - e. Travel. Extensive enough to warrant educational and cultural values. Usable not oftener than alternate qualifying periods. Prior approval by the Superintendent required.
  - f. Other activities. Such activities as outstanding community service; membership of important professional committees on a county, state, or national level; participation on a professional program at a national or important state convention, etc. may qualify. Not to be used oftener than alternate qualifying periods. Prior approval by the Superintendent required.
3. It is the responsibility of each member of the professional staff to present evidence of professional growth in accordance with the following conditions and requirements:
- a. An official transcript is required as evidence of a college degree.
  - b. Proof of credit indicating a passing grade is sufficient evidence of other college credit earned. Normally, the college's report to the student is satisfactory for this purpose.
  - c. Other evidence of professional growth such as travel; community service; work experience; service on professional committees; etc., should be reported by the staff member to the office of the Superintendent. Reports dealing with professional growth, other than college credit, should indicate the date and briefly describe the nature and purpose of the activity or experience for which non-college (equivalent) credit is being requested.
  - d. All records and reports dealing with professional growth should be sent to the office of the Superintendent of Schools. It is desirable to keep Board office records up to date with reference to all credits earned by members of the professional staff. Proper notice and request, as outlined in Sections 1, 2, and 3 above, should be sent to the office of the Superinten-

dent as soon as possible after the credit is earned or the activity is completed.

4. Teachers on a "Within Schedule" step may carry one semester hour of credit over to the next qualifying period.

C. Requirements for Super-Maximum Status

1. The super-maximum step is granted at all levels to any member of the professional staff who has served for one year on the maximum step of his schedule and who has earned an equivalent of four semester hours of college or university credit over a period of three years provided that teachers may substitute approved travel or other approved worthwhile experience to meet this requirement not oftener than alternate qualifying periods.
2. One-half of the above four hours may be earned by complying for two years with any of the above items (See B 2 b to f on Page 2).
3. When a member of the professional staff has been approved for the super-maximum step, he remains in this status for a period of three years.
4. To maintain super-maximum status beyond an approved three-year period, the following is necessary:
  - a. During the three-year period in which the staff member is on the super-maximum step, he shall earn four semester hours of college credit or the equivalent as allowed according to the provisions of the within-schedule requirements.
  - b. At the close of the three-year period, all credits earned within the period will be considered as a total in determining whether the teacher is qualified to remain on the super-maximum step for an additional three-year period.
  - c. If the staff member does not maintain his status on the super-maximum step, he will return to the maximum step of his schedule until such time as he has earned the required credit in a three-year period prior to September 1st deadline of the current year.
5. No credit can be carried over from the last qualifying period of the regular schedule to meet super-maximum requirements.
6. Teachers on the super-maximum step may carry two semester hours of credit over to the next qualifying period.

D. Additional Provisions

1. In some cases, it is desirable to repeat courses taken in previous years. Prior approval by the Superintendent is required.
2. If a member of the professional staff is refused either within-schedule increment or super-maximum status, he may appeal to the

Professional Growth Committee. Appeals should be directed to the president of the Hillsdale Education Association, marked to the attention of the Professional Growth Committee. The Professional Growth Committee may recommend reconsideration of the application to the Superintendent. The approval or disapproval of the Professional Growth Committee recommendations by the Superintendent of Schools shall be final, subject only to the review of the Board of Education.

3. September 1st of each year is the deadline for reporting and requesting professional growth credit for the year ending August 31st. Unreasonable delays by colleges in sending proof of credits or degrees earned should be reported by the staff member to the office of the Superintendent for further consideration.
4. Credit for college courses is given as of the date of the successful completion of the course work and the equivalent credit allowed for approved travel and other worthwhile experience is given as of the date of its completion provided, further, that reports have been made.
5. No credit or qualifying criterion can be counted twice in the Professional Growth program.
6. If, before school is out in the spring of the current year, a member of the professional staff has earned promotion credit for the following year; his professional growth activities during the summer may be reported and considered for promotion credit for the next qualifying period.
