2. Teachers whose classes are being taught by special teachers may be excused from attendance by the special teacher in charge.
3. Two half days per semester will be set aside for parent-teacher conferences in the elementary grades. No students will be in school during these sessions. The time of the present parent-teacher conferences at semester end may be changed by mutual agreement.

The Board of Education will give the proposed budget for the following year to the department heads by April first. By June first the department head will notify the teachers of those items that will not be considered in their requisitions. One month prior to the start of school, the department head will notify the teachers of the new materials available to them.
8. Dismissal time on Fridays shall be made uniform for all teachers unless a class with students in attendance prohibits this.
9. The Board shall strive to maintain a reasonable pupil-teacher ratio in classrooms as recommended by North Central Association.
10. The school calendar should be equal for secondary and elementary.
11. Field trips - requests should be made to building principals two weeks in advance.

2. All teachers shall be notified in writing, not less than 30 days prior to the opening day of school, of specific teaching assignments. Teachers who will be affected by a change in grade assignments in the elementary school grades and by changes in subject assignments in the secondary school grades will be notified and consulted by their principals as soon as practicable, and prior to May 1. Such changes will be voluntary to the extent possible. The duties shall be specified within the range of duties in the areas to be taught.

3. The employment of teachers upon special certificates is to be permitted only in cases of absolute necessity or where the teacher has outstanding credentials.

VI

ILLNESS OR DISABILITY

1. Sick Leave:

One day per month (10 days per school year) for illness, or death in the immediate family will be allowed with no deduction of pay. Unused sick leave days are allowed to accumulate without limit beginning with the accumulated balance remaining under the previous plan as of June 15, 1966. The Board of Education reserves the right to determine whether the absence for illness was bonafide and at its discretion may require a doctor's statement.

Teachers shall be granted their sick leave allowance in advance for the current semester (5 days). Example: a beginning teacher has five days of illness during the first month of school. This teacher may use five days of sick leave and be paid up to five days. The status of the accumulative sick leave bank shall be stated on each individual teacher contract.

Illness due to compensible injury under Workman's Compensation Insurance shall not be covered by sick leave pay for wages paid by compensation insurance nor shall such absence be deducted from sick leave allowance. Time lost due to the specific diseases of mumps, measles, scarlet fever, and chickenpox will not be deducted from sick leave. The difference between compensation insurances and regular pay may be paid the teacher during a compensated absence up to the limit of accumulated sick leave with a pro-rate deduction from sick leave by agreement between the Board of Education and the teacher.

A statement of purpose to the Principal shall be required two weeks prior to the leave and shall have his full approval. This time shall not be used for the following purposes:
 - a. Applying for other employment.
 - b. For purposes of outside business interests.
 - c. For outside class homework or preparation that can be handled outside school hours.
 - d. For weddings or other outside ceremonies, other than within the immediate family.

Emergencies may be handled directly by the Principal.
2. For all other absences not covered by sick leave or personal leave except when on school business authorized by the Board of Education or superintendent, pay shall be deducted at the rate of 1/190th of the teachers annual salary exclusive of extra curricular pay received for individual teaching assignment for each day of absence. Exceptions may be granted only by action of the Board of Education.
3. If a teacher is called for jury duty he shall use his business days. After this the teacher shall be compensated at a rate of the difference between his normal pay and that provided by jury duty if this duty is extended beyond the personal day limit.
4. The M.E.A. Association shall be granted a "bank" of five days per year for the purpose of releasing its representatives from regular duty, to participate in area, state, or regional meetings of the Michigan Education Association or National Education Association. The time must be drawn from the "bank" in blocks of half or full days. The staff member must notify his building principal at least one week in advance. The Association will assume expense of substitute salary.
5. No teacher shall be gone from the teaching classroom situation in front of students for aggregate accumulation of five days per year taken from bank, personal or conference days, barring illness or injury.

VIII

LEAVES OF ABSENCE

1. Leave of absence for a period of not to exceed one year may be granted by the Board of Education for the purpose of further study.

2. The Board and Association hereby establishes a Professional Improvement Committee consisting of three members of the Board, four members of the Negotiating Committee of the Association, and the Superintendent. The purpose of this group shall be to discuss items of mutual concern to the educational process of the school. This Committee shall meet on each third Thursday of each month at 7:30 P.M. in the Board Room of the Administration Building.

3. Teachers are expected to comply with reasonable rules, regulations, and directions from time to time adopted by the Board or its representatives which are not inconsistent with the provisions of this Agreement, provided that a teacher may reasonably refuse to carry out an order which threatens physical safety.

4. The Board recognizes that the Code of Ethics of the Education Profession is considered by the Association and its membership to define acceptable criteria of professional behavior. The Association shall deal with ethical problems in accordance with the terms of such Code of Ethics of the Education Profession. A copy of the Code of Ethics should be attached to the Master Contract.

5. The Association recognizes that abuses of sick leave or other leaves, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely upon the teaching profession and create undesirable conditions in the school building. Alleged breaches of discipline of the Code of Ethics of the Education Profession shall be promptly reported to the offending teacher and to the Association. The Association will use its best efforts to correct breaches of professional behavior by any teacher and, in appropriate cases, may institute proceedings against the offending teacher.

6. A teacher shall at all times be entitled to have present a representative of the Association when he is being reprimanded, warned or disciplined for any infraction of rules or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present. All materials, relative to this paragraph, distributed by the Association shall be presented to the Board and Administration before distribution.

7. Any teacher who is relieved of extra curricular activities will be informed prior to the action.

XII

GRIEVANCE PROCEDURE

1. Definition:
 - A. A "grievance" is a claim based upon an event or condition which affects the conditions or circumstances under which a teacher works, allegedly caused by misinterpretation or inequitable application of established law, policy, or the terms of this agreement.
 - B. The term "teacher" as defined in Section I, page 1, may include any individual or group of teachers who are certificated and who are members of the teaching faculty.
 - C. A "party of interest" is the person or persons making the claim and any person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.
 - D. The term "days" when used in this section shall, except where otherwise indicated, mean working school days.

Purpose:

The primary purpose of the procedure set forth in this Section is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at any level of such procedure. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discuss the matter with any appropriate member of the administration.

Structure:

In regard to the structure of the grievance committee or its procedure within its own group, this shall be the prerogative of the Iron Mountain Education Association and the aggrieved teacher. The aggrieved teacher may choose to be represented in a grievance if they so desire. The grievance shall be originated by the teacher and not by a second party.

Procedure:

Nothing in the grievance procedure shall require the Board of Education to abrogate any of its legal duties, responsibilities or procedures nor abrogate the legal rights of any teacher as defined under school laws, the tenure laws, the right of appeal or the right of arbitration as defined in Act No. 379, the 1965 amendment to the Hutchinson Act. If the Association is not satisfied with the disposition of the grievance by the Board, the grievance may be submitted to arbitration before an impartial arbitrator. The fees and expenses of the arbitrator shall be shared equally by the parties.

2. If any teacher for whom a grievance is sustained shall be found to have been unjustly discharged, he shall be reinstated with full reimbursement of all professional compensation lost. If he shall have been found to have been improperly deprived of any professional compensation of advantage, the same or its equivalent in money shall be paid to him.
3. If an individual teacher has a personal complaint which he desires to discuss with a supervisor, he is free to do so without recourse to the grievance procedure. However, no grievance shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present, nor shall any adjustment of a grievance be inconsistent with the terms of this Agreement. In the administration of the grievance procedure, the interests of the teachers shall be the sole responsibility of the Association.
4. Should any grievance arise, the same shall be brought to Step 1 of the Grievance Procedure by the affected teacher(s) within five (5) school days of occurrence.

Step 1 By conference between the aggrieved teacher(s), Association Representative, or both and his principal. If not resolved then,

Step 2 By conference between the teacher(s), Association Representative, the Principal and the superintendent or his designee.*

Step 3 By conference between the Board of Education and such Association representatives as designated by the Association. The Board will be notified of the intent to invoke Step 3 and the meeting shall occur within ten (10) school days.

Step 4 In the event the grievance is not settled through Step 3, it shall be referred to an impartial arbitrator agreeable to both parties for binding settlement. If no agreement can be reached as to the selection of an arbitrator the issue shall be referred to the American Arbitration Board for binding settlement.

In each step of this process the Grievance must be reduced to writing.

* Steps 1 and 2 shall be completed within five (5) school days. If not settled through Step 2, the teacher(s), within ten (10) days after Step 2, effect Step 3.

XIII

NEGOTIATING PROCEDURES

1. It is contemplated that terms and conditions of employment provided in this agreement shall remain in effect until altered by mutual agreement in writing between the parties. Nevertheless, because of the special nature of the public educational process, it is likewise recognized that matters may from time to time arise of vital mutual concern of the parties which have not been fully or adequately negotiated between them. It is in the public interest that the opportunity for mutual discussion of such matters be provided. The parties accordingly undertake to cooperate in arranging meetings, selecting representatives for discussion, furnishing necessary information and otherwise constructively considering and resolving any such matters. Negotiations must begin by March 1.

2. While no final agreement shall be executed without ratification by the Association, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

3. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the State Labor Mediation Board or take any other lawful measures.

The Michigan Teachers' Code

bligation to Pupils

The primary consideration of the educator should be the present and future welfare of the pupils placed in his charge. He should seek to prepare pupils to be socially and economically efficient in the home, school, and community, and to be personally happy as a member of society.

bligation to Parents

The educator, recognizing the authority of the parent over the pupil, should be willing to share this responsibility and cooperate with the parents for the best interest of the child.

bligation to the Public

The educator should consider himself in a position of public trust and should, therefore, conduct himself so that he increases respect for his profession and for public education. Realizing his responsibility for leadership, the educator should be ready to counsel and confer with all who have an interest in education.

bligation to Profession

The educator should at all times maintain an attitude of constructive cooperation, guiding those under his direction, assisting his associates, and respecting the leadership of those charged with responsibility. By recognizing the dignity of the profession, he should help to maintain a high standard of loyalty and service.
