**BRIDGMAN PUBLIC SCHOOL DISTRICT**

**TEACHERS' MASTER CONTRACT**

**2016-2019**

PREAMBLE

This Agreement is entered into this 13th day of June, 2016 by and between the Board of Education of the Bridgman Public School District, hereinafter called the "Board", and the Bridgman 5-C Education Association, MEA/NEA, hereinafter called the "Association".

It is mutually understood that the rights, benefits and protections granted herein refer only to employees of the Bridgman Public School District.

In consideration of the following mutual covenants, it is hereby agreed as follows:

## ARTICLE 1 - RECOGNITION

Section 1: The Board hereby recognizes the Bridgman 5-C Education Association, MEA/NEA, as the exclusive bargaining representative as defined in Section 11 of Act 379, Public Acts of 1965, for all certified teaching personnel, counselors and media specialists employed by the Bridgman Public School District who are under contract for a regular assignment, but excluding supervisory, administrative and executive personnel, office, clerical, maintenance, operating employees, substitute teachers, and all others identified as falling within these categories.

- (A) The term "teacher", when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the bargaining or negotiating unit as above defined.
- (B) The term "Board" shall include its officers and agents. The Board agrees not to negotiate with any organization other than that designated as the representative pursuant to Act 379, Public Acts of 1965, for the duration of this Agreement, pertaining to the next succeeding school year.

## ARTICLE 2 - ASSOCIATION RIGHTS AND RESPONSIBILITIES

Section 1: The Board agrees that the teacher will not be coerced or discriminated against with respect to hours, wages, or any terms or conditions of employment because of his/her membership in the Association, participation in the Association activities, collective negotiations with the Board, or his/her institution of a grievance. The Association agrees that the Association shall not coerce nor discriminate against any employee by reason of his/her membership or lack thereof in the Association. The Association shall include its leadership and members.

Section 2: The Board agrees to permit the Association the use of school buildings without charge for Association meetings. All meetings shall have prior approval of the building principal. All general membership meetings shall be held outside of regular teacher hours and will be restricted to times when regular custodial personnel are on duty. Any additional maintenance or service charges will be assumed by the Association.

Section 3: The Board agrees to permit the Association the use of teacher mailboxes for purposes of distributing Association materials.

Section 4: The Board agrees to permit the Association the use of bulletin board space in the teachers' lounge of each building for the purpose of posting Association notices. Each notice shall be initialed by the Association President or Building Representative.

Section 5: The Association shall have the right to use school business equipment normally available for teacher use provided that the use thereof is strictly to serve the legitimate business needs of the Association. Use of said equipment shall be cleared with the building principal. Any costs incidental to such use shall be the obligation of the Association.

Section 6: The Board agrees, by consent of the building principal, to permit the Association officers (president, vice president, secretary, treasurer, executive director and one Association representative from each building) to travel from building to building within the school system during school hours when said officers do not have direct responsibility for the supervision of children, and provided that the responsibilities of the visited party or parties are not interfered with as expressed by consent of the principal of the building to be visited.

Section 7: Upon written request, the Board agrees to furnish the Association a copy of information pertaining to the official business of the Board, including financial information, as prescribed by Section 1202 of the School Code of 1976, MCL 380.1202. Examination of original records of above information shall be performed only in the office of the Board or its agents.

Section 8: Upon written request, the Board agrees to give the Association President prior notification of all Board meetings and provide the Association with a copy of each agenda, minutes and Treasurer's Report.

Section 9: The Board agrees that teachers shall be entitled to full rights of citizenship; and no religious or political beliefs of any teacher, or lack thereof, shall be grounds for any discipline or discrimination with respect to the professional employment of that teacher. The private and personal life of any teacher is not within the concern or attention of the Board unless the teacher's conduct adversely affects his/her relationship to students, the discharge of his/her teaching duties, or his/her image as a teacher in the community.

Section 10: The Board agrees the provisions of this Agreement and the wages, hours, terms, and conditions of employment shall be applied without regard to race, color, national origin, sex (including sexual orientation or transgender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information or any other legal protected category. It is recognized that it is not improper to consider sex of an employee with a respect to a position for which sex is a bona fide occupational qualification because the position requires direct locker room supervision.

Section 11: The Board agrees that nothing contained herein shall be construed to deny or restrict to any teacher rights he/she may have under any other laws.

Section 12: The Association will be allotted a total of seven (7) days per year to be used for Association business. These days are non-accumulative. The Association President will approve the use of said days and notify the building principal five (5) days prior to the requested date(s).

Six (6) additional days may be used by Association officers and leaders for Association business, or by bargaining unit members for leadership training and conferences with the cost of the substitute paid by the Association.

Section 13: The accounting system of the Association shall not be a responsibility of the Business Office of the Board.

## ARTICLE 3 - BOARD OF EDUCATION RIGHTS AND RESPONSIBILITIES

Section 1: The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States including, but without limiting the generality of the foregoing, the right:

- (A) to the executive management and administrative control of the school system and its properties and facilities, and the professional activities of its employees;
- (B) to hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment or their dismissal or demotion, and to promote and transfer all such employees;
- (C) to establish grades and courses of instruction including special programs, and to provide for athletic, recreational and social events for students, all as deemed necessary or advisable by the Board;
- (D) to approve the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aids of every kind and nature; and
- (E) to determine class schedules, the hours of instruction, and the duties, responsibilities and assignments of teachers and other employees with respect hereto, and non-teaching activities, and the terms and conditions of employment.

Section 2: The exercise of the foregoing powers, rights, authority duties, and responsibilities by the Board; the adoption of policies, rules, regulations, and practices in furtherance thereof; and the use of judgment and discretion in connection therewith; shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms thereof are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

Section 3: The Board may require medical certification of illness or disability where such a requirement is reasonable.

Section 4: The Board of Education will consult with the Association regarding the evaluation process, procedures, and instrument and disclose to the Association the process, procedures and instrument prior to each school year. Each building principal will review the evaluation process, procedures, and instrument with his/her staff at the beginning of each school year.

Copies of all teacher evaluations will be forwarded to the Superintendent and subsequently placed in the teachers' personnel files. It is understood that a teacher may appeal the results of his/her evaluation to the Superintendent.

## ARTICLE 4 - TEACHERS' RIGHTS AND RESPONSIBILITIES

Section 1: Upon written request, each teacher shall have the right to review the contents of his/her personnel file located in the Central Administration Office. The teacher may request an Association member to accompany him/her in this review.

Section 2: If an administrator conducts a conference for the purpose of disciplining a teacher orally or in writing, the teacher shall be notified of this purpose in advance so that the teacher will have an opportunity to request a witness of his/her choice to be present. In addition, any conference between an administrator and teacher resulting in formal disciplinary action against the teacher shall have as an integral part of its proceedings the right of either party to request a witness of his/her choice. For purposes of this section, formal disciplinary action shall be defined as demotion, suspension, or discharge of the teacher in question.

Section 3: There will be no mandatory lunch room duty for teachers unless as a teaching assignment. Playground duty shall be assigned only during PreK-8 recess time and only if deemed necessary by the principal.

Section 4: The negotiations committee of the Association shall be permitted a reasonable number of meetings to be held at the conclusion of the work day.

Section 5: When a teacher is absent, the teacher is responsible for the preparation and submission of an emergency lesson plan which contains sufficient detail that a substitute teacher can reasonably be expected to carry on classroom instruction. This section shall not be construed to imply that a teacher is not responsible to prepare lesson plans for those days when the teacher is not absent. It is recognized that the nature and content of lesson plans prepared for the use of a substitute teacher are different than the nature and content of a lesson plan prepared by a teacher for his/her daily use.

Section 6: It is the sole responsibility of the teacher to maintain his/her teaching certification. The certification a teacher has on file with the school district at the time a decision is made will govern. The certification of a teacher is on file with the school district if the teacher has filed with the school district either an appropriate teaching certificate issued by the Michigan Department of Education or written evidence from the teachers education college that the teacher has met the requirements for the certification according to Section 1535 of the School Code, MCL 380.1535.

Section 7: Proper certification is necessary if the teacher is to work for the Bridgman Public Schools.

Section 8: Any case of assault upon a teacher shall be promptly reported to the administration. If a teacher is injured as a result of an assault, the administration will provide or arrange for first-aid treatment or, if necessary, call medical personnel on behalf of the teacher.

## ARTICLE 5 - TEACHING HOURS

Section 1: The regular work day for all teachers shall cover a seven-and-one-half (7 1/2) hour time span. Teachers are expected to be accessible to students and parents in their classrooms, offices or assigned areas for a minimum of ten (10) minutes both prior to the start of the student school day and at the conclusion of the student school day. This will apply except for days on which necessary professional meetings are held. On Fridays and on days preceding holidays or vacations, teachers may leave at the close of the school day if no student or parent has requested a conference.

The parties agree that it is the intent to operate the instructional day between 7:30 a.m. and 3:45 p.m. If circumstances arise which conflict with this intention, the administration agrees to consult with the Association prior to implementing any changes.

The instructional day shall be adjusted to meet the minimum hours of instruction required by law, without additional compensation.

Section 2: All teachers shall be entitled to a thirty minute duty-free lunch period.

Section 3:

(A) The normal weekly teaching load shall include five (5) conference periods for full-time high school and middle school teachers. The length of the conference/preparation period shall be +/- 5 minutes of 1/x (x = periods in a day). A period shall be defined as the time dedicated to core courses in that building. Assignment to a supervised study period shall not be considered as conference/preparation time for the purpose of this Article.

(B) A conference/preparation period for elementary teachers shall be at least an average of thirty (30) minutes per day. This would include, but is not limited to, released time for such activities as physical education, music, etc.

For purposes of calculating planning time, itinerant teachers will have an equal amount of planning time as the teachers in the building where they spend the majority of their teaching assignment. Scheduling of itinerant teachers will take into consideration travel time between buildings.

Section 4: If bus scheduling requires that elementary students remain in the elementary building following the conclusion of the school day, the Board shall provide a designated area other than the classroom to accommodate these students.

Section 5: Should an act of God, or some other emergency, call for keeping students in their respective buildings beyond the end of the normal school day, teachers may be asked to remain with their students until such time as the emergency has ended or the students are sent home.

Section 6: The District shall employ sufficient classroom teachers to attain a pupil-teacher classroom ratio of not greater than thirty to one (30:1). Instructional personnel shall be used in determining this ratio. Students and teachers shall be counted on a full-time equivalency basis. Band and choir programs are exempt from the 30:1 ratio.

Additionally, the District must follow State and Federal class size mandates.

If the need arises to increase class size for any non-core classes (those other than Language Arts, Math, Science, and Social Studies), then the building principal, affected teacher, association president, and superintendent will meet to determine whether or not the 30:1 ratio may be increased for that school year only and to what level it may be increased.

Section 7: During parent-teacher conferences, teachers will be given release time equal to the time of the conferences if said conferences are scheduled beyond the regular workday.

Section 8: Teachers, who voluntarily agree to teach an overload assignment in lieu of a preparation period, will be compensated at a rate as follows: Teacher's salary divided by number of students days divided by 420 minutes equals per minute calculation. Multiply amount per minute times number of minutes in period times number of student days. This assignment will be posted in accordance with Article 6, Section 1, and determined on a year-to-year basis with no more than four overload sections per year district-wide. If a teacher is currently assigned a section and an overload is required in the same course, that teacher shall have first choice in accepting the overload. If not accepted, the applying teacher who is most highly qualified will be assigned the overload.

## ARTICLE 6 - TEACHING VACANCIES AND PROMOTIONS

Section 1: Whenever any vacancy in a bargaining unit position in the District shall occur, the administration shall publicize same by giving written notice of such vacancy by appropriate posting in every school building, including posting of such notices on the bulletin boards in the respective teachers' workrooms. When vacancies occur when school is not in session, the President of the Association or his/her designee shall be notified of such vacancy by the district. In addition, the district shall notify all certified teachers by email. The Board reserves the right to fill such positions on a temporary or interim basis when warranted by conditions. Positions filled on an interim basis shall be declared vacant at the conclusion of the school year and shall be subject to application. All bargaining unit vacancies will be posted internally for five (5) business days before the vacancy can be posted externally.

Section 2: A vacancy shall be defined as a newly created position within the bargaining unit or a present position within the bargaining unit that becomes unoccupied by reason of the permanent separation (by resignation, death, discharge, or transfer, etc.) of the employee formerly in the position.

## ARTICLE 7 - ABSENCE WITHOUT LOSS OF PAY

Section 1: All contracted professional personnel of this school will be allowed a total of twelve (12) days of absence each year without loss of salary for the following reasons:

- (A) Personal illness or quarantine.
- (B) Serious illness in the immediate family (a member of the household or a person with whom one has had an association equivalent to family ties). For any such illness, the teacher may utilize not more than five (5) days per illness to make arrangements for care.
- (C) If a teacher knows that he/she will be absent for more than two (2) consecutive days, he/she shall contact the building principal by telephone as soon as possible prior to the absence.
- (D) If a teacher is absent for a period of five (5) or more consecutive school days due to illness or injury, the school administration may require that a doctor's certificate be furnished before payment of leave is granted or to determine if the employee is medically cleared to return to work. The District may contact the employee to ascertain the need to be placed on FMLA leave after three (3) days of absence. If a teacher fails to provide such doctor's certificate when requested by the school administration, then the Board shall have no further obligation for payment of leave.

Section 2: At the end of each year, any unused portion of the twelve (12) days (Section 1) shall be accumulative to a limit of one hundred fifteen (115) days and may be used at a subsequent time for the reasons listed in (a) and (b) only. Any employee who has reached the maximum of one hundred fifteen (115) leave days may sell back to the district, by October 1, those days they would have received for the current school year at a rate of \$50 per day.

Section 3: The pay provided for in this Article shall be available to the teacher on a pro rata basis and charged against the teacher's leave accumulation when the teacher is absent and eligible to receive compensation under social security, disability, teacher retirement disability, worker's compensation, or employer-provided short or long term disability insurance. Such pay shall be used to offset the difference between such disability subsidy and the teacher's normal net pay after applicable taxes, but shall not entitle the teacher to collect more than one hundred percent (100%) of the normal net pay after applicable taxes. Pay under this section shall not exceed the amount of leave the teacher has accrued at the onset of the illness or disability.

Section 4: Upon written request and prior approval, each teacher shall be permitted three (3) days of personal leave to take care of business of a nature which cannot be conducted after working hours, on weekends or during vacation periods. No personal leave days shall be granted on the day before or following a holiday or vacation period except in unusual circumstances. Personal leave may not be used for secondary employment purposes. Requests for personal leave should be made in writing on forms provided for that purpose. The decision concerning the approval will be made by the principal, subject to review by the superintendent. No more than two (2) teachers in each building may be granted personal leave time in May and June on the same day.

Section 5: Upon written request and prior approval, teachers may be granted three (3) days of professional leave not to be deducted from accumulated leave days. Professional leave shall refer to such activities as deemed relative to professional growth in one's assigned or proposed assigned field. Should professional leave be granted, all expenses incurred as a result of same, shall be borne by the

teacher. The decision concerning the approval will be made by the principal, subject to review by the superintendent.

Section 6: Teachers shall be granted up to five (5) days' absence due to death in the immediate family as defined above. These days shall not be discounted from leave and shall not be accumulative.

Section 7: Teachers shall be eligible to apply for sabbatical leave after seven (7) consecutive years of employment in the school system. Teachers may receive a full year at half-pay on the salary schedule of the last year of their employment. Teachers granted a sabbatical leave must return to the school system for the two (2) years immediately following the leave or be legally responsible for the return to the District of the full amount of the salary received from the District. Legally binding agreements shall be provided for those granted a leave. The sabbatical leave must be for professional improvement and requires the prior written approval of the school administration and the Board. Salary increments shall not accrue. Written notice to either return or resign shall be given to the Superintendent of Schools by March 1 of the year in which the leave expires. The administration shall advise the teacher, in writing, no later than February 1 of the year in which the leave expires of the teacher's duty to provide the aforementioned written notice to the Superintendent of Schools by March 1. If the teacher fails to provide the aforementioned written notice to the Superintendent of Schools by March 1 of the year in which the leave expires, this shall constitute the teacher's resignation from employment.

Section 8: If a teacher is absent because of jury duty, he/she shall not lose any salary or benefits. However, any compensation received by such teacher for this jury duty (other than mileage) shall be given to the Board. The Board may request the teacher to ask proper judicial authorities to excuse or delay jury duty when the teacher's absence may cause a hardship to the District.

Section 9: Leave and/or other paid leave taken under this Article shall be charged against the teachers' entitlement to leave under the Family and Medical Leave Act where applicable as permitted by the Act.

## ARTICLE 8 - UNPAID LEAVE OF ABSENCE

Section 1: The Board may grant a leave of absence to any teacher for a period not to exceed one (1) year, subject to renewal at the will of the Board. The following conditions shall apply to all extended leaves of absence:

- (A) Leave days shall not accrue, but unused leave held at the start of the leave shall be reinstated.
- (B) Written notice to either return or resign shall be given the Superintendent of Schools by March 1 of the year in which the leave expires. The administration shall advise the teacher, in writing, no later than February 1 of the year in which the leave expires of the teacher's duty to provide the aforementioned written notice to the Superintendent of Schools by March 1. If the teacher fails to provide the aforementioned written notice to the Superintendent of Schools by March 1 of the year in which the leave expires, this shall constitute the teacher's resignation from employment.
- (C) Re-employment prior to the expiration of the leave shall be at the discretion of the Board, and re-employment for the beginning of a new school year shall be in accordance with the Michigan teachers' tenure act.

Section 2: Upon written application and Board approval, a leave of absence without pay for up to one (1) year may be granted for a study related to the teacher's licensed field. Salary increments shall not accrue.

Section 3: Upon written request and Board approval, any teacher whose personal illness extends beyond accumulated leave days may be granted a leave of absence without pay not to exceed one (1) year. A teacher's return from leave shall be governed by the Tenure Act and/or the Family Medical Leave Act. Before the teacher returns from such leave, the Board may require a certificate of good physical and mental health from a properly licensed doctor. Salary increments shall not accrue.

Section 4: Upon request, a teacher shall be granted an unpaid leave of absence for up to two (2) semesters to care for the teacher's newborn or newly adopted child.

Section 5: To the extent required by the provisions of the federal Family and Medical Leave Act, an eligible teacher shall be granted leave for the purposes and subject to the terms and conditions as provided by that law.

Section 6: Upon written request and Board approval, the Board may grant a leave of absence without pay for reasons not previously mentioned but considered justified by said Board. This power is purely discretionary in nature.

Section 7: Administration of policy:

- (A) A record shall be kept for each employee of the Board on which there shall be a continued accounting of leave credit.
- (B) Employees shall have online access to a report through the district's human resource and financial management system, indicating the amount of leave to their credit.
- (C) Holidays, vacations, or days when school is canceled because of circumstances beyond human control occurring during illness shall not be considered deductible from the employee's leave accumulation.

- (D) The question of employing a substitute or replacement for an absent employee has no relation to deductions made under this policy.
- (E) No payment under the leave policy shall be made beyond the date of resignation, death or retirement of an employee (See Article 10).
- (F) The daily deductions from the salary made under this policy shall be made by dividing the base salary by the number of work days indicated in the master contract.
- (G) Teachers will be notified immediately of any deductions in pay because of absence and will be given the reasons for such deductions.
- (H) Teachers may choose which paychecks, either their next succeeding or final check, from which such pay will be deducted.

## ARTICLE 9 - GRIEVANCE PROCEDURE

### Section 1: Right to File

Any individual teacher, group of teachers, or the Association, believing that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement, may file a grievance with the Board through its designated representative. The Board hereby designates as its representative for such purpose, the Building Principal in each school building and the Superintendent of Schools when the particular grievance arises in more than one school building or is directed against the principal.

### Section 2: Rights Under Law

Nothing herein shall deny or restrict any person covered by this Agreement or either party from exercising the rights or seeking redress under any applicable law.

### Section 3: Individual Right

Any individual grievance filed by a teacher shall be made known to the Association by the Board through its designated representative.

### Section 4: Prior Adjudication

No dispute pertaining to this contract which has first been adjudicated through any court of law or administrative agency of the State or Federal Government may then be processed through this grievance procedure.

### Section 5: Form of Grievance

A grievance shall be presented in writing and shall specify the following: 1) aggrieved party(ies); 2) date(s) of occurrence; 3) party(ies) involved; 4) the specific provision(s) of this Agreement cited and how the grievant claims the Agreement has been violated, misinterpreted or misapplied; and 5) relief desired.

Section 6: All teachers who possess adverse claims or whose rights might be adversely affected by a grievance, must submit such claims or rights for determination in the same grievance proceeding.

### Section 7: Procedure

The grievance procedure shall operate as follows:

- (A) For purposes of this Article, the term "days" shall be defined as "school days" during the regular academic year and the business days when the central administration office is open during the summer.
- (B) The teacher or his/her designee shall meet informally with their building principal or the superintendent, if the grievance is to be initiated at that level, and try to resolve the problem. If this informal meeting does not resolve the problem, the teacher shall have ten (10) days from the date of the occurrence of any alleged contract violation to file for relief in writing with his/her principal or supervisor.
- (C) Principals shall have five (5) days within which they may respond to a grievance.

- (D) Within ten (10) days following the principal's response or fifteen (15) days after the initial filing, a grievance may be appealed to the Superintendent.
- (E) The Superintendent shall have fifteen (15) days after appeal to him within which he shall respond to a grievance.
- (F) Within twenty (20) days following the Superintendent's response, the grievance may be appealed to the Board of Education or to designated representatives of the Board (to consist of three (3) members of the Board). The Board or its designated representative shall thereupon schedule a hearing at the earliest reasonable date.
- (G) Within twenty (20) days following the Board's response, the grievance may be submitted to binding arbitration by filing a demand for Arbitration with the American Arbitration Association. Individual teachers shall not have the right to submit grievances to binding arbitration. Such authority is vested solely with the union. The selection of an arbitrator and the procedures governing arbitration shall be in accordance with the rules and procedures of the American Arbitration Association provided, however, that the Association shall be solely authorized to file for arbitration.
- (H) All costs of arbitration shall be borne by the party whose case does not prevail.

Section 8: Powers of the Arbitrator

The Arbitrator shall be empowered, except as limited herein, to make a decision binding upon the parties and to grant such relief as will implement the Agreement of the parties; provided, however:

- (A) The arbitrator may not add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
- (B) The arbitrator shall have no power to establish salary scales.
- (C) The arbitrator may not change any practice, policy or rule of the Board not inconsistent with the Agreement, nor may he substitute his judgment for that of the Board as to the reasonableness of any practice, policy or rule not inconsistent with this Agreement.
- (D) The arbitrator shall have no power to decide procedural questions relating to discharge under the Teacher's Tenure Act as long as it exists in its current or amended form.
- (E) The arbitrator shall have no power to rule on any matters specified as non-grievable items in Section 12 below.
- (F) The arbitrator shall have no power to interpret prohibited subjects of bargaining.

Section 9: Claims for Back Pay

- (A) All claims for back pay shall be limited to the amount of wages that the employee would otherwise have earned, less any interim earnings or unemployment compensation received by the grievant during the period for which back pay is claimed, together with interest at the statutory rate established for interest on judgment.
- (B) No decision in one case shall require a retroactive wage adjustment in any other case or for any other employee unless other cases are filed and pending on the representative case.

- (C) The Board will not be required to pay back wages for more than ten (10) days prior to the date a written grievance is filed, except that in the case of continuing violation, back wages will be limited to no more than one year prior to the date of filing the grievance.

Section 10: Failure of Appeal

If no appeal is made in any stipulated period, a grievance shall be considered abandoned. If no response is made, the grievance shall automatically proceed to the next step.

Section 11: Time Limit

Any time limit or step provided in this Article may be waived in writing by mutual consent.

Section 12: Non-Grievable Items

The following matters shall not be the basis of any grievance filed under the procedures outlined in this Article:

- (A) Failure to re-employ or the termination of services of any probationary teacher
- (B) The placement of a teacher on a fifth year of probation
- (C) Failure to employ or re-employ a teacher in an extra-duty assignment
- (D) Any procedure that is subject to the specific procedures under the provisions of the Michigan Teacher's Tenure Act. Section 13: Location of Arbitration Hearings

Section 13: Location of Arbitration Hearings

The parties mutually agree that all arbitration hearings held during the duration of this Agreement shall be held at a school district facility unless otherwise mutually agreed.

**ARTICLE 10 - PROFESSIONAL COMPENSATION  
AND METHODS AND PAYMENT**

Section 1: Refer to Appendix A relative to salary schedules; Appendix B relative to fringe benefits; and Appendix C relative to extracurricular activities.

Section 2: Level advancements are dependent upon satisfactory evaluations of previous assignments and are not to be considered automatic. A minimum of two (2) written evaluations shall be conducted by the building principal prior to June 1 of each fiscal year if salary advancements are to be withheld. If weaknesses exist in evaluations, constructive criticism will be given.

Section 3: Pay shall be distributed on alternate Fridays beginning with the first Friday which concurs with the payroll schedule of the administrative and non-instructional personnel, after school opens. Each pay shall be, at the option of the teacher, either one twenty-second or one twenty-sixth of the contract salary, less legal and teacher-authorized deductions. Teacher shall notify the school district no later than August 1 of each year which of the foregoing options they elect.

Teachers electing to receive twenty-six (26) equal pays shall also have the option of receiving a lump sum at the close of the academic school year in accordance with Section 6 below.

Teachers electing to receive twenty-two (22) equal pays shall be paid no later than the 14th day following the end of the work period in which the wages are earned.

Section 4: Beginning in the fall of 2013, all new bargaining members will receive their first pay on first payday after the start of the school year.

Section 5: Teachers terminating employment with the Bridgman Public School District shall be paid fully, in lump-sum; all contractual monies due them. This payment will occur at the conclusion of the pay period immediately following their resignation.

Section 6: Teachers may elect to draw in a lump sum all monies earned, at the close of the academic school year. Said request must be made in writing prior to March 1. The monies shall be incorporated in the check which follows the first data processing payroll submittal date after the close of the school year.

Section 7: Compensation for the discharging of extra-curricular duties shall be paid in full at the conclusion of the activity in question.

Section 8: In the employment of teachers new to the Bridgman Public School District, outside teaching experience may be granted on the salary schedule by taking the new employees most recent/current and verified Michigan Public School District salary and matching that amount to the closest level in Appendix A.

Section 9: The salary of any teacher employed during mid-year or part-time shall be in direct proportion to the salary schedule.

Section 10: Teachers attending professional meetings or conferences shall have prior approval of their building principal and Superintendent. Only those conference or meeting expenses approved by the building principal will be paid by the District. When mileage expenses are paid, the rate shall be at the current IRS rate per mile. Other expenses that may be paid with prior approval of the principal and Superintendent include conference registration fee and lodging and meals.

Appendix A moves from the traditional steps to a new level system. Levels do not indicate years of service to the District.

To calculate your 2016/2017 salary, take your current salary and add \$2,000. Now take that sum into the chart above and drop back to the lower of the two levels that you are between. This becomes your new level.

If this results in a raise for the 2016/2017 school year that is less than 2% or less than \$1,133, the BEA member will receive a one time off- level payment to make up the difference between the raise and the higher of the two indicators (2% or \$1,133). This payment will be made to BEA member(s) in the first pay of October 2016 and is subject to normal taxation.

For 2017/2018 and 2018/2019 you will advance to the next level if you attain an "effective" or "highly effective" evaluation.
