The "grievance" procedure shall not apply to any matter which is prescribed by law, or state regulations or over which the Board is without power to act. No Board prerogative or dispute over the modification of this contract shall be made the subject of a grievance. A grievance may be filed by an aggrieved teacher; a grievance may be filed by the Association whenever the grievance applies to a group of teachers with a common complaint.

- B. The grievant may invoke the formal grievance procedure by submitting his grievance on a form designated for that purpose. This form shall be signed by the grievant and a representative of the Association. Said form shall be available from the Association representative. A copy of the grievance form shall be delivered to the Principal.
- C. Within three (3) school days of receipt of the grievance, the principal shall meet with the Association representative in an effort to resolve the grievance. The principal shall indicate his disposition of the grievance in writing within three days of such meeting, and shall furnish a copy thereof to the Association.
- D. If the Association is not satisfied with the disposition of the grievance, or if no disposition has been made within three (3) school days of such meeting (or six school days from the date of filing, whichever shall be later) the grievance shall be transmitted to the Superintendent. Within five (5) school days the Superintendent or his designee shall meet with the Association on the grievance and shall indicate his disposition of the grievance in writing within three (3) days of such meeting, and shall furnish a copy thereof to the Association.

- E. If the Association is not satisfied with the disposition of the grievance by the Superintendent or his designee, or if no disposition has been made within three school days of such meeting (or eight school days from the date of filing, whichever shall be later) the grievance shall be transmitted to the Board by filing a written copy thereof with the Secretary or other designee of the Board. The Board, no later than its next regular meeting or two calendar weeks, whichever shall be later, may hold a hearing on the grievance, review such grievance in executive session, or give such other consideration as it shall deem appropriate. Disposition of the Grievance in writing by the Board shall be made no later than seven days thereafter. A copy of such disposition shall be furnished to the Association.
- F. In the event satisfactory disposition of a grievance is not obtained after pursuing all other procedures provided in the article, either the Association or the Board may request such mediation as is provided by law.
- G. If the decision of the Board is not satisfactory to the Association, the grievance may be submitted to arbitration before an impartial arbitrator selected by the parties. If the parties cannot agree as to the arbitrator, he shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration hearing. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement.
- H. All costs associated with arbitration are to be shared equally by the Board and the Association.
- I. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- J. If an individual teacher has a personal complaint which he desires to discuss with a principal, he is free to do so without recourse to the grievance procedure. However, no grievance shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present, nor shall any adjustment of a grievance be inconsistent with the terms of this Agreement. In the administration of the grievance procedure, the interests of the teachers shall be the sole responsibility of the Association.

- K. All documents, communications, and records dealing with a grievance shall be filed separately from the personal files of the participants.
- L. It shall be the general practice of all parties to process grievance procedures during times which do not interfere with assigned duties; provided, however, in the event it is mutually agreed by the aggrieved person, the Association, and the Board to hold proceeding during regular working hours, a teacher participating in any level of the grievance procedure including mediation, on his own behalf or on behalf of the Association, with any representative of the Board, shall be released from assigned duties without loss of salary.
- M. All grievances must be filed within 20 calendar days of the occurrence of the action causing the grievance.

- A. A teacher shall at all times be entitled to have present a representative of the Association when he is being reprimanded, warned or disciplined for any infraction of discipline or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present. Such action shall take place within 5 working days of the request.
- B. Whenever a teacher is in violation of any part of this agreement a notation of this violation and the disciplinary action shall be included in the teacher's personal file. A duplicate copy of this notation shall be given to the teacher within three (3) school days of the violation.

ARTICLE XII NEGOTIATION PROCEDURES

- A. It is contemplated that terms and working conditions provided in this agreement shall remain in effect until altered by mutual agreement in writing between the parties. Nevertheless, because of the special nature of the public educational process, it is likewise recognized that matters may from time to time arise of vital mutual concern of the parties which have not been fully or adequately negotiated between them. It is in the public interest that the opportunity for mutual discussion of such matters be provided. The parties accordingly undertake to cooperate in arranging meetings, selecting representatives for discussion, furnishing necessary information and otherwise constructively considering and resolving any such matters.
- B. Not later than December 1 of the school year in which this

agreement expires, the Board agrees to begin negotiations with the Association over a successor agreement in accordance with the procedure set forth herein in a good faith effort to reach agreement concerning teachers' salaries and all other working conditions. Such negotiations may include, but not be limited to, the subjects covered by this Agreement and any other matters mutually agreed to be negotiable by the parties. Any agreement so negotiated will apply to all teachers, and will be reduced to writing and signed by the Board and the Association.

- C. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party, and each party may select its representatives from within or outside the school district. While no final agreement shall be executed without ratification by the Association and the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.
- D. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the State Labor Mediation Board or take any other lawful measures it may deem appropriate.

ARTICLE XIII NO STRIKE CLAUSE

The Association agrees that it shall not authorize, engage in, condone, or ratify a strike. ARTICLE XIV AGREEMENT CONTRARY TO LAW AND MATTERS CONTRARY TO AGREEMENT

- A. If any provision of this Agreement or any application of the Agreement, to any employee or group of employees, shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- B. This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.

ARTICLE XV MISCELLANEOUS PROVISIONS

- A. The provisions of this Agreement and the wages, hours, and working conditions shall be applied in a manner which is not arbitrary, capricious or discriminatory.
- B. Copies of this Agreement shall be printed by the Board and presented to all teachers employed or hereafter employed by the Board.
- C.
