Completion of 6 months	48 hours		
7th month through 60th month	8 hours per month	96 hours	120 hours
61st month through 120th month	12 hours per month	144 hours	180 hours
121st month	15 hours per month	180 hours	225 hours

*Employees are expected to take their annual accrual each year. When this is not feasible, they may make special arrangements with their departmental administrators to accrue additional time, but the accrual cannot exceed the special maximum amount shown.

B. There shall be no vacation accrual in the following situations:

In the event that an employee makes such a request, the department or division shall have 30 days to either grant or deny the employee's requested vacation period. If the department or division does not act to either grant or deny the vacation period within 30 days, the employee shall be entitled to take her/his vacation on the date requested. If the department or division denies the employee her/his requested vacation period, the employee may then reapply for the scheduling of another vacation period.

c. Employees who request vacation with less than 60 days' notice to the department or division will take their vacation periods at a time mutually agreed upon by the employee and the department or division.

D. Other Provisions

1. Employees will receive their base rates of pay during vacation.

2. Vacation credits shall not be waived by an employee and additional pay received for working those days.

3. If any of the holidays stipulated in this Agreement should occur during an employee's scheduled vacation, she/he should receive one (1) additional vacation day for each holiday.

4. If any employee becomes hospitalized for illness or accident and presents a physician's statement that she/he was under the care of a physician during her/his vacation, she/he may submit an amended Report of Absence charging the vacation credits to her/his sick leave account.
5. An employee shall be allowed to use accrued vacation credits as sick leave or personal leave days when her/his sick leave or personal leave accounts are exhausted.
6. If an employee is laid off, retired, or terminated for any reason, she/he shall be paid for any accrued vacation credits, except as provided in Article 18.III.

BENEFIT PLANS

The following sections are for understanding and clarification of the plans offered. Individual policies, certificates or brochures are provided at the time of employment or enrollment. Additional copies and complete detailed information concerning the benefit and retirement plans may be obtained from the Staff Benefits Office.

I. Optional Plans

Participation in the following benefit plans is optional, and eligible employees are covered if written application for benefits takes place within 60 days of employment, during a scheduled Open Enrollment or in certain cases by furnishing evidence of insurability. Employee premiums, if any, are taken one (1) month in advance by payroll deduction.

A. Health Care Coverage

1. If coverage is desired, employees must enroll for health care coverage within 60 days of their employment date or during a scheduled Open Enrollment. Employees may enroll eligible dependents within 30 days of acquiring the dependents. Failure to enroll within the time limits will result in no health coverage until Open Enrollment is offered and application is made. The employee can select the Aetna Health Care Plan, Health Central/Blue Care Network or Physicians Health Plan.
2. Effective July 1, 1992, Aetna will be the traditional health care plan administrator. The current indemnity plan features will continue with the addition of Healthline, reasonable and customary coverage, major medical deductible of \$150/\$300 aggregate family deductible amount; an outpatient

mental health benefit subject to the major medical annual deductible and a 50% co-pay up to 10 visits per year. Mental health benefits are subject to a \$50,000 lifetime maximum.

3. Upon enrollment, for regular full-time employees, the Employer will pay the full amount of the single subscriber rate regardless of the medical plan selected.
4. Upon the employee's enrollment, the Employer will contribute one hundred (100) percent of the applicable total monthly premium cost of family coverage for the Aetna Health Care Plan programs for regular full-time employees. The family contribution amount may also be applied to the monthly premium cost of either two-party or family coverage under Health Central/Blue Care Network or Physicians Health Plan.
5. Full-time employees enrolling in Health Central Blue Care Network, or Physicians Health Plan (HMO's) will receive the University contribution amount for the traditional family plan toward the HMO premium. In the event that the HMO premium is greater than the amount that the University would contribute, the employee will pay the difference in cost through payroll deduction. For the term of this agreement which is April 1, 1991, through March 31, 1994, the regular full-time employee contribution will not exceed \$13.67 per month for Health Central/Blue Care Network and \$17.83 per month for Physicians Health Plan.
6. Part-time employees shall receive the proportional amount (refer to Article 2, Section VIII) of the amount to be applied toward the monthly premium cost of Aetna Health Care Plan, Health Central/Blue Care Network or Physicians Health Plan coverage.
7. If both husband and wife are eligible MSU employees, the spouse's (non-certificate holder) contribution may be applied toward the certificate holder's basic premiums. To be effective, the certificate holder must execute a Married Couple Certificate, available from the Staff Benefits Office.
8. If an employee is eligible to be included under her/his parent's basic health-care coverage through MSU, her/his contribution may be applied toward the cost of the parent's basic premium. To be effective, the certificate holder must execute the appropriate documentation, available from the Staff Benefits Office.
9. The Employer shall make a contribution for coverage in only one University health-care plan for an eligible employee or dependent(s).
10. The Employer's contribution may not be applied toward optional rider coverage.

11. Where applicable, the University will reimburse employees and/or spouses for Part B Medicare coverage when they become eligible for such benefits.
12. Beginning July 1, 1992, upon providing evidence of other health care coverage, employees eligible for MSU health care coverage are eligible to waive the MSU health care coverage each year during the annual Health Care Plan Open Enrollment to be effective July 1 through June 30. Employees waiving coverage receive up to a \$600.00 payment made in the month of July of the next plan year. Re-enrollment into the MSU health care plan will be allowed during the year if proof of involuntary loss of other health care coverage is provided within thirty-one days of loss of coverage. The individual would no longer be eligible for the full lump-sum payment, but would be eligible for a pro-rated amount.
13. The Employer further agrees that upon reasonable request it will provide non-AFSCME Aetna aggregate data that the University uses for the establishment of premium equivalents, such as claims experience data, administrative costs and applicable trend factors. The Employer will, upon reasonable request, facilitate communications regarding the foregoing data with the health care plan administrator, the Union and the Employer.

B. Employee-Paid Life Plan

1. If coverage is desired, the University will make available to employees an Employee-Paid Life Plan. The plan is entirely funded from employee premiums and rates are subject to future group experience. The plan is decreasing term coverage with no cash or loan value. Employees may select coverage under one option: either salary indexed or fixed benefit. (Subject to 7/1/81 enrollment eligibility rules.)

normal contribution toward the cost of hospitalization, dental insurance, and retirement.

B. Leave of Absence Without Pay

An employee granted an approved leave of absence without pay may continue in force all of the optional benefit plans by making the full contribution. - B. Premiums paid into TIAA annuities are invested in fixed income securities (bonds and mortgages) and provide a fixed income upon retirement. Premiums paid into CREF, on the other hand, are invested in common stocks with an ultimate objective of protecting the purchasing power of your retirement dollar.
- C. The total monthly premium may be apportioned between TIAA and CREF or deposited entirely in TIAA or CREF.

II. Eligibility and Participation

- A. Regular employees are eligible for participation in TIAA CREF in accordance with the following policies:
 - 1. The program is optional to employees with at least twenty-four (24) FTE service months or who are over age 62 at the time of employment.
 - 2. The program is required as a condition of employment for employees who have attained age 35 and have twenty-four (24) FTE service months.
 - 3. Employees who attain age 55 may immediately participate in this program.
 - 4. Once required participation commences, it is not possible to withdraw from TIAA-CREF while employed at the University.
- B. Regular part-time employees working one-half time or more are eligible for TIAA-CREF participation on an optional basis after twenty-four (24) FTE service months of continuous service.

III. Retirement for Employees Hired Prior to January 1, 1973

- A. Effective January 1, 1973, the University Non-Contributory Retirement Program ceased to exist. However, to ensure that no employee lost credit for prior years of service, the following guidelines were established to provide that an employee will receive no less than what an improved plan formula would give her/him upon retirement.

- B. Those persons employed prior to January 1, 1973, who were 55 years of age or older and/or had 25 years of service on January 1, 1973, could elect to remain subject to the improved University plan formula described below:
1. The formula governing the old retirement plan was improved by basing pensions on an amount equal to the highest three year average earnings, multiplied by 2 percent for each year of service, with a \$3600 ceiling.
 2. This new formula will be applied for each employee at retirement and will become the minimum received by the employee.
 3. The annuity purchased by MSU's contribution to TIAA-CREF will be compared to the pension amount as computed in 1 above, and the employee will receive the larger of the two figures. Employee contributions (retroactive to January 1, 1973) will be available as an additional annuity provided the employee meets the minimum retirement requirements.
 4. Those employees age 55 or over and/or those with 25 years of service not participating in TIAA-CREF will have their retirement figured solely on the improved formula plus a 10 percent addition added to the base pension prior to actuarial reduction or the selection of a survivor option.
 5. Employees who "retire" without meeting the minimum provisions for vesting under the old plan; i.e., 62 years of age with 15 years of service or 25 years of service at any age (subject to normal actuarial and age deductions, if any), will receive a retirement pension solely from the contributions made to their individual TIAA-CREF annuity.

IV. Enrollment

- A. TIAA-CREF application and payroll deduction forms are available in the Staff Benefits Office and should be returned there after they have been completed. It is important to indicate on the application the allocation of premiums between TIAA and CREF.
- B. Proof of your birth date must be shown if you are enrolling in TIAA-CREF for the first time.
- C. Enrollment material must be received by the Staff Benefits Office no later than the fifteenth of the month in order to be effective the first of that month. Enrollments received after the fifteenth of the month shall not be effective until the first of the following month and cannot be made retroactive.

V. Premium Contributions

The TIAA-CREF Retirement Annuity is financed by a five percent (5%) deduction from the employee with the University's contributing 10 percent (10%) based on the annual base salary.

VI. Other Retirement Information

A. To be considered a retiree, an employee must meet one of the following minimum retirement requirements:

1. Has attained 62 years of age and has completed 15 years of service,

OR

2. Has completed 25 years of service at any age.

B. Employees meeting the minimum retirement requirements will remain eligible to maintain group health and dental care and receive the Employer's proportional contribution.

C. Employees participating in the Employee-Paid Life plan at the time of retirement and who were enrolled prior to July 1, 1976, shall receive a \$2,000 life plan benefit fully paid by the Employer.

- B. The employee with the highest seniority shall be interviewed first, to the extent practicable, and if selected, further interviewing shall be unnecessary. This process shall be followed until a selection is made or written reasons for non-selection institute the next step in the procedure.
- C. The initial interview list shall consist of no more names than herein provided and will be exhausted in accordance with the provisions of Article 17, III A and B before a second interview list is submitted.
- D. If no selection is made from these employees, written reasons for non-selection are to be submitted to the Office of Human Resource Services by the department administrator.
- E. If the reasons for non-selection are acceptable to the Office of Human Resource Services, additional employees shall be referred for interview from those qualified and applying for the position, and the written reasons shall be shared with the affected employee(s) and the Union.

- J. If an employee is not selected by the above procedure, outside applicants whose credentials meet the posted qualifications shall be referred for consideration.

IV. Other Provisions

- A. If a vacancy has been posted, it may be withdrawn and reposted if the classification or requirements of the position are changed. If a vacancy has been posted and withdrawn and the classification and requirements are unchanged, the names originally submitted for the filling of the vacancy shall be resubmitted if the vacancy is reposted within 120 days of the original posting. If any of the employees are no longer interested or available for the position, the list may be supplemented under the outlined procedures so that the total names submitted are consistent with the defined procedure. If the vacancy is reposted after 120 days of the original posting, it will be considered a new posting.
- B. An employee will be given reasonable "time off" from her/his job for the purpose of interviewing for another University position and/or taking qualifying examinations, if such arrangements are made in advance with her/his supervisor(s). It shall be understood that the department considering an employee for transfer or promotion may contact the employee's current department for an evaluation of the employee's performance in her/his current position.
- C. Where special physical requirements pertain to a position to be filled, the Employer may request that the applicant take a physical examination, the results of which are approved by the University Physician.
- D. Employees who have applied for the position but were not selected shall be notified in writing of their non-selection by the Office of Human Resource Services.

- E. A position upgraded by reclassification shall be considered a vacancy subject to all the provisions above unless the incumbent is qualified and has performed the duties, based on which the position was reclassified, for a minimum of 256 working hours and is not serving a probationary or trial period. In that case, the incumbent shall be retained in the reclassified position.
- F. Employees receiving less than satisfactory performance evaluations, written reprimands and/or suspensions may be restricted from applying for vacant positions by the Office of Human Resource Services.

V. Conditions for Bypassing the Procedure

The procedure for filling a vacancy shall be bypassed for persons holding the following priority status and meeting the requirements for the position:

- A. Employees who at their own or the Employer's discretion terminate a trial period prior to the conclusion of 256 working hours shall have preference for any vacancy at their former grade levels or at the discretion of the Employer at their current grade levels and as provided under the trial period section below.
- B. Employees on leave drawing Worker's Compensation benefits for any position at their former or lower compensation grade levels, the duties of which they are able to perform, provided that during their absence they did not become subject to layoff.
- C. Employees returning from an approved sick or disability leave of absence without pay provided that during their absence they did not become subject to layoff.
- D. Employees returning from approved personal leaves without pay provided that during their absence they did not become subject to layoff.

- F. Employees or non-employees whose transfer, promotion or selection may be required for affirmative action purposes. The need for such action shall be evidenced by the existence of an affirmative action plan by the Employer. The Union shall be notified prior to implementation.
- G. Employees whose positions are changed from full-time to part-time.
- H. Employees promoted out to a position in another bargaining unit and returning before the end of the probationary period may be bypassed to a vacant CT position.

- I. A position reclassified from another bargaining unit will be permitted to be placed into the CT bargaining unit, along with any incumbent, if the incumbent has been in the position at least two years or longer.

VI. Trial Period

- A. An employee promoted or transferred shall begin a trial period consisting of 256 working hours.
- B. Prior to the expiration of this period, the employee at her/his discretion, or at the discretion of the Employer, may be returned to her/his former position, if the position is vacant.
- C. When a trial period is terminated and if the employee's former position is not vacant, the University will, within 10 working days, place the employee in a vacant position for which she/he is qualified at the employee's former grade level or current grade level at the discretion of the Employer. The employee shall be interviewed by Office of Human Resource Services prior to a decision in regard to assigning the employee in a vacant position.
- D. If no vacancy exists, the employee shall be entitled to her/his former position.
- E. If the employee's former position has been eliminated, this shall be considered a reduction in the work force in the department from which the employee promoted or transferred, and she/he shall be subject to the provisions of Article 18.

VII. Requalification Period

- A. A bypassed employee returning from unpaid leave or layoff to a classification previously held shall begin a requalification period of 176 working hours. The requalification period may be terminated by mutual agreement or by the Employer for failure to meet reasonable expectations. Failure to complete the requalification period will return the employee to her/his former status of unpaid leave or layoff and eligibility for the bypass.
- B. A bypassed employee returning from unpaid leave or from layoff to a classification not previously held shall begin a 256 working hours requalification period. The requalification period may be terminated at the discretion of the employee or the Employer. Termination of a second requalification period will return the employee to her/his former status of unpaid leave or layoff, making her/him subject to the normal selection procedures.

VIII. Access and Review of Procedure

Records pertaining to the filling of a vacant position shall be retained for at least 20 working days following notice of those interviewed or the starting date of the selected employee. Except for records containing personal data of other employees, individuals who were actually interviewed for a position and/or a representative of the Union may review the records at a time and place mutually agreeable to the employee, the Union, and the Office of Human Resource Services.

ARTICLE 18

LAYOFFS

I. General Provisions

Layoff is defined as a reduction in the work force. The Employer agrees that a layoff shall never take place for punitive purposes. The Union will be given the opportunity to discuss the circumstances with the Employer prior to the effective date of the layoff. Where practicable, the Employer will attempt to reassign rather than layoff.

- A. For purposes of layoff, University seniority shall apply.
- B. Among probationary employees, seniority shall not apply. A probationary employee in the grade level in the department shall be laid off before an employee with seniority is laid off provided the seniority employee is capable of performing the work.

II. Procedures

A. Departmental

1. The first employee to be laid off shall be the employee within the department with the least University seniority in the grade level where the layoff is to occur.
2. An employee subject to layoff shall be entitled to any vacancy in her/his grade level provided she/he is capable of performing the duties of the position.
3. It shall be assumed throughout this article that an employee can perform the duties of a position if she/he is able to do so within a training period of not

more than 256 working hours. The employee shall not be entitled to a vacancy or to replace another employee if more than 256 working hours of training are required.

4. The employee subject to layoff shall at her/his own discretion have the right to remain in her/his current department by accepting a voluntary demotion to a vacant position in which she/he is capable of performing the work.

B. University

1. If no vacancy exists in a lower grade level, or if the employee elects not to accept a position at a lower grade level in the department where the layoff is to occur, the employee shall take a vacant position outside of the department at the same grade level or, at her/his discretion, a position at a lower grade level for which she/he is capable of performing the work.
2. If no vacancy at the same grade level is available, or the employee does not accept a position at a lower grade level, the employee subject to layoff may exercise her/his seniority within the University and replace the least senior employee in the same grade level where she/he is capable of performing the work.
3. The least senior employee at a grade level who is subject to layoff shall be entitled to any vacancy at the next lower grade level, the duties of which she/he can perform. If no vacancy is available, the employee shall have the right to exercise her/his seniority over the least senior employee in the next lower grade level or levels, the duties of which she/he can perform.

C. The employee thus replaced may exercise her/his seniority to fill another vacancy or replace another employee in the above manner.

D. An employee subject to layoff shall be deemed to have voluntarily resigned if she/he refuses a position at the same grade level as her/his current position.

E. The Employer agrees that an employee and the Union will have fifteen (15) working days' notice, in writing, prior to layoff. An employee's accrued vacation leave may not be used in lieu of the fifteen (15) working days' notice.

F. Positions becoming available shall be offered to employees under preference established in Article 17.V.E., Filling Vacant Positions, and employees laid off shall be recalled in order of greatest seniority as defined in Article 20, providing they are capable of performing the work. Employees laid off shall also have the right to accept a recall to a position at a lower level if they are capable of performing the duties of the position.

1. Notice of recall shall be sent to the laid-off employee at her/his last address of record as recorded in the Employee's Official Personnel Folder by registered or certified mail, return receipt requested.
 2. Positions to be filled shall be offered to laid-off employees who are qualified. An employee so notified must indicate her/his acceptance of recall within five (5) working days after receipt of notification from the Employer. The employee must report to work within eleven (11) working days after receipt of the notice.
 3. Failure to receive recall notice within 14 calendar days from the date of mailing or return of recall notice as undeliverable, whichever is later, will result in termination.
- G. Failure to accept recall from layoff or report for work provided the position offered was at the classification or comparable compensation grade level which the employee held at the time of layoff, terminates seniority, recall rights, and employment with the Employer.
- H. Failure to be restored to duty from layoff for a period of time equal to University seniority or two (2) years, whichever occurs first, shall terminate the employee's seniority, recall rights, and employment with the Employer.

III. Temporary Layoffs

In the event of circumstances beyond the Employer's control, temporary layoffs of three or fewer days in a contract year may be scheduled provided that the Employer provides 30 days' notice and works with Union representatives to explore alternatives to a layoff within that period. If no workable alternatives are found, the layoff may proceed without regard to the provisions of Article 18 and Article 11.II.D.6. The application of this provision shall not be undertaken independently by individual units. Whenever temporary layoffs occur, an employee may not be laid off again until 11 months have elapsed from the date of the last day of the preceding layoff.

IV. Project Technicians

- A. Project technicians who are hired on or voluntarily change positions after October 31, 1976, to grant or contract supported research projects or other non-University funded projects under the following classification titles, and who are given a written termination date (CTU will receive a copy) at the time of hire or change of position, are not subject to the procedures specified in Section II.

Research Technologist I

Research Technologist II

Additional classifications applicable to grant or contract-supported research projects or other non-University-funded projects may be added and CTU will be informed in writing.

- B. Technicians who are laid off from the University will receive severance pay of one (1) normal week's pay for each year of University service to a maximum of five (5) weeks. The first year shall be based upon a minimum of ten (10) month's service. Monies due will be paid as salary continuances until the maximum is reached or the employee is recalled.
- C. No severance payment is applicable to those leaving the University because of retirement, industrial injury, illness, resignation, or discharge.
- D. If recalled, employees shall retain credits for all salary continuances not used.
- E. Persons changing from these types of positions to regularly funded positions are no longer subject to the provisions of this section.

V. Other Provisions

- A. For the purpose of layoff, Union Executive Board members not to exceed eleven (11) shall be deemed to have greater seniority than other employees within their grade levels or lower grades in all classifications if they are capable of performing the duties.
- B. For the purpose of layoff, Union Representatives not to exceed forty (40) shall be deemed to have greater seniority than other employees within their grade levels or lower grades in all classifications in their representation units if they are capable of performing the duties.
- C. An employee recalled from layoff status shall receive all contractual increases given during the period of layoff.
- D. An employee recalled from layoff status who receives a promotion shall receive the appropriate promotional increase (Article 8.VII) based on the rate of pay she/he is earning at the time of return.
- E. An employee changing positions resulting in a lower grade level due to layoff shall:
 - 1. Receive a 3 percent reduction in her/his base rate of pay if demoted 1 grade level.
 - 2. Receive a 5 percent reduction in her/his base rate of pay if demoted 2 grade levels.

3. Receive a 2 percent per grade level reduction in her/his base rate of pay if demoted more than two grade levels.
4. Receive the reduction in pay based on her/his rate of pay at the time of return.
5. Be required to have her/his base rate of pay within the range of the new grade level.

ARTICLE 19

WORKER'S COMPENSATION

- I. The Employer, in accordance with the State law, provides Worker's Compensation if an employee is injured in the course of employment by providing for continuation of a portion of the employee's wages. Worker's Compensation benefits will be supplemented by accrued sick leave credits until they are exhausted to maintain regular gross income. When accrued sick leave credits are exhausted, the employee may elect to use accrued vacation credits to supplement Worker's Compensation benefits.
- II. Worker's Compensation benefits begin after seven (7) calendar days of time lost from work. After 90 calendar days of employment, the Employer will waive the seven-day statutory waiting period and will continue the employee's full pay for the one-week period.
- III. Injuries arising out of and in the course of employment must be reported to the employee's immediate supervisor and medical evaluation sought from the University Physician. Necessary medical services shall be determined by the University Physician for a compensable injury.
- IV. Persons on leave drawing Worker's Compensation benefits shall, for a period of six months, be entitled to their position upon return, provided they are physically able to perform the duties of their position. If they are physically unable to perform the duties of this position for the period they are drawing Worker's Compensation benefits and have not retired, they shall have priority (Article 17.V.B, Filling Vacant Positions) on any position at their current or lower compensation grade level, the duties of which they are able to perform.
- V. Persons supplementing their Worker's Compensation benefits per Section I shall be entitled to full benefits as if actively employed.
- VI. An employee who is receiving regular Worker's Compensation for a period in excess of six (6) months shall receive, at the employer's expense, life, health and dental coverage for the period covered by Worker's Compensation. If it is determined by the Staff

Benefits Office that the injured employee will be off work in excess of six (6) months, the above benefit may be implemented upon such determination without requiring premium payments from the affected employee.

- V. An employee returning within twelve (12) months or less of her/his termination from University employment or transfer to a position outside of the bargaining unit shall receive credit for all past seniority upon successful completion of a 256 hour trial period.

- VI. With proper documentation, employees with breaks in service of less than one (1) year will be granted credit for all past seniority on application to the Office of Human Resource Services.
- VII. An employee returning after twelve (12) months of her/his termination from University employment shall, after five (5) additional years of employment, receive credit for all past seniority for the purpose of retirement only.

GRIEVANCE PROCEDURE

I. Definition of Grievance

A grievance is defined as a disagreement, arising under and during the term of this Agreement, concerning the interpretation and application of the provisions of this Agreement.

II. Group Grievance

In the event that employees have a group grievance, the Union Representative shall submit the grievance on behalf of all named and similarly affected employees. A group grievance shall be only one in which the fact(s) in question and the provisions of the Agreement alleged to be violated are the same as they relate to each and every employee in the group. When the affected group is contained within one department, college, or division, the grievance shall be initiated at Step Two of the grievance procedure. Any other group grievance shall begin at Step Three.

III. Oral Step

An aggrieved employee should promptly notify her/his immediate supervisor that she/he has a grievance. The employee may at her/his option discuss the matter directly with the supervisor or may request a representative of the Union to be present for the purpose of attempting to adjust the grievance.

IV. Formal Grievance Procedure

A. Step One

1. If the aggrieved employee does not receive a satisfactory oral answer, or if she/he does not receive any answer at the Oral Step within three (3) mutual working days following the day of oral presentation, the aggrieved employee may reduce the grievance to writing and submit it to the appropriate supervisor.
2. A grievance must be submitted in writing within fifteen (15) working days of the occurrence of the condition(s) giving rise to the grievance, or within fifteen (15) working days of the date it is reasonable to assume that the employee(s) should reasonably have become aware of the condition(s) giving rise to the grievance, or within three (3) working days following the Oral Step, whichever is latest, in order for the matter to be considered a grievance under this Agreement.
3. The grievance shall be submitted on forms provided by the University, dated and signed by the aggrieved employee(s) and shall set forth the facts, dates, and provisions of the Agreement that are alleged to have been violated and the remedy desired. At the time the grievance is received, the supervisor or designee shall sign and date a copy which shall be returned to the grievant. A meeting shall be held if requested by either party.
4. In the event the immediate supervisor or designated representative does not answer the grievance within ten (10) working days, the grievance may be appealed to the next higher step of this grievance procedure within five (5) working days after the expiration of the applicable time limit.
5. In the event the answer of the supervisor or designated representative is unacceptable to the grievant, the grievance may be appealed to the next higher step of this grievance procedure. Any grievance not appealed within five (5) working days after such answer shall be considered settled on the basis of the written answer of the supervisor or designated representative and shall not be subject to further appeal and/or review.

B. Step Two

1. 3. Within five (5) working days following conclusion of such meetings, the administrative head or her/his designee shall provide the grievant with a written disposition of the grievance.

C. Step Three

1. If the grievant is not satisfied with the disposition of the grievance at Step Two, the grievant may appeal the grievance to the Director of Employee Relations within five (5) working days after the date of the answer. Such appeal shall be in writing as in Step One and shall state the reason(s) why the Step Two disposition is not satisfactory.
2. UNION SECURITY

I. Membership

As a condition of employment, each employee in the bargaining unit on or before the 30th day after the effective date of this Agreement or on or before the 30th day after employment in the bargaining unit, whichever is later, and monthly thereafter, shall

tender to CTU either, periodic and uniformly required Union dues, or in the alternative, service fees in an amount equal to these dues as set forth in the Constitution of the Clerical-Technical Union of Michigan State University.

II. Check-off

 1. If the employee desires to join CTU, the employee shall complete both the Application for Membership and the Authorization Card for Check-off of Dues and return them, along with the initiation fee, to the CTU financial officer.
 2. If the employee does not desire to join CTU, the employee shall complete only the Authorization Card for Check-off of Dues, so that CTU may collect from the employee its service fees equal to the monthly dues, and return it to the CTU financial officer.
 3. If the employee desires to tender dues or fee directly to the Union, the employee will so indicate on the Application for Membership form which shall be transmitted to the Union on or before the 30th day of employment with dues or fees equivalent to \$100. Adjustment of dues or fees shall be made at the end of 12 months from these receipts. Excess amounts then will be returned to the employee within 10 days of demand and insufficient amounts will require payment within 10 days of notice. Each year will again require deposit of a sum of \$100 and the procedure indicated above will be applied.
- B. During the life of this Agreement and in accordance with the terms of the Authorization for Checkoff of Dues, the Employer agrees to deduct membership dues or service fees levied in accordance with the Constitution of the Union from the pay of each employee who executes or has executed the Authorization for Check-off of Dues.
- C. The initial deduction of any employee shall not begin unless the Authorization for Check-off of Dues and the certification of the CTU's financial officer as to the amount of the periodic Union dues or service fees have been delivered to the Employer's Payroll Department at least six (6) working days prior to the affected payday.
- D. All monies deducted by the Employer shall be remitted to the CTU's financial officer once each month by the 20th calendar day of the month following the month

in which deductions were made together with a list of current employees showing the amount of Union dues or service fees deducted from each employee.

- E. In cases where a deduction is made which duplicates a payment already made to CTU by an employee, or where a deduction is not in conformity with the Constitution of the Union, refunds to the employee shall be made by CTU.
- F. The Employer shall not be liable to CTU by reason of Section B of this Article for the remittance or payment of any sum other than that constituting actual deductions made from the pay earned by the employee.
- G. The Employer shall not, during the life of this Agreement, deduct dues or service fees from employees for any organization other than the Union without CTU's written permission.
- H. CTU shall protect and save harmless the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.

- A. An employee in the bargaining unit who fails to tender to the Union either periodic and uniformly required Union dues or, in the alternative, service fees in an amount equal to these dues as set forth in the Constitution of the Union shall be terminated by the Employer, provided the following stipulations are adhered to:
 - 1. The Union shall notify the employee by certified or registered mail explaining that the employee is delinquent in not tendering required Union dues or service fees, specifying the current amount of the delinquency, and warning her/him that, unless the delinquent dues or service fees are paid and a properly executed Authorization for Check-off of Dues or service fees is tendered within ten (10) working days of such notice, the employee shall be reported to the Office of Employee Relations with a request to terminate the employee as provided in this Article.
 - 2. The Union shall give a copy of the letter sent to the employee and the following written notice to the Office of Employee Relations at the end of the 10-day period:

The Union cannot cause the discharge of an employee who has resigned from or has been expelled by the Union for any reason other than her/his failure to tender the dues or service charge to the Union, either directly or after revocation of her/his authorization.

C. Disputes Concerning Compliance

The Union shall protect and save harmless the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.

IV. Revocation Cards

- II. The Employer will not aid, promote, or finance any labor group or organization which purports to engage in collective bargaining involving the employees covered by this

Agreement. Nothing contained herein shall be construed to prevent an individual employee from presenting a grievance and have the grievance adjusted without intervention of the Union, if the adjustment is not inconsistent with the terms of this Agreement, provided the Union has been given the opportunity to be present at such adjustment.
