AGREEMENT

THIS AGREEMENT entered into this 16th day of May, 1995, by and between the CITY OF BATTLE CREEK, hereinafter referred to as the "City," and the Police Officers Labor Council of Michigan, on behalf of the ORGANIZATION OF SUPERVISORY PERSONNEL/SERGEANTS OF THE BATTLE CREEK POLICE DEPARTMENT, hereinafter referred to as the "Union."

W I T N E S S E T H

Pursuant to and in accordance with the applicable provisions of the Public Acts of 1965, the parties hereto have engaged in collective bargaining with respect to the salaries, hours of work and other conditions of employment for the employees occupying, or who may occupy during the life of this Agreement, the job classification of Police Sergeant and have agreed as follows:

ARTICLE 1 - RECOGNITION

Section 1.1 - Recognition: The City agrees that during the life of this Agreement, it will not recognize any labor organization other than the Union as the collective bargaining agent for the employees occupying, or who may during the life of this Agreement occupy, the job classification of Police Sergeant.

Section 1.2 - Representation: Employees within the bargaining unit shall be represented by a President, Vice-President, Secretary and Treasurer, all of whom shall be full-time employees of the City and part of the collective bargaining unit covered by this Agreement. The aforementioned elected persons shall constitute the Union's negotiating committee and grievance committee and shall be

responsible for the processing of grievances under the grievance procedure and other Union matters. The President shall act as Chairman of the grievance committee. The Union shall furnish the City with a list of Union officers and shall notify the City if and when any changes are made.

Section 1.3 - Union Security: It is understood and agreed that all present employees covered by this Agreement who are members of the Union shall remain members in good standing for the duration of this Agreement as a condition of continued employment. All present employees covered by this Agreement who, on the effective date thereof, were not members of the Union shall, within thirty-one (31) days after the effective date hereof, become and remain members in good standing of the Union or cause to be paid to the Union a representation fee equivalent to their fair share of the Union's cost of negotiating and administering this collective bargaining Agreement as determined by the Union. All Police Officers who are assigned and/or promoted to any position covered by this Agreement after the effective date hereof, shall become and remain members of the Union in good standing or pay a representative fee equivalent to their fair share of the cost of negotiating and administering this collective bargaining Agreement as determined by the Union within thirty-one (31) days after the date of assignment and/or promotion.

Section 1.4 - Payroll Deduction For Dues: For those employees who are or become members of the Union and who properly executed payroll deduction authorization cards therefor, the provisions of which must conform to the legal requirements imposed by State law, the City agrees to deduct

from each paycheck a pro rata portion of the total annual cost of regular monthly Union dues in the amount certified to the City by the Financial Secretary of the Union and to forward the same to said Financial Secretary within fifteen (15) calendar days.

Section 1.5 - Indemnity Provision: The Union agrees to indemnify and save the City harmless from any and all claims, suits and all other forms of liability that may arise out of or by reason of the City's compliance with Sections 3 and 4 above.

Section 1.6 - Management's Rights: The Union recognizes that, except as specifically limited or abrogated by the terms and provisions of this Agreement, all rights to manage, direct or supervise the operations of the City and the employee, are vested solely and exclusively in the City.

(a) The parties recognize that the responsibility for operating the department rests with the Chief of Police and that changes in working rules and regulations and past practices may be made from time to time. The Chief shall notify the Union of any changes in rules, regulations and past practices. In the event the Union believes such new rule or regulation to be unreasonable, it shall have the right to file a grievance within fourteen (14) calendar days after the rule or regulation becomes effective.

Section 1.7 - Anti-Discrimination: The City and the Union recognize and agree that, for the duration of this Agreement, neither shall discriminate against any employee because of such person's political belief. Nor shall the City or its agents nor the Union, its agents or members discriminate against any employee because of his membership or non-membership in the Union as defined in Article 1, Section 3.

Section 1.8 - New Supervisory Positions: The City shall establish the rate of pay and requirements for the position and will notify the Union of its decision. If the City and the Union agree that the new supervisory position is within this bargaining unit, the Union shall have ten (10) regularly scheduled working days after receipt of the notice of the new position and the rate of pay to notify the City in writing of its disagreement. If a mutually satisfactory salary is not agreed upon within thirty (30) calendar days after serving such notice to the City, the issue may be referred to the grievance procedure. If, in the above procedure, a different salary is arrived at, the different rate shall become effective retroactively to the date the job classification was created. Failure of the Union to notify the City in writing of its desire to negotiate within ten (10) days, or having served such notice, failure to refer the matter to the grievance procedure within the aforementioned thirty (30) day period shall constitute acceptance by the Union of the salary.

Section 1.9 - Detective Sergeants: Sergeants assigned to the Detective Bureau and SIU shall be given the title of "Detective Sergeant."

ARTICLE 2 - GRIEVANCE PROCEDURE

Section 2.1 - Definition of Grievance: A grievance shall be defined as any dispute regarding the meaning, interpretation, application or alleged violation of the terms and provisions of this Agreement. A written reprimand shall also be subject to the grievance procedure.

Section 2.2 - Grievance Procedure: All grievances shall be discussed orally with the employee's immediate supervisor, and if the matter is not resolved by discussion, the following procedure shall apply:

a) FIRST STEP: Within seven (7) calendar days after the employee has knowledge of the event or reasonably should have knowledge of the event upon which the grievance is based, whichever occurs first, the employee shall reduce the grievance to writing, state the facts upon which it is based, when they occurred, specify the section of the contract which has allegedly been violated, sign the grievance and present said grievance to the Chief of Police. The Chief shall meet with the aggrieved employee to discuss the grievance within seven (7) calendar days after receipt of the written grievance. The Chief of Police shall give a written answer to the aggrieved employee within seven (7) calendar days after the meeting.

b) SECOND STEP: If the grievance has not been settled at the First Step, it shall be appealed in writing within seven (7) calendar days after receipt of the First Step answer to the City Manager, or his designated representative, for a meeting between the City's grievance committee, consisting of the City Manager and/or his designated representatives, and three (3) members of the Union grievance committee. The business representative for the Union and/or the City's Labor Relations Counsel may be present at such meetings, and as a courtesy, a notice of such attendance will be given to the other party in advance of the meeting. Such meeting must be held no later than seven (7) calendar days from the time the appeal has been taken to this step, and the City must answer the grievance in writing within seven (7) calendar days after such meeting.

a) THIRD STEP: If, at this point, the grievance has not been satisfactorily settled and the Union desires to carry the grievance further, it shall submit such grievance to arbitration by the Federal Mediation and Conciliation Service (FMCS) in accordance with its voluntary labor arbitration rules, then pertaining, provided such submission is made in writing to both the City and the Federal Mediation and Conciliation Service within thirty (30) calendar days after receipt by the Union of the City's Second Step answer. If the grievance has not been submitted to arbitration within said thirty (30) calendar day period, it shall be considered as being withdrawn by the Union. The arbitrator shall have no authority to add to, subtract from, change or modify the provisions of this Agreement, but shall be limited solely to the interpretation and application of the specific provisions contained herein. However, nothing

contained herein shall be construed to limit the authority of an arbitrator, in his own judgment, to sustain, or reverse any alleged unjust discharge that may reach this stage of the grievance procedure. The decision of the arbitrator shall be final and binding upon the parties hereto. The expenses and fees of the arbitrator and the Federal Mediation and Conciliation Service shall be shared equally by the City and the Union. The decision of the arbitrator shall be final and binding upon the City, the Union, and the individual grievant(s).

Section 2.3 - Time Limits: Time limits at any step of the grievance procedure may be extended only by mutual agreement in writing. In the event the City fails to reply to the grievance at any step of the grievance procedure within the specified time limit, the grievance shall advance to the next succeeding step of the grievance procedure. In the event the grievance is not appealed by the Union to the next succeeding step within the time limit provided for such appeal, such grievance shall be considered as having been withdrawn by the Union.

Section 2.4 - Second Step Meetings: Joint meetings of the grievance committees provided for in the Second Step of the grievance procedure shall start no later than 2:00 p.m. on the day for which they are scheduled. The Union grievance committee members shall be paid at their straight time hourly rate of pay for all time away from their regularly scheduled work to attend grievance meetings, but not to exceed twenty (20) minutes prior to the start of such meetings.

Section 2.5 - Policy Grievances: Grievances on behalf of the entire Union shall be filed by the Union grievance committee and shall be processed starting with the First Step of the grievance procedure.

Section 2.6 - Indefinite Suspension: The parties hereto agree that any suspension or discharge is recognized to be the decision of the Chief of Police. Any suspension or discharge occurring as a result of authority delegated to a subordinate supervisor shall be temporary, contingent upon concurrence of the Chief of Police.

Section 2.7 - Grievance Investigation: The Union representatives, during their working hours, without loss of time or pay, may investigate or present grievances in accordance with the grievance procedure to the City provided they notify the Chief of Police that they will be absent for such purposes and provided further, that, if necessary and in those cases where a replacement is required, they will wait until such replacement is acquired. It is understood that such replacement will not require any overtime pay by the City.

ARTICLE 3 - DISCHARGE AND DISCIPLINE

Section 3.1: In the event an employee under the jurisdiction of the bargaining unit shall be suspended from work for disciplinary reasons or is discharged from employment after the date hereof, and he believes he has been unjustly suspended or discharged, such suspension or discharge shall constitute a case arising under the grievance procedure, provided a written grievance with respect thereto is presented to the City Manager, or his designated representative, within seven (7) calendar days after such discharge or after the start of a suspension. Such grievance shall be processed starting at the Second Step of the grievance procedure.

(a) The Chief of Police agrees to promptly notify in writing the employee's Union representative, or in his absence the Chairman of the Union's grievance committee, of such suspension or discharge and shall furnish copies of the charges, specifying incident(s), time(s) and date(s).

(b) A suspended or discharged employee, if he so desires, will be allowed to discuss his suspension or discharge with his Union representative or, if he is not readily available, with the Chairman of the Union's grievance committee. The City shall make available a suitable area which is private where the suspended or discharged employee may discuss his suspension or discharge with his Union representative.

ARTICLE 4 - SALARIES

Section 4.1: For the life of this Agreement, the salary schedule set forth in Appendix "A" attached hereto and by this reference made a part hereof shall remain in full force and effect.

ARTICLE 5 - VACATIONS

Section 5.1 - Vacation Schedule: Employees who have completed one (1) or more years of continuous service with the City since their last hiring date shall receive vacation pay in accordance with the following:

(a) Employees who, at the anniversary date of their employment, have completed one (1) year, but less than five (5) years of continuous employment since their last hiring date shall be entitled to two (2) weeks of vacation, with pay.

(b) Employees who, at the anniversary date of their employment have completed five (5), but less than ten (10) years of continuous employment since their last hiring date shall be entitled to three (3) weeks of vacation, with pay.

(c) Employees who, at the anniversary date of their employment have completed ten (10), but less than fifteen (15) years of continuous employment since their last hiring date shall be entitled to four (4) weeks of vacation, with pay.

(d) Employees who, at the anniversary date of their employment have completed fifteen (15), but less than twenty (20) years of continuous

employment since their last hiring date shall be entitled to five (5) weeks of vacation, with pay.

(e) Employees who, at the anniversary date of their employment have completed twenty (20) or more years of continuous employment since their last hiring date shall be entitled to six (6) weeks of vacation, with pay.

Employees who have actually worked or been on vacation eighteen hundred (1800) hours or more during the twelve (12) months preceding their anniversary date of employment, shall have paid vacation in accordance with the above schedule. Employees who have actually worked or been on vacation less than eighteen hundred (1800) hours, shall receive a pro rata vacation benefit rounded upward to the nearest half day. Only for the purpose of determining whether the eighteen hundred (1800) hour test is satisfied, an employee shall be given credit for hours lost from scheduled work due to an injury determined to be non-preventable under Article XII, Section 5, that is compensable under the Michigan Workers' Compensation Act, up to a maximum of three hundred (300) hours.

Section 5.2 - Vacation Pay: A week of vacation pay as provided for in Section 1 above shall equal forty (40) hours of pay at the employee's straight time hourly rate in his permanent job classification as of the time the employee takes his vacation. Vacation time off shall not be cumulative from year to year. Vacation paychecks shall be delivered on the last regularly scheduled payday immediately preceding the start of the employee's vacation, if it is requested three (3) weeks prior to the vacation date by the employee. The Chief of Police shall determine the number of employees who can be excused for vacation purposes at any one time. When a holiday falls within an

employee's vacation, the employee shall have the option of extending the vacation for one (1) day continuous with the vacation or "banking" eight (8) hours. An employee's banked time may be used at any time with the approval of the Chief of Police.

Section 5.3 - Vacation Call In For Duty: In the event an employee is called in for duty while he is on vacation or during off-duty days continuous therewith, he shall be paid for each hour worked during the twenty-four (24) hour period after he returns to duty at time and one-half his regular rate with a minimum payment of four (4) hours at time and one-half in addition to vacation pay, or rescheduled vacation, at the employee's option.

Section 5.4 - Termination of Employment: If an employee who is otherwise eligible for vacation with pay quits or is discharged on or after his employment anniversary date without having received the same, such employee will receive, along with his final paycheck, the unused vacation pay for which he qualified as of his anniversary date and his pro rata share of vacation earned thereafter until such time as he leaves the employment of the City.

ARTICLE 6 - HOLIDAYS

Section 6.1 - Holidays Celebrated: All full-time employees shall be entitled to receive the following paid holidays provided they qualify for such as set forth below:

- | | |
|------------------------|-----------------------------------|
| New Year's Day | Labor Day |
| Martin Luther King Day | Veteran's Day |
| Good Friday | Thanksgiving Day |
| Memorial Day | Friday Following Thanksgiving Day |

Independence Day

Day Before Christmas

Christmas Day

The employee's birthday as a floating holiday

(a) To qualify for pay hereunder, an employee must actually work or be on vacation on any one (1) of the twenty-one (21) calendar days preceding the day celebrated as a holiday. Also, to qualify, the employee must either work his entire scheduled work day on a holiday, or if not scheduled, then his entire last regularly scheduled working day before and after the day celebrated as a holiday, unless excused due to an illness or injury, verified to the City's satisfaction by a doctor, or excused early from work due to unavoidable circumstances. As used in this Section, "regularly scheduled working days" includes those days for which an employee would normally be scheduled to work, even if he does not work on that day because of utilizing a leave day, a floating holiday, or a vacation day.

(b) In lieu of recognizing President's Day as paid holiday, full-time employees shall receive the hourly equivalent of one and one-half (1½) days of personal leave time. This personal leave will be credited to all full-time employees effective July 1 of each year, and such personal leave time must be used on or before June 30 of the following year. Personal leave under this section shall be treated as the equivalent of three (3) half-shift increments. Eligible employees must use personal leave in half-shift increments. Requests for personal leave shall be dealt with the same as requests for vacation and compensatory time. Any unused personal leave time which exists on June 30 is forfeited; provided, however, that employees who have less than four hundred eighty (480) hours in their CT bank are allowed to bank any remaining personal leave in the CT bank up to the four hundred eighty (480) hour maximum.

Section 6.2 - Holiday Pay: In the event an employee is regularly scheduled for and works on any recognized holiday, he shall receive time and one-half (1-1/2) his regular hourly rate for all hours actually worked in addition to his regular pay. Employees will have the option of "banking" twelve (12) hours in lieu of the premium pay. Employees who are regularly scheduled to work on a day that is celebrated as a holiday, but are given the day off,

shall continue to receive pay for that day even though they are not required to work.

(a) For those continuous shift employees who have the holiday as a scheduled day off the holiday shall shift to the next scheduled day of work.

ARTICLE 7 - LONGEVITY PAY

Section 7.1. The City agrees to a longevity pay program whereby it pays to all eligible employees who qualify for such, the amount as set forth below:

(a) To those full-time employees who, prior to December 1st of each year have completed seven (7), but less than twelve (12) years of continuous service, the City will grant, on the payday following said December 1st of each year, an amount equal to two and one-half (2-1/2%) percent of such employee's base salary, but in no case shall this amount exceed \$375.

(b) To those full-time employees who, prior to December 1st of each year have completed twelve (12), but less than twenty (20) years of continuous service, the City will grant, on the payday following said December 1st of each year, an amount equal to five (5%) percent of such employee's base salary, but in no case shall this amount exceed \$675.

(c) To those full-time employees who, prior to December 1st of each year have completed twenty (20) or more years of continuous service, the City will grant, on the payday following said December 1st of each year, an amount equal to seven (7%) percent of such employee's base salary, but in no case shall this amount exceed \$1,000.

(d) An employee's base salary shall be determined by multiplying his straight time hourly rate by two thousand eighty (2,080).

(e) Any employee who terminates his employment for any reason after his employment anniversary date of any year shall receive, along with the final check, the amount of longevity to which he became entitled as of his employment anniversary date.

(f) Employees who have qualified for longevity pay shall, upon retirement with a pension benefit immediately payable, receive a pro rata share of their annual longevity as of the effective date of retirement for the year in which they retire. The pro rata share shall be equal to the number of complete months past their employment anniversary

date and shall be payable on the last paycheck to the employee.

(g) Payment to the beneficiary of a deceased qualified employee of his longevity pay for the year in which the death occurred shall be made on the same basis as payment to a retired employee.

ARTICLE 8 - INSURANCE

Section 8.1 - Health Insurance: The City shall provide each full-time employee the option of selecting one of the following health plans:

PLAN I: BC/BSM comprehensive major medical plan (or equivalent) with the following benefits:

Benefit: \$1,000,000 lifetime coverage

Deductible: \$100/person, \$200/family

Prescription drug: \$2.00 co-pay

Coinsurance: Insurance pays 90% of first \$5,000 in expenses after deductible, 100% thereafter

Charges: pays based on reasonable and customary charges as defined by the carrier

PLAN II: Health Maintenance Organization:

Provided coverage is available, the Health Maintenance Organization (HMO) service shall be an alternative choice to the services provided in Plan I.

The HMO coverage has been adjusted by adding a provision requiring a 25 percent copayment on all hospital-billed charges up to a maximum copayment of \$250 per individual and \$500 per family per calendar year.

a) Under both Plan I and Plan II, the City agrees to pay the premium for eligible employees and their dependents. The maximum premium contribution by the City for HMO (Plan II) coverage shall be limited to the monthly premium paid under Plan I. Any premium in excess of this amount shall be paid by the employee via payroll deduction. If for any pay period there are insufficient wages due and payable to the employee to cover the premium to be withheld, the employee must submit the appropriate amount directly to the

City no later than the end of the calendar month when the premium is due.

Effective upon ratification of this agreement, employees shall begin contributing to the health insurance premium. The contribution shall be \$2.50 per week payable via payroll deduction. The amounts listed in this paragraph are in addition to any contribution required for Plan II as outlined above.

Effective within 45 days of ratification of this agreement, the co-pay for prescription drugs under traditional BC/BSM (or equivalent) shall increase to \$5.00.

b) It is understood and agreed that employees, to the extent allowed by the pension ordinance and the Pension Board, may have the option of continuing under a hospitalization plan paid for by the pension system.

c) The City agrees to offer employees the opportunity to renew their health insurance coverage each fiscal year, and to choose Plan I or Plan II as their health insurance provider.

Section 8.2 - Dental Insurance: The City agrees to pay the premium for dental insurance for employees and their eligible dependents. The plan shall be the Delta Dental of Michigan traditional 80/20 plan (or equivalent), with the following benefits:

Deductible: No deductible on Diagnostic, Preventive or Emergency Palliative (Class IA)

Deductible: \$25.00 per person on balance of Class I and Class II benefits

Benefit: \$1,500 annual maximum contract benefit per person for Class I and II benefits

Orthodontics: 50% co-pay on Class III benefits, with lifetime maximum of \$1,000 per eligible person

Charges: Pays based on usual, customary, and reasonable as determined by the insurance carrier

Employees newly hired by the City shall receive coverage effective the first day after completing six (6) months of service with the City.

Section 8.3 - Life Insurance: The City agrees to pay the premium for term life insurance, with an accidental death and dismemberment rider, for each eligible employee. The amount of insurance shall equal one times the employees base annual salary, rounded up to the next thousandth dollar. The City shall also provide, at no cost to the employee, term life insurance for an eligible employee's spouse and dependents. Spousal coverage shall equal \$2,000; dependent coverage shall be \$1,000 per dependent.

Section 8.4 - Conditions of Insurance Coverage: Insurance provided under Sections 1 through 3 above shall be subject to conditions imposed by the various insurance carriers. The City's responsibility under this Article is limited solely to the payment of necessary premiums to purchase the insurance described in Section 1 through 3 of this Article. The City agrees to maintain the level of City-paid group insurance benefits as outlined in this Article during the life of this agreement.

Section 8.5 - Public Employee Liability Insurance: The City shall defend and indemnify employees pursuant to the terms of Resolution No. 186 of 1980, adopted by the Battle Creek City Commission on July 1, 1980. The Resolution states that it is the policy of the City of Battle Creek to defend and indemnify employees from any claims, liabilities, costs, judgments or settlements which said employees shall be legally obligated to pay as a result of actions taken, or not taken, while acting in the course of their employment or in the performance of their duties and while acting in the scope of their authority, to the extent not covered by insurance.

ARTICLE 9 - SICK LEAVE

Section 9.1 - Sickness and Accident Policy: The following sick leave program shall be in effect, subject to the provisions of the insurance policy presently in effect:

(a) If accidental bodily injury shall be sustained by an employee while insured hereunder and shall, from the date of the accident, directly and independently of all other causes, result in the total disability of such employee, the City will pay periodically, commencing with the first (1st) day of such continuous disability, a weekly indemnity for which such employee is insured for the period of such disability, but not to exceed twenty-six (26) weeks for any one accident. For each day of any such period of disability for which a weekly indemnity is payable and which is less than a full week, the City will pay a one-seventh (1/7th) part of the weekly indemnity for which such employee is insured.

(b) An employee shall not be insured for and no weekly indemnity shall be payable for any disability:

1. For which the employee is not regularly treated by a legally qualified physician.

2. Resulting from intentionally self-inflicted injury or attempted self-destruction.

3. Resulting from injury sustained as a result of war, declared or undeclared, or any act incident thereto, or engaging in a riot as a participant.

4. Resulting from injury sustained while doing any act or thing pertaining to any occupation or employment for remuneration or profit.

(c) If sickness or pregnancy shall cause total disability and if such disability begins while the employee is insured hereunder, the City will pay periodically, commencing with the eighth (8th) day of such continuous disability, a weekly indemnity at the rate of such continuous disability, but not to exceed twenty-six (26) weeks for any one sickness. For each day of any such period of disability for which a weekly indemnity is payable and which is less than a full week, the City will pay a one-seventh (1/7th) part of the weekly indemnity for which the employee is insured.

(d) An employee shall not be insured for and no weekly indemnity shall be payable for any disability:

1. For which the employee is not regularly treated by a legally qualified physician.

2. Resulting from sickness contracted as a result of war, declared or undeclared, or any incident thereto, or engaging in a riot as a participant.

3. For which the employee is entitled to indemnity in accordance with the provisions of any Workmen's Compensation or Occupational Disease Act or similar law.

(e) Payment shall not be made under both the weekly indemnity accident insurance and the weekly indemnity sickness insurance provisions in respect to any day of disability.

(f) Successive periods of disability, whether under the weekly indemnity accident insurance or the weekly indemnity sickness insurance, will be considered due to one accident or sickness unless the successive periods are separated by the employee's return to full-time, active work with the City for at least six (6) months.

(g) Total disability, as used herein, shall mean:

1. Complete inability of the insured employee to perform any of the duties of his regular occupation or employment during the continuous disability after the elimination period and not engaged in any other substantially gainful employment or occupation.

2. Complete inability to perform any of the duties of any gainful occupation or employment for which he is or may reasonably become qualified by reason of education, training or experience.

An employee who is disabled from his regular assigned position in the Police Department with an accident or sickness which may disable him from ever returning to that assigned position in the Police Department again, may be retrained for another position outside the Battle Creek Police Department dependent upon an evaluation by qualified

medical and psychological personnel selected by the City for the review of the injured employee and the proposed then-occurring vacant position.

ARTICLE 10 - SERVICE AND SENIORITY

Section 10.1 - Definition of Service: Service shall be defined as a full-time employee's length of continuous service with the City since his last hiring date. "Last Hiring Date" shall mean the date upon which the employee first reported to work at the direction of the City, since which he has not quit, retired, or been justifiably discharged. No time shall be deducted from an employee's service due to absences occasioned by authorized personal leaves of absence of less than sixty (60) calendar days, or vacations, sick or accident

leaves, suspensions, military leaves, or for layoffs due to lack of work or funds, except as hereinafter provided.

Section 10.2 - Definition of Seniority: Seniority shall be defined as an employee's length of continuous service with the Battle Creek Police Department since his last hiring date. No time shall be deducted from an employee's seniority due to absences occasioned by authorized personal leaves of absence of less than sixty (60) calendar days, or vacations, sick or accident leaves, suspension, military leaves, or for layoffs due to lack of work or funds, except as hereinafter provided.

Section 10.3 - Definition of Classification Seniority: Seniority in classification shall be defined as an employee's length of service since his promotion or appointment to that classification, but shall exclude personal leaves of absence beyond sixty (60) calendar days and probationary periods that are not contemplated for reasons other than a reduction of personnel in the classification. Classification seniority shall apply preference for shift assignment, vacation scheduling and time off. If two or more employees receive a promotion on the same date, to the same classification, the classification seniority shall be determined by their uninterrupted seniority since their last departmental hiring date. In the event that two or more employees have been

promoted to the same classification on the same date, and their last hiring date is the same, their names shall appear on the classification seniority list alphabetically.

(a) If it becomes necessary to reduce the number of employees in any classification within this bargaining unit, employees shall be reduced on the basis of inverse order of classification seniority. Employees removed from a classification may exercise their classification seniority in any lower classification in the bargaining unit in which they have classification seniority. Employees shall be recalled in accordance with their classification seniority.

(b) Any member's classification seniority shall be terminated upon transfer out of this bargaining unit for cause as a disciplinary measure. Any member so transferred shall have no vested right to classification seniority credited to him as a result of a subsequent promotional appointment.

(c) If an employee is promoted either on a temporary or permanent basis to a position in the Department not included in the bargaining unit, during the first sixty (60) days following the promotion he shall have accumulated seniority and classification seniority while working in the position to which he was promoted. Employees returned to the bargaining unit during such sixty (60) day period shall retain all rights accrued for the purpose of any benefits provided for in this Agreement. Employees who do not return to the bargaining unit during the sixty (60) day period shall not lose their seniority, but shall cease to accrue additional seniority in this bargaining unit.

Section 10.4 - Shift Assignments: An employee may bid for a shift assignment and consecutive days off, and vacation based upon his seniority. Such bids shall be made twice a year. Bidding will be conducted according to the following schedule:

The re-bidding will be done within thirty (30) days after such vacancy has been filled.

Section 10.5 - Special Assignments for Sergeants: No probationary Sergeant shall serve in any assignment other than patrol unless a unique or emergency situation arises necessitating the use of a probationary Sergeant as deemed necessary by the Chief of Police. In the event there is no show of interest by the non-probationary Sergeants, the Chief may offer an assignment of this nature to probationary Sergeants.

ARTICLE 11 - PROMOTIONAL PROCEDURE

Section 11.1 - Application of Promotional Procedure: In accordance with the City of Battle Creek's policy of filling vacancies by promotion from within the Police Department, the following promotional procedure shall apply to all promotions to job classifications covered by this Agreement, except the job classification of Sergeant.

Section 11.2 - Promotional Procedure: In order to be eligible for promotion, an employee must have completed his/her job classification probationary period in the job

classification immediately below the job classification to which he/she seeks promotion.

Section 11.3 - Testing: The City reserves the right to require oral, written, and/or physical tests to determine an individual's fitness and qualifications for the promotional position.

All examinations for promotion shall be practical in their character and shall relate to such matters and include such inquiries as will fairly and fully test the comparative merit and fitness of the persons examined to discharge the duties of the job classification.

Physical examinations may be required by the City as a condition precedent for promotion. If a physical examination is required, the selected individual shall be required to take the physical. If it is determined by the City's doctor that the employee is not physically able to perform the duties of the job classification sought, the employee shall have the right to have a physical examination by a doctor of his/her choice. If the City's doctor and the employee's doctor disagree on whether the employee is physically able to perform the duties of the position, a third doctor shall be appointed by the City's doctor and the employee's doctor, and the third doctor's finding shall be final and binding on the parties. The expenses of a third doctor shall be shared equally by the City and the Union.

Section 11.4 - Selection of Candidate: In the filling of vacancies, the selection of individuals for promotion shall be at the sole discretion of the Chief of Police. Such selection shall be done without regard to the seniority status of individuals expressing an interest in

the position, and without regard to the outcome of tests required by the City.

Section 11.5 - Salary Upon Promotion: When an employee is awarded a job through the promotional procedure, for which the maximum of the rate range is higher than the maximum of the rate range for the job from which he was promoted, he shall, as of the start of the next succeeding pay period, be placed at the lowest step for the classification to which he had been promoted, which will result in a pay increase. Upon completion of his probationary period, not to exceed one (1) year, he shall receive the incremental step increase which will advance him one step in the pay scale for the job he was thus awarded.

Section 11.6 - Probationary Period Following Promotion: The probationary period following promotion to the Sergeant's classification is one (1) year. The probationary period is for the purpose of enabling the City to determine if an employee has the attributes, attitude and capabilities of becoming a full-time employee in the classification. A probationary employee may be reduced to his former classification at the discretion of the City during such period. The employee shall be notified of the reason(s) for the reduction in writing at the time of his reduction.

ARTICLE 12 - LEAVES OF ABSENCE

Section 12.1 - Personal Leave: The City may grant a leave of absence without pay for personal reasons of not to exceed sixty (60) calendar days in a calendar year without loss of seniority to an employee, provided he obtains advance written permission from the Chief of Police.

Section 12.2 - Medical Leave: An employee who, because of illness, accident or pregnancy, is physically unable to work shall, upon request, be given a leave of absence without pay for the duration of such disability, provided: (1) that he promptly notifies the City of the necessity thereof; (2) that he supplies the City with a certificate from a medical/osteopathic doctor of the necessity for the absence and continuation of such absence when the same is requested by the City; and, (3) that such leave of absence shall not exceed two (2) years.

Employees presenting evidence as to the amount of compensation received from the government shall be paid the difference, if any, between what they received in the form of pay therefor, and what they would have received from the City had they worked during such period. Such payments shall be limited in a calendar year to two (2) weeks for annual field training and a maximum of eight (8) weeks for civil disorders.

Section 12.6 - Supplemental Pay to Worker's Compensation: The City will allow an employee injured on the job and eligible for Workers' Compensation to draw the difference between the Workers' Compensation check and his normal net rate of pay (less Federal, State and City taxes) by charging his accumulated sick leave or holiday leave bank. A three (3) member board consisting of a representative of the Union, Chief of Police and Risk Manager shall establish responsibility for each duty-connected injury. If the injury is ruled non-preventable on the part of the injured employee, he shall receive the above-mentioned supplemental compensation for a period of six (6) months without any charge to his accumulated sick leave or holiday leave bank. At the conclusion of the first six (6) month period, the Board shall review the case and recommend to the City Manager whether such supplemental payments should be continued for an additional period of six (6) months without any charge to accumulated sick leave or holiday leave bank. The City Manager shall, in his sole discretion, make the final determination. Awards specified in this section shall

be made based on the salary at the time of injury. All Board decisions shall be by majority vote and not be subject to the grievance procedure. To the extent that wage loss differentials are made up by no-fault auto insurance, the provisions of this section shall not apply. An employee shall not receive, pursuant to this section, more than the employee's normal net rate of pay.

Section 12.7 - Funeral Leave: Employees shall receive the amount of pay they would have received on a regular eight (8) hour straight time basis for each day necessarily lost from regularly scheduled duty, not to exceed three (3) days, to make arrangements for and attend the funeral of a member of their immediate family. This payment shall not be made for any such day of such three (3) days on which the employee for any other reason would have been absent from work. Such paid funeral leave shall not extend beyond the day following the funeral, and to be eligible for such pay, the employee must notify the City as soon as possible of the necessity for such absence, must attend the funeral and, if requested by the City, must present proof of death.

(a) Immediate family is to be defined as: current spouse, children, stepchild (having resided with the employee for a continuous period of six (6) months), brother, sister, mother, father, mother-in-law, father-in-law, grandmother and grandfather.

However, it is understood and agreed that when an employee is scheduled and works two shifts on the same day, which are not consecutive shifts, he will not receive overtime for the second shift. There will be no pyramiding of overtime hours.

(a) All premium pay earned shall be paid along with the employee's regular pay, the payday immediately following the week in which the premium pay was earned.

Section 13.2 - Call In For Duty: An employee called in for duty at a time other than his scheduled work shift shall be credited with a minimum of two (2) hours at one and one-half (1-1/2) times his hourly rate, or with the actual hours worked at one and one-half (1-1/2) times his hourly

rate, whichever is greater, unless such time be continuous with his scheduled shift, in which case the guaranteed minimum payment shall not apply, but he shall be paid at one and one-half (1-1/2) times his hourly rate for all hours worked prior to his scheduled shift.

(a) Notwithstanding the above, the guaranteed minimum payment shall not apply if it is necessary to call an employee back to work because, due to his fault, he failed to satisfactorily complete a report, complaint or other document during his regular duty hours.

(b) Notwithstanding the above, the guaranteed minimum payment for employees called to work to attend a training session shall be a one (1) hour minimum at time and one-half (1-1/2) his regular hourly rate.

Section 13.3 - Overtime Call-In and Equalization: In endeavoring to equalize the opportunity for overtime, when calling Sergeants in for overtime on patrol duties the following rotational procedure shall be followed:

a) Sergeants shall be placed on a master overtime list in order of seniority, the most senior Sergeant being first on the list.

b) If overtime exists in the Sergeant position, a Sergeant shall be called from the Sergeant's master overtime list.

c) The master overtime list will operate on a rotation basis. If a Sergeant accepts or denies the overtime, he shall then be placed on the bottom of the list. If a Sergeant is unavailable for overtime, that officer remains on the top of the list in their original position until they either accept or deny an overtime opportunity.

d) If no Sergeant accepts the overtime work, the City may require the least senior available officer in the classification of the overtime assignment to perform the work.

e) Sergeants may elect, by filing written notice to the Chief, not to work overtime. Such Sergeants shall not be required to work overtime unless there are not enough employees who volunteer to perform the available work. However, all Sergeants are required to report when called out or scheduled for emergency overtime.

f) In the event a Sergeant is improperly passed over for overtime work and was not called by the City, the Sergeant shall be entitled to three (3) hours of pay at his regular straight time rate. This shall be the exclusive remedy for a violation of this provision of the contract.

Section 13.4 - Call In For Court: Whenever it is necessary for an off-duty officer to be called to appear: (1) in court; (2) before the Prosecutor or his representative; or, (3) before any other official body or investigatory agency on matters pertaining to police business, he shall be paid a minimum of three (3) hours at time and one-half (two (2) hours at the employee's straight time rate if the call in is for the purpose of signing a warrant), or at time and one-half for the total time spent until released for the day, whichever is greater, unless such time be continuous with his scheduled shift, in which case the guaranteed minimum payment shall not apply. Employees shall have the option of "banking" said time and one-half (1-1/2) in lieu of pay. An employee's "banked" time may be used upon approval of the Chief or his designee.

Section 13.5 - Pay For Meetings: Whenever it is necessary for an off-duty officer to attend a staff, staff agency, community agency, community group, or other meeting at the request of the department, he shall be paid a minimum of three (3) hours at time and one-half (1 1/2) unless such time be continuous with his scheduled shift, in which case, the guaranteed minimum payment shall not apply.

accrual shall begin April 15, 1986. All hours of comp time banked prior to April 15, 1986 shall be kept in a separate bank and shall not affect the hours accumulated after April 25, 1986.

Beginning July 1, 1986, an employee may cash-in up to forty (40) hours of comp time per year at the employees' rate of pay at the time such comp time is cashed-in provided that, if after a review by the Finance Director and the Police Chief, funds are available for such payment. The City may require up to fourteen (14) days advance notice prior to payment of such time.

Unused comp time shall be paid upon an employee's separation, retirement, or death. In the case of death, the payment shall be made to the employee's estate. Payments shall be made at the rate of pay in effect at the time of retirement, separation or death.
