## AGREEMENT

This Agreement, made this 1st day of October, 1992, by and between Iron County Medical Care Facility, Crystal Falls, Michigan, hereinafter referred to as the Facility or the Employer and the Michigan Council of Nurses & Health Care Professionals, SEIU, Local 79, AFL-CIO, hereinafter referred to as the Union.

### ARTICLE I - PURPOSE AND INTENT

It is agreed the Facility must provide services to the public on a continuing basis without obstruction by disputes between the Facility and its employees. It is for this reason that the parties enter into this Agreement and by doing so set forth rates of pay, wages, hours and conditions of employment to be observed by both parties. This Agreement further provides for the adjustment of grievance(s).

### ARTICLE II - RECOGNITION OF THE LPN/GPN

It is recognized by both parties that the LPN/GPN is responsible for high quality nursing care under the direction of an RN. The LPN/GPN shall be classified apart from non-licensed auxiliary nursing personnel (i.e. Aide, Orderlies, Ward Clerks) and have the responsibility and authority to direct such personnel. The LPN/GPN shall at all times present and conduct himself in a Professional Manner.

### ARTICLE III - RECOGNITION OF THE FACILITY'S RIGHT TO MANAGE

The Union recognizes and agrees that the Facility retains the sole right to manage and operate the Facility in all respects to matters in connection with the exercise of such right, subject only to the Union right to grieve if action taken by the Facility may reasonably and sensibly be claimed to be contrary to a specific limitation of its right. An employee covered by this Agreement shall immediately proceed to carry out any order or instruction given him by the Facility (unless his doing so would obviously jeopardize the health or safety of himself or others). He shall raise any questions he has as to the Facility's right to give him the order or instruction, only after he carries out the order or instruction, and his question must be on a reasonable and sensible reading of a specific provision or specific provisions of the Agreement.

This Agreement supersedes any past practice(s) agreement(s), verbal or written, between or among any of the parties hereto and any employee(s) covered hereby which is in conflict in any way with specific provisions of this Agreement.

## ARTICLE IV - RECOGNITION OF THE ASSOCIATION

### Section 1 - Definition of the Bargaining Unit

- A. Pursuant to and in accordance with all applicable provisions of Act 336, Public Acts of Michigan, 1947, as amended by Act 379, Public Acts of Michigan, 1969, the Facility recognizes the Union as the exclusive bargaining representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement of all LPN/GPNs employed by the Facility.

### Section 2 - Maintenance of Membership and Agency

- A. Employees covered by this Agreement, at the time it becomes effective and who are members of the Union at that time, shall be required, as a condition of continued employment, to continue in the Union or pay a service fee to the Union equal to dues uniformly charged to members for the duration of the Agreement.
- B. Employees covered by this Agreement, who are not members of the Union at the time it becomes effective, shall be required as a condition of continued employment to become members of the Union or pay a service fee equal to the dues required for membership, commencing thirty (30) days after the effective date of this Agreement and such conditions shall be required for the duration of this Agreement.
- C. LPN/GPNs hired, rehired, reinstated or transferred, after the effective date of this Agreement shall be required as a condition of continued employment to become members of the Union or pay a service fee equal to the dues required for membership for the duration of this Agreement commencing the thirtieth (30th) working day following their date of hire.

### Section 3 - Check Off

The Facility agrees to deduct service fees or dues from the pay of any employee covered by this Agreement upon presentation of a signed payroll deduction card by the Union for each employee. Such deduction shall be remitted to the Union within five (5) days following such payroll deduction.

### Section 4 - Visits of Union Representatives

The Facility agrees that representatives of the Union Program Board, whether local district, council or State shall have access to the premises to conduct Union business, upon notifying the Facility Administrator of the date and time.

## ARTICLE V - SENIORITY

### Section 1 - Definition

An employee covered by this Agreement, who has completed the probationary period shall have seniority as of such last day of hire. Seniority shall be applied only as specifically set forth in the Agreement.

### Section 2 - Seniority List

The Facility will keep the seniority list up to date and post the list on the Union bulletin board as well as provide the Union Secretary with a revised list each six (6) months following the date of initial posting. It shall be the responsibility of each employee covered by this Agreement to check the original list and each such revised list and to notify the Administrator in writing of any alleged error in seniority. The employee and the Administrator shall mutually try to settle any questions as to the correctness of the posted seniority. The Administrator shall notify the Union Secretary promptly and in writing of any corrections made in the employees seniority. If the question is not settled the employee may refer to Step 2 of the grievance procedure. If the employee does not do so within five (5) days following discussion, with the Administrator, his seniority shall be deemed to be correct as posted.

### Section 3 - Probationary LPN/GPN

An LPN/GPN shall be considered to be on probation and shall not be entitled to any seniority until he has completed thirty (30) working days of regularly scheduled employment (either full-time or part-time) after his last day of hire. Any LPN/GPN who is discharged by the Facility during the probationary period and is later rehired shall begin the probationary period as of the date of rehire. The Facility shall have no obligation to re-employ an LPN/GPN who is laid off or discharged during probationary period. The Facility shall have the right to discharge a probationary employee for or without cause and without respect to seniority.

### Section 4 - Seniority Status

Upon completion of the probationary period the LPN/GPN shall be placed on the seniority list as of the last date of hire. When two or more employees covered by this Agreement have the same seniority date, seniority shall be determined by the alphabetical order of the last names they bore on the date of last hire.

### Section 5 - Seniority Computation

All employees covered by this Agreement shall have their seniority calculated based on date of hire.

### Section 6 - Loss of Seniority

An employee covered by this Agreement shall be removed from the seniority list if:

- A. The employee resigns, retires, or dies;
- B. The employee is discharged and the discharge is not reversed;
- C. The employee is absent for three (3) consecutive days without notifying the Facility;
- D. If the employee does not return to work when recalled to work following a layoff (See Section 8);
- E. The employee does not return to work following authorized sick leave or leave of absence;
- F. The employee is not able or fails to perform assigned duties of employment for a period of five hundred twenty (520) consecutive work days. Any employee now receiving Workers Compensation including Mary Jacobson shall not have her seniority adversely affected by this provision.

### Section 7 - Seniority Layoffs

When it becomes necessary to reduce the work force, the following procedure shall be followed:

- A. Probationary - Probationary employees covered by this Agreement are to be laid off first.
- B. Thereafter, employees covered by this Agreement with seniority status will be laid off starting at the bottom of the seniority list (those with less seniority). Employees that are to be laid off shall receive seven (7) calendar days notice prior to layoff. The Union shall be notified at the same time. Notice of layoff shall be in-writing.

### Section 8 - Seniority - Recall from Layoff

All employees covered by this Agreement shall be recalled to work following a layoff starting at the top of the seniority list (those with the most seniority). Notice of recall may be given in person, by telegram, or by telephone or by certified mail. If notice is by telephone it shall also be confirmed by certified mail. Any employee who has been notified to return to work following layoff that does not return within seven (7) calendar days shall be removed from the seniority list. If an LPN/GPNs failure to return to work is due to illness or injury or other serious reasons beyond his control, he may retain his seniority if he has notified the Facility's Director of Nurses or Administrator of such reasons prior to

his deadline for returning to work. The Facility may require substantiation of the reason given by the LPN/GPN.

#### Section 9 - Seniority - Charge LPN

A charge LPN shall be scheduled on the basis of seniority and ability to do the work, unless rescinded, in writing, by the individual LPN; seniority shall be based on the number of years worked as an LPN at the Facility.

### ARTICLE VI - HOURS OF WORK AND WAGE RATES

#### Section 1 - Hours of Work

The hours of work set forth hereinafter are those which an employee covered by this Agreement will normally work.

A. The regular work week

The regular work week shall normally be forty (40) hours. (32 hours or less for part-time LPN/GPNs)

B. The regular work day

The regular work day shall consist of eight (8) hours within a full day, the full day being from 7:00 a.m. to 7:00 a.m.

C. The standard work week

The standard work week shall begin at 7:00 a.m. on Sunday and end 7:00 a.m. the following Sunday. The week shall normally consist of five (5) work days.

D. Lunch Period - Coffee Break

All employees covered by this Agreement shall have thirty (30) minutes off for lunch in the eight (8) hour work day and fifteen (15) minutes off for a "coffee break" during the first and second half of the eight (8) hour shift.

E. The regular work shifts

1. The first shift is any shift that regularly starts on or after 6:45 a.m.
2. The second shift is any shift that regularly starts on or after 2:45 p.m.
3. The third shift is any shift that regularly starts on or after 10:45 p.m. (It is mutually agreed that patient care must be provided on a continuous basis, therefore, LPN/GPNs will continue the practice of reporting ahead of the regular shift so that the LPN/GPN from the off-going shift may pass on pertinent information regarding the patients.)

- F. A minimum of sixteen (16) hours shall be granted between shifts except in the case of an emergency and when agreed upon by the Facility and the LPN/GPN.
- G. The parties agree to the scheduling of LPN/GPNs for every third weekend off.

An LPN/GPN committee shall be formed in the event of problems in this regard to meet with the Director of Nursing to work towards the resolution of these problems.

- H. The employer agrees to schedule full-time employees on permanent shifts by seniority, with the exception that both the employer and union recognize that one of the full-time employees shall be scheduled on all three (3) shifts (swing shift).

I. LPN's covering for LPN's

To assure compliance with the minimum staffing requirements within the Facility, as outlined in the State of Michigan's Nursing Home Rules and Regulations, an LPN will work a second consecutive shift in order to cover for its own people by following the procedure as stated below:

- a. Available (those not scheduled for the particular shift coverage is being sought) part-timers are to be notified (an attempt should be made), as to whether or not they would be willing to come in and work the shift.
- b. If there is no favorable response, then those available (those not scheduled for the particular shift coverage is being sought) full-timers will be notified (an attempt should be made), as to whether or not they would be willing to come in and work the shift. Since this would warrant overtime pay this procedure would be followed by seniority.
- c. If no favorable response is received from a or b above, then the LPN's on the prior shift for which coverage is being sought would be requested to work a second consecutive shift or a part thereof. This request would be made on a seniority basis with the least senior LPN(s) being required to work the second shift or its part thereof, providing that all other above attempts to cover the shift have failed.

LPN's will cover only for other LPN's and not for nursing assistants or Rns.

Section 2 - Wage Rates

- A. Effective October 1, 1992, the following hourly rates will be in effect for all employees covered by this Agreement:

- H. Each LPN/GPN shall complete and sign a "Sickness Affidavit" provided by the Facility specifying the reason for absence.
- I. The Facility may require an LPN/GPN making excessive claims for paid sick leave to submit to a physical examination to be performed by the LPN/GPN's family physician who will determine physical ability to perform the duties of an LPN/GPN.
- J. The LPN/GPN shall inform his immediate supervisor at least two (2) hours in advance of his scheduled shift on the afternoon and evening shifts or one (1) hour in advance on the day shift if unable to come to work, unless an emergency arises.
- K. An LPN/GPN who is absent for three (3) consecutive scheduled shifts or more shall present the Facility with medical certificate or an adequate reason for such absence upon request of the employer.

- B. LPN/GPNs will be scheduled off duty on their birthday holiday as an additional off-day in the pay period.
- C. Personnel will be scheduled to have every other holiday off except Christmas and New Year's which will be scheduled by posting.

MEMORANDUM:

TO: ALL NURSING PERSONNEL

SUBJECT: Staffing Requirements

Effective immediately, in order to stay within compliance of the State of Michigan's Nursing Home Rules and Regulations Staffing Requirements, the following guidelines will be adhered to:

3-11 Shift - Our present scheduling: 3 professionals and 9 Nursing Assistants. However, should a Nurse Assistant call in absent on those days on which 9 are scheduled, that absentee shall not be replaced. Any number below 9 Nurse Assistants will be replaced. At no time will the number of nursing personnel be permitted to go below 10 (2 professionals and 8 N.A.s).

7-3 Shift - Our present scheduling is: 1 R.N. (federal requirements), 3 LPNs, and 16 Nurse Assistants. On weekends and holidays, 14 Nurse Assistants are scheduled. If a Nurse Assistant calls in absent, the absentee shall not be replaced. If more than 1 Nurse Assistant is absent, then replacements must be made except for 1. At no time will the number of nursing personnel be permitted to go below 14 (1 RN, 2 LPNs, 11 Nurse Assistants).

When the number of nursing personnel on a particular shift goes below the State of Michigan's minimum staffing requirements, then the following emergency procedure will be used to assure minimum staffing compliance:

- a. The charge nurse will not be permitted to leave their tour of duty until it is determined that the on-coming shift has met minimal staffing requirements. If the above mentioned minimum requirements are not met then the following steps should be taken.
  1. Call available part-time employees to come in and work the shift (including professionals and Nursing Assistants as needed per the above specified requirements).

2. If there are no available nursing personnel willing to come in to work, then the present staff on duty would be asked if they would be willing to work a double shift; or a fraction thereof.\* If there are no interested staff members willing to work the double shift, then the least senior employee or employees will be mandated to work the extra shift.

Not to be included in the above minimum staffing requirements are the following:

- a. Ward Clerk
- b. Diversional Therapy personnel
- c. Physical Therapy Aide
- d. Central Supply Clerk

The Nursing Assistant/Transport Vehicle person can only be counted when providing direct hands-on care.
