Any grievance filed shall refer to the specific provision (s) alleged to have been violated and shall adequately set forth the facts pertaining to the alleged violation.

5.2: Grievance Procedure.

- A. Step One. Verbal/Immediate Supervisor. An employee with a complaint shall discuss the matter with the officer in charge of the shift or with his/her immediate supervisor within ten (10) days of occurrence of the incident which gave rise to the complaint of ten (10) days from the date when the employee should reasonable have known of the occurrence. If requested by the employee, he/she shall have his/her steward present. The supervisor shall give his/her answer within five (5) days from

the time that the grievance was presented to him/her. Any settlement reached by this discussion must be approved by the Sheriff.

- B. Step Two. Written/Sheriff. In the event that the grievance cannot be settled in Step 1, the grievance shall be reduced to writing by listing the Sections of the Agreement alleged to have been violated, signed by the grievant, and submitted to the Sheriff within ten (10) days from the supervisor's answer to Step 1. The Sheriff and the steward or alternate shall discuss the grievance in attempt to resolve the matter. The Sheriff shall place his answer on the grievance form and return it to the steward or alternate within ten (10) days after such meeting.
- C. Step Three. If the grievance is not satisfactorily resolved at Step 2, it may be appealed by resubmitting the grievance to the Chair of the County Board of Commissioners and/or the County Clerk within ten (10) days following receipt of the Employer's Step 2 answer. Within ten (10) days after the grievance has been filed with the proper Employer representative, a meeting shall be held between representatives of the Employer and the Union. Either party may have non-employee representatives present.

5.3: Notice to Arbitrate. In the event that the grievance is not satisfactorily resolved in Step 3, the Union may request arbitration of the unresolved grievance which is arbitrable by giving written notice to the Employer of its intent to arbitrate within twenty (20) days following receipt of the Employer's answer in Step 3.

5.4: Selection of Arbitrator. If a timely request for arbitration is filed by the Union, the parties may, within five (5) days, select by mutual agreement one (1) arbitrator who shall decide the matter. If no agreement is reached, the arbitrator shall be selected from a panel of arbitrators obtained from the Federal Mediation and Conciliation Service. The arbitrator shall be selected by each party alternately striking a name from the list, and the remaining name shall serve as the arbitrator. The fees and expenses of the arbitrator shall be shared equally by the Union and the Employer. Each party is responsible for its own expenses. In the event that the Federal Mediation and Conciliation Service will no longer provide the arbitration panel, then the panel shall be obtained from the American Arbitration Association.

5.5: Witnesses. If the Employer or the Union requests that the aggrieved employee or other persons are necessary, they shall

be present at the hearing or at any Step or Steps of the Grievance Procedure; provided, however, that if a witness is on duty, he/she will be excused after giving his testimony so that he/she can promptly return to duty.

5.6: Arbitrator's Powers. The arbitrator's powers shall be limited to the application and interpretation of this Agreement. He/she shall be at all times wholly governed by the terms of this Agreement, and he shall have no power or authority to amend, alter, or modify this Agreement, either directly or indirectly. If the issue of arbitrability is raised, the arbitrator shall decide the merits of the grievance only if arbitrability is affirmatively decided. 5.9: Time Limitation. The time limits established in the Grievance Procedure shall be followed by the parties hereto. If the time procedure is not followed by the Union, the grievance shall be considered settled in accordance with the last disposition. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next Step, including arbitration if the Union so requests. The time limits established in the Grievance Procedure may be extended by mutual agreement, provided it is reduced to writing and the period of extension is specified.

5.10: Time Computation. Saturday, Sunday, and holidays recognized by this Agreement shall not be counted under the time procedures established in the Grievance Procedure.

5.11: Grievance Form. The grievance form shall be supplied by the Union.

5.12: Grievance Resolution. All grievances which are satisfactorily resolved at Step 1 or Step 2 of the Grievance Procedure, if the grievance has economic implications, must be

approved in writing by the Board of Commissioners at its next regularly scheduled monthly meeting before they shall be final. The time limitations set forth in the Grievance Procedure shall be stayed during the period in which the grievances are referred to the Board of Commissioners under this Section, but in no event more than thirty (30) days. If the resolution of a grievance is not approved, the Union shall have fifteen (15) days following receipt by the Union's president of notice of the County Board of Commissioners' action to resubmit the grievance to the next higher Step in the Grievance Procedure than the grievance held prior to such disallowance. If the grievance is not resubmitted in a timely fashion, it shall be deemed to be withdrawn.

If an employee elects to use the grievance procedure provided for in this contract and, subsequently, elects to utilize the statutory or administrative remedies, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited. In the event that an administrative law judge or judge rules that he/she does not have jurisdiction, then under those circumstances, the employee may proceed with the contract arbitration procedure within five (5) days of that ruling.

ARTICLE VI
DISCHARGE AND DISCIPLINE

6.1: Discipline and Discharge. The Employer agrees that discipline and discharge for all nonprobationary employees will be for just cause. The Employer agrees to use the principles of progressive and corrective discipline, where appropriate. The Union acknowledges, however, that progressive discipline need not be utilized for major offenses.

6.2: Disciplinary Procedure. In the event an employee is called to the office of the Sheriff for the purpose of possible disciplinary action, the employee shall have the right to have his local Union representative present, upon request.

6.3: Past Infractions. In imposing discipline on a current charge, the Employer will not take into account any disciplinary action which occurred more than thirty-six (36) months previously,

or forty-eight (48) months if disciplinary time off was given unless directly related to the current charge.

ARTICLE VII
MANAGEMENT SECURITY - NO STRIKE

7.1: No Strike. The Union and employees agree that there shall be no interruption of employee services, for any cause whatsoever. There shall be no concerted failure by employees to report for duty, nor shall employees absent themselves from their work, stop work, or abstain in whole or in part from the full, faithful and proper performance of the duties of their employment. Employees shall not picket the Employer's premises. The Union and employees further agree that there shall be no strikes, sit-downs, stay-ins, stoppages of work, or any acts that interfere in any manner or to any degree with the services of the County.

8.1: Special Conference Procedure. The Employer and the Union may agree to meet and confer on matters of mutual concern upon written request of either party. The written request shall be made in advance and shall include an agenda stating the nature of the matter to be discussed and the reasons for requesting the meeting. Discussion shall be limited to matters set forth in the agenda, but it is understood that these special meetings shall not be for the purpose of conducting continuing bargaining negotiations nor to in any way modify, add to or detract from the provisions of this Agreement.

Meetings, if agreed to be held by the parties, shall be held at a time and place mutually agreeable to the parties. Each party may be represented by not more than three (3) persons, however, not more than two (2) shall be employees in the bargaining unit and they shall be paid while attending a special conference, but only if held during their normal work hours.

ARTICLE IX
SENIORITY

9.1: Definition of Seniority. Seniority shall be defined as the length of the employee's continuous service with the Lake County Sheriff Department commencing from his/her last date of

hire. Rank seniority shall mean the length of continuous service commencing from the date of the employee's service in the particular rank. For purposes of benefits predicated on length of service, all seniority with Lake County shall be counted. The application of seniority shall be limited to the preferences and benefits specifically recited in this Agreement.

9.2: Probationary Period. All new employees, full-time and regular part-time, shall be considered probationary employees for a period of one (1) year, provided, however, that such probationary period shall be extended for a period of time equal to the time that an employee is absent from duty, if such period of absence is greater than fifteen (15) work days. Upon completion of the probationary period, an employee shall be placed on the seniority list and shall have seniority dating from his/her last date of hire. The Union shall represent probationary employees for the purpose of collective bargaining; however, probationary employees may be laid off, disciplined, suspended, or terminated by the Employer at any time without regard and without recourse to this Agreement. Probationary employees may be terminated from employment for any reason or no reason.

9.3: Part-Time Employees. Regular part-time employees will be so designated at the time of their hire. If a regular part-time employee is transferred by the Employer to fill a permanent full-time position, another probationary period of one hundred twenty (120) days under the conditions in Section 9.2 above, will commence as of the date of the transfer. Upon completing his/her probationary period of one hundred twenty (120) days, the employee shall be placed on a seniority list and he/she shall have seniority commencing with the date he/she was transferred to the permanent full-time status. The parties agree that the above referenced to probationary period shall be one (1) year in total, if the regular part-time employee was not previously employed for an entire year as a regular part-time employee.

9.4: Seniority List. The Employer shall furnish the Union an up-to-date seniority list once each year. Upon execution of this Agreement, the parties have agreed upon a seniority list.

9.5: Loss of Seniority. An Employee shall automatically lose his/her status as an employee and his/her seniority for any of the following reasons:

- A. He/she resigns or quits.
- B. He/she is discharged or terminated and not reinstated.
- C. He/she retires.
- D. He/she is convicted or pleads guilty to a felony.

- E. He/she has been laid off for a period of time equal to his/her seniority at the time his/her layoff and not employed within the bargaining unit or two (2) years, whichever is lesser.
- F. Two (2) failures to notify the Employer of absences on a regularly scheduled work day within a twelve (12) month period, unless failure to notify the Employer is beyond the control of the employee.

9.6: Layoff. In the event that a reduction in the work force becomes necessary, the first (1st) employees to be reduced from the Department in the classification affected shall be those employees who are part-time. The next employees to be laid off will be employees on probation; provided, however, that the remaining employees have the necessary training and experience to perform the required work. If additional reductions are necessary, it shall be on the basis of seniority in the classifications and ranks affected; provided, however, that the remaining senior employees have the necessary training and experience to perform the required work. Upon request made within three (3) days following notification of layoff, certified officers shall have the right to be assigned to the dispatch/correctional officer classification, provided they have more seniority than the employees being replaced. Employees who are demoted in lieu of layoff shall initially be paid the same salary step in the range for the lower position to which they have been demoted. The Employer shall give two (2) weeks' advance notice of a layoff unless such notice is impracticable due to emergency or unusual circumstances. It is agreed between the parties that laid off command officers under the COAM contract can bump employees in this bargaining unit under the requirements stated above.

9.7: Recall. In the event that the work force is increased, recall to work shall be in the inverse order of layoff from work. Recall notice shall be mailed by certified mail or hand delivered to the employee's last known address. In the event the employee fails to make himself/herself available for work at the end of three (3) days after notice of recall is mailed, he/she shall lose all seniority rights and right to recall under this Agreement. The employee is responsible to keep the Employer advised of his/her last known address. An employee shall have recall rights to his

classification or job for a period equal to his/her length of seniority or twenty-four (24) consecutive months, whichever is shorter, except for failure to respond to recall notice as stated above.

9.8: Seniority and Benefit Accumulation. An employee shall retain and continue to accumulate seniority while on all approved leaves of absence, unless otherwise specifically provided; and insurance, vacation, and sick leave shall not accrue, continue, or be paid during any leave of absence in excess of thirty (30) calendar days unless otherwise specifically provided for in this Agreement. There shall be no duplication or pyramiding of leave benefits or types of absence.

9.9: Trial Period for Promotions. Any employee who is promoted to Jail Sergeant, TRV Sergeant or Deputy Sergeant shall be on trial for up to one hundred eighty (180) work days. During this trial period, the employee shall have the opportunity to revert to his/her former classification and commensurate pay rate or the Sheriff may require the employee to revert back to their former position and commensurate rate of pay. The decision of the Sheriff shall be final and binding on the parties and not grievable. If an employee elects to revert back to his former position, he shall be ineligible for job advancement under this Section for a period of twelve (12) months.

ARTICLE X

10.1: Personal Leave Without Pay. Employees with at least one (1) year's seniority may be granted up to thirty (30) days leave of absence without pay. A thirty (30) day extension of the leave of absence may be granted at the option of the Sheriff. If such leave exceeds thirty (30) days, then such leave shall be without accumulation of any fringe benefits predicated on length of service with the Sheriff's Department, nor shall seniority accumulate beyond that time. Requests for a personal leave shall be in writing and shall be signed by the employee and given to the Sheriff. Such request shall state the reason(s) for the leave. 10.2: Paid Sick Leave.

- A. All full-time employees covered by this Agreement shall be credited with six (6) paid sick leave days on January 1 of each year beginning in 1987. For new employees, paid sick leave days will be prorated monthly.

- F. Employees must notify the Sheriff or his/her designee at the earliest opportunity when they will be off work because of illness.
- G. The Employer reserves the right to require an employee at the Employer's expense, if not covered by the employee's insurance, to take a physical or mental examination (1) if there is reasonable cause to believe a problem exists, or (2) on return from a leave of absence to verify the employee's ability to return from the injury or illness that necessitated the leave. The physical or mental examination shall be given by a doctor selected by the Employer. If the employee is not satisfied with the determination of the designated physician of the Employer, he/she may submit a report from a doctor of his/her own choosing. If the dispute still exists, at the request of the Employer or employee, the designated physician of the Employer and the employee's doctor shall agree upon a third doctor to submit a report to the Employer and the employee, and the decision of such third party shall be binding on all the parties. The expense of the third physician shall be shared equally by the Employer and the employee if not covered by the employee's insurance. On the basis of said examination, the Employer may take what appropriate action is necessary within the confines of the parties contract.

10.3: Funeral Leave.

- A. If a death occurs among members of a full-time employee's immediate family, the employee will be excused from work to attend the funeral and make other necessary arrangements. There shall be no loss of pay from the day of death until the day after the funeral. However, the employee may take no more than a total of five (5) days, two (2) of which shall be without loss of sick leave; the remaining three (3), if taken, shall be charged against earned sick leave. Immediate family shall be defined as spouse, child, parent, sister, brother, father-in-law, mother-in-law, grandparents and grandchildren.
- B. One (1) day, the day of the funeral, is allowed in the case of the death of an uncle, aunt, nephew, niece, sister-in-law, brother-in-law, daughter-in-law, son-in-law, stepfather, stepmother, half-brother, and half-sister. This day shall be charged against earned sick leave.
- C. The Employer is to be notified immediately of a death in the family and the extent of the expected absence.

10.4: Union Leave. The Employer will grant leaves of absence with pay to Union members of the bargaining unit of POAM for the following function:

One (1) man for two (2) days to attend the POAM delegates meeting each calendar year. Further, if said meetings are scheduled during the employee's tour of duty, he/she shall continue to be paid as though the time were worked. In the event the POAM meeting is scheduled at a time the employee is not scheduled to work, the employee shall not be paid. The employee shall notify the Sheriff at least fourteen (14) days in advance of a scheduled meeting. Leave may be denied if the absence of the employee would unreasonably interfere with the services performed by the Department.

ARTICLE XIV
INSURANCE AND PENSION

14.1: Hospitalization Insurance.

- A. During the term of this Agreement, and after the first six (6) months of employment, the Employer agrees to pay the required premiums for each full-time employee under the employees hospitalization insurance program with Blue Cross-Blue Shield. The Employer agrees to pay one hundred percent (100%) of spouse and dependent coverage for full-time employees.
- B. The Employer may change and/or add to the health insurance coverage the following at any time after August 1, 1989:
- \$3.00 drug rider;
second surgical opinion rider;
predetermination rider
- C. Anytime after the execution of this agreement by both parties in 1991, the Employer shall change the health insurance as follows:
1. Provide for a prescription rider co-pay of \$5.
 2. Provide for a \$300/600 DRI hospital deductible.
- D. Employer Health Deductible Fund. The Employer will contribute up to \$2,000.00 per year (example: if starts July 1, 1991, \$1,000.00 for the balance of the year), to a fund after the insurance changes in this Section 2 take effect. Such money shall be used to reimburse employees for health insurance deductible payments noted in this Section 2(B), but excluding the drug rider. The \$2,000.00 fund will be used to pay the cost over \$100.00 for single coverage up to \$275.00 (i.e. \$175.00 maximum payment) or over \$200.00 for two-person coverage or full family hospital DRI deductible up to \$550.00 (i.e. \$350.00 maximum payment). If the total cost exceeds the \$2,000.00 fund, the fund shall be pro rated among the users. The Employer will reimburse employees within thirty (30) days after close of the year, currently, December 31st. The \$2,000.00 maximum for each year and any remaining funds from year to year will not be added to another year. The \$2,000.00 fund is for this bargaining unit.
- E. Waiver of Health Insurance. An employee who is covered as a dependent on a spouse's or parent's

hospitalization policy may choose not to be covered by the medical insurance provided by the County. The decision to waive coverage can only be made once per calendar year. A waiver agreement, provided by the Employer, must be signed by the employee.

In the event the employee elects not to be covered by such medical insurance the employee shall be paid \$75.00 per month (family coverage) or \$30.00 per month (single coverage), as a salary supplement or in a deferred compensation plan administered by the County. This section does not apply to employees covered under section E below.

Employees assume all risks if they want to later re-enroll. Employees assume any potential risks as to not being covered for "pre-existing" illness or injuries by the insurance carrier.

- D. No Double Coverage if Spouse Employed by County. Effective the 1st of the month after the Employer ratifies the contract in 1992 no employee shall be eligible for health insurance coverage, as provided under this contract, if his/her spouse is employed by LAKE COUNTY or any of its departments when that employee could be covered under his/her spouse's policy. Such employee shall receive Thirty and No/100 (\$30.00) Dollars per month.

14.2: Liability Insurance. The Employer shall continue in effect its present program of liability insurance on the same terms and conditions that existed prior to the execution of this Agreement unless canceled by the insurance carrier at which time the County will seek new insurance.

14.3: Term Life Insurance. During the term of this Agreement, the Employer will provide a term life insurance policy in the amount of ten thousand (\$10,000) and ten thousand (\$10,000) accidental death and dismemberment for each full-time employee.

14.4: Sickness and Accident Insurance.

- A. In consideration for the program of sickness and insurance benefits described in this section, the parties agree that their former program of paid sick days shall no longer continue to exist. No further use of time earned under the prior sick leave program, other than as provided by this section, shall be permitted.

- B. The Employer shall obtain and pay the required premiums for sickness and accident insurance for full-time employees covered by this Agreement. This coverage shall become effective the first (1st) workday following completion of sixty (60) calendar days of employment with the Employer. Employees who are eligible under the insurer's regulations shall receive from the Employer's insurance carrier weekly indemnity payments consisting of seventy percent (70%) of their normal straight time weekly wages, up to a maximum benefit of two hundred seventy-five dollars (\$275.00) weekly. These benefits shall be payable from the first (1st) day of disability due to accident or hospitalization and eighth (8th) day of sickness, for a period not to exceed twenty-six (26) weeks for any one (1) period of disability. Employees are not entitled to this benefit for any disability which they may be entitled to indemnity or compensation under a retirement plan, the Social Security Act, any workers' compensation, or any salary continuation program.
- C. Accrued sick days earned prior to January 1, 1987 shall be converted to a monetary amount to be used only as set forth in this subsection. The employee's sick leave credits as of December 31, 1986 will be multiplied by the employee's December 31, 1986 straight time hourly rate of pay. This conversion shall result in a monetary "bank" from which the employee may use in the following manner:
1. To supplement workers' compensation or sickness and accident insurance benefits paid to an eligible employee, provided, however, the sum of any such sickness and accident insurance benefits and supplemental payments shall not exceed one hundred percent (100%) of the employee's normal gross weekly wages.
 2. Following exhaustion of the sickness and accident insurance benefits provided by the Employer's insurance carrier, the employee may draw from his "bank" a weekly amount to exceed one hundred percent (100%) of his normal gross weekly wages.
 3. Upon death, retirement, or termination, other than for just cause, the employee or his/her designated beneficiary will be paid one-half (1/2) of any amounts remaining in his/her sick leave bank.

- D. When an employee is receiving sickness and accident insurance, he/she will have their fringe benefits and seniority continue which they would otherwise be entitled to if they were working.

14.5: Dental Insurance. Effective January 1988, the Employer agrees to provide a 50-50-50 Dental Insurance program for full-time employees, including dependent coverage.

14.6: Selection of Insurance Carriers. The Employer reserves the right to select or change the insurance carriers providing the benefits stated in Section 14.1 through Section 14.5, to be a self-insurer, either wholly or partially, with respect to such insurance programs and to choose the administrator of such insurance program, provided the level of such benefits remains the same. The Union shall be notified prior to any change.

14.7: Continuation of Benefits. There shall be no liability on the part of the Employer for any insurance premium payment of any nature whatsoever for an employee or employees who are on a leave of absence, layoff, retire or are otherwise terminated beyond the month in which such layoff, leave of absence, or retirement commenced or occurred. If an employee is granted a sick leave, the Employer agrees to continue its premium payment for not more than one (1) month, not counting the month in which such sick leave commenced.

14.8: Retirement Plan. During the term of this Agreement, the present MERS C retirement program shall be continued on the same terms and conditions that existed prior to the execution of this Agreement. Effective January 1, 1996, or as soon as reasonably possible thereafter, according to MERS rules and requirements, the Employer shall improve the pension to MERS level C-2 with a B-1 base and a normal retirement after 25 years of service and age 50. The Employer shall assume the full cost of the improvements not to exceed 3% of payroll as actuarially determined by MERS. The employees shall pay costs over 3%, if any.

ARTICLE XV
UNIFORMS AND EQUIPMENT

15.1: Uniforms and Equipment. The Employer shall provide such uniforms and equipment as the Sheriff and the County shall determine are necessary, subject to reasonable rules for the preservation, use, and care of such uniforms and equipment.

15.2: Damage Reimbursement. The County agrees to pay or cause to be paid to employees covered by this Agreement reasonable damages to personal property damaged in the line of duty upon presentation of receipt for loss, provided such damage was not due to the negligence or intentional act of the employee(s).

15.3: Dry Cleaning. The Employer will provide a maximum of three thousand dollars (\$3,000.00) per year for the cleaning of all Sheriff Department uniforms.

15.4: Plain Clothes Allowance. The Employer agrees to provide an allowance of two hundred seventy-five and no/100 (\$275.00) dollars per year for any officer who is required, in the regular course of his/her duty on a permanent nature, to wear plain clothes.

ARTICLE XVI

16.2: Wages of Regular Part-Time Employees. Regular part-time employees shall be paid at the start rate for the classification in which they are working.

16.3: New Classifications. The Employer reserves the right to discontinue existing classifications and to establish new classifications. In the event that the Employer should establish a new classification, the Employer agrees to negotiate with the Union concerning the rate of pay for such new classification.

16.4: Temporary Assignment Pay. In any case an employee is qualified for and is temporarily required to regularly serve in and accept the responsibility for work in a position of a higher class, he shall receive the rate for the higher classification or two hundred and no/100 (\$200.00) dollars per annum above his/her present rate of pay, whichever is higher, while so assigned, subject to the approval of the department head involved and the approval of the Sheriff; provided that for an employee to qualify for the higher rate of pay in such temporary assignment to a higher position, said employee shall be assigned on a regular and continuous basis in the higher paid position for at least one (1) full pay period. An employee may be temporarily assigned to the work of any position in the same or lower class grade without change in pay, other than a demotion as a result of a layoff.

16.5: Promotion to Higher Paying Position. When an employee is promoted to a higher paying position within the bargaining unit, their salary rate shall be at the step which results in an increase.

That employee's new anniversary date for future step increases shall be the date they were promoted to the new classification.

ARTICLE XVII

17.2: Longevity Eligibility. To be eligible for longevity payment subsequent to the first (1st) payment, an employee must have completed continuous full-time or part-time service equal to the service required by original eligibility plus a minimum of one (1) additional year of such service for each payment.

RE: PROMOTIONS

This Letter of Understanding is entered into this 12th day of February, 1997, by and between the Police Officers Association of Michigan, the Lake County Board of Commissioners, and the Lake County Sheriff.

WHEREAS, the parties desire that the vacancies or promotions in the positions of command officer be filled in the following prescribed manner.

THEREFORE, the parties agrees as follows:

Section 18.11, Promotions -- Promotional opportunities for full-time employees will be posted in the classification of deputy and corrections. Employees desiring to compete for promotions shall advise the Sheriff in writing.

The Employer will establish a fixed testing period each year as determined by the Sheriff.

Eligibility -- Employees must be off probation and must not have been demoted within the last two (2) years prior to the test. Employees must have three (3) years of service or experience as a certified Michigan law enforcement officer or corrections officer to take the respective examinations. Each year of regular part-time service shall count toward the minimum service eligibility requirements.

Tests -- One test shall be given annually for promotion to a road patrol command position and another test shall be given annually for promotion to a corrections command position. Only full-time certified law enforcement officers shall be eligible to take the road patrol examination and, if required, only certified corrections officers shall be eligible to take the corrections examination.

Test Weights -- The promotional test shall consist of a written test and oral interview. Points for seniority shall be included in the final calculations. To proceed through the complete testing procedure, candidates must obtain a minimum score of seventy (70%) percent on the written examination. Points for seniority shall be credited for each full-time year of service with the Lake County Sheriff's Department. Each seniority percentage point shall represent five (5) full-time years of service.

Weights -- The final ranking of successful candidates shall be determined on the following basis:

Written tests	50%
Oral interview	45%
Seniority points	<u>5%</u>
TOTAL	100%

Promotional Lists -- Two promotional lists shall be established for road patrol and corrections. Employees shall be ranked by total score. The promotional lists shall remain effective until the next examination is given.

Promotion -- From the final ranked list, the Sheriff shall have the right to select from the top two (2) candidates. The candidate not selected shall hold top ranking on the list until a new test is conducted. The results of the final ranking will not be posted in the department. However, employees will be informed on an individual basis of their position on the final list. Employees may see their test results by seeking an appointment to do so from the Sheriff.

Probation - Rank Seniority -- Upon promotion, employees shall serve a six (6) month probationary period during which time the employer may return the individual to his/her former classification and pay without loss of seniority and without regard to the arbitration process. During the probationary period, the employee may also volunteer to return to his/her former position without loss of seniority.

Rank Seniority -- Seniority for purposes of layoff, reduction of work, recall, and the exercise of benefits and working conditions specifically identified in the collective bargaining agreement as a command officer shall be predicated upon time in grade (rank).
