ARTICLE 4
AGENCY SHOP - DUES CHECK-OFF

Section 1: Union Security. To the extent that Federal law and the laws of the State of Michigan permit, employees covered by this Agreement at the time it becomes effective and who are members of the Union at that time or who become members during the duration of this Agreement shall be required, as a condition of continued employment, to continue membership in the Union for the purpose of this Agreement.

Section 2: Agency Shop. All employees in the bargaining unit shall, as a condition of continued employment, pay to the Union, the employees' exclusive collective bargaining representative, an amount of money equal to that paid by other employees in the bargaining unit who are members of the Union, which shall be limited to an amount of money equal to the Union's regular and usual dues. For present regular employees, such payments shall commence thirty-one (31) days following the effective date or on the date of execution of this Agreement, whichever is the later, and for new employees the payment shall start thirty-one (31) days following the date of employment.

Section 3: Check-Off Dues and Initiation Fees. During the period of time covered by this Agreement, the City agrees to deduct from the pay of any employee all annually certified dues and initiation fees of Local 214 and pay such amount deducted to said Local 214; provided, however, that the Union presents to the City legal wage deduction authorizations, signed by such employee, for deductions to the Local Union. They may be done through the steward of the Union.

- (a) Amount of initiation fees and dues will be certified to the City annually by the Secretary-Treasurer of the Union. Dues deducted shall commence on the first (1st) pay period of the month and will be deducted monthly thereafter on the first (1st) pay period of the month. Any deduction of initiation fees will be made as certified by the Secretary-Treasurer. Dues deducted for any calendar month by the City will be remitted to the designated finance officer of the Local Union as soon as reasonably possible after the payroll deductions have been made. The City shall furnish the Union finance officer an up-to-date list of those employees who have signed check-off authorizations and whose dues have been deducted from their paychecks. Where an employee who is not on check-off is not on the payroll the week which the deduction is to be made or who has no earnings or insufficient earnings during the week or is on a leave of absence, double deductions will be made the following months.
- (b) Monthly agency fees and initial agency fees will be deducted by the City and transmitted to the Union in the same manner as prescribed above for the deduction and transmission of Union dues and initiation fees.
- (c) The Union shall indemnify and save the City harmless from any liability, costs and expenses that it incurs arising out of the City's enforcement of the Union security and agency shop provisions of this Agreement and/or its reliance upon any payroll deduction authorization cards presented to the City by a representative of the Union.
- (d) Any dispute arising as to an employee's membership in the Union shall be reviewed by the designated representative of the City and a representative of the Union and if not resolved may be decided at the Appeal Step of the Grievance Procedure. However, the Employee shall be retained at work while the dispute is being resolved.

ARTICLE 5
UNION REPRESENTATION/ACTIVITIES

Section 1: Steward Representation/Activities: The City shall recognize one (1) employee representative with seniority who shall act individually as Steward for grievance administration for each of the Electric Distribution, Meter, Power House, Waste Water and Water Divisions of the Department of Public Services. The Union may designate one (1) of the Stewards to act as Chief Steward.

- (a) Reporting. When it becomes necessary for a Steward to investigate a grievance, the Steward shall first secure permission from his/her supervisor to leave work and shall report to that supervisor before returning to work. The City agrees to compensate an employee at his/her regular rate for all regular time lost from the regular work schedule while investigating and processing grievances.

The City reserves the right to revoke this benefit if it is being abused, but such revocation shall not occur until the Union has been notified of such abuse and corrective action has not occurred.

Section 2: Union Activity/Rights: The Union agrees that, except as specifically provided for by the terms and provisions of this Agreement, employees shall not be permitted to engage in Union activity during working hours. There shall be no meetings held on City property unless authorized in writing by the City. The City agrees that it will not enter into another agreement with another labor organization, aid, promote or finance any labor group or organization which purports to engage in collective bargaining regarding employees covered by this Agreement.

ARTICLE 6
GRIEVANCE AND ARBITRATION PROCEDURE

Definition of Grievance:

A grievance shall be LIMITED TO a complaint by a non-probationary employee or the Union concerning the application and interpretation of this Agreement.

Section 1. Grievance Procedure. All grievances shall be handled in the following manner:

- (a) Step 1. An employee with a complaint shall notify the department head within three (3) working days after the occurrence of the events giving rise to the complaint. The complaint shall be discussed informally by the employee and the department head. At the request of the employee, he/she may have the Steward present in order to participate in this informal discussion. Every effort shall be made to satisfactorily settle the complaint in this manner. The department head shall give his/her disposition, subject to the approval of the City Manager or his/her designated representative, within five (5) working days.

- (b) Step 2. If the complaint is not satisfactorily settled by the verbal procedure, the complaint shall be reduced to a written grievance on a form provided by the Union, signed by the employee and the Union, and presented by the Union to the City Manager or his/her designated representative within three (3) working days after receipt of the department head's answer in the verbal procedure. Within five (5) working days after receipt of the employee's written grievance, the Steward and City Manager or his/her designated representative may meet to discuss the grievance. The staff representative of the Union may be present as well as other designated City representatives. The City shall place its disposition on the grievance and return it to the Steward within five (5) working days following said meeting, or within ten (10) working days of receipt of the employee's written grievance if no meeting is held. If the grievance is not satisfactorily resolved, it may be submitted to arbitration in accordance with the procedures established in this agreement.

Section 2. If the grievance has not been satisfactorily resolved, the Union or the City shall have the right to file a request for arbitration with the Federal Mediation and Conciliation Service provided such referral is made within seven (7) calendar days after receipt of the City's answer in Step 2. If the grievance has not been submitted to arbitration within seven (7) days, it shall be considered resolved in accordance with the City's last response. The expenses and fees of the arbitrator and the Federal Mediation and Conciliation Service shall be shared equally by the Union and the City.

Section 3: The arbitrator's jurisdiction shall be limited to the application and interpretation of this Agreement as written, and he/she shall at all times be governed wholly by the terms of this Agreement. The arbitrator shall have no power or authority to amend, alter or modify this Agreement either directly or indirectly.

Section 4. Time Limitation. The time limits established in the grievance and arbitration procedure shall be followed by the parties hereto. If the time limit procedure is not followed by the Union, the grievance shall be considered settled in accordance with the City's last disposition. If the time procedure is not followed by the City, the grievance shall automatically advance to the next step. The time limits established in the grievance procedure may be extended by mutual agreement, provided it is reduced to writing and the period of extension is specified.

Section 5: Disciplined Employee. In the event an employee under the jurisdiction of the Union has completed the probationary period shall be suspended from work for disciplinary reasons or is discharged from employment after the date hereof and who believes he/she has been unjustly suspended or discharged, such suspension or discharge shall constitute a case arising under the Second Step of the Grievance Procedure, provided a written grievance with respect thereto is presented to the City Manager within three (3) regularly scheduled working days after such discharge or after the start of such suspension.

- (a) The City agrees to promptly notify the Chief Steward of such suspension or discharge.
- (b) It is understood and agreed that when an employee files a grievance with respect to suspension or discharge, the act of filing such a grievance shall constitute authorization of the City to reveal to the participants in the Grievance Procedure any and all information available to the City concerning the alleged offense, and such filing shall further constitute a release of the City from any and all claimed liability by reason of such disclosure.

Section 6: Reinstatement In the event it would be decided under the Grievance Procedure that the employee was unjustly suspended or discharged, the City shall reinstate such employee and pay full compensation, partial compensation or no compensation as may be decided under the Grievance Procedure, which compensation, if any, shall be at the employee's regular rate of pay at the time of such discharge or the start of such suspension, less any unemployment or other compensation he/she may have received or earned at other employment during such period.

ARTICLE 7
STRIKES AND LOCKOUTS

Section 1: Union Concerted Activity.

The Union agrees that during the life of this Agreement neither the Union, its agents nor its members will authorize, instigate, aid or engage in a work stoppage, slowdown, strike or any other concerted activity including sympathy or unfair labor practice strikes which interfere with the operations of the City. The City agrees that during the same period there will be no lockouts.

Section 2: Employee Concerted Activity.

Individual employees or groups of employees who instigate, aid or engage in a work stoppage, slowdown, strike or any other concerted activity including sympathy or unfair labor practice strikes which interfere with the operations of the City may be disciplined or discharged in the sole discretion of the City.

ARTICLE 8
SENIORITY

Section 1: Seniority Defined. Seniority shall be defined as an employee's length of continuous employment with the City or Board of Public Utilities (BPU) since the last hiring date. "Last hiring date" shall mean the date upon which an employee first reported for work at the instruction of the City or BPU since which the employee has not quit, retired or been discharged.

Section 2: Probationary Period. All new employees shall be probationary employees until they have actually worked six (6) months for the City. The probationary period may be extended an additional six (6) months upon mutual agreement between the City and the Union. The purpose of the probationary period is to provide an opportunity for the City to determine whether the

employee has the ability, capacity and other attributes which qualify him/her for regular employee status. During the probationary period, the employee shall have no seniority status and may be terminated at the sole discretion of the City without regard to the relative length of service and shall not have any right to file a grievance or other action against the City. Upon the successful conclusion of the probationary period, the employee's name shall be added to the seniority list as of the last hiring date.

Section 3: Seniority List. The City will maintain an up-to-date seniority list of the Electric Distribution, Meter, Power House, Waste Water and Water Divisions of the Department of Public Services. A copy of the seniority list will be posted on the appropriate bulletin board each six (6) months. The names of all employees who have completed the probationary period in the respective Department shall be listed on the Department's seniority list in order of last hiring date or permanent transfer into that Department, starting with the senior employee's name at the top of the list. If two (2) or more employees have the same last hiring date, their names shall appear on the seniority list alphabetically by the first letter of their last name. If two (2) or more employees have the same last name, the same procedure shall be followed with respect to their first names.

Section 4. Seniority Termination. A non-probationary employee's seniority with the City shall terminate and the employment relationship shall end under the following conditions:

- (a) If the employee quits, retires or is discharged for just cause.
- (b) If, following a layoff, the employee fails or refuses to notify the City Manager of his/her intention to return to work within five (5) regularly scheduled working days after a written notice sent by certified mail of such recall is sent to the last address on record with the City or after having notified the City Manager of his/her intent to return, fails to do so within five (5) regularly scheduled working days after such notice, unless mutually extended.
- (c) If the employee fails to return to work within five (5) working days upon recall from layoff unless mutually extended in writing.
- (d) When the employee has been laid off for a period of twelve (12) or more consecutive months.
- (e) If the employee is absent from work for a period of twelve (12) consecutive months for any reason (except worker's compensation leave).
- (f) When the employee fails to return to work immediately upon expiration of a leave of absence, unless otherwise excused by the City.

- (g) If the employee is absent from work for three (3) consecutive working days unless otherwise excused.

ARTICLE 9
LAYOFF AND RECALL

Section 1: If the City determines it is necessary to eliminate a job classification or to reduce the number of occupants in a job classification in a Department, the least senior employee or employees in such job classification shall be the ones removed therefrom. Employees thus removed from the job classification shall exercise their seniority in any classification, seniority permitting, which work such replacing employee has the skill and ability and capacity to satisfactorily perform without break-in or training. Employees thus displaced from their Department will be allowed to exercise their bargaining unit seniority in any other Utility Department in any classification, provided the employee can demonstrate the skill and ability to perform the work with a minimum training period of up to thirty (30) calendar days.

Section 2: When recalling employees to work following a layoff, they shall be recalled in inverse order of layoff provided, at the time of recall, they have the skill and ability and capacity to satisfactorily perform the work and can demonstrate same with a minimum training period of up to thirty (30) calendar days.

ARTICLE 10
JOB VACANCIES

Section 1: Permanent vacancies within the bargaining unit shall be filled on the basis of bargaining unit seniority and qualifications. In the event of a vacancy the City agrees to post the position for 10 calendar days.

Section 2: In determining who will fill the permanent vacancy, the following shall be considered:

- (a) Employee's length of bargaining unit seniority.
- (b) Ability to perform the work.
- (c) Results of interview with Department Head and City Manager or his/her designee.
- (d) Department head's recommendation, subject to final decision by the City Manager.

All decisions regarding filling a permanent vacancy will be subject to the grievance procedure.

Section 3: The City shall have the right to hire from the outside if the minimum qualifications established for the position are not met by existing bidding employees

Section 4: An employee who successfully bids for and whose bid is selected to fill a permanent job vacancy shall be a probationary employee in that position for four (4) work weeks. During the four (4) week trial period, the employee shall have the opportunity to revert back to his/her former classification. If the employee is unsatisfactory in the new position, notice and reason shall be submitted to the employee in writing by the City. The City shall return the employee to his/her prior position. The matter may then become a proper subject for the Second Step of the grievance procedure.

Section 5. During the trial period, the employee will receive the rate of pay for the job being performed.

Section 6. Temporary Transfer. The City shall have the right to transfer employees from one job classification to another to cover for employees who are absent from work due to illness, accident, vacations or leaves of absence for the period of such absence. The City shall also have the right to temporarily transfer employees to fill temporary vacancies or to take care of unusual conditions or situations which may arise for a period not to exceed ninety (90) consecutive regularly scheduled work days. Employees transferred pursuant to this Section shall not accumulate seniority in the classification to which they were transferred, nor shall said employee lose any seniority in the permanent classification while on transfer. The City shall first offer the transfer to the most senior person capable of performing the work. If no employee agrees the City has the right to transfer the least senior person capable of performing the work.

ARTICLE 11
TRANSFERS FROM THE BARGAINING UNIT

Section 1: Transfers from the Bargaining Unit. Employees who were, or are, either promoted or transferred by the City to a non-bargaining unit position, shall continue to accumulate seniority for the first twelve (12) months. In the event said employee is either voluntarily or involuntarily returned to the bargaining unit, he/she shall be returned to the former classification and/or position with seniority.

- (a) If an employee is transferred or promoted out of the bargaining unit for a period in excess of twelve (12) months and voluntarily returns to the bargaining unit, his/her seniority for purposes of job bid, vacation selection, shift preference, promotions and layoffs will be based on bargaining unit seniority only. It is specifically understood that this employee cannot "bump", but must return to a vacated or open position: and, further, will not result in any subsequent layoff of any bargaining unit employees.
- (b) An employee who has transferred out of the bargaining unit prior to the effective date of this Agreement for a period longer than twelve (12) months and is involuntarily returned to the bargaining unit, may not bump bargaining unit employees, nor will it result in the layoff of any present bargaining unit employee.

- (c) All benefits and wage steps shall be based on the employee's combined seniority with the City and Board of Public Utilities and not bargaining unit time.

ARTICLE 12
RATES FOR NEW JOBS

Section 1: New or Changed Jobs. If, during the life of this Agreement, a new job classification is created, or there is a significant change in an existing job classification, the City shall establish the job duties and the rate ranges applicable thereto and shall promptly notify the Union of its decision. If the Union believes the rate range thus set is inadequate in terms of established rate ranges for other job classifications covered by this Agreement, the Union shall have the right, within thirty (30) calendar days after it has been so notified, to initiate negotiations with regard to the rate range assigned to the job classification. If negotiations have not been initiated during said thirty (30) calendar day period, the rate range so assigned shall become permanent. If a mutually satisfactory solution is not reached within thirty (30) calendar days after the Union served notice on the City of its wish to negotiate regarding the new rate, the issue may be referred to the Grievance Procedure starting at the Second Step thereof. If the Union fails to file a grievance on/before the expiration of thirty (30) days after its notice of intent to negotiate, the rate shall become permanent and no grievance may be filed. If, in the above procedure, a different rate of pay is arrived at the different rate of pay shall be retroactive to the date the grievance was filed.

ARTICLE 13
UNION BULLETIN BOARDS

- (a) Notices of recreational and social events.
- (b) Notices of election.
- (c) Notices of results of elections.

- (e) The City reserves the right to remove inappropriate materials which shall be subject to the grievance procedure.

ARTICLE 14
HOLIDAYS

Eligibility for holiday pay shall require that sixty (60%) or more of the employee's normal tour of duty falls on the listed holiday.

Section 3. Holidays Falling on Weekends: When one of the recognized holidays falls on a Sunday, the following Monday shall be observed as the holiday. The birthday holiday must be taken in the month in which the birthday falls. The employee's anniversary holiday must be taken in the month in which the anniversary falls. No more than one employee may be off at any one time on a birthday or floating holiday within a department except by permission from the employee's supervisor. Should more than one employee request the same day as either a birthday or anniversary holiday, seniority shall prevail. Neither holiday may be taken if it would interfere with the orderly operation of the Electric Distribution, Meter, Power House, Waste Water and Water Divisions of the Department of Public Services. If, because of the City's needs, the employee cannot take the date requested, a later date shall be set that is agreeable to both parties.

Section 5. If a holiday occurs during an employee's vacation, the employee will receive eight (8) hours straight time pay for the holiday and will not be charged as having used a vacation day.

APPENDIX B
SUBSTANCE ABUSE AND
ALCOHOL/DRUG TESTING POLICY

In continuing to provide for the health and safety of its employees, and to ensure the health and safety of others, the City and the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, Local 214 have negotiated the following alcohol/drug testing policy.

SECTION 1: GENERAL PROVISIONS

Copies of this policy shall be distributed to all Department of Public Utilities employees. This policy shall become effective on the date the Authorization and Release is signed. In the event of a refusal to sign, documentation by the Department Head will make the policy effective.

- A. All employees engaged in drug/alcohol abuse are encouraged to identify themselves to the City Manager, the Department Head, or their immediate supervisor. The City may refer such employees to a rehabilitation program and allow continued employment where appropriate.
- B. When drug or alcohol abuse is suspected, the basis for the suspicion should be documented and provided to the City Manager or designee who is responsible for determining the proper cause of action thereafter.
- C. Management will ensure supervisory personnel are given training to recognize and deal with behavior changes typical with drug/alcohol abuse, and that all employees, including new hires, are made aware of this policy.
- D. This policy does not contemplate the use of drug screening analysis on a random basis.

SECTION 2: ALCOHOL/DRUG TESTING POLICY

- A. Any employee involved in either a job-related accident or job-related incident which caused physical injury, or caused property damage exceeding \$2,500.00 will be subject to alcohol/drug testing. Any refusal to submit to such testing will subject the employee to immediate discharge.
- B. Any other testing of employees not described in A or B above for the presence of controlled substances or illegal drugs and alcohol must be based upon reasonable suspicion that an employee has taken, consumed or used such substances. The standard for determining reasonable suspicion will be guided by the following:

- The test must be requested by the City Manager or designee.
 - Reasonable suspicion shall be based upon specific objective facts and reasonable inferences drawn from those facts in light of experience and/or training.
 - Where the reasonable suspicion is based upon personal observation by a supervisor, the objective facts must be articulable and may include a person's appearance or behavior.
- C. The facts forming the basis for the reasonable suspicion shall be disclosed to the employee at the time that demand for testing is made, and the employee shall, at that time, be given the opportunity to explain his/her behavior or actions. In addition, where drug testing is recommended, the employee shall be allowed to make such explanation to the City Manager in person and also allowed to commit any explanation to written form. The employee shall have the right to Union representation if a Union member. Any refusal to take the test may result in immediate discharge in the discretion of the City.
- D. Within five (5) calendar days after the demand for testing, the facts forming the basis for reasonable suspicion and reasonable inferences drawn from those facts including the employee's statement, if any, shall be reduced to written form, and a copy shall be given to the employee.
- E. The use of medications prescribed by a physician and its appropriate use is not intended to be prohibited by this policy. However, employees using such medications are responsible for the potential effects such drugs may have. Use of medications that may impair physical or mental ability, judgment or work performance must be reported to your supervisor when reporting for work.

SECTION 3: RELEASE FROM DUTY

Any time an employee has been ordered to be tested, based upon reasonable suspicion, the employee shall not drive any vehicle or perform any job duties or functions, unless so authorized by the City Manager or designee. The employee will be compensated according to his/her Collective Bargaining Agreement or salary/wage schedule for all time spent in the testing process. When possible, such testing will be conducted during the employee's scheduled work hours.

SECTION 4: LABORATORY TEST

Arrangements will be made to transport the person taking the test to the hospital or independent laboratory to perform the test. A proper chain of custody in compliance with the United States Department of Transportation (DOT) Regulations will be maintained on all tests.

In the case of urine testing for illegal use, the laboratory used must be certified by the National Institute on Drug Abuse (NIDA). The initial screen test will be of the immunological assay type and will be conducted using the "EMIT" test. No disciplinary action shall be taken based upon the initial screen test. If the initial test is positive, an immediate follow-up test on the identical sample will be conducted using the gas chromatography/mass spectrometry method.

Decision levels are set sufficiently high enough to preclude any other possible reason for a drug's presence except illicit use. The following decision levels, reported in nanograms per milliliter, are proposed for deciding the point at which the presence of a drug on an EMIT test would be reported as positive, i.e., the point at which a confirmation test (GC/MS) will be required.

NIDA-5 (screen and GC/MS confirmation)

| <u>Drug Group</u> | <u>Drug or Metabolite detected</u> | <u>Initial test level ng/ml</u> | <u>GC/MS confirmation</u> |
|-----------------------|------------------------------------|---------------------------------|---------------------------|
| Amphetamine | Amphetamine | 1,000 ng/ml | 500 ng/ml |
| | Methamphetamine | 1,000 ng/ml | 500 ng/ml |
| Cocaine metabolites | Benzoyllecgonine | 300 ng/ml | 150 ng/ml |
| Marijuana metabolites | delta-9-THC-9-COOH | 100 ng/ml | 15 ng/ml |
| Opiate metabolites | Codeine | 300 ng/ml | 300 ng/ml |
| | Total Morphine | 300 ng/ml | 300 ng/ml |
| Phencyclidine | PCP | 75 ng/ml | 75 ng/ml |

If an EMIT test detects the presence of a drug equal to or above the confirmation level of the test result, the test will be considered as failed.

Upon completion of all testing, the employee will receive telephone notification of the results of the testing by the laboratory or as soon as practical after the City receives such notification. If the results of confirmation testing are positive, the results will be reported to the City Manager.

If an employee is requested to undergo a blood/alcohol or breathalyzer test, and the test reveals a minimum level of .07, the employee will have failed the test.

It is the intent of this program to test for those agents that are most frequently contained in the drugs of abuse. Therefore, the preceding list of drugs included in the table is subject to continual review and possible modification.

SECTION 5: REHABILITATION AND LAST CHANCE

- A. An employee who fails the tests described above shall, as a condition of continued employment, become involved in a rehabilitation program approved by the City Manager.
- B. An employee must, if able, continue work while in a rehabilitative program if, in the City's opinion, he/she is capable of satisfactory performance and if the employee agrees to be tested for drugs/alcohol according to the rehabilitation program rules. Approval from the City Manager is required.
- C. An employee who must discontinue work while in a rehabilitative program may take an unpaid medical leave of absence. Medical documentation by a physician approved by the City as to diagnosis, dates, and duration of treatment and rehabilitation is required.
- D. Upon satisfactory completion of the rehabilitation by the employee, it will be a condition of re-employment that the employee agrees to be tested for drugs/alcohol at the City's discretion for a reasonable period not to exceed eighteen (18) months.
- E. The employee must remain in the rehabilitation program for an adequate period of time as determined by the program professionals. The employee must provide to the City, at time intervals determined by the City Manager or designee, reports of satisfactory participation in the program. In addition, a report of satisfactory completion of the program at the termination of active treatment is required. These reports should come from the director of the program or other appropriate persons affiliated with the program. The failure to complete the program may result in immediate discharge in the City's discretion.
- F. The employee acknowledges that enrollment in a rehabilitation program is for the purpose of treatment and counseling against the illegal use or possession of controlled substances or alcohol abuse. Any illegal use, sale or possession of illegal drugs or controlled substances or alcohol abuse following treatment or counseling will result in immediate dismissal. All employees must acknowledge that the rehabilitation program is a "last chance" program.

SECTION 6: EMPLOYEES DETERMINED TO BE IN NEED OF REHABILITATIVE ASSISTANCE

- A. An active employee on medical leave who drops out of an approved rehabilitation program against the recommendation of the program director or other appropriate persons affiliated with the program will be immediately terminated and will be ineligible for re-employment.
- B. An employee who (1) refuses to become involved in an approved rehabilitation program, or (2) agrees to become involved in an approved rehabilitation program but fails to start the program within fifteen (15) days, or (3) does not agree to submit to periodic re-examination or testing at the discretion of the City will be terminated.
- C. An employee who has successfully completed a rehabilitation program, or otherwise remains employed or becomes re-employed after having tested positive for the presence of drugs/alcohol, will be terminated if the employee is subsequently found to be under the influence of drugs/alcohol or suffering from the side effects of drugs/alcohol abuse.

NOTICE: Any employee who possesses, sells, attempts to sell, or in any other way distributes illicit narcotics or drugs on City property or during work hours will be discharged. Law enforcement officials will be informed of such conduct.
