1.1 THIS AGREEMENT, entered into this _____ day of _____, between the MIDLAND COUNTY BOARD OF COMMISSIONERS, a Michigan County, and the MIDLAND COUNTY SHERIFF, as joint employers, hereinafter referred to as "Employer," or "County" or "Sheriff", and the **POLICE OFFICERS ASSOCIATION OF MICHIGAN**, hereinafter referred to as "Association".

1.2 The County and the Sheriff each mutually agree to enter into this Agreement with the Association for and in consideration of the mutual promises each respectively made by and with the Association.

1.3 Wherever in this Agreement the term "men" or its related pronoun appears, either as a word or as a part of a word, it is meant in its generic sense and shall include both males and females.

ARTICLE II

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms with respect to rates of pay, wages, hours of employment and other conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the Association, employees and the citizens of the County of Midland, Michigan.

ARTICLE III

RECOGNITION

3.1 Pursuant to and in accordance with Sections 26 and 27 of Act 176 of the Public Acts of 1939, as amended, or Sections 11 and 12 of the Public Acts of 1947, as amended, the County and the Sheriff hereby recognize the **Police Officers Association of Michigan** as the exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other conditions of employment for all **regular full-time and part-time Patrol Deputies, Court Security Deputies, Corrections Deputies, Corrections Shift Leaders, Detectives, Animal Control Officers, Cooks, Records Clerk Typists, Administrative Secretaries, Secretaries, Records Clerks, Records Clerk II, and Kennel Maintenance employees** employed by the Midland County Sheriff's Office and Animal Control Department; but excluding the Sheriff, Undersheriff, Captains, Lieutenants, Chief Jail Administrator, Assistant Jail Administrator, Sergeants, Chief Animal Control Officer, Supervisors, temporary employees, reserve deputies, and all other employees.

3.2 Unless these actions are authorized under state and federal law:

a. The Employer agrees and shall cause its designated agents not to aid, promote or finance any other labor group or organization which purports to engage in collective bargaining or to make any agreement with any such group or organization for the purpose of undermining the Association or otherwise.

b. The Employer further agrees to prohibit any collective bargaining with anyone other than Midland County Sheriff **Office** Employees' Association on behalf of members of this bargaining unit.

ARTICLE IV

REPRESENTATION

4.1 The names of the Association's Bargaining Committee Members and Officers shall be furnished to the Sheriff and the County's Director of Personnel.

4.2 The Association's Bargaining Committee shall be allowed time off with pay during regularly scheduled working hours for negotiations and/or conferences with the County and/or Sheriff, and the investigation and settling of grievances, without any requirement that said time be made up; provided, however, that such time off with pay shall not extend to more than **three (3)** Association Bargaining Committee members per session in the case of negotiations and conferences. One Committee Member or, with the concurrence of the Sheriff, two Committee Members, may participate in the investigation of grievances.

4.3 The President of the Association or his representative may attend meetings of the County's Board of Commissioners while on duty, with the permission of the Sheriff.

ARTICLE V

NONDISCRIMINATION

5.1 The provisions of this Agreement shall be applied fairly and equally to all employees in the bargaining unit without favor or discrimination because of age, sex, marital status, race, color, creed, national origin, religious beliefs, handicap, political affiliation or Association membership.

5.2 The Employer agrees that there shall be no discrimination, interference, restraint or coercion by any of its agents or servants, on behalf of or against any employees because of membership in the Association.

5.3 No supervisor or representative of the Employer shall discriminate against any employee because he has formed, joined or chosen to be represented by the Association or because he has given testimony or taken part in any grievance procedure or other hearings, negotiations or conferences as part of the Association recognized under the terms of this Agreement.

6.3 An employee who has failed to comply with 6.1 above shall be terminated provided the following pre-termination procedure has been adhered to:

a. The Association shall notify the employee by certified mail explaining that he is delinquent in not tendering required membership dues or service fees, specifying the current amount of the delinquency, the period of delinquency and warning the employee that unless delinquent membership dues or service fees are tendered within 30 calendar days of such notice, he shall be reported to the County and Sheriff for dismissal.

b. If the employee fails to comply, the Association shall give a copy of the letter sent to the employee and the following written notice to the Sheriff and the County's Director of Personnel at the end of the 30 day period set forth in paragraph a. above:

The Association certifies that (name of employee) has failed to tender either the Association membership dues or service fees required as a condition of employment under the Collective Bargaining Agreement and demands that, under the terms of said Agreement, his employment be terminated.

The County or any of its officers and employees shall not be liable for any delay in carrying out such deductions, and upon forwarding a check in payment of such deductions by mail to the Association's last known address, the County and its officers and employees shall be released from all liability to the employee and to the Association under such assignments.

6.6 All dues, initiation fees and service fees shall be authorized, levied, and certified in accordance with the constitution and bylaws of the Association. 15.2 Assignments outside the Sheriff's Office shall be with the employee's consent.

ARTICLE XVI

The committee will select a Chairman and Secretary and the attendance of three members at a meeting will constitute a quorum. The committee shall meet upon request of either the Association or the County and Sheriff but in no event more frequently than once a month, except as otherwise agreed by the Association and the County and Sheriff. The minutes of the meeting shall be maintained by the Secretary of the Committee and a copy of the minutes shall be furnished to the County, the Sheriff and the Association within ten days after each meeting. The committee will discuss and recommend safety procedures pertaining to the Midland County Sheriff and Animal Control Departments. Suggestions for additional safety equipment must be given to the Sheriff and County in writing.

16.2 If a vehicle should be determined by the Shift Commander to be defective or unsafe for use during any tour of duty, no employee shall be required to operate such vehicle until the same has been cleared by a mechanic as fit and safety for the road.

ARTICLE XVII

SENIORITY

17.1 The Sheriff agrees that new employees hired into the unit on a full-time basis shall be considered as probationary employees for the first twelve months of their employment. The probationary period may be extended six months by mutual consent of the Sheriff and the employee's immediate supervisor in writing. This written notice has to be given to the employee and to the Association before the twelve months is up. A person who has completed twelve months of continuous service with the **Sheriff's Office** who has not been given a written extension shall be considered to have successfully passed the probation.

17.2 A probationary employee's job performance shall be periodically evaluated in writing by his supervisor. When an employee successfully completes probation, he shall be entered on the seniority list of the department and shall rank for seniority from his last date of hire in the department. There shall be no seniority among probationary employees.

17.3 The Association shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours, and other conditions of employment as set forth in this Agreement. The decision to discipline, discharge, or layoff an probationary employee and the decision as to whether or not an employee successfully completes probation, shall vest exclusively in the Sheriff and/or the County and shall not be subject to review under the grievance and arbitration procedures of this Agreement.

17.4 Seniority shall be on a **office**-wide basis, in accordance with the employee's last date of hire in the department.

17.5 An employee shall lose his seniority and his name shall be removed from the payroll for the following reasons:

a. He quits, retires or is discharged and the discharge is not reversed in the grievance procedure.

b. He is absent for three consecutive working days without notifying his Department Head **or the Sheriff**. (In proper cases, exception shall be made upon the employee's producing convincing proof of his inability to give such notice.) After such absence, the employee's Department Head **or the Sheriff** will send written notification to the employee at his last known address informing him that because of his unexcused absence he has voluntarily quit and is no longer in the employment of the Sheriff and/or County.

c. If he does not notify the Department Head **or the Sheriff** within three working days after receipt of notification to return to work after layoff, as to the date when he will return, which must be within two weeks after the delivery of such notice to his last known address.

d. Failure to return from leave and leaves of absence will be treated the same as (b) above.

e. If he is laid off for a continuous period equivalent to his seniority or three years, whichever is lesser.

17.6 The County's Personnel Department shall prepare and maintain a seniority list for each **office and/or department** which shall include the employee's name, job title, and last date of hire in the **office**.

ARTICLE XVIII

18.2 In the event of a layoff, probationary part-time and temporary employees in the classification and department in which the layoff is to occur shall be laid off first, in any order, provided the remaining seniority employees are qualified and able to perform the available work as scheduled. Thereafter, seniority employees in the classification and department in which the layoff is to occur shall be laid off on the basis of seniority, least senior first, provided the remaining seniority employees are qualified and able to perform the available work as scheduled.

18.3 A seniority employee who is displaced from his own classification may exercise his seniority to displace the least senior employee in an equal or the next lower rated classification within his own department in which he is qualified and able to perform the work of the employee to be displaced.

18.4 **Sheriff's Office employees who transfer out, are promoted, and/or accept a Sheriff appointment to positions excluded from this bargaining unit, shall retain their classification and freeze their classification seniority earned prior to the time of leaving this bargaining unit. In the event of their layoff or demotion from the Command Officers' unit or removal (voluntary or involuntary) from a Sheriff appointed position, said Sheriff's Office employees may exercise their right to return to the classification held prior to leaving this bargaining unit. However, no bargaining unit member shall be displaced by a returning employee to this bargaining unit.**

18.5 Employees to be laid off for an indefinite period of time will receive at least seven calendar days' written notice of layoff. The Association shall receive a list from the County's Director of Personnel of the employees being laid off on the same date the notices are issued to the employees.

18.6 When the work force is increased after a layoff, seniority employees will be recalled in order of seniority by classification and department, most senior first, provided the employee to be recalled is qualified and able to perform the available work as scheduled. Notice of recall may be by telephone, confirmed by certified mail to the employee's last known address, with a copy to the Association. Employees will be granted up to ten working days to return to work, upon request of the employee.
