ARTICLE 1 - RECOGNITION - EMPLOYEES COVERED

Pursuant to and in accordance with all applicable provisions of Act No. 379, of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the sole, exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment during the term of this agreement for those employees of the Employer in a bargaining unit consisting of: ALL supervisors of the Village of Milford Police Department, EXCLUDING anyone with the rank above Lieutenant.

Further, the Village has the sole and exclusive right to exercise all the customary and usual rights, powers, functions, and authority of management. It is recognized that the management of the Village, the control of its properties and the maintenance, or order and efficiency, is solely the responsibility of the Village. The rights and responsibilities belonging to the Village shall include but not be limited to the rights to decide the number and location of its facilities, amount of supervision necessary, machinery and tool equipment, methods, schedules of work, together with the selection, procurement,

It is understood and agreed that none of the foregoing rights and responsibilities will be exercised in a manner which is inconsistent with the provisions of this agreement.

Section 2. It is further recognized that the responsibility of the management of the Village for the selection and directions of the working forces, including the right to hire, suspend, or discharge, for just cause, assign, promote or transfer, to determine the amount of overtime to be worked, to relieve employees from duty because of lack of work or for other legitimate reasons as set forth herein is vested exclusively in the Village.

ARTICLE IV - UNION OBLIGATION AND MEMBERSHIP

Section 1. The employer recognizes and acknowledges that the Union is the exclusive representative in collective bargaining with the Employer of those classifications of employees covered by this agreement.

Section 2. Employees who wish to do so may tender the initiation fee and monthly membership dues, or the monthly service fee, by signing an "Authorization for Check-Off" in the following form:

I hereby authorize you to deduct from my pay:

My initiation fee and monthly union dues in such amounts as shall be certified to you from Time to Time by the Police Officer Labor Council, as the proper amounts for such initiation fee and monthly Union dues under the Union's Constitution and By-Laws:

This authorization shall remain in effect until revoked by me in writing, with a copy of such written revocation furnished to the Union.

Employee's Signature

Section 3. During the life of this agreement, and to the extent the laws of the State of Michigan permit, the Employer agrees to deduct Union membership dues levied in accordance with the Constitution and By-Laws of the Union, or a service fee in the equivalent amount, from the pay of such employee who executes the above "Authorization for Check-Off" form.

Section 4. Check-Off deduction under all properly executed "Authorization for Check-Off" forms shall become effective at the time the signed authorization is delivered to the Village at least seven (7) calendar days prior to the first payday on which a deduction is to be made.

Section 5. The Village will notify the local Union each month of the names of any employees for whom deductions had previously been made but who have ceased active employment in the bargaining unit or have revoked their deduction authorizations.

Section 6. The Union shall indemnify and save the Village harmless against any claims, demands, suits, damages, judgments, and other forms of liability, and any legal or other expenses in connection therewith that may arise by reason of the Village's compliance with the provisions of this article of the agreement.

ARTICLE V - REPRESENTATION

Section 1. The employees shall be represented by a Steward who shall be a regular seniority employee in the bargaining unit. There shall be only one Steward. An alternate may be selected in the absence of the Steward.

Section 2. The Union shall certify in writing the name of the Steward upon election or appointment by the Union.

Section 3. During overtime periods where three (3) or more employees are assigned but in which a Steward is not working, the president of the local, upon notification, shall designate one of the working employees as a temporary Steward. The name of the

temporary Steward will be furnished in writing to the appropriate supervisor.

Section 4. Neither the Union nor its officers, committee, Stewards, or members shall conduct any union activity during the working hours other than the handling of grievances in the manner and to the extent herein provided. The Steward will be required to record or otherwise account for the time spent in processing grievances.

Section 5. The steward will be required to record or otherwise account for the time spent in processing grievances on the daily log and dispatch card.

Section 6. Union officers will be allowed forty hours per year to attend Union seminars on their own time without pay.

ARTICLE VI - GRIEVANCES

Section 1. A grievance under this agreement is a written dispute, claim, or complaint arising under and during the term of this agreement filed by either an authorized representative of, or an employee in, the bargaining unit. Grievances are limited to matters of interpretation or application of express provisions of this agreement. The parties, recognizing that an orderly grievance procedure is necessary agree that each step must be adhered to as set forth herein or the grievance is forfeited.

All grievances must be filed within five (5) working days after occurrence of the circumstances giving rise to the grievance, otherwise the right to file a grievance is forfeited and no grievance shall be deemed to exist. All time limits of the grievance procedure may be shortened or extended by mutual agreement of the parties.

STEP I

The employee and/or his steward shall within five (5) working days after occurrence of the circumstances giving rise to the grievance reduce the matter to written form stating all facts in detail and submit same to the Chief of Police. The Chief of Police shall within five (5) working days record his disposition in detail on all copies of the grievance form, returning two copies to the aggrieved. Preparation of a written grievance will be performed on the employee's own time, not during working hours.

STEP II

Failing to resolve the issues in the first step, the Union shall within five (5) working days of the Department Head's disposition contact the Village Manager to arrange a meeting between the Union and the Village to discuss said grievance. This meeting shall be scheduled at a mutually agreeable time, which shall not exceed however, five (5) working days from the time the Union contacts the parties. If the parties in this step are unable to resolve the grievance, the matter may be submitted to a mediator or arbitration as hereinafter provided for in this agreement.

STEP III

If the grievance is still unsettled, both parties may agree to mediation prior to arbitration in Step IV.

STEP IV

If the grievance is still unsettled and the Union wishes to pursue the grievance further, the Union may submit the grievance to arbitration by mailing a written demand for arbitration to the Detroit Office of the American Arbitration Association and mailing a copy thereof to the Village within thirty (30) work days from the date of the Union's receipt of the Village's final written answer at Step II. The arbitrator shall be selected from a list of qualified arbitrators submitted by the American Arbitration Association, all of whom shall be members in good standing in the National Academy of Arbitrators. The decision of the arbitrator shall be final and binding on the Employer, the Union, and any employees involved. The arbitrator shall not have power to alter, amend, modify, add to, or subtract from, any provisions of this agreement. The fees and expenses of the arbitrator and of the American Arbitration Association shall be shared equally by the Village and the Union. Each party shall bear its own expenses for all other items such as fees or expenses for attorneys or other representatives, witnesses, etc.

- a) After a receipt of a desire to arbitrate, the parties shall attempt to agree on an arbitrator. If the parties are unable to so agree within five (5) working days or within a longer period if mutually agreed upon, each party may submit the matter to the American Arbitration Association, requesting that an arbitrator be selected with assistance and under the rules of the American Arbitration Association.
- b) The parties understand and agree that in making this agreement they have resolved for its term all bargaining issues which were or which could have been made the

subject of discussion. The arbitral forum here established is intended to resolve disputes between the parties only over the interpretation or application of the matters which are specifically covered in this agreement and which are not excluded from arbitration.

- c) The arbitrator shall have no power to add to, or subtract from, or modify any of the terms of this agreement or any supplementary agreement nor to rule on any matter except while this agreement is in full force and effect between the parties.

The arbitrator shall have no power to provide agreements for the powers in those cases where in this agreement they have agreed that further negotiations should occur to cover the matter in dispute.

In the event a case is appealed to an arbitrator and he finds that he has no power to rule on such case, the matter shall be referred back to the parties without decision or recommendation on the merits of the case.

Section 2. Any and all grievances resolved at any step of the grievance procedure as contained in this agreement shall be final and binding on the Village, the Union, and any and all unit employees involved in the particular grievance.

Section 3. Grievances shall be processed from one step to the next within the time limit prescribed in each of the steps. Any grievance upon which a disposition is not made by the Village within the time limits prescribed, or any extension which may be agreed to, may be referred to the next step in the grievance procedure, the time limit to run from the date when time for disposition expired. Any grievance not carried to the next step by the Union within the prescribed time limits or such extension which may be agreed to, shall be automatically closed upon the basis of the last disposition.

Section 4. The Village shall not be required to pay back wages for periods prior to the time a written grievance is filed; provided, that in the case of a pay shortage, of which the employee had not been aware before receiving his pay, any adjustments made shall be retroactive to the beginning of that pay period providing the employee files his grievance within three (3) working days after receipt of such pay.

Section 5. When an employee is given a disciplinary discharge or layoff or a written reprimand and/or a warning which is affixed to his personnel record, the employee, steward, or alternate steward will be promptly notified in writing of the action taken.

Such disciplinary action shall be deemed final and automatically closed unless a written grievance is filed within five (5) working days from the time of presentation of the notice to the steward. Grievances regarding discharge may, with the consent of the parties, be commenced at any stage of the grievance procedure or may, with the consent of the parties, be advanced and processed out of order. In cases of discipline, except oral reprimands, the Police Chief or his designee where possible shall discuss the disciplinary matter with the affected employee or his steward if requested by the employee before implementing disciplinary action.

Section 6. Pursuant to the provisions of Section 4 of this article, all claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned less any unemployment compensation or compensation for personal services that he may have received, or could with diligent effort have received from any source during the period in question.

However, an orientation period of twelve consecutive months shall be served, during which the employee may be discharged without further recourse by the Union. After completion of the required orientation period, a new supervisor shall become a regular employee as of the date of promotion. In the event of a work stoppage or other curtailment, the Union shall immediately instruct the involved employees in writing that their conduct is in violation of the contract and that all such persons shall immediately cease the offending conduct and shall instruct them to immediately return to their normal duties.
