The County may also make rules and regulations in accordance with its statutory authority. The Labor Council reserves the right to question the reasonableness of the rules or regulations through the grievance procedure and through the arbitration procedure hereinafter provided.

#### ARTICLE 4 Grievance Procedure

Section 4.1 (Definition of Grievance) A grievance shall be deemed to exist only whenever there develops a disagreement between the County or the Sheriff and one or more of the employees represented by the Labor Council as to the interpretation, application or alleged violation of specific provisions of this Agreement.

Section 4.2 (Settlement of Grievances) All grievances shall be settled in accordance with the grievance procedure set forth below:

Step 1. Any employee having a grievance shall first take up the matter with his immediate supervisor. If the grievance is not settled during the work day it is discussed at Step 1, it shall be reduced to writing and signed by the grievant within ten (10) work days after discussion with the supervisor. If a grievance relates to a matter affecting several employees in a like manner, it may be signed by one affected employee and by mutual agreement may be moved automatically to Step 2.

Step 2. The written grievance shall be discussed between the grievant and the Sheriff or his designated representative. The grievant's steward shall be present during such meeting. The Sheriff or his designated representative shall give his written decision on the grievance within the next ten (10) work days following this Step 2 discussion.

Step 3. In the event the grievance is not satisfactorily settled in Step 2, either party may request that the grievance be submitted to binding arbitration. Such arbitration shall be conducted in accordance with the provisions of Section 4.3 herein. Notice of such request for arbitration must be indicated on the grievance report form as used by the parties as well as filed in writing with the Sheriff, the Personnel Director and the County Clerk within ten (10) days after the date of the Step 2 answer. If such request for binding arbitration is not made within such ten (10) day period, the grievance will be considered closed on the basis of the Step 2 answer.

Section 4.3 (Arbitration Procedure) In the event that the arbitration provided in Step 3 of the grievance procedure is used, such arbitration shall be conducted in accordance with the procedure set forth below.

Section 4.31 (Selection of Arbitrator) The arbitrator shall be selected in accordance with the following procedure:

(a) The parties may mutually agree upon an arbitrator to hear the grievance provided they do so within ten (10) work days after the filing of request for binding arbitration as stated in step 3 above.

(b) If the parties are unable to mutually agree upon an arbitrator within such ten (10) work day period as stated above, then the party seeking arbitration shall within fifteen (15) work days after filing the request for binding arbitration submit a request to the Federal Mediation and Conciliation Service for a list of arbitrators and the arbitrator

shall be selected in accordance with the rules of the Federal Mediation and Conciliation Service in effect as of the time of such request.

Section 4.32 (Arbitration Proceedings) After selection of the arbitrator, whether by mutual agreement or through the use of the Federal Mediation and Conciliation Service, the arbitration proceedings shall be conducted in accordance with the rules of the Federal Mediation and Conciliation Service relating to the arbitration of grievances.

Section 4.33 (Arbitration Costs) The arbitrator's fees and expenses shall be paid by the party (Labor Council or County) against whom the arbitrator's decision shall be rendered, provided, however, that the arbitrator, in the event there is more than one issue involved or in the event that the decision of the arbitrator is not entirely in favor of one party or against the other party, shall have the right to apportion the expenses of arbitration and they shall be borne accordingly by the Labor Council and the County. The Labor Council and County shall be responsible for their own expenses, if any, in connection with the arbitration proceedings.

Section 4.34 (Power of the Arbitrator) The decision of the arbitrator must be based on an interpretation of one or more of the provisions of this Agreement or any supplement or amendment thereto. The arbitrator shall have no power to add to, take from, modify or alter this Agreement or any supplement or amendment thereto. Any matter submitted to arbitration over which the arbitrator has no power to rule shall be referred back to the parties without decision.

Section 4.35 (Effect of Arbitrators Decision) The arbitrator's decision shall be final and binding on the County, the Sheriff, the Labor Council and any employee or employees involved, and cannot be changed by any individual.

Section 4.4 (Limitation on Grievance Procedure) The entire grievance procedure shall be subject to the following limitations:

Section 4.41 No action on any matter shall be considered the subject of a grievance unless it is reduced to writing and signed by the grievant within ten (10) work days of its occurrence.

Section 4.42 In the event a grievance is not appealed or processed from a decision in any of the steps of the grievance procedure to the next step in the grievance procedure and within the time limits as prescribed in said step, it shall be considered closed on the basis of the last written decision on the grievance. Grievances not answered at Step 2 and beyond within the time limits will be deemed granted.

Section 4.43 The time limits at any level of the grievance procedure may be extended by mutual agreement of the parties set forth in writing.

Section 4.44 Any employee reinstated after discharge or disciplinary layoff shall be returned to the same job classification he held at the time of the discharge or disciplinary layoff and paid the same rate of pay, unless it is otherwise mutually agreed upon.

Section 4.45 No claim for back wages shall exceed the amount of wages the employee would have otherwise earned at his regular rate, less any compensation he may have received from any source whatsoever during the period of time in question with the exception of income an employee has earned from other employment. The employer will not be allowed a set-off of such earned outside income as the employee has received from accepting other employment during the period of time in question. The employer will be allowed a set-off for all other sources of income, including, but not limited to unemployment compensation, etc.

Section 4.46 Special meetings to discuss and possibly dispose of emergency problems or grievances may be held whenever mutually agreed.

Section 4.5 As used in the grievance procedure, "work day" means Monday, Tuesday, Wednesday, Thursday or Friday, but excluding any such day if it is one of the

holidays listed in Article 10, Section 10.1, or if the County Clerk's office is closed for the day due to an act of God.

Section 4.6 (Grievance Settlements) Neither the County, the Sheriff nor the Labor Council, or any of its representatives, can settle a grievance on any basis contrary to the provisions of this Agreement, unless such settlement is reduced to writing and ratified or approved by the employees in the unit and by the Monroe County Board of Commissioners or its designated representative. Any grievance settlement reached contrary to the provisions of this Agreement shall be null and void and shall be returned to the point in the grievance procedure where such improper settlement was made for the purpose of processing the grievance through the grievance procedure in the proper manner.

## ARTICLE 5 Hours of Work

Section 5.1 (Work Period) The normal work week for employees covered by this Agreement shall be eight (8) hours per day unless specific positions listed for ten (10) hours per day. Employees shall be scheduled for an average of forty (40) hours per week over seven (7) days or eighty (80) hours per fourteen (14) day period, for a total of 2,080 hours per year. The Department will operate on a twenty-eight (28) day cycle for scheduling purposes.

Section 5.11 (Schedules) The Sheriff shall have the right to establish the work schedule and to assign personnel as required and necessary to fulfill the duties and obligations of the department. The Sheriff shall publish a schedule of regular work shifts in accordance with Section 5.13 herein. The Sheriff may establish a relief unit to be composed of not more than four (4) corrections officers. Such relief assignments will be selected by the Sheriff from among the most senior qualified employees who volunteer for such assignments. If there are no qualified volunteers, the Sheriff will man the relief unit by choosing the four (4) non-probationary employees with the lowest classification seniority. At no time shall the relief unit or any shift be manned by employees consisting of entirely one gender. If at any time the relief unit or any shift, if determined by strict seniority, would consist of employees of entirely of one gender, then the employee with the lowest seniority will be replaced by an employee of the opposite gender. The replacement employee will be the person of the opposite gender who has the lowest classification seniority and is qualified for the position. The relief unit shall be utilized to fill in on short notice for necessary schedule changes required by absence from duty of scheduled personnel. Schedule changes which cannot be met through use of the relief unit or required by bona fide emergencies may be made by the Sheriff without notice in order to meet conditions existing at any given time.

Section 5.12 Personnel will be permitted to exchange days off, provided such exchanges are on a voluntary basis and do not interfere or conflict with normal operations of the Department, and provided that such exchanges will be permitted only between personnel with similar positions and assignments. All such exchanges shall be subject to the prior approval of the Sheriff or his authorized representative.

Section 5.13 On November 1st of each year the sheriff will post all shift selections covering members of the bargaining unit. All employees shall make application for the shift of their preference prior to the closing of such posting. The Posting will close on November 10th of each year. All employees who fail to make application pursuant to such posting will be assigned a shift by the Sheriff and shall have no ability to contest such assignment. On December 1st of each year, the sheriff shall post the shift assignments which will become effective at the beginning of the first full pay period subsequent to January 1st of each year. The sheriff shall assign all shift selections to the particular shift, be it permanent or rotating, that the employees have requested based upon their

classification seniority, to the extent that it will not unduly hinder the operation, control, effectiveness, and efficiency of the particular involved shift. As stated in Section 5.11, no shift shall consist of employees of entirely one gender. The sheriff shall have the right to insure that at least one (1) employee of each gender is assigned to each shift in accordance with Section 5.11. In the event an employee feels that he/she has been improperly denied a shift request, he/she may file a grievance in accordance with Article 4 of this Agreement. However, the sheriff's determination of shift selections pursuant to the provisions of this section shall not be changed by an arbitrator unless such arbitrator finds that the sheriff's determination was made in an arbitrary, capricious or discriminatory manner, or made for no reason at all. The sheriff shall make every reasonable effort to assign employees to the shift selection of their preference.

Section 5.2 (Employee Attendance) Employees shall be regular in their attendance and observe their scheduled working hours established by the County and the Sheriff. The County may install a time clock system or other time recording device for the purpose of documenting employee attendance. Arrangements for time off must be made with the employee's supervisor in advance and in accordance with the provisions under which time off is to be taken. If, for legitimate reason, an employee is unable to report for work at his scheduled starting time, the Department must be notified prior to the starting time, unless physically impossible. Failure to do so shall result in disciplinary action.

Section 5.3 (Extra Compensation) Employees shall receive time and one half (1 1/2) their regular hourly rate of pay for all time worked in excess of forty (40) hours in any one (1) work week.

Section 5.31 (Payment of Extra Compensation) Employees covered by this Agreement who are entitled to extra compensation under the terms of this Agreement, shall receive such payment as part of the employee's pay received on the first pay day following completion of the work period in which the extra compensation was earned. For the purposes of computing the payment of extra compensation to entitled employees under the terms of this Agreement, such employees will receive credit for all hours rightfully earned, including hours accredited to such employees as the result of valid sick leave, funeral leave, holiday or vacation pay. Likewise, disciplinary action resulting in loss of time will not cause this lost time to be deducted from earned overtime unless it is specifically included in the disciplinary penalty.

Section 5.4 (Change of Shift Structure) In the event the Sheriff determines that the shift structure for employees covered by this Agreement shall be changed to a substantially different structure than existed as of the date of execution of this Agreement, such as a four (4) day/ten (10) hour shift, the Sheriff agrees to meet with representatives of the Labor Council, upon request, for the purpose of discussing and reviewing any problems which may result from such change.

Section 5.41 All employees assigned to Master Control, shall have rotating days off and long weekends. All shift assignments within the Monroe County sheriff's department will be allocated in conformance with Section 5.13.

Section 5.5 (In-Service Training) If any employees covered by this Agreement are required to attend in-service training programs during off-duty hours, they will be paid for the actual time spent in the training program during non-duty hours at their straight-time hourly rate up to a maximum of one hundred twenty (120) hours per calendar year. In the event an employee is required to attend more than one hundred twenty (120) hours of in-service training during off-duty hours, he will be compensated for all non-duty hours actually required in excess of one hundred twenty (120) hours per calendar year at one and one-half (1 1/2) times his hourly rate for the excess hours. All time required by the County or the Sheriff to be spent in in-service training during off-duty hours shall count towards

the payment of extra compensation in accordance with Section 5.3 of this Agreement. The determination of the amount of in-service training time shall be made by the County and the Sheriff.

## ARTICLE 6 Leave of Absence

Section 6.1 (Military Leave) Employees who enter the armed forces of the United States while employed by the Employer shall be given all benefits accorded them by applicable federal law.

Section 6.2 (Labor Council Leave) The Sheriff will grant a leave of absence for a period not to exceed five (5) calendar days in any calendar year to an employee elected by the Labor Council to attend a labor convention or educational conference. A four (4) week advance notice in writing may be required for any such leave. Not more than two (2) employees shall be entitled to a leave under this Section at any one time. Such leave shall be without pay.

Section 6.3 (Funeral Leave) An employee will be granted funeral leave without loss of pay for three (3) scheduled work days, to permit the employee to attend the funeral of any member of his/her immediate family. The employee will not be compensated under this Section if he does not attend the funeral. For the purpose of this Section "immediate family" means: Father, mother, sister, brother, child, spouse, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparents and stepchildren. An employee will be granted one day of funeral leave without loss of pay on the day of the funeral if it is a scheduled work day and the employee attends the funeral of an aunt, uncle, brother-in-law, sister-in-law, or grandchild. The County may require reasonable proof of such attendance.

Section 6.31 In the event a death of a member of an employee's immediate family occurs while the employee is on a scheduled vacation, the employee may terminate such vacation and request funeral leave, in which case he shall then be entitled to funeral leave benefits in accordance with Section 6.3. To the extent that an employee takes funeral leave during a scheduled vacation, the vacation time lost shall be rescheduled at a later date.

Section 6.4 (Maternity Leave) Employees who become pregnant shall be entitled to a maternity leave of absence to be obtained by filing a request therefore with the Sheriff accompanied by a statement from her personal physician indicating the fact of pregnancy and the approximate date of delivery. A maternity leave shall commence when an employee is no longer able to perform her regular duties of her job classification due to such pregnancy and shall terminate when the employee is able to resume her regular job duties following termination of the pregnancy. An employee will furnish as much notice as is reasonably possible of the date the pregnancy leave is to commence and the date of her return to work following termination of the pregnancy. The employee shall present a statement from her personal physician at the conclusion of the maternity leave, stating that her physical condition permits her to return to work upon a full-time basis.

Section 6.5 Employees on approved leaves will accumulate seniority.

Section 6.6 (Personal Leave Days) Effective January 1st of each year, full-time seniority employees shall be entitled to a maximum to three (3) personal leave days during the following twelve (12) month period, with pay to be computed at the employee's then current straight-time hourly rate, exclusive of premium of any sort whatsoever as of the day such personal leave day is taken. Except in cases of emergency precluding notification, an employee will notify the Sheriff at least 72 hours prior to the day the employee wishes to

take as a personal leave day. The Sheriff shall only be obligated to allow one employee per shift off on a personal leave day at any one time. If two or more employees make request for the same personal leave day, the employee whose request was first received by the Sheriff shall be granted the personal leave day. If two or more requests are received by the Sheriff within a 24 hour period, the employee with the most classification seniority will be granted the personal leave day. If an employee is denied a personal leave day request and the employee feels that such request has been improperly denied, the employee, if the grievance procedure as defined in Article 4 of this Agreement would not operate quickly enough to address such concern, may in addition to filing a grievance, immediately make such request in person to the Sheriff or his designee to reconsider such denial. Personal leave days shall not accumulate from one yearly period to another and, if not used during the twelve (12) month period referred to above, shall be cancelled at the end of the calendar year, and thereafter employees shall have no right to take any such unused days and shall have no right for any pay for any such unused days.

## ARTICLE 7 Seniority

Section 7.1 (Definition of Seniority) Employees covered by this Agreement shall have departmental seniority which is defined as an employee's total service with the Sheriff's Department as a full-time regular employee from the employee's last date of hire, and classification seniority, which is defined as an employee's continuous service in a job classification covered by this Agreement from the last date the employee entered that job classification. Departmental seniority shall be used in determining the amount of benefits an employee is entitled to receive in regards to his/her vacation, sick pay, pay schedule, pension and longevity pay benefits, but for no other purpose. Classification seniority shall be used in determining the employee's layoff and recall rights in that job classification, as well as vacation selection, job bidding, and shift selection, but for no other purpose. All rights and privileges accruing to employees on the basis of seniority are as set forth herein. The parties have agreed to the respective seniority dates for all employees covered by this Agreement as of its effective date and the same are as set forth in Section 7.31 herein. Employees who terminate their employment with the Sheriff's Department and who are subsequently rehired shall be treated in all respects as a new hire as of the date of rehire and shall not be entitled to any credit for seniority purposes or benefits of any kind based upon prior service with the County or the Sheriff's Department.

Section 7.2 (Acquiring Seniority) An employee subject to this Agreement who has completed his probationary period as of the effective date of this Agreement shall have his name entered upon the seniority list for his job classification as of his last date of hire. All employees appointed and sworn pursuant to MSA Section 5.866 and MCLA 51.73 shall have a probationary period of one (1) year. All other employees hired on or after December 1, 1978, shall have a probationary period of one (1) year.

Section 7.21 An employee subject to this Agreement who has not completed his probationary period as of the effective date of this Agreement and all new employees hired after the effective date of this Agreement shall be probationary employees without seniority until they have completed the probationary period.

Section 7.22 A probationary employee may be laid off or terminated, without regard to any provisions of this Agreement and without recourse to the grievance procedure. The probationary period of employment for new employees shall remain one (1) year. However, any new employee who is given a disciplinary suspension or discharge may grieve his/her disciplinary suspension or discharge up to and including arbitration, provided, however, the scope of the arbitrator's authority in an arbitration of a disciplinary suspension or discharge of new employee, with more than six (6) months, but

less than one (1) year of employment service, shall be confined and restricted to the following determination: Was the basis of the Sheriff's decision to discipline, suspend, and/or discharge the employee arbitrary, capricious, or done in bad faith or for discriminatory purposes. An arbitrator shall only have the authority to rescind a disciplinary suspension and/or discharge if it is established that the Sheriff's actions were based upon arbitrary, capricious, discriminatory, or bad faith reasons or motives.

Section 7.23 Temporary employees shall not acquire seniority. As used in this Agreement, a temporary employee is:

(a) an employee who is hired for a specified period of time or for a specific purpose, (for example, an employee hired to fill in for an employee on a medical leave of absence); or

(b) an employee who is scheduled to work less than twenty (20) hours in a calendar week.

Section 7.3 (Seniority Lists) The County shall prepare and maintain a seniority list which will indicate the following:

1. The date of hire and total departmental seniority of each employee of the bargaining unit.

2. The classification seniority of each employee of the bargaining unit in each job classification in which the employee has served.

A copy of each such seniority list shall be given to the Labor Council, not later than thirty (30) calendar days after the effective date of this Agreement and every six (6) months thereafter during the term of this Agreement; and unless the Labor Council objects in writing to any listing in such seniority list within ten (10) calendar days of the receipt of such seniority lists, they shall be deemed correct and the County may rely upon such seniority lists for all purposes.

Section 7.4 (Termination of Seniority) An employee shall have his/her seniority rights and his/her employment terminated if:

- (a) he/she quits;
- (b) he/she retires or is retired;
- (c) he/she is discharged for just cause;

Section 7.5 (Layoff and Recall) When it is necessary to make a reduction of the number of employees in a job classification in a department, the following procedure shall be used in making such reduction:

Section 7.51 Temporary employees in the affected job classification shall be laid off first.

Section 7.52 Probationary employees in the affected job classification shall be laid off next, in any order.

Section 7.53 If additional layoff are required, seniority employees shall be laid off in the reverse order of their classification seniority within the affected job classification. Employees who are laid off from their assigned job classification may replace an employee with less departmental seniority in another job classification covered by this Agreement, provided he/she has the ability and training to perform the duties of that classification.

Section 7.54 Recalls from layoff shall be by order of seniority.

Section 7.541 Recalls from layoff shall be made by written notice sent by certified mail to the employee's last address of record. All employees are required to notify the Sheriff of their proper post office address or change of address. The County and the Sheriff shall be entitled to rely upon the address shown upon its record for all purposes.

Section 7.6 (Seniority Exceptions) Exceptions to the foregoing seniority provisions may be made by mutual agreement of the County and the Sheriff and the Labor Council. Such exceptions include the following:

Section 7.61 (Preferred Seniority) Stewards elected pursuant to the terms of this Agreement shall head the seniority list for their job classifications within their departments for the purposes of recall and layoff only during their terms as steward and shall not be laid off in their job classifications or departments while any work is available in their departments which they have the ability to perform. Stewards shall be returned to their regular standing on the seniority lists upon termination of service as such steward.

Section 7.62 (Transfer Out of the Unit) Any employee who is transferred out of this bargaining unit into a classification in Unit 1 or 2 or who is appointed to a sworn position, but who continues as an employee of the Monroe County Sheriff's department, shall retain his or her seniority within the job classification held at the time of such promotion and/or appointment. In the event that he/she vacates that position, he/she may exercise his/her seniority and return to the bargaining unit. This provision shall not apply to voluntary transfers out of the bargaining unit to non-sworn positions within a different bargaining unit.

Section 7.7 (Promotions) When the Sheriff determines that an opening or vacancy exists for promotion to the positions of corrections officer/supervisor or deputy, employees covered by this Agreement shall be eligible for consideration for promotion based upon the following:

All openings for promotion within the Sheriff's department will be posted for a period of fifteen (15) work days. Such posting shall be in conformance with the normal posting procedures.

In order to be considered eligible for promotion to the position of corrections officer/supervisor an employee must have at least three (3) years of service with the Monroe County Sheriff's department as a corrections officer.

All candidates for promotion to the position of deputy are exempt from the testing provisions of Section 7.71 (a) herein. The Sheriff will give first consideration to corrections officers of the bargaining unit when making promotions to the position of deputy.

The Sheriff will evaluate all applicants who respond to such posting in accordance with the point allocation system as outlined in Section 7.71 below. The Sheriff shall promote either of the two (2) employees with the highest point total in accordance with such evaluation.

Section 7.71 All promotion evaluations determined by this section will be based upon a maximum possible point accumulation of 100 points.

(A) Written examination: All applicants for promotions as defined under this section must take a required written examination which will be administered and scored by and impartial outside agency to be selected by the employer. The union has the right to grieve such selection if they feel that the agency selected is not impartial. Each candidates score will be multiplied by 0.6, (60%), to determine his point allocation for promotion evaluation purposes under this section. Written examinations will be given once every two (2) years or as needed in the determination of the Sheriff.

(B) Seniority: All applicants for promotion will receive 1.5 points for every year of departmental seniority they have accumulated as defined in section 7.1 of this agreement, up to a maximum total of twenty (20) points.

(C) Sheriff's subjective evaluation: The Sheriff shall evaluate all candidates for promotion based upon their past job performance, experience, qualifications and education. The Sheriff will assign a point score of from a minimum of zero (0), to a maximum of twenty (20) points based upon his subjective review and evaluation. A score of ten (10) points will be considered a satisfactory evaluation. A score of below ten (10) points will only be given in instances of a review considered by the Sheriff to be below the standard of satisfactory. Any applicant receiving such a below satisfactory review may, by written request to the Sheriff or his designated representative, receive in writing the reasons for such review. Such below satisfactory review evaluations by the Sheriff are subject to the grievance procedure. However, if the grievance is taken to arbitration, the arbitrator shall only have the authority to change the decision of the Sheriff if it is demonstrated that the Sheriff has not reviewed the candidates past job performance, experience, and education in a fair and impartial manner or that the Sheriff's evaluation was arbitrary, capricious, done in bad faith, and/or for discriminatory purposes.

Each candidates total point score will be determined by the total of points earned in sections 7.71(A),(B),and (C) above. Each candidate shall, upon written request of the Sheriff or his designated representative, be entitled to review all scores he/she received under this section. With the exception of review by a candidate of his/her own score, all evaluations under this agreement are to be kept strictly confidential. No candidate will be allowed to review any other candidates evaluation.

All employees promoted under the provisions of this Agreement shall serve a probationary period of six (6) months in their new job classification from the effective date of such promotion. This probationary period may be extended by the Sheriff for an additional period not to exceed three (3) months. The Sheriff may revoke the promotion of such employees who do not in his discretion satisfactorily complete this probationary period, however, such a decision on the part of the Sheriff is subject to an independent arbitrator's review under the provisions of Article 4 as described in this Agreement. The arbitrator must find that the Sheriff had sufficient reason and just cause for such a revocation in order to uphold such a decision. All employees who do not properly complete their probationary periods, or who desire to return to their old job classification following promotion and express such desire in writing to the Sheriff within 6 months of being promoted, shall be returned to the job classification they held before being promoted.

All candidates for promotion may submit a resume to the Sheriff.

Section 7.8 (Temporary Transfer) Employees covered by this Agreement may be temporarily transferred by the Sheriff to fill vacancies in other job classifications both within and without the bargaining unit in order to meet the Sheriff's obligation in connection with the operation of the Sheriff's Department. The employees to be temporarily transferred shall be determined by the Sheriff and they shall not acquire any seniority in the job classification to which they are regularly assigned during the period of temporary transfer. If the period of temporary transfer is less than seven (7) continuous calendar days, the transferred employee shall keep the rate of pay for his regular job classification, but if the temporary transfer is for more than seven (7) continuous calendar

days, the transferred employee shall receive the start rate for the job classification to which he is transferred.

Section 7.9 (Job Bidding) When a job assignment becomes available in any unit serviced by a classification in the bargaining unit the job assignment will be posted for a period of ten (10) calendar days. All eligible employees may sign the posting and those who have bid for the job assignment will be considered by the Sheriff. Selection will be made by the Sheriff based on the respective qualifications, ability and classification seniority of the bidders in that classification, with seniority controlling when the other factors are relatively equal.

Any job assignment put up for bids and for which there are no bidders, or for which the Sheriff determines there are no qualified bidders, will be filled by the Sheriff with the employee who has the least seniority in that classification who is qualified. In the alternative he may fill this assignment by hiring a qualified person for that classification from outside the bargaining unit provided it does not cause the lay off of anyone in the bargaining unit. Any member of the bargaining unit may challenge what he/she considers the improper application and/or interpretation of this procedure through the grievance procedure.

## ARTICLE 8 Vacations

Section 8.1 Each full-time employee who has been employed six (6) qualified calendar months is eligible for five (5) working days vacation. Each full-time employee with at least one (1) year of continuous employment with the Employer shall be entitled to a vacation with pay as follows:

Length of Continuous Service	Earned Vacation Days

From.....145 calendar months to	180 calendar months.....18 days/yr
From.....181 calendar months to	240 calendar months.....20 days/yr
From.....241 calendar months and over.....	.....25 days/yr

Section 8.2 For the purposes of determining the length of continuous service, an employee shall be credited with a full month of service if he works at least fifteen (15) days within the calendar month and is on the Employer's payroll lists for the first and last day of such calendar month. Time lost by an employee by reason of absence without pay or time otherwise not worked or paid for shall not be considered in computing earned credits for vacation, but an employee shall have paid holidays, paid vacation and paid sick leave credited as time worked for the purpose of this Section.

Section 8.3 Employees shall be eligible for vacation benefits as of their anniversary date of hire. The determination of vacation pay benefits shall be determined for each employee as of his anniversary date and such vacation benefits as he may be entitled to receive as of that date shall be taken within the twelve (12) month period following the County's calendar year unless mutually agreed upon by the Sheriff and the Labor Council. Vacations may not be accumulated from one vacation year to another and shall be scheduled as provided in Section 8.4 below.

Section 8.4 Vacation schedules shall be set up by the Sheriff so as to permit the continued operation of the department without interference with the efficiency of such operation. Employees will be given preference according to classification seniority to select available vacation periods. Vacation schedules shall be posted and after selections have been approved, they shall be final except for good cause. No special vacation pay will be made, but checks will be issued as of the normal pay dates as they occur. Vacation pay shall be determined as of the employee's current salary at the time the vacation is earned.

Section 8.5 In the event of an employee's death, voluntary quit, discharge for just cause or his/her termination of seniority and employment for other reasons permitted by this Agreement, any unused vacation pay earned as of his/her anniversary date immediately preceding such termination, but not taken as of the date of termination, will be paid as part of his/her wages.

#### Article 9 Sick Pay Benefits

Section 9.1 All non-probationary employees of the bargaining unit are covered by the County of Monroe's short and long term disability plan. The amount of disability income benefits provided for eligible employees shall be 67% of the employee's gross basic monthly earnings, with a maximum monthly benefit of \$4,000.00 and a minimum monthly benefit of \$100.00. Such gross basic monthly earnings will be calculated based upon the number of regular scheduled hours such employee would otherwise have worked, exclusive of overtime. An employee will be eligible for disability benefits under the provisions of this Article after a waiting period of one (1) day for accidents and seven (7) calendar days for illness. An employee who continues to be disabled may draw disability benefits for up to a maximum of two (2) years. After such two (2) year period, all benefits will cease.

Section 9.2 An employee will not be eligible for disability benefits unless he/she is under the care of a physician who certifies, in writing, that said employee is disabled from performing his/her job responsibilities. Such written certification must be provided to the Personnel Director and must indicate what specific physical or mental limitations or restrictions disable the employee from so performing such responsibilities, and the length of time that such employee is expected to be disabled. The County has the unlimited right, in its sole discretion, to offer "favored work" to any employee so disabled, so long as such "favored work" is within the employee's limitations and restrictions as certified. The County will attempt to offer such "favored work" within the sheriff's department, but reserves the right to make such "favored work" offer in any department within the County. Such "favored work" offer may direct the employee to work any scheduled shift and/or job assignment notwithstanding any other provision of this Agreement. Any employee who refuses such "favored work" offer will not be eligible for disability benefits. Any employee performing such "favored work" will be compensated in accordance with Exhibit "A" of this Agreement.

Section 9.3 The County retains the unlimited right to direct any employee, at any time, as a condition of receiving disability benefits, to an examining physician of its designation. Such examination will be at the County of Monroe's expense. Should such examining physician disagree with the opinion of the employee's treating physician as to the disability of such employee, or the extent of the restrictions or limitations of such employee, the employee will be cited to an independent third physician for examination and evaluation. This physician will be selected by the County's physician and the employee's physician and his/her examination will be at County expense. The opinion of such

physician will be final and binding on the parties herein and all further examinations as may be directed by the County as to said employee will done by such physician.

Section 9.4 All employees of the bargaining unit shall receive six (6) "sick days" annually, to be credited as of January 1st of each year. Such annual "sick days" shall not accumulate from one year to the next, but at the end of each year the employee shall receive payment at his/her regular hourly rate for 50% of all such unused annual "sick days". Employees may utilize such annual sick days only if the employee or someone on his/her behalf notifies the department before he/she is scheduled to report to work on each day that he/she will be absent from work, unless it is physically impossible for such report to be made. The Sheriff may require a physician's certificate showing that the use of such annual sick days was due to actual non-occupational illness or injury and that such illness or injury was disabling to the extent that the employee could not perform his/her regular work duties. The requirement of a physician's certificate for use of such annual sick days shall not apply to absences of one or two days unless such short periods of absence are habitual with the employee. Employees must exhaust their annual "sick days" before receiving disability benefits pursuant to the provisions of this Article. In addition, any employee who has earned and accumulated "sick days" in his/her "sick day bank" under the provisions of previous collective bargaining agreements will keep all such accumulated "sick days" in his/her "bank". Said employee may, as an alternative to receiving disability benefits under the provisions of this Article, utilize such "sick days". At the exhaustion of said employee's "sick bank", he/she may apply for and receive disability benefits under the provisions and limitations of this Article. Documentation of the employee's decision to utilize such "sick day bank" must be provided, in writing, to the Personnel Director, at the time of disability. At the time of the employee's termination of employment or retirement, the employee will receive payment for 50% of all such unused days as accumulated in his/her "sick day bank". Said payment will be calculated at the hourly rate of the employee at the time of his/her termination or retirement.

Section 9.5 Any employee who receives disability benefits pursuant to this Article will continue to accrue seniority as defined in Article 7 of this Agreement for up to a maximum period of one year. At the end of such one (1) year period, if the employee continues to be disabled, he/she shall have his/her seniority frozen and will receive no further employment benefits beyond such one (1) year period with the specific exception of insurance benefits pursuant to Article 13 of this Agreement and sick and accident benefits under this Article. The employee, if he/she continues to be disabled, will be eligible to receive disability benefits pursuant to this Article for up to the maximum period of two (2) years. At the end of such two (2) year period, if the employee is unable to return to and perform his/her regular job responsibilities without limitations or restrictions, said employee will have his/her seniority terminated and receive no further employment benefits pursuant to this Agreement.

If the County so directs, any employee receiving disability benefits pursuant to this Article may be required to apply for other income benefits for which he/she may be eligible. The County of Monroe's obligation to provide disability benefits pursuant to this Article shall be subject to reduction by any of the following other income benefits for which the employee may receive:

- 1) Social Security disability benefits.
- 2) Workman's Compensation benefits.
- 3) Pension benefits.
- 4) Disability benefits under any "no fault" automobile reparation insurance law.

Documentation of such application for, denial and/or receipt of, such benefits must be promptly provided to the Personnel Director.

**Section 9.6** In the event that an employee receives benefits pursuant to the provisions of this Article, and it is determined that said employee was not ill or disabled or has in any way misused such benefits and/or falsified his/her condition, said employee will be subject to disciplinary action up to and including discharge. No employee shall engage in any gainful employment whatsoever while they are receiving disability benefits pursuant to the provisions of this Article unless they have obtained the prior written approval of the Personnel Director. Any employee who has improperly received benefits pursuant to the provisions of this Article must, in addition to any discipline that may be imposed, reimburse the County for the amount of such benefits as improperly received.

**Section 9.7** No employee will be returned to employment, with the exception of "favored work" as defined in Section 9.2 herein, after the receipt of disability benefits pursuant to this Article, unless he/she has provided a physician's certification that he/she is capable of resuming his/her job responsibilities without limitations or restrictions. Such physician's certification must be presented, in writing, to the Personnel Director.

The sheriff will fill the holiday work assignments by choosing from the employees who sign such posting in accordance with the employees classification seniority. All such discipline will only be imposed for just cause and is subject to the provisions of Article 4 of this Agreement. When discipline is imposed upon an employee, he/she will be given a written statement by the Sheriff or his designated representative setting forth the extent of the imposed discipline, and the reasons why such discipline is being imposed, including the policy, rule or regulation or provision of this Agreement the employee has violated. Any employee who is discharged from his/her employment with the Monroe County Communications Center may immediately file a grievance starting at step 3 of Section 4.2 of Article 4 herein. The parties agree to do everything possible to expedite the processing and arbitration of such grievances involving the discharge of an employee.

Section 12.2 In imposing disciplinary action, the Sheriff will not consider previous disciplinary action or record of previous violation of Communications Center rules and regulations which occurred more than two (2) years prior to the incident for which disciplinary action is to be taken. While the Employer need not destroy and/or remove evidence of prior disciplinary action from the employees' personnel record after a period of two (2) years, the Employer shall not and will not be able to rely upon those prior actions in imposing discipline upon an employee for a current incident or matter. The parties hereby agree that counseling notices may be placed and remain in an employee's personnel file, but will not be considered the imposition of discipline. **Longevity Pay Plan**

The County agrees to make longevity payments for continuous service with the County to all employees covered by this Agreement who meet each of the following eligibility requirements:

(a) Longevity pay adjustments are to be based upon continuous service with the County determined as of December 1, of each calendar year;

(b) Employees with less than five (5) years of continuous service with the County as of December 1 of any calendar year shall receive no longevity pay;

(c) Employees covered by this Agreement with five (5) or more years of continuous service with the County as of December 1, of any calendar year shall receive longevity pay of \$125.00, plus and additional sum of \$25.00 for each additional year of continuous service in excess of five (5) years;

(d) Employees shall not be entitled to any longevity pay of their employment or seniority with the County is terminated for any reason prior to December 1 of any calendar year;

(e) If an employee does not receive compensation for at least one thousand (1,000) hours during the twelve (12) month period immediately preceding December 1 of each calendar year, no longevity pay shall be due for that calendar year;

(f) Any employee whose salary is paid by the United States of America or any of its agencies, the State of Michigan or any of its agencies and/or is supplemented by the County, is not entitled to longevity pay.

(g) The County desires to eliminate the concept of longevity pay. As such, through negotiations, the parties herein agree that all employees who enter the bargaining unit after December 12, 1989 shall not be eligible for longevity payments in any amount whatsoever. All employees who are members of the bargaining unit as of December 12, 1989, will receive longevity benefits as defined in (a) through (f) above.

EXHIBIT C  
DUTY DISABILITY PAYMENT PLAN

Duty disability payments under this plan to eligible employees shall be made as follows to the eligible employees defined as deputy and corrections officers.

1. If an eligible employee is unable to perform his/her regular duties as a result of a duty accident or illness resulting in duty disability pay he/she will be required to perform such other Departmental duties or County work outside the Department as he/she is capable of performing within such reasonable medical restrictions as may be determined in light of the nature of his/her disability. In the first instance, the treating physician shall determine any such restrictions on work activities but the County may, at its expense, have the officer examined by a physician of its choosing for the purpose of determining whether the officer can perform any duties with the Department and if so, what restrictions are applicable. In the event there is a disagreement between the treating physician and the County's physician as to whether the officer may perform any duties for the Department or the restrictions under which he/she is to perform such duties, it shall be resolved by an independent third party physician elected by the treating physician and the County's physician, and such independent third physician decision shall be binding upon the officer, the Labor Council and the County. Duties assigned to an officer, pursuant to this provision, may be different than those duties to which the officer would normally be assigned.

2. In the event an eligible employee is required to perform within the Department outside of his/her classification or outside of the Department for the County of Monroe, the eligible employee shall be paid at his/her regular and normal rate of pay, including any wage and salary increase he/she and his/her regular classification would have received in the interim while performing in the position he/she was assigned.

It is understood that the Sheriff's Department would make every effort to place an eligible employee in a position within the Department before the employee would be assigned to work for Monroe County outside of the Sheriff's Department.

3. In the event of complete disability, such that the employee cannot continue to perform any departmental duties, he shall be entitled to disability benefits computed as follows:

(a) The disabled employee's net pay after all applicable deductions shall be determined on a weekly basis based upon his rate of pay, income tax status and deduction status as of the last full pay period ending prior to the date of disability and computed upon the assumption that the employee worked eighty (80) hours during such pay period. Utilizing this information, the Employer shall determine the disabled employee's net take-home weekly wage which would be the amount the officer would have received for such pay period if he had not been injured.

(b) From the disabled employee's net weekly take-home wage, there shall be deducted weekly worker's disability compensation benefits to which such employee is entitled under the worker's disability compensation laws of the State of Michigan, and the County will pay the difference between such weekly worker's disability compensation benefits and the disabled employee's net weekly take-home pay, as computed above.

(c) In the event an employee remains completely disabled within the meaning of this Exhibit C for the period of one (1) year, such employee shall promptly make application for social security disability benefits and shall furnish proof to the Employer of such application and shall keep the Employer informed at all times as to the status of such claim. In the event the disabled employee is awarded social security disability benefits, the County's liability for duty disability payments under this duty disability plan shall be the difference between the sum of weekly worker's disability

compensation benefits received by the disabled employee and social security disability benefits, computed upon a weekly basis at the rate of four and one-third (4 1/3) weeks per month, and the disabled employee's net weekly take-home pay as computed above. In no case will the weekly take-home pay be less than what the officer would have received based on a 2080-hour work year.

4. All of the foregoing are subject to further limitation of the County's responsibility for duty disability payments under this Agreement. This responsibility shall be limited to a period of time which is the lesser of:

(a) The date the officer returns to full duty and is taken off of duty disability.

(b) The date the officer is placed on restricted duty and is paid the amount to equal the officer's regular pay.

(c) The date the officer attains the age of sixty-two (62) years and retires.

(d) The date the officer reached two (2) consecutive years of absence from work due to the duty disability.

5. In the event of "c" or "d", the County will be responsible for the difference between the net pay of the officer, had he/she been able to return to full duty, and the combined amount of worker's disability, pension and social security payments. In the event Social Security, pension and/or worker's disability compensation would, for some reason, become unable to furnish payment, the County would be liable and pay the entire amount. As the salary schedule increases, it will also increase for the officer on Social Security and Disability Retirement. This supplement shall cease as of the date the officer attains normal retirement age under the County retirement plan.

6. While on duty disability payments pursuant to this Exhibit, an officer shall receive benefits or benefit accrual as follows:

(a) Seniority: An officer on duty disability hereunder shall accumulate seniority pursuant to Article 7 while on duty disability, for a maximum of two (2) consecutive years.

(b) Vacation: An officer going on duty disability hereunder shall be entitled to receive the vacation accrued to the officer as of the date of injury or illness, to be paid to the officer at the time of the officer's choosing during the balance of the anniversary year in which the injury or illness occurs. In the event an officer is on duty disability hereunder for one year or more, the officer shall not accrue any additional vacation benefits during such absence, but instead will be compensated for 2,080 hours for that year. If the officer is on duty disability hereunder for less than one year, the officer shall accrue vacation benefits during the period of absence due to duty disability as if he were on duty. In the event an officer is on duty disability for more than one year, but less than two years the officer shall receive no vacation benefits for the first year as provided above, but upon returning to duty during the second year shall be credited with the pro rata vacation which the officer would have earned as of the date of return to duty from the last prior anniversary date of hire, as if he had been on duty, provided the officer works at least ninety (90) calendar days after returning to duty. In the event an officer is on duty disability for two full years, he shall be entitled to 2,080 hours of duty disability pay hereunder, and shall not accrue any vacation benefits after such two-year period.

(c) Officers on duty disability who return to duty within a two year period, from the date of illness or injury, shall be entitled to have vacation credited hereunder on the basis of any step increase in vacation benefits which may occur during such period of absence.

(d) Holidays: Officers on duty disability hereunder shall receive no holiday pay for holidays occurring during the period of time the officer receives duty disability pay hereunder.

(e) Longevity Pay: An officer on duty disability shall be credited for all time on duty disability for purposes of longevity pay as if he had been on duty for a maximum of two consecutive years.

(f) Medical, Hospital, and Life Insurance: The County will continue the medical, hospital, and life insurance plans for an officer on duty disability for a maximum of two (2) consecutive years of absence due to duty disability hereunder, the County will make such coverage available to the officer at group rates at the officers expense; or, if the officer retires or is retired at the end of such two (2) year period, the County will provide at its expense the retiree insurance benefit in effect for retirees at the time of such retirement.

(g) Pension: An officer on duty disability shall be credited for all time on duty disability for pension credit purposes and shall be subject to deduction from duty disability pay for pension contribution, if any.

7. Duty Disability checks will be paid on the regular pay day.

Letter of Understanding

The County of Monroe, hereinafter referred to as "employer" and the Labor Council, Michigan Fraternal Order of Police, hereinafter referred to as "union" hereby agree to the following:

1. The employer and the union have entered into a collective bargaining agreement that defines their relative employer - employee relationship, to which this Letter of Understanding is attached.

2. In the negotiations that led to such collective bargaining agreement, an issue was discussed by the parties concerning the tax consequences of monies contributed into the retirement system by the employees of the union.

3. While the parties believe that such monies as contributed into the retirement system by the employees of the union are not subject to income tax obligations when they are withdrawn by such employees, there is a question as to the actual legal status of such monies. (The parties believe that such monies are taxed when they are earned and thus only the interest or other profit made on such investments would be subject to tax at the time of withdrawal.)

4. The parties hereby agree to fully cooperate with each other and with the Monroe County Pension Board of Trustees to take any actions as legally permitted to assure that the tax consequences of such employee contributions at the time of withdrawal are minimized to the full extent of the law. The parties further agree that any actions as required by the County of Monroe or the Monroe County Board of Trustees shall not result in additional costs to the employer or to the Monroe County Retirement System.

Letter of Understanding

The parties to this letter of understanding, the County of Monroe, the Monroe County Sheriff and the Labor Council, Michigan Fraternal Order of Police, have negotiated a collective bargaining agreement which defines their relative employer - employee relationship, to which this Letter of Understanding is attached. Pursuant to such collective bargaining agreement, the employer provides certain health, optical and dental care benefits to employees of the bargaining unit. The parties hereby agree to the following concerning such benefits:

1. Any employee who can secure such benefits from another source and desires to withdraw from the County of Monroe's benefit plan may submit a request to so withdraw, in writing, to the County Administrator.
2. The County Administrator will review all such written requests as received and respond to such in writing, within 15 calendar days of receipt of such request. The County Administrator will indicate the approval or denial of the request, and such decision will be made in his sole discretion.
3. If the County Administrator approves an employee's request to withdraw from the County's plan, such approval will indicate the effective date that the County will no longer provide such benefits to such employee. This date will be binding on all parties.
4. An employee who has withdrawn from the County of Monroe's plan subject to the provisions of this Letter of Understanding, will receive a cash payment of \$1,000.00, per year, payable in the last pay period of each calendar year. Any employee who has withdrawn from the County's plan for a portion of such calendar year will receive a pro-rated amount of such \$1,000.00 payment.
5. An employee who has withdrawn from the County of Monroe's plan may apply to be reinstated back into the County's plan, provided he/she demonstrates that he/she can no longer receive such benefits from another source. All such applications for reinstatement shall be made, in writing, to the County Administrator. The County Administrator will respond to such requests within 15 calendar days of receipt of the request. Such response will indicate the effective date that the employee is once again covered under the County of Monroe's health, optical and dental care plan, and the County shall have no obligation whatsoever prior to such effective date as stated in the County Administrator's response.
6. All Parties to this Letter of Understanding hereby agree that the terms and conditions as defined herein are at all times subject to the Master Policies between the County and its insurance carriers. The County agrees to notify the Union of any changes in such Master Policies.
