ARTICLE II

Section 2.1 The employer recognizes the Union as the exclusive bargaining agent as provided by PERA ACT 336 of the Public Acts of 1947, as amended, with respect to wages, hours and other conditions of employment for the following employees:

All regular full-time and all part-time employees employed by the Employer in the classifications of Buildings and Grounds Maintenance Worker, Mechanic's Helper, Mechanic, Equipment Operator I, Equipment Operator II, Utility Worker I, Utility Worker II and Street Maintenance and Utility Worker. (b) Seasonal employees shall not be considered to be part-time employees, as defined in Article XVII, and shall perform programs such as leaf pick up for a short period of time. Notification of such personnel will be given to the Union.

ARTICLE III

MANAGEMENT RIGHTS

Section 3.1 The Union recognizes the sole and exclusive prerogative of the City to operate and manage its affairs in all respects in accordance with its public trust and interest, and the laws of the United States, the State of Michigan and its charter, and further recognizes that the powers and authority which the City has not officially and specifically abridged, delegated or modified by this Agreement are retained by the City.

Section 3.2 The Union agrees that the Employer reserves all of its customary rights to manage and without limiting such rights, shall have the exclusive right to:

- (a) Determine the number and location of its departments, services and the activities to be performed.
- (b) Determine all methods of operation and to introduce new or improved working methods.
- (c) Introduce new equipment, machinery, processes or services; or eliminate existing equipment, machinery, processes, services and institute technological changes, decide on the nature of materials, supplies, equipment, tools or machinery to be bought, made or used, providing that if the elimination of equipment, machinery, processes or services causes the layoff of employees, the Employer shall discuss the effect thereof with the Union.
- (d) Determine the organization of management and the selection of employees for promotion to supervisory and other

management functions.

Section 3.3 The Union further agrees that, except as expressly restricted by this Agreement, the Employer retains the right to manage its operations and to direct the working forces of the Employer, including, but not limited to, the right to:

(d) Direct generally the work of the employees, subject to the terms and conditions of this Agreement, including the right to hire, to discharge, to suspend or otherwise discipline employees for just cause, to promote employees or transfer them, to assign them to particular jobs or shifts, to determine the amount of work needed and to lay employees off for lack of work or for other proper or legitimate reason, and to

determine standards and the quality and quantity of work to be produced, and to make such time or cost studies as it shall require in connection therewith.

ARTICLE IV

UNION SECURITY AND DUES COLLECTION

Section 4.1 (a) All full-time employees shall commence paying to the Union membership dues or a labor service fee not later than thirty (30) days following the effective date of this Agreement or the beginning of employment, whichever is later, and which is equivalent to the amount of dues uniformly required of its members and shall, as a condition of continued employment, continue to do so for the term of the Agreement.

(b) All part-time employees, existing and future, not later than thirty (30) days following the effective date of this Agreement, or the beginning of employment, whichever is later, shall pay to the Union dues uniformly required of its members for any month in which the part-time employee works twenty (20) hours or more in any week.

Section 4.2 Effective upon the execution of this Agreement, the Employer agrees to deduct from the wages of any employee all Union membership dues or labor service charge uniformly required; provided, however, that the Union presents to the Employer written authorization properly executed by each employee allowing such deductions and payments to the Union.

Dues or labor service charge will be authorized, levied

and certified in accordance with the Constitution and Bylaws of the Union. Each employee Union member hereby authorizes the Union and the City without recourse to rely upon and to honor certificates by the Secretary-Treasurer of the Local Union, regarding the amounts to be deducted and the legality of the adopting action specifying such amounts of the union dues. The Employer agrees, during the period of this Agreement, to provide this checkoff service without charge to the Union.

Section 4.3 There shall be no collection of such dues, special assessments, initiation fees or service charges at any time during an employee's working hours on the Employer's premises or in Employer vehicles.

Section 4.4 The Union shall indemnify and save the Employer harmless against any and all claims, demands, lawsuits or other forms of liability that may arise out of or by reason of action taken by the employee in making such deductions.

Any dispute which may arise as to whether or not an employee has paid the amounts provided above or has signed or revoked such authorization form may be processed as a grievance pursuant to Article VI.

Section 4.5 Any employee whose employment is terminated, or any employee who is transferred to a classification not in the

bargaining unit, or any employee whose seniority is broken by death, quit, discharge, layoff or any other grounds for loss of seniority provided for in this Agreement, shall cease to be subject to the checkoff deductions beginning in the month immediately following the month in which such termination or transfer occurred or seniority was thus broken.

The City will deduct from the employee's final paycheck the dues and initiation fee owed by the employee according to information given to the City by the Union.

Section 5.2 In the interest of prompt attention to grievance handling, one (1) steward who is most readily available as reported to the supervisor shall investigate grievances in the following manner:

The Steward will attempt to establish an acceptable time in which to investigate the grievance with the approval of his immediate supervisor, which time will be not later than the end of the next workday. He shall notify his immediate supervisor of the nature of the matter under investigation and the approximate time needed away from the job. In his discretion, the supervisor may authorize reasonable time for the Steward to handle any grievance during working hours.

Section 5.3 Any individual employee at any time may present grievances to the Employer and have the grievances adjusted without intervention of the bargaining representative, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Steward has been given opportunity to be present at such adjustment.

Section 5.4 The names of the Stewards and Alternate shall be given in writing to the Employer. He shall, on arrival, announce himself to the Employer and state the nature of his business. Nothing in this contract shall be construed to permit the Union to hold membership meetings on the Employer's premises without the express consent of the Employer.

Section 5.6 In addition to the above Steward, bargaining unit employees may be represented by one (1) Chief Steward, who will serve in Special Conferences and will handle grievances at Step 3. The Chief Steward will conduct grievance handling under the same provisions applying to Stewards. In cases involving grievances that cannot be settled expeditiously, the Chief Steward may participate in these disputes.

ARTICLE VI

GRIEVANCE PROCEDURE

Section 6.1 A grievance is defined as an alleged violation of a specific Article or Section of this Agreement. If any such grievance arises, it shall be subject to the following grievance procedure.

(a) All grievances shall be initially processed to the Supervisor under Step 1 within five (5) days of the occurrence giving rise thereto, except if the grievance involves a paycheck error, it may be processed within five (5) days after delivery of check. Failure to do so will relieve the Employer from any

further obligation on the grievance. Grievances shall be submitted on forms furnished by the Employer and the first meeting between the employee and Employer Representative shall be documented.

Step 1

The aggrieved employee shall take the matter up with the immediate Supervisor. The grievant may request the presence of his Steward at that time and in that event, the Supervisor shall send for such Steward without undue delay and without further discussion or arrange a mutually satisfactory time for discussion. The Supervisor shall give an oral answer to the grievant within the three (3) working days following such discussion.

Step 2

If the matter is not settled at Step 1, the aggrieved employee may submit within the five (5) working days following the oral answer a written and signed statement of grievance to his Division Head or his designee. The statement of grievance shall be signed by the grievant; shall state the facts giving rise to the grievance; shall identify all the provisions of this Agreement alleged to be violated; shall state the contention of the grievant with respect to the relief requested. Within ten (10) working days following the time of receipt of the statement of the grievance by the Division Head or his designee, he shall, with concurrence of the Public Works Director, submit a written answer to the grievant upon the grievance form or attached there-

to with a copy for the Steward. If the matter is settled at Step 2, the grievant shall sign the grievance stating that result.

Step 3

If the matter is not settled at Step 2, the aggrieved employee may appeal by delivering a copy of the grievance to the Department Head within ten (10) working days following the time of the receipt of the answer from the Division Head. The Department Head and the grievant shall meet within ten (10) calendar days of the Department Head's receipt of the appeal. The Chief Steward shall be afforded an opportunity to attend the meeting. The Department Head shall submit a written disposition of the matter within five (5) working days of the conclusion of the meeting. If the matter is settled at Step 3, the grievant shall sign the grievance, stating that result.

Step 4

If the matter is not settled at Step 3, the aggrieved employee may appeal by delivering a copy of the grievance to the Personnel Director within ten (10) working days following the time of the receipt of the answer from the Department Head. The Personnel Director and the grievant shall meet within ten (10) calendar days of the Personnel Director's receipt of the appeal. The Chief Steward shall be afforded an opportunity to attend the meeting. The Personnel Director shall submit a written disposition of the matter within five (5) working days of the conclusion of the meeting. If the matter is settled at Step 4, the grievant shall sign the grievance, stating that result.

Step 5

If the matter is not settled at Step 4, the grievance may be appealed by delivering a copy of the grievance to the City Administrator within ten (10) working days following the time of the receipt of the answer from the Personnel Director. The City Administrator and the employee shall meet within ten (10) working days of the City Administrator's receipt of the appeal. Either party may have a representative at this meeting. The City Administrator shall submit a written disposition of the matter within ten (10) working days of the conclusion of the meeting. If the matter is settled at Step 5, the grievant shall sign stating that result.

Step 6

In the event the answer of the City Administrator is not satisfactory to the Union, then within forty-five (45) calendar days following the date of receipt of the last answer the Union only, and not an individual employee, may file a demand for arbitration with the City Administrator, all pursuant to the following rules and conditions:

(a) The decision of the arbitrator shall be final and binding.

(b) Upon receiving a list of arbitrators from the Federal Mediation & Conciliation Service, the parties shall attempt to agree upon an arbitrator. If no agreement can be reached, he shall be selected by the parties alternately striking a name from the list. The parties shall be bound by the rules of

the Federal Mediation & Conciliation Service.

(c) Only one grievance shall be heard by an arbitrator at any one appointment.

(d) The costs and expenses of the arbitrator shall be shared equally by the parties.

(e) Any grievance not taken to arbitration within the above-stated time limits shall be deemed settled based upon the Employer's last answer.

(f) The arbitrator shall have authority to decide matters involving the interpretation and application of this Agreement, and shall have no authority to add to, subtract from, modify, change, alter or amend the terms and conditions of the Agreement, or any agreements made supplemental hereto, or any authority to hear or determine any dispute involving wage rate(s), or job classifications.

Section 6.2 Time Limits. The time limits may be extended by mutual agreement between the Employer and the Chief Steward or the Union in writing. Then the new date shall prevail.

(a) Any grievance not answered within the time limits by the Employer shall be deemed automatically appealed to the next step.

(b) Any grievance not appealed by the grievant or his representative within the time limits shall be deemed settled on the basis of the Employer's last answer.

Saturdays, Sundays and holidays shall not be included as "calendar days" in this Article.

Each party shall have written copies of all grievances, answers and settlements.

ARTICLE VII

NO STRIKES OR LOCKOUTS

Section 7.1 The Union, its officers and its members, individually and collectively, agree that during the life of this Agreement, neither it nor they, nor any employees, will cause, permit, or take part in, any sit-down, stay-in, or slow-down, or any curtailment of work, or restriction of production, or interference with the Employer's operations. The Union, its officers and its members will not cause, or permit its members to cause, nor will any member of the Union take part in any strike or stoppage of any of the Employer's operations, or picket the Employer's premises or interfere with the peaceful operation of the business of the Employer with respect to any dispute.

Section 7.2 The Employer reserves the right to invoke disciplinary action up to and including discharge against any employee taking part in any violation of paragraph 1 above, subject to the grievance procedure.

Section 7.3 So long as the Union and its officers and members are not in violation of Section 7.1 of this Article, the Employer will not cause or sanction a lock-out of any of its employees.

Section 7.4 This Article is in no way intended to diminish or be in lieu of any statutory prohibition on strikes.

If the vacancy is for the position of Mechanic, Equipment Operator II or Utility Worker II, the trial period shall be up to six (6) months, during which period the employee will be oriented to the job.

The employee's seniority date shall be used to compute his eligibility for vacation with pay.

Section 15.2 All vacation with pay shall be approved in advance by the department head. If two or more employees request the same vacation period, the employee with the greatest seniority shall be granted the vacation period. If the Employer cancels a previously-approved vacation, the Employer will either reschedule the vacation at a later time, as proposed by the employee, or pay the employee the straight-time wages for the cancelled vacation. If the latter occurs, the Employer shall cancel the number of days paid from the employee's accumulation.

Section 15.3 Vacation with pay, subject to the approval of the department head, may be taken in increments of one-half (1/2) day (4 hours) and greater.

Section 15.4 The Employer shall, on or about each January 1, and July 1, furnish each employee with a statement of his accrued, but unused, vacation days. Up to ten (10) days accrued but unused vacation days may, upon approval of both the department head and the City Administrator, be carried over to the six (6) month period following the date of the statement.

Section 15.5 Employees shall accrue vacation benefits

during the probationary period, but shall not be eligible for vacation with pay until completion of six (6) months of continuous service.

Section 15.6 Employees who voluntarily quit and give the Employer at least two (2) weeks' advance written notice, shall be entitled to payment for accrued but unused vacation days.

Section 15.7 When a paid holiday occurs during an employee's vacation, the employee, provided he qualifies for holiday pay, shall receive an additional day of vacation.

Section 15.8 Upon request, an employee who will be absent for the week of a normal payday may receive his paycheck in advance.

Section 15.9 If an employee becomes ill while on vacation, he shall notify the Employer of such illness. The Employer shall, if it determined circumstances so warrant, place the employee on sick leave.

Section 15.10 Each full-time employee may use four (4) personal days per fiscal year on regular workdays for any purpose. Use of the days must be approved in advance by the Department Head. If the personal days are not used before the end of the fiscal year, they will be lost and no compensation will be given to the employee.

Section 15.11 Notwithstanding Section 15.10 above, new hires shall be provided personal days on a prorata basis based on the time of the fiscal year the employee is hired (i.e. one (1) personal day per calendar quarter). Employees shall not be

allowed to take personal days during their probationary period. If an employee is hired after January 1, he may carry over personal days to the next fiscal year.

ARTICLE XVI

INSURANCE

Section 16.1 Hospitalization Insurance. The Employer shall continue for the duration of this Agreement, for full-time employees only, the group hospitalization plan in effect on the effective day of this Agreement. The Employer shall pay the single subscriber premium. For full-time employees who elect dependent coverage, the Employer shall pay one hundred percent (100%) of the additional premium attributable to the dependent coverage.

Effective October 1, 1988, any HMO premium cost in excess of the hospitalization premium cost will be paid for by the employee through payroll deduction, if the employee elects to have or continue the HMO coverage.

Section 16.2 The Employer shall continue for the duration of this Agreement, for full-time employees only, the existing disability insurance and life insurance programs with full premium paid by the Employer.

Section 16.3 The Employer's liability with respect to any insurance benefits shall be limited to the payment of the applicable premium for the insurance coverage specified and upon such payment, all obligations of the Employer under this Section

shall be fully satisfied. Under no circumstances shall this Agreement be construed to impose upon the Employer the responsibility of insurer.

Section 16.4 The Employer reserves the right at any time to change insurance carriers, or the method of funding, provided such change does not reduce the level of benefits. Changes to the policy may be made after mutual discussions on the policy are held between the City and Union representatives and changes are agreed upon.

Section 16.5 All insurance coverage shall terminate on the date of termination of employment, except if an employee is on leave of absence, it shall terminate on the first day of the month following the month of leave of absence.

Section 16.6 If an employee is laid off and works part-time hours, hospitalization and life insurance coverage shall be continued for three (3) months, beginning the first day of the month following the layoff.

Section 16.7 Effective July 1, 1990, a \$3.00 co-pay prescription drug rider shall be added to the standard group hospitalization plan referred to in Section 16.1.

Section 16.8 The Employer shall provide a dental plan for eligible employees in the bargaining unit, at a cost not to exceed fifteen (15¢) cents per hour over the rate charged to the Employer as of July 1, 1994.

Section 16.9 Any full-time employee who retires under MERS on or after July 1, 1989 shall be eligible for hospitalization

insurance coverage for employees only. An eligible employee wishing to have dependent coverage must pay the full premium cost for such coverage.

Effective July 1, 1993, employees who retire under MERS and their spouses shall be eligible for hospitalization insurance coverage equal to that of a full-time employee, at the expense of the Employer until such time as the employee and/or spouse qualifies for Medicare coverage. At that time the coverage provided must shift to a Medicare supplemental program providing equal fill. Retiring employees and dependents wishing to retain the HMO Optional Coverage until Medicare may do so, subject to the provisions of Section 16.1 and HMO availability.

Employees retiring between July 1, 1991, and July 1, 1993, must pay the full premium cost for coverage of their spouse until July 1, 1993, if they wish to receive coverage for that period and to qualify for City paid coverage after July 1, 1993.

Effective July 1, 1997, employees who retire after July 1, 1997 may continue dental and optical insurance coverage equal to that of a full-time employee (including eligible dependents, if elected), at the expense of the employee, until age 65, subject to availability by the insurance carrier. Retired employees shall, in a timely manner, deposit with the Employer's finance director (or the finance director's designee) such monies as are necessary to cover the retiree's portion of the cost of such insurance. The retired employee's failure to do so shall terminate the retired employee's (and any dependent's) further

participation in the program.

Section 16.10 The Employer shall continue to provide the existing vision care plan for all full-time employees and dependents.

Section 16.11 Effective July 1, 1995, the City shall provide life insurance coverage to full-time employees in the amount of \$25,000.

ARTICLE XVII

SENIORITY

Section 17.1 Seniority is defined as the employee's continuous length of service from the last date of hire into the bargaining unit, and shall be applied as specifically set forth in other provisions of this Agreement.

In the event that two or more employees have the same date of hire, their order of seniority shall be determined alphabetically by last name.

(a) Employees shall be divided into two separate lists, which shall initially be fixed and agreed upon by the parties as of the date of this Agreement, and the lists shall be on a seniority basis. The separate lists shall contain the following classifications:

1. Regular Full-Time Employees

Equipment Operator I

Equipment Operator II

Mechanic and Mechanic's Helper

Utility Worker I and II

Buildings and Grounds Maintenance Worker

2. Part-time Employees

Street Maintenance and Utility Worker

(b) For purposes of this Article, a part-time employee is defined as an employee who has a letter of part-time designation, has passed a physical and is employed on a schedule of less than thirty-two (32) hours in a week.

(c) Employees shall have seniority credit and shall accumulate seniority on either the full-time or part-time list. Transfer from either list to the other shall extinguish the accumulated seniority and commence a new date of hire, except as provided in Section 18.2

(d) There shall be seniority among part-time employees for purposes of layoff and recall.

Section 17.2 All new full-time employees shall be considered as probationary employees for the first ninety (90) calendar days of employment, during which period they may be discharged, laid off, or transferred by the Employer without regard to the provisions of this Agreement.

The probationary period for part-time employees shall be for ninety (90) actual days at work, but in no event longer than twelve (12) months. A part-time employee who has worked more than 500 hours shall be credited with his probationary period upon receiving appointment as a full-time employee.

There shall be no responsibility for the rehiring or

recalling of probationary employees. At the expiration of the probationary period, an employee's seniority will be established as of his hiring date, except as provided in Section 17.2 above for part-time employees.

Section 17.3 The Employer shall maintain such seniority lists, including names, date of hire, and current classification, and it shall be submitted to the Union upon execution of this Agreement. This list shall be updated on an as-needed basis (i.e. new hires, terminations, resignations, retirements etc.) and submitted to the Union.

Section 17.4 The Chief Steward and all Stewards by their seniority shall head the seniority list for purposes of layoff and recall only, provided they are able to perform the work.

Section 17.5 The employment and seniority of an employee shall be terminated for any one or more of the following reasons:

- (a) Quit;
- (b) Discharge for just cause;
- (c) Failure to report for work at the termination of a leave of absence or an approved extension thereof;
- (d) Failure to report for work following a layoff, subject to the provisions of Article XVIII;
- (e) Failure to report for work without notice for three (3) consecutive workdays. An employee shall notify the Employer prior to the start of the shift, where possible, giving reason for the absence and expected date of return to work;
- (f) On layoff from full-time employment for twenty-

four (24) months or the length of his seniority, whichever is less.

Section 17.6 An employee who has been or is transferred by the Employer to a position outside the bargaining unit shall retain seniority up to the date of his transfer, but not accumulate seniority thereafter. Should he subsequently be returned by the Employer to the bargaining unit within six (6) months, he shall be reinstated to his retained seniority.

Section 17.7 Part-time employees shall be off the seniority list after refusal to report for work on three (3) separate consecutive call-ins without excuse.

Section 17.8 The Union shall receive notice of all bargaining unit personnel hired, terminated, laid off or placed on an extended leave of absence without pay. Such notification shall be given in writing within five (5) working days.

ARTICLE XVIII

LAYOFF AND RECALL

Section 18.1 The word "layoff" means a reduction in the work force due to a decrease of work or limitation of funds, which results in the release of a full-time employee from active employment for such reasons that the Employer may determine which are by way of example, but not by way of limitation: economic factors, loss of work requirements, equipment or supply problems, and other similar work-related conditions. A layoff will be effected in the following manner:

(a) Any layoff that is intended to go beyond three (3) consecutive calendar days, or in fact, does exceed such days, shall be deemed a layoff and will be handled in accordance with Section 18.2 below.

Section 18.2 Indefinite Layoff. For purposes of this Section, the following classifications are recognized:

- (a) Equipment Operator I
- (b) Equipment Operator II
- (c) Mechanic
- (d) Mechanic's Helper
- (e) Utility Worker I
- (f) Utility Worker II
- (g) Buildings and Grounds Maintenance Worker

1. Whenever a layoff is to occur, the probationary employees (in any order) and thereafter the least senior employees in the classification affected shall be laid off, provided that those remaining in that classification are capable of performing the available work.

Section 18.3 In the event of recall from layoff, it shall not be required that any laid-off probationary employee be offered employment.

(a) When the work force is to be increased after a layoff, employees will be recalled according to classification seniority, in reverse order of layoff, provided the employees recalled are able to perform the available work and are still on layoff and have not returned to work in another classification.

(b) Notice of recall may be by telephone call, confirmed by certified mail to the employee's last known address.

(c) Employees will be granted up to (1) week to return to work upon request.

Section 18.4 No part-time employees will be assigned to perform any work within the classifications listed without such work having first been offered to a full-time employee who is on layoff and who is qualified to perform said work.

Section 18.5 Where an indefinite layoff is to occur, the affected employee and the Steward will receive written notice thereof five (5) workdays in advance of the layoff.

Section 18.6 A discontinuance of any overtime hours shall not be deemed a layoff or force reduction.

A full-time employee who is laid off and who agrees to assigned work as a part-time employee, shall receive the rates and benefits afforded to part-time employees, regardless of the hours worked.

ARTICLE XIX

WORKER'S COMPENSATION LEAVE AND PAY

Section 19.1 A leave of absence shall be granted to a full-time employee who becomes incapacitated as a result of injury or occupational disease incurred through no misconduct of his own while in actual performance of duty.

(a) Compensation During Injury Leave of Seven Days or Less. The employee shall be paid at his regular rate of pay for

time lost from work for any injury incurred on the job or occupational disease which incapacitates the employee for seven days or less.

(b) Compensation During Injury Leave of Eight Days to Thirteen Days. The employee shall be paid at his regular rate of pay for time lost from work for the first seven days, and at the rates stipulated in Act 10 of 1912 of the State of Michigan, as amended, being the Worker's Compensation Law, as Worker's Compensation insurance benefits, for the eighth through the thirteenth days for any injury incurred on the job or occupational disease which incapacitates the employee for eight to thirteen days.

(c) Compensation During Injury Leave of Fourteen Days (2 Weeks) or Longer. The employee shall be paid at the rates provided and for the length of time stipulated in Act 10 of 1912 of the State of Michigan, as amended, being the Worker's Compensation Law, as Worker's Compensation insurance benefits for any injury incurred on the job or occupational disease which incapacitates the employee for fourteen days (2 weeks) or longer, or if death results from the injury or disease. Said compensation shall be computed from the date of injury.

(d) Use of Accrued Vacation and Normal Sick Leave. If an employee's compensation under the Worker's Compensation Law falls below his regular rate of pay, the employee shall be permitted to use his accrued vacation and normal sick leave, as provided for in this Agreement, to supplement his Worker's

Compensation Insurance Benefits so that there is no loss in pay for time lost from his regular schedule of work.

Section 19.2 Return from leave under this Article shall be in accordance with the provisions of Article XI.

ARTICLE XX

Section 20.4 Upon termination, a full-time employee shall be the accrued pro-rata amount of longevity pay.

ARTICLE XXI

GENERAL PROVISIONS FOR PART-TIME EMPLOYEES

Section 21.1 The Employer's continued use of its part-time employee program will be for the purpose of achieving maximum efficiencies and economy for the taxpayers and will not be for the purpose of laying off full-time employees or reducing a regular schedule of work hours.

Section 21.2 The Union acknowledges the City's ability to continue the utilization of part-time employees, which ability is limited only by specific language in this Agreement.

Section 21.3 The nonscheduling, failure to call, or assign work, or the release from work assignment of any part-time employee shall not be deemed a layoff.

Section 23.2 A full-time employee will be paid either one and one-half times his straight-time hourly rate, or shall receive compensatory time off at one and one-half times his straight-time hourly rate, at the discretion of the Employer, for all mandatory authorized hours worked in excess of his eight (8) hour shift or in excess of forty (40) hours in a workweek.

There shall be no pyramiding of hours for purposes of computing overtime pay or payment of more than one premium pay for the same hour.

Section 23.3 A full-time employee shall be paid either one and one-half times his straight-time hourly rate, or shall receive compensatory time off at one and one-half times his straight-time hourly rate at the discretion of the Employer for all mandatory authorized hours worked on the holidays provided in Article XIV hereof, to the extent permitted by applicable law.

Section 23.4 Except for a full-time employee who is regularly scheduled to work on a Sunday, a regular full-time employee shall be paid either two times his regular straight-time hourly rate at the discretion of the Employer for all mandatory authorized hours worked on Sunday, provided, for those hours on a Sunday in excess of the employee's regularly scheduled non-Sunday shift hours the employee shall receive pay or compensatory time off, as the case may be, at the rate of two and one-half (2-1/2) times his regular straight-time hourly rate to the extent permitted by applicable law.

Section 23.5 Any paid time off shall be computed as time worked for overtime computation, except for vacation time, holidays and sick leave in excess of two and one-half (2-1/2) days (20 hours) per week.

Section 23.6 Scheduled Overtime. Overtime among full-time employees within a classification shall be equalized, whenever practicable, within a twenty-four (24) hour spread each calendar month among those full-time employees capable of performing the available work. An employee excused from overtime or an employee unable to be reached shall be credited for purposes of overtime

equalization with the overtime hours as if he had actually worked them. An overtime chart shall be posted and available to all employees. Overtime imbalances beyond the twenty-four (24) hour spread shall be adjusted by giving the employee with the least amount of overtime hours first opportunity for overtime work to bring his overtime hours more nearly into balance.

Section 23.8 Use of Part-time Employees. The work and hours assigned to part-time employees shall not be deemed to be available overtime hours for full-time employees.

Section 23.9 In the event it becomes necessary, as determined by the Employer, for work to continue beyond the employee's regular shift for not more than two (2) hours, such work will be assigned to a regular full-time employee then available on the job in that classification. These hours will not be subject to equalization.

ARTICLE XXIV

DISCIPLINARY PROCEDURE

challenge the propriety of disciplinary action or discharge through the regular grievance procedure. In the event of disciplinary suspension or discharge, the department head shall notify the employee's steward or other Union representative, as soon as possible. A copy of the disciplinary action will be delivered to the Union. The Union representative will be called promptly, and in any event will be notified within one (1) working day following the action, if such notification cannot be made immediately.

Section 25.6 If it is necessary for the City to subcontract any services or work which are normally performed by bargaining unit employees, and if the subcontracting would cause the layoff of any full-time employees, the City will not do so without first engaging in meaningful discussion on this matter with the Union.

Section 25.7 The Employer shall provide, at no cost to employees, ten (10) uniform changes every two weeks to each full-time employee. Employees are required to wear the uniforms.

the following procedures:

(a) The step increase shall be granted only upon recommendation of the Public Works Director, with approval of the City Administrator at each step in the schedule.

(b) In the event that an employee is to be denied the step increase, he shall be informed in writing, with reasons for the denial, fifteen (15) calendar days prior to the increase date. If the personal evaluation is not performed with the employee prior to fifteen (15) calendar days before the increase date, the wage increase will be automatic on the increase date.

(c) For purposes of computation of months of service for full-time employees, service time shall not accumulate and the qualification date for the step increase shall be postponed for any absence occasioned by either layoff, suspension or leave which is without pay and which is in excess of thirty (30) calendar days.

(d) A merit pay increase to the next step in advance of the normal step increase qualification date may be awarded to an employee for exceptional service in the discretion of the Employer.

(e) An employee who is reclassified to a higher pay grade shall receive not less than one-step pay increase and thereafter progress through the steps.

Section 26.3 Upon being placed in the wage schedule, part-time employees may progress through the steps in accordance with the following procedures:

(a) An employee shall be eligible to advance from Step 1 to Step 2 provided that he has worked not less than 250 hours within the Public Works Department as a Street Maintenance and Utility Worker and has been on the Public Works Department payroll for not less than six (6) months and provided the advancement has been approved by the Employer.
