A G R E E M E N T

THIS AGREEMENT entered into as of July 1, 1997, between the CITY OF NORTON SHORES, a Municipal Corporation, with its principal offices located at 4814 Henry Street, Norton Shores, Michigan (hereinafter referred to as the "Employer"), and the POLICE OFFICERS LABOR COUNCIL - Sergeants Division (hereinafter referred to as the "Union").

PREAMBLE

THIS AGREEMENT entered into by the Employer and the Union, has as its purpose the promotion of harmonious relations between the Employer and the Union; the establishment of hours, wages and other terms and conditions of employment.

The Employer and the Union encourage to the fullest degree, friendly and cooperative relations between the respective representatives of all levels and among all employees.

ARTICLE I

RECOGNITION

Section 1.1 Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as

amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to wages, hours and other conditions of employment for all employees of the Employer included in the bargaining unit described below as certified by the Michigan Employment Relations Commission Case No. R-86 K-345 dated February 10, 1987.

Section 1.2 All sergeants of the City of Norton Shores Police Department but excluding all other employees.

ARTICLE II

EMPLOYEE. UNION AND EMPLOYER RIGHTS AND RESPONSIBILITIES

A. The Union, as the sole and exclusive bargaining representative of the employees, and the Employer, each shall have the rights granted to them by Act No. 379 of the Michigan Public Acts of 1965, as amended from time to time, and other applicable Michigan Public Acts now or hereafter enacted.

B. Management Rights.

Section 2.1 The Union recognizes that the Employer reserves and retains, solely and exclusively, all rights to manage and operate the Employer's affairs. These rights are abridged, modified, or limited by this Agreement only to the extent that

they are specifically and expressly abridged, modified or limited.

Section 2.2 The Employer hereby retains and reserves solely and exclusively unto itself all powers, rights, duties and responsibilities conferred upon and vested in it by its charter and the laws and Constitution of the State of Michigan and the United States. Such rights, by way of illustration, but not of limitation, being partially set forth as follows:

(a) Decide the kind of services to be performed; the methods of performing the services; the kind of materials, apparel and equipment to be used; and the discontinuance of any service, method of service, materials, apparel and equipment.

(b) Introduce new equipment, processes or services; or eliminate existing equipment, processes, services and institute technological changes; decide on the nature of materials, supplies or equipment to be bought, made or used and the price to be paid.

(c) Subcontract or purchase for the construction of new facilities and the improvement of existing facilities and/or all work processes or services, component parts and products, maintenance and repair work and office services.

(d) Determine the number, location and types of its

buildings and facilities, discontinuance either temporarily or permanently, in whole or in part, any of the Employer's operations; sell or close facilities, move operations from one location to another.

(e) Determine the size of the work force and increase or decrease its size; to hire, assign and lay off employees, to effect reduction or hours worked.

(f) Direct the work force, assign work, determine the number of employees assigned to any operation and the number of operations assigned to any employee; establish, change, combine, or discontinue departments, transfer operations from one department to another, and determine composition of the work force in any department.

(g) Determine lunch and rest periods; determine the starting and quitting time and the number of hours to be worked; establish work schedules as conditions and available work required; fix efficient work schedules; and assign employees to work overtime in excess of their usual shift schedule.

(h) Discipline and discharge for cause; adopt, revise and enforce departmental rules; provided, however, that management shall first consult with the Union prior to any such amendment; such rules shall be reasonable and shall relate to the

proper performance of sergeant's duties and shall not be applied in a discriminatory manner; applications of the rules in instances of alleged violation shall be subject to the grievance procedure; maintain order and efficiency in the work stations; fix the standards of performance as to quality; test, investigate and improve individual and unit effectiveness and initiate and carry out cost and general improvement programs.

(i) Transfer employees from one shift to another; select employees for promotion, or transfer to supervisory or other positions within the department; require employees to perform work outside their assigned job classifications within the Department when such assignment is, in the management's judgment, necessary regardless of the availability of work in their regular classification; require employees to give instruction or the City itself may give instruction in special training for selected employees.

(j) To permit police officers and employees not included in the bargaining unit to perform bargaining unit work when necessary for the conduct of municipal services, unless otherwise restricted by this Agreement, however, the Employer shall not permanently and regularly assign non-bargaining unit employees to perform bargaining unit work.

Section 2.3 All of the rights, functions, powers and authority, whether or not listed above, and whether or not exercised, are fully retained and reserved to the Employer except as those rights, functions, power and authority are expressly and specifically limited by other provisions of this Agreement.

ARTICLE III

NON-DISCRIMINATION

Section 3.1 Nothing contained in this Agreement shall be used, interpreted or applied by either party to discriminate against any employee because of the individual's race, color, religion, sex, national origin, age, handicap, height, weight or marital status or other legally protected category except as such is permitted by applicable law.

Section 3.2 Any complaint or charge by any employee that the above paragraph has been violated shall not be a proper subject for the grievance procedure of this Agreement but may only be processed pursuant to the applicable statutory procedures and with the appropriate administrative agencies.

Upon request of any employee who is claiming discrimination, a conference will be held with one representative from each party present.

Section 3.3 Neither the Employer nor the Union shall interfere with or discriminate in any way against any employee in the bargaining unit by reason of his membership or non-membership in the Union, his payment or nonpayment of dues, assessments and initiation fees to the Union, or his activity or non-activity -- required by this Agreement, nor shall the Employer or the Union encourage or discourage membership in the Union.

ARTICLE IV

UNION ASSOCIATION AND DUES COLLECTION

Section 4.1 Employees shall have the right to join, not join, maintain or discontinue their membership in the Union or to join, maintain or discontinue their membership in the Union or to pay, or not pay, a service fee, except as provided in Section 4.2 below regarding the payment and collection of service fees. Neither the Employer nor the Union shall coerce, interfere or discriminate against any employee with regard to such matters.

(a) Commencing on the effective date of this Agreement, all existing employees who are then paying or who thereafter voluntarily commence paying to the Union a service fee equivalent to the amount of dues uniformly required of its members shall, as a condition of continued employment, continue

to do so for the term of the Agreement.

(b) All employees hired after the effective date of this Agreement shall, after 60 days of employment, as a condition of employment, commence payment of and continue payment of such service fee for the term of this Agreement.

(c) All employees who, on the effective date of this Agreement are not paying such service fee, need not do so as a condition of employment.

Section 4.2 The Employer agrees to deduct from the wages of any employee such service fee uniformly required provided the employee has voluntarily signed a check-off authorization card.

Upon receipt of a written authorization card from an employee, the Employer shall deduct from the employee's pay the amount owed to the Union by such employee for such service fee, special assessments or initiation fees. These deductions shall be made from the employee's paycheck each month and shall be made from the second paycheck of each month as required commencing with the month after the card is received. The Employer further agrees that these funds shall be remitted to the Union within ten (10) workdays of such deductions.

Section 4.3 There shall be no collection of such dues, special assessments, initiation fees or service charges at any

time during an employee's working hours on the Employer's premises or in Employer vehicles.

Section 4.4 The Union shall indemnify and save the Employer harmless against any and all claims, demands, lawsuits or other forms of liability that may arise out of or by reason of action taken by the employee in making such deductions.

In the event of duplicate payments or a deduction not in conformity to the law or the Union Constitution or bylaws, refunds to the employee will be made by the Union to the employee.

Any dispute which may arise as to whether or not an employee has paid the amounts provided above or has signed or revoked such authorization form may be processed as a grievance pursuant to Article VIII.

ARTICLE V

UNION REPRESENTATION

Section 5.1 For purposes of administration of the Grievance Procedure, employees shall be represented by one (1) Union Representative who may or may not be an employee. The Union shall furnish the Employer with the name of the Union representative and his alternate. The alternate may act in the

absence of the Representative.

Section 5.2 When requested by an employee, the Union representative may investigate any grievance and assist in its representation. For grievances involving matters of immediate employee safety and lost time discipline and upon approval of the supervisor, the Union representative may leave his work without loss of pay to investigate the grievance. Such approval shall not be unreasonably withheld. Other grievances will be investigated, processed and otherwise handled by the Union representative and employee outside of the employee's and Union representative's regular hours of work.

Section 5.3 When an employee presents his own grievance without intervention of a Union representative, the Union representative shall be given an opportunity to be present and no settlement shall be inconsistent with the terms of this Agreement.

Section 5.4 Members of the Union Grievance Committee shall be compensated for all lost time at their regular rate of pay for all joint grievance meetings which are agreed to be held during their scheduled working hours.

ARTICLE VI

GRIEVANCE PROCEDURE AND ARBITRATION

Section 6.1 A grievance is any dispute, controversy or difference between (a) the parties; or (b) the Employer and an employee on any issue with respect to, on account of or concerning the meaning, interpretation or application of this Agreement or any terms or provisions thereof or any disciplinary action.

Section 6.2 Any grievance not timely initiated or taken to the next step shall be considered void or settled on the basis of the Employer's last answer and any failure on the part of the Employer to timely reply shall cause an automatic appeal to the next step.

Section 6.3 Grievances shall be processed in the following manner and within the stated time limits.

Step 1

(a) Any employee or group of employees having a specific grievance shall take it up with the immediate supervisor within seven (7) calendar days following the occurrence of the alleged grievance. The supervisor shall attempt to adjust the matter by oral discussion with the employee in a manner not inconsistent with the terms of this Agreement. Such oral

discussion shall be held not more than four (4) calendar days following the first presentation of the grievance and the employee may request his Union representative to be present at the discussion. An oral response shall be given by the supervisor within four (4) calendar days following the discussion. In the event such supervisor is not available within seven (7) calendar days, such time limits may be extended in writing by mutual agreement for an additional seven (7) calendar days.

Step 2

(a) If the grievance is not settled in Step 1, it shall be reduced to writing on an appropriate form signed by the aggrieved employee(s) or the Union representative, and shall be presented to the Chief of Police or his designee, in his absence, within seven (7) calendar days after the response of the supervisor is given, not including the day the response is given. The Chief of Police or his designee, in his absence, shall provide an opportunity for a meeting with the employee(s) and Union representative for the purpose of discussing the grievance at a time and place mutually agreed upon but not later than ten (10) calendar days following receipt of the grievance. A written reply shall be given to the grievance within seven (7) calendar

days after the meeting, not including the day of the meeting. Such reply shall be given to the Union President either personally or by mail postmarked no later than the last day specified herein for such reply.

(b) The Union may initiate its grievance at this Step 2 of the grievance procedure and must process them through Step 3 before they are taken to arbitration. A union grievance is one in which a right given specifically to the Union as such by this Agreement is alleged to have been violated. Such grievances must be filed in writing within seven (7) calendar days of its occurrence or shall be void.

Step 3

(a) If the grievance is not settled at Step 2, the aggrieved employee(s) and/or Union representative may appeal by presenting a copy of the grievance to the Personnel Director within ten (10) calendar days following the time of the receipt of the answer from the Chief of Police or his designee. The Personnel Director and Union representative shall meet within ten (10) calendar days of the Personnel Director's receipt of the appeal. The Personnel Director shall submit a written disposition of the matter within ten (10) calendar days of the conclusion of the meeting. If the grievance is settled at Step

3, the grievant(s) and the Union representative shall sign the grievance, stating that result.

Step 4

(a) If the grievance is not settled in Step 3, it shall be delivered to the City Administrator within ten (10) calendar days after receipt of the Step 3 answer and such delivery shall be made by delivery to the City Administrator, or in his absence, his office representative. The City Administrator shall meet with the Union representative within fifteen (15) calendar days following delivery of the grievance to the City Administrator. The City Administrator shall deliver his written findings within fifteen (15) calendar days after the close of the hearing and deliver such finding to the Union President.

Arbitration

(a) In the event the answer by the City Administrator in Step 4 is not satisfactory to the Union then within thirty (30) calendar days following date of receipt of the City Administrator's answer, the Union only, and not an individual employee, may file a demand for arbitration, with a copy to the City Administrator, all pursuant to the following rules and conditions:

(b) The decision of the arbitrator shall be final and binding on all parties.

(c) Upon receiving a list of arbitrators from the Federal Mediation and Conciliation Service, the parties shall attempt to agree upon an arbitrator. If no agreement can be reached, he shall be selected by the parties alternately striking a name from the list. The parties shall be bound by the rules of the Federal Mediation and Conciliation Service.

(d) Only one grievance shall be heard by an arbitrator at any one appointment.

(e) The arbitrator shall have authority to decide matters involving the interpretation and application of this Agreement or any disciplinary action and shall have no authority to add to, subtract from, modify, change, alter or amend the terms and conditions of the Agreement, or any agreements made supplemental hereto.

(f) The costs and expenses of the arbitrator shall be shared equally by the parties.

(g) Any grievance not taken to arbitration within the above-stated time limits shall be deemed settled based upon the Employers last answer.

ARTICLE VII

NO STRIKES AND NO LOCKOUTS

Section 7.1 During the life of this Agreement, the Union shall not cause or permit its members to cause nor shall any member of the Union take part in any sit-down, stay-in, slow-down, curtailment of work, restriction of production, mass sickness, or interference of the operations and services of the Employer. The Union shall not cause or permit its members to cause nor shall any member of the Union take part in any strike or stoppage of any of the Employer's operations or picket the Employer's buildings or premises, during the life of this Agreement.

Section 7.2 The Union agrees it will take reasonable affirmative action to prevent or stop any or all such activity above mentioned by notifying the employee that it disavows these acts. The Union further agrees that the Employer shall have the right to discipline (including discharge) any or all employees who violate this Article, and such action shall not be subject to the Grievance Procedure of this Agreement, provided that the question of fact concerning the participation by any particular employee shall be a proper subject for the grievance procedure.

Section 7.3 The Committee person and officers of the Union

shall take prompt affirmative action to try to prevent any wildcat strike, work stoppage, slow-down of work, picketing, or work interference of any kind.

Section 7.4 The Employer, for its part, agrees that there shall be no lock-out during the term of this Agreement.

ARTICLE VIII

DISCHARGE AND DISCIPLINE

Section 8.1 The Employer and Union shall subscribe to the doctrine of progressive discipline pursuant to the City Ordinance 148.

The Employer shall not discipline, discharge nor suspend without pay any employee except for just cause. Discharge or suspension must be by proper written notice to the employee with a copy to the Union President, citing specific charges.

Oral reprimand shall not be valid unless a written notation is placed in the employee's file, with a copy to the affected employee.

An employee who is asked to attend any interview with the Employer for investigatory purposes which may lead to discipline or discharge may request a Union representative

to be present.

Section 8.2 Where a locker of an employee is to be opened for possible disciplinary purposes, it shall be done in the presence of the employee and his Union representative, if so desired.

Section 8.3 Written warnings for rule infractions or any letters or records of complaints from supervisors, City officials or private citizens shall be removed from an employee's file where there have been no infractions for a period of twelve (12) months. Letters or records of complaints shall not be placed in an employee's file until the employee is aware of the letter or record and there has been an appropriate departmental review of the complaint.

In the event that an employee initiates a grievance on a disciplinary action, the content of the disciplinary action and the grievance steps shall remain confidential until the grievance is resolved. The Employer will maintain the security of all written material related to the action and the grievance until the grievance is resolved.

Any disciplinary action against an employee shall be presented to him within twenty (20) calendar days following the alleged violation or within twenty (20) calendar days of the

Employer's knowledge of it.

The term "disciplinary action" shall apply to any oral or written reprimand, suspension or discharge given to an employee or group of employees by a supervisor or his designee for any alleged violation of the Employer's Rules, Regulations, policy, or City Ordinances.

Section 8.4 When an employee covered by this Agreement is charged with a criminal offense, a complete investigation shall be conducted by the Chief of Police or his designee. Based on the investigation, the suspension resulting from the charge may be with pay or without pay. If a suspension resulting from the charge is without pay, the matter shall be immediately processed at Step 3 of the grievance procedure.

ARTICLE IX

PROBATIONARY PERIOD AND SENIORITY

Section 9.1 All employees hired into the unit shall be considered as probationary employees for a period of one year, and those promoted into the unit shall be considered as probationary employees for a period of six (6) months provided they have attained seniority in the Patrol Unit.

The Employer may, in its discretion, extend the

probationary period for the period of time equal to any excused absence of more than thirty (30) consecutive calendar days. When an employee finishes the probationary period, he shall be entered on the seniority list of the unit and shall rank for seniority from his last date of hire or promotion into the unit.

Probationary employees may be discharged, laid off, disciplined or otherwise terminated without recourse to the grievance process and there shall be no responsibility of reemployment by the Employer. A promoted probationary employee shall have recourse to the grievance process for any discipline, layoff or termination.

When two or more persons have the same date of hire or date of promotion into the unit, they shall have their relative seniority determined by their relative score on the entrance examination or sergeants examination.

If the persons are a new hire and a new promotion on the same date, the newly promoted person shall have seniority.

Section 9.2 Seniority is defined as the employee's continuous length of service in the unit from his last date of hire or promotion into the unit and shall be applied only as specifically set forth in this Agreement. Such lists shall be fixed and agreed upon at the time of execution of this Agreement.

Employees shall have seniority credit on only one list at any one time.

Section 9.3 An employee shall lose his seniority and his employment shall be terminated for the following reasons only:

- (a) Voluntary resignation.
- (b) Discharge for cause.
- (c) Failure to report for work upon termination of a leave of absence.
- (d) Failure to report for work from layoff, after notice has been sent in accordance with Article X, Section 10.3.
- (e) Off the active payroll on layoff for a period of the length of his seniority at the time of the layoff or two (2) years, whichever is less.
- (f) Absent from duty for three (3) full consecutive assigned shifts without just excuse or cause. Employees are to call in their absence with an acceptable excuse prior to the start of their shift or as soon thereafter as possible.
- (g) Retirement.

Section 9.4

(a) The seniority list of the date of this Agreement shall show the rates, names and job titles of all employees of the unit entitled to seniority according to classification.

(b) The Employer shall keep the seniority list up to date and posted at all times and shall provide the local Union membership with up-to-date copies by January 1 of each year.

Section 9.5 Non-Unit Seniority Application.

(a) Persons who were previously in positions now covered by this Agreement but took positions outside the unit shall maintain their seniority as of the date of taking such outside position.

(b) Effective upon the execution of this Agreement, an employee thereafter accepting a position outside the unit shall retain his seniority to the date of such acceptance but shall not accumulate seniority thereafter, subject to the following:

(1) For the first thirty (30) days from the date of an assignment to an outside position, an employee may voluntarily or upon request of the Employer, be returned to the bargaining unit without loss of seniority.

(2) After said thirty (30) day period, the Union shall have no jurisdiction under this contract over such personnel and any decisions affecting such personnel, such as promotion, demotion or discharge, shall be in the Employer's sole discretion and shall be final.

(3) Should the Employer determine that the person

so assigned will be returned to the bargaining unit for any reason after said thirty (30) day period, such person shall displace the least senior employee with less seniority on the appropriate seniority list. Such person shall have only that amount of seniority as defined in (a) and (b) above.

ARTICLE X

LAYOFF AND RECALL

Section 10.1 Layoff is defined as a reduction in staff from the active work force for sound operational reasons, such as by way of example, lack of work or economic factors relating to loss of funds or other similarly budget-related conditions.

(a) Any layoff for one (1) workday or less for emergency reasons may be made without regard to the procedure set forth below.

Section 10.2

(a) In the event of a layoff which will exceed one (1) workday, the following procedure will be used:

(1) The employee on probation and then the least senior employee, providing:

(i) those employees remaining have the

qualifications to perform the available work;

(2) Simultaneously with such layoff, the Chief of Police may reassign remaining employees to any division, shift or assignment as in his judgment will best effectuate the operation of the Department.

(b) Any full-time employee who has "retained" seniority status pursuant to Article X of the Patrol Officers Collective Bargaining Agreement then in effect may elect to bump into a position to which his seniority entitles him in that unit by written notice to the Employer within five (5) days after the layoff.

Upon such election, the employee will be permitted to exercise his bump under the terms and conditions of that Patrol Officers Collective Bargaining Agreement.

In the event the employee's seniority does not permit any bump into the Patrol Officers Collective Bargaining Agreement, that employee will be deemed to have recall rights pursuant to the terms of that contract.

Section 10.3 Employees to be recalled from layoff shall be given seven (7) calendar days to report after notice has been received by certified mail to their last known address as shown on the Employer's records.

Employees who decline recall or who, in the absence of extenuating circumstances, fail to report as directed within the time allowed, shall be presumed to have resigned and their names shall be removed from seniority lists.

Section 10.4 Employees shall be recalled from layoff in inverse order of layoff beginning with the more senior employee first, in accordance with their seniority, before any other persons are selected for employment, provided they are qualified to perform the available work.

It shall not be required that any laid-off probationary employees be offered employment. Any such offer shall be at the discretion of the Employer.

Section 10.5 Upon advance discussion with the Union officers, the Employer may reduce the workweek to not less than thirty-six (36) hours for all employees in lieu of a force reduction but for not longer than four (4) weeks in any twelve-month period.

Section 10.6 A discontinuance of any overtime hours shall not be deemed a layoff or force reduction.

Section 10.7 Temporary layoff for consecutive periods shall not be used to avoid the operation of Section 11.2(a) above.

ARTICLE XI

VACANCIES

Section 11.1 A vacancy is defined as any full-time position within the bargaining unit which the Employer intends to fill after reassignment or transfer of other full-time employees and that has been vacated either by the permanent termination of a full-time employee or the creation of an additional regular full-time position in the unit.

Section 11.2 Whenever any such vacancy occurs, the Employer may first reassign or transfer existing employees and thereafter, the resulting vacancy that exists shall be filled by recruiting among present and non-employee applicants, and preference for the position shall be given to the most qualified applicant.

ARTICLE XII

HOURS OF WORK

Section 12.1 A regular workweek for full-time employees shall consist of forty (40) hours. A normal workday for a full-time employee shall be eight (8) hours, unless otherwise scheduled.

Section 12.2 Except as herein provided, at the discretion

of the Chief of Police, all full-time employees will be paid one and one-half their straight-time hourly rate or shall receive compensatory time off at one and one-half times their straight time hourly rate for all authorized hours worked in excess of their eight (8) hour shift or in excess of eighty (80) hours in a pay period which would include authorized court time, provided, however, that hours worked in excess of eight (8) or eighty (80), as the case may be, for purposes of adjusting swing shifts, shall not be compensated as overtime hours. There shall be no pyramiding of hours for purposes of computing overtime pay.

In lieu of overtime pay, upon request by an employee, such employee may be allowed compensatory time off with pay at his/her regular straight time hourly rate of one and one-half (1-1/2) hours for each hour of overtime worked. An employee shall be allowed to accumulate a maximum of 48 hours of compensatory time. All unused compensatory time shall be paid to the employee on the first pay period of December of each year. Employees requesting compensatory time off must make such request no less than five days in advance of the requested time off. Any compensatory time off shall be taken at a time approved by the Chief of Police.

Section 12.3 Overtime shall be mandatory at the discretion of the Chief of Police.

Section 12.4 Overtime Assignment. Whenever a temporary absence occurs on a shift and the Employer determines that such absence should be covered or when extra-duty assignments become available and the Employer has less than twelve (12) hours' notice of that absence of availability, it may be filled by offering it to such employees either on a full or partial shift basis as the Chief, in his discretion, shall determine.

Where the Employer has more than twelve (12) hours' notice, it will be offered to available employees who are qualified to perform the available work on a rotating seniority basis.

For purposes of offering available overtime hours, one contact effort (which may include calling a telephone number left at the original call number) by the Chief or his designated representative shall be sufficient to proceed to the next most senior employee.

Overtime records for this section shall be maintained and available for the four (4) month period.

Any employee who cannot accept an overtime or extra-duty assignment because he is otherwise scheduled to work at that time, will maintain his relative position on the rotating seniority list for subsequent extra duty or overtime.

Section 12.5 Pay for Court time and other required agency appearances shall be as follows:

(a) Such appearance is required at a time when the employee is not otherwise on active duty. If such appearance is less than one (1) hour prior to or after the employee's regular shift hour, the intervening time will be on duty time and will be paid as time worked pursuant to Section 12.2 (over eight hours in one day) and considered as an extension of the shift.

(b) For other appearances, the pay shall be for a minimum of two hours pay at time and one-half the employee's straight-time hourly rate and the hours in excess of the two hours shall be at time and one-half the employee's straight-time hourly rate.

(c) The employee shall appear in proper attire.

(d) Properly documented subpoenas and related witness fees are to be returned to the Employer.

(e) For appearances in Muskegon County Court or agency recesses, mealtime shall not be counted as time worked. For those appearances outside the County, mealtime will be counted as time worked.

Section 12.6 For the purposes of computing overtime, an employee absent on authorized sick leave with pay, holiday or on

vacation, shall be considered to have worked his normal work shifts during such absence.

Section 12.7 Employees shall be paid at their applicable rate of pay for all time spent in attendance at Departmental meetings for which attendance is mandatory as determined by the Chief of Police. Voluntary attendance at non-mandatory meetings shall not be paid.

Section 12.8 An employee who desires to exchange his shift hours with the shift hours of another employee shall obtain the consent of the employee and the supervisor involved on an appropriate form. Such consent shall not be unreasonably withheld, but must be obtained from the supervisor at least one (1) workday in advance, except in an emergency.

If the supervisor approves the exchange, the employee will then be responsible for the shift assigned.

Such exchange shall be on an equal hour basis and within two (2) pay periods.

Section 12.9 Call-In Pay. A full-time employee who is called in to work outside of his regularly assigned working hours shall receive a minimum of two (2) hours pay at the applicable rate of pay.

Section 12.10 Shift Bid Preference:

(a) The City will continue its policy of shift bid preference which will provide that sergeants may bid on a shift change by seniority each four (4) months during the first full week in April, August and the first full week in December of each year; and go into effect the first week of May, September and January.

(b) Shift bid preference for the above positions is available to such officers with at least one year of employment with the Police Department.

(c) In the event a situation arises involving an Officer, and the Employer determines that a shift change is in order, then thirty (30) days prior to the next regular shift change time, the Officer will be informed in writing, with listed reasons, that he must move off his shift pursuant to the shift change policy.

(i) If he does not initiate a shift change, then he will be assigned to a different shift by the Employer to which his seniority entitles him.

(ii) The shift change shall not exceed four (4) consecutive months.

(iii) The thirty (30) days following the notice will be used in an effort to correct the situation causing the change.

(d) Nothing in this Section shall be deemed to preclude the filing of a grievance.

ARTICLE XIII

UNPAID LEAVE OF ABSENCE

Section 13.1 Employees who have completed their probationary period may request an unpaid leave of absence for not more than twelve (12) consecutive months and the granting of such leave shall be discretionary with the Employer.

Section 13.2 All leaves must be applied for in writing on a form to be provided and any approval or denial must also be in writing on said form.

Section 13.3 Employees who have completed their probationary period may request an educational leave for further professional police training for not more than twelve (12) consecutive months and the granting of such leave shall be discretionary with the Employer. The request and the Employer's response shall be in writing on an appropriate form.

Section 13.4 Employees with seniority are eligible for leave to attend any and all Union conventions, provided such

leave is requested at least thirty (30) days in advance. A combined total of five (5) work days per year shall be allowed; such days shall not accumulate from year to year.

Upon return from a Union convention leave, employees shall be reemployed at work with accumulated seniority and fringe benefits.

Section 13.5 All leaves granted pursuant to this Article shall be without pay. No seniority and no monetary fringe benefit, such as insurance, vacation credit, holiday pay or similar benefit shall continue beyond the first day of the month following the beginning of the leave, except as otherwise specifically set forth.

Section 13.6 Employees who enter the military service shall be granted leaves of absence and shall be returned from leave in accordance with the applicable Federal and State laws and regulations.

ARTICLE XIV
