This Agreement is entered into by and between the Board of Education of the Okemos Public Schools, Ingham County, Okemos, Michigan, hereinafter called the "Board" or the "Employer," and the Michigan Education Association, NEA hereinafter called the "Association."

ARTICLE 1: PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Board, its employees and the Association.

The parties recognize that the basic purpose of the Okemos Public Schools is for the education of its youth and that all employees are obligated to work to help provide the best educational system with safe, clean and functional facilities.

To these ends, the Board and the Association encourage to the fullest degree, friendly and cooperative relations between the respective representatives at all levels.

ARTICLE 2: RECOGNITION

- A. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Board does recognize the Association as the sole and exclusive representative for the purpose of collective bargaining with respect to rates of pay, hours of employment and other conditions of employment for the term of this Agreement for all employees in the following, described unit:

All full time and regular part-time custodial, maintenance, grounds, utility, delivery, stockroom and food service personnel but excluding all supervisors such as, but not necessarily limited to, Coordinator of Buildings and Grounds, Assistant Coordinator of Buildings & Grounds, Director of Food Services, Coordinator of Elementary Kitchens, Coordinator of Middle School Kitchens, Coordinator of High School Kitchens, food service employees who work two (2) hours or less a day, secretarial, temporary help and all other employees.

- B. The Board agrees not to negotiate with any other union/labor organization for the term of this Agreement.

ARTICLE 3: DEFINITION OF EMPLOYEES

- A. The terms "employee" and "bargaining unit member" as used in this Agreement, except where the Agreement clearly indicates otherwise, shall mean an employee(s) within the bargaining unit described in Article 2.
- B. A "full-time bargaining unit member" is a regular employee whose normal schedule of work is forty (40) hours a week.
- C. A "part-time bargaining unit member" is a regular employee whose normal schedule of work is less than forty (40) hours a week.
- D. A "regular employee" is a bargaining unit member whose employment is expected to continue from year to year and who is not employed on a substitute or temporary basis.
- E. Newly hired employees shall be probationary for the first sixty (60) working days of their employment and thereafter shall be permanent

employees. For purposes of this Agreement, the Association shall represent probationary employees for all matters other than discharge for cause.

- F. A temporary or substitute employee is not part of the bargaining unit. A substitute is an employee hired to fill the position of an absent bargaining unit member for the duration of the leave period regardless of the length of the leave period. A temporary is an employee who is hired to fill a temporary or seasonal position which will cease after a specified period of time. The Association President shall be notified in writing of all temporary employees hired and the intended duration of their employment.

#### ARTICLE 4: CONTINUITY OF OPERATIONS

The Association agrees that neither it nor any of its members, nor any person(s) acting on its behalf will cause, support, take part in or authorize any strike against the District during the life of this Agreement.

#### ARTICLE 5: MANAGEMENT RIGHTS

- A. The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitutions of the State of Michigan and of the United States including, but without limiting the generality of the foregoing, the right:
1. To the executive management and administrative control of the District and its properties and facilities, and the activities of its employees, as related to their job responsibilities;
  2. To hire all employees and subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion; and to promote and transfer all such employees.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and expressed terms of this Agreement and then only to the extent such specific and expressed terms hereof conform with all applicable laws and regulations having the effect of law.

#### ARTICLE 6: ASSOCIATION RIGHTS

- A. Duly authorized representatives of the Association shall be permitted to transact official Association business on school property. The Association President will submit a written request to the appropriate coordinator one (1) week prior to the meeting indicating the approximate time needed for the meeting. Approval of the coordinator will be given provided the length of the meeting does not interfere with required operation of the school. Working hours for the Buildings and Grounds classification shall not result in additional pay. Working hours for the Food Services classification may be adjusted, but shall not result in additional pay.
- B. Upon the approval of the building administrator, the Association will have the right to use school facilities and equipment on school grounds and at times when such equipment is not in use for regular operations provided it

has trained operators. The Association shall pay the cost of all materials and supplies incident to such use.

- C. The Association shall have the right to post notices of its activities and matters of concern on school bulletin boards, at least one of which will be available in each school. The Association may use the regular inter-school mail service for communication.
- D. Upon approval of the appropriate coordinator, the Association Board of Representatives will be allowed to meet once in each week. The President of the Association shall submit a written request two (2) days in advance to the appropriate coordinator. Approval will be given provided the length of the meeting does not interfere with required operation of the school. Working hours for said members in the Buildings and Grounds classification will be adjusted, but shall not result in additional pay. Working hours for the Food Services classification may be adjusted, but shall not result in additional pay.
- E. Special conferences may be mutually arranged during the life of the contract to discuss mutual concerns. The purpose of these conferences is not to replace or divert concerns which should appropriately be subject to the grievance procedure, but rather to mutually assist the parties in the administration of this Agreement.

ARTICLE 7: DUES, FEES AND PAYROLL DEDUCTIONS

- A. Any bargaining unit member who is a member of the Association or who has applied for membership may sign and deliver to the Business Office an assignment authorizing deduction of dues in the Association. Such authorization shall continue in effect from year to year unless revoked in writing by the bargaining unit member to the Association with the indicated copy to the Business Office. Pursuant to such authorization, the Business Office shall deduct one-twentieth (1/20th) of such dues starting with the second (2nd) payroll in September and continuing for nineteen (19) consecutive pay periods thereafter. At his/her option, the bargaining unit member may remit dues/fees as set forth in Section B. 2.
  - 1. Bargaining unit members employed after the commencement of the school year shall have deductions appropriately pro-rated to complete payments by the following June.
  - 2. Any bargaining unit member who shall not perform services for any entire month of the school year shall have his/her dues reduced by one-tenth (1/10th) of the yearly dues for the entire month not worked, except where the failure to perform services during any month was the result of the bargaining unit member taking any paid leave of absence as provided in this Agreement.
  - 3. The Association shall certify the amount of dues in writing to the Business Office on or before the first (1st) payroll in September. After the deductions have been made, they shall be remitted monthly to the Association accompanied by a list of bargaining unit members for whom the deductions have been made.
- B. Any bargaining unit member who is not a member of the Association in good standing or who does not make application for membership within thirty (30) calendar days from the first day of active employment shall, as a condition of employment, pay a Service Fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the Administrative Procedures adopted pursuant to said policy.

1. The Service Fee shall not exceed the amount of the Association dues collected from Association members.
  2. The bargaining unit member may pay such fee in full within the first thirty (30) calendar days of employment directly to the Association or authorize payment through payroll deduction, as herein provided.
  3. In the event that the bargaining unit member shall not pay such Service Fee directly to the Association, or authorize payment through payroll deduction, the Employer shall, upon completion of the procedures contained in paragraph E and pursuant to MCLA 408.477; MSA 17.277 (7) and at the request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit same to the Association.
  4. The Association shall hold the Board harmless for any and all claims, demands, suits or other forms of liability by reason of action taken or not taken by the Board or its designated agent for the purpose of complying with the provisions of this Agreement. It is understood that the Association shall have the right to compromise claims which may arise under this save harmless clause.
- C. In the event there is a change in the status of the law, so that mandatory deduction from wages pursuant to the paragraph above is prohibited, the Employer, at the request of the Association, shall terminate the employment of a bargaining unit member who refuses to authorize the deduction of the Service Fee. The termination of employment shall not occur until the procedures set forth in paragraph E have been fully met. The parties expressly agree that the failure of any bargaining unit member to comply with the provisions of this Article is just cause for discharge from employment.
- D. The Association has established a "Policy Regarding Objections to Political- Ideological Expenditures." That Policy and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non- union bargaining unit members. The remedies set forth in such policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or to any other administrative or judicial procedure.
- E. The Association in all cases of mandatory fee deduction pursuant to MCLA 408.477; MSA 17.277 (7) shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance; shall provide ten (10) calendar days for compliance; and shall advise the recipient that a request for wage deduction may be filed with the Board in the event compliance is not effected. If the bargaining unit member fails to remit the Service Fee or authorize deduction for same, the Association may request the Board to make the deduction. The Board upon receipt of the request for an involuntary deduction shall provide the bargaining unit member with an opportunity for a due process hearing limited to the question of whether or not the bargaining unit member has remitted the Service Fee to the Association or has authorized payroll deduction for same.
- F. The provisions of paragraph E shall apply equally in the event the Association seeks the discharge of the bargaining unit member, if mandatory deduction is not permitted by law.

- G. With respect to all sums deducted by the Employer pursuant to MCLA 408.477; MSA 17.277 (7) whether for membership dues or the Service Fee, the Employer agrees to remit said sums to the Association accompanied by an alphabetical list of bargaining unit members for whom such deductions have been made categorizing them as to members or non-members in the Association. The Association agrees to advise the Employer of all members of the Association in good standing and to furnish any other information needed by the Employer to fulfill the provisions of this Article and not otherwise available to the Employer.
- H. The Association shall indemnify and save the Board harmless for all sums collected pursuant to this Article and remitted to the Association plus any costs, including attorney's fees incurred by the Board in connection therewith.
- I. The Board agrees to make the following deductions for bargaining unit members upon proper authorization.
  - 1. Hospitalization, medical and dental insurance
  - 2. Capital Area School Employees Credit Union
  - 3. Tax sheltered annuities as approved by the Board including MEFSA

ARTICLE 9: GRIEVANCE PROCEDURE

- A. A grievance shall be defined as a complaint by a bargaining unit member or a group of bargaining unit members or the Association based upon an event, condition or circumstance under which the bargaining unit member works, allegedly caused by unjust treatment, or by a violation, misinterpretation, or misapplication of any provision of this Agreement.

- c. Grievances from food services personnel shall be submitted directly to the Director of Food Services.
- d. A bargaining unit member shall, within ten (10) days of the occurrence or within ten (10) days of when s/he could have reasonably been expected to know of the grievance, first discuss it with the appropriate coordinator, either individually, or with his/her Association Representative, with the objective of resolving the matter informally. The coordinator will verbally answer the grievance within three (3) days of its first presentation.
- e. If the grievant is not satisfied with the disposition of the grievance at Step One, the grievant or his/her Association Representative may reduce the complaint to writing and present it within five (5) days to the appropriate coordinator who shall answer the grievance in writing within five (5) days of its receipt.

2. Step Two:

- D. Nothing contained in this Agreement shall prevent a bargaining unit member from presenting a grievance and having the grievance adjusted by the Employer without the intervention of the Association provided such adjustment is consistent with the terms of this Agreement and provided further that the Association shall be notified of such adjustment.
- E. The presentation of a grievance shall in no way prejudice a bargaining unit member's status with the Employer.
- F. If the Association has a grievance, the Association shall submit the same in writing at Step Two of the procedure.
- G. The time limits established in the grievance procedure shall be followed unless otherwise shortened or extended in writing by mutual agreement of the parties. The term "days" as used in the grievance procedure shall mean Monday through Friday, excluding holidays, and the spring and winter break periods.
- H. Should there be no decision rendered within the time limit specified, the grievance will be considered to be at the next step of the grievance procedure upon the expiration of the time limit. Any grievance which is not appealed to the next step of the grievance procedure within the time limit specified will be considered settled on the basis of the decision rendered at the previous step. A copy of same will be forwarded to the MEA Uniserv Director.
- I. It is agreed that in grievances involving discharge, either of an immediate nature or otherwise, the following procedure will be used:

- H. The Board shall provide the tools and equipment necessary to do a job.
1. Bargaining unit members will not be liable for loss, theft or damage to tools and equipment nor will they be required to make restitution for same unless proven guilty of negligence.
  2. Every effort will be made to provide tools and equipment which meet safety standards.
  3. Protective equipment for eyes/glasses will be available to bargaining unit members who weld.
- I. The Employer shall schedule its meetings with bargaining unit members on the Employer's time whenever reasonably possible. Meetings which are otherwise scheduled shall entitle the unit members to be paid at their

regular hourly rate of pay for such time spent meeting with the Employer except when such meetings exceed the forty (40) hour work week and/or the eight (8) hour work day in which case the overtime provisions shall apply.

The Employer's meetings with the Food Service classification will not be scheduled on system-wide half-days of student instruction.

J. Except as set forth in Section 2 below, overtime and additional hours shall be offered and distributed to bargaining unit members as equally as possible within each classification within a building.

1. Overtime for custodial/maintenance will be handled as follows:

Overtime shall be rotated on the basis of seniority within the building. If all building seniority personnel refuse overtime, then the supervisor of the building may take the overtime. If further overtime is needed (overflow), then overtime shall be distributed on a rotating basis from a volunteer list of qualified personnel within the classification.

2. Overtime or additional hours for food service will be handled as follows:

At the beginning of each school year, all bargaining unit members within food service will have an opportunity to sign a voluntary list for the distribution of additional hours. It is understood that as additional hours occur, bargaining unit members on the list must be able to perform the duties necessary for the additional hours. The list shall be ranked by seniority and building. The banquet supervisor must be present at all banquets. Additional hours will be by rotation on a building basis first, and additional hours thereafter on a system-wide basis. The rotation list will be started anew each year.

3. For rotation purposes, if a bargaining unit member refuses or is not available for overtime he/she shall be treated as having taken the overtime.

4. Known overtime shall be posted as soon as reasonably possible.

5. To the extent possible, overtime and/or additional hours will be voluntary.

6. When a regular bargaining unit member is absent, management will attempt to use regular employees rather than substitutes when other factors reasonably permit.

K. Emergency closings will be governed by the following procedures:

1. Bargaining unit members under the Coordinator of Buildings and Grounds shall receive one (1) day off with pay for each day that they are required to report as set forth herein. The day(s) off with pay shall be mutually arranged between the bargaining unit member and the Coordinator of Buildings and Grounds.

2. Bargaining unit members who are not required to report for work shall receive the time off with full pay.

On such occasions, bargaining unit members will be assigned in accordance with the building seniority rotation list.
  4. Bargaining unit members in the food service classification shall not be required to report for work on days when school is canceled as set forth herein and shall be paid for up to two (2) said days. Bargaining unit members will be paid for all student instructional days that are rescheduled.
  5. Notwithstanding the foregoing, if the Legislature and/or the Department of Education does not require that "Act of God" days be rescheduled for the receipt of state aid, food service personnel who are scheduled to work shall not be required to report for work and shall suffer neither loss of leave time nor loss of salary.
  6. Bargaining unit members shall not be charged for a paid leave day when such has been used and/or requested on a day when school has been canceled.
- L. During those periods when school is not in session, any deviation in the regular work day shall be assigned in accordance with the seniority rotation list.
- M. No bargaining unit member shall be permitted to smoke on school grounds or in school buildings during the life of this agreement.

ARTICLE 11: EVALUATION

- A. All monitoring or observation of the work of each bargaining unit member shall be conducted in person and with the full knowledge of the bargaining unit member.
- B. Bargaining unit members shall be evaluated IN WRITING at least once in each three (3) year period.
- C. Each bargaining unit member, upon his/her employment or at the beginning of the school year, whichever is later, shall be apprised of the specific criteria upon which he/she will be evaluated. The criteria shall be as set forth in Appendix C of this Agreement.
- D. Observations of bargaining unit work for evaluation purposes shall where appropriate be of sufficient length in time to fairly represent the bargaining unit member's work.
- E. All evaluations shall be reduced to writing and a copy given to the bargaining unit member within ten (10) days of the final observation. If the bargaining unit member disagrees with the evaluation, he/she may submit a written response which shall be attached to the file copy of the evaluation in question.
- F. Following each formal evaluation, the bargaining unit member shall sign and be given a copy of the evaluation report prepared by the immediate supervisor. The signature shall only signify that the bargaining unit member has read the evaluation. A bargaining unit member may submit additional comments to the written evaluation if he/she so desires.
- G. Each written evaluation will be followed by a conference between the bargaining unit member and the immediate supervisor within ten (10) work

days following the issuance of the written evaluation. Said conference shall be considered as time worked and therefore paid.

- H. If a supervisor believes a bargaining unit member is doing unacceptable work, the reasons therefore shall be set forth in specific terms, as shall an identification of the specific ways in which the bargaining unit member is to improve, and of the assistance to be given by the Employer towards that improvement. In subsequent observation reports, failure to again note a specific deficiency shall be interpreted to mean that adequate improvement has taken place. Alternatively, the supervisor shall note that such previously cited deficiency was not observed.
- I. At the completion of the probationary period, a WRITTEN evaluation of the bargaining unit member's work shall be completed in accordance with the procedures set forth herein.
- J. All written evaluations shall be placed in the bargaining unit member's personnel file.
- K. In the event a non-probationary bargaining unit member is not continued in employment, the Employer will advise the bargaining unit member of the specific reasons therefore in writing and provide a copy to the Association.
- L. The evaluation form is attached to and incorporated into this Agreement as Appendix C.

#### ARTICLE 12: DISCIPLINE

- A. A bargaining unit member may be suspended with or without pay, or otherwise disciplined or discharged provided the Employer has just cause to do so. Such disciplinary action shall be subject to the Grievance Procedure unless the employee is a probationary employee. Prior to the imposition of any disciplinary action, the Employer will advise the bargaining unit member of his/her right to have an Association representative present.
- B. Demotion is an involuntary transfer to a position carrying a lower hourly rate. In cases of demotion, the bargaining unit member shall be entitled to receive the written reasons for same within ten (10) working days of his/her written or verbal request.
- C. The Board agrees to furnish written notification of disciplinary action to the bargaining unit member and the Association President.
- D. Normally, progressive correction shall include an oral warning, a written reprimand, suspension with pay, suspension without pay and discharge. It is understood that certain steps in the disciplinary sequence may be omitted when the nature and severity of the offense so warrant.
- E. Except as provided in Section A of this Article, all disciplinary action taken against a bargaining unit member shall be in private. Unless the bargaining unit member is to be removed from the premises for the balance of the work period as a result of the disciplinary action taken, the imposition of discipline will not be scheduled at a time when the same will precede and/or interrupt the bargaining unit member's regularly scheduled hours of work without agreement of the bargaining unit member. It is understood that if the imposition of disciplinary action is to take place after the normal working hours, the Employer shall not be entitled to additional pay.

- F. A bargaining unit member shall have the right, upon request, to review the contents of his/her personnel file in the presence of an administrator. At the bargaining unit member's option, a representative of the Association may accompany the bargaining unit member at the time of said review.
- G. Bargaining unit members shall sign for the receipt of disciplinary documents (reprimands, suspensions and/or warnings), it being understood that the signature only implies receipt. The bargaining unit member may have his/her written statements attached to the (personnel) file copy of such documentation.
- H. The Employer will continue its practice with respect to disciplinary action in connection with certain misconduct. Same is set forth in a Letter of Agreement dated November 29, 1990 which is attached to and incorporated into this Agreement.

ARTICLE 13: VACANCIES, ASSIGNMENTS AND TRANSFERS

- A. A vacancy shall be defined as a bargaining unit position for which there is no bargaining unit member with a contractual right to return and which the Employer intends to fill or a newly created position which the Employer intends to fill.  

An increase or decrease of hours of the same job shall not create a vacancy unless the qualifications of the job are altered.
- B. Vacancies shall be posted for at least five (5) full work days prior to filling same permanently.
- C. During the summer months, when school is not in session, postings for vacancies shall be mailed to each bargaining unit member in Food Services who submits a written request to the Food Services Coordinator prior to the last day of school in any year. Such vacancies shall not be permanently filled for seven (7) calendar days from the mailing date.
- D. A job posting shall set forth the job title, its schedule of hours and location together with the job duties and the minimum requirements necessary to perform the work.
- E. Any bargaining unit member may make written application for a vacancy with the appropriate coordinator.
- F. Vacancies shall be filled with the most qualified applicant on the basis of seniority, qualifications and the ability to perform the work. The coordinator shall determine who is the most qualified applicant. Where qualifications of the applicants are equal, a vacancy shall be filled by the most senior qualified bargaining unit member applicant on layoff. Should there be no bargaining unit member on layoff such vacancy shall be filled with the most senior applicant from the classification in which the vacancy arose.
- G. The Employer reserves the right to fill vacancies on a temporary basis, subject to the provisions of Article 3, Section F.
- H. A substitute who fills a vacancy on a temporary basis shall not have claim to such vacancy by virtue of his/her filling same temporarily.
