Whereas, the parties have reached certain understandings which they desire to confirm in this agreement.

In consideration of the following mutual covenants, it is hereby agreed as follows:

II. RECOGNITION

The Board hereby recognizes the Association as the exclusive bargaining representative, as defined in Section II of Act 379, Public Acts of 1965, for all professional personnel including full time and part tenured and probationary classroom teachers, librarians and guidance counselors employed under contract by the Board (whether or not assigned to a public school building). The bargaining unit shall exclude all administrative employees including superintendents, assistant superintendents, directors of school community relations, principals, assistant principals, school business managers, director of counseling, athletic director, Chapter I director and all other employees including teacher substitutes. A substitute teacher will be classified a member of the bargaining unit when he/she occupies a position for more than ninety (90) days.

III. ASSOCIATION AND TEACHERS' RIGHTS

- A. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every employee of the Board included in this bargaining unit shall have the right to freely organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental powers under cover of law of the State of Michigan, the Board undertakes and agrees that it will not deprive or coerce any teacher in the enjoyment of any rights conferred by the Act of other laws of Michigan or the constitutions of the United States or Michigan; that it will not discriminate against any teacher with respect to hours, wages, or any terms of employment or

conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board, and his/her institution of any grievance, complaint or proceeding under this Agreement, or otherwise with respect to any terms or conditions of employment.

- B. Nothing contained herein shall be construed to deny or restrict any teacher rights he/she may have under the Michigan General School Laws or other laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.
- C. Onsted employees within the bargaining unit represented by the Association may be allowed to use school buildings at reasonable times with prior approval of the Superintendent. No competing teacher organization shall be granted the right to use school buildings for meetings. When custodian services are required, the Board may make a reasonable charge therefor. No charge shall be made for use before commencement of the school day or until 6:00 P.M.
- D. Duly authorized representatives of the Association who are employees of the Onsted School District shall be permitted to transact official Association business on school property, provided that this shall not interfere with or interrupt normal school operations, nor in any case shall it be discussed during scheduled classes or scheduled study hall periods or during preparation time except upon the express prior approval of the administration.
- E. Employees in the bargaining unit shall be granted the right to use school facilities and equipment, including typewriters, computers, copier and fax machines, audio-visual equipment and calculating machines, other than during school hours when such equipment is not otherwise in use. The Association shall pay for the reasonable cost of all materials and supplies incident to such use. All arrangements must be made through the building principal.
- F. The Association shall have the exclusive right to post notices on teacher bulletin boards. At least one shall be provided in each building on a location agreeable to both parties. The Association may use the intraschool mail service and the teachers mailboxes for communication to teachers. Items to be posted shall be submitted to the Secretary of the Association. The administration and the Board of Education shall not be held liable for Association materials which may be placed in their possession. All Association material will clearly be marked "Lenawee County Education Association, OEA, M.E.A.-N.E.A."
- G. The Board agrees to furnish to the Association in response to reasonable requests all publicly available information concerning the financial resources of the district, tentative budgetary requirements and allocations, and other generally available public information.
- H. The Board agrees in principle that it is advisable to consult the Association on tax programs, construction programs, or major revisions of educational policy which are proposed, and where possible, the Association may be given the opportunity to advise and consult with the Board on said matters prior to their adoption.
- I. The private and personal life of any teacher is not within the appropriate concern of the Board unless his/her conduct should adversely affect his/her relationship with students or the discharge of his/her teaching and other school related duties.
- J. The Board shall place on the agenda of each regular meeting, as an early item, under items listed as "new business", any matters being presented by the Association as long as these matters are presented to the Superintendent's office 56 hours prior to said regular meeting. Position on the agenda will be determined by the Superintendent.
- K. The rights granted herein to the Association shall not be granted or extended to any competing teacher organization.
- L. Each teacher shall have the right, upon written appointment, to review the contents of his/her own personal file, which is located in the Board of Education office. A representative of the Association

may, at the teacher's request, be present at this review. Each teacher's personal file shall contain the following minimum items of information:

1. All teacher evaluation reports
2. Copy of teacher's certificate
3. Transcript of academic records
4. Tenure recommendation, dated
5. Birth certificate, or certified copy
6. Social Security number

The time of review shall be no later than three (3) working days after the written request is submitted. All copies of past annual contracts shall also be available at the time set for the review.

The contents of any teacher's file shall not be divulged to any unauthorized person. Privileged information such as confidential credentials, letters of reference from universities, individuals, or previous employers are specifically exempted from such review. The administration shall remove such credentials and confidential reports from the file prior to a review of the file by the teacher.

In the event a third party is requesting the personnel file of an employee, the affected employee will be notified immediately. The district will allow five (5) business days before disclosing the employee's personnel file to a third party.

Teachers will receive written notification if documents of a disciplinary nature or complaints regarding the teacher by parents or the community are placed in the teacher's personnel file. Notification will be within three (3) days.

Teachers shall have the right to review all other personal files.

- M. In the event any bargaining unit member has responsibilities and/or duties in different buildings, said member shall be assigned by the administration to a building principal, for the purpose of teacher evaluations, staff meetings, and other duties of said member.
- N. In the event any bargaining unit member has responsibilities and/or duties in a building where the member's principal does not maintain his/her office, e.g. a fourth grade class housed in the middle school building, consideration will be given to providing a personal two way communication system with said office.
- O. A copy of the Board's minutes will be sent to the Association president.

IV. BOARD OF EDUCATION RIGHTS

The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and/or the United States, including, but without limiting the generality of the foregoing; the management and control of school properties, facilities, grade levels and courses of instruction, athletic and recreational programs, methods of instruction, library

resources, materials used for instruction, and the selection, direction, transfer and promotion or demotion, discipline or dismissal of all personnel. The exercise of these powers, rights, authority, duties and responsibilities by the Board and the adoption of such rules, regulations and policies as it may deem necessary, shall be limited only by the specific and express terms of this agreement.

V. PROFESSIONAL DUES OR FEES AND PAYROLL DEDUCTIONS

- A. Any bargaining unit member who is not a member of the Association in good standing or who does not make application for membership within thirty (30) days from the first day of active employment shall, as a condition of employment, pay a Representation Benefit Fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and Administrative Procedures adopted pursuant to that policy. The Representation Benefit Fee shall not exceed the amount of the Association dues collected from Association members. The bargaining unit member may pay such fee directly to the Association or authorize payment through payroll deduction, as herein provided. In the event that the bargaining unit member shall not pay such Representation Benefit Fee directly to the Association, or authorize payment through payroll deduction, the employer shall upon completion of the procedures contained in paragraph C. and pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association deduct the Representation Benefit Fee from the bargaining unit member's wages and remit same to the Association.

In the event there is a change in the status of the law, so that mandatory deduction from wages pursuant to the paragraph above is prohibited, the employer, at the request of the Association, shall terminate employment of a bargaining unit member that refuses to authorize the deduction of the representation benefit fee. The termination of employment shall not occur until the procedures set forth in paragraphs B. and C. have been fully met. The parties expressly agree that failure of any bargaining unit member to comply with the provisions of this article is just cause for discharge from employment.

- B. The Association has established a "Policy Regarding Objections to Political Ideological Expenditures." That policy and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-association bargaining unit members. The remedies set forth in such policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this article shall be subject to the grievance procedure set forth in this Agreement, or to any other administrative or judicial procedure.

The Association assumes all responsibility for furnishing non-union bargaining unit members a copy of the policy, timetables for payment and administrative procedures to the non-association bargaining unit member and will hold the Board of Education harmless for its failure to do so.

- C. The Association in all cases of mandatory fee deduction pursuant to MCLA 408.477; MSA 17.277(7) shall notify the teacher of non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for wage deduction may be filed with the Board in the event compliance is not effected. If the teacher fails to remit the service fee or authorized deduction for same, the Association may request the Board to make the deduction. The Board upon receipt of the request for an involuntary deduction shall provide the teacher with an opportunity for

a due process hearing limited to the question of whether or not the teacher has remitted the service fee to the Association or authorized payroll deduction for same.

The provisions of paragraph B. shall apply equally in the event discharge of the bargaining unit member is sought by the Association, if mandatory deduction is not permitted by law.

- D. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year. Consequently, the parties agree that the procedures in this article relating to the payment or non-payment of the representation fee by non members shall be activated thirty (30) days following the Association's notification to non-members of the fee that given school year. In such event, it is agreed that the employee remains obligated for the entire annual representation fee.
- E. The Board of Education agrees to deduct from the salaries of teachers the professional dues of the Association or a non-member's service fee when authorized in writing by each teacher desirous of having such dues or fees deducted.

Such authorization shall continue in effect from year to year unless revoked in writing between June 1 and September 1 of any year. Pursuant to such authorization, the Board shall deduct one tenth (1/20) of such dues or service fees from the first (20) regular pays, beginning in September and ending in June of each year and forward the dues/fees monthly to the LCEA designate. Deductions for teachers employed after the commencement of the school year shall be appropriately prorated to complete payments by the following June.

- F. With respect to all sums deducted by the Board pursuant to authorization of the employee, whether for membership dues, or representation fee, the Board agrees promptly to disburse said sums to the Association's designate.
- G. All refunds claimed for deductions under such dues authorizations shall lie solely with the Association. The Association agrees to reimburse any teacher for the amount of any deduction made by the Board and paid to the Association, which deduction is by error in excess of the proper deduction.
- H. Any dispute between the Association and the Board which may arise as to whether or not an employee properly executed or properly revoked an authorization slip pursuant to this article shall be reviewed with the employed by a representative of the Board until the matter is resolved, no further deduction shall be made. The Board assumes no liability for the authenticity, execution or revocation of the authorization form.
- I. The Association agrees to indemnify and save the district including individual school board members and their agents, harmless against any and all fees, awards, claims, demands, costs, suits, judgment or other forms of liability which may arise out of or by reason of action taken by the district or its agents in complying with this article. If at any time this save harmless is declared unenforceable or void, the agency shop provision of this agreement shall be declared nugatory. The association has the right to choose legal counsel to defend any said suit or action.

VI. TEACHING HOURS AND CLASS LOAD

- A. The teaching day for all teachers shall start 15 minutes prior to the regularly scheduled school day and end 20 minutes after the regularly scheduled school day, except that on Fridays and the day before holidays the teachers may leave five minutes after dismissal. The preparation period shall be used for class preparation, correcting papers, assisting pupils, parent conferences and is not to be considered free time for personal or Association business. Teachers may be assigned other supervisory duties during the regularly scheduled day not to include the scheduled teacher's lunch period and/or the unassigned preparation period.

The teachers not assigned to study hall on a particular day will use the time off for planning and preparation. In the event the Board cancels special classes due to financial difficulties, this section shall not continue in effect.

- C. If at any time during the life of the contract, the instructional hours of any student is below the minimum state requirement, the board and the Association agree to reopen this section of the contract.
- D. All teachers shall be entitled to a duty free lunch period of no less than thirty (30) minutes.
- E. A teacher engaged during the school day in negotiations or arbitration on behalf of the Association regarding Onsted teachers with any representative of the Onsted Board, shall be released from regular duties without loss of salary not to extend beyond two days.
- F. There shall be no overload assignments in High School and Middle School. (Definition: A teacher who takes an extra class for the semester for extra pay during the regularly scheduled school day - this does not include emergency substitutes.) In the event a teacher is requested to teach in place of another teacher during his/her conference hour, the teacher will be compensated at the teachers hourly rate per Schedule A. This shall be voluntary unless in cases of emergency and opportunities will be assigned on a rotating basis. All teacher payments and time off will be recorded on time sheets and documented as established by the business office.
- G. The maximum load of elementary students is listed below. Elementary teachers whose assigned classes exceed 32 students shall be supplied with the services of an aide for two (2) hours per day to the maximum of 37. Beyond 37, the teacher shall be supplied the services of an aide at the rate of one (1) hour per day per student. - B. An involuntary transfer will be made only in case of emergency or to prevent disruption of instructional programs. The Principal shall notify the affected teacher of the reasons for such transfer. If the teacher objects to transfer for the reasons given, the dispute may be resolved through the professional grievance procedure.

XII. VACANCIES AND PROMOTIONS

- A. The Association recognizes that when vacancies occur three weeks prior to the start of or during the school year, it may be difficult to fill them from within the district without disruption to the existing instructional program. If the Superintendent, in his reasonable judgment so determines, such vacancies may be filled on a temporary or tentative basis until the end of the current school year at which time the position will be considered vacant. A vacancy shall be defined for the purpose of this agreement as a position unfilled.
- B. The Board declares its support of a policy of filling vacancies from qualified teaching personnel within the district. Whenever a vacancy arises, the Superintendent shall promptly post notice of such vacancy on a bulletin board in each school, for no less than three weeks before the position is filled and notify the Association in writing that this position is being posted.

Vacancies shall be filled on the following basis:

- 1 Experience - number of years in position
- 2 Competency - satisfactory performance
- 3 Qualifications - educational background, training outside of district and certification
- 4 Length of service in district - total years of service in district
- 5 Seniority - total years of continuous service

When experience, competency, qualifications and length of service are substantially equal, the applicant with greater seniority shall be selected to fill the vacancy. Any new position shall be posted with an accompanying job description. The most highly qualified applicant for a particular vacancy will be selected by the district; however, when in the determination of the district, qualifications of both internal and external applicants are equal the internal applicant with the most seniority will be granted the position.

XIII. TEACHER EVALUATION AND PROGRESS

The parties recognize the importance and value of developing a procedure for assisting and evaluating the progress and success of both newly employed and experienced teaching personnel. Therefore, the following procedure has been agreed to in an effort to accomplish these goals.

- A. Teachers will be informed on the first teacher work day of the school year of specific effective teaching criteria upon which they will be evaluated. A written copy of the district's criteria agreed to by the parties shall be distributed to each teacher.
- B. A district administrator will orient the teachers to the district's specific effective teaching criteria, and will present an analysis of a model lesson design on the first teacher work day of the school year. It is understood that a particular lesson or lesson plan may not include all the components of a model lesson design.
- C. Tenure teachers shall be evaluated no less than once every three years.
- D. A district administrator will conduct a pre-observation conference which will review again the evaluation process and preview the day's lesson objectives, place in course, teaching/learning activities, teaching behaviors, methods of measuring learning and any other behaviors the teacher might want monitored. This pre-observation conference will be held two (2) school days prior to the formal observation.
- E. A district administrator will conduct an open classroom observation of not less than one (1) class period at the secondary level and one (1) teaching lesson within fifty (50) consecutive minutes at the elementary level. No evaluation observation shall unduly interfere with the normal teaching-learning process. All classroom monitoring or observation of the performance of a teacher for evaluative purposes shall be conducted openly and with the full knowledge of the teacher.
- F. Within five (5) school days of an observation, the teacher will have a post-observation conference with the evaluator to discuss the observation. If an administrator believes a teacher is doing satisfactory work, a discussion will take place in the conference reinforcing the strengths of the teacher's performance. Within seven (7) school days of the conference, a written teacher performance evaluation will be given to the teacher. At the teacher's request, a final personal conference may be held within five (5) school days of receipt of the written evaluation. If an administrator believes a teacher is doing unsatisfactory work, the reasons and specific ways in which the teacher is to improve, and the assistance to be given by the administrator will be discussed with the teacher and reflected in a written job improvement target plan. The teacher may submit a response to the plan which shall be attached to the plan. A period of forty-five (45) teaching days will be granted in order to improve the teaching performance during which time conferences between the administrator and teacher will take place. The teacher shall have the right of representation in any conference.

(The following section G does not apply to a first year probationary teacher who has been through the 45 day job improvement target plan when a decision has been made for non-renewal.)

- G. Following the expiration of the above mentioned period, if the teacher has not improved, a copy of the written job improvement target plan will be placed in the personnel file, and a written teacher performance evaluation will be given to the teacher, diagnosing the teacher's deficiencies. An intensive assistance program, prescribing further requirements, shall be instituted.
- H. The intensive assistance program will include the specific areas of deficiencies, a prescription for improvement, a set time limit of no less than one hundred thirty five (135) teaching days to correct the deficiencies, and precise consequences should the teacher fail to attain the level of improvement prescribed by the administration.

- I. All administrators involved in observations/evaluations shall be trained in the techniques and criteria to be used in the evaluation process.
- J. In accordance with Public Act 335 of 1993, Section 1426, for the first 3 years of employment in classroom teaching, a teacher shall be assigned 1 or more master teachers, or college professors or retired master teachers who shall act as a mentor or mentors to the teacher. The building principal shall make the assignment(s). The Mentor Teacher assignment shall be subject to review by the Mentor Teacher and the Mentee after each semester. Either the Mentor Teacher or the Mentee may terminate the relationship at that time. Participation as Mentor Teacher is voluntary.

The building principal shall publish a listing of mentors and mentees annually.

The Mentor Teacher shall not be involved in evaluating the Mentee. A Mentor Teacher shall receive \$150 per semester for being a Mentor Teacher. The Mentee shall be paid \$50 per day if the fifteen (15) professional development days required by P.A. 335 are not within the parameters of the regular workday and work year.

- K. By the end of each probationary year, a final written evaluation report shall be furnished to the Superintendent covering each probationary teacher. Attempts will be made to furnish this report by April 15th. A copy shall be furnished to the teacher and the Association. If the report contains any information not previously made known to and discussed with the probationary teacher, the probationary teacher shall have an opportunity to submit additional information to the Superintendent. The non-renewal of a probationary teacher shall not be subject to arbitration. The grievance procedure shall not apply to those areas covered by the Tenure Act, including, but not limited to the discharge and/or demotion of a tenure teacher.
- L. The Board agrees that evaluations shall not be used as punishment, discipline or reprimand; however, the process outlined above shall not be interpreted as punishment, discipline or reprimand. It is understood and agreed by the parties that the evaluation procedure is subject to the grievance procedure. It is expressly understood that the evaluation of the teacher and the criteria used to evaluate the teacher are not subject to the grievance and arbitration procedure.
- M. In the event the teacher feels an evaluation is unjust, he/she may put his/her objections in writing and have them attached to the evaluation report to be placed in his/her personnel file.
- N. Commencing in the 1997-98 school year, the Board shall establish a committee to study the instrument used to evaluate the teaching staff. The committee shall be composed of two representatives each from the teaching staff, the administration and the Board of Education.

Upon completion of the study, the committee shall present their recommendations to the Board of Education, and the resulting Board action on the recommendations will be recorded.

The committee will meet every four (4) years for the purpose of reviewing the evaluation instrument.

XIV CALENDAR - ACT OF GOD DAYS

- A. For the term of this agreement, the annual school calendar (Appendix A) shall coincide as nearly as possible with the Intermediate School District calendar. The school calendar shall consist of:

Year	Student Days	Teacher Prep Days	Record Days	Staff Dev Days	Total Days
1997-1998	181	1	1	1	184
1998-1999	182	1	1	2	185
1999-2000	183	1	1	2	186

The total annual salary of each teacher is based upon the total number of days scheduled. If the Onsted Schools are canceled because of an Act of God during the week of final exams and there has been at least one (1) other Act of God cancellation during the first semester, final exams will be given the Friday morning of that week and records day will be held in the afternoon of said Friday. The second semester will begin the following Monday. In the event the first Act of God day occurs on a scheduled exam day, exams will be administered on Records day with Records Day being moved to the subsequent Monday.

In the event additional instructional days become necessary the first days to be used for makeup will be mid-winter break. If within two (2) weeks of mid-winter break, additional makeup days are not necessary the mid-winter break will remain as scheduled.

- B. Should a closing occur because of conditions not within the control of school authorities require the scheduling of additional days of student instruction, because previously scheduled days could not be counted to meet State minimum student attendance requirements, the days shall be made up at the end of the school year unless negotiated differently.
- C. If, at any time during the life of this Agreement, it becomes lawful to count as days of pupil instruction, days when pupil instruction is not provided due to conditions not within the control of school authorities, such as due to inclement weather, fires, epidemics or health conditions, it is agreed that the following school closing provision shall become immediately effective:

When an Act of God or an employer directive forces the closing of a school or other facility of the employer, bargaining unit members shall be excused from reporting to duty without loss of pay. Days lost due to school closing under the foregoing circumstances shall not be rescheduled.

To the extent that any other provision of the collective bargaining agreement such as the school closing provision, school calendar or the like shall be inconsistent with the foregoing, such provisions shall be null and void as to the extent of the inconsistency.

XV. CONTINUITY OF OPERATIONS

- A. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operations. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruptions during the period of this agreement. The Association accordingly agrees that it will not, during the period of this agreement, directly or indirectly engage in or assist in any strike, as defined by Section I of the Public Employment Relations Act.
- B. Nothing in this article shall require that the Board keep the schools open in the event of severe or inclement weather or otherwise when prevented by an Act of God. When the schools are closed to students due to the above conditions, teachers shall not be required to report for duty.

 - K. Notwithstanding the expiration of this agreement, any claim of grievance arising thereunder may be processed through the grievance procedure until resolved.
