ARTICLE IV EMPLOYEE RIGHTS AND RESPONSIBILITIES

- A. Non-Discrimination

As a duly elected body exercising governmental power under the color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage, or deprive or coerce any employee in the enjoyment of any rights conferred by the laws of Michigan, or the Constitution of Michigan and the United States; that it will not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reasons of his/her membership in the Association; his/her participation in any activities of the Association or collective negotiations with the Board, his/her institution of any grievance, complaint or proceeding under this Agreement, or otherwise with respect to any terms or conditions of employment. Any grievance which may arise under this specific charge of discrimination must state clearly the manner in which all parties were treated differently than said grievant which forms the basis for the charge of discrimination.

B. Discipline

1. No employee except probationary employees shall be disciplined without good and sufficient reason. Any such discipline shall be subject to the grievance procedure. The specific grounds forming the basis for disciplinary action will be made available to the employee and the Association in writing.
2. An employee shall be entitled to have present Association representation during any meeting which disciplinary action is expected to take place. When a request for such representation is made, no action shall be taken with respect to the employee until the employee's local Association steward is present. Whenever the possible discipline is more severe than a written reprimand, such representative may, at the employee's request, be a MEA staff representative. This shall not deny the Board or its agents the right to temporarily suspend an employee for serious offenses.
3. No employee, except probationary employees shall be discharged without just cause.

C. Files and Records

1. Each employee shall have the right to review non-confidential district records maintained in the employee's personnel file. A representative of the Association may accompany the employee in such review. The review shall be done by appointment within five (5) working days of the request.

The employee may submit a written notation regarding any material, including complaints, and the same shall be attached to the materials in question. Any employee's signature on materials indicates awareness of but not necessarily agreement with the material.

**ARTICLE V
ASSOCIATION RIGHTS**

A. Special Conferences

Special conferences for important matters will be arranged between the Association President and the designated representative of the Board upon the request of either party.

B. Bulletin Boards and School Mails

The Association may use a portion of the staff lounge bulletin board, if available, for the purpose of posting Association materials. The Association also has the right to

use the school mails to distribute association materials, provided it does not require the Board or its representatives to process or handle such mail. Employees may use the designated bulletin board space for the purpose of personal messages and items of interest which do not detract from the orderly performance of work or the ability of employees and/or supervisors to maintain and foster positive working and personal relationships at work.

C. Use of Facilities and Equipment

The local Association shall have the right to use school facilities for meetings and school equipment, including typewriters, mimeographic machines, other duplicating equipment, calculating machines, and all types of audio-visual equipment during non-duty time when such equipment is not otherwise in use. School equipment shall not be operated by persons who do not have knowledge of the manner by which to operate it properly.

D. Association Representation

There shall be two (2) stewards of equal standing for the purpose of employee representation. Stewards shall be regular employees of the bargaining unit. The Association shall furnish in writing, to the Board, the names of stewards upon their election or appointment.

E. Relevant Information

The Board and the administration will grant reasonable specific requests for "readily available" and pertinent information which may be relevant to negotiations or the processing of any grievance in accordance with the Freedom of Information Act.

F. Association Released Time

The Employer shall provide up to a total of eight (8) working days per contract year of released time for unit members to attend a function of the Association such as conferences, training sessions and conventions.

The Employer shall pay the first two (2) days of any substitute costs incurred. If there is a third day of substitute cost incurred, this cost shall be equally shared by the Employer and the Association. Substitute costs incurred for days four (4) through eight (8) shall be paid for by the Association.

No more than two (2) unit members at any one time may utilize such release time unless approved by the Board or its designated representative.

**ARTICLE VI
ASSOCIATION SECURITY**

- A. The Board agrees not to negotiate with any labor organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual employee from presenting a grievance and having the grievance adjusted without intervention of the Association if the adjustment is consistent with the terms of this Agreement and provided that the Association has been given an opportunity to be present at such adjustment.
- B. The Board agrees that it shall be a condition of employment that full-time and regularly scheduled part-time employees shall have the right to freely join or refrain from joining the Association and shall not be discriminated against by reason of joining or refusing to join the Association or by reason of the institution of any grievance, complaint or proceeding under this Agreement against either party or another employee. Each employee covered by this Agreement shall, within thirty-one (31) working days from his/her employment date or the signing of this Agreement, whichever is applicable, join the Association and pay dues or pay a service fee to the Association.
- C. Deductions: Pursuant to Chicago Teachers' Union v Hudson, 106 S. CT. 1006 (1968), the union has established a "policy regarding objections to political-ideological expenditures." That policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non- union bargaining unit members. The remedies set forth in such policy shall be exclusive, and unless and until such procedures, including any contractual, administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by any objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in the agreement, or any other administrative or judicial procedure.
- D. The Association, in all cases of involuntary wage deduction for violation of this Article, shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for involuntary wage deduction may be filed with the employer in the event compliance is not effected. If the bargaining unit member in question denies that he/she has failed to pay the service fee, then he/she may request, and shall receive, a hearing before the employer limited to the question of whether he/she has failed to pay the service fee.

With respect to all sums deducted by the employer pursuant to authorization of the employee, whether for the professional dues or representation benefit fee, the employer agrees promptly to disburse said sums upon direction of the Association.

Payroll Deduction. Upon written authorization by a bargaining unit member or pursuant to non-payment of dues or service fees (above), the employer will deduct the appropriate amount of dues or service fees from the bargaining unit member's

wages. The deductions will be made in equal amounts from the paychecks of the bargaining unit member beginning with the first pay following receipt of the written authorization from the bargaining unit member or the Association and continuing through the last pay period in June of each year. Monies so deducted will be transmitted to the Association or its designee, no later than twenty (20) days following each deduction.

In the event that the bargaining unit member shall not pay such service fee to the Association, or to authorize payment through payroll deduction, the employer shall, pursuant to MCLA 408.477, MSA 17.277 (7), and at the request of the Association, deduct that same fee from the bargaining unit member's wages and remit same to the Association

- E. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year (December, January, or February). Consequently, the parties agree that the procedures in the Article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Association's notification to non-members of the fee for that given school year.
- F. Upon appropriate written authorization from the bargaining unit member, the Board shall deduct from the salary of any such bargaining unit member, no later than the next payroll date after all required documents are submitted and verified, and make appropriate remittance for MEFSA's MEA-sponsored programs (tax-deferred annuities, auto insurance, homeowner's insurance, etc.), MESSA programs not fully employer-paid, credit union, savings bonds, charitable donations, MEA-PAC/NEA-PAC contributions or any plans or programs jointly approved by the Association and Employer, and in accordance with the law to a maximum of five (5) deductions per pay beyond the standard deduction, provided that once such deduction is authorized, it shall be subject to change only at the beginning of each subsequent semester, except those deductions required because of a loan through a credit union shall be accommodated. Only one such deduction shall be used by an Employee for a tax sheltered annuity. Payments shall be made no less than monthly.
- G. The Association agrees to indemnify and save the Board, and including each individual school board member, harmless against any and all claims, demands, costs, suits, or other forms of liability including back pay and all court and administrative agency costs that may arise out of or by reason of action by the Board for the purpose of complying with the discharge procedures of this Article subject, however, to the following conditions:
 - 1. The employer gives timely notice to the Association and permits the Association intervention as a party if it so desires.
 - 2. The Association, after consultation with the Board, has the right to decide whether to contest or settle any said action, or whether or not to appeal the

decision of any court or other tribunal regarding the validity of this section or any claim or defense which may be asserted against the Board.

3. The Association has the right to choose the legal counsel to defend any such suit or action and the Employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses and making relevant information available.
 4. The Association shall have the right to compromise or settle any claim made against the Board under this Section.
- H. Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the Employer an assignment authorizing the deduction of dues, assessments and contributions in the Association as established by the Association. Such authorization shall continue in effect from year to year unless revoked according to the procedures outlined in the MEA Constitution, Bylaws and Administrative Procedures. The Employer shall be entitled to rely upon the forms provided by the Association for this purpose. Pursuant to such authorization, the Employer shall deduct from one salary check of the bargaining unit member each month for ten (10) months, beginning in September and ending in June of each year, not to exceed ten (10) deductions. Any Employee who shall not perform services for any entire month of the school year shall have his/her dues reduced by one-tenth (1/10) of the yearly dues for each entire month he/she did not work, except where the failure to perform services during the month was a result of the Employee taking paid leave provided for in this Agreement.

The arbitrator shall be selected in accordance with the rules of the American Arbitration Association, which rules shall also govern the arbitration proceeding.
2. Powers of the arbitrator are subject to the following limitations:
 - a. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
 - b. He/she shall have no power to establish salary scales or to change any salary scale.

- c. He/she shall not hear a grievance barred through this Agreement from the scope of the grievance procedure.
- d. In the event that a case is appealed to the arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
- e. More than one grievance may not be considered by the arbitrator at the same time except upon express written mutual consent and then only if they are of similar nature.
- f. The arbitrator shall have no power to award punitive damages.
- g. Arbitration awards or grievance settlements will not be made retroactive beyond the date of the occurrence or non-occurrence of the event upon which the grievance is based. In no event, however, shall the settlement be earlier than thirty (30) days prior to the date on which the grievance is filed.
- h. All evaluations shall be specifically excluded from review by the arbitrator.
- i. The fees and expenses of the arbitrator shall be apportioned as follows:
 - (1) If the grievance is granted in full as requested by the union, the employer shall pay the fees and expenses of the arbitrator in full.
 - (2) If the grievance is denied, the fees and expenses of the arbitrator shall be paid in full by the union.
 - (3) If the grievance is granted in part and denied in part, the arbitrator shall apportion the fees and expenses on a percentage basis according to the degree to which each party failed to prevail.

ARTICLE XI SENIORITY

- A. All employees hired into the unit shall serve a minimum of ninety (90) calendar days probationary period with at least sixty (60) days of probation served on days students are in attendance. A newly hired probationary employee shall not accrue seniority until the completion of the probationary period, but then shall accrue seniority from the date of hire.

Employees transferring from one job classification to another job classification shall be subject to a sixty (60) day trial period. Employees transferring within the same job classification to a different level (i.e.-elementary, middle school, high school) shall be subject to a thirty (30) day trial period. During this trial period the employee shall have the opportunity to revert back to his/her former assignment. If the employer deems the employee is not performing sufficiently in the new position, the employer has the right

to return the employee to his/her former position. The employer shall be entitled during this interval to fill the transferring employee's former assignment with a temporary employee.

- B. Seniority shall be defined as the length of continuous service within the bargaining unit within a classification included in this bargaining unit. An employee shall be granted a full year's seniority (1.000 year) for each work year completed regardless of the difference in employee work weeks per year.

Partial year seniority credit shall be accumulated as a ratio of days paid/worked (excluding holidays) to days scheduled to work per year. Times on leave of absence or layoff shall not constitute a break in continuous service.

- C. A seniority list shall be prepared and maintained by the district. Employees shall be listed in order of seniority. Accompanying the name of each employee shall be a listing of the employee's current job classification and previous classification held within the district for a period of more than one (1) consecutive year. Said seniority list shall be presented to the Association annually during the month of November for review. Corrections shall be brought to the attention of the administration within thirty (30) days thereafter. In the absence of a timely objection, the employer's seniority list will be considered conclusive.

After July 1, 1989, ranking of Employees who assume their duties on the same day shall be done in order of the highest last four digits of the Employees' social security numbers. In the event of ties which develop as a result of loss of seniority, ranking shall be determined by giving the highest seniority ranking to the Employee who was senior according to the previous seniority list.

- D. Seniority shall be lost by an employee upon termination, resignation, retirement, or the failure to return from a leave or layoff as elsewhere stipulated in this Agreement.
- E. The original seniority list shall not be subject to the grievance procedure.

ARTICLE XII VACANCIES AND PROMOTIONS

- A. A vacancy shall be defined as any position, either newly created or a present position, that is not filled. An interim unfilled position due to the layoff procedure shall not be construed as a vacancy. An interim unfilled position due to an employee transferring to another position within the bargaining unit shall not be construed as a vacancy during the trial period.
- B. Whenever any vacancy for a position covered under this Agreement shall occur from September through June, the Board shall publicize the same by giving written notice of such vacancy to be posted in every school building and Central Office. Vacancies occurring during the months of July and August shall be publicized by mailing a notice of such vacancy to each employee covered under this Agreement who has requested

in writing prior to June 1st of each year to be placed on a special summer mailing list. The posting of vacancies in each school building or the mailing of requested summer notices shall serve as constructive notice to each bargaining unit member of a position vacancy. Upon posting a vacancy, as outlined above, the position shall remain vacant for five (5) working days. Any position may be filled on a temporary or emergency basis while posting or notice requirements are being satisfied. Postings between August 15 and August 30 shall not be subject to the procedure specified above and may be filled with a shorter posting period.

- C. When a vacancy occurs, an employee shall be granted an interview if he/she meets the minimum qualifications as posted.
- D. When an employee is asked by a supervisor to substitute in a higher paying classification covered under this Agreement for five consecutive days or more, said employee shall be paid retroactively to the first consecutive day at the higher rate.
- E. Upon request from an employee, the supervisor may approve an employee to substitute in the absence of an employee in a higher pay level position, with no increase in pay rate, when the position will require a substitute for a period of five (5) work days or more. The duration of the substitute work may be limited by the supervisor.

ARTICLE XIII LAYOFF AND RECALL

It is hereby specifically recognized that it is within the sole discretion of the Board to reduce its educational support staff and that the procedures set forth in this article shall be used in laying off employees.

LAYOFF

- A. The Board shall give no less than twenty-one (21) calendar days notice to the employee (Classifications 1-5 and 7) covered under this Agreement being laid off. Classroom Assistants (Classification 6) shall be given no less than five (5) calendar days notice of layoff. One (1) day notice shall be given in case of employee work stoppage by any employee group of the school district.
- B. In the event of a reduction in work force, the Board shall first lay off newly hired probationary employees within a specific classification. If further reductions are necessary within a specific classification, then the employee with the least cumulative district seniority in the specific classification being affected by reduction in work force shall be laid off next.
- C. A non-probationary employee who is laid off pursuant to paragraph B of this Article has the right to be administratively placed in a position for which he/she is "qualified" under the procedures specified below.

1. The laid off non-probationary bargaining unit member, if he/she possesses sufficient seniority, shall first be assigned to displace the least senior employee within the same job classification.
2. If displacement cannot occur within the employee's existing job classification, the bargaining unit member, if he/she possesses sufficient seniority within another job classification, shall be assigned to displace the least senior employee in another job classification of equal or lower pay covered by this Agreement provided that the bargaining unit member meets the posted job qualifications of the position for which he/she seeks assignment. A full-time employee will be considered for a full time placement if possible. A part-time employee will be considered for a position commensurate with his/her current hours of employment. If the employer determines that the job specifications would be met through assignment of the displaced bargaining unit member to another job classification, that employee will be subject to a thirty (30) work day trial period in his/her new assignment. At any time during or at the conclusion of this period, the district shall have the right to remove the employee from the new assignment if the district determines that the employee's performance in that assignment is not satisfactory. In such event, the employee shall be returned to layoff status with recall rights to any subsequently vacant positions occurring in the job classification from which he/she was originally laid off.
3. The parties recognize that the purpose of the above trial period is to enable a displaced senior employee to exercise his/her seniority rights in another classification, provided that he/she meets the posted job requirements for the assignment in the other classification. The parties also recognize the need in this context for continued job efficiency, quality and productivity. Accordingly, during the trial period the employer will render reasonable assistance to the employee in familiarizing him/her with the requirements and specific responsibilities of the position. Similarly, during the trial period the employee is responsible for assimilating this information and for attaining a satisfactory level of performance.
4. A bargaining unit member shall be regarded as "qualified" to occupy an assignment within his/her current classification provided that the current position has been held for more than one (1) school year. A bargaining unit member shall be regarded as "qualified" for administrative placement outside their current classification (in accordance with the above procedures) if he/she meets the posted job requirements/specifications and satisfactorily completes the required trial period.

RECALL

- D. Employees shall be recalled on the basis of seniority (i.e. those with the most seniority shall be recalled first) to a vacant position for which they are qualified (as outlined in Section C above) for up to two (2) years from the effective date of layoff. Newly hired probationary employees have no right to be recalled by the district. No new employees shall be hired by the Board while there are employees of the district who are laid off unless there are no laid off employees qualified (as outlined in Section C above) to fill the vacancy which has arisen.

- E. The Board shall file written notice of recall from layoff by sending a registered or certified letter to said employee at his/her last known address. It shall be the responsibility of the employee to notify the Board of any change in address. The employee's address as it appears on the Board's records shall be conclusive when used in connection with layoff, recall, or other notice to the employee. If the employee fails to report to work within ten (10) calendar days of the date of the sending of the recall, unless an extension is granted in writing by the Board, said employee shall be considered as a voluntary quit regardless of the classification recalled to, and shall thereby terminate his/her individual employment contract and any other employment relationship with the Board.

GENERAL

- F. It is further agreed that any layoff pursuant to this Article shall suspend for the duration of the layoff the Board's obligation to pay salary, fringe benefits and all other benefits under this collective bargaining Agreement. The Board agrees that all insurance benefits will continue in effect until such time as an Employee on notice of layoff actually misses the first day of work (see Article XVII, Section D). Thereafter, upon carrier approval, a laid off employee may continue insurance coverage at no expense to the employer.
- G. For purposes of this Article, Classification shall be as identified in Article XVI, Section A.

ARTICLE XIV SCHOOL CLOSING

- A. When a scheduled work day is cancelled due to schools being closed on a day previously scheduled for student instruction, employees will not report for work and will be paid for the day, unless the day is rescheduled for student instruction and is to be worked on a date which is in addition to the employee's originally scheduled work year. If the day is rescheduled for student instruction and is to be worked by the employee on a date which is in addition to the employee's originally scheduled work year, the employee will not be paid for the cancelled day but will work and be paid for the re-scheduled day only.

In the event of a student make-up day occurring on Good Friday morning, an equal amount of compensatory time would be provided each secretary/clerk if he/she is required to work.

ARTICLE XV HOLIDAYS

- A. Employees shall not be scheduled to work nor be paid during the traditional Christmas and Spring breaks, as defined in the school calendar except that:

Employees in **Classifications 1-4** will receive the current daily rate of pay for the following holidays, based on their regularly scheduled day, even though no work is performed:

Employees in Classification 1-4 who are regularly scheduled to work less than six (6) hours per day shall be entitled to receive Plan B for the Employee and his/her dependents without employee contribution. It is understood that the cash stipend contribution for part-time employees electing Plan B shall be prorated according to the proportionate number of hours the employee is regularly scheduled to work daily out of seven (7) hours. If an employee in Classification 1-4 who is regularly scheduled to work less than six (6) hours per day elects participation in Plan A, the District shall only be obligated to make a premium contribution in an amount equal to the Plan B premium rate (excluding any cash stipend amount) on behalf of that bargaining unit member and his/her eligible dependents. In the event that Plan A is elected by a part-time bargaining unit member in Classification 1-4 as described above, it is agreed that any excess premiums required to maintain full participation in Plan A shall be the responsibility of the part-time employee and shall be payroll deducted. ARTICLE XVIII MISCELLANEOUS

- A. If any provisions of the Agreement or any application of the Agreement to any employee shall be found contrary to law, then such provision or application shall be deemed null and void, but all other provisions or applications shall continue in full force and effect; furthermore, the provisions of such law shall supersede, to the extent of the conflict, the provisions of this Agreement and govern the relation of the parties hereunder.
- B. This Agreement constitutes the sole and entire existing Agreement between the parties and supersedes all prior practices, whether oral or written, and expresses all obligations of, and restrictions imposed upon, the District and the Association. This Agreement is subject to amendment, alteration or additions, only by a subsequent written agreement between and executed by the District and the Association. The waiver of any breach, term or condition of the Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.
- C. The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the District and the Association, for the life of this Agreement each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the

knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

- D. The parties recognize that Section 1178 of the Michigan School Code of 1976 authorized administratively designated school employees to administer medication to pupils. Bargaining unit members so designated by a supervising administrator shall be required to administer medication to pupils in accordance with the following procedures:
1. Medication will only be administered in the presence of another adult.
 2. Written permission shall be obtained from the parent or guardian of the pupil.
 3. Medication shall only be administered by school personnel in accordance with instructions from the student's physician. Such instructions may be provided either directly from the physician or through the parent/guardian.
 4. Should a bargaining unit member believe that any of the above conditions have not been satisfied or reasonably doubt whether a particular procedure falls within his/her statutory authority to administer medication to pupils, the bargaining unit member shall immediately bring the matter to the attention of his/her supervising administrator.
- E. Employees may apply or may be required to attend specialized training activities. If the request is approved by the employer, the employer will pay for registration fees and related costs.
- F. Should a student require specialized care/medical treatment such as diapering, toileting, feeding, changing of personal hygiene products, tube feeding, catheterization or similar services, the employer shall negotiate terms and conditions of employment with the Association prior to these services being performed.
- G. Bargaining unit members may enroll in classes, workshops or other professional development opportunities offered through the Pinckney Community Schools Community Education Department with the tuition and fees to be paid for by the Board. These professional development opportunities must be related to the unit member's current or prospective job assignment with the Pinckney Community Schools and must have prior approval of the Director of Personnel who will determine the job appropriateness of the Community Education offering and whether the request fits within the District's budget for support staff professional development.

ARTICLE XIX NO STRIKE CLAUSE

The Board and the Association subscribe to the principle that differences shall be resolved by appropriate and peaceful means, in keeping with the high standards of the profession, without interruption of the school program. Accordingly, the Association and each employee agree that during the term of this Agreement, they will not direct, instigate, participate in, encourage or

support any strike (i.e., the concerted failure to report for duty, or willful absence of an employee from his/her position, or stoppage of work, or concerted use of paid leave time, or sympathy, or abstinence, in whole or in part, from the full, faithful and proper performance of the employee's duties of employment) or job action against the Board by any employee or group of employees.

In the event of a violation of this Article, the Board may enforce this Article by injunctive relief in addition to whatever remedies which may be available by law.

ARTICLE XX EVALUATION PROCEDURE

- A.
1. Each employee's job performance shall be evaluated at least annually in writing by his/her immediate supervisor. Probationary employees shall be evaluated in writing with a sufficient time period to allow for improvement to be made before the completion of the agreed upon probationary period.
 2. Evaluations shall be completed prior to May 30 of each year. If an employee receives an unsatisfactory evaluation, the employer shall outline in detail the improvement plan the employee should follow in order to be successful. This plan shall be reviewed with the administrator every thirty (30) days. Training/class time required by the employer shall be paid by the employer, with time required beyond the regular work day compensated at the employee's regular hourly wage.
 3. Employees to be evaluated shall have a pre-conference meeting with the evaluator to discuss the expectations of the employer. Evaluations shall be based on observations and work performance at the work site. In the case of non-secretarial personnel, there shall be at least thirty (30) minutes of observations within the work area.
 4. Only documented reports concerning written evaluations and/or substantiated reports concerning disciplinary problems shall be used to determine an employee's job status.
 5. When disciplining or questioning an employee regarding delinquency in performance, the employer shall carry out the questioning or discipline privately, and shall inform the employee of their right to union representation.
 6. This shall be a pilot project for the 1998/99 school year and if the parties agree shall be incorporated into the agreement.
- B. A conference will be held between the employee and the immediate supervisor to discuss the contents of the evaluation. At the conclusion of the conference, the employee and the supervisor shall sign the evaluation instrument. A signature on the evaluation instrument does not indicate agreement with its contents but merely an indication that the employee has read the evaluation. In the event an employee disagrees with the written evaluation, he/she may exercise the option of attaching written comments to the evaluation instrument.

- C. The forms adopted for use in evaluating all bargaining unit employees are incorporated as part of this agreement.

**ARTICLE XXI
DURATION**

If neither party shall give notice to terminate this Agreement as provided above, the Agreement shall continue in effect for successive periods of one year, unless and until written notice of termination is given on or before March 1st on any subsequent contract anniversary date.

APPENDIX A

Classification 5 Special Needs Assistant

Classification 5 includes employees whose responsibilities include meeting individual student needs according to the following criteria:

1. Physical/medical needs of the student:

The student's needs require the Assistant to provide support for toileting/diapering, feeding, lifting and other wheelchair assistance, responding to seizures, carrying out physical therapist/occupational therapist activities and/or instructions, and other similar physical and/or medical needs.

2. Behavior issues:

The student has episodes of severe inappropriate behavior which requires the Assistant to provide support in carrying out a behavioral management plan. This may include restraining the student, removing the student from the setting, redirecting the student to appropriate behaviors, etc.

3. Communication issues:

The student needs assistance in communication via use of an adaptive communication device or other method of assisting the student with communication so that the student may take advantage of the educational program.

Placement in the classification is at the discretion of the Employer. Those employees who believe that they are inappropriately classified may ask for a classification review. A panel of two employer representatives and two employee representatives will meet within thirty (30) days of receipt of the request for classification review to review relevant rationale as to classification placement. If a majority of the panel agrees to change the classification, then the position would be reclassified effective immediately.
