## **PURPOSE AND INTENT**

It is the general purpose of this Agreement to promote the mutual interests of the Board and the Association and to provide for the operation of Board's business under methods which will further the safety of the members, economy and efficiency, and avoidance of interruption of services. The Parties to this Agreement will cooperate fully to secure the advancement and achievement of these purposes. It is agreed by all Parties that providing a high quality education for the children of the Rochester Community Schools is the paramount aim of this District. The Board, administrative staff, and the Association members have definite responsibilities in providing such services and education. The Board under law, has the responsibility for establishing the policies of the District; the administrative staff has the responsibility for carrying out the policies established.

IN CONSIDERATION OF THE FOLLOWING MUTUAL COVENANTS, IT IS HEREBY AGREED AS FOLLOWS:

## **ARTICLE 1 - RECOGNITION**

- 1.01 Pursuant to and in accordance with all applicable provisions of Public Employment Relations Act 379 of the Public Acts of 1965, as amended, the Board does hereby recognize the Association as the sole and exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the terms of the agreement of those members of the Board in the Bargaining Unit herein described. The Bargaining Unit includes all full-time and regular part-time secretarial/clerical personnel excluding but not limited to: secretaries to the superintendent, assistant superintendents, Executive Director of Human Resources, and also accountant, purchasing agent, and certified and professional employees, temporary employees, substitute secretaries, teacher aides, as well as any other non-certified and certified personnel not herein named.
- 1.02 If at any future date a new position is created, the Board will place said position in the proper classification after it has negotiated such placement and rate of pay with the Association.
- 1.03 The term "member" when used herein will refer to members included in the unit for bargaining as set forth in the paragraph above and references to male members will include female members. The term "Board" when used herein will refer to the Rochester

Board of Education. When singular is used it will include plural. When plural is used it will include singular.

- 1.04 The term "Designee" or "Board" when used herein will refer to Central Office Administrators, principals, assistant principals, directors, supervisory or any other administrative personnel who may be authorized by the superintendent or the Rochester Board of Education.
- 1.05 The Board agrees not to negotiate with any secretaries' organization other than the Association for the duration of this Agreement.

## **ARTICLE 2 - ASSOCIATION SECURITY**

To the extent that the laws of the State of Michigan permit, it is agreed that:

- 2.01 Each employee who, on the effective date of this Agreement, is a member of the Association and has authorized dues deductions will do so with the understanding that the deductions will continue for the length of the Agreement.
- 2.02 Present members, members hired, re-hired, reinstated, or transferred into the Bargaining Unit after the effective date of this Agreement and covered by this Agreement will be required, as a condition of continued employment, to become members of the Association or pay a service fee (not including initiation fees, reinstatement fees, assessment, fines, penalties, etc.) up to but not to exceed the amount equal to the monthly dues on or before the 30th working day after the beginning of their employment in the unit or before the 10th working day following the 30th work day following the effective date of this Agreement.
- 2.03 During the term of this Agreement, any member in the Bargaining Unit who is not an Association member and does not make application for membership will, as a condition of employment, on or before the 30th working day after their probationary period, pay to the Association a service charge (not including initiation fees, reinstatement fees, assessments, fines, penalties, etc.) up to but not to exceed the amount equal to the monthly dues as a service fee. Employees who fail to comply with this requirement will be subject to discharge by the Board.
- 2.04 In the event a regular, full-time, or part-time member does not join the Association either directly or through a voluntary deduction authorization or service charge as indicated above, such member will be terminated, provided the Association has complied with the following:
  - A. Fulfillment of the requirements of Section 2.07 of this Article.
  - B. Fulfillment of its fiduciary obligations by sending written notice to the member that she/he has an obligation to tender dues or service fee (not including initiation

fees, reinstatement fees, assessments, fines, penalties, etc.), the reasonable date for such obligation, the amount of such tender, and to whom tender is to be made. A copy of such notice must be sent to the Board.

- C. Fulfillment of its responsibilities by sending written notice to the member (copy to the Board) that the member has not fulfilled their obligation by the requisite date or reasonable period of time thereafter, and that a request for their termination is being made to the Board.
- D. By stating in the request for termination that such request is in conformance with the provisions of this Article, that the member has not complied with their obligations, that it is an official demand of the Association to request the discharge of said member and that the "save harmless" clause set forth in Section 2.06 below will be put into effect.
- E. Providing the Association has furnished the Board with written proof that the foregoing procedure has been followed or has supplied the Board with a copy of the notice to the member and notice that the member has not complied with such request, the Association must further specify the following by written notice when requesting the Board to discharge the member.

"The Association herewith certified that the following named member is not in good standing with the Association because of his/her failure to tender or pay the periodic dues uniformly required as a condition of acquiring and/or retaining membership in this Association or service fee (as stated above). The suspension from good standing of the named member occurred under a uniformly applied suspension policy of the Association."

- 2.05 Employees will be deemed to be members of the Association, within the meaning of this Section, if they are not more than sixty (60) days in arrears in payment of membership dues. Members will be required to pay dues or service fee for the months worked up to 10 months per fiscal year as determined by the Association.
- 2.06 The Association agrees it will protect, indemnify, and save the Board harmless against any and all claims, demands, costs, suits, and other forms of liability that may arise out of, or by reason of, action taken or not taken by the Board for the purposes of complying with this Article.
- 2.07 The interpretation, application, administration, and enforcement of the **Association Security** Article will be in accordance with the requirements of the Public Employment Relations Act 379 of 1965, as amended, and to the extent that it does not conflict with any federal or state laws.
- 2.08 The Parties recognize that any member may exercise his/her choice to either to join the Association or pay a service fee.

- 2.09 When the Board employs a substitute or a temporary employee in excess of sixty (60) consecutive work days, said employee will be required to comply with **Association Security Article**, and will be deemed to be a member of the Bargaining Unit. Said member will be eligible for the pay rate associated with the position but will not be eligible for insurances or fringe benefits.
- 2.10 A temporary employee is defined as an employee who provides service when help is required for sixty (60) work days or less and said job assignment or position is not of a permanent nature.

### **ARTICLE 3 - ASSOCIATION DUES AND CHECK OFF**

- 3.01 Members may tender monthly membership dues (not including fines or assessments) or service fee by signing a payroll authorization dues deduction card or may pay the same directly to the Association.
- 3.02 The Board agrees to make twice monthly deductions (not including fines or assessments) or service fees for any members submitting a signed payroll deduction authorization (see Section 3.05 below) to the Board and to pay over to the Association the total amount thus deducted for all such members.
- 3.03 **DEDUCTIONS**  
Deductions will be made only in accordance with the provisions of said "Authorization for Payroll Deduction" forms together with the provisions of this Agreement. The Board will have no responsibility for the collection of initiation fees, reinstatement fees, assessments, fines, penalties, or any other deductions not in accordance with this Section.
- 3.04 **ASSOCIATION NOTIFICATION TO THE BOARD**  
The Association will notify the Board in writing of any membership dues or service fees certified by the Association as the uniform dues or service fees required of the Bargaining Unit members.
- 3.05 **DELIVERY OF PAYROLL DEDUCTION FORM**  
A properly executed copy of such "Authorization for Payroll Deduction" form for each member for whom Association membership dues or service fees are to be deducted hereunder will be delivered to the Board before any payroll deductions are made. Deductions will be made thereafter for those forms properly executed and in effect. Any "Authorization for Payroll Deduction" form which is incomplete or in error will be returned to the Association treasurer by the Board.
- 3.06 **DEDUCTIONS BEGIN**  
Payroll deductions under all properly executed "Authorization for Payroll Deduction" forms will become effective at the time the application is tendered to the Board and will be deducted from the succeeding pay and each pay thereafter.

3.07 REFUNDS

In cases when a deduction is made that duplicates a payment that a member already has made to the Association or in any other situation that a refund is demanded, said refunds will be made by the Association.

3.08 REMITTANCE

Deduction for any pay will be remitted by the Board to the treasurer of the Association as soon as possible after the appropriate pay period.

3.09 DEDUCTION TERMINATION

A member will cease to be subject to payroll deductions beginning with the pay immediately following the pay in which the employee is no longer a member of the Bargaining Unit. Any member may voluntarily cancel or revoke his/her "Authorization for Payroll Deduction" upon written notice to the Board and/or the Association.

3.10 The Association will furnish the Board, upon request, the names of all members paying dues or service fees directly to the Association.

The Board will not be liable for any errors or losses in the administration of this Article. The Board will not be liable for the remittance or payment of any sum other than those constituting actual deductions made from wages earned by the members. Further, Michigan Education Association will protect, indemnify and save the Board harmless against any and all claims, demands, costs, suits, and any other forms or liability that may arise out of, or by reason of, action taken or not taken by the Board for the purpose of complying with this Article.

3.11 The Board will furnish to the treasurer of the Association a monthly list of all new hires and terminations in addition to a list of all members for whom payroll deductions have been made if requested by the Association.

3.12 The Association will provide the Board with appropriate payroll deduction forms.

**ARTICLE 4 - REPRESENTATION**

4.01 The Association will furnish the Board with the names of its officers and representatives when elected and such changes as may occur from time to time in such personnel so that the Board may at all times be advised as to the authority of the individual representatives of the Association with whom it may be dealing.

4.02 If the president or vice-president is required to go into another building other than his/her own in the handling of a grievance, the principal administrator at both buildings (or all buildings involved) must be notified; permission will be granted provided that it does not unduly interfere with or interrupt or affect normal work or school operation of assigned

duties. It is the responsibility of the above mentioned president or vice-president to report to the building principal/administrator before their conference with any member.

- 4.03 The Association, any of its officers, or any of its representatives will not advise or direct members to disregard the instructions and/or direction of the Board.

The president of the Association must approve all requests for Association days.
- 4.05 The Association president will be permitted to accept phone calls from Association members during working hours regarding representation matters arising from this Agreement. It is understood by the Parties that the Association will endeavor to keep such calls to a minimum and that all efforts will be made to avoid such calls from interfering with the president's performance of normal responsibilities.

#### **ARTICLE 5 - MEMBER RIGHTS AND RESPONSIBILITIES**

- 5.01 Pursuant to Act 379 of the Public Act of 1965, the Board hereby agrees that every employee of the Board will have the right to freely organize, join, and support the Association for the purpose of engaging in collective negotiations and other lawful activities.
  - A. The Board agrees that it will not directly or indirectly discourage or deprive or coerce any member in the enjoyment of any rights conferred by said Act 379, other laws of Michigan, and the Constitutions of Michigan and the United States.
  - B. The Board agrees that it will not discriminate against any member for her/his institution of any grievance, complaint, or proceeding under this Agreement.

- 5.03 The Association has the right to use school buildings and facilities for meetings in accordance with school policy.
- 5.04 The Board agrees to furnish, when practicable, to the Association in response to reasonable requests, public information concerning the financial resources of the District. The Board further agrees to supply available information which may be necessary for the Association to process any grievance or complaint, except in cases involving confidential personnel records.

- 5.05 The Association agrees to supply all relevant information which the Board requests to process any grievance or complaint.
- 5.06 It is the responsibility of the Association and individual members to honor Board policies and administrative regulations not in conflict with the Master Agreement. Neither the Association, its representatives, nor any member will assume administrative or supervisory authority, or direct members to disregard the instructions or directions of administrators or supervisors.

- 5.10 No Bargaining Unit member will engage in Association activities or business during member's working hours unless specified otherwise in this Agreement and/or receiving permission from the superintendent/designee.
- 5.11 Duly authorized Association representatives may be permitted to transact official Association business on school property provided that it will not interfere with or interrupt normal school operation, and that said representative(s) has the permission of the building principal/supervisor. Such business will be transacted in private.
- 5.12 Members are required to display exemplary behavior as an example to students, parents, community and co-workers and to refrain from actions which will detract from the appropriate image of a dedicated, sincere, and conscientious employee.

- 5.15 In the absence of a building supervisor (principal) or designee, members will not be held accountable or made responsible for the administration or supervision of the building. If the member is unclear of whom to contact when the supervisor is unavailable, the member should ask his/her supervisor for clarification.
- 5.16 The Board will make every effort to ensure that no member will be required to work alone in a building.
- 5.17 The Board will provide a lounge and rest room for all members.
- 5.18 The building administrator will assume full responsibility for the administration of medication to students. The dispensation of medication to students may be given: a) by the building administrator in the presence of a second adult; b) by the Association member in the presence of a second adult, or c) by a non Association member in the presence of a second adult as provided in Board policy #5330 revised 20 July 1992 and administrative regulation #5330 approved 19 October 1992. #### ARTICLE 6 - SENIORITY

- 6.01 New employees hired in a regular position other than substitute and temporary help will be considered as probationary members for sixty (60) working days in their job assignment. There will be no seniority among probationary members. When a regular member finishes the probationary period, said member will be entered on the seniority list and will rank for seniority as of the first working day assigned in the position. The sixty (60) working day period may be extended for any absences during that period, by the amount of said absences. The probationary period may be extended for good cause if the supervisor believes the probationary employee needs more time to demonstrate his/her ability to do the job. The Association will be notified and consulted before the end of the probationary period of the supervisor's need to extend the probationary period. No member will be required to serve more than one (1) probationary period. In the event positions are transferred to the Bargaining Unit from another bargaining unit in the District, the employees who are accreted to the Association as a result of such a transfer will be entered on the seniority list as of their seniority date in the former position transferred.
- 6.02 Seniority will be defined as the length of service within the District as a member of the Bargaining Unit. Accumulation of seniority will begin on the member's most recent date of hire (first working day) and will continue to accumulate unless the member retires, resigns, leaves the Bargaining Unit to assume another position, or is on a leave of absence in excess of twelve (12) months.
- 6.03 The Board retains exclusive right to discharge and to take any disciplinary action involving a probationary member and such action as deemed appropriate by the Board will not be subject to the grievance procedure, to the extent that it conforms with the expressed terms of this Agreement.
- 6.04 A member will lose seniority and terminate employment with the Board for the following reasons:

- A. Member quits or retires.
  - B. Member is discharged and the discharge is not reversed.
  - C. If the member fails to return to work when recalled from layoff as set forth in the recall procedure provided herein.
  - D. Involuntary layoff for two (2) years or length of work service in the District, whichever is shorter.
- 6.05 When more than one (1) member is hired on the same day, seniority will be determined by lottery. The Association will be notified of the time and place of such lottery and representatives of the Association will be allowed to be present.
- 6.06 The seniority list will show the names, job titles, classifications, and seniority dates of all members of the unit entitled to seniority.
- 6.07 The Board will provide the Association president with a seniority list upon request.
- 6.08 If a member who is not laid off, takes a permanent position not included in the Bargaining Unit he/she will lose all accumulated seniority.
- 6.09 Notwithstanding his/her position on the seniority list, the president will in the event of a layoff, continue to work, provided he/she is qualified and can perform the work available.
- 6.10 A probationary member is one hired in the Unit with the understanding that their association with the District will last as long as the member does satisfactory work and there is a need for their employment in the District.
- 6.11 No bumping will be permitted by a member who has a job. A member will not, by virtue of seniority, be entitled to select or to have any particular job within their classification.

#### **ARTICLE 7 - VACANCIES AND TRANSFERS**

- 7.01 A transfer is any change in a job within the Bargaining Unit.
- 7.02 Transfers of seniority members will be made on the basis of qualifications, skills, experience, education, training and preparation. When these factors are substantially equal, seniority will have priority.

Seniority members may be tested when applying for a transfer. The test will be used only to evaluate and measure the seniority member's ability to perform the skills necessary for the job.

Every effort will be made to test the member in a quiet, private work area on equipment that is of standard use in the Rochester Community Schools. The notice of vacancy will state the computer program(s) necessary for the position and testing.

The test will not be administered by a member of the Association. If a test has been completed in the prior twelve (12) months for a similar position, a new test will not be required. The applicant, if requested, will be provided his/her test results before the interview.

- 7.03 A member who requests and is granted a transfer will remain on the job for one (1) year before said member becomes eligible to request another transfer. Exception to this rule may be made by the superintendent/designee.
- 7.04 Members interested in a transfer will comply with any and all of the directions of the notice of vacancy.
- 7.05. Members placed in a new position, by transfer, or otherwise, will be required to satisfactorily complete a trial period of forty (40) working days during the member's work year, to start from the date of employment in a new position. The final determination of whether the member is selected for any position rests with the Board. If the member does not satisfactorily complete a trial period he/she will be returned to his/her previous position if the position exists. If the position has been eliminated, he/she will be assigned to another position. The trial period will be automatically extended for any absences during that period by the amount of said absences. The trial period may be extended for good cause if the supervisor believes the employee needs more time to demonstrate his/her ability to do the job. The Association will be notified and consulted before the end of the trial period of the supervisor's need to extend the trial period.
- 7.06 Members not granted a request transfer may have their application reviewed provided they make a request to the appropriate administrator within five (5) working days of the final decision. All members who apply for a transfer will be notified by the Board of its decision on the day the successful applicant is notified.
- 7.07 A vacancy will be defined as any of the following:
- A. An existing Bargaining Unit position where the member who held the position previously has resigned, retired, died, failed to return from a leave of absence, has been transferred to another assignment, or for some other reason is no longer permanently assigned to the position.
  - B. A newly created Bargaining Unit position which is of a permanent nature.
  - C. A non-bargaining unit position which becomes a Bargaining Unit position either by agreement or law.
- 7.08 Vacancies, within the Bargaining Unit, will be posted for a period of five (5) work days in every school building when they are open. During the summer months, the Association president will be sent copies of each vacancy notice.

- 7.09 All members are encouraged to train and prepare for promotional opportunities.
- 7.10 A member who is transferred during their probationary period will have the time spent in the previous position counted toward completion of the probationary period. The member will also be required to complete the trial period referred to in Section 7.05. above.
- 7.11 Members will not interview any applicant for a Bargaining Unit position.

#### **ARTICLE 8 - DISCIPLINE, SUSPENSION, AND DISCHARGE**

- 8.01 The Board will not discipline, suspend or discharge any seniority member without just cause. The Board agrees upon the discipline in writing, suspension or discharge of any member, to notify the Association in writing.
- 8.02 The disciplined, discharged, or suspended member will be allowed to discuss their problem with a representative of the Association and the Board will make available an area where they may do so before said member is required to leave the property of the Board. Upon request, the Board or its representative will discuss the problem with the member and the Association representative.
- 8.03 If the seniority member or Association believes the discipline, suspension or discharge to be improper, a written grievance may be filed within ten (10) regularly scheduled work days after the discipline, suspension or discharge is received by the member. If the grievance is over a discipline, it will be filed with the person who administered the discipline. If the grievance is over a suspension or discharge, it will be filed with the Executive Director of Human Resources. A grievance filed under this Article will be processed in accordance with the Grievance Article.
- 8.04 Association representation may be present during any meeting which may lead to disciplinary action. The administration may discuss with a member concerns about the member's performance without an Association representative present if the purpose of the discussion is not intended for disciplinary action. When a request for representation is made, no action or further action will be taken with respect to the member until the Association representative is present. If written disciplinary action is likely to occur at a given meeting, or as a result of a given meeting, the member will be advised immediately of said possibility and be advised of the right to Association representation under this Article.

## **ARTICLE 9 - RESIGNATION**

- 9.01 When a member desires to terminate employment, there must be at least fourteen (14) calendar days notice of resignation, in writing, given to the immediate supervisor and the Human Resources Office. Resignations of shorter notice will automatically forfeit all vacation benefits. It is understood that the member must work the entire period of time as designated above with no absences during said period except for personal illness, or disability.
- 9.02 The date of resignation automatically forfeits all accrued rights and benefits. In the event of re-employment, such member will be considered as a new member.
- 9.03 Resignations submitted with fourteen (14) or more calendar days advance notice will be entitled to pro-rata vacation benefits.
- 9.04 Exception to the above may be made by the superintendent/designee.

## **ARTICLE 10 - LAYOFF AND RECALL**

- 10.01 Layoff means a reduction in the working force due to a decrease of work or limitation or reduction in operating funds and/or any other conditions beyond the control of the Board.
- 10.02
- A. If it becomes necessary for a layoff, the probationary members within the affected classification will be laid off first. Seniority members will be laid off within the affected classification according to seniority. In no case will a less senior member be employed while there are laid off members who are qualified for a vacant or newly created position.
  - B. Members whose positions have been eliminated due to a reduction in work force or who have been affected by a layoff will have the right to assume a position for which they are qualified, which is held by a less senior member holding such a position.
  - C. The Board will endeavor to retain affected members in their present pay grade if feasible.
- 10.03 Any member who assumes a new job assignment due to the layoff procedure will also assume the salary rate for that position.
- 10.04 Members to be laid off will have at least twenty-one (21) calendar days notice of their intended layoff. The Association president will receive a list of members being laid off prior to members receiving written notification of layoff.

- 10.05 Members laid off through the procedure as stated in this Article will be maintained on a recall list for a period of two (2) years, and will be recalled in reverse order of their layoff.
- 10.06 The Board may transfer within the departmental classifications on a District-wide basis where operating staff in one or more buildings is reduced due to layoff.
- 10.07 Any seniority member on layoff will be offered placement on the regular substitute list.
- 10.08 Notice of recall will be sent to the member at their last known address by registered or certified mail, and the Association president at the Association office by regular public mail. If a member fails to report for work within ten (10) working days from the date of delivery of the recall notice to the member's last known address, unless other arrangements are made, said member will be considered as having quit.
- 10.09 Each member is responsible for keeping the Board advised of any change of address and will not be excused for failure to report for work on recall if the member fails to receive recall notice because of their own failure to advise the Board in writing of their change of address.
- 10.10 The Board will have no obligation to recall probationary members who may be laid off.
- 10.11 Any member laid off will automatically terminate and suspend the Board's obligation to salary or fringe benefits under this Agreement or any other agreement except for salary, vacation, or longevity benefits earned by the date of layoff.
- 10.12 Should a member be offered a comparable position and refuse such appointment, he/she will lose the right to remain on the seniority- recall list and will be considered as having quit.

#### **ARTICLE 11 - LEAVES OF ABSENCE WITHOUT PAY**

- 11.01 Leaves of absence for reasonable periods not to exceed one (1) year, upon written request to the superintendent or his/her designee, may be granted to members who are on seniority status without loss of seniority for good cause. To be eligible for a leave of absence, the member must have been employed by the Board for at least one (1) year. General leaves of absence may be extended for a period not to exceed one (1) year at the discretion of the superintendent/designee.
- 11.02 A member granted a leave of absence by the Board of more than three (3) months may be given a position upon their return provided there is an opening in their job classification and job assignment (the position held immediately prior to granted leave) and the member has given proper notice. No member will be laid off in order to create a position for a member wishing to return from a granted leave. Members on a leave of absence of three (3) months or less will be returned to their original position.

- 11.03 If on an extended leave of three (3) months or more, a member is required to notify the Human Resource Office in writing at least thirty (30) days preceding the expiration date of a leave indicating their desire to return, request an extension or resign. Otherwise the member will be considered as terminating their employment with the Board. If the member does not provide such notice, said member will be deemed to have terminated their employment with the Board unless an exception to this rule has been made by the superintendent. A member on a leave of absence of three (3) months or less will be required to submit only a fifteen (15) day written notice.
- 11.04 Re-employment of a member on a leave of absence will be conditioned by the availability of a vacancy existing within the member's job classification and assignment as indicated at the time the leave was granted. Should there be no position, the leave will be extended until there is a vacancy
- 11.05 At the expiration of a leave, if a member does not return and no extension is granted, termination of employment with the Board becomes automatic.
- 11.06 Leave of absence may be granted for the following good causes, by the way of illustration but not limited to the following: 1) education; 2) maternity; 3) medical; 4) military; 5) family illness; 6) personal.

- 11.08 The Board cannot guarantee the return of any member to a specific building or work assignment at the conclusion of any period of absence except as indicated above.
- 11.09 The notice of intention to return to duty after a health or maternity leave will be accompanied by a written statement from a physician certifying the fitness of the member to fulfill the full responsibilities and duties of their assignment.
- 11.10 When there is reason to believe that a member is unable to perform the duties of their position due to physical or mental illness, the Board may require the member to submit to an examination. If the choice of the examiner is not agreeable to both the Board and the member involved, the Board and member will agree to a qualified medical examiner from a list of three (3), mutually agreed to by the Parties. These examinations will be paid for by the Board, if requested by the Board.
- 11.11 The rights provided in this Article are in addition to the rights provided under the Family Medical Leave Act.

However, there may be members on less than eight (8) hour assignments as may be determined by the Board. The normal work week will be Monday through Friday.
- B. Summer work hours for twelve (12) month members will be thirty- seven and one half (37 1/2) hours per week with pay for forty (40) hour week. The 1999/2000 work year will follow the above pattern and the work year as per the instructional calendar as provided in the Rochester Education Association 1999/2000 Master Agreement.

1. The above schedule may be altered. If a member works during the scheduled non-work period he/she will be compensated at his/her regular rate or take an equal amount of time off during scheduled work time without a loss of wages. A copy of the modified schedule will, upon request, be furnished to the Association Executive Director. The modified schedule will be agreed upon before the start of the work year. It is not the intent of a modified work schedule to have a member work a four (4) day week throughout the year.

- 12.02 The lunch period will be established by the immediate supervisor in accordance with the organizational pattern best suited to the particular building and/or department. Such lunch period will not be considered as part of the regularly assigned work day. The assigned lunch period will be duty-free, uninterrupted periods of not less than one-half (1/2) hour, nor more than one (1) hour.
- 12.03 Members will be provided a fifteen (15) minute relief time in the morning and in the afternoon as will be assigned by the immediate supervisor. Relief periods will be taken at a time and in a manner that does not interfere with the efficiency of that work unit as determined by the immediate supervisor. The rest period is intended to be a recess to be preceded and followed by an extended work period; thus, it will not be used to cover a member's late arrival to work or early departure, nor will it be regarded as accumulative if not taken. Failure to take a relief period will not result in a lengthening of a lunch period or a shortening of the working day unless specifically arranged with the immediate supervisor. These changes in the relief and/or lunch period can be approved from time-to-time but cannot be approved on a permanent basis.
- 12.04 Shift hours will be determined by the Board.
- 12.05 A. It is expected that from time to time members may be requested to spend extra time beyond the regular day on their job. If a member declines overtime it will be offered to someone in the building or department.
- B. All work performed in excess of eight (8) hours a day, or forty (40) hours a week, or on Saturday, will be compensated at time and a half. Work performed on Sundays or Holidays will be compensated at double time.
- 1) Each hour of work compensated by compensatory time will be at the rate as indicated.
- 2) Work performed by 10 and 10-1/2 month members during vacation or summer time will be compensated at the regular rate of pay.
- C. The method of compensation above will be mutually agreed to by the Board and the member before the over-time is worked.
- D. If compensatory time is agreed to, the immediate supervisor and the member will meet within one (1) week to schedule the usage of the compensatory time mutually.
- E. If the member requests to take compensatory time during the winter recess, spring recess, or mid-winter recess, the request will be granted.
- 12.06 The statements in this Article will not be construed as a guarantee of hours per day or week.

- 12.07 It is recognized and understood that deviations from the foregoing regular schedules of work will be necessary and will unavoidable result from several causes, Such as but not limited to rotation of shifts, vacation, leaves of absence, absenteeism, member request, temporary shortage of personnel and emergencies.

### ARTICLE 13 - SICK LEAVE

- 13.01 All seniority members will be allowed twelve (12) days per year earned at the rate of 6/5ths days per calendar month for less than twelve (12) month members, and fourteen (14) days per year earned at the rate of 7/6th days per calendar months for twelve (12) month members with unlimited accumulation of sick leave days. Sick leave will be credited at the beginning of each work year for all seniority members as indicated above. Sick leave earned during a work year is based upon a monthly pro-ration. The immediate family for bereavement leave is interpreted as the spouse, children, brothers, sisters, parents, grandparents, grandchildren, in-laws, and other dependents. A maximum of five (5) days may be used per bereavement, said days will be deducted from the member's sick leave accumulation.
- 13.05 Upon approval by the superintendent/designees, no more than two (2) days for less than twelve month members, and no more than three (3) days for twelve month members of accumulated sick leave may be used annually as approved leave days and for the following reasons:
- A. Attendance at a ceremony awarding a degree to the member or a person in the immediate family.

- A. Credit will be received only for those months in which a member received pay for the majority of the scheduled working days of that month.
- B. A vacation may be postponed from one year to the next, but will be forfeited unless completed during the fiscal year immediately following the year in which the vacation days were earned.
- C. Vacations for twelve (12) month members will be scheduled at a time when they will not unduly interfere with or hamper normal operation of the school system as will be determined by the Board. Insofar as it is possible within this limitation, vacations will be scheduled at the time satisfactory to the member.
- D. A vacation may not be waived by an member and extra pay be received for work during that period.
- E. Vacations are to be arranged by mutual consent and are to be taken during the period following one (1) week after the school year ends and one (1) week prior to the official opening of school for the next school year or during a holiday period when school is not in session. Exceptions to this provision may be made by the superintendent/designee.
- F. Vacations for less than 12 month members are to be taken during days when work days are not scheduled and paid to the members at the end of the school year.
- G. If the member requests to take vacation during the winter recess, the request will be granted.

16.06 A. TERMINAL LEAVE PAY

In recognition of service to the Board, in any capacity a terminal leave payment of one hundred twenty-five dollars (\$125.00) per year will be paid to the retiring member upon his/her retirement provided the member will have been employed by the Board for at least ten (10) complete years. The benefits of this particular provision will be consistent with the guidelines as set forth with the Michigan Public School Employees Retirement System.

**B. SICK LEAVE PAYOFF**

A member who is employed by the Board for five (5) or more years and who retires, resigns, is permanently laid off, or dies will be compensated for unused sick leave days. Thirty- seven and one half percent (37.5%) of the members current daily rate will be paid for all unused earned sick leave days. This payment will be paid on the last regular paycheck the member receives. The maximum amount a member can receive under this plan is as follows:

Years of Service

5 years	\$2500.00
10 years	\$4500.00

16.07 PREMIUM PAY

Anytime a member is assigned to work at a higher classification or a non-bargaining unit position with a higher salary, he/she will be paid at the higher rate for all days worked in the higher paying job. In no event will premium pay for non-bargaining unit positions exceed one dollar seventy cents (\$1.70) per hour. When a member works in a lower classification, there will be no loss of pay.

16.08 All new employees will start at Step One. On July 1 of each year, each member having worked the previous six (6) months in continuous employment will receive one (1) pay scale step increase from their pay scale position on the Members Salary Schedule.

16.09 SALARY  
See schedule A.

16.10 PAY GRADE/CLASSIFICATION LISTING  
See schedule B.

16.11 A member who believes his/her classification should be changed will notify the Association President. Upon receipt of the notice, the Association President will arrange for a Special Conference as provided in this Agreement. If a Supervisor believes a member's classification should be changed, the Supervisor will notify the Executive Director of Human Resources who will arrange for a special conference. The special conference will determine if the position will be reclassified. No position can be reclassified without utilizing the special conference.

16.13. The Board and Association will open negotiation on or before May 1, 1999 for the 1999/2000 wage rates.

## ARTICLE 17 - MISCELLANEOUS PROVISION

- 17.01 If any provision of this Agreement or any application of the Agreement to any member or group of members will be found contrary to law, then such provision or application will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.
- 17.02 A. When school is closed because of snow or inclement weather, Association members are not expected to report to work. Paid Leave days will not be deducted from these days. If Association members are requested to work by their immediate supervisors they will be compensated by compensatory time off.
- B. When a school or work site is forced to be closed because of unavoidable conditions, such as breakdown of equipment, etc., all members are expected to report to work. Under extreme and unusual conditions, the superintendent/designee will determine when working conditions are unsuitable and the member may be excused from work. Unless prior permission to remain away from work is granted, all time lost will be deducted from the member's pay as absent without pay.
- C. When school is in session and closed early in the day because of inclement weather, Association members will be released from work by the superintendent/designee after it has been determined that students are safely on their way home.
- D. If the district is required to make-up a day(s) that school was closed in order to receive full state aid the member(s) will work the rescheduled day at no extra compensation as the member will have previously been paid.
- 17.03 Because every building has problems particular to itself, due to facilities, personnel, and the public, the involved members are encouraged to jointly develop solutions to the common problems that are not inconsistent with state law, Board policy, this Agreement or other higher authorities.
- 17.04 The Association, expecting its members to conduct themselves in all aspects of their job, responsibilities and employment in an ethical and proper manner, will exert all reasonable effort to rectify any action or attitude that may be considered improper.
- 17.05 The members will continue to have access of bulletin board use as in the past.
- 17.06 Copies of this Agreement will be printed at the expense of the Board and the Association will receive sufficient copies for distribution of its members within thirty (30) days of the signing of this Agreement.

- 17.07 The Board may make adjustments and modifications in working conditions it deems necessary for temporary and/or experimental work schedules, new and/or different methods of operations, technological and/or innovative approaches in the overall work that the Board would like to make part of its operation. The changes made under this Section will be for a period of not more than one (1) year; extension of this time period must be mutually agreed upon by the Parties. Such changes may only be made if not inconsistent with the expressed terms of this Agreement.
- 17.08 The duties of any Bargaining Unit member or the responsibilities of any position in the Bargaining Unit will not be transferred to persons not covered by this Agreement. The Board agrees that non- bargaining unit personnel will not be used to displace members except in emergencies when members are not available.
- 17.09 The designation of ten (10) or ten and one-half (10-1/2) month members or others is for the sole purpose of referring to fringe benefits an member may be eligible for. It is not for the identification of length of annual work schedule or assignment.
- 17.10 A member will not be a secretary to more than one general director and any other person. A member will not be a secretary to more than one special education administrator and any other person.
- 17.11 A substitute secretary may be hired for an absent member as follows:  
A. The first day of absence in a single staff office.  
B. Beginning the third day of absence in a multi-staff office.

#### **ARTICLE 18 - GRIEVANCE PROCEDURE**

- 18.01 A grievance is defined as an alleged violation of a specific Article or Section of this Agreement. If any such grievance arises, there will be no stoppage or suspension of work because of such grievance; but such grievance will be submitted to the following grievance procedure.
- 18.02 A member, a group of members or the Association may file a grievance. A member or group of members may file a grievance without Association assistance but the Association will be provided a copy of the grievance by the Board. Upon receipt of the grievance the Association will be provided an opportunity to be present at all steps of the grievance procedure. Any resolution to a grievance will not be inconsistent with the terms of this Agreement. The term "grievant" will mean the Association, a member, or a group of members.
- 18.03 The number of days indicated at each step of the grievance procedure should be considered as maximum and every effort should be made to expedite the grievance process. All time limits herein will consist of working days unless otherwise specified.

- 18.04 The time limits specified herein for movement of grievances through the process will be strictly adhered to and may be relaxed or extended only by mutual consent of the Parties in writing. In the event that the seniority member fails to appeal a grievance or grievance answer within the stated time limits, the involved grievance will be deemed abandoned.
- 18.05 On the "Statement of Grievance" form at each step of the grievance procedure the member will indicate if he/she does not want Association representation at the grievance hearings.

**STEP ONE - Administrator whose action is being grieved (oral)**

Within ten (10) working days of the time a grievance occurs, the matter may be presented to the administration with the objective of resolving the matter informally. Within five (5) working days after presentation of the grievance, the administration will give his/her answer orally to the grievant. The member may have a representative of the Association present, if requested. The grievant must clearly indicate to the administrator whenever a concern is being expressed as a grievance.

**STEP TWO - Administrator whose action is being grieved (written)**

If the grievance is not resolved in Step One, the grievant must, within five (5) working days after receipt of the administrator's answer, submit to the appropriate administrator a signed, written "Statement of Grievance" signed by the member involved. The "Statement of Grievance" will name the member involved, state the facts giving rise to the grievance, identify the provisions of this Agreement alleged to be violated by appropriate reference, state the contention of the member with respect to these provisions, indicate the relief requested and will be signed by the member involved. If the grievance is not filed at step one, it must be filed at step two within twenty (20) working days of the occurrence.

A meeting on the grievance will take place between the grievant, Association representative and the immediate administrator within ten (10) working days after receipt of the written grievance.

The administrator will give the grievant an answer in writing within ten (10) working days after the date of the meeting indicated in Step Two.

**STEP THREE - Director of Human Resources (written)**

If the grievance is not resolved in Step Two, it must be submitted (as stated in Step Two) within five (5) days of the Step Two answer to the Director of Human Resources/designee. The Director of Human Resources/designee and the aggrieved employee and representatives of the Association will meet within ten (10) days in an attempt to resolve the matter. The Director of Human Resources/designee will render a written decision within ten (10) working days of the meeting of the parties as indicated in Step Three.

A grievance affecting more than one work location, a grievance filed by the Association, or a grievance arising out of action taken by a Central Office Administrator, unless the

administrator is the supervisor will be filed at step three within ten (10) working days of the time a grievance occurs or the grievant has knowledge of the action which is the cause of the grievance.

**STEP FOUR - Binding Arbitration (written)**

If the grievance remains unresolved at the conclusion of Step Three, it may be submitted for binding arbitration at the request of the Association, provided written notice of the demand for arbitration is delivered to the superintendent/designee within fifteen (15) working days from the date of the written decision at Step Three. The Party seeking arbitration will file a demand with the American Arbitration Association. The arbitrators will then be selected according to the rules of the American Arbitration Association. The case will be heard and presented in accordance with the rules of the American Arbitration Association. The arbitrator will hear the grievance in dispute and will render his/her decision in writing and will set forth his/her findings and conclusions with respect to the issues submitted to arbitration.

**POWERS OF THE ARBITRATOR**

It will be the function of the arbitrator, and he/she will be empowered, except as his/her powers are limited below, after one investigation, to make a decision in cases of alleged violation of the specific Articles and Sections of this Agreement.

- A. He/she will have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
- B. He/she will have no power to establish salary scales or change any salary.
- C. He/she will have no power to rule on any of the following:
  - 1) The termination of services of or failure to re-employ any probationary member except for legal activities.
  - 2) The placing of a probationary member on additional probation.
  - 3) Any matter involving member evaluation.
- D. He/she will have no power to change any practice, policy, or rule of the Board nor to substitute his/her judgment for that of the Board as to the reasonableness of any such practice, policy, rule, or any action taken by the Board. His/her powers will be limited to deciding whether the Board has violated the express Articles or Sections of this Agreement; and he/she will not imply obligations and conditions binding upon the Board from this Agreement. It being understood that any matter not specifically set forth herein remains within the reserved rights of the Board.
- E. In rendering decisions, an arbitrator will give due regard to the responsibility of management and will so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement.

- F. If either Party disputes the arbitrability of any grievance under the terms of this Agreement, the arbitrator will have to decide if the grievance is arbitrable. In the event that a case is appealed to an arbitrator on which he/she has no power to rule, it will be referred back to the Parties without decision or recommendation on its merits.
  - G. There will be no appeal from an arbitrator's decision if within the scope of his/her authority as set forth above. It will be binding on the Association, its involved members, and the Board.
  - H. The fees and expenses of the arbitrator will be shared equally by the Parties. All other expenses will be borne by the party incurring them, and neither Party will be responsible for the expense of witnesses called by the other.
  - I. CLAIMS FOR BACK PAY  
All grievances must be instituted within thirty (30) days from the time the alleged violation was to have occurred. The Board will not be required to pay back wages more than thirty (30) working days prior to the date a written grievance is filed.
    - 1) All claims for back wages will be limited to the amount of wages that the member would otherwise have earned.
    - 2) No decision in any one case will require a retroactive wage adjustment in any other case unless other cases were filed and pending on the representation case.
  - J. Unless agreed otherwise, an arbitrator will have power to hear or determine only a single grievance in a single arbitration hearing.
- 18.06 The failure of an administrator to communicate his/her decision to the member within the specified time limit will permit the members to proceed to the next step in the grievance procedure, if he/she so desires.
- 18.07 It will be the general practice of all Parties to process grievances excluding arbitration during times which do not interfere with or cause interruption of the member's work program. Release time will be granted only upon mutual consent of the aggrieved member, the Association, and the superintendent/designee. Such released time will be without loss of pay to the extent required for such participation in actual meetings with the Board or its designated representatives.
- 18.08 A grievance may be withdrawn at any Step without precedence and without prejudice. Once a grievance is withdrawn without precedence, it may not be refiled. However, a new grievance may be filed if the Board repeats the action that was the basis for the original grievance.

- 18.09 The filing of a grievance will in no way interfere with the right of the Board to proceed in carrying out its management responsibilities, subject to the final decision of the grievance.
- 18.10 Any written Agreement reached between the Board and the Association is binding on all members affected and cannot be changed by any individual.
- 18.11 Where more than one (1) written grievance involving the same issue has been filed and processed through the grievance procedure to Step Three, the Parties may by mutual written Agreement at Step Three, select one of the grievances as representative of the group. The remaining grievance(s) will then be held in abeyance at Step Three while the selected representative grievance is processed further in the grievance procedure. The ultimate disposition of the selected grievance will then be applicable to the remaining grievances held at Step Three.
- 18.12 Members will follow all written and verbal directions even if such directions are allegedly in conflict with the provision of this Agreement. Compliance with such directions will not in any way prejudice the member's right to file a grievance within the time limits contained herein, nor will the compliance affect the ultimate resolution of the grievance.
- 18.13 In the event, however, in the handling of a grievance it becomes necessary for an Association representative to leave work, permission will first be obtained from the supervisor or principal. The privilege of Association representatives leaving work during working hours without loss of time or pay is subject to the understanding that such time will be devoted to the proper handling of the grievance. This will be done, as expediently with as little interruption of work as possible; they must not leave their workstation unattended unless permission has been granted.
- 18.14 If the president or vice-president is required to go into another building other than his/her own in the handling of a grievance, the principal at both buildings (or all building involved) must be notified; permission will be granted provided that it does not unduly interfere with or interrupt or affect work or school operations or assigned duties. It is the responsibility of the president or vice president to report to the building principal before their conference with any member.
- 18.15 The Board will have the responsibility of establishing and providing the "Statement of Grievance" forms and the informal step forms for use by the member and will make said forms available to the member.
- 18.16 All arbitration hearings will be held in the District whenever possible.

## **ARTICLE 19 - WAIVER**

- 19.01 The Parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and Agreements arrived at by the Parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, neither the Board nor the Association, for the life of this Agreement, unless mutually agreed will be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement.
- 19.02 The Parties agree that this Agreement is intended to be in compliance with state law. Therefore, changes in state law that impact wages, hours, and/or terms and conditions of employment not addressed herein will be referred to Special Conference as provided in this Agreement.

## **ARTICLE 20 - ENTIRE AGREEMENT**

This Agreement supersedes and cancels all previous agreements, verbal or written or based on alleged past practices, between the Board and the Association and constitutes the entire Agreement between the Parties. - 21.02 In the event of any such violation of this Article, the Association will endeavor to return the members to work as expediently and quickly as possible by:
- A. Deliver immediately to the Board a notice addressed to all members repudiating such acts of the members and ordering them to cease such acts and return to work; and

B. Taking such other action which it deems reasonable and appropriate to bring about compliance with the terms of this Agreement.

- 21.03 There will be no liability for damages on the part of the Association if it promptly takes such action as indicated herein.
- 21.04 The Board will have the right to discipline, including discharge, any member for taking part in any violation of this Article.
- 21.05 Should differences arise between the Board and the Association and/or members as to the interpretation or application of the provision(s) of this Agreement or should any dispute of any kind arise, it is agreed that there will not be work stoppages, walk-outs, or slow-downs, picketing, etc. or any other type of concerted action until the entire grievance procedure has been exhausted and said situation resolved.

## **ARTICLE 22 - BOARD'S RIGHTS**

- 22.01 Nothing contained herein will be considered to deny or restrict the Board of its rights, responsibilities, and authority under the Michigan General School Law or any other laws or regulations. Except as stated by this Agreement, all the rights, powers, and authority the Board had prior to this Agreement are retained by the Board.

### Memorandum of Agreement

This memorandum is to verify a mutual agreement that was reached between the Rochester Community Schools Board of Education and the Rochester Support Personnel Association as indicated below:

Any member with a seniority date on or before 31 December 1985, who terminates employment between the effective date of this Agreement and 30 June 1998, will be paid sixty five hundred dollars (\$6500.00) plus up to an additional three thousand dollars (\$3000.00) compensation for unused sick leave days as per section 16.06.B. The compensation for unused sick leave days will be calculated as per Section 16.06.B, [ $37.5\% \times \text{daily rate} \times \text{number of unused sick leave days} = \text{compensation}$ , capped at forty-five hundred dollars (\$4500.00)]. The calculation will then be doubled up to an additional three thousand dollars (\$3000.00).

#### Example

##### Member A:

125 unused sick leave days  
 Daily rate of pay is \$125.84  
 $.375 \times 125.84 \times 125 = \$5898.75$   
 Section 16.06.B. cap is \$4500.00  
 Incentive cap is \$3000.00

##### Member B:

25 unused sick leave days  
 Daily rate of pay is \$123.44  
 $.375 \times 123.44 \times 25 = \$1157.25$

### Memorandum of Agreement

This memorandum is to verify a mutual agreement that was reached between the Rochester Community Schools Board of Education and the Rochester Support Personnel Association as indicated below:

Any member with a seniority date on or before 31 December 1985, who terminates employment between the effective date of this Agreement and 30 June 1998, will be paid sixty five hundred dollars (\$6500.00) plus up to an additional three thousand dollars (\$3000.00) compensation for unused sick leave days as per section 16.06.B. The compensation for unused sick leave days will be calculated as per Section 16.06.B,  $[37.5\% \times \text{daily rate} \times \text{number of unused sick leave days} = \text{compensation}]$ , capped at forty-five hundred dollars (\$4500.00). The calculation will then be doubled up to an additional three thousand dollars (\$3000.00).

#### Example

##### Member A:

125 unused sick leave days  
 Daily rate of pay is \$125.84  
 $.375 \times 125.84 \times 125 = \$5898.75$   
 Section 16.06.B. cap is \$4500.00  
 Incentive cap is \$3000.00

##### Member B:

25 unused sick leave days  
 Daily rate of pay is \$123.44  
 $.375 \times 123.44 \times 25 = \$1157.25$   
 Incentive is \$1157.25
