### **PURPOSE AND INTENT**

The general purpose of this Agreement is to set forth provisions and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the Employees and the Union.

No person employed by nor applicants for employment with the Employer nor any applicant for Union membership shall be discriminated against because of race, creed, color, national origin, sex, age, marital status, number of dependents or political affiliations.

### **ARTICLE 1 - RECOGNITION**

The Employer hereby recognizes the Union as the sole and exclusive collective bargaining representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment, and, for the term of this Agreement, the employees included in this bargaining unit shall be as follows; but excluding temporary, seasonal, part-time, clerical and supervisory employees: hourly-rated employees of the Department of Recreation and Public Service, (and all Building Custodians).

### **ARTICLE 2 - AID TO OTHER UNIONS**

#### **Section 1**

The Employer will not aid, promote, or finance any other labor group or organization which proposes to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union during the term of this Agreement.

### **ARTICLE 3 - UNION SECURITY**

#### **Section 1**

- A. The Employer recognizes the right of the Union to solicit membership from any employees working in the bargaining unit.
- B. The Employer agrees that it will, as part of its personnel procedure, advise all such new employees concerning this contract provision, which will be effective in the first calendar month after such employee has completed the six (6) months probation as required by the City. No such new employee will be hired unless he/she first executes the appropriate "Authorization for Wage Deduction" set forth in Section 2 of this article. This provision does not apply to temporary, seasonal or part-time employees.

The City has the right to hire temporary or seasonal employees to perform the work of members of the bargaining unit in temporary laborer positions unless there are full time employees laid off or discharged from the affected job classification and division except: The employee on layoff was bumped by an employee from another division in which the bump does not reduce the number of occupied full time positions.

Temporary employees may be hired in any division to fill any laborer positions created by attrition other than layoff or discharge. Temporary or seasonal employees shall have become permanent employees if they are employed for more than six (6) months in any twelve (12) month period. Alleged abuses of this provision shall be subject to the grievance procedure. The Employer will provide the union with a list of all new hires, showing date of hire and identifying any temporary or seasonal employees. This provision shall apply to seasonal or temporary employee applications of this contract, except as provided in the following paragraph.

The City may hire two (2) part-time employees to perform custodial and other duties normally performed by seasonal employees assigned to the auto parking division. These employees shall not work more than 1200 hours per year and shall not displace any bargaining unit members.

- C. Check off deductions under a properly executed authorization for check off dues form will become effective at the time the authorization is signed by the employee and shall be deducted from the first pay of the month following completion of six (6) months probationary period and each month thereafter.
- D. Dues deduction from any calendar month shall be remitted by the Director of Finance to the designated financial officer of the union within two weeks of the time the dues are collected.
- E. The Union agrees that it will indemnify and save harmless the Employer from any and all claims by employees against the City that may arise from deduction of Union dues or payments in lieu of dues pursuant to this Agreement, and that it will furnish legal counsel and defend against any such claim against the employer in any court or tribunal, and pay any judgment rendered.
- F. The Employer shall have no responsibility for the collection of initiation fees, reinstatement fees, special assessments or any fee other than the monthly membership dues.
- G. When an employee does not have sufficient money due him after deductions have been made from pension, social security, and/or other deductions authorized by the employee, as may be required by law, the Union dues for a particular deduction period will be collected by the Union directly from the employee.

## Section 2

Such wage deduction authorizations, once signed, shall be irrevocable by the employee for the life of this contract, and shall be in substantially the following form:

## "AUTHORIZATION FOR WAGE DEDUCTION"

I hereby authorize the City of Royal Oak to deduct from wages earned or to be earned by me and pay over to Service Employees International Union Local 270-M, AFL-CIO, the sum of \$ \_\_\_\_\_ monthly, or such other and different sum as may be lawfully established by action such Union taken in accordance with its constitution and bylaws, (in payment of my Union membership dues) or (in payment in lieu of dues for collective bargaining services and administration of this Agreement). I hereby expressly recognize that this assignment is irrevocable for the life of the current collective bargaining contract between the Union and the City of Royal Oak.

There may be alternates to serve in the absence of stewards. Stewards and alternates shall only represent employees in the respective department(s). There shall also be a chief steward and an assistant chief steward, who shall be chosen in any manner determined by the employees.

### **Section 2**

The Union shall keep an up-to-date list of the aforementioned representatives and shall supply the Employer with a copy of same. Promptly following the effective date of this Agreement, the Union and the Employer shall provide each other with

a written list of names and titles of their respective representatives, and will, from time to time, provide prompt notice of any change.

### **Section 3**

Union representatives shall be paid for the time spent during working hours in attendance at grievance meetings with the City representatives in accordance with Article 6 and special conferences in accordance with section 4 below. A steward (or alternate, as the case may be) will be permitted to leave his/her job upon request to, and with the approval of, his/her supervisor for the purpose of investigating the reported grievance in his/her assigned area. Such approval shall not be unreasonably withheld. Such steward shall report back promptly to his/her supervisor upon completion of his/her investigation and if, in the course of such investigation, he/she finds it necessary to go into another department, he/she shall immediately inform the supervisor of such department of his/her presence and state the reason for his/her presence there. Stewards who attend grievance meetings at the request of the Employer during the times they are not scheduled to work shall be permitted to take an equivalent amount of time off work with pay or receive pay on a straight time basis at the Employer's option.

### **Section 4**

Special conferences for important matters may be arranged between the Local president, the Employer or its designated representatives upon request of either party. Such meetings shall be between one or more representatives of the Employer and at least two, but not more than three, representatives of the Union. The arrangements for such special conferences shall be made in advance, and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in the special conferences shall be confined to those included in the agenda unless both parties agree to include other items. Such conferences shall be held on a work day within normal working hours and be completed by the end of a normal work day.

## **ARTICLE 6 - GRIEVANCE PROCEDURE**

### **Section 1**

A grievance shall mean a complaint with respect to an alleged violation or misinterpretation of any of the provisions of this Agreement. The parties acknowledge this grievance procedure is meant to resolve complaints. Specified time limits shall exclude days on which the involved parties, as designated in each stop of the grievance procedure, are unavailable due to physical absence from work. This shall apply to all time limits of less than 30 days duration. An employee having a grievance or the Union on behalf of an employee or multiple grievants, may present the grievance as follows:

Step 1 - An employee having a grievance shall first take up the matter with his/her immediate supervisor, with or without the employees' steward, at the employee's discretion. If the grievance is not settled to the satisfaction of all concerned, the grievance shall be reduced to writing, submitted to the employee's immediate supervisor, and the immediate supervisor shall furnish the steward with a written answer to the grievance within forty-eight (48) hours (excluding Saturday, Sunday and Holidays). Any grievance not taken up with the immediate supervisor within five (5) days after the occurrence of the incident giving rise to the grievance (excluding Saturday, Sunday, holidays and approved vacation time of the aggrieved employee) shall not be entitled to consideration.

Step 2 - If a satisfactory settlement is not reached in Step 1, the Union steward may, within forty-eight (48) hours after receipt of the written answer (excluding Saturday, Sunday and holidays), present the grievance to the employee's departmental superintendent for review. The departmental superintendent shall then furnish a written answer within forty-eight (48) hours (excluding Saturday, Sunday and holidays).

Step 3 - If a satisfactory settlement is not reached in Step 2, the steward may submit the matter in writing to the Personnel Director or Director of Recreation and Public Service within four (4) days after receipt of the departmental superintendent's answer (excluding Saturday, Sunday and holidays). The Personnel Director or Director of Recreation and Public Services shall, upon receipt of the grievance, schedule a meeting with the grievant and a union official at a mutually acceptable time. That meeting shall be conducted within four (4) working days unless otherwise agreed, and shall be followed by a written record of disposition. In addition, copies of all matters of discipline and discharge materials shall be forwarded directly to the Personnel Director.

Step 4 - If a satisfactory settlement is not reached in Step 3, the Union may submit the matter in writing to the City Manager within four (4) days following receipt of the Personnel Director's written disposition of the grievance (excluding Saturday, Sunday and holidays). The City Manager shall, upon receipt of the grievance, make written disposition of the same within ten (10) days (excluding Saturday, Sunday and holidays).

The Union shall have thirty (30) days to make an election of one exclusive remedy to appeal any disciplinary action taken by the City by proceeding either in accordance with the Civil Service Ordinance or the following Grievance Arbitration Appeal Procedure, but not both.

Step 5 - In the event the grievance is not settled in step 4, the Union, through its Secretary shall have thirty (30) days in which to invoke arbitration in those cases where arbitration is permitted. Arbitration can be invoked only in the following manner:

- (a) Written notice to the City within thirty (30) days after receipt of disposition in Step 4, of intent to submit the issue to arbitration. Following such notice of intent to arbitrate, the parties shall attempt to select an arbitrator to arbitrate the disputed issues.
- (b) In the event the parties have not selected an arbitrator within ten (10) days of the date of notification of intent to arbitrate or within such other period of time as may be mutually agreed upon, an arbitrator shall be selected in accordance with the rules, regulations and procedures of the American Arbitration Association.

The decision of the arbitrator shall be final and binding on all parties.

The arbitrator may not add to, subtract from, change or amend any of the terms of this Agreement, and shall only concern himself with the interpretation and application of the terms of this agreement.

The expense of such impartial arbitrator shall be borne equally by both parties.

## **Section 2**

Any grievance not appealed from a decision in one of the steps in the above procedure, to the next step within the time limits prescribed, shall be considered dropped. If the Employer shall fail to answer a grievance within the time limits prescribed, the grievance shall be considered to have been granted. In the event an employer representative is unavailable to receive a grievance, the Union may leave the grievance or an appeal, in a sealed envelope, with that representative's secretary, who will date stamp it.

## **Section 3**

All proceedings before the arbitrator shall be conducted in accordance with the voluntary labor relations rules of the American Arbitration Association. The arbitrator shall hear evidence in the case submitted. The decision of the arbitrator upon any question permitted by this Agreement shall be final and binding upon both parties.

## **Section 4**

Grievances protesting disciplinary action shall be subject to arbitration in the same manner as other grievances but shall not be subject to appeal to both the Civil Service Board and arbitration. The Employer agrees that prior to the taking of any disciplinary action against an employee, it will discuss the disciplinary action proposed to be taken with the Departmental Steward or in his/her absence the Chief Steward, assistant Chief Steward, Financial Secretary, Recording Secretary, Vice-President, or President on duty, and in that order, and will explain the reasons for the proposed disciplinary action. The Employer also agrees that it will give due consideration to any arguments and factual information concerning the proposed disciplinary action that may be presented to it by the Union representative. The Employer agrees to give written notice of any disciplinary action taken to both the Union and the employee against whom such disciplinary action is taken.

## **Section 5**

Any meeting's time, date, and location shall be subject to mutual agreement between the parties. This will not waive any time requirement present in earlier parts of this article. Waivers of contractually prescribed time limits may be made by mutual agreement.

## **Section 6**

Both parties recognize settlement of disputes is best served when the relevant issues are openly discussed. It is the intent of the parties that this should occur prior to the arbitration step.

## **ARTICLE 7 - DISCIPLINARY PROCEDURE**

### **Section 1**

An employee will be put on notice within ten (10) days of an incident of any pending disciplinary action. An employee who is summoned before a supervisor and/or superintendent for disciplinary action shall immediately be told the purpose of the meeting. The supervisor shall then inform the employee that they are entitled to have their steward present. The supervisor shall then ask the employee if they want their steward present. If the employee indicates they want their steward present there shall be no further discussion until the steward is present.

## **ARTICLE 8 - STRIKES AND LOCKOUTS**

### **Section 1**

It is understood that the services performed by City employees are essential to the public health, safety and welfare of the community. The Union, therefore, agrees that during the term of the Agreement, the union will not engage in a strike, work stoppage, slowdown or other interference with the Employer's operations. Likewise the Employer agrees that during the term of this Agreement, there shall be no lockouts of the employees. In the event of a strike, work stoppage or slowdown, the Union will cooperate with the Employer in notifying its members to cease and desist from such conduct.

## **ARTICLE 9 - SENIORITY**

### **Section 1**

- A. Upon completion of the probationary period of 180 calendar days, a permanent full-time employee shall have seniority as of his/her date of hire. A new hire probationary employee found to be unsatisfactory by the Employer shall not have access to the grievance procedure.
- B. An employee shall lose his/her seniority standing upon voluntary resignation or disciplinary separation from the City service which is not reversed by the impartial arbitrator or a court of competent jurisdiction provided that if such disciplinary separation is reversed by the impartial arbitrator or court of competent jurisdiction, such employee's seniority shall be maintained from the original date of hire. In case of rehiring a former employee, previous service shall not be recognized effective June 1, 1980.
- C. Seniority lists will be furnished by the City to the Union and posted in each Department on June 1 of each year during which this Agreement is in effect. The seniority lists shall show the names, job titles and the seniority date of all employees of the Union entitled to seniority.
- D. Employees shall continue to accumulate seniority while laid off. However, seniority accrued by a member of the bargaining unit while on layoff shall not apply to recall provisions as cited in this Agreement.

## **ARTICLE 10 - WORK DAY AND WORK WEEK**

### **Section 1**

The work day shall consist of eight (8) hours in a calendar day, with no more than an additional sixty (60) minutes off for lunch without pay.

### **Section 2**

The determination of the starting time and work schedules shall be made by the Employer.

### **Section 3**

For the purpose of this Agreement, the work week shall begin at midnight Saturday.

### **Section 4**

The basic work week shall consist of forty (40) hours in five (5) consecutive eight (8) hour days, Monday through Friday.

### **Section 5**

During declared emergencies, so promulgated by the Director of Recreation and Public Service, where the Public Service departments and divisions are placed on twelve (12) hour shifts, the Monday to Friday work schedule shall be the first eight (8) hours are regular hours and the remaining four (4) hours are overtime. If an emergency is declared, employees required to work will be notified as soon as possible.

## **ARTICLE 11 - OVERTIME**

### **Section 1**

Employees who are required to work more than eight (8) hours in any one day shall be paid per hour for such overtime at the rate of none and one-half (1½) times their current hourly base wage. Provided that double time will be paid for overtime beyond eight (8) hours in a given shift, meaning that, in the event an employee is required to work nine (9) or more hours of overtime in the same tour of duty, the double time payment is to commence with the ninth (9th) hour of overtime.

### **Section 1A**

An employee may, at his or her option, record overtime at time and a half, or double time as otherwise provided in this contract, in a comp-time bank in lieu of payment. The maximum number of hours in the comp bank cannot exceed forty (40) hours. Hours banked but not used by the end of the fourth month following the close of the fiscal year in which earned, shall be paid at the employee's regular rate of pay.

### **Section 2**

Employees required to work on Saturdays shall be paid per hour at the rate of one and one-half (1½) times their current hourly base wage for the first eight (8) hours and two (2) times their current hourly wage rate for the ninth (9th) hour and each succeeding hour thereafter provided that to be entitled to pay at the rates set forth herein for Saturday, an employee must have worked forty (40) hours at straight time, less authorized time off with pay, during the week or have worked overtime in an emergency assignment to a point that would constitute a health or safety hazard if the employee were to be compelled to report for his/her normal tour of duty subsequent to the emergency assignment. In such event, overtime worked in the

emergency assignment shall be considered as qualifying time for the Saturday premium pay.

### **Section 3**

Employees required to work on Sunday shall be paid per hour at a rate of two (2) times the current hourly base wage.

### **Section 4**

Employees who are required to work on the designated holidays as contained in this Agreement shall be paid per hour at the rate of two (2) times their current hourly base wage, plus the regular holiday pay of straight time for eight (8) hours.

### **Section 5**

Overtime will be computed to the nearest one-quarter ( $\frac{1}{4}$ ) hour.

### **Section 6**

In emergency situations, provisions may be made for compulsory overtime work with disciplinary action for those who refuse. In the event the Department is placed on continuous twelve (12) hour shifts (two (2) twelve (12) hour shifts per day), because of an emergency, the first eight (8) hours of the shift shall be considered regular hours, with overtime commencing after eight (8) hours. No employee shall be required to work more than eight (8) consecutive hours of overtime without being given an eight (8) hour rest. Abuses by management shall be subject to the grievance procedure.

### **Section 7**

Overtime shall be distributed as equally as possible among employees within each job classification in each department, division and/or subdivision so that at the termination of each fiscal year all employees within a given job classification in each department, division and/or subdivision will have been given the opportunity to work approximately the same amount of overtime. An employee on authorized leave shall not be charged with overtime. Employees on call who cannot be reached two consecutive times, will be charged with the number of hours actually worked by the employee who does accept the overtime assignment. The divisions will be responsible for current overtime lists, showing overtime worked to date. Procedure for calling shall be subject to work rules.

### **Section 8**

- A. An employee called back to work overtime outside of his or her regular scheduled work period shall be paid for a minimum of three (3) hours in accordance with the overtime provisions of this Agreement.

- B. In the event that such callback does not require the full three (3) hours of work, the employee may be assigned to other work within the job classification for the balance of the three-hour pay period in lieu of being sent home.
- C. If the callback overtime work assignment and the employees regular duty period overlap, the employee shall be paid for such overtime in accordance with the overtime provisions of this Agreement until his/her regular duty period begins, after which the employee shall be paid at the rate of his/her current basic hourly wage.
- D. In the event that an employee is held over at the end of his/her regular tour of duty for more than two hours and is not released to go home for a meal, he/she will be paid a \$4.50 meal allowance rather than being released for his/her meal period.
- E. In case any department has a work day or work shift changed to an hour earlier anytime in the year, corresponding changes shall be made in other time considerations stated in this Agreement for meal times.
- F. Members of the bargaining unit who set telephone answering machines to receive potential call-in for overtime situations and, therefore, do not acknowledge such call-in, shall be charged for the hours the same as a refusal. The supervisor calling the employee shall identify himself/herself by giving both his/her name and the time of the call.
- G. The employer shall not unreasonably require any employee to work overtime. Personnel shall not refuse to work overtime if the result of such refusal would result in the inability of the Department of Public Service to properly discharge its responsibility to the public and carry out its function in an adequate manner. If the employee has good and sufficient reason for refusing overtime, and another employee is available to work such overtime and capable of doing so, the employer should not insist on the first mentioned employee working said overtime.
- H. In the event that the employee is called back to duty, and by reason thereof is on duty at a regular mealtime (regular mealtimes being for the purposes of this Agreement at 7:00 AM, 12:00 Noon or 6:00 PM), he/she will be paid \$4.50 meal allowance if his/her supervisor does not release him/her to go home for a meal.

### **Section 9**

- A. Employees who are restricted to light duty as the result of either a job-incurred injury or illness shall be exempted from call-in and regular assignment to overtime.
- B. Upon returning from job incurred injury or illness leave, an employee's overtime total fiscal year hours shall be adjusted to show the average classification overtime increase, within the division or subdivision, that occurred during the period of injury leave.

### **Section 10**

In the event of scheduled overtime, said overtime will be offered by seniority to members of 270-M qualified to operate the equipment before being offered to seasonal employees.

## **ARTICLE 12 - SHIFT DIFFERENTIAL**

This paragraph has been deleted.

## **ARTICLE 13 - REST PERIODS**

All employees working an eight (8) hour duty shift shall be entitled to two (2) rest periods per shift, excluding the lunch period. These periods will be taken within one-half (1/2) hour of the mid-point of the four (4) hour period of work unless they are taken when traveling between job sites, in which case they will be started or finished within one-half (1/2) hour of the mid-point of the four hour period of work. (The elimination of "whenever possible" from the language of the previous Agreement shall not mean that a rest period may be eliminated if it cannot be scheduled according to the norms stated above). The length of the rest periods shall be fifteen (15) minutes per period. Employees shall take rest periods at the job sites according to the norms stated above, or unless the supervisor gives permission, which shall not be unreasonably denied, to take a rest period away from the job site due to conditions at the job site.

## **ARTICLE 14 - WASH-UP TIME**

All employees shall be given five (5) minutes wash-up period before lunch, a ten (10) minute wash-up period at the end of their regular duty day. In case an employee becomes excessively dirty or in a chemical condition that would constitute a health or safety hazard, he or she shall be allowed to shower on the work premises within his/her scheduled work time.

## **ARTICLE 15 - BULLETIN BOARD**

The Employer agrees to furnish a bulletin board for the use of the Union. The bulletin board is to be used only for notice of Union meetings, Union elections, results, newsletters, Executive Board findings, notice of educational functions and social functions in connection with the local Union. Any other notices the Union desires to post must be approved by the Employer prior to being posted. The Union shall designate a person who shall be responsible for all notices posted on the board.
