Article 8 MANAGEMENT RIGHTS

8.1 Exclusive Rights

The City reserves the exclusive rights to manage its business in all of its phases and details. This right includes, but is not limited to, the right to determine the size and composition of the working forces; to direct, control and assign employees in the discharge of their duties; to hire, suspend or discharge; to apportion the working force; to create or abolish positions; to control the City's property and operation; and to carry out all other functions of management. In the exercise of these rights the City shall be bound by the applicable provisions, if any, of this Agreement.

8.2 Legal Responsibilities

The City in this Agreement does not relinquish any of its rights, responsibilities and requirements provided under the laws of the City, the State of Michigan and the United States as a municipality and Employer. This Agreement does not and shall not circumvent any of the lawful rights, responsibilities and requirements of the City.

8.3 Layoffs

The City maintains the exclusive right to lay off personnel for lack of work or funds, or the occurrence of conditions beyond the control of the Employer, or where such continuation of work would be wasteful.

8.4 City Manager's Authority

Certain subjects, such as equipment, job duties, work schedules and assignments and various similar management functions remain the authority of the City Manager to regulate to the extent provided by law and the terms of this Agreement.

Article 9
DISCIPLINE AND DISCHARGE

9.1 Job Performance

The Employer has the right to discipline or discharge an employee for unsatisfactory work performance as determined by the Employer. An employee will not be discharged for unsatisfactory work performance unless he or she is first notified in writing, by evaluation or otherwise, of his or her unsatisfactory performance and given a reasonable time to improve.

9.2 Immediate Discharge

Discipline or discharge other than that in Section 9.1 above shall be for just cause.

9.3 Notice and Procedure

The Employer agrees promptly upon the discipline or discharge of an employee to notify in writing the employee and Association/Union President or his/her designated representative of the discipline or discharge. The disciplined or discharged employee will be allowed to discuss his/her discipline or discharge with the Association/Union President or his designee. The Employer will make available an area where he/she may do so before the employee is required to leave the property of the Employer. The Employer or designated representative will discuss the discipline or discharge with the Association/Union President or his/her designated representative before the employee is required to leave the premises.

9.4 Investigation

The Employer may remove an employee from the work place prior to the imposition of discipline for reasons of conducting an investigation into alleged misconduct. If an employee is removed from the work place under this provision and no suspension or discharge is subsequently imposed upon the employee, he/she shall be compensated for all hours of work lost under the terms of this provision. If the employee is subsequently suspended or discharged after the procedure set forth above, the suspension or discharge may relate back to the time of the initial removal from the work place under this provision.

Article 10
GRIEVANCE PROCEDURE

10.1 DEFINITION: A grievance shall mean a complaint, by an employee or group of employees, based on an alleged violation, misinterpretation or misapplication of any provision of this Agreement.

10.2 PROCEDURE: Grievances shall be presented exclusively and adjusted according to the following procedure:

10.3 STEP ONE - VERBAL

An employee and/or the Association/Union President shall discuss the grievance with the employee's immediate supervisor who is not a member of the bargaining unit in an effort to resolve the problem.

10.4 STEP TWO - WRITTEN

In the event Step One (1) does not resolve the grievance, a written grievance may be filed by the President or his designee with the employee's Department Head, if not an Association/Union member, within five (5) work days after the event giving rise to the grievance.

10.5 Within five (5) work days after receipt of the written grievance, the employee's Department Head, if not a Union member, shall communicate his/her decision, in writing, to the Association/Union President or designated representative. If the grievance is not answered by the Department Head within five (5) work days, the Association/Union may immediately proceed to the next step of the grievance procedure.

10.6 STEP THREE - AGENDA

Within five (5) work days after receiving a Step Two reply, if the employee or the Association/Union still is aggrieved, a written appeal may be made by the employee or the Association/Union to the City Manager or his designated representative. A meeting between a maximum of two (2) representatives of the Association/Union and one (1) representative of the International Union and the City Manager or designated representative will be arranged to discuss the grievance within five (5) work days after the grievance is submitted to the City. Within five (5) work days after the date of said meeting, the City Manager or designated representative shall communicate his decision in writing to the aggrieved party and the Association/Union. If the grievance is not answered by the City Manager within five (5) work days, the Association/Union may immediately proceed to the next step of the grievance procedure.

10.7 The Association/Union representatives will be permitted to meet at a place on City property immediately preceding the meeting with the representatives of the Employer.

10.8 STEP FOUR - CIVIL SERVICE

If the grievance involves a financial claim equal to one (1) day's pay or less, the Association/Union may submit the grievance to the Civil Service Board for a final and binding decision. Arbitration shall not be available for any matter so submitted to the Civil Service Board. Further, any decision by the Civil Service Board shall not constitute a precedent in any future grievance. Finally, grievances involving management rights, matters of contract interpretation, and discipline or discharge shall not be proper subjects for Civil Service but must be presented through arbitration. Both sides may mutually agree in writing to take any other issue to the Civil Service Board whose decision shall be final and binding.

10.9 For matters submitted to Civil Service, the Civil Service Board shall meet as soon as possible, but no later than the fourth Thursday of the next month after notification by either party of a pending grievance. After the meeting in which a decision is reached, the Civil Service Board shall render a written decision with supporting reasons within three (3) regular scheduled work days to the Association/Union President and the City Manager.

10.10 STEP FIVE - ARBITRATION

If the City and the Association/Union are unable to resolve any grievance not subject to Civil Service, the grievance may be submitted to arbitration within thirty (30) calendar days after the decision of the previous step of the grievance procedure. The grievance shall be considered submitted to arbitration when a demand for arbitration and fees is filed with the Federal Mediation and Conciliation Services.

10.11 The fees and expenses of said arbitrator shall be paid by the party against whom the decision is rendered.

10.12 The arbitrator shall limit his decision to the interpretation, application and enforcement of this Agreement and he shall be without power or authority to make any decision contrary to, or inconsistent with, or modifying or varying in any way, the terms of this Agreement. He shall be without authority whatsoever to grant any wage increase or decreases or to grant any relief for any period of time whatsoever prior to the execution date of this Agreement.

10.13 The arbitrator shall be without authority to require the City to delegate, alienate or relinquish any powers, duties, responsibilities, obligations or discretions which by state law or City charter, the City cannot delegate, alienate or relinquish.

10.14 The decision of the arbitrator, if within the scope of his authority as set forth above, shall be final and binding.

10.15 No settlement in any stage of the grievance procedure, except an arbitration decision, shall be a precedent in any arbitration and shall not be admissible as evidence in any future arbitration proceeding.

10.16 All claims for back wages shall be the amount of wages that the employee otherwise would have earned less any interim earnings.

10.17 The decision of the arbitrator in a case shall not require a retroactive wage adjustment in another case except by express agreement of the parties.

10.18 In the event a case is appealed to an arbitrator and he finds that he has no power to rule on such case, the matter shall be referred back to the parties without decision or recommendations on the merits of the case.

10.19 Arbitration whenever possible shall be conducted at City Hall.

10.20 All arbitration hearings shall be governed by the rules of the American Arbitration Association. The parties may agree to use the current Expedited Labor Arbitration Rules established by the American Arbitration Association.

10.21 General Principles

A grievance may be withdrawn at any level of the grievance procedure without right of reinstatement.

10.22 The Association/Union President, or his/her designee, shall be allowed reasonable time off from his/her job, without loss of time or pay, to investigate grievances which he/she is to discuss with the Employer. The employee's supervisor who is not a bargaining unit member will grant him/her permission to leave work for this purpose.

10.23 The Association/Union shall have the right to proceed to the next step of the grievance procedure, including where available arbitration, in the event a decision is not forthcoming within the time period set forth herein as if the grievance had been denied.

10.24 The number of days indicated at each level of the grievance procedure shall be considered as maximum. Time limits at any step of the grievance procedure may be extended only by mutual agreement in writing. In the event that the Association/Union fails to appeal or demand arbitration within the time limits prescribed, the grievance shall be considered withdrawn on the basis of the last answer provided.

10.25 The primary purpose of the grievance procedure is to secure, at the lowest level possible, solutions to grievances. Both parties agree that these proceedings shall be kept informal and not open to the general public.

Article 11 SUB-CONTRACTING

11.1 During the term of this Agreement the Employer shall be permitted to contract or sub-contract any public work covered under Civil Service job specifications performed by the employees unless such contracting or subcontracting shall cause a layoff or continuation of layoff of any permanent employees or substantial loss of any regular working hours for any permanent employees.

Article 12 SUPPLEMENTAL AGREEMENTS

12.1 All supplemental agreements between the City and the Association/Union which are tentatively entered into during the term of this Agreement shall be subject to the ratification vote of the bargaining unit membership and the approval of the City Manager. All supplemental agreements, when so approved, shall be typed out and placed under Appendix A and shall become a part of the Agreement during the term of the Agreement.

Article 16

Such meetings shall be between at least two (2) but no more than three (3) representatives of the Association/Union and at least two (2) representatives of the Employer. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the agenda. Conferences shall be held at reasonable hours as agreed upon by the Employer and the Association/Union Representatives. The Employer will provide optical coverage to all employees and their families in the bargaining unit. Coverage shall be provided by BCBS riders VCA -80 and FLVS-A. VCA-

80 provides for vision testing examinations every 24 months with a \$5.00 co-payment at participating providers. 28.2 Hospitalization

The City agrees to pay the full cost or premium for hospitalization medical coverage for all employees in the bargaining unit and their families for the BCBS PPO as described in 28.6. The City agrees to pay the cost for SelectCare up to the PPO rates with the employee paying the premium difference between BCBS and SelectCare for the program described in 28.12 commencing November, 1993.

28.3 This coverage shall be extended for a period of three (3) months to all seniority and probationary employees who are on an extended leave of absence under Article 19.1 and have exhausted all S&A benefits, vacation and sick time.

28.4 At the expiration of the three (3) month period the employee will then be allowed to pay the entire monthly premium equal to that of the SelectCare premium to the City in order to remain on the group policy for an additional (9) months. The full premium must be paid at the cashier's office no later than the tenth (10th) of the month preceding the benefit month for which the premium is due. Failure to meet the payment requirements will result in the employee being removed from the policy without the possibility of reinstatement unless returned to a full-time position.

28.5 Hospital-medical coverage provided to members of the bargaining unit through Blue Cross/Blue Shield shall, during the term of this Agreement, be self-funded by the City and administered by an administrative outside independent services organization.

28.7 Any member of the bargaining unit who is denied coverage by the administrative services organization for any specific incident and coverage would have been provided under Blue Cross/ Blue Shield may file a grievance under the grievance procedure of the collective bargaining agreement. Any dispute with the administrative services organization over an unpaid medical or hospital bill shall be paid for by the City until the dispute is resolved through the arbitration procedure. For purposes of this provision only the streamlined arbitration procedure of the American Arbitration Association shall be followed.

28.8 The Employer agrees to pay the full cost of hospitalization for its retirees under the St. Clair Shores Employees Retirement System, from the earnings of the Retirement System. In addition, the Employer agrees to pay full cost of the hospitalization for spouse and dependents from City funds. Effective 6/30/99, pursuant to Public Act 28

of 1966, as amended (MCL 38.571 et seq.), it is hereby agreed that up to one half of the earnings by the pension reserve fund may be used for the payment of medical and hospital insurance costs for retirees and beneficiaries (retiree, spouse and eligible dependents) receiving benefits from the Retirement System for the fiscal year beginning 7/1/99. The use of said funds shall be in compliance with Article IX, Section 24 of the State of Michigan Constitution, and other applicable state and federal laws. Such amount shall be paid by the Retirement System directly to the City and shall be used solely for the payment of medical and hospital insurance for retirees and beneficiaries. Funding to the Retirement System shall continue to be in accordance with the State of Michigan Constitution and other applicable law. It is understood that the cost of hospitalization shall include the regular medicare expense for both employee and spouse.

28.9 Retirees shall receive the BCBS benefit (with full family coverage) as set forth in 28.6, however, without the PPO and MMCPOV rider.

28.10 The City shall assume the full cost of hospitalization insurance for the first full month of layoff of any member of the bargaining unit. For purposes of this provision, a full month of layoff shall be defined as one which begins on the first scheduled work day of any calendar month. The City shall assume seventy-five percent (75%) of the insurance premium based on SelectCare rates for the second full month of layoff and fifty percent (50%) based on SelectCare rates for the third month of layoff. Employee payment for any month to be received by the 10th of the month preceding the month for which payment is due. Failure to receive payment by the 10th of the month shall relieve the City of further obligation under this provision. Except as may be required by COBRA, the City shall have no obligation for continuing hospitalization insurance for the laid-off employee after the sixth month of layoff. However, provided said practice is permissible by the insurance carrier, the employee may continue his/her group hospitalization insurance through the twelfth (12th) month of layoff by paying the monthly premiums equal to that of the SelectCare premiums to the City by the 10th of the month preceding the month for which payment is due.

28.11 Self-Funded Plan

Transfers from the self-funded program to SelectCare will be made available to employees on a voluntary basis once a year.

REIMBURSEMENT ACCOUNTS

The parties hereby agree that effective May 1, 1998, the members of this bargaining unit will be permitted to utilize qualified reimbursement accounts established as part of Section 125 of the Internal Revenue Code, which permits employees to pay certain health care or dependent care expenses with pre-tax dollars. Administration and limitations of this plan shall be determined by the City and as otherwise required by Federal law or regulation.

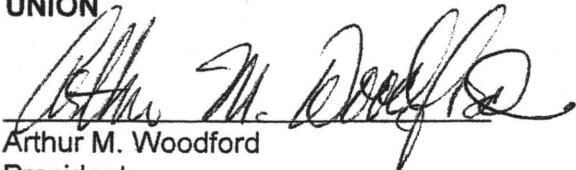

CASH IN LIEU OF BENEFITS

The parties further agree that effective May 1, 1998, each employee who elects to waive participation in the City's sponsored health care plans because the employee's spouse has coverage shall be paid a health insurance allowance of One Thousand Dollars (\$1,000.00) annually. The waiver of participation shall remain in effect from coverage year to coverage year unless revoked by the employee, in writing, during a subsequent open enrollment period or as otherwise provided in this agreement. As a condition of waiving participation and receiving an insurance allowance, the employee must annually submit a letter to the personnel director certifying that the employee and the employee's dependents will be covered under a health insurance plan. Each employee who elects to accept the insurance allowance for the calendar year January through December will receive payment on or about November 1 of such calendar year, combined with other special pay items. For the first shortened year of implementation (1998), the insurance allowance will be a prorated amount of Six Hundred and Sixty-Seven Dollars (\$667.00). Any insurance allowance paid will count towards final average compensation.

In the event that an employee's spouse's health care plan ceases to cover the employee and his/her dependents, the employee must reenroll in a City-sponsored health care plan. The City will endeavor to reenroll the employee and the employee's eligible dependents in a City-sponsored health care plan subject to the procedures and time frame required by the appropriate health insurance carrier. Employees who are re-enrolled during a calendar year after having received the insurance allowance for the entire calendar year will be responsible for repaying the City a prorated amount of the insurance allowance that the employee received. If such employee fails to authorize a payroll deduction by the City for this prorated amount, the employee's salary in the next calendar year shall be reduced by an amount equivalent to the prorated insurance allowance owed back to the City. Employees who are re-enrolled during the calendar year before having received the insurance allowance for the entire calendar year will receive a prorated allowance.

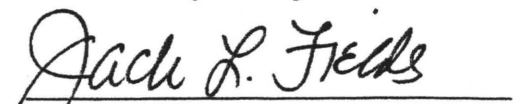

Retirees are not eligible to participate in the health insurance allowance program.
