NOW, THEREFORE, and in consideration of the mutual promises and agreements hereinafter contained, it is agreed:

ARTICLE I  
RECOGNITION AND BARGAINING UNIT

1.1: Pursuant to the authority of Act 336 of the Public Acts of 1947 as amended up to and including Public Act 379 of 1965, City hereby recognizes the Association as the sole and exclusive bargaining agent for all uniformed Fire Department employees excluding the Fire Chief, Assistant Chief and auxiliary "civilian" personnel in the matter of wages, hours of work, and other conditions of employment. The City further agrees that it will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any other such group or organization alleging to represent uniform personnel in the Southfield Fire Department.

ARTICLE II  
PURPOSE AND INTENT

2.1: The general purpose of this Agreement is to set forth the terms and conditions of employment, and promote the orderly and peaceful resolution of any dispute arising in this essential public service between uniformed Fire Department employees and the City of Southfield.

If employees have the same appointment date, seniority rank shall be according to the ranking of the composite entry test scores. Where composite scores are equal, higher seniority shall be determined by the higher written score. Any remaining ties shall be resolved by lot. A seniority list shall be posted in September each year for 30 calendar days. If the list is not grieved during the period it is posted, it shall be deemed correct.

The City of Southfield is an Equal Opportunity Employer. The City and the Association jointly agree, endorse and support a policy of non-discrimination against any person on the basis of race, color, religion, sex, national origin, age, handicap, union activity, height, weight, marital status, creed or other protected classes under state or federal law. Such policy of non-discrimination shall be extended to all persons including but not limited to applications for hire, promotions, transfers and/or disciplinary action involving employees covered by this Agreement.

The City must be notified in writing of the choice of forum by the Union or employee within 15 calendar days of the occurrence upon which the complaint is based if the appeal is to the grievance and arbitration procedure; or within 25 days if the appeal is to the Civil Service Commission.

The filing of a grievance or of a notice to the Commission with a copy to the City shall constitute notice to the City. Once an occurrence has been appealed to the Commission, the occurrence shall no longer be within the jurisdiction of the Agreement's arbitration procedure.

- (b) Collective items which would normally be considered a matter for the collective bargaining process. The intent of this provision is to prevent and stop those items which have been negotiated out, or set forth herewith, from being collaterally attacked either by way of the grievance procedure or otherwise.

- (c) Multiple grievances submitted at a single time or step. The intent of this provision is to prevent more than one grievance being submitted to the same arbitrator at the same time, unless mutually agreed upon by the parties. A class grievance (not excluded herein) is a grievance involving more than one member where the facts involved are identical to all those affected and one in which only one member shall act as grievant for all concerned.
- (d) Incident or other alleged infraction occurring prior to the date of adoption of this Agreement.
- (e) Grievance not meeting time limits as set forth in the procedure below.
- (f) Matters involving the discipline, up to and including discharge, of new employees during their probationary period.

- (a) If a grievance is not submitted within fifteen (15) calendar days of its occurrence, it shall be automatically closed and forever held for naught.
- (b) Any grievance not submitted in one of the steps of the procedure to the next step within the time limits prescribed shall be considered closed.
- (c) The time limits herein may be extended by mutual agreement in writing between the parties.
- (d) All grievances shall be processed in the following manner:

STEP 1: (Verbal) Any employee having a grievance shall first take up the matter with the Assistant Chief. This meeting shall be held within ten (10) calendar days following the verbal submission of the grievance. The Assistant Chief shall render a decision within seven (7) calendar days of the date of the meeting. The shift or bureau representative may be present if so requested by the grievant.

STEP 2: (Written) If after Step 1 above, the aggrieved party feels his grievance has not been satisfactorily settled, he shall put his grievance in writing, stating all circumstances, dates and times applicable and turn it over to the President or Vice President of the Association, who shall submit it to the Fire Chief. One copy must be submitted to the Assistant Chief who answered the grievance in Step 1. The submission shall be made within ten (10) calendar days from the oral answer given in Step 1. The Chief or his designate shall hold a meeting with the

President or Vice President of the Association which may include the aggrieved party to discuss the grievance within ten (10) calendar days of the submission. The Chief or his designate shall have seven (7) calendar days after the meeting in which to reply, in writing, to the President or Vice President of the Association.

STEP 3: (Written) If after Step 2 the grievance has not been satisfactorily settled, the President or Vice President of the Association may submit the grievance to the City Administrator or his designate within ten (10) calendar days after receipt of written response. Submission shall be in writing stating all circumstances, dates, and time applicable. A meeting with the City Administrator or his designate shall be held within seven (7) calendar days of the written submission to the City Administrator if requested by the President or Vice President of the Association or the City in writing. The Association must request a meeting at the time of submission of the grievance if desired. The City Administrator or his designate shall render his decision in writing within seven (7) calendar days after the receipt of grievance or the meeting, whichever is later.

STEP 4: (Arbitration) If the grievance has not been satisfactorily settled, the President or Vice President of the Association in the name of the Association may submit such unresolved grievance to arbitration and shall file a written notice of its intent to submit the matter to arbitration. The notice of intent is to be filed with the City Administrator within ten (10) calendar days following the receipt of the City Administrator's answer in Step 3.

10.3: Selection of Arbitrator. If the parties are unable to agree upon an arbitrator within two (2) weeks after the notice of intent to arbitrate has been filed, the arbitrator shall be selected in accordance with the rules of American Arbitration Association. The fees and expenses of the Arbitrator, including all filing fees, shall be borne fully by the non-prevailing party as determined by the Arbitrator.

10.4: Arbitrator's Powers. The arbitrator shall have no power to add to, subtract from, amend, alter, or change the provisions of this Agreement.

10.5: Arbitrator's Decision. The arbitrator's decision shall be final and binding upon the Association and the City, and the affected employee or employees.

10.6: Arbitration Hearing. An employee involved in a grievance may attend the arbitration hearing without any loss in compensation for time spent during his normal tour of duty. If the grievance concerns more than one (1) employee (class grievance), the Association may select only one (1) employee to attend the hearing as a grievant for all.

10.7: Agreements reached at any step of the grievance procedure shall be final and binding on all parties.

10.8: The names of authorized shift or Bureau Representatives must be given the City in writing or they will not be recognized.

ARTICLE XI  
LEAVES OF ABSENCE

11.1: SICK LEAVE

A. Effective July 1, 1981:

- (1) The existing regular and reserve sick leave accrual programs shall be discontinued. Concurrent with the discontinuance of the existing regular and reserve sick leave programs, there shall be established an unlimited sick leave program.
- (2) All accumulated sick leave shall be frozen, and no additional sick leave shall be accrued.
- (3) For all regular sick leave accumulated and unused as of July 1, 1981, employees below the rank or equivalent pay of Sergeant, shall receive payment at sixty-six and two-thirds percent (66-2/3%) of current hourly rate based on a forty-hour rate) multiplied by the number of accumulated unused hours. Employees equal to or above the pay or position of Sergeant shall receive payment at seventy-five percent (75%) of current hourly rate (based on a forty-hour rate) multiplied by the number of accumulated unused hours. There shall be no payment for accumulated unused hours of reserve sick leave. These payments shall be computed as of their value on July 1, 1981, and shall be paid in three equal installments on or about July 1 of each year for three (3) years.
- (4) At the employee's option, payment for accumulated but unused regular sick leave may be delayed until separation from employment as follows:
  - (a) Upon death or retirement, bargaining unit members, below the rank of (or position equivalent to) Sergeant shall receive payment at rate of pay, for their position at time of death or retirement, for seventy-five percent (75%) of accumulated sick leave to a maximum of 1200 hours. Upon voluntary resignation, these personnel shall receive payment, at rate of pay, for their position at time of resignation, for fifty percent (50%) of accumulated sick leave to a maximum of 1200 hours, subject to the approval of the Chief. Payment may be denied for

reasonable cause and such denial may be subject to the Grievance Procedure. However, denial shall not be grievable when an employee is discharged or resigns pending charges irrespective of final disposition.

- (b) Upon death or retirement, command personnel, equal to or above the position or pay of Sergeant, shall receive payment at rate of pay, for their position at time of death or retirement, for one hundred percent (100%) of accumulated sick leave to a maximum of 1200 hours. After a minimum of ten (10) years service and upon favorable resignation, these personnel shall receive payment at the rate of pay, for their position at time of resignation, for fifty percent (50%) of accumulated sick leave, subject to the approval of the Chief. Personnel with less than ten (10) years service shall not receive payment for accumulated sick leave upon resignation. Payment may be denied for reasonable cause and such denial may be subject to the Grievance Procedure. However, denial shall not be grievable when an employee is discharged or resigns, pending charges, irrespective of final disposition.
- (c) If an employee elects this option, such payments shall be made at the employee's rate of pay in effect at the time of his death, retirement, or resignation, but for the hours accumulated and unused as of July 1, 1981. There shall be no payment for accumulated unused hours of reserve sick leave.
- (5) The payments set forth in paragraph (3) above, at the employee's option, may be made in cash paid directly to the employee through the City's Deferred Compensation Program subject to the limits thereof, or through some combination of direct and deferred payments.

B. Sick Leave Usage

Sick leave shall not be considered a privilege which an employee may use at his discretion, but shall be allowed only in cases of actual illness or disability. Sick leave benefits shall accrue from the first working day of the employee, but a maximum of four (4) days will be paid during the probationary period.

Personnel off duty who become ill and unable to report for duty must notify the officer in charge at least one-half hour before roll call on his platoon on each day of illness. Failure to do so may be cause for denial of sick leave with pay. An examination certificate and release from the City Physician or other acceptable physician may be required as evidence of illness and ability to return to work before compensation is allowed. The Fire Department reserves the right to request such examination of a member of the department in order to determine validity of absence due to illness, with sick leave compensation provided in accordance with the physician's report. Should

justified such information may be grounds for disciplinary action up to and including dismissal.

C. Sick Leave Incentive Payments

- (a) A sick leave incentive payment of two hundred (\$200.00) dollars will be paid for each quarter of the fiscal year in which the employee has no absences and for which the employee has not been disqualified by absences in the previous quarter(s). Each absence during a quarter, up to the limit, disqualifies the employee for a quarterly payment. The maximum number of disqualifications, including the current quarter is four (4) consecutive quarters. Payments will be made quarterly.
- (b) For duty-related injury, illness, or disability, there shall be no charge to sick leave for purposes of the above incentive payments.
- (c) Beginning July 1, 1993, 40-hour employees shall be granted 1 credit each July 1 to cancel the next chargeable absent day whenever it occurs. Any unused credit(s) shall be added to the credit granted each July 1.

Each employee earning 18.7 or hours per month must take seventy-two (72) hours furlough in minimum amounts of twenty-four (24) hours during both the winter and summer periods. The Department will require minimum running schedules and may limit the number of personnel granted vacation leave at any given time. No furloughs will be granted during the first six (6) months of probationary period although credits will be earned. Furlough leave for any day must be for a minimum of six (or more) hours (one-half the normal work day for forty hour a week personnel) and may be taken only upon minimum 48 hour notice (23 hour notice in the case of forty (40) hour a week personnel) to the Commanding Officer. The minimum notice shall be waived if no overtime is caused. Pay received by the employee shall be turned over to the City. Vacation time will not be affected by such leave. If an individual extends his service beyond the required military training he will automatically be considered last when scheduling for vacations.

1. Ability to read, interpret and obey laws, regulations and department rules and procedures.
2. Ability to understand and carry-out oral and written instructions.
3. Ability to analyze situations and to adopt a quick, effective and reasonable course of action.
4. Ability to deal courteously, but firmly, with the general public.
5. Ability to develop cooperative working relations with fellow employees.
6. Ability to compile and prepare reports.
7. Ability to handle motorized equipment, two-way radio equipment and other technical apparatus.

UNIFORMS

Cadets shall wear an approved uniform while on duty; uniforms shall be provided by the City. An approved uniform shall consist of blue trousers, blue shirt with Cadet shoulder patches, black shoes, black stockings, black plain-type leather belt, blue tie, baseball type hat (summer), stocking cap (winter), and blue tuffy-style jacket with Cadet shoulder patches.

EMPLOYMENT

Members of the Cadet Program shall be considered "at will" employees of the Department whose continued employment shall be at the discretion of the City.

APPENDIX C

The City agrees to the institution of a pension "pick-up" plan for Employees provided that the Internal Revenue Service approves such a "pick-up"; and provided further that the "pick-up" approved by the Internal Revenue Service will be limited solely to the SFFA. If the Internal Revenue Service does not approve a "pick-up" limited solely to the SFFA, the said "pick-up" will not be applicable. The "pick-up" plan as set forth herein shall be instituted as follows:

(1) The City shall pick up the Employee contributions required of SFFA employees for all compensation earned after the effective date of this provision. The contributions, so picked-up, shall be treated as Employer contributions in determining tax treatment under the United States Internal Revenue Code. Employee contributions picked-up by the City, pursuant to this provision, shall be treated for all other purposes, in the same manner and to the same extent, as Employee contributions made prior to the effective date of this provision.

(2) The effective date of this provision shall be the date of IRS approval. These Employee contributions so picked up shall not be included in gross income for tax purposes until such time as they are distributed by refund or benefit payment.

(3) With respect to the Plan Amendment and the "pick-up" of employee Pension contributions set forth above, it is expressly understood and agreed as follows:

(a) The plan amendment is being adopted only for the purpose of allowing employees to take advantage of IRS Code provisions which permit governmental employees to tax shelter their pension plan contributions.

(b) Salary before reduction for contribution will continue to serve as the basis for determining the amount of salary related fringe benefits, including retirement benefits.

(c) The City will maintain information which will permit identification of the amount of Employee contributions made before and after the plan amendment. This is necessary in order to determine the extent to which a pension plan distribution is taxable income to the employee at the time the distribution is received.

(d) The plan amendment is being accomplished by local agreement rather than a change in State law.

The effect of this provision is that each SFFA compensation shall be reduced by the amount of the pension contribution which would otherwise be required of a SFFA employee under the provisions of the retirement system and the City will contribute this compensation reduction to the retirement system. The compensation reduction is to be considered a part of each SFFA employee's

compensation for purposes of determining the contribution which would otherwise be required of a SFFA employee under the provisions of the retirement system.

It is the intention of this provision that the above described contributions be treated as "picked-up" by the City for purposes of Section 414 (h) (2) of the Internal Revenue Code of 1986, in that the two criteria for such treatment are satisfied:

(1) The City hereby specified that the above described contributions, although specified as Employee contributions under the retirement system, are being paid by the City to the retirement system in lieu of contributions by the SFFA employee, and

(2) The SFFA employee does not have the option of choosing to receive the contributed amounts directly instead of having them paid by the City to the retirement system.

Accordingly, it is the intention of the City and the Union that each SFFA employee may, pursuant to Section 414 (h) (2) of the Internal Revenue Code of 1986, exclude from current gross income, for federal income tax purposes, all the contributions made by the City to the retirement system and that such contributions shall not be includible in the SFFA employee's gross income until distributed or made available to the SFFA employees.

**5.03 Other Termination with 10 or more years of service.** If a Participant's employment with the Employer is terminated after attaining 10 years of service, but before his Normal Retirement Age for any reason other than death, the Participant shall immediately become a Former Participant. When the Former Participant attains his Normal Retirement Age he shall be entitled to receive his entire Accumulated Balance. Payments under this Section 5.03 shall be made in accordance with the following:

- ◆ An annuity payable for the life of the recipient.
- ◆ An optional form of annuity as established by Public Act 345 of 1937.

**5.04 Other Termination with less than 10 years of service.** If a Participant's employment with the Employer is terminated before attaining 10 years of service age for any reason other than death, the Participant shall immediately become a Former Participant and entitled to receive the entire amount in his account. Payments under this Section 5.04 shall be made in the form of a lump sum.

**5.05 Election of Payment of Benefits.** A Premium Member may elect (no more than once per annum) one or a non-inconsistent combination of several of the following methods of distribution of the Accumulated Balance:

- ◆ A total lump sum distribution to the recipient.
- ◆ A partial lump sum distribution to the recipient.
- ◆ A lump sum direct rollover to another qualified plan to the extent allowed by federal law and in accordance with the Retirement Board's rollover procedures.
- ◆ An annuity payable for the life of the recipient.
- ◆ An optional form of annuity as established by Public Act 345 of 1937.
- ◆ No distribution, in which case the Accumulated Balance shall remain in the Plan to the extent allowed by federal law.

All benefit payments under the Plan shall be made (or commence in the case of an annuity) as soon as practical after entitlement thereto, but in no event later than the April 1 following the later of:

- The calendar year in which the Premium Member attains age 70-1/2, or
- The calendar year in which the Participant's employment terminated.

If the Accumulated Balance in any former Participant's account becomes less than \$5,000 (or such other amount as provided in Internal Revenue Code Section 411(a)(11)(A)), then the Retirement Board, in its sole discretion, shall have the option of distributing the Former Participant's entire account, in the form of a lump sum, to the Former Participant.

**5.06 Recalculation of Benefit Payments.** Notwithstanding Section 5.05, a Premium Member may, at any time, elect to receive his entire Accumulated Balance in the form of a lump sum and immediately become a Former Member. Premium Members who have elected the annuity form of payment will have an annual option to recalculate their benefit payments based on their actual amount balances. Recalculation will be effective on the next July 1. Premium Members who wish to have their benefits recalculated must apply for recalculation in accordance with the rules adopted by the Retirement Board.

**5.07 Hardship Recalculation of Benefit Payment** A Premium Member may, at any time, apply for a hardship recalculation of benefits. The Retirement Board shall adopt provisions and procedures for the designation of Beneficiaries. If a valid designation of Beneficiary is not on file with the Retirement Board, the Retirement Board shall distribute in a lump sum the Accumulated Balance to the legal representative of the estate of the deceased Member.

**5.09 Coordination of Benefits.** A Premium Member's regular retirement pension under Public Act 345 of 1937 shall be actuarially adjusted to reflect the election of the payment of benefits under Section 5.05. The calculation of the actuarial adjustment shall be based on the value of the Employee Contribution Account as of the date the Member becomes a Premium Member and the methods and assumptions specified in the applicable collective bargaining agreement or by the Retirement Board (but not inconsistent with the collective bargaining agreement).

#### **Article VI. Trust Fund**

6.01 The Retirement Board, as established by Public Act 345 of 1937 shall be the Fiduciary and Trustee of the Plan, and shall be responsible for:

7.03 Any Participant, Former Participant or Beneficiary who has been denied a benefit by a decision of the Retirement Board shall be entitled to request the Retirement Board to give further consideration to his claim by filing with the Retirement Board a request for a hearing. Such a request, together with a written statement of the reasons why the claimant believes his claim should be allowed, shall be filed with the Retirement Board within 60

A final decision as to the allowance of the claim shall be made by the Retirement Board within 90 days of the hearing (unless there has been an extension due to special circumstances, provided the delay and the special circumstances occasioning it are communicated to the claimant in writing). Such communication shall include specific reasons for the decision and specific references to the pertinent Plan provisions on which the decision is based.

#### Article VIII. Miscellaneous
