NEGOTIATION PROCEDURES

Section 4

- 4.1 In any negotiations described in this section, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party. It is further recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the Traverse City Administrators' Association, but the parties mutually pledge that representatives selected by each shall be clothed with all the necessary power and authority to make proposals, consider proposals, and make concessions in accordance with negotiations or bargaining, subject to final ratification.
- 4.2 The Employer and Association agree to provide, in response to reasonable requests from time to time during negotiations, such information as required by law for good faith bargaining.

WAIVER CLAUSE

Section 5

- 5.1 The parties acknowledge that during the negotiations which resulted in this agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this agreement. Therefore, the Employer and the Traverse City Administrators' Association, for the life of this agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this agreement, even though those subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this agreement.

NO STRIKE CLAUSE

Section 6

- 6.1 The Association and its employees recognize that the cessation or interruption of professional services by administrators is contrary to law and public policy. Therefore, the Employer and Association agree in keeping with the ethics of the profession that all differences between them shall be resolved by the orderly procedures provided herein and without interruption of the school program. Accordingly, the Association and its employees agree they will not authorize, instigate, participate, encourage or support any strike or any other form of work cessation or interruption of professional services and pledge themselves to the purpose of ensuring continuation of the established educational program of the school district.

- 7.1 Membership in the Association is not compulsory. Employees have the right to join, maintain, or terminate their membership in the Association. Neither the Employer nor the Association shall exert pressure on an employee in regard to joining, maintaining, or terminating membership in the Association.
- 7.2 In order to facilitate the provisions of this contract, the Employer shall, upon hiring a new bargaining unit employee, furnish said employee with a copy of this agreement.
- 7.3 Upon voluntary written authorization by the bargaining unit employee, the Employer agrees to deduct uniform, regular, periodic dues or fees as stipulated in this section of the agreement. Individual authorization forms will be furnished by the Association and when properly executed, shall be filed by the Association in the Business Office of the Employer. Such authorization when appropriately filed, shall continue in effect from year-to-year unless revoked in writing between June 1 and September 1 of a given year.
- 7.4 The right to refund to bargaining unit employees the monies deducted from their pay under such authorization shall lie solely with the Association. The Association agrees to reimburse any bargaining unit employee for any dues or fees deducted by the Employer and paid to the Association which deduction is in excess of the proper deduction, and agrees to hold the Employer harmless from any such claims for excessive deductions.
- 7.5 Subject to time constraints noted elsewhere in this section, deductions shall be made from the second paycheck of each month beginning in October and ending in May of each year. Dues or fees deducted shall be transmitted to the Association with a list of bargaining unit employees and the amount of individual deductions from whom the deductions have been made. The total amount of dues/fees shall be forwarded to the Association within twenty (20) workdays of the deductions.
- 7.6 Prior to September 1 of each year, the Association will give written notification to the Employer as to the amount of dues or fees authorized by the Association and which are to be deducted during that school year under such authorization. The amount of such dues and fees are not subject to change during the entire school year, except that fees may be prorated for new hires who work less than a full year.
- 7.7 The Employer shall not be required to make any deductions for Association fees or dues if the employee's pay is not sufficient to cover those dues/fees in any pay period. The Employer shall not be required to honor any deduction when an authorization or amount of such authorization is delivered to the Employer's Business Office later than four (4) weeks prior to the distribution of the payroll from which deductions are to be made.

PROFESSIONAL ORGANIZATIONS

Section 8

- 8.1 The Employer shall pay the cost of one membership annually (state or national) for each administrator to belong to professional organizations (non-union) appropriate to his administrative assignment.
- 8.2 The Employer may pay the cost of additional membership (non-union) fees for an administrator (including those related to special assignments) at the sole discretion of the Employer.

WORKSHOPS/SEMINARS

Section 9

- 9.1 An administrator who has the approval of the Superintendent or a designated non-bargaining unit administrator to attend a workshop or seminar on behalf of the school district shall be fully reimbursed for all pre-approved reasonable costs incurred including registration fees, meals, lodging and travel expenses.
- 9.2 Consideration will be given for administrators to attend up to one national conference on a multi-year rotation schedule in accordance with district professional development guidelines for administrators established by the Superintendent and the Association.
- 9.3 The Employer reserves the right to limit the amount of pre-approved costs which will be reimbursed.

COURSE REIMBURSEMENT

Section 10

- 10.1 The Board of Education, believing that continued study by its administrative staff is in effect a method of improving administrative leadership skills and abilities will aid administrators financially on credit courses taken beyond the master's degree.
- 10.2 Administrators taking courses at State-supported accredited institutions in Michigan will be reimbursed at the rate of one-half (1/2) of the tuition charges made by the institution offering the course.
- 10.3 Administrators taking courses out-of-state at an accredited institution will be reimbursed at the rate of one-half (1/2) of the tuition charges of the institution, but not to exceed one-half (1/2) of the current tuition rate charged by Michigan State University.
- 10.4 An administrator must be on a planned, approved program for advanced degree to be reimbursed by the Employer for courses taken, or must be taking courses required to maintain administrative certification.
- 10.5 Administrators taking courses not leading to an advanced degree or required to maintain administrative certification may be reimbursed under this procedure upon prior written approval. If the course is not part of an approved program for an advance degree, to gain approval, the administrator must state in writing

specific benefits which will be derived from the course to be taken, written requests for approval are to be submitted to the Human Resources Office. The Employer reserves the right, in its sole discretion, to approve or disapprove such requests.

- 10.6 To receive reimbursement for college credit, evidence of successful completion of work, along with a receipt for tuition must be presented to the Human Resources Office. The transcript of credit and cancelled check will suffice as evidence.
- 10.7 A bargaining unit employee may request approval from the Superintendent to attend college classes during normal working hours, provided the employee submits a plan showing how his working hours will be adjusted to adequately cover his administrative responsibilities. Approval of such requests shall be at the sole discretion of the Superintendent.

ASSOCIATION RIGHTS

Section 11

- 11.1 For purposes of holding Association meetings and conducting Association business, the Association shall have the right of reasonable use of school buildings, facilities, and equipment when scheduled through prescribed channels and with notification of such scheduled use forwarded to the Human Resources Office.
- 11.2 The Association will reimburse the Employer for the actual cost of any (1) school supplies used and (2) extra maintenance services that may be required.
- 11.3 The Association shall be permitted reasonable use of interschool mail service for communicating with the Employer. Copies of all Association materials delivered through the Employer's interschool mail delivery will be forwarded to the Human Resources Office.
- 11.4 No Association business shall be conducted on school property during working hours as scheduled for bargaining unit employees. A scheduled lunch break shall not be considered "working hours."
- 11.5 At the beginning of each contract year, the Employer shall grant the Association up to ten (10) leave days to be used by Association officers or agents of the Association. Use of such days shall be at the discretion of the Association. Not more than three (3) officers or agents of the Association will use an Association day on the same date except by mutual agreement of both the Association and the Employer. Not more than one (1) administrator per each secondary school shall be absent for Association business on the same date. The Association agrees to provide written notification in advance when requesting such Association leave days. The Association will reimburse the Employer for the cost of any substitute required by the Employer.
- 11.6 The Association shall be provided annually, upon request, copies of individual contracts as issued to bargaining unit employees.

- 11.7 Individual administrator contracts will be two years in length beginning in 1999/00 except that individuals hired for a portion of the year may have contracts of less than two full years in length.
- 11.8 One year contracts may be given to probationary administrators or administrators on a written plan of assistance (see Section 18).
- 11.9 The Employer encourages the Association to provide written recommendations to the Employer in regard to issues or items of concern to the Association or Association bargaining unit employees. A copy of the Board agenda showing items scheduled for action and the back-up materials made available to the public will be made available to the Association to be picked up in the Superintendent's office at the time it is made available to the public prior to Board meeting time.

BOARD RIGHTS

Section 12

- 12.1 The Board, on its own behalf, on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right to the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees; to hire all employees, and subject to the provisions of law, to determine their qualifications, and the conditions for their continued employment, or their dismissal, or demotion; and to promote and transfer all such employees; to establish grades and courses of instruction including special programs, and to provide for athletic, recreational, and social events for students, all as deemed necessary or advisable by the Board; to decide upon the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aides of any kind and nature; to determine class schedules, the hours of instruction, and the duties, responsibilities, and assignments of all employees with respect thereto and non-teaching activities, and the terms and conditions of employment.
- 12.2 The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this agreement and then only to the extent that such specific and express terms hereof conform with the Constitution and the laws of the United States.

- 12.3 Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities, and authority under the Michigan general school laws or any other national, state, county, district, or local laws or regulations as they pertain to education.
- 12.4 Unless expressly provided otherwise in this agreement, the Board reserves the right to:

EMPLOYER/EMPLOYEE COOPERATION

Section 13

- 13.1 The Association and bargaining unit employees agree to provide reasonable support and assistance to the Employer in providing a safe and orderly environment within the school district.
- 13.2 The Employer agrees to provide reasonable support and assistance to the bargaining unit employees in providing a safe and orderly environment within the school district.
- 13.3 Bargaining unit employees shall report to the Superintendent or designee all cases of serious abusive conduct or assault which occurs in buildings or during activities under bargaining unit supervision, involving bargaining unit employees or employees under bargaining unit employees supervision.
- 13.4 The Board shall provide at no expense to bargaining unit employees a wrongful acts type policy equal to or greater than the one now in effect (one million-dollar coverage) and the Board shall assume any deductible amounts there under. In the event the bargaining unit employee is sued by virtue of his capacity as an administrator, the Board shall provide legal counsel and representation in any such legal action provided that the administrator has acted within the scope of Board policy, the administrative assignment, and without negligence.

- 13.5 Each bargaining unit employee acknowledges that he has read and understands the Board policy in regard to conflict of interest and will avoid such conflicts of interest as an employee of the district.

EMPLOYMENT AND ASSIGNMENT

Section 14

- 14.1 The right of determination of bargaining unit employee transfer and assignment is vested in the Board of Education, or its designated representative.
- 14.2 Whenever a vacancy in a bargaining unit position shall occur, full-time, part-time, or a new position created including leave of absence, the Employer, through administrative personnel, shall give written notification to the Association through its president of said vacancy. Posted vacancies shall not be filled on a permanent basis until a position has been posted for at least seven (7) calendar days.
- 14.3 It is understood that vacancies may not be posted when an appropriately certificated and qualified administrator is on lay-off and will be recalled as a result of the vacancy. Posting of vacancies may be delayed when the transfer process is in progress or when determination is pending on whether or not to fill the position(s) vacated.
- 14.4 In filling vacant positions, the Employer will consider the professional qualifications, background, experience, instructional requirements, service to the school district (if any), and other relevant factors, and will appoint the individual it determines is most appropriately qualified to fill the position.
- 14.5 Bargaining unit employees may apply for a vacant or posted position in writing through the Human Resources Office.
- 14.6 Vacancies may be filled on an interim basis, especially when such vacancies occur during the school year.
- 14.7 Bargaining unit employees who have less than fifty-two (52) week contracts will be mailed vacancy postings to the home address on file with the Human Resources Office during non-working summer months. The posting period (see Subsection 14.2) shall run from the date of mailing.
- 14.8 Nothing shall prevent the Board from establishing new administrative positions. Any new bargaining unit position established by the Board which results in a new job description will be subject to negotiations as to the salary level. Working conditions for new positions shall be as agreed to in this contract for all other bargaining unit employees.
- 14.9 It is agreed that the Association will be given the opportunity to make recommendations to the Superintendent prior to the Board taking action to approve administrative restructuring and new administrative positions.

PROMOTIONS AND TRANSFERS

Section 15

- 15.1 "Promotion" shall be defined as an assignment to a position within the bargaining unit which pays at a higher annual rate than the position to which the individual was previously assigned.
- 15.2 "Transfer" shall be defined as a change in a bargaining unit assignment from one school building to another school building, or a change in job titles within the bargaining unit. A senior high school complex of buildings or a junior high school complex of buildings shall be considered as one building.
- 15.3 "Assignment change" shall be defined as a change in assignment within the same building (or building complex) while retaining the same job title.
- 15.4 "Involuntary transfer" shall be defined as a transfer from one building or building complex to another building or building complex absent the request from the transferred bargaining unit employee.
- 15.5 "Surplus administrator(s)" shall be defined as an excess administrator or administrators in a building or building complex which results in the transfer or lay-off of one or more administrators.
- 15.6 Bargaining unit employees may annually request to be considered for promotions, transfers, or assignment changes.
- 15.7 If the Employer determines to involuntarily transfer, promote, or assign a bargaining unit employee, that bargaining unit employee will be given an opportunity to discuss the change prior to it being finalized.
- 15.8 The Employer and Association agree that "involuntary transfer" shall not occur until after the administrator's non-bargaining unit supervisor has discussed the reasons for such action with the bargaining unit employee. Upon written request by a bargaining unit employee within five (5) days of notification of his "involuntary transfer," written reason(s) for such "involuntary transfer" shall be provided to the bargaining unit employee within five (5) days by the Employer.
- 15.9 Any bargaining unit employee involuntarily assigned to a different bargaining unit position shall be paid at the rate agreed to in this contract for that position.

REDUCTION AND RECALL PROCEDURES

Section 16

- 16.1 In the event the Employer finds it necessary to reduce the number of administrative personnel, it reserves the right to select the position(s) and/or school(s) in which the reduction(s) in personnel shall take place. An Administrator in a specific school, whose position is being reduced or eliminated will be notified in writing of the process, criteria, and reason(s) for said reduction.

- 16.2 The Association President shall be informed in writing of the process, criteria, and reason(s) for reduction in personnel.
- 16.3 The Employer shall give written notice of recall from lay-off by mailing a registered or certified letter to the administrator (return receipt requested) at his last known address, at least five (5) weekdays prior to the date the administrator is to report to work. The laid-off administrator is responsible for keeping his address current with the Employer, or providing an alternative or temporary address and/or telephone number when appropriate.
- 16.4 The administrator shall report to work upon the date specified by the Employer, and failure to report on that date (except in cases of emergency and when the Employer is notified in advance) shall terminate the administrator's employment and employment contract.
- 16.5 Administrative assignments shall not carry tenure in position.
- 16.6 Administrators recalled to duty shall retain accumulated sick leave and shall be returned to the salary schedule based on the negotiated contract. Bargaining unit employees will not gain additional credit while on lay-off.
- 16.7 Any lay-off under this section shall suspend, for the duration of the lay-off, the Employer's obligation to pay salary or fringe benefits under any administrator's individual employment contract or under this Master Agreement.

SENIORITY

Section 17

- 17.1 Seniority shall be defined as the bargaining unit employee's length of service with the Traverse City Area Public School district as a bargaining unit employee represented by the Traverse City Administrators' Association.
- 17.2 Seniority shall not be reduced due to the fact that some employees have an annual contract covering less workdays than other employees in the bargaining unit, except that seniority will be prorated if a bargaining unit employee works less than the normal contractual year for a given position.
- 17.3 Seniority shall not accrue during any lay-off, but shall be retained at the level as of the time of lay-off.
- 17.4 A bargaining unit employee shall lose his seniority for the following reasons:
 - a. He quits.
 - b. He is discharged.
 - c. He is absent for three (3) working days without notifying the Employer (unless conditions prevent such notification).
 - d. He does not return to work when recalled from lay-off.

- e. He does not return to work following sick leave or leave of absence.
 - f. He is on leave of absence for injury, illness, or disability (paid or unpaid) in excess of two (2) years for reasons other than a work related injury, illness, or disability.
 - g. He is transferred to a teaching position with the Employer at his request.
 - h. His position is eliminated and he is transferred to a teaching position with the Employer for three or more consecutive years.
 - i. He retires.
- 17.5 In the event an administrator returns to the teachers' bargaining unit, the administrator will be given the maximum seniority in the teachers' bargaining unit as allowed by the teachers' Master Agreement.
- 17.6 Non-employment during summer months or vacation periods will not be considered a lay-off.
- 17.7 In the event of any reduction of personnel in the bargaining unit, the bargaining unit employee shall remain an employee of the district as long as he is currently certified and qualified as a teacher and years of service in the school district are greater than those of any other certificated employee of equal or lesser status, providing there is nothing in conflict with other negotiated agreements.

ADMINISTRATOR EVALUATION

Section 18

- 18.1 The responsibility for administrative evaluation lies solely with the Superintendent and/or his designated representative(s). Bargaining unit employees will be evaluated a minimum of once every two years. Bargaining unit employees may be evaluated annually. Probationary administrators will be evaluated during each year of probation.
- 18.2 Administrator Evaluation as documented in the 1993/95 bargaining agreement will be used with bargaining unit employees until modifications and/or revisions are developed and mutually agreed to by the Association and the Employer.
- 18.3 The Superintendent or designee shall meet with those bargaining unit employees scheduled for evaluation during the upcoming school year, prior to May 31, to review the evaluation process, procedures and timelines.
- 18.4 Each new administrator will be on probationary status and be assigned a mentor for up to the first two (2) years of employment. Mentors will follow guidelines established by the Association and the Employer. (See Section 37.)

- 18.5 During the initial probationary period for a new administrator, an employee may be released at the discretion of the Superintendent and Board or reassigned to another position for which he is certificated and qualified.
- 18.6 After the initial probationary period for a new administrator, termination of an administrator shall be according to the process as provided for in Section 247 of the School Code of 1976 as amended.
- 18.7 A current bargaining unit employee who changes administrative job titles may be evaluated in the first year of the new assignment.
- 18.8 The Superintendent or designee will strive to adhere to the following procedures and time lines in the evaluation process:
 - a. Prior to September 30, there shall be a meeting between the evaluatee and evaluator for the purpose of listing the evaluatee's goals and objectives for the year. Copies of the initial goals will be made available to the evaluatee and evaluator.
 - b. Prior to the end of the first semester, the evaluatee will recommend a self-assessment evaluation feedback instrument and process for reporting the data. The evaluator will approve or recommend changes in the instrument/process within thirty (30) days after it has been submitted to the evaluator.
 - c. Between January 1 and the end of the first semester, the evaluator will issue a mid-year written evaluation report to the evaluatee, which will include suggestions and recommendations based on the mid-year evaluation report. Copies of the mid-year report will be maintained by the evaluator and evaluatee.
 - d. Between October 1 and May 31, the evaluator and the evaluatee will meet as determined by the evaluator.
 - e. Between March 15 and April 30 the evaluator and evaluatee will meet for a final appraisal conference. The evaluatee will furnish the supervisor with materials in regard to the evaluation components. The evaluator will provide a written final evaluation to the evaluatee by May 31. A copy will be forwarded to the Human Resources office and included in the evaluatee's personnel file.
- 18.9 In the event a bargaining unit employee does not agree with his evaluation, he may attach a written statement to the evaluation noting the areas of disagreement. Such written statement must be made and attached within ten (10) days of the bargaining unit employee's receipt of his written evaluation.

- 18.10 An unsatisfactory evaluation will result in the development of a written plan of assistance. The plan will include the areas of concern, timelines and remedies for improvement established after consideration of input from the bargaining unit employee and the Superintendent or designee.
- 18.11 The bargaining unit employee shall have a minimum of sixty work days to demonstrate satisfactory improvement under the written plan of assistance.
- 18.12 Before a recommendation is made to the Board of Education for non-renewal of an administrator's contract based on a poor evaluation, the employee will be informed of any deficiencies or concerns.
- 18.13 The content of an employee's evaluation shall not be subject to the grievance procedure.
- 18.14 Upon written agreement between a non-probationary bargaining unit administrator and the evaluator, the formal evaluation process may be delayed in those cases where the evaluatee has agreed to, and subsequently participates in peer coaching. Peer coaching will not be used to substitute for the regular evaluation process unless mutually agreed to in writing by both the evaluator and the evaluatee.

DISCIPLINE

Section 19

- 19.1 Before determining to discipline, suspend or discharge a bargaining unit employee, the Board shall provide reasonable assistance to that employee in correcting inadequacies giving rise to the reasons for the contemplated action. The employee shall be provided a written explanation of the action and, upon the employee's request, a copy will be forwarded to the Association.
- 19.2 Any dispute concerning the suspension or discharge of a probationary administrator shall not be processed beyond Level II of the grievance procedure.
- 19.3 If a bargaining unit employee is to be subject to discipline as serious as a written reprimand, the Employer shall notify the bargaining unit employee that he may have a representative of the Association present.
- 19.4 Any administrative dismissal dispute that is processed through the Michigan Teacher Tenure Act shall not be subject to the grievance procedure.
- 19.5 The Board of Education may terminate an individual administrative contract for reasonable and just cause. Any discharge of an administrator during the life of an individual administrative contract shall not take place until after written charges are signed by an authorized representative of the Board of Education, transmitted to the administrator, and the administrator has had an opportunity for a hearing before the Board of Education. The hearing shall be held not less than thirty (30) days prior to the termination of an administrator's individual contract.

19.6 During a hearing before the Board of Education, the administrator shall have an opportunity to present rebuttal evidence and/or witnesses in regard to the reason(s) set forth for termination of the administrator's contract. All witnesses on behalf of the Employer shall be subject to cross-examination by the administrator or legal counsel, if the administrator and/or Association wishes to have counsel at his/its own expense. At the conclusion of the hearing, the Board of Education will base its decision upon evidence presented during the course of the hearing.

19.7 Nothing hereinbefore mentioned shall preclude the Board of Education from immediately suspending an administrator with pay pending a hearing as hereinbefore mentioned.

COMPLAINTS

Section 20

20.1 In the event that a citizen should raise a complaint concerning a bargaining unit employee, the citizen shall be directed to discuss the matter with the affected administrator.

20.2 Should the complaint remain unresolved after subsection 20.1, the citizen, if further action is desired, shall be directed to meet with the affected administrator and immediate supervisor.

20.3 Should the complaint remain unresolved after subsection 20.2, it may be referred to the Superintendent for further review. Upon the request of the bargaining unit employee, the Association shall have the right to review the complaint and conduct an investigation.

20.4 Should action adverse to the administrator be contemplated as a result of the complaint, the provisions of Section 19 shall be followed.

20.5 A complaint made against a bargaining unit employee may be called to the attention of that employee within five (5) workdays of the time the complaint became known to the non-bargaining unit employee's supervisor or Central Administration if said complaint is considered serious enough to warrant investigation.

20.6 A complaint will not be used in any disciplinary action or evaluation process unless an investigation proves the complaint to be valid.

20.7 Valid complaints stating specific concerns involving bargaining unit employees shall not be made a part of the employee's personnel file without written notification. The bargaining unit employee's response must be filed within eight (8) workdays of receipt of the written communication. The response shall be attached to and become a part of the concern.

20.8 "Workdays," as used in this section of the contract, shall be days the bargaining unit administrator is scheduled to work.

21.1 DEFINITIONS

- a. A "grievance" is a written complaint by an administrator that there has been a specific violation of the express written terms of this agreement.
- b. A "day" means a weekday (Monday through Friday) exclusive of Saturday, Sunday, or legal holidays.

21.2 LEVEL I

- a. In the event that the Association or a bargaining unit employee discovers there is a basis for a grievance, the alleged grievance shall first be discussed with a designated non-bargaining unit administrator/supervisor.

21.3 LEVEL II

- a. If, as a result of the informal discussion, the grievance still exists, the administrator may, within five (5) days following the alleged grievance, invoke the formal grievance procedure through the Association to the Human Resources Office in writing. The written grievance shall include:
 - (1) Identification of the grievant(s).
 - (2) The specific facts upon which the grievance is based.

 - (5) The date on which the alleged grievance occurred.
 - (6) The date on which the grievance is being filed.
 - (7) Signature attesting to the facts as presented.
- b. Within ten (10) days of receipt of the grievance, the Employer's designated representative shall meet with the Association in an effort to resolve the grievance. The Employer's designated representative shall indicate the disposition of the grievance in writing within ten (10) days of such meeting and shall furnish a copy thereof to the Association.

21.4 LEVEL III

- a. If the grievance is not resolved at Level II, the Association may ask for mediation within ten (10) days of the receipt of the decision at Level II. The mediator will be scheduled at a time that is mutually acceptable to the Employer, the Association, and the mediator, but an attempt will be made to schedule said meeting within fifteen (15) days of the request for mediation. The mediator shall be allowed to recommend alternatives to resolve the grievance but such recommendations shall not be binding on

either party. Grievances which are unresolved to the satisfaction of either party shall be a matter of collective bargaining at the next successor contract.

- 21.5 The time limits established by this grievance procedure shall be strictly construed, except that the parties to this agreement reserve the right to mutually extend or alter said time limits in writing. Any grievance procedure not advanced to the next step of the grievance procedure within the time limits specified shall be deemed abandoned.
- 21.6 In the event the Employer's representative fails to respond to a grievance within the time limits specified, said grievance shall be deemed denied.
- 21.7 An Association representative may be present during discussion or hearings at any grievance level. The grievant will be present at all formal and informal grievance hearings.

SICK LEAVE

Section 22

- 22.1 A 52 workweek employee shall be credited with twelve (12) sick leave days per year, accumulative to a maximum of one-hundred fifty (150) days, to be used when the employee is absent from duty because of illness, injury, or pregnancy-related disability.
- 22.2 An employee whose normal work year is less than twelve (12) months shall be credited with ten (10) sick leave days per year, accumulative to a maximum of one-hundred thirty (130) days. Sick days available shall be prorated when an employee works only part of a year.
- 22.3 For absences of more than three (3) days, or when more than thirty (30%) percent of the bargaining unit employees are absent on the same date, the Board may require a physician's certificate indicating the necessity for the absence(s).
- 22.4 An administrator, when absent for illness, shall follow the established sick leave procedures and submit the appropriate form to his immediate supervisor.
- 22.5 Sick Leave Reserve:

When an administrator's sick leave has been exhausted, up to thirty (30) additional sick leave days may be granted from the administrative catastrophic sick leave reserve annually.

- a. To establish a catastrophic sick leave reserve, each administrator will be asked to contribute one (1) of his accumulated sick leave days to the catastrophic sick leave reserve. An additional day will be requested when the reserve is depleted.

- b. To be eligible to draw from the reserve, the administrator must have contributed a day to the reserve.
- c. To be eligible to draw from the reserve, the administrator must present a physician's certificate of illness or injury to the Human Resources Office.
- d. The catastrophic sick leave reserve shall be available only for major personal illness/injury (not compensable under workers' compensation), not on a daily basis, or to cover routine illness.

ILLNESS IN THE IMMEDIATE FAMILY

Section 23

- 23.1 Illness without loss of salary will be allowed not to exceed twelve (12) workdays annually for 52 workweek employees, and not to exceed ten (10) workdays annually for all other employees for illness in the immediate family. Such absence shall be deducted from the administrator's sick leave accumulation.
- 23.2 The definition for "immediate" for this subsection shall be defined as spouse, child, sibling, parent, parent-in-law, or those who reside in the same household. Days in addition to the twelve (12) or ten (10) days annually may be approved, in unusual circumstances and upon written request, for illness in the immediate family. Approval of additional days will be at the sole discretion of the Employer. When approved, such absences shall be deducted from the employee's sick leave accumulation.
- 23.3 In unusual situations, and upon written request, the Employer may, in its sole discretion, grant additional days from the employee's accumulated sick days for serious illness of relatives not listed in Subsection 23.2 above.
- 23.4 Approval of any additional days as outlined in Subsections 23.2 and 23.3 shall not be precedent-setting or considered to establish "past practice."

BEREAVEMENT

Section 24

- 24.1 Absence without loss of salary shall be allowed up to eight (8) days upon the death of a spouse, child, parent, parent-in-law, brother, sister, grandparent, grandparent-in-law, grandchild, or dependent. Absence may be approved for the death of other individuals as approved by the immediate supervisor and a designated non-bargaining unit administrator at the sole discretion of the Employer.

PERSONAL BUSINESS LEAVE

Section 25

- 25.1 Absence may be granted without loss of salary, upon written request and approval by the immediate supervisor and a designated non-bargaining unit administrator, for up to two (2) personal business leave days per year. Any personal business leave days not used will be added to accumulated sick leave

days as long as the administrator has followed the established procedures in requesting, taking, and reporting illness, bereavement, and personal business leave days.

- 25.2 The allotted personal leave days will be available for the practice of individual religious preference and for transacting personal business or attending to affairs of a personal nature which could not reasonably be taken care of on a weekend or other non-workday, and which requires the presence of the employee.
- 25.3 Personal business leave days shall be subject to the following additional guidelines:
- a. Two (2) days personal leave at school expense.
 - b. An administrator planning to use a personal leave day or days shall notify his immediate supervisor and a designated non-bargaining unit administrator, in writing in advance except in cases of emergency, when written application must be submitted upon return.
 - c. A personal leave day shall not be granted for vacation or recreational activities nor immediately before or after a holiday or vacation, except that a personal leave day may be granted before or after a holiday or vacation period in emergency and/or unusual circumstances on a case-by-case basis at the discretion of the Employer.
 - d. Not more than three (3) bargaining unit employees shall take a personal leave day on the same date, except that more than three (3) people may be allowed to take a personal leave day on the same date in emergency and/or unusual circumstances after a review on a case-by-case basis and at the sole discretion of the Employer.
 - e. Personal leave days shall not be taken in conjunction with deduct days or a pay dock.
 - f. While specific reasons are not required to be given when requesting a personal leave day, employees are to request and use personal leave days only when such days are within the boundaries and guidelines established in this section of the contract. Individuals may be requested to give a specific reason when a day is requested before or after a holiday or vacation period, or when more than three (3) administrators have requested personal leave for the same date.

CHILD-CARE LEAVE

Section 26

- 26.1 An unpaid leave of absence up to one (1) year may be granted to a bargaining unit employee for the purpose of providing child care or for preparing for a newborn or an adopted child.

- 26.2 The application for such leave shall be, if possible, received by the Superintendent or Director of Human Resources no later than thirty (30) calendar days prior to the effective date of the commencement of the leave.
- 26.3 Child-care leave may be requested and authorized to begin up to thirty (30) calendar days prior to the expected birth or adoption of the child. Child-care leave shall terminate no later than the end of the school year during which the leave is granted. Further, at the request of the administrator and at the discretion of the Employer, the child-care leave may be extended up to one (1) year after the expiration of the original leave of absence.
- 26.4 The child-care leave shall be granted without salary or other economic benefits (except up to twelve (12) weeks of health insurance will be provided to qualifying employees under the Family and Medical Leave Act). There will be no advancement on the longevity schedule except an applicant who has completed one (1) full semester or more of administrative duties during the year he begins the leave, and whose leave is no more than one semester in length, will upon return to duty be granted longevity and placed on the salary schedule in effect at the time of return from leave.
- 26.5 If both parents are employed by the Traverse City Area Public Schools, not more than a combined total of 12 weeks during any 12 month period may be taken for the leave provided in this section. In the case of emergency, the Employer may waive this restriction.
- 26.6 An administrator upon return from leave shall be placed in an administrative position in accordance with the Act and in the same classification if one is available which would not cause the lay-off of another administrator. If another administrator would be laid off, the returning administrator may be assigned to a teaching position for which he is certified and qualified (subject to the teacher's Master Agreement) until a position becomes available in the bargaining unit in the same classification.
- 26.7 In the written request for a child-care leave, the bargaining unit employee may request that he be returned to the same position as held before the requested leave. The Employer will notify the administrator if the Superintendent will recommend the leave with the right of return to the same position. If right of return to the same position will not be recommended, the administrator will be so informed prior to Board action and may withdraw the request for child-care leave.
- 26.8 When right of return to the same position has been granted, and an administrator, upon return from the initial child-care leave, finds his specific position has been eliminated, the Employer shall then place the bargaining unit employee in an administrative position for which he is certified and qualified and in the same classification if one is available which would not cause the lay-off of another administrator. If another administrator would be laid off, the returning

administrator may be assigned a teaching position for which he is certified and qualified (subject to the teachers' Master Agreement) until a position becomes available within the bargaining unit in the same classification.

UNPAID LEAVE OF ABSENCE

Section 27

- 27.1 An unpaid leave of absence of up to one (1) year may be granted a non-probationary bargaining unit employee who has a minimum of four (4) consecutive years of administrative experience with the Traverse City Area Public School District. Specific reasons for the unpaid leave of absence (by way of illustration and not limitation) may include:
- a. Returning to the classroom for one year.
 - b. Engaging in a full-time program of study at an accredited college or university.
 - c. To participate in a cultural, travel, or work program related to the bargaining unit employee's professional responsibilities.
 - d. To explore a possible career change.
- 27.2 Application for unpaid leave of absence is subject to the following conditions:
- a. Application for such leave shall be, if possible, submitted in writing to the Human Resources Office a minimum of one-hundred twenty (120) calendar days prior to the date the leave is scheduled to begin.
 - b. The bargaining unit employee must provide additional information in regard to the leave as requested by the Employer.
 - c. A qualified and acceptable replacement must be available for the period for which the unpaid leave is to be granted.
 - d. Except in unusual circumstances, unpaid leaves of absences are expected to begin at the beginning of the school year, not during the school year.
- 27.3 The disposition of an application for an unpaid leave of absence is the exclusive responsibility of the Employer, and may be approved or denied at the discretion of the Employer.
- 27.4 An unpaid leave of absence shall not be considered a year of service to the district.
- 27.5 A bargaining unit employee on an unpaid leave of absence is entitled to only those benefits listed in this section of the contract.
- 27.6 An unpaid leave of absence shall be without pay or fringe benefits.

- 27.7 In the written request for an unpaid leave of absence, the bargaining unit employee may request that he be returned to the same position as held before the requested leave. The Employer will notify the administrator if the Superintendent will recommend the leave with right of return to the same position. If the right of return to the same position will not be recommended, the administrator will be so informed prior to Board action and may withdraw the request for the unpaid leave.
- 27.8 When the right of return to the same position has been granted, and an administrator, upon return from the leave of absence, finds his specific position has been eliminated, the Employer shall then place the bargaining unit employee in an administrative position for which he is certified and qualified and in the same classification if one is available which would not cause the lay-off of another administrator. If an administrator would be laid off, the returning administrator may be assigned to a teaching position for which he is certified and qualified (subject to the teachers' Master Agreement) until a position becomes available in the bargaining unit in the same classification.
- 27.9 An administrator who has been granted a leave of absence but not guaranteed a specific administrative position shall be placed in an administrative position for which he is certified and qualified and in the same classification upon his return. If such placement would cause the lay-off of another administrator, however, the returning administrator may be assigned a teaching position for which he is certified and qualified (subject to the teachers' Master Agreement) until a position becomes available in the bargaining unit in the same classification.
- 27.10 Nothing shall prevent the Employer, in its discretion, from assigning and/or transferring an employee to a different bargaining unit classification for which the employee is certified and qualified upon his return from leave.

SABBATICAL LEAVE

Section 28

- 28.1 Sabbatical leave shall be interpreted as a leave from active duty granted to a bargaining unit employee after seven (7) years service with the Traverse City Area Public Schools system for the purpose of improving instruction in the Traverse City Area Public Schools. Sabbatical leave may be granted for one (1) year as may be recommended by the Superintendent of Schools subject to the conditions outlined by the Superintendent if the leave is granted. Final approval of the selection of applicants for the sabbatical leave will be made by the Superintendent and the Board of Education.
- 28.2 An administrator, upon completion of a sabbatical leave, shall return to an administrative position with the Traverse City Area Public Schools for a period of at least one (1) school year.
- 28.3 An administrator not returning to the Traverse City Area Public Schools system, for reasons other than health, upon completion of sabbatical leave shall

reimburse the Traverse City Board of Education for all monies received from the Employer during this leave.

- 28.4 A bargaining unit employee returning from sabbatical leave shall be granted longevity on the same basis as if he had been on the job during the sabbatical leave.
- 28.5 A bargaining unit employee returning from sabbatical leave shall retain all accumulated sick leave earned and not used prior to the sabbatical leave, but shall not earn additional sick leave days while on sabbatical leave.
- 28.6 An administrator on sabbatical leave will not be entitled to benefits as stipulated in other sections of this agreement for working bargaining unit employees unless agreed to in writing at the time the sabbatical leave is granted.
- 28.7 Remuneration to an administrator granted a year long sabbatical leave shall be at the rate of one-half the applicant's yearly salary unless a different rate is mutually agreed to in writing prior to approval of the requested leave. Payment shall be made on a regular payroll basis of twenty-six (26) pays on the same schedule as if the employee were working.
- 28.8 Sabbatical leaves of less than one (1) year may be granted by the Employer. The terms and conditions of any approved sabbatical leaves of less than one (1) year shall be mutually agreed upon by the Employer and the bargaining unit employee prior to final approval of the sabbatical leave.

Any such required makeup days may be added on at the end of the school year and worked as scheduled for teachers (and in such cases, the administrator may be directed not to work on the inclement weather day but on the makeup day).

VACATIONS AND HOLIDAYS

Section 32

- 32.1 The days of vacation included in the work year contracts described in subsections 31.1 and 31.2 are based on the principle that a school administrator who has direct responsibility for students should be in immediate supervision of his building whenever students are in attendance. Therefore, the days of vacation will normally include (if in the school calendar) Labor Day, Thanksgiving break, December break, spring break, Good Friday and Memorial Day.
- 32.2 Administrators with work years described in subsection 31.3 shall be entitled to twenty (20) days vacation.

Vacation days are to be scheduled and taken during the year in which the vacation days are earned (unless advance written permission is received from the Superintendent or his non-bargaining unit designee to schedule earned vacation days into the next fiscal year). When written permission is granted for scheduling vacation days into the next fiscal year, all such days are to be used within two months of the fiscal year in which they were earned.
- 32.4 Administrators with work years described in subsection 31.3 shall be entitled to ten (10) holidays as granted to other non-bargaining unit employees.

TRADE-OFF TIME

Section 33

- 33.1 Trade-off time will be granted only when the bargaining unit employee is requested by his non-bargaining unit immediate supervisor to work during a weekend, holiday, or other non-contract day. A written request must be made for trade-off time, in accordance with 31.5.c.
- 33.2 A written record of trade-off time earned will be maintained by the immediate non-bargaining unit supervisor and must be reported to the Human Resources Office within five (5) workdays of the time the employee earned/worked. A copy of the approved trade-off time will be sent to the employee.

- 33.4 Trade-off time must be used within 365 consecutive calendar days from the date on which it was earned. A bargaining unit employee who does not use the trade-off time within this time limit will have unused trade-off time automatically added to the individual's accumulative sick leave balance.

34.1 HEALTH CARE

The Employer shall provide the Traverse City Area Public Schools Health Care Plan and pay single, two-person or full-family health care insurance premiums for each bargaining unit employee and his eligible dependents (costs shall be prorated for part-time employees) at the benefit levels in place during the fall of the 1996/97 school year.

Enrollment for fringe benefits will be accepted by the insurance company only during the established open enrollment period of each year or for new employees within thirty (30) days from the date of eligibility.
- 34.9 It is understood that the contract year for insurance coverage is twelve (12) months.
- 34.10 Employees not selecting health care insurance coverage may select a tax sheltered annuity or mutual fund, from the district's recognized list of plans qualifying under Section 403(b) of the IRS through a Section 125 plan in lieu of the monthly premiums afforded him/her under the above-listed health care insurance program. The maximum amount to be contributed by the Employer will not exceed the monthly amount contributed for an employee during the 1989/90 school year. In order to participate in this program, the administrator

must show proof of health insurance under another plan. It is understood that the Employer's contribution will reduce the maximum allowable exclusion as defined in the IRS Code, which is approximately 20% of gross salary (not to exceed \$10,000). Responsibility for enrollment in the program rests with the employee.
