MASTER AGREEMENT  
BETWEEN THE WALLED LAKE ESP #1  
AND THE  
WALLED LAKE CONSOLIDATED SCHOOL DISTRICT  
BOARD OF EDUCATION

1997-2000

This Agreement entered into this 20th day of November 1997, by and between the Board of Education of the Walled Lake Consolidated School District, County of Oakland, Michigan, hereinafter called the "Board" and the Michigan Educational Support Personnel Association through its local affiliate, Walled Lake ESP #1, hereinafter called the "Association."

WITNESSETH:

WHEREAS, the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, as amended, to bargain with the Association as the representative of its personnel with respect to hours, wages, and terms and conditions of employment, in consideration of the following mutual covenants, it is hereby agreed as follows:

## ARTICLE I

### RECOGNITION

- A. The Board hereby recognizes the Association as the exclusive bargaining representative as defined in Section II of Act 379, Public Acts of 1965, for all full-time and regularly scheduled part-time cafeteria, maintenance, technical support employees, mechanics, warehouse, bus drivers, and custodial employees, including elementary custodial coordinators, but excluding secondary custodial foremen, kitchen managers, maintenance foremen, head mechanics, warehouse foremen, Outdoor Education Center caretaker, substitutes and all other employees.
- B. Unless otherwise indicated, use of the term "employee" when used hereinafter in this Agreement shall refer to all members of the above defined bargaining unit. Full-time and part-time employees are defined as follows:
1. Full-Year Employees: Employees who are scheduled to work on a twelve (12) month basis. Bus Drivers whose regular route extends 226 work days or more in a work year shall be classified as full-year employees. This does not include drivers with camp routes or other bid routes that may allow the driver to work 226 days or more per work year.
  2. School Year Employees: Employees whose employment follows the school calendar.
  3. Full-Time: An employee who is regularly scheduled to work sixty (60) hours per biweekly pay period for at least a school year as defined in this Article, paragraph B(2) above.
  4. Part-Time: An employee who is regularly scheduled to work less than sixty (60) hours per biweekly pay period for at least a school year as defined in this Article, paragraph B(2) above.

## ARTICLE II

### DUES AND PAYROLL DEDUCTIONS

- A. Any employee who is a member of the Association, or who has applied for membership, may sign and deliver to the Board an assignment authorizing deduction of membership dues in the Association, including the MEA and NEA. Such authorization shall continue in effect from year to year unless revoked in writing between June 1 and September 1 of any year. Pursuant to such authorization, the Board shall deduct one-tenth of such dues from the second regular salary check of the employee each month for ten (10) months, beginning in September and ending in June of each year. Deductions for employees employed after September 1 shall be appropriately prorated.
- B. Any employee who is not a member of the Association in good standing or who does not make application for membership within thirty (30) days from the date of commencement of employment shall, as a condition of employment, pay as a fee to the Association, an amount equal to membership dues payable to the Association, the NEA and the MEA, provided, however, that the employee may authorize payroll deduction for such fee. In the event that an employee shall not pay such fee directly to the Association or authorize payment through payroll deduction as provided in paragraph A of Article II, the Board, upon written request by the Association, shall cause the termination of the employee. Prior to such request for termination being made of the Board, the Association, in all cases of discharge for violation of Article II, shall notify the employee(s) of noncompliance by certified mail, return receipt requested. Said notification shall detail the noncompliance and shall further advise the recipient that a request for discharge may be filed with the Board in the event compliance is not effected. The parties expressly recognize that the failure of any employee to comply with the provisions of this Article is just and reasonable cause for discharge from employment.
- C. With respect to all sums deducted by the Board pursuant to authorization of the employee, whether for membership dues or equivalent fee, the Board agrees to promptly remit to the Association all monies so deducted. The Association agrees to promptly advise the Board of all members of the Association in good standing from time to time and to furnish any other information needed by the Board to fulfill the provisions of this Article, and not otherwise available to the Board.
- D. In the event of any action against the Board brought in a court of law or administrative agency because of its compliance with provisions of Article II of this Agreement, the Association agrees to defend such action, at its own expense and through its own counsel.

- E. The Association agrees that in any action so defended it will indemnify and hold harmless the Board and Administration from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a consequence of the Board's compliance with the provisions of Article II.

## ARTICLE III

### RIGHTS OF THE BOARD

- A. It is expressly agreed that all rights which ordinarily vest in and have been exercised by the Board, except those which are clearly and expressly relinquished herein by the Board, shall continue to vest exclusively in and be exercised exclusively by the Board without prior negotiations with the Association as to the taking of action during the terms of this Agreement. Such rights shall include, by way of illustration and not by way of limitation the right to:
1. Manage and control its business, its equipment, property, facilities, and its operations and to direct the working forces and affairs of the school District;
  2. Continue its rights, policies, and practices of assignment and direction of its personnel, to determine qualifications and the conditions for continued employment, determine the number of personnel and scheduling of all the foregoing, but not in conflict with the specific provisions of this Agreement, and the right to establish, modify, or change any work or business or school hours or days;
  3. The right to direct the working forces, including the right to hire, promote, suspend, and discharge employees, transfer employees, assign work or duties to employees including hours of work, working schedules and overtime work, determine the size of the work force and to lay off employees, but not conflict with the provisions of this Agreement.
  4.   5. Adopt reasonable rules and regulations, maintain order and efficiency of all operations, and to establish standards of efficiency and competence.
  6. Determine the qualifications of employees, including physical conditions.

7. Determine the number and location or relocation of its facilities, including the establishment of relocations of new schools, buildings, departments, divisions or subdivisions thereof and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities.
8. Determine the placement of operations, production, service, maintenance or distribution of work, and the source of materials and supplies.
9. Determine the financial policies, including all accounting procedures and all matters pertaining to public relations.
10. Determine the size of the management organization, its functions, authority, amount of supervision and table of organizations, provided that the Board shall not abridge any rights of employees as specifically provided for in this Agreement.
11. Determine the policy affecting the selection, testing or training of employees provided that such selection shall be based upon lawful criteria.
12. To decide upon the character and means of student transportation, including but not limited to the right to determine, alter, or cancel routes and schedules, and the places of arrival and the departure of buses, to schedule special trips, to require duties other than bus driving in connection with the transportation of students, to hire substitute drivers and determine their wages, hours and the terms and conditions of their employment; to chose and determine the suitability of equipment and whether the same shall be owned or rented.

The above are not to be interpreted as abridging or conflicting with any specific provision of this Agreement.

- B. The matters contained in this Agreement and/or the exercise of any such rights of the Board are not subject to further negotiations between the parties during the term of this Agreement.
- C. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and expressed terms are in conformance with the constitution and laws of the State of Michigan or any other national, state, county, district or local regulations as they pertain to conducting the affairs of the Board.

## ARTICLE IV

### ASSOCIATION RIGHTS

- A. The cost of reproducing the contract will be paid by the School Board. A copy of the contract will be given to each person as they are employed and to all those already employed with the District. Twenty-five (25) copies of the contract will be supplied to the Association as soon as they are printed.
- B. There will be a bulletin board designated within each work site on which the Association may place Association information. It is agreed that the current bulletin board for Bus Drivers (one-half of a large bulletin board) is sufficient for purposes of this section.
- C. The Board shall grant the Association use of school buildings for Association meetings. The use of these buildings shall be at reasonable hours, which is defined as times other than when students are in attendance during the formal school day. Any use of the buildings shall be governed by Board policy.
- D. The Board agrees to make available to the Association information necessary for representation of their membership as required by the Public Employment Relations Act. Additional information may be made available to the Association by the exercise of their rights under the "Freedom of Information Act". Request for information under the Freedom of Information Act will be made available to the Association in accordance with the established Board Policy.
- E. No employee shall be prevented from wearing insignia, pins or other identification of membership in the Association whether on or off school premises.
- F.
  - 1. The Board shall provide a total of fourteen (14) days of the contracted school year for use by the Association for business purposes. No individual may use more than three (3) days except for the Association President who, in addition to his/her release time, may use up to five (5) days if necessary. These days shall not be charged against the individual's accumulated leave time.
  - 2. The Association President shall make requests for the use of these days to the Superintendent or his/her designee in writing at least seven (7) school days in advance of the release day. The Association shall be responsible for the full cost of the substitute's wages when a substitute is used. Only one employee from each classification will be released on the same day if work and staffing needs of the District cannot be met.

- G. The Board agrees to release the President of the Association from his/her job responsibilities for one-half a normally scheduled work day every other week during the school year without loss of pay, benefits, seniority or other benefits provided for in the Master Agreement or by law. The bi-weekly one-half day of release time is non-cumulative and must be used on the designated day established by the parties at the start of each school year. The notice provisions of section F(2) above shall apply to the President's use of Association release time.

Since the Walled Lake ESP #1 President performs services which are of value to both Walled Lake ESP #1 and the Board, the board accepts the foregoing as reimbursement for payment of these items referred to in MCLA 38.1371(5)(B).

## ARTICLE V

### LABOR-MANAGEMENT COMMITTEE

- A. Both parties agree to the establishment of a Labor-Management Committee to exchange information and ideas between employees and the District.
- B. The Committee shall consist of up to three (3) employees from the Bargaining Unit and up to three (3) Management personnel, to be selected by the respective parties.
- C. There shall be no contract negotiations at any meeting of the Labor-Management Committee.
- D. The Labor-Management Committee (or any meetings or discussions held in connection therewith), shall not be part of the grievance procedure.
- E. The Committee shall govern itself (i.e., rules and procedures) by consensus of the Committee members.

## ARTICLE VI

### PROBATION

- A. New employees will be placed on probation for forty-five (45) paid work days during which time the Board shall have the sole right at any time to discharge, discipline, transfer, demote, or layoff said employees for any reason, without regard to the provisions of this Agreement, and no grievance shall arise therefrom. If, at the end of this period, the work has been satisfactory, the employee will receive a permanent assignment. Normally, a new employee will be placed on Step 1 of the salary schedule; however, a new employee may be granted credit on the salary schedule, as determined by the administration. Date of employment, holiday pay and vacation accrual will begin as of the first day of the probation period provided the employee receives a permanent assignment.
- B. Probationary employees shall receive sick days on the same basis as all other employees with the understanding that no paid sick days can be utilized during the probationary period.
- C. The Board of Education may at its discretion, extend the probationary period for twenty (20) paid work days if they deem this advisable.
- D. The Superintendent's designee shall, upon recommendation of the immediate supervisor, have the final authority for determining if a new employee's work has been satisfactory or unsatisfactory during the probationary period.
- E. The Association will be notified whenever a new employee has completed a successful probationary period and is assigned to a new position, and will be informed of the Step on the salary schedule to which the new employee has been assigned.

## ARTICLE VII

### RESIGNATION AND RETIREMENT

#### A. Resignation

1. Employees desiring to leave the employ of the school are required to give two (2) weeks written notice of such intent to the Director of Personnel and Community Relations. Failure to do so will result in such employee losing credit for service time for pay purposes and vacation time should the employee be rehired at a later date. Failure to notify will also result in loss of pay for unused sick days as described in Section C of this Article.
2. Vacation pay will be forfeited by any employee who resigns without giving the Director of Personnel and Community Relations at least two (2) weeks notice or who is dismissed prior to June 30th of any year. Should an employee leave by giving due notice, or should an employee be laid off because of reduction of staff, such employee will receive pay prorated according to how much vacation time he/she has accumulated.

#### B. Retirement

An employee who retires from the Walled Lake Schools (meaning the employee is eligible to draw monies from the Michigan Public School Employees Retirement System) and who has fifty (50) or more unused sick days prior to the calculations described in Section C below, shall receive an additional One Hundred (\$100) Dollar bonus added to the benefits described in Section C of this Article.

- #### C.
1. After five (5) years of consecutive service as an employee and upon resigning, or retirement, pay for one-half of the unused sick days, not to exceed fifty (50) days will be given to the employee. Upon death of an employee, regardless of length of service, the employee's estate will receive pay for one-half of his/her unused sick days, not to exceed fifty (50) days, provided he/she was an employee of the school District at the time of death.
  2. After ten (10) years of consecutive service as an employee and upon resignation or retirement, pay for one-half of the unused sick days, not to exceed sixty (60) days, will be given the employee. Upon death of an employee, regardless of length of service, the employee's estate will receive pay for one-half of his/her unused sick days, not to exceed sixty (60) days, provided he/she was an employee of the District at the time of death.

3. In this instance "consecutive service" means continuous employment that is not interrupted for any reason other than personal illness. Consecutive service will only include time counted towards seniority, i.e. unpaid leaves of absence will not count toward the five (5) or ten (10) years of service unless the employee is on an approved medical leave of absence up to ninety (90) days.

D. An employee with ten (10) years of consecutive service within the bargaining unit who retires shall be provided severance pay in the amount of one hundred fifty (\$150) dollars per year of service not to exceed three thousand (\$3,000) dollars. Retirement for the purposes of this section means a retiring employee who is eligible to draw monies from the Michigan Public School Employees Retirement System.

Only accrued vacation days can be used (in increments of one-third (1/3 days). Drivers that leave the employ of the District prior to the completion of the work year shall be paid for a pro-rata portion of vacation days (based upon the amount of the work year completed as opposed to the accrual period) minus any days that have been used. In the event a driver has used more than the pro-rated portion under this formula, that amount shall be deducted from the driver's last pay. (This section does not apply to bus drivers hired after November 17, 1994).

- J. In order to receive compensation for a paid vacation, an employee must work his/her scheduled day before and after the vacation unless that day(s) is a holiday, or the employee is on funeral leave, or a doctor's excuse is presented to substantiate that the employee is on a paid medical leave of absence.

- D. To be eligible for the benefits in Sections A and C, an employee must have completed his/her probationary period. The earliest date upon which an employee will be covered by the school district will be the first day of the month following the completion of a successful probationary period. - H.
  - 1. The Board shall not be required to provide Hospital/Medical Insurance coverage to an employee who is under another Hospital/Medical Insurance plan or policy which is at least comparable to that provided by the Board. The employee must certify to the Business Office that s/he is not knowingly covered under another such Hospital/Medical insurance plan or policy.
  - 2. Employees who cannot withdraw from coverage under the other policy may request coverage under the Board's Hospital/Medical plan. The determination to grant coverage must be by a majority of a Committee consisting of two Administrative and two Association representatives. The decision of this Committee shall be final and binding on the Board, Association and employee.
  - 3. Employees who are discovered to have provided false certification shall immediately be removed from the Board's Hospital/Medical coverage program and shall not be eligible for the option to health provisions.
- I.

2. An employee who receives this benefit and returns to work must remain actively employed for one year before he/she shall again be eligible for this benefit.
  3. If the employee is unable to return to work, the Board reserves the right to have the employee's disability confirmed by a Board-selected physician.
  4. Upon employment termination, employees will be notified of their right to convert health insurance in accordance with federal law.

#### J. Life Insurance

1. Part-time employees as defined in Article I of this Agreement who work less than 60 hours biweekly shall be eligible for a \$15,000 AD & D life insurance policy from an insurance carrier selected by the Board subject to the provisions of paragraphs J(2), (3), (4), and (5) below.
2. Employees who have Board provided term life insurance, as provided through the insurance plan, have a 31-day conversion right upon termination of employment. Any employee electing his/her right to conversion in order to keep term life insurance in force must contact the insurance carrier within 31 days of his/her last day of employment.

3. The life insurance policy shall pay to the employee's beneficiary the aforementioned sum within the underwriting rules and regulations as set forth by the insurance carrier.
  4. Employees shall not receive life insurance coverage during an unpaid leave of absence; however, the employee may exercise his/her conversion rights as stated in paragraph J(2) above.
  5. Coverage for new employees shall become effective the first of the month following completion of a satisfactory probationary period, providing the necessary enrollment forms have been filled out and filed with the Business Office.
- K. All insurance coverage and benefits cited in this Article shall be subject to the following conditions:
1. Eligibility shall be limited by the rules and regulations of the underwriting carrier and disputes concerning coverage or benefits shall be strictly between the employee and the carrier and shall not be subject for a grievance procedure dispute.
  2. Eligibility shall be based on the employee meeting the "at work" requirements of the policy or carrier.
  3. The district shall not be liable for an employee's failure to notify the district of a change of status in his/her family which might affect coverage. Employees who do not notify the district of a change in family status within thirty (30) days of the change will be held liable for any cost incurred by the district beyond the change of status obligation.
- L. An employee who is absent due to an injury which is compensable under Worker's Compensation may use his/her accumulated sick leave on a proportional basis, to supplement the benefit received from Worker's Compensation, such that the amount of excludable income the employee receives from Worker's Compensation and sick leave does not exceed the amount of expendable income the worker would have received from his/her regular wage amount according to his/her placement on the wage schedule at the time of the injury. The obligation of the employer is only for the proportional amount necessary to supplement the maximum benefit provided to the employee from Worker's Compensation until the employee's accumulated sick leave is exhausted or the employee is able to return to work, whichever happens first. Should this supplemental payment be found to be subject to the coordination requirements of Worker's Compensation, such that the amount of the Worker's Compensation benefit is reduced, the employee shall not be allowed the

use of sick leave and shall receive only the Worker's Compensation benefit provided by that statute.

- M. The Board has the right to compare the cost of the existing insurance coverage for employees to comparable coverage. Comparability will be based on the actual number of employees enrolled in each plan during each school year. The Board has the right to switch to a comparable plan or different carrier at any time during a calendar year in order to effectuate cost or administrative savings. If the cost for a comparable plan or different carrier would be less than the current MESSA plan, the Association may elect to switch its membership to the comparable coverage or to continue with the current plan with all additional cost being the obligation of the employees, which amounts shall be deducted through payroll deductions. The Association must so elect within thirty (30) days of receipt of written notice to the Association prior to any switch to a comparable plan or different carrier. Such notice shall include the cost and/or administrative savings to be effectuated. It is understood that it may take some months to effectuate a change in plans or carriers and that employees would remain on the existing plan coverage during the transition period.
- N. The Board agrees to make deductions for employees who elect to participate in any District approved Tax-Sheltered Annuity Program, subject to IRS Code provision 403(b).
- O. Drivers who were employed and a member of the Drivers Bargaining Unit on June 14, 1990, shall be grandfathered under the 1985-88 health insurance contract eligibility requirements for the same, (4 hour drivers receive full benefits) and shall be eligible for health insurance even if they should subsequently be reduced to five (5) hours per day.
- P. The parties agree that in the event health care coverage at the cost to the Board is legally mandated in any way, the parties will immediately begin to bargain in good faith the health care benefits to be provided.

## ARTICLE XI

### OVERTIME - (EXCLUDE BUS DRIVERS)

(Overtime for Bus Drivers is found at Article XXIII, Section K)

#### A. General

1. Overtime pay begins after an employee has worked eight (8) hours that day and provided that by the end of the week he/she will have worked at least forty (40) hours. Time worked shall include time actually worked, paid break time, paid holidays, paid vacation days, paid jury duty, funeral leave days, sick day time and business days, but excludes lunch time, any unpaid leave of absence or Worker's Compensation leave days.
2. Rate of Pay - Time and one-half the employee's regular hourly rate of pay shall be paid for all work performed in excess of forty (40) hours during any work week and including Saturday.
3. Sunday Work - All work performed on Sunday, except for building checks, shall be at twice his/her regular rate of pay.
4. Holidays - If an employee works on any of the holidays listed in Article VII, he/she shall be paid, in addition to his/her holiday pay, twice his/her regular hourly rate for all hours worked except for regular building check. This shall not apply to those employees who are rotating days off to staff building.
5. All overtime work must first receive the approval of administration. Employees shall be notified as to the appropriate administrator and backup administrator(s) for approval. The Board has the right to require overtime for all employees. Employees shall not be required to work on holidays, except warehouse employees responsible for the completion of duties required during the holiday period, or in the cases of emergency including, but not limited to, building vandalism or weather damage.
6. All departments shall have their own overtime lists. No employee may be on a list other than in his/her own department, nor will overtime work be offered to employees in other than their own department, except in the case of an emergency as determined by the administration.
7. Temporary employees will not be assigned overtime work. Substitute employees will not be assigned overtime work unless the substitute is on duty and the day must be extended to complete a priority project.

8. If an employee is on a scheduled and approved vacation leave on the scheduled day before and the day after an overtime day, that employee is not eligible to work overtime except when called by the Director of Operations or his/her designee due to a District emergency.
- B. Overtime Assignment - Overtime will be given on a seniority, rotating basis in the following manner. In the event the employee in line for overtime is unable or declines, the employee shall be credited with overtime for purposes of equalization. A message left on an answering machine shall be treated the same as a no answer. In either event, the employer shall go on to the next name on the overtime list. Should an employee be improperly bypassed, the employee shall be eligible to take the next available overtime.
1. a) Mechanics - During the second week in September all mechanics, including the bus mechanic foreman, interested in overtime work will sign up. A list shall be constructed which places mechanics who volunteer in seniority order. Overtime shall be rotated from this list. In cases where following the rotation would be nonsensical, i.e., calling in a mechanic when one is already on the premises, rotation may be adjusted. There will be an effort to equalize overtime among employees.
  - b) Prior to the second week in September, all mechanics interested in being called for alarm calls will sign up. A list shall be constructed which places mechanics who volunteer in seniority order. There is no requirement to equalize alarm calls among mechanics.
  2. a) Maintenance - An overtime list, consisting of all employees in the maintenance department listed in seniority order, shall be constructed by July 1 of each year. Any new employees will be added to the list as they are hired and shall be credited with the maximum number of overtime hours earned at the time plus one (1) additional hour. The list will be valid from July 1 to June 30 of each year. Maintenance employees may be required to perform overtime in their particular skill, out of equalization order. If a specialized skill is not required, then the employee with the least overtime will be given the opportunity to work. The overtime will then be offered to the employee with the least amount of overtime.
  - b) The overtime list shall be updated bi-weekly and remain posted throughout the year. There will be an effort to equalize all overtime work among all maintenance employees.
  - c) Snow plowing shall be considered a specialized skill. If a maintenance employee is requested to and does snow plowing during

regular work hours, that employee is deemed to possess the specialized skill and shall be added to the overtime rotation list. Employees shall not be required to work more than eighteen (18) hours in a twenty-four (24) hour period. In an emergency, other employees may be required to plow snow. Bus garage foremen may plow/salt during their regular work hours, in conditions where the regular snow plow team may not be required.

3. Custodians/Custodial Coordinators/Foremen - During the second week of September, all custodians, custodial coordinators and foremen who are interested in overtime work shall sign up. Lists will be constructed which place custodial coordinators, custodians and foremen in seniority order by building. Each custodial coordinator and foreman shall have a copy of his/her own list. Staff on these lists will be given the opportunity for overtime on a rotating, seniority basis. The staff assigned to the building will have the first opportunity to work. Should no one want the work, the work will be offered to employees on other building lists. Should no one on either list want the work, it may be assigned to an employee within the affected building on a seniority, rotating basis. An exception to the rotating, seniority selection might be special events such as theatrical presentations or football games where special knowledge of mechanical equipment would require a trained person. The administration is not responsible for maintaining lists for purposes of overtime. There will be an effort to equalize all overtime work among employees. Building checks by foreman for which overtime is received shall be included on the overtime list for equalization purposes.
4. Cafeteria - During the second week in September, all cafeteria employees who are interested in overtime work will sign up. Each building shall construct a list which places the employees who sign up in seniority order. Overtime will then be rotated among the employees on the list with the Kitchen Manager, contacting the employees in seniority, rotating order providing that the individual's classification is suitable for the overtime work to be done. When an employee reaches or exceeds forty (40) hours per week, the employee will not be eligible for further overtime until all employees reach or exceed forty (40) hours per week providing the remaining employees fit the classification needed for the overtime work offered.
5. Warehouse - Each year during the first week of September, all delivery personnel, including the Warehouse Foreman, who are interested in overtime work shall sign up. There shall be two overtime lists; one for food service delivery personnel only and one for general delivery personnel. These lists shall place the employees in seniority order and the foreman shall have a copy. (On July 1 of each year the two lists shall be combined.) The most senior person with the least amount of hours will be called first

and so on down the list in an attempt to equalize the overtime hours. In emergency situations, all delivery personnel may be required to work (i.e., summer work schedule).

C. Emergency

1. In those instances when an employee is called from home to take care of an emergency, that person will be guaranteed pay for two (2) hours should the time to repair the emergency require less than two (2) hours. He or she will be paid the overtime rate provided he/she works more than eight (8) hours that day and more than forty (40) hours that week. This guaranteed pay for two (2) hours is not granted unless it is done as overtime. Also, it is not granted in those instances when the employee's overtime is performed at the beginning or end of that person's regular time schedule. This item of the Agreement is included to cover those instances when the emergency overtime causes undue inconvenience to employees by calling them from home at a time which in some way is not just an extension of their regular time schedule either at the beginning or at the end.
2. Overtime begins when the employee arrives at the work site and ends when the employee leaves the work site for home.

D. Custodial

1. A minimum of one (1) hour of overtime will be allowed for clean up after use of facilities by outside groups. This will be allowed only when it is necessary to do clean up on overtime. If clean up will require more than one (1) hour overtime, the Superintendent's designee must be informed prior to the activity taking place.

E. Custodial Coordinators

1. All elementary buildings will be checked by one Custodial Coordinator on weekends. During the regular school year, he/she will check the buildings on Sunday. During the heating season, he/she will also check the buildings on Saturdays as determined by the Supervisor of Custodial/Maintenance. The school district will pay appropriate mileage. Rate of pay will be at time and one-half the employee's regular pay rate. Pay will begin from the time they leave home and will end when they return home; provided only district business is conducted.
2. All elementary Custodial Coordinators will be given an opportunity to sign up for the building check duty. When the sign up is completed, the school year will be divided between the Custodial Coordinators listed as equally as possible. If the Custodial Coordinator is unable to do the building check,

he/she is required to notify the Supervisor of Custodial and Maintenance.

F. Cafeteria

1. If an employee is called back to their same or another work station to prepare or serve food for an evening activity, the employee will be paid at time and one-half. Kitchen Managers will not perform the work described in this section unless there is no qualified employee available from the overtime list noted in section B(4) above. If work hours are extended, food service employees shall be paid at their regular rate of pay. All hours in excess of forty (40) hours per week shall be paid at one and one-half (1-1/2) times the employee's regular rate of pay.
2. When employees at a work site are working shorthanded, that is, without a full complement of staff, each bargaining unit member present at that site will be paid an additional amount according to the schedule below for a minimum of three (3) hours:

- one (1) person short:	\$ .30 additional per hour
- two (2) persons short:	\$ .35 additional per hour
- three (3) persons short:	\$ .40 additional per hour
- four (4) persons short:	\$ .45 additional per hour
3. Satellite production kitchen employees called in early to prepare additional lunches may continue working up to their regularly scheduled work day and then through their regular schedule. All hours at or under forty (40) hours per week will be paid at the regular rate. Any time in excess will be paid at overtime as specified in Section A of this Article.
4. If it becomes necessary for the Supervisor of Food Services to call back an employee into an original or another work station, the employee will be guaranteed a minimum of two (2) hours pay.

G. Employees Substituting

1. When substitutes are required to fill in for building employees, the filling of such jobs, wherever possible, will be from within the same building on the following basis:
  - a. Full-time custodians will be offered the opportunity to sub for foreman or custodial coordinators.
  - b. Part-time custodians will be offered the opportunity to sub for full-time custodians.

- c. Part-time custodians will be offered the opportunity to sub for part-time substitutes.
- d. When employees from the custodial coordinator and custodial staff are filling in as a substitute, they must ensure that an employee is in the building until the scheduled building closing time.
- e. When full-time custodians are approved to do substitute overtime, employees in the building affected should be given the first opportunity and it is the responsibility of the building custodial coordinator or foreman to see that this is done on a rotating basis.
- f. Should an employee substitute for another employee in a higher paying classification for five (5) consecutive days, the substitute employee (except food service personnel) will be paid (retroactively) the absent employee's rate of pay. In the case of food service employees, the substitute employee will be paid (retroactively) at the lowest step rate of the new job classification that is above the current pay rate of the substitute employee.

## 2. Cafeteria

Before the district calls in a substitute for an absent Satellite Production Kitchen employee, other employees, within the building and in the district, assigned fewer hours shall be given the opportunity to fill in for the absent employee on a rotating seniority basis. During the second week of September all cafeteria employees who are interested in additional work will sign up. A list will be constructed which places all volunteers in seniority order. The work will then be rotated among the employees on the list with the Kitchen Manager contacting the employees in seniority, rotating order providing that the individual's classification is suitable for the work to be done and does not interfere with the employee's regular work schedule. When an employee reaches or exceeds forty (40) hours per week, the employee will not be eligible for further work until all employees reach or exceed forty (40) hours per week providing the remaining employees fit the classification needed for the work offered.

### LEAVES OF ABSENCE

#### PAID

- A. 1. Each full year non-probationary employee not on an unpaid leave shall be credited with twelve (12) sick leave days at the beginning of each work year. Each non-probationary school year employee not on an unpaid leave shall be credited with ten (10) sick days. Probationary employees who successfully complete their probationary period after the start of the work year shall be credited with a pro-rata number of sick leave days at the beginning of their non-probationary period. Employees who return from an unpaid leave, except workers compensation leave, shall have their sick leave days pro-rated and be credited with that number of days when they receive their first paycheck of the fiscal year.
2. Total sick day accumulation will be unlimited. Sick leave may be used for personal illness or illness or death in the immediate family of the employee. Before payment for sick leave is made, the school administration has the right to request a doctor's statement to verify illness should it be deemed necessary. A sick leave day will be the same as an employee's regularly scheduled work day for purposes of accrual and use. Immediate family shall mean mother, father, sister, brother, child, spouse, mother-in-law, father-in-law, grandchild and grandparents.
3. Any full-time, full-year employee who has worked for at least one (1) full work year (July 1 - June 30) with the District who has zero (0) absences from work (excluding business leave days, vacation days and holidays) will be entitled to a cash bonus in the amount of Three Hundred (\$300) Dollars, if requested by June 30th. Such bonus shall equal the use of six (6) sick days for the work year and only the remaining balance of the accrued sick days will be carried over into the next year. Full-time, full-year employees with one (1) absence from work (excluding business leave days, vacation days and holidays) will be entitled to a cash bonus in the amount of One Hundred Fifty (\$150) Dollars, if requested by June 30th. Such bonus shall equal the use of three (3) sick days for the work year and only the remaining balance of the accrued sick days will be carried over into the next year. Less than full-time, full-year employees will be entitled to attendance bonus payments and sick time carryover on a pro-rated basis.
- B. 1. Business Days - Two (2) days of sick leave each year may be used as business days with the administration having the authority to approve or disapprove one (1) of the two (2) days based on the need as presented by the employee. One business day is to be used only for matters that cannot

be taken care of outside of working hours, such as legal matters, mechanical breakdown of transportation or home utilities (furnace, well, pump, etc.).

2. All requests must be in writing; except when an emergency situation prevails, approval may be obtained by telephone from the immediate supervisor, with a follow up letter stating the date and reason for being off.
  3. The second business day may be used by the employee as he or she chooses. Written requests for the day off must be received in the office of the employee's immediate supervisor at least three (3) days before the day the employee wishes to be off. Requests will be granted only when there is a sufficient number of employees to cover the workload.
  4. The day before and the day after a paid holiday or a scheduled vacation day cannot be used as a business day.
- C. An employee may request to use vacation days as sick leave days after his/her personal accumulation has been expended with proper request to the Director of Personnel and Community Relations. An employee may elect to not use sick leave days by written notification to the Business Office.
- D.
1. When an employee is on leave due to sickness or injury, (including a worker's compensation leave) the employee may return to the same position held prior to the leave provided that he/she returns to work before ninety (90) working days have lapsed following the last day of the employee's paid leave. For purposes of this section, in the event an employee returns to work but does not work at least ten (10) work days before going on leave again for the same condition, sickness or injury, the count for the ninety (90) day period shall re-commence where it left off as of the first date of the new leave period, as if the employee had not returned to work.
  2. An employee on a non-medical leave of absence shall return to his/her position only if the unpaid leave is for sixty (60) working days or less.
  3. Employees (except bus drivers) who lose the right to their prior position and are able to return to work will be placed in the first vacant identical position in their prior department and classification for which they are qualified.
  4. A Bus Driver, who loses his/her run will, upon return to work, be placed on the top of the substitute list until he/she is eligible to bid on a regular position.

- E. Each employee shall be entitled to leave with pay without charge to his/her sick bank for death in the immediate family of the employee and/or spouse, or the death of a person residing in the same household as the employee. The funeral leave shall be for a period not to exceed three (3) days, provided the employee attends the funeral. Immediate family shall mean mother, father, brother, sister, child, spouse, mother-in-law, father-in-law, grandchild, and grandparents. Additional time beyond three (3) days, if granted by the employee's immediate supervisor, will be charged to sick leave. The employer has the right to request and receive appropriate substantiation of attendance at the funeral and verification of residence of an individual residing in the household.
- F. The amount of pay given when an employee is absent due to illness shall be based on the employee's regular hours and rate of pay.
- G. An employee who is called to jury duty shall receive the difference between his/her regular salary and the jury fee with no less of accumulated leave for each day he/she serves on the jury and on which he/she would have otherwise been scheduled to work. Any day an employee is not called to jury duty, he/she will report to work.
- H. As soon as possible, an employee should contact his/her building principal or designated person when he/she is going to be absent from work. This should be done in ample time to allow the principal or designated person to secure a substitute; and for Bus Drivers shall be a minimum of 45 minutes prior to the start of their scheduled run. Should the employee fail to notify either his/her principal or designated person that he/she will be absent from work, he/she will not receive a salary for the days he/she is absent from work without prior notification. It is realized that in some cases there may be extenuating circumstances that would prevent proper notification. In such cases, the immediate supervisor, together with the Director of Operations, will decide whether payment of salary should be made.
- I. On the first day of student attendance in the beginning of the school year, paid leave days shall only be granted in cases of emergency.

UNPAID

- J.
  - 1. A leave of absence without pay may be granted to any employee at the discretion of the Board. Employees on unpaid non-medical leaves will have their seniority frozen and seniority will not accrue while the employee is on an unpaid leave. Seniority accrued prior to July 1, 1988 will not be affected.
  - 2. Employees on leave may accrue experience credit for wage increments only while on a paid leave or an unpaid medical leave up to one (1) year.

K. Family and Medical Leave

1. All eligible employees shall be provided up to twelve (12) weeks of family and medical leave during any rolling twelve (12) month period in accordance with the Family and Medical Leave Act of 1993 (FMLA). The leave may be paid, unpaid or a combination of paid and unpaid, depending on the circumstances and as specified in this Section. Such leave will be granted only for one or more of the following reasons:
  - a. For the birth of a child and in order to care for that child, provided that the leave is requested and taken before the child's first birthday.
  - b. For the adoption of a child or the placement of a foster child in the employee's home, provided that the leave is taken within twelve (12) months of the adoption or placement.
  - c. To care for a spouse, child or parent who has a serious health condition.
  - d. Due to the employee's own serious health condition.
2. Eligibility Requirements:
  - a. In order to be eligible for a family and medical leave, an employee must be employed by the District for at least twelve (12) months prior to the commencement of the leave and must have worked at least 1250 hours during that prior twelve (12) month period.
  - b. All requests for family or medical leave must be submitted in writing to the Personnel Department at least 30 days prior to commencement of such leave, except where the need for the leave is not foreseeable and 30 days notice is not possible and in that event, notice shall be given as soon as is practicable.
  - c. If an employee fails to provide thirty (30) days notice for a foreseeable leave with no reasonable excuse for the delay, the leave request may be denied until at least thirty (30) days from the date the District receives proper notice.
  - d. Where the necessity for leave is due to the serious health condition of a family member (as defined in Paragraph 1 of this Section) or the employee, and is foreseeable based on planned medical treatment, the employee must make a reasonable effort to schedule the treatment so as not to unduly disrupt the work schedule or operations of the District.

3. All requests must set forth specific reasons for the requested leave. A request based upon a serious health condition of a family member or the employee must be supported by written certification of a reputable physician or health care provider. Such certification must be provided to the Personnel Department within fifteen (15) days of the request, if possible, or the employee must provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of leave. The written medical certification must contain the following:
  - a. The date the serious health condition began.
  - b. The expected duration.
  - c. The appropriate medical facts regarding the condition, the diagnosis and a brief statement of treatment.
  - d. If the leave is for the care of a spouse, child or parent, the certification must include a statement that the patient requires assistance and that the employee is necessary to provide such assistance as well as an estimate of the amount of time such need will continue.
  - e. If the leave is based upon the employee's own serious health condition, the certification must include a statement that the employee is unable to perform work of any kind or a statement that the employee is unable to perform the essential functions of the employee's position.
4. A family and medical leave may be used intermittently or on a reduced schedule if leave is taken to care for a spouse, child or parent or due to employee's own serious health condition. Prior to taking leave, the employee should try to reach agreement with the Personnel Department regarding the time for intermittent leave or working of a reduced schedule. If this is not possible, then the employee must prove that the use of the leave is medically necessary and the District may require certification of the medical necessity. The District may temporarily transfer an employee to an available alternative position with equivalent pay and benefits if the alternative position would better accommodate (or even eliminate the need for) intermittent leave or a reduced schedule.
5. A family or medical leave under this Section is an unpaid leave. However, if the employee has any available accrued paid leave (vacation time and sick leave time) the employee must first use all paid leave time. Once all paid leave time is used, the remainder of the twelve (12) weeks of leave will be unpaid.

6. While an employee is on leave, the District will continue the employee's health benefits during the leave at the same level and under the same conditions as if the employee had continued to work. If the employee chooses not to return to work for reasons other than a continued serious health condition, the District will require the employee to reimburse the District the amount it paid for the employee's health insurance premium during the leave period. For employees obligated to pay a portion of the insurance premium through payroll deduction, all such payments shall be made directly to the Business Office no later than the 25th of the month for insurance coverage for the subsequent month. In the event an employee fails to make such direct payments and the District makes such payments on their behalf, the employee will be obligated to reimburse the District as soon as possible after the leave for all such amounts.
- L. Childbearing/Child Caring Leave. Following the termination of a leave of absence under Section K above, an additional eight (8) months of leave (or twelve (12) months for non-probationary employees not eligible for leaves under Section K above), without pay, without accrual of leave days or benefits and without loss of seniority, for the purpose of continued child caring shall be granted to an employee provided a written request was submitted to the Personnel Department at least thirty (30) calendar days prior to the commencement of the leave. A second year of leave shall be granted upon request, however seniority shall not accrue during this time period.
- M. Illness or Disability Leave. Following the termination of a leave of absence under Section K above, an additional eight (8) months of leave (or twelve (12) months for non-probationary employees not eligible for leaves under Section K above), without pay, without accrual of leave days or benefits and without loss of seniority shall be granted to an employee who is unable to work because of continued illness or disability and who has exhausted all sick leave available. Seniority shall accrue for the duration of such illness or disability up to a one (1) year period, but without the accrual of additional leave days or benefits. A second year of leave may be granted at the discretion of the Board.
- N. In all leaves set forth above, except Section K leaves, accumulated leave days at the time of leave shall be maintained.
- O. Except as set forth in Section K above, an employee may continue his/her health insurance benefits while on an unpaid leave by making arrangements with the Business Office to prepay monthly individual group rate premiums.

## ARTICLE XIII

### MEDICAL EXAMINATION

- A. The Board may, at its discretion, require that employees submit to physical and mental tests and examinations by a Board-appointed doctor when such tests and examinations are considered to be of value to the Board in maintaining a capable work force, employee health and safety, etc., provided however, that the Board will pay the cost of such tests and examinations. The reports of such tests and examinations will be provided to the Board by the employee.
- B. If the physician reports that the employee is unqualified to perform his duties, the employee shall be required to take a mandatory medical leave of absence.
- C. The Board may, at its discretion, require an employee who loses time from work because of illness or injury, or is on a voluntary or mandatory medical leave of absence, to submit to physical and medical tests or examinations by a Board-appointed doctor for purposes of determining whether an employee is qualified to return to work.
- D. In those instances when an employee is not satisfied with the decision of the school-appointed physician, an employee may select another doctor of his/her own choosing. The employee will pay all costs of this second examination and it must be taken within ten (10) days of receipt of a written report from the school-appointed physician. The school-appointed physician will consult with the doctor selected by the employee. The information provided by the consulting doctor will be evaluated by the school physician who in turn will review his/her original decision regarding the employee. The final responsibility for determining whether or not the employee can work will rest with the school-appointed physician. The procedure described in this Section will bypass the grievance procedure.
- E. All Bus Drivers shall be in good physical and mental health, be able-bodied, free from communicable diseases, strong enough physically to handle the bus and the students with ease, and meet all required state and federal standards. Bus Drivers must submit annually, or as required by law, to a physical examination by a reputable physician designated by the Board of Education. The cost of the physical shall be paid by the Board and shall be completed on the Bus Driver's own time. The Bus Driver shall present the physician certificate to the Supervisor of Transportation.

The posting shall

be advertised on a telephone tape, the number of which shall be provided to all employees.

- C. Interested bargaining unit members may apply in writing to the Personnel Department within the ten (10) calendar day posting period. The applicant will also note whether this is a transfer, position upgrade, department change or upgrade, or a promotion for applicant.

When a transfer request is made by the employee for a posted vacancy, the most senior department employee applicant who has been in the same position for one year will be granted the position, provided the employee has an attendance record acceptable to the District and no recorded disciplinary actions within the past two years. This section shall not apply to Technical Support or Maintenance employees.
- E. For transfers or shift changes in the Maintenance Department, the most senior maintenance employee applicant who has been in the same position for one (1) year will be granted the position, provided the employee has an attendance record acceptable to the District, no recorded disciplinary actions within the past two (2) years and possesses the skills, job qualifications and/or licenses required as set forth in the job posting.
- F. This provision will not be used to discipline any employee.

7. **Step 5** - If the matter is not resolved at Step 4, the grievance may be submitted to arbitration by the Association with an impartial arbitrator, provided written notice of the request for submission to arbitration is delivered to the Board no later than twenty (20) business days after either the Step 4 response (if the grievance is not mediated), or the conclusion of the mediation hearing. The arbitrator shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration proceedings. The Board and the Association shall not be permitted to assert in any such arbitration proceedings, any grounds or rely on any evidence not previously disclosed to the other party. It shall be the function of the arbitrator, and he/she shall be empowered except as his/her powers are limited below, after due investigation to make a decision in cases of alleged violation, misinterpretation or misapplication of any provision of this Agreement or any other rule, order or regulation of the Board relating to wages, hours, terms or conditions of employment.

- D. The time limits described shall be strictly observed. Failure on the part of an administrator to timely respond shall not constitute a granting of the grievance. The parties can agree to deviate from the grievance procedure only by mutual written consent. Where such consent extends time lines, it will only be effective if said writing specifies a new expiration date and is signed by all parties prior to the expiration of the normally applicable time line.
- E. 1. If any individual employee has a personal complaint which he/she desires to discuss with the supervisor, he/she is free to do so without recourse to the grievance procedure. However, no grievance may be adjusted without prior notification to the Association. An opportunity for the Association representative to be present shall be provided.

### CONTINUITY OF OPERATIONS/CONFORMITY TO LAW

- A. Both parties recognize the desirability of continuous and uninterrupted operation of the instruction program during the normal school year and the settlement of disputes which threaten to interfere with such operations. Since the parties have a comprehensive grievance procedure to settle unresolved disputes, the parties have removed the basic cause of work interruption during the period of this Agreement. The Association and each member of the Association accordingly agrees that they will not, during the period of this Agreement, directly or indirectly engage in or assist in any strike as defined by Section 1 of the Public Employment Relations Act, any work slowdowns or similar concerted activity.
  
- B. If any Article or Section of this Agreement shall at any time become invalid under existing or future laws or be held contrary to law by a court or tribunal of competent jurisdiction (from whose final judgment or decree no appeal has been taken within the time for doing so), the remainder of this Agreement shall not be affected in any way and the remaining provisions of this Agreement shall continue in effect.

## ARTICLE XXIV

### TRANSPORTATION PROVISIONS

- A. 1. At the beginning of each school year, each bus run will be timed. Drivers will be paid for a minimum of one A.M. run and one P.M. run. Such runs shall be a minimum of two (2) hours. An additional fifteen (15) minutes will be added daily to both the A.M. and P.M. runs for maintaining proper levels of gas, oil, and water in the bus, cleaning inside the bus and cleaning all exterior lighting devices and signals. A bus safety inspection will be completed daily by the driver. To determine the daily rate of pay, the driver's hourly rate will be multiplied by the total daily time. Commencing on the date of ratification, the minimum daily time will be five (5) hours for both A.M. and P.M. runs which time shall include the thirty (30) minute maintenance time.
2. The annual salary shall be determined by multiplying the daily rate of pay by the number of scheduled school days for the year plus holiday and vacation days. Bus Drivers whose runs are governed by a school calendar other than that of the District shall have their yearly salary, days off and "number of school days for the year" governed by said calendars. For example, a Bus Driver whose runs are to drive special education students to a neighboring school district shall work according to that neighboring district's school calendar. Employees who are absent from work will not be paid, unless the employee is entitled to payment under another provision of this Agreement.
- B. In situations where runs have not yet been timed, drivers will be paid at the previous school year's timed rate. Drivers shall work all scheduled student days in Walled Lake or that of the District where their runs are scheduled.
- C. The rate of pay for kindergarten, regular noon, and shuttle runs will be at the driver's regular hourly rate of pay. All kindergarten, regular noon, and shuttle runs will be paid at a minimum of one and one-half (1-1/2) hours. If a kindergarten or shuttle is combined with another kindergarten or shuttle run within 30 minutes or less in between, the driver shall be paid for the actual time it took to drive the runs, provided that he/she will not receive less than one and one-half (1-1/2) hours pay. (Example: if the driver drove a kindergarten run and a shuttle back-to-back without being required to punch out, and the total combined driving time equaled two hours, the driver would receive two hours pay. If in the example above the total combined driving time was one hour, the driver would receive one and one-half (1-1/2) hours pay).
- D. Each week, a driver will be paid fifteen (15) minutes at his/her regular rate of pay for washing the complete exterior of the bus in the school district's automatic bus

washing facility. Payment will be made only if the driver washed the bus and such washing is certified by the Supervisor of Transportation. Additional bus washings regularly assigned during the year will be paid for at their same rate of pay, providing the Supervisor of Transportation approves prior to the washing of the bus. In the event that the automatic bus wash facility is inoperable, the school District may, at its discretion, pay each employee, every two weeks, one hour at his/her regular rate of pay to manually wash the bus.

- E. Bus Drivers will be required to clean the complete interior of his/her bus once per year between July 1 and the first day of school. The cleaning shall include washing and scrubbing the interior walls, ceilings, seats, floors, and windows. The driver will be paid four (4) hours at his/her regular rate for the bus cleaning. Payment will be made only if the driver accomplishes this work and only after the work is certified by the Supervisor of Transportation.
- F. Drivers will be paid a minimum of one (1) additional hour in October to work on route sheets, maps, and student lists.
- G. Drivers will be paid a minimum of one and one-half (1-1/2) hours for early dismissals except on those days when all schools are dismissed early or the early dismissal is just before or after a kindergarten, regular noon, or shuttle run, then actual time for the combination shall be paid (i.e. if a driver has an early dismissal for the high schools and goes directly to a shuttle run, kindergarten run, or any other regularly scheduled run, they will be paid for actual time it took to do the runs, not an extra one and one-half (1-1/2) hour for the early dismissal).
- H. Should it be necessary for the Supervisor of Transportation to send a driver out to give assistance to another driver who is stranded on a run, the driver being sent will be paid at his/her regular hourly rate for time in excess of his/her regularly scheduled time. The driver who is stranded will be paid at his/her hourly rate for any time in excess of his/her regularly scheduled time except in instances where the bus runs out of gas.
- I.
  - 1. Drivers who are required to attend in-district training sessions shall be paid at the driver's regular hourly rate of pay for each hour of actual class time. Voluntary training time will be paid at straight time only for the actual time in attendance and will not be credited for purposes of the computation of overtime. This section does not apply to General Driver's meetings for which no compensation will be paid.
  - 2. Drivers will be paid at their regular hourly rate for two (2) hours to take a road test every four (4) years, if necessary to satisfy the requirements of the Walled Lake School District to be eligible for driving a bus. If the test is taken on Saturday, the driver will be paid time and one-half (1-1/2) for two

(2) hours. The District will pay for the cost of only one (1) road test every four (4) years if required by the school District.

- J. Credit on the salary schedule shall be given at the discretion of the Supervisor of Transportation for prior bus driving experience secured by a driver while in the employ of another school district or while previously employed by the District.
- K. Time and one-half (1-1/2) will be paid for all authorized hours worked (including mandatory in-service attendance, mandatory training sessions, mandatory meetings for driver trainers and employer requested evaluation conference time) in excess of forty (40) hours in a week. The Board has the right to require overtime for all employees. Drivers shall not be required to work on holidays except for a field trip.
- L. On or before the third Monday prior to the start of each school year, the Board will post vacant runs which exist at that time. Within ten (10) days of the posting, drivers interested in posted runs may bid on the runs by filling out the appropriate form and returning it to the Supervisor of Transportation within the ten (10) day period. Such runs shall be assigned by seniority, however an attendance record acceptable to the District and the capability of handling the special needs of children may be required and considered when the vacant runs are kindergarten, shuttle runs, or special education runs.
- M. Prior to the beginning of each school year, the District will send to each driver a letter containing information regarding vacant runs. Any alleged failure by the Board to comply with this notification is not subject to the grievance procedure.
- N. Summer school runs will be posted and assigned by seniority by the Supervisor of Transportation to those employees who apply in writing, on the appropriate form within five (5) days following such posting. In assigning the runs, the Supervisor of Transportation will attempt to divide up the hours on an as equal a basis as possible and an effort will be made to assign runs by seniority.
- O. All other runs shall be posted for a period of five (5) school days from the day the run is vacated or created. For the purpose of this section, a new run shall be defined as a run established or vacated after the start of the school year. An effort will be made by the Board to contact employees on leaves of absence. During the posting period, the job may be filled on a temporary basis. Such runs shall be assigned by the Supervisor of Transportation based mainly on seniority. Absenteeism and the capability of handling the special needs of children, along with seniority shall be considered for Bus Driver assignments on kindergarten, special education, and shuttle runs. When in the opinion of the Supervisor of Transportation, absenteeism and capabilities are equal, Bus Drivers with the most seniority will be assigned the run. The Supervisor of Transportation shall announce the decision within one week after the posting period ends.

- P.
1. The parties agree there are three types of shuttle runs: shuttle runs which are attached to a normal A.M. or P.M. run (at the beginning or the end) within the run time; shuttle runs which originate and end at the bus garage; and shuttle runs which are attached to either the beginning or end of any other run. Except as set forth in this section, the District maintains the right to attach shuttle runs to various other runs.
  2. Shuttle runs which originate and end at the bus garage will be posted internally and assigned a driver by seniority in accordance with section (L) of this Article (when a run is known to be vacant before the second Monday prior to the start of school) or according to section (O) (when the shuttle run is a new run or becomes vacant after the start of the school year). Because the existence of shuttle runs change rapidly, the driver of a discontinued shuttle run will receive first consideration when new or vacant shuttle runs are posted.
  3. In the event a driver normally assigned a shuttle run attached to the beginning or end of a normal A.M. or P.M. run is absent from work (or there is prior notice that the driver will be absent) for a period of four (4) days or less, the shuttle run will be assigned to the substitute that is assigned the normal A.M. or P.M. run of that driver for that day. In the event the District has at least twenty-four (24) hour advance notice that the driver will be absent for five (5) or more days, the shuttle run will be assigned (from the first day of the absence) to the most senior driver whose schedule can accommodate the shuttle run.
- Q. If a one-school run becomes available, it shall be posted and assigned to the highest senior driver whose schedule can accommodate the run.
- R. In the event a kindergarten run is eliminated, causing a driver to lose his/her run, the driver having the least amount of seniority among those with kindergarten runs will lose his/her run. When the next kindergarten run becomes open, the driver previously losing his/her run will be given the open run.
- S. When it is known in advance that a driver will miss thirty (30) or more working days because of a prolonged absence, his/her kindergarten run and shuttle, if it begins and ends at the bus garage, will be posted and temporarily assigned to a seniority driver in accordance with Section O. This assignment will be on a temporary basis only and when the driver returns he/she will receive back the previously assigned runs, unless it results in an overtime situation.
- T. A transfer shall be defined as a lateral move (i.e., a change from one run to another which has the same number of hours). Bus Drivers shall be limited to one (1) voluntary transfer per year, unless the change involves a special education or kindergarten run.

- U. Any case of assault upon a driver shall be promptly reported by the driver to the Supervisor of Transportation. The Board will provide legal counsel to advise the driver of his/her rights and obligations with respect to non-aggravated assault and shall promptly render all reasonable assistance to the Driver in connection with handling of the incident by law enforcement and judicial authorities.
- V. If a Bus Driver is complained against as a result of his/her employment, the Board shall provide legal advice, provided the Board is not a plaintiff.
- W. The Board will reimburse drivers for any damage to wearing apparel, eyeglasses, or watches when fulfilling the responsibilities of a Bus Driver. The damage must be promptly reported in writing to the Supervisor of Transportation on the day it occurs. The damage must not be attributable to Bus Driver negligence. The maximum payable is Fifty (\$50.00) Dollars. The decision of the Supervisor of Transportation will be final and not subject to the grievance procedure.
- X. The Board may hire employees on a temporary basis as substitutes. Substitutes shall not accrue any benefits under this contract and shall not have any seniority status.
- Y.
  1. In order to continue employment as a Bus Driver, each Driver must be eligible for and continue to qualify under all requirements and regulations imposed by the state or federal government for a CDL certification and must be insurable under the District's fleet insurance coverage according to all terms and conditions of the District's current insurance carrier. The District shall provide fleet insurance coverage which shall be in conformance with all state and federal regulations.
  2. A Bus Driver who is ineligible for the District's fleet insurance coverage shall be immediately terminated from employment. If a Bus Driver who has more than two years seniority becomes ineligible for the District's fleet insurance coverage, he or she may file a written request to the Director of Operations within three (3) work days of receipt of notice of such ineligibility and the District shall grant the Bus Driver a leave of absence without pay, seniority and fringe benefits for up to six (6) months. A substitute driver shall drive the regularly scheduled run(s) during said leave of absence. Upon expiration of the six month period, if the Bus Driver is eligible to drive under the terms and conditions of the District's fleet insurance coverage, the Bus Driver shall return to his/her run and be placed in the same position on the salary schedule held prior to the start of the leave. If the Bus Driver remains ineligible for the District's fleet insurance coverage after the expiration of the six month period, the Bus Driver shall be terminated. A Bus Driver is only eligible for one leave of absence under this section.

- Z. In the event the District dissolves any bus routes (excluding kindergarten and shuttle runs), the driver assigned to that route shall have the right to bid on any available route vacancy. Until the driver secures another route in this manner, he/she shall be considered a top substitute to be given preference on all substitute work. It is further understood that no driver shall remain as top substitute for more than twelve (12) months from the date of the dissolution of a run. Upon the expiration of the twelve (12) month period, the driver shall be placed in the next available run (after seniority bidding has occurred) which most closely matches the time of the dissolved run.

## ARTICLE XXV

### FIELD TRIPS - TRANSPORTATION

- A. 1. Regular drivers will be assigned field and athletic trips including those occurring during regularly scheduled runs. Assignments, whenever possible, will be made according to the rotating field trip list. Emergency field trips, defined as those trips where the Supervisor of Transportation has less than forty-eight (48) hours notification, may be given to the first available driver. Field trips once posted as one (1) trip shall not be changed to two (2) trips at a later date. Drivers who refuse a non-emergency field trip or athletic trip three (3) times in one semester shall be dropped from the rotating field trip list until the following semester. This shall not include drivers on sick leave or approved vacations. During the summer months, drivers who have signed up to drive and refuse three (3) times shall be removed from the summer driving list for that summer.
2. A driver's refusal of a non-emergency field trip will not be counted for purposes of this Section A where taking the field trip will cause the driver to lose one or more scheduled runs on that day and the total field trip time is less than the total time of the run(s) by at least fifteen (15) minutes.
3. Driver trainers who are scheduled to train other drivers during the time a field trip is scheduled can refuse to take the field trip and such refusal will not be counted for purposes of this Section A.
4. A driver's refusal of a non-emergency field trip will not be counted for purposes of this Section A when the times of the run are not posted on the roster list.
5. A driver's refusal of trips posted on the roster list shall constitute a refusal for purposes of this Section A except as set forth herein.
- B. 1. The rate of pay for athletic and field trips occurring on a Saturday will be at time and one-half (1-1/2) the driver's regular rate of hourly pay.
2. The rate of pay for Sunday and holiday trips will be double the driver's hourly rate. Driver's time for Saturday, Sunday, and holiday begins when the driver opens the lot gate and ends when the driver locks the gate following the return from the field trip. If a driver has a morning field trip on a school day and has to give up his/her morning run, thirty (30) minutes will be added to the starting time of the field trip. This covers pre-trip inspection and travel time to school (i.e., a 7:30 a.m. trip would begin at 7:00 a.m.). The minimum rate of pay for any field or athletic trip will be two (2) hours.

3. If the driver arrives at school to pick up students and is then notified that the field trip has been canceled, the driver will receive the minimum rate of two (2) hours pay or route time (whichever is greater) at the driver's regular rate of pay.
- C. Meal allowances will be paid for field and athletic trips according to the following:
1. If the trip is three (3) hours to less than eight (8) hours, the meal allowance will be \$4.00;
  2. If the trip is eight (8) hours or more, the meal allowance will be \$9.00;
  3. Receipts for meals purchased must be submitted to the Supervisor of Transportation in order for the driver to receive the meal allowance.
- D. If a field or athletic trip occurs on a day for which a driver is receiving regular pay, but the entire school District is not in session, he/she will be paid for the trip in addition to his/her regular pay.
- E. If a trip occurs within thirty (30) minutes before or after an A.M. or P.M. run, a driver will be considered continuously on the clock at their regular rate.
- F. During the school year, two lists will be posted for drivers to sign up for field trips; one list will be for field trips occurring on Saturdays, Sundays, and holidays. In the summer, these lists will be merged. Drivers desiring to be placed on the lists must sign the lists within five (5) school days. Those drivers who sign up will be initially ranked by seniority with the most senior driver placed at the top of the list. Field trips will then be rotated among the drivers on the lists with the Supervisor of Transportation contacting the driver at the top of the list providing the driver is readily available. In the event the driver in line for the trip is unable to take the trip or declines, that driver shall be credited with the trip for the purposes of rotation. The trip will then be offered to the next driver on the list. If time and circumstances prevent proceeding further down the list, the Supervisor of Transportation will assign the trip to a driver on the list, to a regular driver or to a substitute. Should the driver be improperly bypassed, he/she shall be eligible to take the next available non-emergency field trip. It is further provided that a driver's scheduled time will be computed for his/her regular runs. If the schedule time is less than forty (40) hours per week, that driver remains eligible for field trips until such time that he/she reaches or exceeds forty (40) hours per week. After reaching or exceeding forty (40) hours per week, he/she will not be eligible for further field trips until all drivers reach or exceed forty (40) hours per week.
- G. 1. Should a driver desire to be added to the field trip lists after the start of the school year, he/she may do so by filling out a written request and filing it with the Supervisor of Transportation.

2. Any drivers who sign up for field trips at the close of the first semester will be placed at the bottom of the field trip list.
  3. Whenever possible, a list of field trips will be posted by 12:00 noon Wednesday of the week prior to the trips. This posting will be taken down on Thursday at 4:00 p.m. and updated, listing trips and assigned drivers. It will be re-posted by 2:00 p.m. Friday.
- H. In the discretion of the Supervisor of Transportation, Sections F and G above may not apply in instances when a kindergarten class or special education group goes on a field trip and the driver of that kindergarten class or special education group requests to be the driver for the trip. Eligible special education drivers will be charged for taking these trips for purposes of the regular field trip rotation. Eligible special education drivers will be rotated for field trips.
- I. When District owned vehicles are used for field or athletic trips, only certified school bus drivers employed by the District are to drive the vehicles.

ARTICLE XXVI

DURATION OF AGREEMENT

- A. This Agreement, effective July 1, 1997, shall continue in effect until 11:59 p.m. June 30, 2000.
- B. At least sixty (60) days prior to the expiration of this Agreement, the parties shall initiate negotiations for the purpose of entering into a successor agreement.
- C. While the terms and conditions of this Agreement shall remain in full force and effect for the duration of the Agreement, nevertheless, it is recognized that matters may arise during the life of this Agreement which are of vital mutual concern to the parties. If such matters do arise, the parties may, by mutual written agreement, arrange for a special conference to discuss the matter. Arrangements for such a meeting shall be made in advance and an agenda of the matters to be taken up at said meeting shall be presented at the time said meeting is requested. Matters taken up in such a meeting shall be confined to those in the agenda. No such meeting shall take place during working hours, unless agreed to by the District.

**LETTER OF UNDERSTANDING**  
between the  
**WALLED LAKE ESP #1**  
and the  
**WALLED LAKE BOARD OF EDUCATION**

During negotiations between representatives of the Walled Lake ESP #1 and the Walled Lake Consolidated School District, leading toward the execution of a Collective Bargaining Agreement (Agreement) effective July 1, 1997, certain supplemental understandings were agreed to which are set forth in and confirmed by this Letter. These understandings are as follows:

**1. Health Care Coverage - Bus Drivers**

- A. By an individual letter of agreement executed between the parties on or about November 6, 1990, the Board agreed to provide certain named Bus Drivers with MESSA PAK B (or comparable) insurance coverage fully paid by the Board. The parties to this Agreement agree that such coverage shall continue for the individuals named herein until a future agreement modifies this understanding.
- B. This Agreement currently applies to the following employees:
- |               |                 |
|---------------|-----------------|
| Kathy Daniels | Mary Graves     |
| Susan Nazem   | Sandra Urban    |
| Bonnie Scott  | Dawn Fuernstein |
| Debbie Muehl  |                 |
- C. Further, the parties also agree and understand that the above-named individuals shall lose such insurance coverage if they meet any one of the following criteria:
- 1) Fail to accept an offer of full-time employment with the Board;
  - 2) Terminate their present employment with the Board; or
  - 3) Elects another insurance plan or program offered by the Board.
- D. The parties further agree and understand that this benefit is not to be extended to other individuals in like or similar circumstances.

**2. Lump Sum Payment**

Each member of the Association employed at the time of ratification of this contract shall receive a one-time lump sum off-schedule payment equal to 0.92% of his/her earnings for the previous contract year, ending June 30, 1997. Such payment will be made by the District as soon as

is practicable after ratification, but no later than December 19, 1997. Those employees who did not complete one (1) year of service by June 30, 1997 shall be paid as if they had worked the entire contract year.

**3. Second Shift Maintenance Position**

It is understood that the District may be adding personnel to the second shift from the Maintenance Department under the terms of the Agreement. It is agreed that there will be no shift change of currently employed Maintenance personnel who have two (2) or more years of seniority until at least six (6) months after the date of ratification, except that a carpenter can be so assigned after January 1, 1998.

**4. Custodial Coordinators.**

It is understood by the parties that Custodial Coordinators have responsibilities which include the performance of duties above and beyond those stipulated on the job description for building custodians. Specifically, Custodial Coordinators, where assigned, are to act as the conduit for supervision: i.e., they are to relay the supervisor's directions to other custodians and report back to the supervisor the progress of all assigned custodial work within their building. This section shall not be interpreted as requiring Custodial Coordinators to furnish the employer with employee evaluation reports.

**5. Health Care Coverage -- Food Service Employee**

- A. The parties have previously agreed to a memorandum of understanding relative to providing health care coverage to certain Food Service employees. It is understood that the parties agree that such coverage shall continue for the individual named herein until a future agreement modifies this understanding.
- B. The Board agrees to provide, at its cost, the MESSA Super Care One Health Insurance package, or comparable coverage to Nancy Haddock.
- C. The parties further agree that the above-named individual shall lose her health insurance coverage if she meets any of the following criteria:
  - 1) She remarries;
  - 2) Fails to accept an offer of full-time employment with the Board;
  - 3) Elects another insurance plan or program offered by the Board; or
  - 4) Terminates her present employment with the Board.
- D. The parties further agree that this benefit is not to be extended to other individuals in like or similar circumstances.

**6. Retroactive Wage Payments**

The parties agree that for purposes of this Agreement and in the event there are future retroactive wage or other payments made to ESP #1 bargaining unit members, such retroactivity shall

exclude retroactivity for former employees that voluntarily resigned their position with the District or who have been terminated by the District prior to the payment being made. This paragraph in no way is to be construed to obligate the District in any way to make retroactive wage or other payments to anyone other than current ESP #1 bargaining unit members. The wage increase for 1997-98 shall be paid retroactively to all ESP #1 bargaining unit members currently employed as of the date of ratification.

**7. Year Round Schools**

In the event the District adopts any plan for year round schools, the District agrees to contact the Association to discuss the impact, if any, of such plan on ESP #1 employees prior to implementation.

**8. Mechanics Certification Pay**

Any Mechanic employed by the District who secures and maintains full automobile/light truck mechanic certification (meaning all sections/parts), from either the NIASE or the Michigan Secretary of State office (Bureau of Automotive Regulation) as approved in advance by the Supervisor of Transportation, shall receive a lump sum off-schedule payment in the amount specified below. Such payment will be made by the District in the employee's last pay check of each specified contract year. Such payments will be made according to the following schedule:

1997/98:	\$1,040.00
1998/99:	\$1,560.00
1999/2000:	\$2,080.00

A Mechanic who obtains the certification during a contract year will be entitled to a pro rata amount. This benefit sunsets with the payment in the year 2000, and no rights to any such payment continues beyond that date even if the Agreement is extended by the parties for any period of time.

**9. New Hire Wages**

All new hires in every department other than Food Service/Cafeteria and Technical Support shall receive one dollar (\$1.00) per hour less than the scheduled rate for that position as set forth in Article XIX of the Agreement for the first full year of employment. This applies to all individuals hired from March 1997 to June 30, 1998. After one (1) year of employment, the employee shall be paid according to the Step rate then in effect (generally Step 2) which that employee would have received but for the lower starting salary.

**10. Resolution of all Outstanding Grievances**

It is understood and agreed by the parties that the language and provisions of the Agreement, in addition to the supplemental agreement set forth in this Letter of Understanding, collectively set forth the entire Agreement between the parties and that no further disputes or grievances filed prior to the date of ratification of the Agreement exist between the parties with respect to any contractual claims, disputes or interpretations, with the exception of ESP #1, Grievance No. 95/96-13 dated January 28, 1996, and Grievance No. 96/97-6, dated March 13, 1997.

## **11. Summer Bus Driving Hours Grievance**

It is understood and agreed by the parties that during collective bargaining negotiations, a resolution was reached with respect to an outstanding grievance, being Grievance No. 95/96-14, dated June 27, 1996, which grievance was awaiting mediation and/or arbitration. The parties agree that such grievance will be resolved on the following basis;

- a. All summer school runs, summer kiddie camp and camp runs shall be paid at a minimum of two (2) hours per A.M. run and two (2) hours per P.M. run, which time shall include the pre-trip maintenance time.
- b. All SCAMP runs during the summer will be paid at a minimum of two and one-half (2-1/2) hours per A.M. run and two and one-half (2-1/2) hours per P.M. run, which time shall include the pre-trip maintenance time.
- c. All other extra work in the summer (excluding field trips) shall be paid at a minimum of one and one-half (1-1/2) hours pay for each such run, which time shall include pre-trip maintenance time.
- d. All drivers named in grievance No. 95/96-14 shall be paid for 1996 summer driving based on a four and one-half (4-1/2) hour minimum for summer school, kiddie camp and camp runs driven by him/her.
- e. The Association agrees to immediately withdraw grievance No. 95/96-14 (AAA Case No. 54 390 00573 97) and agrees to enter into any agreement and to otherwise do what is necessary to effectuate that purpose.

## **12. Utility Bus Driver**

The District agrees that it will not implement the concept of Utility Bus Drivers during the term of this Agreement.

## **13. Subcontracting Issues**

The parties agree as follows:

- A. The status of Building Foremen as working supervisors shall be retained.
- B. The future ability of the Board to assign Foremen to regularly clean a section is restricted to the following circumstances:
  - 1) Emergency situations;
  - 2) When no substitutes are available; and
  - 3) Where a vacancy occurs "at the last minute".

- C. In no event will a Foreman be assigned to regularly clean a section for a period of time in excess of two (2) days.
- D. If and when the right of Foreman to be placed on the Custodial/Custodial Coordinator's overtime list is removed from the Foremen's contract, they shall no longer be eligible to perform Custodial/Custodial Coordinator overtime work. The District shall notify the Association within thirty (30) business days after the contract change.

**14. Drug and Alcohol Testing**

It is understood and agreed that the Omnibus Transportation Employee Testing Act of 1991, being 49 USC App §2717 applies to all employees who hold a commercial drivers license and/or operate a commercial vehicle in conjunction with their employment. All such individuals are subject to drug and alcohol testing pursuant to and in compliance with all federal and state statutes, related regulations, mandates and work rules. The parties recognize and understand that the provisions of the Act will apply to certain Union members after January 1, 1995.

**15. Joint Grievance Training**

The District agrees to joint training of Association representatives and District supervisors within the first year of the contract, with respect to the grievance procedure set forth in the contract.
