**ARTICLE VIII**

**GRIEVANCE PROCEDURE**

**A. GRIEVANCE**

A grievance shall mean a complaint submitted by a Bargaining Unit member or by a group of employees, or by the Union on its own behalf, to the Administration concerning any specific, alleged violation of this Agreement or disciplinary action. Any personnel policies or practices of the College that are clearly inconsistent with this Agreement may also be grieved. All grievances shall be settled in accordance with the following procedure:

**B. STEP ONE**

The Employer and the Union shall make reasonable efforts as herein defined to resolve employee grievances at the informal stage by facilitating meetings between the grievant and his immediate supervisor.

1. Prior to the filing of a written grievance, but no later than four (4) working days after the cause of the grievance, the grievant, with or without a representative of the Union, shall meet with the appropriate administrator in whose area the grievance arose to discuss the matter with the object of conflict resolution. In the event the appropriate administrator does not meet with the grievant within the above time period, the grievant may then file a written grievance.
2. If the grievance remains unresolved after informal discussion, the Union may submit a written grievance no later than fifteen (15) working days after the grievant's knowledge that a grievance exists. A copy of the written grievance shall be dated and signed by the grievant and/or Union representative and submitted by the Union to the administrator with whom the grievance has been discussed along with any attachments which the Union deems relevant to the case. In no event shall the Grievance Procedure be involved for a grievance based on the Agreement later than the expiration date of this Agreement.
3. Within five (5) working days after the grievance was presented to him, the appropriate administrator shall communicate his decision in writing to the appropriate division head and to the Union.

**C. STEP TWO**

1. If the grievance remains unresolved after Step One, the Union may submit the grievance to the Manager of Labor Relations within five (5) working days after receipt of the grievance answer from the appropriate administrator.

2. Within fifteen (15) working days after receipt of the written grievance from the Union, the Manager of Labor Relations shall arrange and hold an informal hearing concerning the grievance with a member of the Grievance Committee of the Union.

#### D. STEP THREE

1. If the grievance remains unresolved after Step Two of the Grievance Procedure, the Union shall request an additional meeting between the Manager Labor Relations and the President of the Union within three (3) working days after receipt of the grievance answer from the Manager in order to discuss the grievance further. If, however, at this step either the Union or the administration deems further meetings unproductive, written notification shall be made by either party to go directly to Step Four of the Grievance Procedure.
2. Within fifteen (15) working days after receipt of the request for an additional meeting, the Manager of Labor Relations shall arrange and hold a hearing with the Union President and the Chairperson of the Grievance Committee.
3. Within ten (10) working days after this hearing, the Manager of Labor Relations shall communicate his decision in writing, including a written explanation thereof, to the President of the Union.

#### E. STEP FOUR

1. If the grievance remains unresolved after Step Three of the Grievance Procedure, the Union may submit the grievance to arbitration. Official written notice of the desire for arbitration shall be submitted to the Manager of Labor Relations no later than ten (10) working days after the receipt of the grievance answer from the Manager in Step Three.
2. The arbitration proceedings shall be consistent under the rules of the American Arbitration Association by an arbitrator to be selected by the Employer and the Union within ten (10) working days after notice of the desire for arbitration has been received by the Manager of Labor Relations. If the parties cannot agree upon an arbitrator, they may file for arbitration by an arbitrator selected by the American Arbitration Association from its list of arbitrators.
3. The arbitrator shall hear the matter promptly and shall issue his decision not later than thirty (30) days from the close of the hearing(s).
4. The fees and expenses of the arbitrator shall be shared equally by the Employer and the Union. All other expenses shall be borne by the party incurring them and neither party shall be responsible for the expense of witnesses called by the other.

5. The decision and award of the arbitrator shall be in writing and shall set forth his opinions and conclusions on the issue submitted to him.
6. The decision and award of the arbitrator, if made in accordance with his jurisdiction and authority under this Agreement, shall be accepted as final by the Employer, the Union, and the employee or employees involved.
7. Nothing in the foregoing shall be construed to empower the arbitrator to make any decision amending, changing, subtracting from, or adding to the provisions of this Agreement.

#### F. GENERAL PROVISIONS

1. All formal grievances shall be typed and shall be submitted on the Grievance Report form illustrated in the Appendix to this Agreement. All subsequent decisions or answers by the Employer shall be typed.
2. The grievant shall have the right to be present personally, to be accompanied by an official of the Union, or to be represented by an official of the Union at any stage of the proceedings. Either party shall have the right to bring in witnesses necessary for the processing of the grievance.
3. Hearings and conferences held under this procedure shall be conducted at a time and place which shall afford a fair and reasonable opportunity for all persons, including witnesses required to be present, to attend. When such hearings and conferences are held during working hours, all employees whose presence is required shall be excused for that purpose without loss of pay.
4. Grievances shall be processed as rapidly as possible. The number of working days indicated at each level shall be considered a maximum and every effort shall be made to expedite the grievance process. For purposes of this Agreement, a "working day" shall be defined as any weekday, Monday through Friday, excluding holidays and any other days on which the College is closed officially.
5. A grievance involving a continuing monetary liability to the College must be appealed within the applicable time limits, and failure to do so shall result in said grievances being deemed withdrawn. All other grievances must be appealed within a reasonable period of time. Failure to communicate the decision on a grievance within the specified time limits shall permit lodging an appeal at the next step of this procedure within the time allotted had the decision been given. Time limits may be extended by mutual written agreement of both parties.

6. A grievance may be initiated at any higher applicable level by mutual written agreement of both parties. The Union may withdraw a grievance without prejudice and without establishing a precedent at any step of the procedure.
7. No restraining, coercive, discriminatory, or retaliatory action of any kind shall be taken by the Employer against any party of interest, any Union representative, or any official participant in the Grievance Procedure by reason of such participation.
8. All discussions with respect to the grievance shall be kept confidential by the parties involved during the procedural steps of the grievance. However, either party may release pertinent information on any or all personnel related to the grievance.
9. No decision on a grievance or an adjustment thereof shall be contrary to any provision of this Agreement. No terms shall be added to or subtracted from this Agreement nor any provisions changed by the Grievance Procedure.
10. The Union Grievance Committee shall meet with the Manager of Labor Relations at least once every two (2) weeks if requested by either party in order to discuss current grievances and/or any other matter which is a concern to the Union.

**ARTICLE IX**

---

**POSITION SECURITY**

A. The Employer shall not hire part-time employees or consultants when such employment effects a decrease in the number of full-time employees in the Bargaining Unit.

B. Staff Reductions - Indefinite Duration

In the event it should become necessary to reduce the number of full-time employees in the Bargaining Unit or to discontinue formally a College position to which a full-time or part-time employee is assigned because of reorganization, abolishment of a position, insufficient enrollment, or reduction in funds, the Employer shall provide the Union and each employee whose position is to be eliminated with a minimum of thirty (30) calendar days notice. In such an event the Employer shall meet within five (5) working days with the Union President to discuss how the layoffs shall be implemented.

1. The following shall be the order of layoffs within the work unit\*:

- a. Consultants
- b. Probationary employees
- c. Part-time employees
- d. Full-time employees

\*A work unit is an organizational unit within the College where common work responsibilities are performed. Common work responsibilities are performed under a single supervisor who operates at below the Dean level (e.g., Director of Financial Aid). Work units shall not be defined by or limited to building locations. See Appendix D.

2. Continuing contract employees within the work unit and classification where lay offs are necessary who have completed the probationary period shall be laid off in inverse order of their classification seniority.

C. Reassignment Rights - Indefinitely Laid Off Employees

A Bargaining Unit member served with a lay off notice, or a Bargaining Unit member who has been bumped pursuant to the provisions of this Article shall in order of Bargaining Unit seniority, be offered available positions.

1. Full-time Bargaining Unit members shall be offered in the priority and sequence listed below:
  - a. Any full-time position in the Bargaining Unit, currently vacant at a higher pay grade, for which he is qualified and has the current ability to perform as determined by the Employer.
  - b. If no vacancy at a higher pay grade is available, then any vacancy at an equivalent pay grade for which the Bargaining Unit member is qualified and has the current ability to perform as determined by the Employer.
  - c. If no vacancy of an equivalent pay grade is available, then any vacancy at a lower pay grade for which the Bargaining Unit member is qualified and has the current ability to perform as determined by the Employer.
2. Part-time Bargaining Unit members shall be offered in the priority and sequence listed below:
  - a. Any part-time position in the Bargaining Unit, currently vacant at a higher pay grade for which he is qualified and has the current ability to perform as determined by the Employer.
  - b. If no vacancy at a higher pay grade is available, then any vacancy at an equivalent pay grade for which the Bargaining Unit member is qualified and has the current ability to perform as determined by the Employer.
  - c. If no vacancy at an equivalent pay grade is available, then any vacancy at a lower pay grade for which the Bargaining Unit member is qualified and has the current ability to perform as determined by the Employer.

**D. Bumping Rights - Indefinitely Laid Off Employees**

If no Bargaining Unit position is vacant, a Bargaining Unit member shall bump in order of Bargaining Unit seniority. The sequence of bumping shall be as follows:

1. The least senior Bargaining Unit member in his or her pay grade, provided the bumping employee is qualified and has the current ability to perform as determined by the Employer.
2. A less senior Bargaining Unit member in a lower pay grade, within his or her pay grade grouping, provided the bumped employee is qualified and has the current ability to perform as determined by the Employer.

3. For the purpose of this Article, bargaining unit seniority shall accrue from a Bargaining Unit member's first date of entry into the P&AA/MFT Bargaining Unit. A separate seniority list shall be maintained for full-time and part-time Bargaining Unit members. Should such member remain a College employee by transferring to another bargaining unit, or exempt position, and later transfer back into the P&AA/MFT Bargaining Unit, bargaining unit seniority shall be retained and not accumulate until reentry into the P&AA/MFT Bargaining Unit. If there is a period when a person is not employed by the College and not on layoff status, their bargaining unit seniority shall accrue from the date of the person's reentry into the Bargaining Unit at or after the time of their rehire at the College. A Bargaining Unit member who accepts any position outside of the bargaining unit on a temporary basis can remain outside the bargaining unit for no more than one (1) six (6) month period and still maintain bargaining unit seniority. The Bargaining Unit member's position will not be filled on a permanent basis during the one (1) six (6) month period. After the six (6) month duration, the bargaining unit position must be filled on a permanent basis and follow Article XVII, Vacancies, unless the position is placed on hold or abolished.
4. The Board agrees to issue layoff notices to Bargaining Unit members who are to be laid off for an indefinite period of time by inverse bargaining unit seniority date within the classification to be affected.
5. The Board and Union agree that ties in seniority shall be broken by reference to the following sequence: first by reference to the most recent entered on duty date of each seniority equal bargaining unit member, the earlier date having priority, and finally, if seniority ties shall persist, the last four digits of the Bargaining Unit member's social security number (which appears on their application for employment) shall be examined and priority shall be given to the Bargaining Unit member having the highest last four digit number.
6. The bumping rights of temporary contract Bargaining Unit members shall be restricted to the ability to bump other Bargaining Unit members in temporary positions who have less bargaining unit seniority within their pay grade grouping.
7. Bumping rights will be granted to part-time Bargaining Unit members with three (3) or more continuous years of service at the College. Bumping rights are limited to part-time positions of the same or lower pay grade for which the employee is qualified and has the current ability to perform as determined by the Employer.
8. The Board and the Union agree that bumping rights are restricted to Bargaining Unit members not on probation. A continuing contract or temporary Bargaining Unit member may bump a temporary or probationary Bargaining Unit member, provided the continuing contract or the temporary Bargaining Unit member has greater seniority than the temporary

Bargaining Unit member and is qualified and has the current ability to perform the job duties as determined by the Employer based on the certified education and work history on file with the Human Resource Department as of the date of the layoff notice.

#### E. Compensation Revisions

In a case of reassignment or bumping, there shall be no reduction in the employee's bargaining unit seniority, and the employee shall receive the rate of pay in the classification to which the employee is transferred that is equivalent to his old rate or the next highest rate if no rate is equivalent. If the highest rate of pay in the new classification does not equal the rate of pay that was the employee's when the employee was laid off, the employee shall be paid at the highest rate in that new classification.

#### F. Faculty Vacancies

An employee served with a lay off notice shall be allowed to apply for a vacant, full-time faculty position for which the employee is qualified according to Article XVII, Vacancies, prior to their last day of work. If a full-time faculty position is available, the posting shall specify that preference will be given for previous Wayne County Community College administrative experience. When the employee secures a position as a faculty member, the employee shall be paid according to the current Agreement between the Employer and the Wayne County Community College Federation of Teachers.

#### G. Recall Rights - Indefinitely Laid-Off Employees

1. A full-time Bargaining Unit member shall have the right to be / recalled to a full-time position in the bargaining unit in inverse order of their placement on layoffs for a period not to exceed one (1) calendar year, provided they are qualified and have the current ability to perform as determined by the Employer. A part-time Bargaining Unit member shall have the right to be recalled to a part-time position in the Bargaining Unit in inverse order of their placement on layoff for a period not to exceed one (1) calendar year provided they are qualified and have the current ability to perform as determined by the employer. Bargaining Unit seniority shall continue to accrue during the one (1) calendar year period following their placement on layoff.
2. Any full-time Bargaining Unit member who refuses a call to a full-time position in the bargaining unit shall be removed from the seniority list and shall be deemed a voluntary quit. Any part-time Bargaining Unit member who refuses a call to a part-time position in the bargaining unit shall be removed from the seniority list and shall be deemed a voluntary quit.
3. Notice of recall shall be sent to the laid off employee at his or her last address of record by certified mail or mailgram. A copy of said notice must be mailed to the Union simultaneously.

A recalled employee shall be deemed to have refused a recall if they do not notify the Employer in writing of their acceptance of the recall within ten (10) calendar days of the mailing date of the recall notice.

#### H. Reorganization and Subcontracting

In the event the Employer considers a reorganization plan for the College which would effect members of the Union, it is mutually agreed that the Employer shall meet with the President of the Union to discuss the intended plan. Said meeting shall take place prior to the formal adoption of a reorganization by the Board of Trustees, prior to the delivery of any layoff notice (Article IX, Position Security), and prior to the implementation of the reorganization plan. It is expressly understood that such a meeting shall not be for the reorganization plan's approval or disapproval by the Union but for information and opportunity for input by the President of the Union.

The Employer further agrees to meet with the Union's negotiating team to negotiate the effects on Bargaining Unit members of any adopted reorganization plan.

This provision shall equally apply in the event the Employer decides to subcontract bargaining unit work.

#### I. General Provisions

1. Full-time Bargaining Unit members shall have recall rights only to the classification from which they were laid off or from which they were bumped. Laid off Bargaining Unit members shall be given primary consideration for vacancies which occur during the one (1) calendar year following the effective date of their layoff, for which they are qualified and have the ability to perform the work as determined by the Employer.
2. Bargaining Unit members may choose to accept layoffs without exercising their reassignment options or bumping rights by communicating same, in writing, to the Manager of Labor Relations within ten (10) calendar days of the issue date of the layoff notice.
3. The Employer shall allow a Bargaining Unit member an orientation period of ten (10) working days to acquaint the employee with the work station environment and to familiarize this employee with the duties and responsibilities of the position to which the Bargaining Unit member has been reassigned or bumped to pursuant to the provisions of this Article.

Personal business leave is provided for personal business of a nonprofit nature that cannot be taken care of outside of working hours. Personal business leave days shall not be allowed immediately prior to or immediately following a scheduled holiday or vacation day.

- c. An employee shall report each absence promptly to his immediate supervisor. Whenever possible, an employee shall report the absence before the beginning of the normal work day. The employee shall identify the reason for the absence except in the case of personal business leave. If an employee elects to exhaust their sick leave before receiving short term disability benefits, the employee's disability shall be deemed to have occurred on the 15th work day prior to the exhaustion of the employee's sick leave. Only employees who have more than fifteen (15) accrued sick leave days may avail themselves of this option.
