Section 3. Distribution of Agreement.

The Board will give sufficient copies of said agreement to the Association for distribution to each bargaining unit member plus three (3) additional copies for Association use.

ARTICLE VII. GRIEVANCE PROCEDURE

Purpose.

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievance which may from time to time arise. Both parties agree that those proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

Nothing contained herein will be construed as limiting the rights of any employee having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted consistent with the terms of this agreement and that the Association has been given opportunity to be present at such adjustment.

Procedure.

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered maximum and every effort should be made to expedite the process. If appropriate action is not taken within the time specified the grievance will be deemed settled on the basis of the disposition at the preceding level. The time limits specified may, however, be extended by mutual agreement. In the event a grievance is filed on or after June 1, which, if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable.

Level One.

Within five (5) days, an employee with a grievance will first discuss it with his principal or immediate supervisor, either directly or through the Association's school representative, with the objective of resolving the matter informally.

Level Two.

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within ten (10) school days after presentation of the grievance, he may file the grievance in writing with the chairman of the Association or WESPA designee within five (5) school days after the decision at Level One or fifteen (15) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the chairman or WESPA designee will refer it to the Superintendent of Schools.

The Superintendent or his/her designee will represent the administration at this level of the grievance procedure. Within ten (10) school days after receipt of written grievance, the Superintendent or his/her designee will meet with the aggrieved person in an effort to resolve it.

If the employee does not file a grievance in writing with the Chairman and the written grievance is not forwarded to the Superintendent within thirty (30) school days after the employee knew or should have known of the act or condition on which the grievance is based, then the grievance will be considered as waived.

Level Three.

If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school days after he has first met with the Superintendent, he may file the grievance in writing with the Chairman or WESPA designee within five (5) school days after he has first met with the Superintendent, whichever is sooner. Within five (5) school days after receiving the written grievance, the Chairman or WESPA designee will refer it to the Board. Within ten (10) school days after receiving the written grievance, a committee of the Board will meet with the aggrieved person for the purpose of resolving the grievance. The ultimate decision of the grievance at Level Three will, however, be rendered by the full board.

Level Four.

If the Association or the Board is not satisfied with the disposition of the grievance or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator. If the parties cannot agree as to the arbitrator within five (5) calendar days of the notification date that arbitration will be pursued, he/she shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The arbitrator shall have no power to alter, add to, or to subtract from the terms of this Agreement. Both Parties agree to be bound by the award of the arbitration and agree that

judgment thereon may be entered in any court of competent jurisdiction.

The cost of any arbitrator under this article shall be paid equally by the Association and the Board. All other costs involved shall be paid by the party incurring such costs.

No reprisals of any kind will be taken by either party or by any member of the administration against any party in interest, any school representative, any member of the Association or any other participant in the grievance procedure by reason of such participation.

Any party in interest may be represented at all stages of the grievance procedure by a person of his own choosing, except he may not be represented by a representative or by an officer of any competing organization, other than the Association. When an employee is not represented by the Association, the Association will have the right to be present and to state its views at all stages of the grievance procedure.

Miscellaneous.

A. If in the judgment of the Association, a grievance affects a group of employees, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance will be commenced at Level Two.

B. Decisions rendered at Levels One, Two, and Three of the grievance procedure will be in writing, setting forth the decision and the reasons therefore, and will be transmitted promptly to all parties in interest and to the Chairman.

C. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.

D. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be jointly prepared and given appropriate distribution by the Superintendent so as to facilitate operation of the grievance process.

E. The sole remedy available to any employee for any alleged breach of this agreement or any alleged violation of his rights hereunder will be pursuant to the grievance procedure; provided, however, that nothing contained herein will deprive any employee of any legal right which he presently has. If an employee elects to pursue any legal or statutory remedy, such election will bar any further or subsequent proceedings for relief on the provisions of this Article.

F. In the course of investigation of any grievance, representatives of the Association will report to the

Superintendent and state the purpose of the visit immediately upon arrival.

The resulting adjustment for 1995-96 shall not exceed an adjustment of 1.5% (Total calculated on the 1994-95 Schedule A). The total increase, as per job and seniority, between 1994-95 and 1995-96 shall not exceed 3.5%.

- (2) - After 90 Days
- (3) - 2nd Year
- (4) - 3rd Year

Years Two and Three of Contract: 2.6% added to base plus tie-bar one time payment to enrollment. An aggregate pool of money shall accrue to be divided equally amongst the support staff for a one time pay-out as per the following schedule:

1. Averaged previous Fall plus Spring pupil enrollment count is compared to the current Fall pupil count.
2. Loss of enrollment as determined by the count comparison above will not result in any loss of, or gain, in compensation to support staff employees.
3. Gain of enrollment as determined by the count comparison above will result in a one-time payout of 5% of the per pupil Base Grant (as determined by the State Department of Education State Aid Act in effect when the pupil count is taken in the Fall of the current year during which the determination is made) for each pupil gained in enrollment at WTS in excess of the averaged previous Fall and Spring pupil count up to a maximum amount of \$800 per support staff employee per year two and three of the contract period.

For example: 1994-95 Average enrollment pupil count = 74
 1995 Fall pupil count = 82

Net gain = 8 pupils

5% of \$9,000 = $0.05 \times \$9,000 = \450

8 pupils gained $\times \$450 = \$3,600$

$\$3,600/5 = \720 to each of the five support staff for a one-time pay-out for the 1995-96 school year. This pay-out would be made on the first pay period following the fall count day (as determined by the State of Michigan).

Bus Driver/Extra Trips/Chaperoning

Evening trip driving	\$40	Overnight trip driving	\$75
Evening trip chaperone	\$20	Overnight trip chaperone	\$40

Meals will be reimbursed at the rate of \$4.00 for breakfast, \$6.00 for lunch, and \$8.00 for dinner for out of Whitefish Township School District travel on administratively approved school related travel or business. Reimbursement will be made as soon as possible after receiving receipts.

Extra Trips

Each bus trip that transports students (groups/teams/classes) to separate events, even though the events are on the same day, shall be paid as separate extra trips.

Bus drivers on away events, such as evening or overnight trips, shall receive, in addition to the listed stipend, the appropriate hourly rate for returning students to their homes after away events. Such rates shall be calculated from the actual time elapsed while driving students home from the school to the students' homes and return to school understanding that the route taken will vary according to which students are aboard and which route the driver needs to take to get them home by the most direct route.

The bus driver rate shall be determined the same as the bus driven base. Example: Driver's rate per hour plus 15%.

Pay Differential

For bus driving portion of above jobs, Custodian/Bus Driver and Work Leader/Maintenance/Bus Driver.

For purposes of pay determination for differential duty assignments under one job, the bus driver rate, as determined by the method delineated below, will apply for the actual hours driven on a daily "bus driven base". This "bus driven base" is to be determined mutually by the route drivers and the Superintendent using the immediate three-year past history of the routes; numbers of stops, numbers of passengers, weather conditions and traffic constraints. In the event that the Superintendent and route drivers cannot come to mutual agreement on the hours per day of bus driving on the route in question, the issue will be referred to the Board of Education as soon as possible for a final determination. The bus driven base will apply to all school days when the bus is actually driven.

Example: North route: bus driven base is determined to be 3 hours per day. Therefore, the Bus Driver/Custodian job pays for 3 hours at bus driver rate (higher than Bus Driver/Custodian rate) and 5 hours as custodian.

Route selection shall be as follows: 1995-96 the Bus Driver/Custodian will have the north route, in 1996-97 s/he will have the south route and this will continue on an alternating basis with the Work Leader/Maintenance/Bus Driver taking the opposite route.

Method of determining pay for bus driven base: The route driver's rate of hourly pay plus 15%.
