AGREEMENT

THIS AGREEMENT is made and entered into this 16th day of March, 1998, by and between the ANTRIM COUNTY BOARD OF COMMISSIONERS, hereinafter referred to as the "Employer" and TEAMSTERS STATE, COUNTY AND MUNICIPAL WORKERS, LOCAL 214, hereinafter referred to as the "Union".

RECOGNITION

Section 1.1. Collective Bargaining Unit.

The Employer hereby agrees to recognize the Union as the exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other conditions of employment for all employees of the Employer included in the bargaining unit described below:

All full-time and regular part-time bus drivers, dispatchers, and mechanics employed by Antrim County Transportation, BUT EXCLUDING manager, assistant manager, clerical employees, and all other employees.

Section 1.2. Definitions.

- (a) Full-time Employee. A full-time employee is an employee who is working the Employer's normal workweek on a regular basis.
- (b) Regular Part-time Employee. A regular part-time employee is an employee who is working at least thirty (30) hours per week on a regular schedule.
- (c) Irregular Employee. An irregular employee is an employee not included within the above definitions of full-time or regular part-time employees who is working on any other basis, including temporary, casual, or seasonal employees.

Section 1.3. Employee Status.

An employee's status as a full-time, regular part-time or irregular employee shall not change until an employee has worked for a period of four (4) consecutive weeks in a different employee category as defined in Section 1.2.

Section 1.4. Part-time and Irregular Employees.

The Employer reserves the right to hire and utilize regular part-time and irregular employees from time to time. Irregular employees shall be used to supplement bargaining unit employees and shall not be covered by the terms of this Agreement. The Union recognizes that the performance of bargaining unit work by non-bargaining unit employees shall be permitted and shall not constitute a violation of this Agreement. The Employer agrees that it will not use irregular employees for the sole purpose of avoiding the payment of fringe benefits.

REPRESENTATION

Section 2.1. Collective Bargaining Committee.

The Employer agrees to recognize a collective bargaining committee of the Union comprised of not more than two (2) employee representatives, the steward, and alternate steward. Members of the collective bargaining committee shall act in a representative capacity for the purpose of processing grievances for members of the collective bargaining unit as provided in the Grievance Procedure. Members of the collective bargaining committee shall also meet with the Employer for the purpose of negotiating modifications to this Agreement. The Union may also have non-employee representative present. The Union shall furnish the Employer, in writing, the names of its collective bargaining committee members and alternates before they shall be recognized. Members of the collective bargaining committee must have at least one (1) year of seniority.

Section 2.2. Reporting.

When it is necessary for a collective bargaining committee member or alternate to leave his/her work to handle a grievance in accordance with the Grievance Procedure established in this Agreement, he/she shall first obtain permission from the Director or his designee. Such permission shall not be withheld unreasonably. The collective bargaining committee member or alternate shall return to his/her job as promptly as possible and, upon his/her return, shall immediately report to the Director or his designee. A collective bargaining committee member or alternate who is assigned to the road or other duties which require services outside of the Department facilities shall perform his/her function in a manner which would not require his/her return to the Department facilities for the sole purpose of performing representation functions. In cases of discipline and safety, a collective bargaining committee member shall be made available as soon as practical.

Section 2.3. Lost Time.

The Employer agrees to pay members of the collective bargaining committee for time spent while acting in a representative capacity during the processing of grievances and attending meetings or negotiations with officials of the Employer, but only for the straight-time hours they would have worked on their regular work schedule. The Employer reserves the right to revoke this benefit if members of the collective bargaining committee abuse this privilege. Revocation shall not occur, however, until after the Employer has notified the Union of the abuse and after discussion between the Union and the Employer.

UNION SECURITY

Section 3.1. Agency Shop.

As a condition of continued employment, all employees included in the collective bargaining unit set forth in Section 1.1 shall, upon the execution of this Agreement or

thirty-one (31) days following date of inclusion in the bargaining unit, whichever is later, either become members of the Union and pay to the Union the periodic monthly dues and initiation fees uniformly required of all Union members or pay to the Union a service fee equal to the cost of negotiating and administering this Agreement which shall not exceed the Union's periodic monthly dues. Service fees shall not include initiation fees or special assessments of any kind.

Section 3.2. Union Membership.

Membership in the Union is not compulsory and is a matter separate, distinct, and apart from an employee's obligation to share equally the costs of administering and negotiating this Agreement. All employees have the right to join, not join, maintain, or drop their membership in the Union as they see fit. The Union recognizes, however, that it is required under this Agreement to represent all employees included within the collective bargaining unit set forth in this Agreement without regard to whether or not the employee is a member of the Union. Neither the Employer nor the Union shall exert any pressure upon any employee with regard to such matters.

Section 3.3. Check-off.

(a) During the life of this Agreement, the Employer agrees to deduct periodic monthly Union membership dues, initiation fees, and service fees as applicable from the pay of each employee who voluntarily executes and files with the Employer a proper Check-off Authorization form.

(b) A properly executed copy of the written Check-off Authorization form for each employee for whom Union dues or service fees are to be deducted hereunder shall be delivered to the Employer before any payroll deductions are made.

Deductions shall be made thereafter only under the written Check-off Authorization forms which have been properly executed and are in effect. Any written authorization which lacks the employee's signature will be returned to the Union by the Employer.

(c) All authorizations filed with the Employer shall become effective the first full pay period following the filing of the authorization, provided the employee has sufficient net earnings to cover the dues, initiation fee, or service fee, whichever is applicable.

(d) In cases where a deduction is made which duplicates a payment already made to the Union by an employee, or where a deduction is not in conformity with the provisions of the Union Constitution and By-laws, refunds to the employee will be made by the Union.

(e) The Union shall notify the Employer of the proper amount of Union dues and service fees and any subsequent changes in such amounts. The Employer agrees to furnish the designated financial officer of the Union a monthly record, in duplicate, of those employees for whom deductions have been made, together with the amount deducted.

(f) The Employer's sole obligation under this Section is limited to the deduction of dues, service fees, and initiation fees. If the Employer fails to deduct such amounts as required by this Section, its failure to do so shall not result in any financial obligation whatsoever.

Section 3.4. Hold Harmless.

The Union agrees to indemnify and save harmless the Employer against any and all claims, including but not limited to, such items as wages, damages, awards, fines, court costs, and attorneys' fees that may arise out of or by reason of action taken by the Employer, pursuant to Section 3.1 or Section 3.3.

RIGHTS

Section 4.1. Management's Rights.

It is understood and agreed that the Employer retains and shall have the sole and exclusive right to manage and operate Antrim County Transportation in all of its operations and activities and to establish and administer, without limitation, implied or otherwise, all matters not specifically and expressly limited by this Agreement. Among the retained rights of management, included only by way of illustration and not by way of limitation, are as follows: to determine all matters pertaining to management policy, the services to be furnished, and the methods, procedures, means, equipment, and machines required to provide such services; to determine the nature and number of facilities and departments to be operated and their locations; to eliminate, combine, or establish departments; to determine the number of personnel required and the number of hours required in each employee's work schedule; to establish and change employee work schedules; to eliminate, establish or combine classifications; to hire personnel to direct and control operations; to discontinue, combine or reorganize any part or all of its operations; to maintain safety, order, and efficiency; to continue and maintain its operations as in the past; to study and use different machines or equipment; to employ new or different machines or equipment; to use outside assistance or engage independent contractors, either inside or outside of the Employer's facilities; to establish job descriptions and work standards; to make judgments as to the skill and ability of employees; to determine work loads; to promote, demote, discipline, discharge, layoff or recall personnel; to establish and revise work rules and safety rules and other improper employee actions and inactions; and in all respects to carry out the ordinary and customary functions of management.

All such retained rights may be exercised by the Employer without prior bargaining or notice to the Union; provided, however, these rights shall not be exercised in violation of any specific provision of this Agreement.

Section 4.2. Rules and Regulations.

The Employer has the right to establish reasonable rules and regulations not inconsistent with this Agreement.

GRIEVANCE PROCEDURE

Section 5.1. Definition of Grievance.

A grievance shall be defined as a complaint filed by an employee covered by this Agreement or by the Union concerning the application or interpretation of a specific provision or provisions of this Agreement as written.

Section 5.2. Grievance Procedure.

It is mutually agreed that all grievances shall be handled in the following manner:

(a) Step 1. Oral Procedure. An employee with a grievance shall discuss the matter with the manager (or designated representative) within three (3) days from the time of the occurrence of the events giving rise to the grievance or within three (3) days from the time that the employee involved first knew or should have known of the facts giving rise to the grievance or within three (3) days from the time that the employee involved first knew or should have known of the facts giving rise to the complaint. Such discussion shall not occur during work hours unless otherwise approved by the Employer. If requested by the employee, the steward may be present. The manager (or designated representative), shall give the employee concerned an oral answer to the grievance within three (3) days of the discussion. Every effort shall be made to settle the grievance in this manner.

(b) Step 2. Written Procedure. If the grievance is not satisfactorily settled in the Oral Procedure, the complaint shall be reduced to a written grievance within

five (5) days of the oral answer and submitted to the manager (or designated representative). The grievance shall be signed by the employee and shall indicate the Section or Sections of this Agreement in dispute and shall set forth facts giving rise to the grievance and the relief requested. The preparation of a written grievance and discussion of such grievance shall not occur during working time unless otherwise approved by the manager. The manager (or designated representative), the employee and the steward and/or a non-employee representative of the Union, shall meet to discuss the grievance in an effort to settle same. The manager (or designated representative) shall place an answer on the written grievance within seven (7) working days following the date the grievance was submitted at this Step and return it to the employee.

(c) Step 3. Appeal. If the grievance is not satisfactorily resolved at Step 2, it may be appealed by submitting the grievance to the Personnel Committee of the Employer within five (5) days following receipt of the Employer's Step 2 answer. Within ten (10) days of the appeal, a meeting shall be held between representatives of the Employer and the Union Bargaining Committee. Either party may have non-employee representatives present if desired. If the meeting cannot be scheduled within the ten (10) day period, it shall be scheduled at the mutual convenience of the parties. The Employer will answer the grievance within five (5) days after the meeting.

Section 5.3. Time Limitations.

The time limits established in the Grievance Procedure shall be followed by the parties. If the Union fails to present a grievance in time or to advance to the next Step in a timely manner, it shall be considered to be withdrawn. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next Step, but excluding arbitration. The time limits established in the Grievance Procedure may be extended by mutual agreement, provided the extension is specified.

Section 5.4. Grievance Resolution.

All grievances which are satisfactorily resolved at Step 1 or Step 2 of the Grievance Procedure if the grievance has economic implications, other than for wage claims pursuant to the provisions of this Agreement, must be approved, in writing, by the Board of Commissioners at its next regularly scheduled monthly meeting before they shall be final. The time limitations set forth in the Grievance Procedure shall be stayed during the period in which grievances are referred to the Board of Commissioners under this Section. If the resolution of a grievance is not approved, the Union shall have fifteen (15) days following receipt by the Union of notice of the County Board of Commissioners' action to request arbitration.

Section 5.5. Time Computation.

In computing days under the Grievance Procedure, Saturdays, Sundays, and holidays recognized under this Agreement shall be excluded.

Section 5.6. Multiple Grievances.

Multiple grievances may be presented at an arbitration hearing by mutual agreement of the parties.

Section 5.7. Grievance Settlements.

With respect to the processing, disposition, or settlement of any grievance initiated under this Agreement, and with respect to any court action claiming or alleging a violation of this Agreement, the Union shall be the sole and exclusive representative of the employee or employees covered by this Agreement. The disposition or settlement by and between the Employer and the Union of any grievance or other matter shall constitute a full and complete settlement thereof, and shall be binding upon the Union and its members, the employee or employees involved, and the Employer. The satisfactory settlement of all grievances shall be reduced to writing and shall be written

on or attached to each copy of the written grievance and signed by the representatives involved. Unless otherwise expressly stated, all such settlements shall be without precedent for any future grievance.

ARBITRATION

Section 6.1. Arbitration Request.

If the grievance is not satisfactorily resolved in Step 3, the Union may request arbitration by notifying the Director, in writing, of its intent to arbitrate within ten (10) days after receipt of the Employer's answer in Step 3. If the Union does not notify the Employer of its intent to arbitrate in the manner provided, the grievance shall be deemed to be settled on the basis of the Employer's last disposition.

Section 6.2. Selection of Arbitrator

If a timely request for arbitration is filed by the Union, the parties to this Agreement shall promptly select, by mutual agreement, one (1) arbitrator who shall decide the matter. If the parties are unable to agree upon an arbitrator, the arbitrator shall be selected by each party alternately striking a name from a panel of seven (7) arbitrators submitted by the Federal Mediation and Conciliation Service. Either party to this Agreement may reject the first list submitted by the Federal Mediation and Conciliation Service, provided the party which does so must immediately request a new list. The remaining name shall serve as the arbitrator, whose fees and expenses shall be shared equally by the Employer and the Union. Each party shall pay the fees, expenses, wages, and any other compensation of its own witnesses, representatives and legal counsel.

Section 6.3. Arbitrator's Powers.

The arbitrator's powers shall be limited to the application and interpretation of this Agreement. The arbitrator shall have no power or authority to alter or modify this Agreement in any respect, directly or indirectly, or any authority to hear or determine any

dispute involving the exercise of any of the Employer's inherent rights not specifically limited by the express terms of this Agreement. Further, the arbitrator shall not be empowered to consider any question or matter outside this Agreement, to change or set a wage rate, or to pass upon the propriety of verbal warnings administered to employees covered by this Agreement. If the issue of arbitrability is raised, the arbitrator shall decide only the merits of the grievance if arbitrability is affirmatively decided. The arbitrator's decision shall be final and binding upon the Union, the Employer, and employees in the bargaining unit.

Section 6.4. Arbitration Decisions.

- (a) Claims for back wages shall be limited to the amount of wages the employee would otherwise have earned, less any unemployment or other compensation that he may have accrued from any source during the period of back pay.

DISCIPLINARY PROCEDURE

Section 7.1. Just Cause.

The Employer shall not discharge or discipline a non-probationary employee, except for just cause. The Employer agrees to use progressive and corrective discipline, where appropriate. The Union acknowledges, however, that progressive discipline need not be utilized for major infractions.

Section 7.2. Counseling Memoranda.

The Union acknowledges that counseling memoranda may be utilized by the Employer. Counseling memoranda shall not be construed as disciplinary action.

Section 7.3. Record.

In imposing discipline on a current charge, the Employer will not take into account any disciplinary action which occurred more than two (2) years previously.

Section 7.4. Notice of Disciplinary Action.

Within three (3) days following the disciplinary suspension or discharge of a non-probationary employee, the Employer will notify a collective bargaining committee member, in writing, of the reasons therefor and will, within the same period of time, cause a copy to be issued to the employee involved.

Section 7.5. Leaving Premises.

Whenever possible, the discharged or suspended employee will be allowed to discuss his/her discharge or suspension with a collective bargaining committee member before an employee is required to leave the property of the Employer, and the Employer will make available an area where this may be done in private.

Section 7.6. Expedited Grievance.

Should an employee who has been discharged or suspended consider such discipline to be improper, any grievance must be processed initially at Step 3 of the Grievance Procedure within three (3) days of receipt of written notice of discipline by a collective bargaining committee member. The Union may file the grievance on behalf of the employee so disciplined.

SPECIAL MEETINGS

Section 8.1. Special Meetings.

The Employer and the Union agree to meet and confer on matters of clarification of the terms of this Agreement upon the written request of either party. The written request shall be made in advance and shall include an agenda stating the nature of the matters to be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the agenda, but it is understood that these special meetings shall not be for the purpose of conducting continuing collective bargaining negotiations, nor to in any way modify, add to, or detract from the provisions of this Agreement,

except by mutual agreement of the parties. Special meetings shall be held within fourteen (14) days of receipt of the written request at a time and place which is mutually agreeable to both parties.

WORK STOPPAGES AND ILLEGAL ACTIVITY

Section 9.1. No Strike Pledge.

The Union agrees that during the term of this Agreement neither it nor its officers, representatives, members, or employees it represents shall, for any reason whatsoever, directly or indirectly, call, sanction, counsel, encourage, or engage in any strike, walk-out, slow-down, sit-in, or stay-in nor shall there be any concerted failure by them to report for duty. The Union shall not cause, authorize, sanction, or condone, nor shall any employee covered by this Agreement take part in any picketing of the Employer's buildings, offices, or premises, or in any picketing whatsoever to publicize a dispute with the Employer while this Agreement remains in full force and effect, including any extensions.

Section 9.2. Penalty.

Any employee who violates the provisions of Section 9.1 shall be subject to discipline by the Employer, up to and including discharge. Any appeal to the Grievance and Arbitration Procedures regarding discipline imposed for a violation of Section 7.0 shall be limited to the question of whether the employee or employees did, in fact, engage in any activity prohibited by Section 9.1.

Section 9.3. No Lockout.

During the life of this Agreement, the Employer, in consideration for the promise on behalf of the Union and the employees it represents to refrain from the conduct prohibited by Section 9.1, agrees not to lock out any employees covered by this Agreement.

SENIORITY

Section 10.1. Definition of Seniority.

Seniority shall be defined as the length of an employee's continuous service with the Transportation Department as a full-time or regular part-time employee since his/her last date of hire. Any and all time worked as an irregular employee shall not be counted towards length of continuous service in determining an employee's seniority. Regular part-time employees shall have no seniority preference vis-a-vis full-time employees. For purposes of benefits predicated on length of service, all seniority with Antrim County as defined above shall be counted. The application of seniority shall be limited to the preferences and benefits specifically recited in this Agreement.

Section 10.2. Probationary Period.

All new full-time and regular part-time employees shall be considered to be on probation and shall have no seniority for the first six (6) calendar months of employment following their first day of work for Antrim County Transportation. Until an employee has completed the probationary period, he/she may be disciplined, laid off, recalled, terminated, or discharged at the Employer's discretion without regard to the provisions of this Agreement and without recourse to the Grievance Procedure set forth in this Agreement. Provided, however, once an employee has served such probationary status as a new regular part-time or regular full-time employee, he/she shall not be subject to serve such probationary period again unless said employee's seniority is terminated pursuant to Section 10.4 below.

The time an employee spends on disability leave or worker's compensation leave within the probationary period shall not count toward the six (6) month probationary period.

Section 10.3. Seniority List.

The Employer shall maintain and post a roster of employees, arranged according to seniority, showing name, classification, date of hire, and bargaining unit seniority. An up-to-date copy of the seniority list shall be furnished to the Union steward in January of each year and at any time changes are made to the current seniority list. The Local Union shall receive a copy in January.

Section 10.4. Loss of Seniority.

An employee's seniority and employment relationship with the Employer shall terminate for any of the following reasons:

- (a) If the employee quits or retires.
- (b) If the employee is discharged and not reinstated by the Grievance Procedure.
- (c) If the employee is absent from work for three (3) consecutive working days without notifying the Employer. In proper cases exceptions shall be made upon the employee producing convincing proof of his/her inability to give such notice.
- (d) If the employee fails to report for work on the required date following recall to work from layoff in accordance with the procedures established in this Agreement, unless the employee provides convincing proof of his/her inability to report to work on the required date.
- (e) If the employee fails to return to work on the scheduled dates or return from a leave of absence, disciplinary suspension, or vacation, unless the employee provides convincing proof of his/her inability to return on the scheduled dates.
- (f) If the employee is on layoff status consecutively for a period of eighteen (18) months or the length of his/her seniority, whichever is less.

(g) If the employee is on a disability leave, including a worker's compensation leave for a period of eighteen (18) months or the length of his/her seniority, whichever is less.

Section 10.5. Job Vacancies.

When a new position is created or a vacancy occurs within the department, it will be offered to employees within the department, as well as other qualified applicants. Any vacated position the Employer intends to fill shall be posted within five (5) working days of a vacancy existence. In the posting of the notice of the opening, the Employer will set forth the requirements and necessary qualifications for the job. If two or more individuals are similarly qualified for the job, the employee with the most seniority shall be given preference for the job vacancy. The Employer will fill vacancies as soon as possible, when need for such action is necessary, as determined and/or established by the Employer.

Section 10.6. Assignment to a Non-bargaining Unit Position.

A full-time or regular part-time employee covered by this Agreement who is transferred or assigned to a position or employee category not covered by this Agreement shall continue to be afforded the rights and privileges provided in this Agreement pertaining to discipline and safety for bargaining unit employees for a period of six (6) months following the date of such assignment or transfer. If during such six (6) month period the employee has not returned to the bargaining unit, he/she shall no longer be covered by the terms and conditions of this Agreement and shall be considered a non-bargaining unit employee.

An employee who is assigned or transferred to a non-bargaining unit position shall retain whatever seniority he/she may have prior to the assignment or transfer. However, no additional seniority will be accumulated beyond the four (4) consecutive weeks specified in Section 1.3.

Section 10.7. Seniority and Benefit Accumulation.

Seniority shall continue on all approved leaves of absence, unless otherwise specifically provided for in one of the Leave of Absence sections of this Agreement. Benefits such as insurance, vacation, and personal leave shall not accrue, continue, or be paid during any leave of absence, unless otherwise specifically provided in one of the Leave of Absence sections of this Agreement. There shall be no duplication or pyramiding of leave benefits or types of leaves of absence.

LAYOFF AND RECALL

Section 11.1. Layoff.

All reductions in the work force shall be accomplished in the following manner:

- (a) No full-time, regular part-time, or probationary employee shall be laid off from his/her position in the Department while any temporary or irregular employees are serving in any position in the Department. The Employer shall attempt to provide employees with at least seven (7) calendar days' notice prior to the layoff of such employees.
- (b) The first employees to be laid off shall be probationary employees in the classification affected. Thereafter, further layoffs from the affected classification shall be accomplished by laying off regular part-time employees by the inverse order of their seniority; provided, however, the remaining senior employees have the necessary training, ability, and experience to perform the required work and work the required hours. In the event further reductions in the work force are necessary, full-time employees in the classification affected shall be laid off in the inverse order of seniority.
- (c) Upon being laid off from his/her classification, an employee who so requests shall, in lieu of layoff, be reduced to a lower or equal classification in the Department; provided, however, that he/she has more seniority than the employee

who he/she is to replace, and he/she has the necessary training, experience, and ability to perform the required work. Full-time employees who are laid off may, according to their seniority, be reduced to part-time status. Any request to be reduced in classification or hours must be made within three (3) days of the date the notice of layoff is issued. For purposes of this Section only, Dispatcher and Driver shall be considered equal classifications.

(d) Employees who are reduced in classification in lieu of layoff shall initially be paid the same salary step in the lower classification to which he/she has been reduced.

Section 11.2. Recall.

In the event the work force is increased, recall to work shall be in the reverse order of layoff from the positions affected, provided the employees have not lost seniority.

Section 11.3. Notification of Recall.

Notification of recall from layoff shall be sent by certified mail, return receipt requested, to the employee's last known address. The notice shall set forth the date the recalled employee is expected to return to work. Employees who decline recall or who, in the absence of extenuating circumstances, fail to respond within seven (7) days of the date the notice was sent shall be presumed to have resigned, and their names shall be removed from the seniority and preferred eligibility lists.

LEAVES OF ABSENCE

Section 12.1. Procedure for Requesting Personal Leaves.

Requests for a personal leave of absence must be submitted, in writing, by the employee to the Director at least thirty (30) days in advance of the date the leave is to commence, except in emergency situations. The request for the leave of absence shall state the reason for the leave and the exact dates on which the leave is to begin and end. Authorization or denial of a leave of absence shall be furnished to the employee, in

writing, by the Employer. Any request for an extension of a leave of absence must be submitted, in writing, to the Employer at least ten (10) days in advance of the expiration date of the original leave, if possible, stating the reasons for the extension request and the exact revised date the employee is expected to return to work. Authorization or denial of the extension request shall be furnished, in writing, to the employee by the Employer. Authorization of leave of absence under this Section shall not be withheld unreasonably.

Section 12.2. Purpose of Leave.

It is understood by the parties that leaves of absence are to be used for the purpose intended, and employees shall make their intent known when applying for such leaves. There shall be no duplication or pyramiding of benefits or types of absence. Employees shall not accept employment while on leaves of absence, unless agreed to by the Employer. Acceptance of employment or working for another employer without prior approval while on leave of absence may result in discipline, up to and including discharge. All leaves of absence shall be without pay, unless specifically provided to the contrary by the provisions of the Leave section involved.

Section 12.3. Active Military Leave.

Any full-time and non-probationary employee who enters active service of the Armed Forces of the United States shall receive a military leave without pay. An employee returning from military service shall be re-employed in accordance with the applicable federal and state statutes, and shall be entitled to any other benefits set forth in this Agreement.
