COLLECTIVE BARGAINING AGREEMENT

This Agreement is entered into by and between the Bath Community Schools Board of Education and the Ingham-Clinton Education Association (ICEA/MEA/NEA).

The ICEA hereby designates the Bath Education Association as its local agent for purposes of contract administration. It is expressly recognized that the rights negotiated in this Agreement shall only accrue to those teachers employed by the Bath Board of Education.

ARTICLE 1: PURPOSE AND RECOGNITION

- A. **PURPOSE** - The general purpose of this Agreement is to set forth the terms and conditions of employment for the members of the bargaining unit and to promote orderly and peaceful labor relations.
- B. **RECOGNITION** - The Employer recognizes ICEA as the sole and exclusive bargaining representative of all employees in the bargaining unit for the purpose of collective bargaining with respect to wages, hours, and other terms and conditions of employment.

Including: All full-time and regularly scheduled part-time certified K-12 teachers employed by the Employer for the regular school year.

Excluding: Substitute teachers, teachers' aides, athletic director and all other employees.

- C. **LIMITATIONS** - The Board agrees not to negotiate with a teacher organization other than the Association for the duration of this Agreement.

ARTICLE 2: EMPLOYER RIGHTS AND RESPONSIBILITIES

- A. **EMPLOYER RIGHTS** - The Employer, on its own behalf and on behalf of the electors of the school district, reserves unto itself all rights, authority and discretion conferred upon it or vested in it by the laws and constitutions of the State of Michigan and the United States to control, supervise and manage the school district and its employees except as specifically limited by the express terms and provisions of this Agreement.
- B. **EMPLOYER RESPONSIBILITIES** - The Employer agrees to cooperate with the Association in the application of this Agreement and further agrees that it will not engage in any lockout or related activity during the term of this Agreement.

ARTICLE 3: ASSOCIATION RIGHTS AND RESPONSIBILITIES

- A. **ASSOCIATION RIGHTS** - In order to facilitate the administration of this Agreement, the Association shall have, in addition to other rights expressly set forth herein or provided by statute, the following rights:
1. **Meeting Facilities** - The use of Employer facilities at reasonable hours for the conduct of meetings of the BEA upon prior notification to the building principal, provided that such use shall not interfere with the primary educational use of the facilities and provided further that when special custodial or other services are required, the Employer may make a reasonable charge therefor.
 2. **Employee Communications** - The Association shall have the right to communicate with bargaining unit members through the use of designated bulletin boards. The Association, through its designated local agents, shall have the right to access teacher mailboxes for purposes of communicating with bargaining unit members, provided, that this shall not require school administrative or clerical personnel to distribute such items through school mail services. All materials shall bear the name of

the Association and the name of the person authorizing the posting or distribution thereof. No Association materials relating to Employer-Employee relations shall be displayed on or about the physical facilities of the Employer except on designated bulletin boards, and no displayed material shall be derogatory to the Employer or any employee.

3. **Requested Information** - The Employer shall furnish the Association such information as required by law for the negotiation or administration of the Collective Bargaining Agreement. The Employer shall also furnish information concerning the financial resources of the District, tentative budgetary requirements and allocations and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of bargaining unit members and their students, together with information which may be necessary for the Association to process any grievance or complaint. Any cost incurred by the Employer in providing such information shall be paid by the Association.

B. **ASSOCIATION RESPONSIBILITIES** - The Association shall have, in addition to other responsibilities expressly set forth herein or provided by law, the following responsibilities:

1. **Association Representatives** - The Association shall promptly notify the Employer in writing of the names of those persons who have been authorized to act on its behalf and the authority of each such person, which notice shall remain in effect until superseded by a new written notice.
2. **Concerted Activities** - The Association agrees that it will in good faith cooperate with the Employer in attempting to assure that reasonable work standards, schedules and the rules and regulations of the Employer are complied with and that it will not directly or indirectly encourage, permit or cause any concerted work stoppage, slowdown, strike or other interference with the day-to-day operation of the Employer during the term of this Agreement.

3. **Association Activities** - Except by the express agreement of the Employer, the performance of the duties of any employee shall not be interrupted for the purpose of conducting any Association activities whatsoever, provided, however, that this provision shall not prevent an authorized representative of the ICEA from having such reasonable contact with members of the bargaining unit as shall be necessary to ascertain that the terms of this Agreement are being observed.

ARTICLE 4: MEMBERSHIP FEES AND PAYROLL DEDUCTIONS

- A. Within thirty (30) days of the beginning of their employment, employees shall sign and deliver to the Employer an assignment authorizing deduction of membership dues or assessments of the National Education Association, Michigan Education Association and the Bath Education Association.
- B. Such authority to deduct dues shall continue in effect from year to year unless such is revoked in writing between June 1 and September 30 of any year.
- C. The BEA shall, prior to the first Friday of the school year, give written notification to the Business Office of the amount of the dues which are to be deducted in that school year under such authorization. Dues shall be deducted in ten (10) equal installments from the second regular salary check of the employer each month beginning in September and ending in June. The amount of such dues shall not be subject to change more than once during the school year.
- D. With respect to all sums deducted by the Employer pursuant to authorization of the employee, the Employer agrees to promptly remit to the Association treasurer such sums accompanied by a list of employees for whom such deductions have been made.
- E. It is hereby agreed that it is the sole responsibility of the Association to secure such dues deduction permission and present a certified list of all members prior to the first payroll dues deduction.

- F. The right to refund to employees monies deducted from their salaries under such authorization shall lie solely with the Association. The Association agrees to reimburse any employee for the amount of any dues deducted by the Employer and paid to the Association, which is by error in excess of the proper deduction.

ARTICLE 5: AGENCY SHOP

- A. Any bargaining unit member who is not a member of the Association or who does not make application for membership within thirty (30) days from the first day of active employment shall, as a condition of employment, pay a Representation Benefit Fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the Association's Administrative Procedures adopted pursuant to that policy. The Representation Benefit Fee shall not exceed the amount of the Association dues collected from Association members. The bargaining unit member may pay such a fee directly to the Association or authorize payment through payroll deduction, as herein provided. In the event that the bargaining unit member shall not pay such Representation Benefit Fee directly to the Association, or authorize payment through payroll deduction, the Employer shall, upon completion of the procedures contained in Section D of this Article and pursuant to MCLA 408.477; MSA 17.277 (7) and at the request of the Association, deduct the Representation Benefit Fee from the bargaining unit member's wages and remit same to the Association.
- B. In the event that the Board is prohibited by legal decision to deduct the service fee from a bargaining unit member who does not authorize the deduction of the Representation Benefit Fee, the employer, at the request of the Association, shall terminate the employment of such bargaining unit member upon completion of the procedures contained in Section D of this Article. The parties expressly agree that the failure of any bargaining unit member to comply with the provisions of this Article is just cause for discharge from employment.

- C. The Association has established a "Policy Regarding Objections to Political-Ideological Expenditures." That Policy (a copy of which shall be provided each non-union bargaining unit member by the Association), and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-union bargaining unit members. The remedies set forth in such policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement.
- D. The Association in all cases of mandatory fee deduction pursuant to MCLA 408.477; MSA 17.277 (7) shall notify the teacher of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for wage deduction may be filed with the Board in the event that compliance is not effected. If the teacher fails to remit the service fee or authorize deduction for same, the Association may request the Board to make the deduction. The Board upon receipt of the request for an involuntary deduction shall provide the teacher with an opportunity for a due process hearing limited to the question of whether or not the teacher has remitted the service fee to the Association or authorized payroll deduction for same.
1. In the event, as provided in paragraph B, the Association requests the Board to terminate the employment of a bargaining unit member for violating this Article, the Association shall first notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for discharge may be filed with the Employer in the event compliance is not effected. If the bargaining unit member in question denies that he/she has failed to pay the Service Fee, then he/she may request, and shall receive, a hearing before the employer limited to the question of whether he/she has failed to pay the Service Fee.

- E. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year. Consequently the parties agree that the procedures in the Article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Association's notification to non-members of the fee for that given school year. At such time the Association will certify that it believes the fee includes only those amounts permitted by law. In such event, it is agreed that the employee remains obligated for the entire annual representation fee.
- F. The Association shall indemnify and save the Board harmless against and from any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of action taken by the Board for the purpose of complying with the Association security/agency shop provision of this Article. The Association shall, when the Board is sued individually or jointly, make available competent legal counsel for such defense at the expense of the Association and the Michigan and National Education Associations. The Association shall have the right to negotiate a settlement with any teacher whose wages have been subject to involuntary deduction or who has been terminated under the provisions of this Article.

ARTICLE 6: EMPLOYEE RIGHTS

- A. Nothing contained herein shall be construed to deny or restrict to any employee rights he may have under the Michigan General School Laws. The rights granted to employees hereunder shall be deemed to be in addition to those provided elsewhere.

- B. **CITIZENSHIP RIGHTS** - An employee is entitled to full rights to citizenship and no religious or political activities of the employee or the lack thereof, or the private and personal life of an employee shall constitute grounds for any discipline or discrimination with respect to the professional employment of the employee, except as such conduct or activity shall materially interfere with the discharge of the employee's professional responsibilities. No employee shall be prevented from wearing an insignia, pin or other identification of membership in the Association. Both parties agree that under no circumstances shall students be involved in the activities of the parties with respect to Employer-employee relations.
- C. The employer shall not direct or require an employee to violate any Federal law, State law, or State regulation.
- D. **DISCIPLINARY ACTION** - Any disciplinary action against an employee shall be taken in accordance with the following guidelines, namely:
1. The employee shall be advised as to the specific violation which is alleged for which disciplinary action is to be taken.
 2. The Employer shall affirmatively advise an employee that the employee has the right to have a representative of the Association present at a formal conference at which the employee is to be disciplined, provided that the conference need not be delayed for an unreasonable time until such representative can be present and in no event shall the Employer be restricted from taking such protective action as the Employer may determine to be necessary to protect the rights of students and others pending the holding of the formal conference. For the purpose of this provision, a formal conference is defined as one that has been prearranged. Disciplinary action shall be taken only in a formal conference as defined above.
 3. If the violation concerns the character of the professional services of the employee, the employee shall be advised as to the corrective action to be taken and be given a reasonable time within which to take such corrective action, unless the nature of the misconduct would materially prejudice the rights of students or create a material safety hazard.

4. Discipline shall include, but not be confined to, an oral or written reprimand, suspension, demotion or discharge and, except as the seriousness of an offense shall otherwise require, shall be progressively applied.
 5. No disciplinary action shall be taken except for just cause and all disciplinary action shall be subject to review under the Grievance Procedure.
 6. Teachers will initial any document that is disciplinary in nature before it is placed in their personnel file. Said initialing only signifies knowledge of the insertion not agreement with the action. Teachers will be notified in the event that someone has requested a copy of their file. Any disciplinary action that is more than four (4) years old will be removed from the file provided that there is no other disciplinary action of a similar nature in the file.
- E. An employee shall have the right to know of any complaint made against him by a parent or other person. Before any complaint is investigated, it will be brought to the attention of the employee. The administrator may use discretion as to the source of the complaint. A complaint in itself shall not be used as the basis for disciplinary action against an employee. However, factual results found from investigating a complaint may be used as a basis for disciplinary action. Also, a complaint in itself, shall not be incorporated in an employee's personnel file or mentioned in the employee's written observation report.
- F. **PERSONNEL FILES** - The Employer shall cause a personnel file to be established and maintained for each employee, which file shall be the sole official file, in accordance with the following guidelines, namely:
1. An employee shall have the right to review the contents of his personnel file during regular business hours upon prior arrangement with the administration. A representative of the Association may accompany the employee at the request of the employee. The file shall be reviewed in the presence of a representative of the Employer. Any references received by the Employer are done with the understanding that such references would remain confidential and shall not be subject to review.

2. After the date of employment, an employee shall be given notice of the Employer's intention to insert any materials in his personnel file which adversely reflect on the character of the employee's professional services.
3. An employee may request in writing that material which the employee claims to be erroneous be removed from his file. Such written request shall set forth the factual basis for such claim. If the employer shall fail within twenty (20) calendar days from receipt of such request to comply therewith, the employee shall insert in his file a written statement, or other relevant material, concerning the material to which an objection has been made. The objectionable material shall be appropriately marked to show the existence of the employee's filing, and the material to which an objection has been made and shall be attached to and released only with the material filed by the employee. The parties agree that unsubstantiated or erroneous statements shall be amended.

ARTICLE 7: GRIEVANCE PROCEDURE

- A. It is the policy of the Employer to deal fairly and promptly with all grievances of employees. The employee may be represented by the Association at any step of this procedure, provided that nothing contained herein shall be construed to prevent any individual employee from presenting a grievance adjusted, without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, and provided further that the Association has been given opportunity to be present at such adjustment. The employee may use the grievance procedure without fear of reprisal.
- B. A grievance under this Agreement shall be defined as an alleged violation, misinterpretation or misapplication of the written terms of this Agreement.
- C. The term "days" as used herein shall mean days in which school is in session, except that after the end of the school year, days shall refer to week days.

D. **LEVEL I** - In the event that an employee or group of employees believe there is a basis for a grievance, the employee shall first discuss the alleged grievance with his building principal either personally or accompanied by his Association representative.

E. **LEVEL II**

1. If as a result of the information discussion a grievance still exists, the employee may invoke the formal grievance procedure by reducing the grievance to writing on a form provided by the Association representative in each building. The grievance must be filed within fifteen (15) days of the alleged violation or within fifteen (15) days of reasonable discovery thereof. The grievance shall include an explanation of the grievance, the Articles violated and the relief requested. A copy of the grievance form shall be delivered to the building principal. If the grievance involves more than one school building, it may be filed with the Superintendent.
2. Within five (5) days of receipt of the grievance, the principal shall arrange a meeting with the Chairperson of the Grievance Committee and the grievant in an effort to resolve the grievance.
3. Within five (5) days after such meeting, the Principal shall record his disposition of the grievance with explanation on all four (4) copies of the grievance form and return three (3) copies to the Grievance Committee.

F. **LEVEL III**

1. If the Grievance Committee or grievant is not satisfied with the disposition of the principal, the grievance may be submitted to the Superintendent within five (5) days of receipt of the principal's written response.
2. Within ten (10) days of receipt of the written grievance, the Superintendent will arrange with the Chairperson of the Grievance Committee (or grievant, if individually processing the grievance) for a conference on the grievance.
3. The Superintendent shall indicate his disposition of the grievance in writing within five (5) days of such conference and shall furnish a copy thereof to the grievant and Grievance Committee.

- G. **LEVEL IV** - If the Association is not satisfied with the disposition of the grievance by the Superintendent, the grievance may be submitted to arbitration, if such request is made within fifteen (15) days from the receipt of the Superintendent's response. The arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceedings. The arbitrator shall have no authority to:
1. Alter, add to or subtract from the terms of this Agreement.
 2. Rule on the non-renewal of a probationary teacher or imposition of a third year of probationary status due to unsatisfactory performance.
 3. Both parties agree to be bound by the award of the arbitrator.
 4. Consider a complaint or charge filed in a state or federal administrative agency or court relating to or arising out of the same facts or allegations as a grievance which is currently pending. The grievance shall be withdrawn with no right to re-file the grievance.
- H. The fees and expenses of the arbitrator shall be shared equally by the parties.
- I. Within thirty (30) days after the close of the hearing, or the date for filing post-hearing briefs, if so desired by either party, the arbitrator shall issue his decision.
- J. If two (2) or more grievances arising out of the same or similar factual circumstances are submitted to arbitration, they shall be heard concurrently by the same arbitrator if possible.
- K. An extension may be granted at any step of the grievance procedure by mutual consent.

ARTICLE 8: STUDENT DISCIPLINE AND TEACHER PROTECTION

- A. An attendance/discipline committee shall be established to review current policies and to establish a district-wide policy on attendance and discipline.
- B. The committee shall be composed of three (3) administrators, three (3) teachers (one [1] from each building) chosen by the Association, one (1) parent (from each level), one (1) student and members of the Board of Education. No compensation will be associated with participation on this committee.
- C. Once the committee has reached a conclusion, the committee shall make recommendations to the Board of Education for final disposition.
- D. The Employer recognizes its responsibility to continue to give administrative backing and support to its employees with respect to the maintenance of control and discipline, although, each employee bears the primary responsibility for maintaining proper control and discipline in the classroom.

The employees recognize that all disciplinary action and methods invoked by them shall be reasonable and just.

It shall be the responsibility of the employee to report to his principal the name of any student who, in the opinion of the employee, needs particular assistance from skilled personnel. The employee and the principal shall discuss the disposition of the employee's report that a particular student needs such assistance.

- E. An employee shall have the right to temporarily exclude a pupil from class when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such a case, the teacher will complete a Misconduct Form giving the nature of the offense(s) and send the form to the office with the student or as soon thereafter as possible. Prior to the return of the student to that classroom, the Principal shall complete the form and return it to the teacher.

- F. Any case of assault upon an employee shall be promptly reported to the Employer or a designated representative. The Employer will provide legal counsel to the extent provided by the Board's liability insurance policy and advise the employee of his rights and obligations with respect to such assault and shall render all reasonable assistance to the employee in connection with the handling of the incident by law enforcement and judicial authorities.
- G. If any employee is complained against or sued by reason of disciplinary action taken by the employee against a student while in the course of his employment and while acting within the scope of this authority, the Employer will provide legal counsel to the extent provided by the Board's liability insurance policy and render all reasonable assistance to the employee in his defense.
- H. When an employee becomes aware of any loss, damage or destruction of clothing or personal property (minimum of \$5) happening while on duty in the school, the employee will notify the building principal. At such time the building principal will cause (activate) a committee composed of two employees and two administrators. The loss, damages, or destruction of property will be discussed with the employee. Should such loss, etc. be found due to no negligence on the part of the employee, the Employer will then reimburse the employee the difference between any school and/or private insurance coverage to compensate the employee for said loss and/or damage.
- I. Time lost by an employee in connection with an incident mentioned in this Article shall not be charged against the employee.

ARTICLE 9: EMPLOYEE EVALUATION

- A. Each employee, upon employment or at the beginning of the school year, whichever is later, shall be informed of the specific criteria upon which he shall be evaluated.
- B. It shall be an administrative responsibility to assist employees to become oriented to the district and improve instruction through direct observation of the employee's work and providing written summaries of those observations together with any recommendations the administrator may have for the employee.

- C. The performance of all employees shall be evaluated in writing as follows:
1. Probationary employees shall be evaluated at least twice each year: Once during the first semester on or before December 1, and once during the second semester on or before March 15.
 2. Tenured employees shall be evaluated every other year. Should the Administration elect to forego the evaluation, the employee will be notified of such in writing and the employee may assume that his/her performance is satisfactory. More frequent evaluations may occur when the teacher is on a plan of assistance. The instrument to be used for the evaluation appears in appendix a.
 3. Observations shall be conducted by the Principal or the Assistant Principal. Any exception shall be mutually agreed upon by the employee and the Superintendent. The athletic director, principal and head coach may be involved in the evaluation of coaches. Head coaches may be involved in the evaluation of their assistant coaches.
 4. Each observation shall be conducted in person for a minimum of twenty (20) consecutive minutes. All monitoring or observation of the performance of an employee shall be conducted openly and with full knowledge of the employee.
- D. A conference between the Principal and the employee shall be held within ten (10) work days after the evaluation for the purpose of discussing, clarifying and possibly revising the written report. A copy of the written evaluation report shall be given to the employee at least two (2) days prior to such evaluation conference. A representative of the Association may be present at the conference at the employee's request.
- E. After the conference, a copy of the final report signed by the employee shall be forwarded to the Superintendent. The employee's signature shall only indicate that a copy of the evaluation has been received. The signature is no indication of agreement or disagreement with the content of the evaluation. One copy shall be retained by the principal and one copy by the employee.

- F. In the event the employee feels his/her evaluation is incomplete or unjust, he shall put his/her objections in writing and have them attached to the evaluation. The parties agree that unsubstantiated or erroneous statements shall be amended.
- G. Upon request, an employee will receive an additional observation and evaluation.
- H. If the Administrator believes an employee is doing unacceptable work, the Administrator shall set forth in specific terms the reasons therefor and shall identify the specific ways in which the employee may improve and indicate the assistance to be given by the Administrator and other staff members. In subsequent observation reports, failure to again note a specific deficiency shall be interpreted to mean that improvement has taken place, provided that the conditions underlying the original deficiency were observable in the subsequent classroom visitation. In such case the reason for not commenting shall be noted. The evaluator shall monitor progress toward satisfying noted deficiencies through further observation. Additional written evaluations may be prepared by the evaluator.
- I. Any employee whose services are being considered for termination based upon classroom performance must have been counseled, advised of his deficiencies and have had a program of remediation set forth.
- J. Any proposed changes in the District-wide evaluation instrument shall be presented to a committee comprised of three members of the BEA, the building principals and an authorized representative of each of the parties for approval.

ARTICLE 10: VACANCIES, PROMOTIONS AND TRANSFERS

- A. Whenever any vacancy in any bargaining unit (including extra-duty) position in the district shall occur, the Employer shall publicize the same by giving written notice of such vacancy to the Association and providing for appropriate posting in every school building. No vacancy shall be filled, except in case of emergency on a temporary basis, until such vacancy shall have been properly publicized.

- B. Any employee may apply for such vacancy. In filling such vacancy, the Employer agrees to give due weight to the professional background and attainments of all applicants, seniority, and other relevant factors. The Employer declares its support of a policy of promotions from within its own teaching staff.

- C. While the final determination of reassignments and transfers is vested in the Employer, it shall not reassign or transfer an employee without notification to the Association and prior discussion with the employee.
 - 1. Employees who will be affected by a change in grade assignment in the elementary school grades and by changes in subject assignment in the secondary school grades will be notified and consulted by the principals by May 15 each year if at all possible. Such changes will be voluntary to the extent possible.

 - 2. To the extent practicable, involuntary transfers shall be avoided. Prior to the decision to implement an involuntary transfer during the school year, the Employer shall notify the teacher and if requested, shall give written reasons for the transfer. The teacher may also request a conference regarding the transfer and shall be entitled to Association representation if he/she so desires.

- D. Any employee who shall be promoted to a supervisory or executive position and shall later return to a teacher status shall be entitled to retain such rights as he may have had under this Agreement prior to such transfer to supervisory or executive status.

- E. Whenever vacancies occur during the summer months, the following procedure shall be followed:
 - 1. Employees with specific interest in possible vacancies will notify the Superintendent in writing and shall include a summer address.

 - 2. If a vacancy occurs, the employees who have expressed an interest in any such position shall be notified in writing by the Superintendent.

 - 3. The employees so notified shall have the responsibility of contacting the Superintendent indicating their interest in the position.

4. The Superintendent shall notify the BEA President and Vice-President of any vacancies.

- F. Bargaining unit members assigned to extra-curricular positions shall continue in those positions from year-to-year provided the employee does not receive notice of discontinuance within thirty (30) days after conclusion of the activity. In the event an employee receives such a notice the employee may appeal the notice through the grievance procedure up to and through Level III.

If the Association is not satisfied with the disposition of the grievance by the Superintendent, the employee shall have the right to a hearing before a Review Panel composed of the following: two (2) persons selected by the Association; two persons selected by the Board. A fifth panel member shall be selected as follows: The panel shall be convened within (30) thirty days and shall strive to appoint a mutually agreeable citizen of the Bath Community School District. In the event at least three (3) of the panel members can agree upon such an individual, he/she shall be appointed. In the event the panel is unable to appoint a mutually agreeable fifth member within thirty (30) days of the initial meeting of the panel, the fifth panel member shall be appointed by the American Arbitration Association from its panel of arbitrators. Upon the expiration of the thirty (30) day period the Association will file a demand for arbitration and the selection shall be made according to the AAA rules.

Upon appointment of the fifth (5th) member, the panel shall be reconvened at a mutually agreeable time to hear the matter. The Review Panel shall determine whether just cause exists to discontinue the services of the employee in the extra-curricular position. A majority decision of the Review Panel shall be final.

- G. If the teacher desires to resign from an extra-curricular assignment, at least thirty (30) days advance notice must be given to the District.
- H. Bargaining unit employees appointed to vacant extra-curricular positions shall be issued contracts within ten (10) work days of the appointment. The teachers shall sign and return the contract within two (2) work days after receipt.

ARTICLE 11: TEACHING HOURS

- A. The employer recognizes the professionalism of its staff and the principle of a standard forty-hour work week and will, so far as possible, set work schedules and make professional assignments which can reasonably be completed within such standard work week. The Employer will not require employees regularly to work in excess of such standard work week within or outside of any school buildings. Teachers shall be on duty prior to the commencement of classes and shall remain on duty after student dismissal for sufficient periods of time to accomplish student and parental contact responsibilities. This provision shall not be used in a punitive, arbitrary or capricious fashion. Further, the employer agrees not to employ this provision to generate involuntary staff or committee meetings except in the case of emergency or mutual consent of those involved.
- B. All employees shall be entitled to a duty-free lunch of not less than thirty (30) minutes. The Employer agrees to meet and confer with the Association to seek mutually acceptable solutions where those conditions do not exist.
- C. **PROFESSIONAL DEVELOPMENT** - Each teacher shall be released from the school district without loss of pay for at least one day per school year to participate in workshops, programs or conferences away from the school district that are oriented solely to professional development. There shall be no more than three teachers requiring substitutes absent for such reason at any one time unless special authorization has been given by the Superintendent.

Teachers will make requests to attend such meetings on forms provided in each building and submitted to the Professional Development Advisory Committee.

The Professional Development Advisory Committee consisting of three teachers (one [1] from each level) and three Administrators will establish guidelines for teachers to follow. The committee will also keep a current list of professional development activities available from which teachers might wish to select.

If the committee does not reach a consensus on approving a specific professional development activity, the Superintendent shall make the final decision.

ARTICLE 12: TEACHING CONDITIONS

The parties recognize that the availability of optimum school facilities for both students and employees is desirable to insure the high quality of education that is the goal of both employees and the Employer.

It is also acknowledged that the primary duty and responsibility of the employee is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the employee is primarily utilized to this end.

Therefore:

- A. The parties will confer from time-to-time through duly established committees for the purpose of improving the curriculum and selecting proper educational tools. The Employer agrees at all times to keep the schools reasonably and properly equipped and maintained.
- B. The Employer agrees to engage aides in the high school, junior high school, and elementary school wherever practical to relieve teachers of cafeteria and playground patrol duties, lunch serving and other non-professional responsibilities.
- C. The Employer shall make available in each school adequate restroom and lavatory facilities exclusively for employee use and at least one room, appropriately furnished, which shall be reserved for use as a faculty lounge. Changes in certification after the effective date of an employee's layoff shall only be taken into consideration in recall to vacancies for which the employee is certified and qualified.
