ARTICLE 1
PREAMBLE AND TERM OF AGREEMENT

SECTION 1 - PARTIES

This agreement is entered into this _____ day of _____, 1997, by and between the County of Bay, including the Bay County Executive, Bay County Board of Commissioners, Bay County Prosecuting Attorney, Bay County Sheriff, Bay County Register of Deeds, Bay County Clerk, Bay County Treasurer, and Bay County Drain Commissioner (hereinafter collectively referred to as the "Employer" or the "County"), and the United Steelworkers of America, AFL-CIO-CLC, on behalf of the members of Local Union #15157, Full-Time, Bay County Unit, as are covered hereunder (hereinafter referred to as the "Union" or the "Employees").

SECTION 2 - EFFECTIVE DATES

This agreement shall become effective on the 1st day of January, 1997, and shall continue in full force and effect through December 31, 1999. In the event that no new agreement is reached upon the expiration date of this agreement, it shall remain in full effect until thirty (30) days after either party has given written notice to terminate the agreement.

SECTION 3 - FUTURE NEGOTIATIONS

A. The parties agree to negotiate in 1999 for the succeeding year(s) contract on wages, benefits, and working conditions. These negotiations shall begin on or after August 1, 1999, and shall commence upon written notice by either party.

B. The County and the Union shall each be limited to six (6) representatives for the purpose of collective bargaining. The Union International Representative will not be included in this limitation and shall attend or not attend at his discretion.

C. Members of the Union Bargaining Committee shall not lose any pay for attendance at negotiating sessions if scheduled during normal working hours.

D. Negotiations shall take place at mutually agreeable times. Employees shall return to their work stations after negotiations have ended, provided there is time left in their normally scheduled work period. Employees shall report to work prior to negotiations in the event negotiations are to start subsequent to the start of their normal schedule. Employees must receive the approval of their supervisor if they wish to meet with a Union representative before or after negotiations, if it is during their normal hours of work.

ARTICLE 2
RECOGNITION

SECTION 1 - RECOGNITION

The County recognizes the Union as the sole and exclusive bargaining agent for the purposes of establishing salaries, wages, hours, and other conditions of employment for those employees designated as within the bargaining unit.

SECTION 2 - BARGAINING UNIT

The bargaining unit shall be defined as all permanent, full-time County employees who are classified technical, office, or para-professional and are not otherwise excluded.

SECTION 3 - FULL-TIME EMPLOYEE

Any employee who is regularly scheduled to work thirty (30) or more hours per week shall be considered a full-time employee.

SECTION 4 - EXCLUSIONS

Any employee whose regular duties include contact with confidential information, as defined by M.E.R.C. or N.L.R.B. relating to the wages, hours, and working conditions of other employees shall not be considered as members of the bargaining unit.

SECTION 5 - PROBATIONARY EMPLOYEES

All employees shall be considered probationary employees until the employee has completed six (6) months of work. During the probationary period, the employee may be terminated without recourse to or without regard to this Agreement, and shall not be entitled to the benefits of the grievance procedure as it relates to discipline and/or discharge. The probationary employee can be terminated for any reason or for no reason. Upon completion of the probationary period, the employee's name shall be placed on the seniority list as of his/her last date of hire; provided, however, that if an employee is absent from work for any reason, his/her probationary period shall be extended by a period equal to the duration of such absence.

ARTICLE 3
UNION SECURITY

SECTION 1 - NON-INTERFERENCE

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.

SECTION 2 - MEMBERSHIP

Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain or drop their membership in the Union, as they see fit. Neither party shall exert any pressure on nor discriminate against any employee in regard to such matters.

SECTION 3 - EQUAL REPRESENTATION

Membership in the Union is separate, apart, and distinct from the assumption by one of his equal obligation to the extent that he receives equal benefits. The Union is required under this agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union. The terms of this agreement have been made for all employees in the bargaining unit and not only for members of the Union. Accordingly, it is fair that each employee in the bargaining unit pay his own way and assume his fair share of the obligation along with the grant of equal benefit contained in this agreement.

SECTION 4 - UNION DUES OR UNION REPRESENTATION FEES

The Employer agrees to deduct Union dues or Union representation fees from employees' paychecks to become effective the first payday of the month, following the employee's successful completion of thirty (30) days of employment. The Union dues or representation fees shall be sent to the Union's designated officer.

The Employer also agrees to deduct from an employee's paycheck the initiation fee of the union, for those employees joining the Union, which is payable only once when a new hire completes thirty (30) days of employment.

SECTION 5 - DEDUCTIONS

The Employer agrees to deduct from the salary of each individual employee in the bargaining unit who becomes a Union member, the Union's dues and initiation fee, subject to all of the following conditions:

- A) The Union shall obtain from each of its members a completed and signed authorization form which shall conform to the respective state and federal law(s) concerning that subject, or any interpretation(s) thereof.
- B) All checkoff authorization forms shall be filed with the Personnel Office, who may return any incomplete or incorrectly completed form to the Union's designated financial officer, and no checkoff shall be made until such deficiency is corrected.
- C) All employees covered under this Agreement who do not voluntarily choose membership in the Union shall have deducted from their wages a representation fee, after receipt by the Employer of a signed authorization card conforming to state and federal laws, and which sum shall accurately represent the amount for that employee due the Union as their fair share

of costs attributable to negotiating the terms of this Agreement and servicing the contract.

- D) The Employer shall only checkoff obligations which come due at the time of checkoff, and will make checkoff deductions only if the employee has enough pay due to cover such obligation. The Employer is not responsible for refund to the employee if he/she has duplicated a checkoff deduction by direct payment to the Union.
- E) The Employer's remittance shall be deemed correct if the Union does not give written notice to the Personnel Office within fifteen (15) calendar days after remittance is transmitted of its belief, with reason(s) stated therefor, that the remittance is incorrect.
- F) The Union shall provide at least thirty (30) days' written notice to the Personnel Office of the amount of Union dues and/or representation fees and/or initiation fee to be deducted from the wages of employees in accordance with this Article. Any changes in the amounts determined will also be provided to the Personnel Office at least thirty (30) days prior to its implementation.

SECTION 6 - CONTINUED EMPLOYMENT

The Union shall notify an employee who has not paid his/her dues or representation fee by certified mail, with a copy to the Employer. If that employee does not pay the dues or representation fee within thirty (30) days after that notice is received, the Union shall notify the Employer by certified mail of this omission. Fifteen (15) days after receipt of notification by the Employer, the Employer shall terminate that employee. An exception to the above is as follows:

Any employee who is a member of and adheres to established and traditional tenets or teaching of a religion, body or sect which has historically held conscientious objections to joining or financially supporting labor organizations shall not be required to join or financially support any labor organization as a condition of employment.

SECTION 7 - HOLD HARMLESS AND INDEMNIFICATION

The Union agrees to defend, indemnify and save the Employer harmless against any and all claims, suits, or other forms of liability arising out of its deduction from an employee's pay of Union dues, representation fees and/or initiation fee, or in reliance upon any list, notice, certification or authorization furnished under this Article or the termination of an employee as provided hereunder. The Union assumes full responsibility for the disposition of the deductions so made once they have been sent to the Union.

employees to perform work of the kind performed by employees of the unit provided employees of the unit are not adversely affected except as per past practice; to alter, discontinue or vary past practices and otherwise to take such measures as management may determine to be necessary for the orderly, efficient and economical operation of the County.

SECTION 2 - SUSPENSION OF AGREEMENT

If, in the sole discretion of the Chairman of the Board of Commissioners, or in his absence, the Official so designated by law to act in his absence, it is determined that civil emergency conditions exist including, but not limited to riots, civil disorders, hurricane conditions, or similar catastrophes, the provisions of this Agreement may be suspended during the time of the declared emergency, provided that wage rates and monetary fringe benefits shall not be suspended.

ARTICLE 5 **PROHIBITIONS AGAINST STRIKES AND LOCKOUTS**

SECTION 1 - PROHIBITIONS

The Union agrees that there shall be no strikes, sit downs, slow downs, willful absence from assigned work station, the stoppage of work, the interruption or interference with operations of full, faithful, and proper performance of the duties of employment. The County agrees that no lockout against any or all of the employees shall take place during the life of this agreement.

SECTION 2 - DISCIPLINE

Any employee who participates in a strike shall be subject to disciplinary action which includes possible discharge.

ARTICLE 6 **NON-DISCRIMINATION**

SECTION 1 - NON-DISCRIMINATION

- A. The parties hereby agree not to discriminate against employees because of race, color, creed, national origin, sex, age, handicap, religious or political affiliations, as required by law.
- B. The parties hereby agree that no officers, agents, representatives, members, or anyone connected with either party shall in any manner intimidate, coerce, restrain, or interfere with the rights of employees to form, join, or assist labor organizations, or to refrain from any of these activities, specifically including the right of employees to withdraw, revoke, or cancel union membership.

ARTICLE 7
GRIEVANCE PROCEDURE

SECTION 1 - STATEMENT OF PURPOSE

A. The parties intend that the grievance procedure shall serve as a means for the peaceful settlement of disputes as they arise concerning the interpretation or application of this Agreement, without any interruption or disturbance of the normal operation of the County.

B. The parties seek to secure, at the earliest level possible, equitable solutions to complaints or grievances of members of this bargaining unit. Both parties agree that proceedings under this article shall be kept as informal and confidential as may be appropriate.

SECTION 2 - DEFINITION OF GRIEVANCE

A. A grievance under this Agreement is a written dispute, claim, or complaint arising under and during the term of this Agreement and filed by either an authorized representative of, or an employee in, the bargaining unit. Any grievance filed shall refer to the provision or provisions of the Agreement alleged to have been violated, shall set forth the facts pertaining to the alleged violations, and shall state the settlement or correction requested.

B. Grievances are limited to matters of interpretation or application of express provisions of this Agreement. The parties recognize that an orderly grievance procedure is necessary and agree that each step must be adhered to as set forth herein.

SECTION 3 - PROCEDURE

A. Step 1. Written Complaint: The employee shall, within ten (10) working days after the occurrence of the circumstance giving rise to the grievance or the time of the employee's first knowledge thereof, or the time the employee should have known thereof, reduce the matter to written form stating all facts in detail, sign it and provide the other information required in Section 2(A) above, and submit same to the supervisor above the employee's immediate supervisor. The supervisor shall within five (5) working days return his/her answer in writing.

B. Step 2. Department Head, Division Head, Elected Official: Failing to resolve the grievance in the first step, the Union representative may, within five (5) working days of receipt of the supervisor's disposition, present the grievance to the Department Head, Division Head or Elected Official, unless that person is the supervisor in Step 1, in which case the grievance shall proceed to Step 3, as is appropriate, who shall within five (5) working days of receipt of the grievance return his/her answer in writing.

C. Step 3. County Executive: Failing to resolve the grievance in the second step, the Union may, within five (5) working days of receipt of the Department Head,

Division Head, or Elected Official's disposition, present the grievance to the County Executive or his designated representative who shall within five (5) working days of receipt of the grievance return his answer in writing.

D. Step 4. Mediation: Failing to resolve the grievance in the third step, the Union may submit the matter to the Michigan Employment Relations Commission for mediation within five (5) working days of the receipt of the answer in Step 3.

E. Step 5. Arbitration: If either party is unsatisfied with the results from the previous step, within five (5) working days of the meeting with the Mediator, either party may submit the grievance for arbitration to the American Arbitration Association. The arbitrator shall be selected in accordance with the then applicable rules of the American Arbitration Association. The decision of the arbitrator shall be final and binding upon all parties.

SECTION 4 - SETTLEMENT

Any and all grievances resolved at any step of the grievance procedure as contained in this Agreement shall be final and binding on the County, the Union, and any and all employees involved in the particular grievance.

SECTION 5 - PROCESSING

Grievances shall be processed from one step to the next within the time limit prescribed in each of the steps. Any grievance not carried to the next step by the Union within the prescribed time limits or such extension which may be agreed to in writing by the parties shall be automatically considered to be settled based upon the Employer's last answer. Any grievance not answered by the Employer within the prescribed time limits or such extension which may be agreed to in writing shall be advanced to the next step.

SECTION 6 - BACK PAY

The Employer shall not be required to pay back wages for periods prior to the time a written grievance is filed; provided, that in the case of a pay shortage, of which the employee had not been aware before receiving his pay, any adjustment made shall be retroactive for thirty (30) days providing the employee files his grievance within the prescribed times from the date of receipt of such pay.

SECTION 7 - ENTERING OR ADVANCING OUT OF ORDER

Grievances may, with the consent of the parties, be commenced at any stage of the grievance procedure or may, with the consent of the parties, be advanced and processed out of order. Time limits may be waived upon written agreement of the parties.

SECTION 8 - CLAIMS FOR BACK WAGES

All claims for back wages shall be limited to the amount of wages that the employee otherwise would have earned less any unemployment compensation or compensation from normal services that he may or could have received from any source during the period on which the back pay was provided. Any back pay awarded pursuant to a grievance settlement shall be paid in the next pay period following the settlement.

SECTION 9 - LIMITATIONS OF THE ARBITRATOR

A. The power and authority of the arbitrator shall be strictly limited to the interpretation of the explicit terms of this Agreement as herein expressly set forth. He shall not have the authority to add to, subtract from, or modify any of said terms or to limit or impair any right that is reserved to the County or Union or employees or to establish or change any wage or rate of pay that has been agreed in this Agreement.

B. The decision of any arbitrator or of the County in one case shall not create a basis for retroactive adjustment in any other case.

SECTION 10 - ARBITRATION COSTS

Arbitration costs shall be shared by both parties evenly. These will be limited to actual costs of the Arbitrator and necessary room or other accommodations only and any costs incurred by the parties in presenting their cases shall be borne by the party incurring such costs. Each party shall make arrangements for and pay the witnesses which they call.

SECTION 11 - UNION REPRESENTATION

Union involvement in the processing of grievances shall be as follows:

- Step 1. Written complaint: Employee and Steward.
- Step 2. Department Head, Division Head, Elected Official: Employee and Steward.
- Step 3. County Executive: Grievance Committee, Steward, and/or Staff Representative.
- Step 4. Mediation: Grievance Committee, Steward, and/or Staff Representative.
- Step 5. Arbitration: Grievance Committee, Steward, and/or Staff Representative.

SECTION 12 - ELECTION OF REMEDIES

When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure, such as, but not limited to, a veteran's preference hearing, civil rights hearing, or Department of Labor hearing, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for in this contract beyond Step 4, mediation. Therefore, the employee cannot proceed to arbitration. If an employee elects to use the grievance procedure provided for in this contract and, subsequently, elects to utilize the statutory or administrative remedies, then the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited.

ARTICLE 8 **DISCIPLINARY PROCEDURES**

SECTION 1 - JUST CAUSE

Non-probationary employees will be disciplined only for just cause and any disciplinary action taken by the County may go into immediate effect.

SECTION 2 - TYPES OF DISCIPLINARY ACTIONS

It is recognized by both the County and the Union that all matters regarding disciplinary action must take into account the seriousness of the offense, the number of previous offenses, the employee's past record of performance, and the circumstances under which the offense was committed. Disciplinary action shall be defined as follows:

A. Oral Reprimand

1. This form of disciplinary action may be used to correct and/or warn an employee of errors, poor work performance or violation of a minor nature. Such warnings will be given privately with only those persons involved present. (The employee and employer shall have the option to have a representative present.)

B. Written Reprimand

1. This is an action taken by a supervisor in which he writes out the action or behavior which he wishes the employee to change, cease, or begin. The written reprimand will describe in detail the behavior to be corrected and will give direct and concrete orders for the future and will point out the consequences of repeating the actions which brought about the written reprimand.

2. The written reprimand must be presented to the employee. The employee and employer shall have the option to have a representative present.

C. **Withholding a Salary Increase After the Prerequisite Length of Service in the Classification Has Been Completed**

1. Increases in salary are given after the passage of a certain amount of time in the employee's classification and on the recommendation of the employee's supervisor. (See the County Salary Schedule for the time intervals between increases for the various classifications.)
2. Increase forms are prepared by the Personnel Department and sent to the supervisor prior to the effective date.
3. A copy of the disapproved increase form, with the supervisor's comments must be presented to the employee.

D. **Suspension Without Pay**

This is an action taken by a supervisor removing an employee from employment in his department and from the County payroll.

1. This action does not require the employee's consent to place him on such a leave without pay.
2. The employee does not accrue salary, annual leave credit or sick leave credit during the time he is suspended.
3. At the end of the suspension, the employee shall be returned to the payroll at the same department, classification, and salary as when he was suspended.
4. Suspension without pay must be written and must be presented to the employee. The employee and employer shall have the option to have a representative present.
5. Any grievance regarding a suspension must be filed within five (5) working days and will go directly to Step 3.

E. **Demotion**

This is an action taken by a supervisor which reduces an employee's classification to a classification with a lower maximum salary.

1. The employee's salary must be reduced to fall within the range of the new classification but to no lower step designation than the one held in the higher classification.

2. The employee's duties and responsibilities must be reduced to those of the lower classification.
3. The reasons for the demotion must be given.
4. Demotions must be in writing and must be presented to the employee.

F. **Dismissal**

This is an action taken by a supervisor which permanently removes an employee from employment in his department and from the County payroll.

1. Dismissed employees need not be kept in employment or be paid for any time after the completion of their normal working day on the day they are dismissed.
2. Dismissed employees who are not reinstated through the grievance procedure shall not receive payment for unused sick leave accumulations.

SECTION 3 - DISCIPLINARY RECORDS

Records of all disciplinary actions shall be maintained as follows:

All disciplinary actions, other than oral reprimands, shall be issued in writing by the supervisor with copies going to the employee, Union, and the Executive office.

SECTION 4 - REVIEW

After a period of two (2) years from date of filing, such records shall not be used for subsequent disciplinary actions unless they are related to new infractions. For suspensions only, after a period of three (3) years from date of filing, such records shall not be used for subsequent disciplinary actions unless they are related to new infractions.

ARTICLE 9
SENIORITY

SECTION 1 - DEFINITION

Seniority means a permanent employee's length of continuous service with the County within the bargaining unit since his or her last date of hire. An employee who has not completed six (6) months of continuous employment shall not be considered to have seniority and shall not be considered a permanent employee.

SECTION 2 - SENIORITY LISTS

The seniority lists on the date of this Agreement will show the names and job titles of all employees in the unit entitled to seniority. Such lists shall show county-wide seniority. The Employer shall keep the seniority list up-to-date and present such lists to the Union twice per year upon request or in the event of a layoff of a bargaining unit employee.

SECTION 3 - LOSS OF SENIORITY

An employee shall lose all seniority credit and his/her employment for any of the following reasons:

- A. Voluntary or involuntary termination.
- B. Failure to report to work after an expired leave of absence of any kind, or recall from layoff, on the specified date for return (including sick leave), unless the failure to return was due to circumstances beyond the control of the employee. The Employer may require verification of the circumstances.
- C. Layoff, for three (3) years or for a continuous period equal to the seniority acquired at the time of such layoff, whichever is less.
- D. He/she is absent for three (3) consecutive working days without notifying his/her Supervisor. In proper cases, exceptions may be made by their Supervisor.
- E. He/she is convicted or pleads guilty or no contest to a felony, or non-traffic misdemeanor which misdemeanor results in sentenced jail time. (Nothing herein shall preclude the Employer from taking appropriate disciplinary action for any criminal offenses.)
- F. He/she intentionally falsifies his/her employment record or employment application.

SECTION 4 - SAME DATE OF HIRE

Employees hired on the same date into the bargaining unit shall have the seniority between themselves determined by adding their social security numbers with the higher number having more seniority. Zero shall be counted as zero.

SECTION 5 - NEW DEPARTMENTS

In the event the County assumes a new department with employees who fit within the scope of the Union's bargaining unit, such employees shall have the date their department was assumed by the County as their seniority date and their relative positions on the seniority list shall be determined by their date of hire with the assumed department.

SECTION 6 - TRANSFERS OUTSIDE BARGAINING UNIT

An employee who accepts a position with the County as an employee not included in this bargaining unit shall maintain all accumulated seniority to date of transfer. Upon applying to return to the bargaining unit, said employee shall comply with the posting requirements for the vacant position including having the presently required qualifications, education and skills.

A returning employee shall accrue benefits at a level consistent with his or her bargaining unit seniority. To be eligible for the above, there must be a vacancy. The above-stated rights shall only last for four (4) years from the date the person leaves the bargaining unit. Notwithstanding the above, an employee who is discharged shall not be entitled to return to the bargaining unit.

ARTICLE 10 LAYOFF AND RECALL

SECTION 1 - NOTICE OF LAYOFFS

The County shall give written notice to the permanent employee and the Union of any proposed layoff. Such notice shall be submitted at least ten (10) working days before the effective date thereof.

SECTION 2 - ORDER OF LAYOFFS

Any layoff of employees shall be made by inverse order of seniority within the affected department and classification, except when normal operations of the various departments would be jeopardized. In the event of a layoff, the Employer shall discuss these exceptions with the Bargaining Committee.

SECTION 3 - BUMPING RIGHTS

Employees laid off or displaced under this Article will be allowed to bump into a job for which they have the seniority and qualifications as determined by reasonable testing procedures, including temporary positions within divisions covered by this Agreement.

SECTION 4 - BUMP LIST

The Employer shall provide all laid-off employees with a list of classifications to which they can request to bump. The employee shall indicate in order of priority the classifications to which he or she wishes to bump and the Employer shall assign the employee to the highest priority classification that's possible in a division designated by the Employer.

SECTION 5 - BUMPING PROCEDURE

Employees electing to bump may only bump to equal or lower graded classifications and shall be placed at the same step level of the new grade as held in the higher grade. An employee's increment date shall not change as a result of bumping.

SECTION 6 - PREFERENTIAL SENIORITY

Union officers (i.e. President, Vice-President, Treasurer, Financial Secretary, and Recording Secretary) and the three elected members of the Union Bargaining Committee shall exercise the highest seniority in the bargaining unit for the purpose of layoffs. This preferential seniority can be used, together with the provisions of this section, to hold a job in the bargaining unit as long as there is work which they are qualified to perform.

SECTION 7 - RECALL FROM LAYOFF

Permanent employees to be recalled from layoff shall be recalled on the basis of required qualifications and seniority through the job posting procedures or direct recall. The Employer shall discuss any recall of layoff not based on seniority with the Union Bargaining Committee.

SECTION 8 - NOTICE OF RECALL

Five (5) working days' notice of recall shall be sent by certified or registered mail, or hand delivered, to the laid off employee's last known address. If the employee fails to report to work within five (5) days after receiving notice of recall, he or she shall lose all seniority and recall rights. If an employee cannot return to work within the five (5) days because of medical reasons verified by a physician who may be selected by the Employer, he or she shall not be recalled to that position, but shall have the right to be recalled to another position under the terms provided herein in the event of a future recall notice. It is the employee's responsibility to notify the County of his or her current address.

ARTICLE 11 **VACANCIES**

SECTION 1 - POSTING

When a job vacancy is being filled in any department the Employer will post a notice on the bulletin boards giving all employees an opportunity to make application for the job by filling out the appropriate application forms. All employees who are on sick leave, vacation, or other leave at the time of posting shall be eligible to apply.

SECTION 2 - NOTICE

Notice of a job vacancy shall be posted for a period of seven (7) working days. The notice will show the classification and rate of the position.

SECTION 3 - ASSIGNMENT OF JOB

All posted vacancies shall be assigned to the senior qualified bidder who has the present qualifications, education and skills for the position as determined by objective criteria provided by the Human Resources Director. The Employer may hire from the outside in the event that no qualified bidder is available from the bargaining unit. The successful applicant will then be notified of the date his or her new assignment shall commence. The results of the job posting shall also be posted.

PROSECUTOR'S OFFICE. Prior to assigning a position, the Employer reserves the right to conduct a drug test and criminal history investigation for applicants who apply for vacancies in the Prosecutor's office. The results of a drug test and criminal history investigation are each to be considered as part of the objective criteria used in making an appointment to a vacancy. Applicants currently assigned to the Prosecutor's office who apply for another position within the office shall not be given a drug test or have a criminal history investigation conducted.

SECTION 4 - TEMPORARY ASSIGNMENTS

During the bidding period the Personnel Director may make a temporary assignment to fill the posted vacancy.

SECTION 2 - CLASSIFICATION

When a new permanent technical, office and para-professional position is established, the Personnel Director shall designate a job classification and provide a job description. The Union shall be notified in writing of such new classifications and pay rates. If no written objection to the rate thus set is registered with the Employer within ten (10) work days after the rate has been set, such rate shall become permanent. If the Union disagrees with the rate, it shall serve a written notice upon the Employer within such ten (10) work days of its desire to negotiate with respect to such rate. Such negotiations shall be initiated within fifteen (15) work days after receipt by the Employer of such written notice. In the event the parties cannot reach an agreement, the Employer may implement its last best offer as permitted by law.

The Personnel Director and the Union agree to discuss such reclassification requests applying the methods set forth in the County's Wage and Salary Program. In order to receive consideration, such requests must be received by the County prior to May 1 of each year and any adjustments will become effective as of July 1 of the same year, and September 1 of each year and any adjustments will become effective as of January 1, of the following year. 1. All work performed in excess of eight (8) hours in any work day.
2. All work performed in excess of forty (40) hours in any work week.

B. By mutual consent of the parties, compensatory time at the rate of one and one-half (1-½) times may be taken in lieu of receiving overtime pay. Compensatory time will be taken at a time mutually agreed upon between the employee and his immediate supervisor in accordance with the provisions of The Fair Labor Standards Act.

C. Any employee called in to work other than during the scheduled work shift shall be paid a minimum of two (2) hours pay at his/her regular straight time rate. This does not include overtime worked as a continuation of a schedule shift.

D. No overtime will be worked unless previously approved by the Supervisor or Department Head.

E. For the purposes of computing overtime, holidays, vacation days, funeral leave and paid sick leave shall be considered as days worked, provided these days fall within the employee's scheduled work week.

F. It is the intent of the County that overtime shall be equally distributed among qualified employees in each department insofar as practicable over the period of this contract. Failure to work overtime shall be considered as time worked for purposes of overtime records. It is mandatory that employees work reasonable amounts of overtime when requested by their supervisor. In case of emergency or necessity, mandatory overtime can be scheduled without advance notice.

G. Nothing contained in this Agreement shall be interpreted as authorizing or permitting a duplication or a pyramiding of daily or weekly overtime payments involving the same hours of work.

SECTION 5 - SHIFT DIFFERENTIAL HOURS

A. All bargaining unit employees who work shifts designated as night shifts shall be given a night shift differential in addition to the regular hourly job rate for all hours worked within the designated shifts.

C. The shift differential shall be twenty cents (20¢) per hour worked on the second shift and twenty-five cents (25¢) per hour worked on the third shift.

D. In the event a night shift is worked as an overtime assignment, no differential shall be paid.

For employees working the second and third shifts in continuous operation assignments, it will be understood that when the time is changed from Eastern Standard Time to Daylight Savings Time and back, one shift shall work nine (9) hours and one shift shall work seven (7) hours. It is agreed that each shift shall be paid in accordance with the provisions of The Fair Labor Standards Act.

SECTION 7 - OUT OF CLASSIFICATION PAY

When an employee has been notified by his or her immediate supervisor to fill a vacancy in a higher level job for the period of eight (8) or more hours, he or she shall be compensated for such hours worked at the rate of the entry step for that job or if this rate is not equal to an increase in rate for the involved employee, the compensation shall be at the lowest pay grade range for the job which does provide an increase in pay to the employee. This agreement is subject to the following conditions:

- A. In the opinion of the immediate supervisor, the employee is fully qualified to perform the duties of that position.
- B. A vacancy shall mean the replacing of a regular employee who is off work for illness, vacation or other compelling reason.
- C. If, in the opinion of the employer, it is not necessary to fill such vacancy, it need not be filled. In this case, no remaining employee shall be required to perform work above his/her classification in order to compensate for the absent employee.

SECTION 8 - HOLIDAY PAY

B. An employee excused from work under this Section shall, after making written application, receive the amount of wages, exclusive of shift or any other premiums, that he/she would have earned by working during straight time hours on such scheduled days of work for which he/she was excused. B. Employees who are called to serve on jury duty during scheduled working hours will be compensated for the difference between the rate of pay for the jury duty and the employee's regular rate for the hours scheduled to work. An employee shall return to regularly scheduled employment with the Employer when temporarily excused from attendance at court, provided that there is at least one-half (½) hour remaining of scheduled work. Employees shall submit evidence of attendance at jury duty upon request.

C. Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels his presence as a witness for a matter directly related to his employment on behalf of the Employer, or civic duty which is not a personal matter, unless he is a party or an expert witness, he shall be allowed the time necessary to be absent from work at his regular pay to comply with such subpoena, provided he deposits any witness fees, except mileage, with the County Treasurer.

G. An employee desiring to return from a leave may return directly to his or her job if the position was left vacant or if a substitute employee was used. If a permanent employee was used the returning employee cannot bump, but must take an available position for which he or she has the seniority and qualifications. If no such position is available immediately, the employee will be laid off without bumping rights. An available position shall include a vacant, posted position and substitute positions. However, if the employee returns as a substitute he or she shall be entitled to all benefits of this contract until displaced by the returning employee.

SECTION 9 - FAMILY AND MEDICAL LEAVE

The parties recognize that the Employer, the Union and employees have certain rights and obligations under the Family and Medical Leave Act (FMLA). The parties agree that no provisions of the Labor Agreement shall operate to waive any rights that each may have under the FMLA.

ARTICLE 16 **SICK LEAVE**

SECTION 1 - ACCRUAL

A. Sick leave for each permanent employee shall be one (1) eight hour day with pay for each month of service. For the purpose of this section, a month of service is completed when the employee has worked eleven (11) days in any one month. Paid sick leave accumulation shall be limited to a maximum of ninety (90) days (See Letter of Understanding). Any employee who is on paid sick leave shall be entitled to all contractual benefits as if he/she were working.

B. A probationary employee may accrue sick leave while on probation, but may not use such accumulated sick leave until he/she has completed one hundred eighty (180) days of service.

SECTION 2 - USE

A. Paid sick leave may be used when illness or disability prevent an employee from working or for necessary absence from work for the purpose of keeping an appointment with a doctor.

B. An employee may use up to three (3) days of accumulated sick leave per year for serious illness in the immediate family. For the purposes of this Section, the immediate family shall be defined as the employee's spouse, and the employee's legal dependents living in the same household; serious illness shall be defined as an illness of a serious nature which involves the hospitalization or treatment by a physician of a member of the immediate family and requiring the presence of the employee.

C. Sick leave may be taken in any unit from one (1) hour to the maximum available in one (1) hour increments.

D. If the use of sick leave is excessive or the Employer has reason to believe it is being abused, medical verification will be required. This may include a requirement for examinations by a doctor selected by the Employer. If this entails a cost not otherwise required, it shall be borne by the Employer only if it is determined that the use of sick leave was proper. Payment by the Employer will be made only if the examination is directed by the Employer. If the dispute still exists, at the request of the Employer or employee, the designated physician of the Employer and the employee's doctor shall agree upon a third doctor to submit a report to the Employer and the employee, and the decision of the third party shall be binding on all the parties. On the basis of that examination, the Employer shall take appropriate action, subject to the employee's rights as established in the collective bargaining agreement.

E. Any abuse of this Section shall be cause for disciplinary action.

SECTION 3 - PAY OR CONVERSION

A. Any employee who is eligible for retirement and retires from County service and is entered on the Retirement or Pension Roll of the County or any employee who leaves the County's employ having attained the age of sixty-five (65) years shall be paid for one-half ($\frac{1}{2}$) of his/her unused sick leave at the time of departure. The estate of an employee who dies while employed by the County shall, upon death of the employee, be paid for one-half ($\frac{1}{2}$) of his unused sick leave on record at the time of death.

B. Any employee who leaves the employ of the County having accumulated at least twelve (12) years of service, shall be paid one-half ($\frac{1}{2}$) of his or her accumulated sick leave at his/her prevailing hourly rate, not to exceed \$2,500.00.

C. In the event an employee should accrue more than ninety (90) days of sick leave at the end of any calendar year, he/she shall be granted one-half ($\frac{1}{2}$) of this excess sick leave accumulation to his/her vacation time available in the following year. For purposes of this computation, one day of vacation time will be added for each two full days of excess sick leave accumulation, i.e. 10 days = 5 days vacation; 13 days = 6 days vacation.

ARTICLE 17
HEALTH AND WELFARE

SECTION 1 - MEDICAL AND HOSPITALIZATION INSURANCE

I. The COUNTY will provide the following options for medical/hospitalization coverage subject to the maximum contributions set forth herein, effective September 1, 1989:

- A. Blue Cross Blue Shield of Michigan (BCBSM) First Dollar
- B. BCBSM Comprehensive Major Medical with dental, vision and orthodontic riders
- C. Blue Care Network regular
- D. BC/BS CMM - PPO Preferred Provider Organization

The Employer may use or substitute other health insurance companies which provide comparable coverage.

The Employer-paid portions of the cost of these benefit options is limited to the following maximum or "caps" i.e.; 1988, Three Hundred Twenty and No/100 (\$320.00) Dollars/month; 1989, Three Hundred Twenty Five and No/100 (\$325.00) Dollars/month; and 1990, and thereafter until the new program takes effect, Three Hundred Thirty and No/100 (\$330.00) Dollars/month.

Subject to the maximum or "caps" the Employer shall continue coverage for employees who retire after January 1, 1985. Retirees eligible for Medicare will be covered by supplemental coverage, subject to the maximum or "caps".

Effective January 1, 1989, the spouse of a retiree at time of retirement will be eligible for health care benefits, which shall be paid fifty percent (50%) by the Employer and fifty percent (50%) by the employee (or spouse), subject to the maximum or "caps" for the Employer paid portion. The Employer paid portion of the cost of this benefit obligation for the spouse of the retiree is limited to the maximum or "caps" of One Hundred Sixty and No/100 (\$160.00) Dollars/month for 1989 and One Hundred Sixty-Five and No/100 (\$165.00) Dollars/month for 1990 and thereafter. Additional family coverage may be purchased by the retiree at his expense.

The obligation of the Employer to pay for health insurance for the retiree and/or retiree's spouse shall cease in the event that comparable health insurance is available to the retiree or his/her spouse through another Employer or other source. For example, if the retiree accepts other employment and health insurance is available from that Employer, then the County's obligation to the retiree and spouse shall cease, or in the event that the retiree is eligible for health insurance through his/her working spouse, the County shall not be obligated to provide health insurance benefits. All questions of eligibility shall be determined by the rules and regulations established by the carrier providing such coverage.

To be eligible to receive Employer payments for benefits as set forth herein, the retiree and/or his/her spouse must coordinate with other available governmental health insurances such as, but not limited to, Medicaid and Medicare, which may be available in part or in total to the retired employee and/or his/her spouse. The retiree and/or the retiree's spouse receiving health benefits under this contract shall be required to apply for Medicaid, Medicare or similar Federal program benefits as soon as he/she is eligible. As of the date of eligibility, all benefits payable by the Employer shall be reduced by an amount equal to the Federal benefits or other benefits available and shall be supplemental to such coverage. In the event that the name of any of the coverages or benefits referred to are changed, the replacement programs shall apply to the above requirements.

As set forth herein, the Employer will not be obligated to pay monthly premiums for health insurance in excess of:

\$320/month	-	1988
\$325/month	-	1989
\$330/month	-	1990 and thereafter until the new program takes effect

Should the premiums for the chosen medical/hospitalization plan exceed those levels, then a payroll deduction will be made from the employee's pay for all costs in excess of the maximum or "caps" above. The Employer's maximum contribution on the health insurance applies to active employees and retirees. The maximum obligation of the Employer to pay for a retiree's spouse is One Hundred Sixty and No/100 (\$160.00) Dollars/month in 1988 and One Hundred Sixty Five and No/100 (\$165.00) Dollars/month in 1990 and thereafter. The total obligation of the Employer for the retiree and his/her spouse is Three Hundred Twenty and No/100 (\$320.00) Dollars/month in 1988 and 1989, and Three Hundred Thirty and No/100 (\$330.00) Dollars/month in 1990 and thereafter.

The Employer will notify the Union immediately of any change or proposed change upward or downward in the per person cost of any of the medical/hospital insurance programs provided for herein.

II. PAYMENT IN LIEU OF COVERAGE

Any active unit member who was eligible, but chooses not to participate in the medical/hospitalization insurance package, who shows proof of insurance from another source, and who signs a waiver from the Employer, shall receive a One Thousand and No/100 (\$1,000.00) Dollars annual contribution, pro rata, to the COUNTY'S qualified deferred compensation plan. An employee who subsequently loses medical/hospitalization coverage from another source shall have the right to obtain medical/hospitalization coverage from the Employer as provided in this Agreement at the earliest date possible after written notice to the Director of Human Resources. Said employee shall be entitled to a prorata contribution to the COUNTY'S qualified deferred compensation plan to date the employee becomes covered by the Employer's medical/hospitalization plan.

An employee may waive health insurance only if he/she has health insurance coverage from another source and signs a waiver from the Employer.

III. EFFECTIVE ANY TIME SELECTED BY THE EMPLOYER AFTER RATIFICATION BY THE PARTIES IN 1991, THE EMPLOYER SHALL PROVIDE THE FOLLOWING HEALTH INSURANCE PROGRAM IN LIEU OF I OF THIS SECTION 1.

(A) (See Appendix A health care plan descriptions for summary of coverage and benefits.) The Employer will pay the entire cost of the health insurance premiums for employees and covered dependents for 1991 after the new insurance programs become operational. Beginning January 1, 1992, Bay County will increase its contribution toward the cost of health care plans selected by employees in an amount equal to the lesser of: the actual premium costs of the three options provided, or an amount equal to 115% of the aggregate premium payable during the month the last County bargaining unit participates in this new health insurance program in the year of 1991. If the premium costs for health insurance in 1992 exceed 115% of the base month of 1991, that excess amount shall be paid by affected employees in the manner described below.

In 1993, Bay County will increase its contribution toward the cost of health care plans in an amount equal to the lesser of: the actual premium cost of the three options provided, or an amount equal to 125% of the aggregate premium payable for the base month of 1991 (for total cost increase that Employer pays is 25% over 1991 rate) as noted above.

In determining the County's share of 1992 health care costs, the rates to be effective on January 1, 1992 will be applied to the actual enrollment levels as reported by the County the first month that the new health insurance is in effect. Therefore, any increase or decrease in the County's overall employment level or changes in enrollment among the health plans will not compound the rate change measurement. However, the County's premium remittances to its health care plan insurers or administrators will reflect the actual number of employees enrolled, which may fluctuate as employment levels increase or decrease.

Method of Computing Employees' Share of Premiums:

(See Appendix A for health care plan descriptions for summary of coverage and benefits.)

The four health care packages offered to employees have been designed to meet various needs and preferences among employees, yet provide a comparable value regardless of the package selected. Therefore, any employee contributions to health care premiums in 1997, 1998 or 1999 will vary only according to the employee's family status (that is, coverage for the employee only, the employee and one dependent, or the employee and two or more dependents), but not according to the plan selected. In this way, freedom of choice among options is maintained and any migration by employees from one program to another is based on the merits of the

options and the employee's preferences rather than on differences in employee contribution requirements.

The amount of employee contributions, if any, will be determined prior to January of each year and communicated at the time when employees are permitted to change their health care plan elections.

The Employer will pay the entire cost or a portion of the cost of the health insurance premiums based upon the formula stated herein for employees and covered dependents for 1997, 1998 and 1999. The method by which the increase of 1997, 1998 and 1999 health care costs over 1996 will be determined is by applying the rates to be effective January 1, 1997, 1998 and 1999, to the actual enrollment levels recorded for October 1996, which is the base month.

In 1997, Bay County will contribute toward the cost of health care plans in an amount equal to the lesser of: the actual premium cost of the four options provided, or an amount equal to 107% of the aggregate premium payable for the base month of October 1996.

If the overall premium cost beginning January 1, 1997 exceeds 107% of the base monthly premium cost using the method referred to earlier, then employees will contribute the average excess above 107%. For example, if the average calculated premium is 109% of the base, employees will contribute 2% of the average 1997 premium for their level of coverage. That is, an average premium covering only an employee, an employee with one dependent, and an employee with two or more dependents will be calculated separately using the same base month enrollment as referred to earlier. The 2% employee contribution will be calculated separately for each of these levels of dependent coverage so that all employees who enroll in a health care option will make a contribution toward the excess cost, but employees with dependents will make proportionately greater contributions.

In 1998, Bay County will contribute toward the cost of health care plans in an amount equal to the lesser of: the actual premium cost of the four options provided, or an amount equal to 114% of the aggregate premium payable for the base month of October 1996.

Prior to the 1998 open enrollment in December of 1997, the average premium increase will be recalculated. If the average premium exceeds 114% of the base month premium using the method as referred to earlier, employee contributions will be recalculated. If the average premium is less than 114% of the base month premium (October 1996), then there will not be an employee contribution in 1998.

Prior to the 1999 open enrollment in December of 1998, the average premium increase will be recalculated. If the average premium exceeds 121% of the base month premium using the method as referred to earlier, employee contributions will be recalculated. If the average premium is less than 121% of the base month premium (October 1996), then there will not be an employee contribution in 1999.

The County will provide to the Union prior to January of each year the County's actual premium costs for its health insurance plan(s) for the prior calendar year. In the event that the County has received a refund of insurance premiums from the insurance company for the previous calendar year and each employee was required to pay a portion of his/her health insurance premium in that year, each employee employed on December 31st of the current year will be refunded the lesser of the employee's pro-rata share of the refund or the actual amount he/she paid in the previous calendar year. Payment will be made in the form of an Accounts Payable check by April 30th of the upcoming year. Refunds will be made only to those employees whose refund amount is \$5.00 or more. In no case will employees receive refunds greater than their actual contributions.

EXAMPLE A: In total, employees contributed \$20,000 toward their health insurance coverage in 1995. In September, 1996, the County received a refund of \$50,000 from the insurance company. Each employee employed on December 31, 1996 will receive a refund of 100% of his/her actual contributions made in 1995.

EXAMPLE B: In total, employees contributed \$20,000 toward their health insurance coverage in 1995. In September, 1996, the County received a refund of \$10,000 from the insurance company. Each employee employed on December 31, 1996, will receive a refund equal to 50% of his/her actual contributions made in 1995.

EXAMPLE C: In total, employees contributed zero dollars toward their health insurance coverage in 1995. In September, 1996, the County received a refund of \$10,000 from the insurance company. Since employees did not contribute towards their health insurance coverage, employees will receive no refund.

During the period that the labor agreements regarding health insurance are in effect, Bay County will make reasonable efforts to ensure that all four medical plan options are available to employees subject to the agreements. However, Bay County reserves the right to negotiate with any insurers or administrators of medical plans and to award plan contracts and designate insurers and administrators of its own choosing as long as comparable coverage is maintained.

RETIREES

(B) The County shall continue the coverage for members only who retire after January 1, 1975. The retired member shall be required to contribute toward the cost of coverage only if contributions are subsequently required under the terms of this contract for active employees who elect employee only coverage in 1997, 1998 and 1999. For retired members who are under age 65 or otherwise not eligible for coverage under Medicare, such contribution shall be the exact dollar amount required of active employees for employee only coverage. For retired members covered by Medicare, such contribution shall be one half (1/2) of the amount required of active employees for employee only coverage.

The County shall provide paid health care benefits for the current spouse (at time of employee's retirement) in an amount equal to 50% of the difference between the premium required to purchase employee/one dependent coverage and the premium for

employee only coverage. The premiums used to determine the County provided spouse benefit shall be determined in accordance with Section A of this contract.

Health care benefits for current spouse shall be paid for as long as retirement benefits are being paid to the retirees effective the date of signing of this contract.

The obligation of the Employer to pay for health insurance for the retiree and/or retiree's spouse shall cease in the event that comparable health insurance is available to the retiree or his/her spouse through another Employer or other source. For example, if the retiree accepts other employment and health insurance is available from that Employer, then the County's obligation to the retiree and spouse shall cease, or in the event that the retiree is eligible for health insurance through his/her working spouse, the County shall not be obligated to provide health insurance benefits. All questions of eligibility shall be determined by the rules and regulations established by the carrier providing such coverage. However, if the retiree's health insurance through another Employer ceases or if covered by his/her spouse's health insurance and the benefits cease or are not comparable with the Bay County Health Insurance Plan the retiree and his/her spouse shall have the right to revert to the County of Bay Health Insurance Plan. In the event of the death of the retiree, the deceased retiree's spouse who was otherwise previously qualified shall have the right to revert to the County of Bay Health Insurance Plan.

To be eligible to receive Employer payments for benefits as set forth herein, the retiree and/or his/her spouse must coordinate with other available governmental health insurances such as, but not limited to, Medicaid and Medicare, which may be available in part or in total to the retired employee and/or his/her spouse. The retiree and/or the retiree's spouse receiving health benefits under this contract shall be required to apply for Medicaid, Medicare or similar Federal program benefits as soon as he/she is eligible. As of the date of eligibility, all benefits payable by the Employer shall be reduced by an amount equal to the Federal benefits or other benefits available and shall be supplemental to such coverage. In the event that the name of any of the coverages or benefits referred to are changed, the replacement programs shall apply to the above replacements.

SECTION 2 - SICK AND ACCIDENT INSURANCE

A. The County will provide "Sickness and Accident" insurance or self-insurance for employees covered by this Agreement after an employee has served their initial probation period. Said insurance payments shall become operative on the thirty-first (31) calendar day after occurrence of verified disability unless the employee first chooses to utilize available vacation or sick days, and will provide payment of seventy five per cent (75%) of the employee's regular base rate of pay to a maximum of \$300 weekly for a period not to exceed fifty-two (52) weeks for any one disability under the conditions of the insurance policy or County self-insured conditions. Effective January 1, 1997, the sickness and accident benefit weekly maximum shall be \$309. Effective January 1, 1998, the sickness and accident benefit weekly maximum shall be \$318. Effective January 1, 1999, the sickness and accident benefit weekly maximum shall be \$328. Medical verification shall be required as determined by the Employer.

B. Payments shall be less any amounts available from other sources including any local, state or federal government.

C. If it is determined that an employee will not return to work and if eligible for pension under the County's Retirement System, such retirement shall not be deferred in order to collect on this benefit.

D. A reoccurrence of a previous illness which occurs within six (6) months of return to work shall be considered to be a continuation of that illness for computation of the sick and accident benefits.

E. The County shall furnish a copy of the policy to each employee. The County shall immediately notify the Union of any proposed change of insuring company and/or policy wording. This change shall then be subject to negotiation.

F. Time spent on sickness and accident shall not count toward earning sick, vacation, or personal days.

G. Available sick and vacation days may be used to receive payments during the thirty (30) day waiting period.

H. Benefits (except for health and life insurance) shall neither accrue nor be paid while an employee is on sick and accident coverage. Seniority shall be accrued while an employee is on sick and accident coverage effective January 1, 1988.

APPENDIX A

Option 1 is a Comprehensive Major Medical plan, meaning that each calendar year the employee must satisfy a deductible before the plan will begin to pay benefits. The annual deductible is \$100 per individual or \$200 per family. After the deductible has been satisfied, the plan plans 90% of covered expenses. The employee pays 10% of most covered expenses up to an annual maximum of \$1,000 per employee. Thereafter, the plan pays 100% during the balance of the calendar year of covered expenses up to \$1 million per member per lifetime.

The plan pays 50% of covered expenses for both outpatient psychiatric services and private duty nursing. The plan will pay no more than \$2,000 per member per year or \$5,000 per member lifetime for outpatient psychiatric services and no more than \$15,000 per member per year and \$30,000 per member lifetime for all psychiatric services (i.e., both inpatient and outpatient).

The employee pays \$3 for each refill of certain prescription drugs prescribed by a physician.

Option 2 is also a Comprehensive Major Medical plan, however, the annual deductible is \$250 per individual or \$500 per family. After the deductible has been satisfied, the plan pays 80% of covered expenses. The member pays 20% of most covered expenses up to an annual maximum of \$1,000 per employee. Thereafter the plan pays 100% of covered expenses during the balance of the calendar year up to \$1 million per member per lifetime. The plan payment provisions for psychiatric services and private duty nursing are identical to Option 1.

The employee pays \$5 for each refill of certain prescription drugs prescribed by a physician.

In addition, Option 2 provides coverage for dental and vision expenses. The plan pays 75% of preventive and diagnostic dental expenses such as examinations, x-rays and cleanings. 50% of restorative and prosthodontic expenses such as fillings, bridges and dentures are paid by the plan. The plan will pay up to \$800 per member per calendar year. In addition, the plan pays 50% of orthodontia expenses up to \$800 per member per lifetime.

The employee pays \$5 for vision testing and \$7.50 for glass lenses and frames. The plan will pay the remainder of the reasonable and customary charge once every two years. The plan will pay \$35 toward the cost of contact lenses once every two years.

Option 3 is a Health Maintenance Organization (HMO) plan which identifies certain physicians, hospitals and pharmacies from which a member may obtain services. Services obtained from any other providers are not covered under the plan.

Members pay \$5 for each visit to the doctor's office including services such as well-child care and immunizations which are not covered under Option 1 or 2. Members are also required to pay \$5 for prescription drugs.

Visits to an emergency room require a \$25 payment by the member. The plan pays 50% for outpatient treatment of psychiatric or substance abuse conditions up to a maximum of 20 visits per year. The HMO plan does not include coverage for dental or vision expenses.

Option 4 is the Preferred Provider Organization (P.P.O.) Plan.

APPENDIX B
ANIMAL CONTROL LETTER OF UNDERSTANDING

At its meeting on February 6, 1990, the Ways and Means Committee of the Bay County Board of Commissioners voted unanimously to fund the \$7,000 shortfall in the Animal Control budget. This shortfall was the projected cost of returning the one officer from layoff after contract concessions were agreed to. Those contract concessions are addressed in this letter of understanding:

1. Reinstatement of one Animal Control Officer.
2. Layoff of two License Enforcement Workers (part-time).
3. Elimination of stand-by pay for each Animal Control Officer.
4. Weekend and Holiday Feeding and Cleaning Hours: One Employee or more shall work two and a half hours per day to do weekend or holiday feeding and cleaning as determined by the Director.
 - A. Compensation for weekend cleaning and feeding will be at time and one-half pay. Compensatory time may be granted in lieu of pay at the discretion of the Director.
 - B. Compensation for holiday cleaning and feeding will be four hours pay. Compensatory time may be granted in lieu of pay at the discretion of the Director.
5. The addition of overtime pay at time and one half for emergency calls after normal working hours. Minimum call out time of two hours. No compensatory time off and no maximum time.

In addition, the following points were agreed to in the joint meeting that was held between Administration, U.S.W.A. and the Animal Control Department on (date).

1. Weekend and holiday cleaning and feeding will be done on a rotational basis. There is currently a rotational schedule established at the Animal Shelter. Employees have the right to switch their schedules out of the normal rotation if it is mutually agreeable between employees. If the scheduled employee is ill, another employee may volunteer to clean and feed. If no one volunteers, the next person on the rotation schedule will clean and feed.

2. 911 Central Dispatch will contact Animal Control Officers on a seniority basis. A seniority list will be provided. 911 will attempt to contact the most senior Officer first. If this Officer is not contacted, 911 will continue attempts to contact an Officer, according to seniority, until an Officer is contacted or until such attempts prove fruitless. The Director will be the last person contacted. 911 Central Dispatch will be responsible for screening calls regarding animal complaints, not the Animal Control Director. If the emergency is of a questionable nature, the responding officer will attempt to contact the Director. If the Director cannot be reached, the officer is to make a decision, pursuant to the established policy, to respond or not respond. The following emergency calls will be responded to:

A. Police/Fire/Medical Agencies: Assist with animals in impounded vehicles, entering property where vicious animals may be located, traffic accidents that may require the assistance of an Animal Control Officer, or other requests required to allow emergency agencies to accomplish their duties.

B. Bite Cases: Involving stray animals and owned animals when the owner is not available or not able to take the animal under control. Bite cases involving rodents and lagomorphs are not included for response by an Animal Control Officer.

chipmunks	gerbils	gophers
hamsters	guinea pigs	moles
rabbits	squirrels	mice
rats	shrews	

C. Injured/Sick: Stray domestic animals or owned domestic animals. Owned domestic animals will be responded to for a fee. (Fee schedule is set by County Board of Commission.)

All attacking dog complaints are to be directed to the proper police agency. Attacking dog complaints cannot be responded to within an appropriate time span by an Animal Control Officer.

3. Officers responding to an emergency after hours call will be paid time and one-half with a minimum of two hours.
4. The officer who responds to an emergency between the hours of 12:00 a.m. and 6:00 a.m. may elect not to report for the normal work day starting time. He may elect to report for work at 10:00 a.m. He can use vacation time or personal leave time for the two hours of lost work or work an eight-hour shift (10:00 a.m. - 7:00 p.m.) at his/her discretion, if the Department is open to the public until 7:00 p.m. on that specific day.

This agreement is effective January 1, 1997, and is hereby agreed to by the following parties:
