ARTICLE 2 NO STRIKE PROVISION

2.1: During the life of this Agreement, the Union will not cause its members to cause, nor will any member of the Union or other employees represented by the Union take part in any strike against

the Employer as defined in Act 379, P.A. 1965. Notwithstanding the foregoing, in the event any members of the Union or employees represented by the Union violate this Agreement, the Union will use its immediate, best and continuing efforts to cause full and prompt resumption of work and operations.

ARTICLE 3 RECOGNITION

3.1: Employees Covered. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, Brownstown Township does hereby recognize the Union as the sole and exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement for the employees of Brownstown Township included in the bargaining unit as described below:

All full time and part time Patrol Officers, Detectives, Dispatchers/Clerks and Typists of Brownstown Police Department; excluding the Chief of Police, Deputy Chief, Inspectors and all other employees, including those represented by COAM.

ARTICLE 4 AID TO OTHER UNIONS

ARTICLE 5 AGENCY SHOP AND CHECK-OFF

5.1: All employees in the bargaining unit shall, on the thirtieth (30th) day following the beginning of their employment, or the execution of the collective bargaining agreement, whichever is later, as a condition of employment or of continued employment, either:

- A. Become members of the Union; or

- B. Fulfillment of its responsibilities by sending written notice to the employee (copy to

the Township Board) that he has not fulfilled his obligations by the requisite date and that a request for his termination was being made to the Township Board.

- C. By stating in the request for termination that such request is in conformance with the provisions of this Article, that the employee has not complied with his obligations; that it is an official request of the Union, and that the "save harmless" clause shall be put into effect.

5.3: If an employee has tendered directly to the Union his membership dues or the service fee, or has a written authorization in effect requiring the deduction of dues or service fee, the employee shall not, under any circumstances, risk the loss of job because of a lack of good standing in the Union. The Union cannot cause the discharge of an employee who has resigned from or has been expelled by the Union for any reason other than his failure to tender the dues or service charge to the Union.

5.4: In the event an employee does not tender his payment of dues or service fee directly to the Union, he may execute a written authorization to the Employer for deductions from his pay. Such written authorization must be voluntary and the service fee deduction is revocable. The deductions permitted under the authorization shall be:

- A. Union Member - the regular and equal amount of union dues and fees.
- B. Non-Member - the regular and equal amount of union dues and fees (referred to as "service fees"), excluding fines and assessments.

5.5: Employees shall be deemed to be members of the Union within the meaning of this section if they are members in good standing and not more than sixty (60) days in arrears in payment of membership dues.

5.6: Remittance of dues shall be payable to the POAM. Deductions for any calendar month shall be remitted to the designated financial officer of the Union with a list from whom dues have been deducted between the fifteenth (15th) and thirtieth (30th) day of the current month.

5.7: Termination of check-off: An employee shall cease to be subject to check-off deductions beginning with the month immediately following the month in which he is no longer a member of the bargaining unit. The Union will be notified by the Employer of the names of such employees following the end of each month in which the termination took place.

5.8: Disputes concerning membership: Any dispute arising as to an employee's membership in the Union shall be reviewed by the designated representative of the Employer and representatives of the Union if not resolved may be decided at the final step of the grievance procedure.

5.9: The Union will protect and save harmless the Employer from any and all claims, demands, suits and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article of the Agreement.

5.10: When Deductions Begin. Check-off deductions under all properly executed authorization for check-off of dues forms shall become effective at the time that the application is signed by the employee and shall be deducted from the 2nd pay of the month and each month thereafter.

ARTICLE 6

6.1: The Employer will not discriminate against any employee with respect to hours, wages, terms or conditions of employment by reason of his membership in, or participation in the activities of the Union.

6.2: The Union agrees to continue to admit persons to membership without discrimination on the basis of race, creed, color, sex, national origin or marital status.

6.3: The Employer agrees to continue its policy of not discriminating against any employee or applicant for employment on the basis of race, creed, color, sex, national origin or marital status.

ARTICLE 7
REPRESENTATION

7.1: The employees shall be represented by the Union.

7.2: The local Union shall furnish in writing the names of all local Stewards or Officers upon their election or appointment by the Union.

7.3: Each local Steward or Officer shall be allowed time to investigate any grievance occurring within his respective area of representation during his scheduled working hours without loss of pay. Should it become necessary for a Steward or Officer to leave his place of work in order to investigate a grievance, the Steward or Officer shall first notify his immediate supervisor of the name of the employee he is going to see, and shall allow his immediate supervisor to make arrangements to insure an uninterrupted work schedule when necessary before leaving the work to which he is assigned. Such arrangement shall be made within a reasonable period of time. The Steward or Officer shall notify his immediate supervisor upon his return to work. The above privilege is extended to Steward or Officers with the understanding that such time will be devoted solely to the prompt handling of the grievance and will not be abused.

7.4: There shall be a Grievance Committee composed of not more than three (3) employees, which shall consist of the President and two (2) Stewards or Officers of the Union. The local Union shall furnish the Employer with the names and addresses of the members of the Grievance Committee upon their election or appointment by the Union together with such changes as they occur.

7.5: Should the members of the Grievance committee be required to attend a grievance meeting during their scheduled working hours, they shall do so without loss of pay.

ARTICLE 8
GRIEVANCE PROCEDURE AND ARBITRATION PROCEDURE

8.1: Grievance Definition. A grievance under this Agreement is a written dispute, claim or complaint arising under and during the term of this Agreement and filed by either an authorized representative of, or an employee in, the Bargaining Unit. Grievances are limited to matters of interpretation, violations or application of express provisions of this Agreement.

8.2: Grievance Procedure. Any grievance or dispute which may arise between the parties,

including the application, meaning or interpretation of this Agreement, shall be settled in the following manner:

Step 1. Any employee having a grievance shall first take up the matter with his immediate supervisor and the Union if so desired by the employee within thirty (30) days of occurrence or discovery thereof. The supervisor shall attempt to adjust the matter and shall respond to the Union or employee within five (5) working days.

Step 2. If the grievance has not been settled, it shall be presented in writing by the Union to the department head within ten (10) days after the supervisor's response is due. The department head shall respond to the Union or the Grievance Committee in writing within ten (10) working days.

Step 3. If the grievance still remains unadjusted, it shall be presented by the Union to the Township Board or its designated representative in writing within twenty (20) days after the response of the department head is due. The Township Board shall respond in writing to the Union within twenty (20) working days after the Township Board received the grievance.

Step 4. If the grievance is still unsettled, the Union may, within fifteen (15) days after the reply of the Township Board is due, by written notice to the Employer, request arbitration.

The arbitration proceeding shall be conducted by an arbitrator to be selected by the Employer and the Union. Expenses for the arbitrator's services and the proceedings shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If the parties fail to select an arbitrator within ten (10) days, the Union shall request a list of arbitrators from the Federal Mediation and Conciliation Service (FMCS).

In the event that either party is not satisfied with the original list, the Union shall request a second list from the FMCS.

The arbitrator shall be selected by the parties alternately striking a name until one name remains, the remaining name shall serve as the arbitrator.

The arbitrator will not add to, subtract from, change or amend any of the terms of the Contract, but will only concern himself with the interpretation and application of the terms of this Contract as it applies to the Grievance presented.

If the arbitrator's decision is within the scope of his authority, it will be final and binding on the Union, its members, the employee or employees involved and the Board.

The arbitrator shall submit his decision to the parties within thirty (30) days after the case is submitted, unless the time is extended by mutual consent.

Any grievance not advanced to the next step by the employee within the time limit in that step, or if no time limit is specified, within ten (10) days will be deemed abandoned. Time limits may be extended by the Employer and the Union, in writing, and if so, the new time will prevail.

All grievances shall be filed within thirty (30) days of the alleged violation.

8.3: All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned less any unemployment compensation or compensation for personal services that he may have received.

8.4: The Township Board will grant a necessary and reasonable amount of time off during straight time working hours to the Union representative who must necessarily be present for direct participation in grievance adjustments with management.

Such Union Representative shall first receive permission from his immediate supervisor to leave his work station and shall report back promptly when his part in the grievance adjustment has been completed. Any employee who takes an unreasonable or unnecessary amount of time in grievance procedure adjustments shall be subject, after a written warning, to have this right revoked.

8.5: The decision of the arbitrator, in any case, shall not require a retroactive wage adjustment in any other case.

8.6: In no event shall the Township's condonation of any past infractions of any work rule, regulation, duty, responsibility or policy be found to mitigate, in whole or in part, any discipline imposed by the Township for any work rule, regulation, duty, responsibility or policy. Provided, however, that this shall not be construed so as to permit the Employer to impose any discipline in an arbitrary, capricious or unfair manner.

ARTICLE 9 DISCHARGE CASES

9.1: The Employer agrees that an employee shall not be peremptorily discharged from and after the date of this Agreement, but that, in all instances in which the Employer may conclude that an employee's conduct may justify suspension or discharge, such employee shall first be suspended. In cases of suspension, the Steward, or in his absence, his alternate, shall be called and the reasons for suspension shall be explained in the employee's presence. Such initial suspension shall not be for more than five (5) working days and, if the suspension is converted into a discharge, such discharge, shall not be made effective until the end of said five (5) day period. A written statement of the reasons for a discharge shall be given to the affected employee and to his Steward. The Employer shall decide, during the aforementioned five (5) working day period, dependent upon the facts of the case, whether the suspension without pay already given is considered sufficient, should be extended or reduced, should be converted into a discharge or that no discipline should have been given.

9.2: In the event the affected employee believes that his discharge under Section 9.1 above is unjust, the matter may be processed through the grievance procedure starting at the second step thereof provided he files a written grievance at that step after the date of discharge.

9.3: In the event it should be decided by the Employer or under the grievance procedure that the employee was unjustly discharged or excessively disciplined, the Employer shall reinstate such employee and pay full compensation, partial or no compensation as may be decided under the grievance procedure which compensation, if any, shall be the employees regular rate of pay as of the start of the suspension.

11.2: Seniority of an employee who is reemployed from a seniority list in the same unit or division that he was laid off from shall be restored to its status as the date he left the service of the employer.

11.3: Notice of recall shall be sent to the employee at his last known address by registered or certified mail. If an employee fails to report to work within ten (10) calendar days from the date of the mailing of notice of recall, he shall be considered to have quit. Extensions may be granted in proper cases.

In the event that there are no employees with four (4) years seniority within the next lower rank, then the Employer can disregard this requirement in order to achieve a competitive examination. In the event there is only one (1) person in the next lower rank then the employees within the second lower rank may compete for the vacancy.

13.3: All promotions to a higher position within the bargaining unit will be based on the following formula:

The matter may then become a proper subject for the second step of the Grievance Procedure.

13.6: In cases where the employee reverts back as outlined in Section 13.4 above, the next employee on the list will be considered to fill the promotion.

23.3: All dispatchers who trade shifts between themselves shall only be paid eight (8) hours for the 2nd shift so traded even though it may be consecutive.

23.4: There shall be no pyramiding of overtime by an employee.

23.5: The Employer shall cause each affected department to maintain a proper list of overtime assignments so as to insure fair distribution of overtime among eligible employees. An employee refusing overtime shall be charged with that time as though worked.

23.5: No part-time hourly police officer shall be called for overtime to fill a full-time position when full time employees are available and willing to work.

23.6: Late Time. Employees shall be docked for reporting late for work. Docking shall be in increments of fifteen (15) minutes.

ARTICLE 24 EMERGENCY WORK

ARTICLE 25 RESIDENCY

25.1: All employees (police and dispatch) shall be allowed to live in communities located within a

12-mile radius of the Township Hall. If a community is located within that 12-mile radius, the employees will be permitted to live anywhere within the borders of that community. Employees, however, are not permitted to live outside of the United States (i.e., Canada).

ARTICLE 26 SAFETY AND HEALTH

26.1: Responsibility. Both parties to this Contract shall hold themselves responsible for mutual cooperative enforcement of safety rules and regulations.

26.2: Safety Committee. Both parties to this Contract shall establish a Joint Safety Committee consisting of two (2) representatives of the Union, two (2) representatives of supervisory personnel and one (1) member of the Township Board, immediately upon ratification of the new Contract, and shall formulate a Code to include Safety Rules that would bring the Township into compliance with all state laws, rules and regulations applicable. Both parties agree to enforce such a code.

ARTICLE 27 HOSPITALIZATION AND SICK BENEFITS

27.1: The Township shall provide medical and hospital coverage for employees and their immediate families which coverage shall be equal to Blue Cross and Blue Shield Preferred plans which provide hospital and medical service and a prescription rider with a \$3.00 deductible. The Township shall have the right to select the carrier for all plans so long as the plans are equal to or superior to the Blue Cross Preferred Plan. Employees shall also be allowed to select the M-Care P.O.S. Option in lieu of the coverage provided by the Township with the understanding that if the M-Care Option costs more than the coverage already provided, the employees electing the M-Care option shall pay the incremental difference.

27.2: The Employer will allow for a 6% increase in the average cost of the benefits to the Employer for the plan years 1997-1998 and 1998-1999. In the event that the average cost of coverage rises in excess of 6% in any one year, upon request of the Employer, this provision of the collective bargaining agreement shall be reopened and negotiations shall commence between the Union and the Employer regarding medical benefits in an attempt to bring the average cost of these benefits below the 6% ceiling. In the event that the Union and Employer cannot resolve the matter by negotiation, the issue will be submitted to binding arbitration for resolution.

27.3: Each employee shall certify in writing that they are not covered by another insurance carrier under a spouse, parent or guardian's insurance plan. Those employees covered under a separate insurance plan shall be required to choose either the Township plan or the separate insurance plan. No employee shall have double hospital/medical coverage. Provided, however, that in the event the employee's spouse or parent has a medical/hospital insurance plan which does not provide comparable benefits to that which is afforded to the employee and for which the employee's spouse cannot decline coverage because of the plan requirements, then and in that event, this provision shall be waived.

27.4: Employees who choose not to be covered by the medical/hospital insurance and who do not take out such insurance, shall be paid fifty (50%) percent of the employers net savings for each full insurance plan year for which they are not insured on a pro rata (per month) portion thereof for the balance of the insurance plan year which is being discontinued. (The present insurance plan year is from July 1 to June 30). The employee shall be paid at the time of discontinuing the plan for the

months which the insurance is discontinued for the employee.

27.5: Insurance Benefits for Retired Employees. Township will provide medical/hospital coverage for an employee and his/her spouse for each employee who meets the following qualifications at retirement:

- is at least 50 years of age with at least 25 years of service, or
- is at least 60 years of age with at least 15 years of service.

Township shall pay the monthly cost of medical coverage premiums, for each employee and his/her spouse until he reaches the age of 65. Thereafter, the Township shall contribute to the monthly premium for Medicare cost.

If the employee (or spouse) becomes employed elsewhere and has comparable medical coverage available through that other employer, then the medical coverage afforded by that employer or other source shall be accepted by the employee and the insurance made available herein shall be discontinued.

In the event the employee again becomes ineligible for insurance coverage from the other employer or source, then the employee shall be reinstated to the Township medical/hospital plan.

27.6: Disabled Employees. If an employee has a total duty related disability, the employer will maintain medical, dental and optical insurance for the employee, employee's spouse and dependent children under the age of 18, with the following conditions:

- A. "Total Disability" shall be defined as "The employee is completely unable to perform the material duties of any and every gainful occupation or employment for which the person is or becomes reasonably fitted by education, training or experience." The Township shall have the right to obtain an independent medical examination of any employee claiming a total disability provided the Township bears the cost of such an examination.
- B. If comparable insurance is available through any other source, the employee has to utilize the other insurance, in the same manner as provided for retirees under Section 27.5. Should the other insurance lapse, the employee, spouse and dependents would again become eligible for the plan.

27.7: Duty Related Death. The health insurance of an employee killed in the line of duty shall be continued for the employee's spouse and dependent children. The health insurance coverage for the spouse shall continue until such time as the spouse is eligible for comparable health insurance through another source, or becomes eligible to receive Medicare/Medicaid, whichever occurs first. The insurance coverage for a dependent child shall continue until the child attains his/her 18th birthday or is eligible for other comparable coverage, whichever occurs first.

27.8: In the event a mandated health insurance program is instituted, the parties hereto shall reopen the contract as to this issue only.

27.9: Dental. The Employer shall provide to each full-time employee the existing Dental Plan Coverage with a 50/50 orthodontic (rider limited to) a maximum lifetime limit of \$1,000.00, to apply

to dependents up to the age of nineteen (19).

The Employer will provide one hundred (100%) percent for Class I (Diagnostic services, preventative services and palliative treatment).

27.10: Optical. The Employer will provide each full-time employee with the Family Optical Plan currently in effect.

27.11: Hearing Aids. The Employer will obtain and provide each full-time employee with the Blue Cross Blue Shield Hearing Care rider, or the equivalent.

27.12: Group Life Insurance and Sick Benefits. The Employer agrees to provide each full time employee in the bargaining unit with a twenty-five thousand (\$25,000.00) dollar Group Life Insurance Policy. In addition, the Employer shall provide each full-time employee with an accident and sickness disability policy whereby the employee shall be paid sixty-six and two thirds (66 2/3) of his base pay, up to a maximum of one hundred fifty (\$150.00) dollars for twenty-six weeks for disability due to a non-employment injury or illness. Said payments shall commence on the first day in case of accident or hospitalization and on the eighth (8th) day in case of illness. Commencing six (6) months after the disability, employees are eligible for payment of sixty percent (60%) of salary up to a maximum of four thousand dollars (\$4,000.00) per month, payable to age 65. Provided, however, that the amount of the premium to be paid by the Employer to obtain such coverage shall not exceed five thousand dollars (\$5,000.00) per month to the Employer for the Department. The maximum would be offset by any other disability payment such as worker's compensation or social security and shall apply to both duty and non-duty disability. The benefits provided shall be controlled by the insurance policy language relating to such benefits, and in the event of any dispute, the insurance contract language shall prevail.

27.13: Full-time employees shall be entitled to utilize sick leave for all time not covered by sickness and accident benefits. Full-time employees shall be further entitled to use a pro-rata share of unused sick leave to be applied concurrent with sickness and accident disability insurance benefits so as to provide them with a full weekly pay until such time as the employee's sick leave is exhausted.

27.14: All part-time police officers shall be entitled to a maximum benefit equal to one hundred fifty (\$150) dollars per month on medical insurance.

27.15: Part-time police officers and dispatcher/clerks receive no other benefits.

ARTICLE 28 SICK LEAVE AND PERSONAL LEAVE

28.1: Sick Leave and Personal Leave.

A. Sick leave shall not be considered a privilege which an employee may use at his or her discretion or as a supplement to vacation time, but shall be allowed only in case of actual sickness or disability of the employee or because of illness in his or her immediate family, as set out below. The Chief of Police will promulgate a policy and procedure relating to the use, scheduling and reporting of leave time, including sick and personal time.

B. Long Term Sick Leave. The Employer shall continue the Sickness and Accident Insurance

coverage as provided in Article 27, Section 27.12. In addition, that coverage shall be supplemented so that, including the payments for sickness and accident insurance coverage, an employee shall receive full pay for time off work due to verifiable personal sickness or accident equal to a period of two (2) months for each completed year of service with the Township to a maximum of eighteen (18) months of coverage. Employees with less than one (1) year of service shall receive a prorated share of sick leave. The period of a leave of absence shall not count as service time with the Township for purposes of determining the amount of an employee's sick time coverage. Once an employee has utilized sick time benefits, the employee has lost those benefits, and additional sick time must be earned through time worked after the employee's return from sick time. Sick time shall not be counted as service time in rebuilding the employee's coverage.

C. Short Term Sick Leave. Each employee shall receive a total of sixty (60) hours each year to allocate toward short term illness or injury, to be used in the manner specified below. All time which has not been used at the end of the calendar year shall be paid at the regular hourly rate. In order to equalize the time allotment between those employees working a 12-hour shift and those working an 8-hour shift, all short term sick leave shall be charged or paid as if the employee is working a 12-hour shift, e.g., an employee working an 8-hour shift who uses one short term day shall have 12 hours charged against his bank; conversely, an 8 hour shift employee who has one unused short term day remaining at the end of the calendar year shall be paid 12 hours at straight time. However, in no event shall any employee who uses 200 hours or more total sick time in any calendar year be paid for any unused "short term" time at the end of the calendar year.

D. Personal Business Leave

- 1) Each employee shall also be allowed 2 personal business days each calendar year, (i.e., 8 hours per incident for employees on the eight hour shift, or twelve (12) hours per incident for employees on the twelve hour shift). Personal business leave shall be requested 24 hours in advance. Personal business leave may also be requested upon less than 24 hours notice with the approval of the Chief or his designee.
- 2) An employee shall not be paid for unused personal business time, nor shall such time be carried over into a succeeding calendar year.

E. Charge Against Credits. An employee may utilize his or her sick leave as referenced in subsection (C) above for the following reasons:

Short Term Sick Leave.

- (1) Due to personal illness or physical incapacity caused by factors over which the employee has no reasonable control.
- (2) Due to exposure to contagious disease as a result of which the health of others may be endangered by the employee's attendance on duty.
- (3) Due to a verified illness or injury to a member of the employee's immediate family, if that family member resides in the household of the employee and if circumstances are such that the family member requires the employee's personal care and

attention. The term "immediate family" shall be defined as the spouse, children, parents, grandparents, brothers or sisters of the employee.

- (4) For male employees, to attend and assist at the birth of his own child.
- (5) To report to the Veteran's Administration for medical examinations or other purposes relating to eligibility for disability benefits or medical treatment.

It is understood that any time utilized under subsections E(3) and (4) above shall be deducted from the employee's allotment of "short term" time as provided in subsection (C). Nothing in subsection (E) shall be construed as creating or recognizing a "family sick" bank or any other separate allotment of sick time. It is the responsibility of the employee to supply verification of the nature and extent of any illness or incapacity of a family member for time off taken under (E)(3) above if requested by the Chief of Police or his designee.

Long Term Sick Leave. Long term sick leave, as referenced in section B above, may be utilized only for the purposes set out in E(1), (2), and (5) above.

F. Use of Time and Method of Reporting. The following procedures shall apply to the use and reporting of sick leave:

- (1) An employee shall receive full pay for time off without providing medical certification for a time period not to exceed two days, i.e., 16 hours per incident for employees working the eight hour shift or 24 hours per incident for employees working the twelve hour shift. Sick leave shall not be used in increments of less than one half day.
- (2) An employee absent for more than 16 hours per incident on the eight-hour shift or 24 hours per incident on the twelve-hour shift shall be required to produce evidence verifying the adequacy of the reason for his or her absence during the time for which leave is requested. Such evidence shall consist of at least a physician's certificate. Management shall reserve the right to require a medical examination or proof thereof, of all employees whenever a request for sick leave is made. In no event shall an employee have an unexcused absence of more than 16 hours on the 8-hour shift or 24 hours on the 12-hour shift.
- (3) All sick leave taken of whatever duration, shall first be charged against the 60-hour allotment of "short term" time referenced in section (C), up to a maximum of one day for the first occurrence and two days for each occurrence thereafter, regardless of whether the employee is working the 8 or 12-hour shift. All time shall be charged against the bank as set out in section (C). If an absence extends beyond two days per occurrence, the employee shall produce verification of illness or injury as required in subsection 2 above, in which case the balance of the absence may be charged against the long term bank. If an employee has exhausted his or her allotment of "short term" time, all requests for sick leave of whatever duration shall require verification for the remainder of the calendar year.

EXAMPLE: Assuming adequate time remains in the short term bank:

- a) Employee takes 1 day off due to illness (8 or 12 hour shift) = 12

hours charged against short term bank;

- b) Employee takes 2 days off (same incident) due to illness (8 or 12 hour shift) = 12 hours against short term bank for first occurrence; 24 hours for each occurrence thereafter;
 - c) Employee sustains serious illness or injury, is absent 7 working days (8 or 12 hour shift) = first 12 hours charged against short term bank if first occurrence; 24 hours against short term bank if second or successive occurrence; the duration may be charged against long term bank assuming proper verification; balance of short term remains in bank;
 - d) End of calendar year, employee has 1 short term day remaining in bank unused (8 or 12 hour shift), and has not used 200 or more hours of total sick time in that calendar year, employee to be paid twelve hours at straight time.
- (4) The Physician's Certificate shall be provided on the appropriate form issued by the department and shall be submitted in the manner established by department policy.
 - (5) An employee absent from work for one of the reasons set forth in subsections E (1) - (5) above shall inform the department in the manner established by policy. Failure to properly report the absence at least one (1) hour prior to the start of his or her scheduled shift will be cause for denial of sick leave with pay for that day unless the employee can demonstrate that it was physically impossible for him or her to provide notification.
 - (6) Management reserves the right to conduct reasonable investigations regarding an employee's use of sick time whenever a request for sick leave is made. This includes the right to refer an employee to an independent medical examination by a health care professional of the employer's choosing, as well as requiring the submittal of pertinent medical records or other documents generated or reviewed by the employee's health care professional. The employer shall pay all fees for any independent medical examinations it requests.
 - (7) The employer may require further medical documentation, including medical examinations, every thirty (30) calendar days when an employee is on sick leave in excess of thirty (30) calendar days.
 - (8) The employee may use other accumulated time (comp. time, personal days, vacation) to supplement sick time.
- G. When it has been determined that an employee has violated the spirit and intent of the Sick Time or Personal Leave policies, the employee shall be subject to the following provisions:
- (1) All payments for Sick Time or Personal Leave taken in violation of the approved uses shall be ordered reimbursed or deducted from the employee's future earnings.
 - (2) Violation of the Sick Time or Personal Leave policy shall be grounds for disciplinary action, up to and including discharge.

H. Illness During Annual Leave. An employee who is ill for more than three (3) days while on annual leave, may, upon application to the Chief, have the duration of such illness charged against his sick leave reserve (long term) rather than against his annual (short term) leave, subject to the provisions in F(3) above. Notice of such illness must be given immediately to the Chief. Proof of such illness in the form of a physician's certificate shall be submitted to the Chief by the employee. The Chief may require additional verification, including an independent medical examination. The Chief shall then determine whether or not such application shall be granted.

28.2: Layoffs, Transfers, etc. All accumulated and unused sick leave days shall be credited to any employee recalled from a layoff, appointed from a re-employment list, or returning from a leave of absence.

28.3: Listing Employee's Sick Time. By means of a quarterly report, the Employer shall make available to the Union a listing of the vacations and sick time of each employee.

ARTICLE 29 BEREAVEMENT LEAVE

29.1: An employee shall be allowed up to seven (7) calendar days, commencing with the date of death, as Bereavement Leave Days, not deducted from sick leave or personal leave, for a death in the immediate family. The term "immediate family" shall mean parents, adopted parents, step parents, spouse's parents, grandparents, grandparent-in-law, children, brothers, sisters, brother-in-law, sister-in-law, step sisters, step brothers, or spouse of the employee. All employees using Bereavement Leave shall provide written verification of the death of the member of the "immediate family".

The scope of the program does not include special seminars or "short courses" of a few days duration, which will continue to be considered on an individual and departmental training basis as in-service training.

B. General Provisions. The following provisions are established to govern the administration of the Township's Tuition Reimbursement Program:

- (1) Application for Tuition Reimbursement may be made by any employee who has completed his probationary period.
