Upon failure of an employee to comply within thirty (30) days of this employment to the terms of this paragraph, the Union shall notify the Superintendent of Schools, in writing, and said employee shall be dismissed.
- B. The Union will secure, protect, and save harmless the Employer from any and all claims, demands, suits, and costs which the Employer may incur or be charged in such suits, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with Section A, Article III, of this Agreement.

The Union shall deliver an executed authorization to the Employer before any deductions are made. The Union dues so deducted shall be remitted to the Union.
- D. The Union shall hold the Employer harmless on account of any Union dues or administrative fees deducted and remitted to the Union pursuant to the Agreement.

ARTICLE IV - SENIORITY

A. SENIORITY

Seniority for the purpose of the Agreement shall mean the employee's length of continuous employment in the classifications covered by this Agreement. Teacher aides employed by the Crestwood School District prior to May 7, 1985 shall not be displaced or suffer loss of employment to any teacher aide employed thereafter resulting from the annexation of the North Dearborn Heights School District.

The Union shall be furnished an up-to-date seniority list, stating name and seniority date at the beginning of each school year.

Where two or more present employees have the same date of hire a drawing of lots will occur within thirty (30) days after the approval of this contract to determine a ranking order for purposes of lay off and recall.

Article IV - Seniority (Continued)

The relative seniority of future employees hired on the same date shall be determined by ranking employees on the seniority lists in descending numerical order of the last four digit of their social security number.

B. PROBATION

1. Probationary Period

- a. A probation period of sixty (60) days worked shall be served by all teacher aides after being hired as a regular employee.
- b. Upon completion of satisfactory probation, the teacher aide's name will be placed on the seniority list from their date of hire.

C. REGULAR ASSIGNMENTS

When the School District creates a new position or declares a vacancy in the bargaining unit, the position or vacancy shall be posted at least five (5) working days. Seniority employees possessing the qualifications for the posted position, may bid by filing a written request within the posting period. If the qualifications, ability and merit are equal among applicants, then the high seniority employee shall be selected and given a trial period not to exceed thirty (30) working days. During the trial period, a seniority employee may be disqualified and returned to his/her former position and no grievance shall be filed.

A seniority employee who is not selected for a trial period, or a seniority employee who is disqualified during the trial period, may request the reasons for his/her bid denial or disqualification.

A. LAY OFF PROCEDURE

In the event the School District elects to lay off employees in the classifications of Library Aides, Learning Center Aides, Special Education Aides and General Education Aides, then probationary employees in the affected classification shall be laid off prior to seniority employees. Thereafter, seniority employees in the affected classification shall be laid off according to their District-wide seniority. Provided, however, an aide, based upon his/her District-wide seniority, may bump the least seniority employee in an equal or lower paying classification (i.e., library aide may bump a learning center aide or instructional aide and a learning center aide may bump a library aide or an instructional aide) if he/she is qualified to perform the work. An employee bumping into a lower classification shall serve a probationary period in the new position for 30 working days. Such days must be actually worked. In the event that the employee does not successfully complete the probationary period, he/she will again be laid off, the position declared vacant and the recall procedure provided below will be implemented.

In the event the School District elects to lay off employees in the Bus Aide classifications, (i.e., Special Education Bus Aide and General Education Bus Aide), probationary employees in the affected classification shall be laid off prior to seniority employees. Thereafter, seniority employees in the affected classification shall be laid off according to their District-wide seniority.

Article IV - Seniority (Continued)

There shall be no bumping into or out of the Bus Aide classifications in the event of a layoff in the bargaining unit. Provided, however, the Special Education Bus Aide, based upon his/her District-wide seniority, may bump the least senior employee in the General Education Bus Aide classification if he/she is qualified to perform the work.

When positions within a particular classification, (i.e., Library Aide, Learning Center Aide, General Education Aide, Special Education Aide, Special Education Bus Aide and General Education Bus Aide) are declared vacant by the School District, currently-working employees removed from that classification shall be transferred to the vacancy based upon their District-wide seniority. C. NOTIFICATION

No employee shall be laid off due to a reduction in staff, unless he has been notified in writing at least two (2) weeks prior to that layoff. Non-operation of schools due to conditions beyond the control of the Employer, such as but not limited to natural disaster, mechanical failures or strikes, shall not hold the Employer liable for notice of layoff.

- E. The number of days provided for the presentation and processing grievance in each step of the grievance procedure establishes the maximum time limits and any grievance not presented within the time limits provided at each respective step of the grievance procedure shall be deemed withdrawn; provided, however, the time limits set forth herein may be extended by mutual agreement between the Board, or its representative, and the aggrieved employee or the Union.
- F. If a grievance affects a group of employees or the bargaining unit as a whole, the Union may submit such grievance in writing to the Superintendent directly, and the processing of such grievance shall be commenced at Step. B.
- G. The cost of acquiring any arbitrators (excluding attorneys for the respective parties) shall be paid by the parties on an equal basis.

The steward or alternate shall report to his supervisor before commencing such activities and shall report back to said supervisor when said activity is finished.

 3. The activities described in (1) shall be the only Union activities for which release time without loss of pay will be allowed and then only as set forth therein.
- B. The Employer recognizes the limitations upon the authority of the steward and the alternate as outlined above, and shall not hold the Union liable for any unauthorized acts. The Employer in so recognizing such limitation shall have the authority to impose proper discipline, including discharge at its discretion, and without any warning notice, in the event the steward or the alternate shall take strike action, slowdown or work stoppage, or in any way interfere with the Employer's business in violation of this Agreement.
- C. The union shall notify the Employer, in writing, of the designated Steward and alternate.

However, said representative shall not interfere with the operation in any manner, and shall first report to the supervisor or other administrator when he first enters upon school property.
- C. The Employer shall provide each aide a "Notice of Intent" form on which the aide will indicate whether he/she will be returning to work for the ensuing school year. The completed "Notice of Intent" shall be returned to the Employer on or before the date indicated on the form and the aide will be provided an acknowledgement of receipt of the form.

An employee indicating on the "Notice of Intent" that he/she will not be returning may, within thirty (30) calendar days of the start of the school year, request in writing reemployment and to be placed on an eligible waiting list. If employed within that school year, the employee shall have his/her prior seniority reinstated with the seniority date adjusted to reflect that his/her seniority did not accrue while not employed.

An employee's failure to return the "Notice of Intent" will be deemed a resignation by the employee and will be recorded as a "resignation without proper notice" in the employee's personnel file.

- D. The Employer may grant necessary and reasonable time off, without discrimination or loss of seniority right and without pay, to any employee designated by the Union to attend a labor convention or serve in any capacity on other official Union business, provided five (5) days written notification is granted to the District by the Union, and further provided such time off, without pay, shall not exceed five (5) working days.
