## ARTICLE III

### Teacher Rights and Responsibilities

- A. Pursuant to Act 379 of the Public Acts of 1965; the Board hereby agrees that every teacher of the Summerfield School District shall have the right to freely organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation for mutual aid and protection. As a duly elected body exercising governmental power under cover of the law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitution of Michigan or the Constitution of the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

## ARTICLE VII

The parties recognize that the availability of optimum school facilities for both students and teachers is desirable to insure that high quality of education that is the goal of both teachers and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end.

- A. Because the student-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be lowered whenever possible to meet the following optimum standards, but in no event shall it exceed the following maximum standards except in traditional large group instruction or experimental classes where the Association has agreed in writing to exceed these maxima.

<b>Elementary</b>	<b>Optimum</b>	<b>Maximum</b>
Kindergarten-Second Grade	22	27

(This would also include up to an additional 30 hours per year for time when school instruction is not held during scheduled hours. IE. fog days, inservice time.)

- B. Resource room services shall be provided for those students who are eligible for such instruction when space, time and finances permit. In classrooms where special education students are "mainstreamed" (this does not include students who have been identified for resource room placement) appropriate consideration will be given to lowering class size to accommodate additional time requirements to deal with learning disabled students. Finances, scheduling and other related problems at the building or district level may also be considered.
- C. The Board and Association recognizing the proliferation of knowledge in all fields of study necessitates a constant review and revision of all existing materials in conjunction with the fructification of knowledge and changes in techniques. It is recognized that current texts are a helpful tool. It is desirable that no grade or class shall use text non-current to the times. As a matter of policy the elementary office will enter testing labels and height and weights on C.A. 60s.

The personal behavior of any teacher is not within the appropriate concern or

attention of the Board unless the behavior adversely affects the ability to function effectively as a teacher.

- L. The provisions of this agreement and the wages, hours, terms, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, or marital status or membership in or association with the activities of any employee organization.
- M. Two (2) copies of the Monroe County Library materials catalog and Monroe County Intermediate Instructional catalog shall be available in the school library, faculty workroom, and principal's office.

## ARTICLE IX

### Vacancies and Promotions

- A. Whenever any vacancy in any professional position in the school shall occur, the Administration shall publicize the same by giving written notices of such vacancy to the Association and providing for appropriate posting.
- B. Any teacher may apply for such vacancy. In filling such vacancy, the Board agrees to give due weight to length of service and certification in the district and the qualifications of the applicant. Non-bargaining unit persons shall not be hired for extra-curricular positions unless no qualified member of the bargaining unit has applied for said position. The acceptance or refusal to take an extra-curricular position shall not be a criterion for the discipline, demotion, or firing of any member of the bargaining unit. The Board, however, reserves the right to hire, and/or promote on the basis of its own judgement.
- C. Any teacher who desires a change in work location, grade level, subject area or position may make a request for such change at any time. Such requests shall be in writing to the principal and shall set forth the school, grade, subject area or position sought, and the teacher's qualifications.
- D. Prior to the effectuation of any involuntary transfer (i.e., a change in grade assignment in the elementary school grades, a change in subject assignment in secondary school grades, or a change in buildings), after the start of school, the appropriate administrator shall have a conference with the affected employee for the purpose of giving the employee reasons for the involuntary transfer.

## ARTICLE X

### Professional Qualifications and Assignments

- A. No new teacher shall be employed by the Board for regular teaching assignments who does not have a Bachelor's Degree from an accredited college or university, and a provisional or permanent certificate.
- B. The employment of teachers by individual contracts based on special certificates is to be permitted only in cases of absolute necessity and the Association shall be so notified in each instance and the Board shall indicate the extent to which they endeavored to fill the position with a fully certificated person.
- C. In extreme emergencies substitute teachers who possess less than provisional or permanent certificate but qualify for a second semester renewal of their 90 day teaching permit, may be retained for one renewal.
- D. Teachers, without their written consent, shall not be assigned outside the scope of their teaching certificates and their major or minor field of study except temporarily and for good cause, and the Association shall be so notified in each instance, along with written statement of reasons for such assignment.
- E. All teachers shall be given notice of their tentative class and/or subject assignments for the forthcoming year no later than the preceding first day of June. Teachers who will be affected by a change in grade assignment in the elementary school grades and by change in subject assignment in secondary school grades will be notified and consulted by their principal as soon as practicable and prior to June 30th. Such changes will be voluntary to the extent possible. Every effort will be made to avoid reassigning probationary elementary school teachers to different grade levels unless the teacher requests such changes.
- F. Teachers who are eligible to retire under the Michigan Retirement Law will submit to the Board a written notice of intention to retire at least 60 days prior to the date of planned retirement.
- G. Continuing contracts, once granted to a teacher by the Board of Education shall be in force until a teacher is discharged through the regular procedure as outlined by the Michigan Tenure Act, Act number 4, of the Public Acts of the first extra session of 1937 as amended.

## ARTICLE XI

### Reductions in Personnel

- A. The parties hereto, realizing that education, curriculum and staff depend upon the economic support available to the Board of Education as provided by the local taxpayers and the State of Michigan, and in accordance with this realization understand that in some instances it may be economically necessary to reduce the educational program, curriculum and staff when funds are not available, hereby agree as follows:
- B. It is hereby specifically recognized that it is within the sole discretion of the Board of Education to reduce the educational program and curriculum when economic necessity dictates. The Board agrees to consult with the Association prior to its final decision.
- C. The Board shall prepare a seniority list of all professional staff within ninety (90) days following ratification of the contract. Seniority is defined as length of service in the school district, excluding service as a per diem employee. Any staff member working less than full-time will have their seniority prorated. The staff shall be ranked on the list in order of their first day of work. If more than one individual has the same first day of work, all individuals so affected will participate in a drawing to determine placement henceforth on the seniority list. The Association and participating staff members so affected will be notified in writing of the date, time and place of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected teachers to be in attendance. A teacher shall have the right to Association representation.
- D. The seniority list and revisions to it shall be sent to the Association when completed.
- E. Seniority is retained if severance of employment is due to layoff. In cases of layoff, teachers so affected shall retain all seniority accumulated as of the affected date of layoff.
- F. Seniority shall continue to accumulate when teachers are on leaves of absence.
- G. Layoffs shall be defined as a necessary reduction in the work force beyond normal attrition.
- H. No teacher shall be laid-off without written notice mailed or delivered at least 15 days prior to the effective date of the layoff.
- I. In the event of a layoff, non-tenured teachers and teachers with the shortest service in the school district will be laid-off first. Tenured teachers will not be laid-off prior to tenured teachers with shorter service in the school district, or prior to probationary teachers, except in cases in which the teacher with the longest service is not certified and qualified to teach in the required area (areas), or disciplines to be preserved, and in the position of guidance counselor where seniority and certification shall not be the sole criteria.

- J. Laid-off teachers shall be recalled to the first vacancy for which they are certified and qualified in reverse order of layoff. If a laid off teacher acquires additional certification they may use it when recalled, but cannot come back and "bump" a teacher who was not laid off. The teacher must inform the superintendent's office when this new certification is acquired and present a new certificate for his/her personnel file.
- K. Notifications of a recall shall be in writing with a copy to the Association. The notification shall be sent by certified mail to the teacher's last known address. It shall be the responsibility of each teacher to notify the Board of any change in address.
- L. If a laid-off teacher refuses an offer of a position for which the laid-off teacher is certified, or fails to respond to such offer, within (7) seven calendar days of the receipt of the offer in writing, this shall constitute the resignation of the teacher from employment.
- M. A laid-off teacher may continue his/her health, dental and life insurance benefits by paying monthly the normal per subscriber group rates premium for such benefits to the Board provided this arrangement is approved by the insurance company.
- N. During a period of impending layoffs, the Board shall grant a voluntary leave of absence to teachers whose position will be filled by teachers who otherwise would have been laid-off. The leave shall not exceed one (1) year. Starting with the beginning of the 1987-88 school year, anyone under this type of leave will not accumulate any seniority for the leave.
- O. In the event that this district shall be combined with one or more districts, the Board will use its best efforts to assure the continued recognition of the Association, this master agreement and the continued employment of its members in such consolidated district.

## ARTICLE XII

### Sick Pay

- A. During this agreement, teachers shall be credited with twelve (12) sick days per year. The twelve (12) days shall accrue at the rate of six (6) days per semester cumulative to one hundred and seventy-two (172). If any teacher, during the fall, exhausts all his/her accumulated sick leave in addition to his/her six (6) days, he/she will have any other sick days deducted from his/her pay; however, if at the end of the spring semester he/she has any sick days remaining, these can be applied retroactively to those sick days for which pay was deducted during the fall semester and this teacher will then be reimbursed the amount deducted from his/her pay up to the number of sick days remaining at the end of the spring semester, providing contractual obligations are fulfilled.
- B. Acceptable reasons for sick leave with pay shall be personal illness or injury and/or serious illness or death in the immediate family of the employee and spouse. "Immediate family" includes husband, wife, children, brother, sister, mother, father, brother-in-law, sister-in-law, parent-in-law, grandparents, grandchildren or any other person who is residing as a member of the family in the household, and the corresponding relatives of the employee's spouse.
- C. Absence due to injury incurred in the course of the teacher's employment shall not be charged against the teacher's sick leave days, provided that the Board shall pay to such teacher the difference between his/her salary and the benefits received under the Michigan Workmen's Compensation Act for a period not to exceed two (2) years.
- D. Any teacher on sick leave for a period longer than which they have accumulated, shall have one (1) day's wages or one-one hundred eighty second of their contractual salary deducted from their salary for each day's absence beyond the number of accumulated sick leave days.
- E. A doctor's visitation verification will be required after two non-consecutive illness periods of more than two consecutive days of absence in one semester. The Board of Education also reserves the right to require physical examination of any teacher employed with the Summerfield Schools. This examination shall be at the Board's expense. The doctor shall be mutually agreeable to the Board and the Association. The board shall state in writing the reason for the request.
- F. When a teacher is unable to be in school on any given day, it is the responsibility of the teacher to notify the person designated by the administration to receive these calls no later than 6:45 A.M., whenever possible, of the date the teacher is unavailable in order that arrangements for a substitute may be made. In addition, a teacher who has been absent should notify the principal or the principal's secretary that he/she will not return the following day. Such calls should be made no later than 3:00 P.M. Failure to so notify the principal or his secretary of such non-return will result in a forfeiture of compensation in the amount paid the substitute, which was otherwise due the teacher, except in extenuating circumstances.

## ARTICLE XIII

### Leaves of Absence

#### A. With Pay

1. Each teacher shall be allotted four (4) days of his/her twelve (12) sick days each year for personal business or for legal or professional matters which can be transacted only during the school day (the third and fourth personal business days will only be permitted if the teacher has used less than five (5) sick leave days during the previous school year). One additional personal business day, in place of a sick day, may be used to attend a funeral of a close friend or relative not already included in Article XII, Section B. Personal business days shall be accumulated from year to year as sick days, but shall not be used for the following purposes:

- a. To extend a school holiday;
- b. For economic gain (e.g., other employment);
- c. To accompany a spouse on a vacation or business trips;
- d. For recreational pursuits (unless authorized by the Superintendent).
- e. To support a strike or unauthorized work stoppage.

Except in cases of emergency, the teacher shall give the building principal at least forty-eight (48) hours advance notice of such absence by signing a request form which affirms that said day or days are not being used for any of the purposes set forth above. In the event that advance notice is not possible, the teacher shall sign said statement upon returning to work. Personal business days shall not be used either on the day preceding or the day following a school holiday or recess, or examination periods, except by special permission of the Superintendent's office.

Beginning with the 1999-2000 school year one additional personal day will be given to each teacher under the following conditions:

- a. No preconditions
- b. Day maybe taken by no more than two teachers per building to extend a scheduled school vacation.
- c. Use of this day to extend a school vacation will be on a rotating seniority basis with the most senior teacher who hasn't used a day to have their first choice
- d. The teacher will move to the bottom of the seniority list for this purpose when they have used their day.

- e. Request to use this day to extend winter break or spring break must be submitted by Friday of the first full week of school each year.
  - f. It shall be the responsibility of the SEA to keep appropriate records and make the determination who is eligible to use this day to extend a vacation.
  - g. If a teacher requests to use this day to extend a vacation but does not use the day for that purpose, the teacher will forfeit their seniority status and move to the bottom of the list.
  - h. If this day is not used it will be added to the teacher's accumulated sick days at the end of each school year.
2. Leave of absence with pay not chargeable against the teacher's sick leave allowance or business day allowance shall be granted for the following reasons:
- a. Court appearance as a witness in any case connected with the teacher's employment or the school, except labor related disputes where the teacher's testimony would be adverse to the Board. The teacher's pay will be reduced by any witness fees.
  - b. Approved attendance at any association meeting if the Association provides money for the substitute's pay.
3. A teacher called for jury duty or to give testimony before any judicial or administrative tribunal shall be compensated for the difference between the teacher's pay and the pay received for the performance of such obligation.
4. Upon written application, permission may be given by the building administrator to visit another school providing a member of the administration of the school to be visited gives written permission to our administration. A reason will be given if permission is refused.
5. The Board agrees to provide, upon application to and by approval of the Superintendent, the necessary funds for teachers who desire to attend select professional conferences in their special areas. Travel, meals, lodging and registration fees shall be deemed appropriate expense of the Board. Substitutes will be furnished at the Board's expense. A teacher attending such conferences and meetings shall be granted sufficient leave time to attend without loss of compensation.
6. Any teacher who can anticipate a prolonged disability which would cause the teacher to be absent from work for five (5) consecutive days or more (such as scheduled surgery, other confinement to home or hospital, including maternity) shall notify the building principal, in writing, as soon as possible. The notification shall contain the projected dates of absence. It is understood that use of sick leave shall be only for the duration of the actual incapacity. The

Board reserves the right of written verification from a physician. Any teacher who can anticipate a prolonged disability shall have the option of requesting an unpaid leave of absence as explained in Article XIII, B.1., or receiving whatever sick leave benefits may be available only for the duration of the actual incapacity. A teacher shall not be entitled to utilize an unpaid leave of absence if the teacher, instead, chooses to receive sick leave benefits for an anticipated prolonged disability. If the disability continues after all accumulated sick leave has been used, the teacher will automatically be placed on an unpaid leave of absence for the duration of the disability, as verified by a physician, but not to exceed one calendar year.

B. Without Pay

1. The Board shall grant to any teacher, who does not choose to use paid sick leave, a leave of absence for an anticipated prolonged disability (such as scheduled surgery, confinement to home or hospital, maternity or childcare following birth). A maternity leave justification would include the adoption of a child whose age at the time of the commencement of the leave is six (6) months old or less. The teacher may continue teaching until, in the joint opinion of the administration and the employee's physician, he/she should no longer continue in his/her duties. However, in an adoption case, the leave shall not begin until the week the child is brought into the home of the adopting parents. The employee shall notify the Superintendent in writing at least thirty (30) days prior to the intended date of return. The teacher shall return from such leave within one (1) school year, but in no instance sooner than the first day of the semester following the disability. The Board has the authority to allow an earlier return during unusual and/or compelling circumstances.
2. Leave of absence will be granted up to two (2) years to any teacher to join the Peace Corps as a full-time participant in such program. Any period so served shall be treated as time taught for the purpose of salary schedule attached.
3. Pursuant to section 1235 of the School Code of 1976, one teacher, according to seniority, who has been employed for seven (7) consecutive years by the Summerfield School District, may be granted a sabbatical leave for one (1) year. During said sabbatical leave, the teacher shall be considered to be in the employ of the Board and shall be paid one-half (1/2) his/her salary. The salary will be one-half (1/2) the pay he/she would receive if he/she were teaching in the system that year. The Board shall not be held liable for death or injury sustained by any teacher on sabbatical leave nor shall the spouse be obligated for the teacher's obligation to the Board. A teacher, upon return from a sabbatical leave, shall be restored to his/her former position or to a position of like nature, seniority and status. Any period spent on sabbatical leave shall be treated as teaching service for purposes of applying the salary schedule set forth in Schedule A of the Agreement. Before a teacher is granted a sabbatical leave, he/she shall agree, in writing, to remain in the system for a period of not less than three (3) years following his/her return from sabbatical, or reimburse the district on a prorated basis of the stipend received during the said sabbatical, as follows:

- a. A teacher who does not return must reimburse the school district the full amount of the stipend.
  - b. A teacher who leaves after one (1) year must reimburse the school district two-thirds (2/3) of the stipend.
  - c. A teacher who leaves the school district after two (2) years must reimburse the district one-third (1/3) of the stipend.
  - d. A teacher leaving before the school year is complete will not be given credit for that year and will reimburse the school district for his/her stipend up to the previous completed year, according to the prorated schedule.
4. Military leave of absence shall be granted to any teacher and/or spouse who shall be inducted or shall enlist for military duty to any branch of the armed forces of the United States. Upon evidence of an Honorable Discharge from military service, teachers shall be given the benefit of any increments which would have accrued to them had they remained in active service to the school system.
  5. The Board shall grant a leave of absence to any teacher to campaign for or serve in a public office. Teachers shall be given the benefit of any increment which would have been accrued to them had they remained in active service to the school system, provided the position is still available.
  6. An unpaid emergency leave of absence may be granted to any teacher upon written request from the teacher and approval of the Board. Each request shall be handled on an individual case-by-case basis.
  7. A leave of absence of up to twelve (12) weeks during any twelve (12) month period shall be granted to eligible teachers in accordance with the Family and Medical Leave Act (FMLA) for the purposes permitted by the FMLA. Such purposes include:
    - a. Because of and to care for the teacher's child upon birth or placement for adoption or foster care. Entitlement to leave under these circumstances shall expire at the end of the twelve (12) month period beginning on the date of the birth or placement of the child.
    - b. To care for the teacher's spouse, child, or parent who has a serious health condition.
    - c. Because of a teacher's own serious health condition that makes the teacher unable to perform the functions of the teacher's position.

To be eligible for a FMLA leave, a teacher must have been employed for at least twelve (12) months, and for at least 1,250 hours during the previous 12 month period, and meet any other eligibility criteria of the FMLA for the particular type of leave. During the period of FMLA leave, the teacher's health insurance benefits shall be continued as required by the FMLA, subject to Section 104(C)(2) of the FMLA. Elected supplementary insurance coverages may be continued by the teacher prepaying the premium cost to the business office of the school district which will then make payment of the premium to the insurance company.

Paid leave available to the teacher under the terms of this Agreement and used by the teacher for the same purposes as the FMLA leave available, will be counted as part of the leave time available and used under the FMLA leave. FMLA leave may be taken on an intermittent or reduced schedule when medically necessary according to the provisions of Section 102(b) of the FMLA. Seniority will accumulate during the period of FMLA leave.

The limitations found under Section 108 of the FMLA (pertaining to special rules concerning employees of local educational agencies) shall apply. All FMLA leaves shall be subject to and administered in accordance with the FMLA and its implementing regulations.

Upon expiration of FMLA leave, if the teacher is able to return, he/shall be assigned to the same position in which employed prior to the leave or to a substantially equivalent position.

## ARTICLE XIV

### Teacher Evaluation

- A. The performance of all teachers shall be evaluated in writing. Probationary teachers shall be evaluated three (3) times during the school year; two (2) times during the first semester and one (1) time during the second semester.
- B. All monitoring or observation of the performance of a teacher shall be conducted openly for the purpose of evaluation and with the full knowledge of the teacher.
- C. A copy of the written evaluation shall be submitted to the teacher at the time of such personal interview or within ten days thereafter; one to be signed and returned to the administration, the other to be retained by the teacher. In the event that the teacher feels the evaluation was incomplete or unjust, the teacher may put his/her objections in writing and have them attached to the evaluation report to be placed in his/her personnel file. The evaluation shall be based upon valid criteria for evaluating professional growth as jointly determined through the Joint Instructional Policy Council.
- D. No later than March 15 of each probationary year the final written evaluation report will be furnished to the Superintendent covering each probationary teacher. A copy shall be furnished to the teacher. If the report contains any information not previously made known to and discussed with the probationary teacher, the teacher shall have an opportunity to submit additional information to the Superintendent. In the event a probationary teacher is not continued in employment, the Administration will advise the teacher of the reasons in writing.
- E. Each teacher shall have the right upon request to review the contents of his/her own personnel file. A representative of the Association may, at the teacher's request, accompany the teacher in this review. The review of the personnel file will be done in the presence of an administrator.

Each teacher's personnel file shall contain the following minimum items of information:

All teacher evaluation reports.

Copies of annual contracts.

Letter of commendation, if any.

Teaching certificate.

Tenure recommendation.

Record of voluntary extra curricular activities.

- F. A teacher shall at all times be entitled to have present a representative of the Association when he/she is being reprimanded, warned or disciplined for any infraction of discipline or delinquency in professional performance. When a request for such representative is

made, no action shall be taken with respect to the teacher until such representative of the Association is present. It shall be the teacher's responsibility to secure a representative, and appear for such a conference on the appointed day and hour.

- G. No teacher shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause. Any such discipline, reprimand or reduction in rank, compensation or advantage, including adverse evaluation of teacher performance asserted by the Board or any agent or representative thereof shall be subject to the professional grievance negotiations procedure hereinafter set forth. Information forming the basis for disciplinary action will be made available to the teacher.

## ARTICLE XV

### Professional Grievance Negotiation Procedure

- A. Any teacher, groups of teachers, or the Association believing that there has been a violation, misinterpretation or misapplication of any provision of this Agreement may file a written grievance with the Board's designated representative (i.e., the principal). Sample Grievance Report attached - Schedule E.

It is expressly understood that the grievance procedure shall not apply to those areas in which the Tenure Act prescribes a procedure or authorizes a remedy (discharge and/or demotion), or to the following:

1. The termination of services of or failure to re-employ any probationary teacher, provided that a Board level hearing shall be given upon the request of the teacher.
- B. The teacher, group of teachers, or the Association having such a grievance shall discuss the matter with the school principal during non-teaching hours, with the object of resolving it informally. (The building representative shall also be present, if requested).
- C. In event the matter is not satisfactorily resolved; the following procedure shall be followed:
1. **Step One.** The grievance shall be reduced to writing within five (5) school days of knowledge of grievance by the one filing the grievance, signed by the person or persons involved, and submitted to the Association for approval.
    - a. The grievance shall specify the facts giving rise to the grievance and the relief requested.
    - b. The grievance, if approved by the Association, shall be submitted to the principal.
    - c. The principal shall submit an answer within five (5) school days in writing. One copy of this decision shall go to the grievant and one copy to the building representative.
  2. **Step Two.** Within five (5) school days after receiving the decision of the principal, the aggrieved teacher may appeal to the Superintendent of Schools. The appeal shall be in writing, shall specify the article and section of the Agreement allegedly violated and shall contain the reason for the appeal, including a copy of the principal's decision.
    - a. Within seven (7) school days after receipt of the appeal, the Superintendent shall investigate the grievance, including giving the aggrieved teacher and the building representative a reasonable opportunity to be heard, and render his decision in writing. A copy of

his decision shall be delivered to the teacher involved, the building representative and the school principal.

3. **Step Three.** Within five (5) school days after receiving the decision of the Superintendent, the aggrieved teacher or the Association may appeal to the Board of Education, or a committee of Board members. The appeal shall be in writing and shall contain the reason for the appeal and a copy of both the principal's and the Superintendent's decision.
    - a. The appeal shall be heard at the next regularly scheduled board meeting, and in any event, within fifteen (15) school days after receipt of the appeal. The Board or its designated representative, shall investigate the grievance, including giving the aggrieved teacher and the building representative a reasonable opportunity to be heard. The Board shall render its decision in writing within ten (10) days after holding a hearing on the appeal. A copy of the Board's decision shall be delivered to the teacher involved, to the building representative, and the principal and to the school Superintendent.
  4. **Step Four.** Unresolved grievances may be submitted to mediation under the act.
- D. If the decision of the Board is not satisfactory to the Association; the process of arbitration must be initiated within twenty (20) school days. The grievance will then be submitted to an impartial arbitrator selected by the parties. If the parties cannot agree on an arbitrator, he shall be selected by the American Arbitration Association in accord with its rules, which shall likewise govern the arbitration hearing. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator. The cost of any arbitration under this article shall be jointly shared by the parties.
- E. All time limits in the grievance procedure are to be strictly followed and may be altered only by the mutual written agreement of the parties. If there is not mutual agreement and time limits are not adhered to by the grievant, the grievance is void and will not be considered above the step at which the time limit violation occurred. If there is not mutual agreement and the time limits are not adhered to by the Board or their representative, the matter would automatically proceed to the next step.

## ARTICLE XVI

### Protection of Teachers

- A. The Board and Administration recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Whenever it is determined that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons the Board will take reasonable steps to relieve the teacher of responsibilities with respect to such pupil.
- B. It is recognized that discipline problems are less likely to occur in classes which are well taught and where a high level of student interest is maintained. It is likewise recognized that when discipline problems occur, they may most constructively be dealt with by encouragement, praise and emphasis upon the child's desirable characteristics.
- C. A teacher may send a pupil to the principal of the building when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation make the continued presence of the student in the classroom intolerable. In such cases the teacher will furnish the principal, as promptly as his teaching obligations will allow, full particulars of the incident.
- D. Temporary suspension of students from school may be imposed only by the superintendent or his designated representative. School authorities will endeavor to achieve correction of student behavior through counseling and interview with the child and his parents when warranted. Permanent exclusion from the school remains the sole right of the Board of Education.
- E. Any case of assault upon a teacher shall be promptly reported to the Board's designated representative. The Board shall provide legal counsel to advise the teacher of his rights and obligations with respect to such assault and shall render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.
- F. If a teacher is complained against or sued because of disciplinary action toward a student, or because of a work related incident involving a student, the Board will provide legal counsel and will render all necessary assistance to the teacher in his/her defense.
- G. Time lost by a teacher in connection with any incident mentioned in this article shall not be charged against the teacher if circumstances prove him innocent.
- H. The Board will reimburse the teacher for any loss due to deliberate damage or destruction of clothing or personal property of the teacher by students while on duty on the school premises.

- I. Any complaint, subject to disciplinary action, made to an administrator or school Board member directed toward a teacher shall be promptly called to the teacher's attention. The originator and nature of the complaint will be made known to the teacher.
  
- J. Teachers shall be expected to exercise reasonable care with respect to the safety of pupils and care of property. The Board will not seek to hold a teacher individually liable for any damage or loss of person or property unless there was gross negligence or gross neglect of duty.

## ARTICLE XVII

### Negotiation Procedure

- A. Matters not specifically covered by the Agreement, but of common concern to the parties, shall be opened to discussion and subject to possible professional negotiation between them from time to time during the period of this agreement upon request by either party. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matter.
- B. In the event the salary schedule is reopened for negotiation by either party, as provided in Article IV, A., of this Agreement, the parties will promptly negotiate for the purpose of reaching an agreement upon a revised salary schedule. At least sixty (60) days prior to the expiration of this agreement, the parties will likewise begin negotiations for a new agreement covering wages, hours, terms and conditions of employment of teachers employed by the Board.
- C. In any negotiations described in this article neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the membership of the Association, but the parties mutually pledge that the representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make necessary concessions in the course of negotiations, or bargaining, subject only to such ultimate ratification.
- D. If all the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the State Labor Mediation Board.
- E. After ratification by both parties their representatives shall attach their signatures to the ratified agreement within twenty-four (24) hours of ratification.

## ARTICLE XVIII

### Miscellaneous Provisions

- A. Minutes of every Board meeting, either regularly scheduled or special meetings, shall be made available to the Association.
- B. All teachers newly employed shall be able to negotiate with the Superintendent the number of years of credit, on the Salary Schedule, for years of outside teaching experience in any school district for which credit is allowed. However, no more than a maximum of eight (8) years will be credited.
- C. Upon request each teacher shall be furnished with a key to an outside door upon Board approval.
- D. In the event of inclement weather, resulting in the closing of school, each teacher shall be notified by radio prior to 7:15 A.M.
- E. This Agreement shall supersede any rules, regulations or practices of the Board, which shall be contrary to or inconsistent with this Agreement. This Agreement shall likewise supersede any contrary or inconsistent terms, contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts will be made expressly subject to the terms of this Agreement. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.
- F. Copies of this Agreement shall be printed at the expense of the Board and made available to all teachers now employed by the Board, and sufficient additional copies shall be presented to the Association.
- G. If any provision of this Agreement or any application of the Agreement to any bargaining unit member or employee or group of bargaining unit members or employees is held to be contrary to law, or if a provision of the State Aid Act results in the loss of any revenue to the school district, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- H. The 1999-2000 school calendar (Schedule D attached) will be followed. No changes will be made in this calendar without the agreement of both parties, but it is understood that days may be rescheduled in the event it is necessary to do so in order to meet the minimum number of days of student instruction required by law. In the event Michigan legislation prohibits certain days from being counted as days of student instruction (e.g., days lost due to inclement weather), teachers shall be required to perform work on the make-up days without additional compensation.

The 2000-2001 school calendar will be negotiated by March of 2000 and the 2001-2002 calendar will be negotiated by March 2001.

- I. The Board and the Association recognize that the ability of the pupils to progress and mature academically is a combined result of school, home, economic and social environment and that the teacher alone cannot be held accountable for aspects of the academic achievement of the pupil in the classroom. Test results of academic progress of students shall not be used as a major factor in the evaluation of the quality of a teacher's service or fitness for retention.
- J. The Appendix will include Schedule A- The 1999-2000, 2000-2002 and 2001-2002 Teacher Salary Scale and Early Retirement Incentive Language, Schedule B-Extra Paid Activities, Schedule C-Insurance Benefits, Schedule D-School Calendar, Schedule E-Grievance Report Form, and Schedule F-Letter of Intent.
- K. Teachers' salaries will be paid in twenty-one (21) or twenty-six (26) payments. It is the responsibility of the teacher to inform the bookkeeper, at least one week prior to the first payday, the number of pays he/she desires.
- L. The Board of Education is opposed to days taken off by teachers other than for reasons as delineated in this contract even though pay is deducted (dock days). The Board will pursue disciplinary and/or legal action to stop this practice.

However, if a "Dock Day" is needed, requests must be submitted to the Board of Education. If approved by the Board, pay deducted per day for the "Dock Days" will also include a deduction of the cost of the fringe benefit package per day.

## ARTICLE XIX

### Financial Responsibilities & Payroll Deductions

A. All teachers, as a condition of continued employment during the life of this Agreement, shall either:

1. Sign and deliver to the Board an assignment authorizing deduction of membership dues of the Association (including the National and Michigan Education Association) and such authorization shall continue from year to year unless revoked in writing:

or

2. Cause to be paid to the Association a representation fee equivalent to the membership dues, or should the non-member so elect, his/her proportionate share of all constitutionally permissible fees. Said fees shall be paid to the Association within ninety (90) calendar days after the commencement of employment or by signing and delivering to the Board an assignment authorizing deduction of the representation fee. The Association shall provide to the non-member sufficient information covering the amount of the membership dues as to enable him/her to determine the propriety of the non-member representation fee.

It is expressly understood that political action funds or other constitutionally impermissible costs cannot be included in the non-member representation fee of an objecting non-member. The due process hearing before the Board of Education shall not take place until the non-member shall have been afforded all constitutional rights as specified in *Chicago Teachers Union v. Hudson*, 106, SCT 1066 (1986), and such other applicable cases, and the signed complaint by the Association herein referred to in Paragraph B. of this Article shall certify the same and acknowledge that the Union's responsibility for according such constitutional rights have been fulfilled and that the Association assumes all liability therefore as specified in Paragraph K. of this Article.

B. In the event that neither of the provisions of Paragraph A. are met, the Board, upon receiving a written and signed complaint from the Association indicating the teacher has failed to comply with either condition, shall process said complaint in accordance with the Teacher's Tenure Act, the charging party being the Association, if said teacher is a tenure teacher; in the event the teacher is a probationary teacher, the Board shall immediately notify said teacher his/her services shall be discontinued at the end of the then current year unless prior to employing a replacement teacher, the Board of Education shall receive written notification from the Association and the teacher that dues or non-member's representation fee or proportional share of all constitutionally permissible fees have been paid in full and that said complaint has been withdrawn. It is expressly understood that in the event the Board of Education shall hire a new teacher to replace a probationary teacher whose services have been discontinued under the terms of this article, then and in that event, neither the Association nor the teacher shall have the right to withdraw said complaint, it being recognized by the Association and any

teacher employed under the terms of this contract that the Board has a reasonable right to proceed to replace a teacher against whom charges have been filed under the terms of this Article. The refusal of a teacher to contribute a proportional share of all constitutionally permissible fees is recognized by the Association and the Board of Education as just and reasonable cause for the termination of employment.

C.

On this \_\_\_\_\_ day of \_\_\_\_\_, 19 \_\_\_\_\_.

I, \_\_\_\_\_ hereby authorize the Board of Education to deduct the following sums in ten (10) equal concurrent installments as dues for the following organizations from the second monthly paycheck of my employment as specified in the Master Agreement.

\$ \_\_\_\_\_ Michigan Education Association  
\$ \_\_\_\_\_ National Education Association

**or**

\$ \_\_\_\_\_ Non-member's Representative Fee

I further understand that in the event of a dispute over payments of the above-specified amounts, I must seek my remedy from the Monroe County Education Association (Summerfield). on the \_\_\_\_\_ day of \_\_\_\_\_, 19 \_\_\_\_\_.

- D. Dues authorizations once filed with the Superintendent shall continue in effect until a revocation form in writing and signed by the teacher is filed with the Superintendent and the Treasurer of the Association. It is expressly understood that the Superintendent and the Board need only honor one authorization form per year per teacher.
- E. Upon the filing of the written notification, specifying the amount of the non-member's representation fee, said amount shall not be subject to change during the entire school year. It is expressly understood that the Board is not required to deduct any assessment under the terms of this article.

- F. For the purpose of this article, the term "school year" shall include the period beginning with the first teacher working day of school in the fall to the last teacher working day of school in the spring.

- H. All refunds claimed for deductions under such dues authorizations shall lie solely with the Association. The Association agrees to reimburse any teacher for the amount of any deduction deducted by the Board and paid to the Association, which deduction is by error in excess of the proper deduction and agrees to hold the Board harmless from all claims of excessive deductions.
- I. Any dispute between the Monroe County Education Association (Summerfield) and the Board which may arise as to whether or not an employee properly executed or properly revoked an authorization card pursuant to this article, shall be reviewed with the employee by a representative of the Board. - J. - K. During the life of this Agreement, the Association and the Board recognize that strikes and other forms of work stoppages by teachers are contrary to Michigan Law Public Act 336 or any other applicable Public Employees Law or Statute. The Association and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program.

The Association therefore agrees that its officers, representatives and members shall not participate in the concerted failure to report for duty, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part from the full faithful, and proper performance of the duties of employment, for the purpose of inducing, influencing, or coercing a change in the conditions, or compensation, or the rights, privileges, or obligations of employment. This act shall not be construed to limit, impair, or affect the right of a public employee to the expression or communication of a view, grievance, complaint, or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with the full, faithful, and proper performance of the duties of employment in the school system.

This AGREEMENT shall be effective as of July 1, 1999, and shall continue in effect to and including the 30th day of June 2002. The AGREEMENT shall not be extended orally and it is expressly understood that it shall expire on the date indicated.

### EARLY RETIREMENT INCENTIVE

#### General Guidelines

1. The teacher must be employed for at least 15 years as of June 30 by the Summerfield Schools for retirement at the end of that school year.
2. The teacher must be on the top stem of the B.A. or M.A. or at the 9th step or more of the M.A. +15 (Schedule A).
3. At date of retirement, the teacher must be at least 46 years old.
4. All teachers will be informed about the program, eligibility factors, and time limits for application. The district will list the names of all individuals eligible for the program.
5. A letter of application, along with a letter of resignation for retirement purposes, must be received in the Superintendent's Office before December 1, for retirement at the end of the first semester for the end of the school year.
6. For teachers retiring at the end of the school year the Board will pay a lump sum of \$10,000, as an early retirement incentive, five days after the applicant's letter of resignation is accepted at an official Board meeting. However, no payment will be made before July 1 after the letter of resignation is accepted. An additional \$10,000 will be paid after July 1 of the following year. A deduction of \$5,000 will be made from the first lump sum payment for teachers retiring at or before the end of the first semester. However, this payment will not be made before the end of the first semester and the deduct will be repaid after July 1 of the beginning of the second year of retirement.
7. A teacher planning retirement with a MPSERS pension should be sure he/she has met all necessary rules and regulations (including completed forms, etc.) of the Michigan Public School Retirement plan. The procurement of benefits under the MPSERS program is the responsibility of the teacher.
8. A teacher accepting the early retirement plan must execute the "Waiver and Release of Claim" form. The signature on this document indicates the teacher's intent to retire. Retirement is irrevocable at the time of Board approval.
9. Any tax liability will be borne by the teacher.
10. This early retirement incentive agreement is for the 1999-00, 2000-01 and the 2001-02 school years and is not to be automatically included in future contracts.

### NOTICE

The Age Discrimination in Employment Act, 29 USC 621 et seq., ("the Act") makes it unlawful for an employer:

1. To fail or refuse to hire or to discharge any individual or otherwise discriminate against any individual with respect to his compensation, terms, conditions, or privileges of employment, because of such individual's age;
2. To limit, segregate, or classify his employees in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's age; or
3. To reduce the wage rate of any employee in order to comply with this Act.

However, the Act permits an employer to institute a voluntary Early Retirement Incentive Program ("ERIP")--within certain guidelines established by the Act--provided the employee makes a knowing and voluntary acceptance of participation in the program, and is not in any way forced to resign involuntarily. The School District and the Monroe County Education Association (Summerfield) have negotiated the terms of an ERIP for teachers who have 15 years of service with the District.

As an eligible employee, you will be given a statement of the benefits which are incentives for early retirement under the ERIP; a copy of Summerfield Schools' ERIP, which states the requirements for participation in the program; and a list of the names of all those eligible to participate. Additionally, you will receive a copy of the Waiver Agreement you will sign for your review prior to resignation.

You should take time to consider whether you wish to participate in this program, and you may wish to consult with your attorney or financial advisor. When you agree to participate in the program and to resign, you will be waiving the right to continued employment as a teacher with Summerfield schools. You will, however, not waive any rights to enforce provisions of the ERIP, should the District fail to abide by its terms. Additionally, you retain the right to revoke the Acceptance and Waiver within seven (7) days after you have signed the Agreement.

Before you agree to participate in the program and to resign and thereby waive your right to employment under the Act, please read the material provided to you. The deadline for notifying this office of your intent to participate in the ERIP is December 1. Please notify the Superintendent's Office of your intent by that date.

**Acceptance of Early Retirement Incentive Plan  
Waiver and Release of Claims**

This Agreement is between \_\_\_\_\_ ("the employee"), Summerfield Schools ("the District"), and Monroe County Education Association (Summerfield).

1. The Employee acknowledges that the District has offered and the Employee has voluntarily accepted an Early Retirement Incentive Plan ("ERIP") benefit, which is attached as a part of this Agreement.
2. In exchange for the ERIP, which provides a financial consideration in addition to the value of benefits the Employee is already entitled to, the Employee understands that by entering into this Agreement, the Employee permanently and expressly relinquishes employment of any kind with the District, and waives and releases any claim he/she may have against the District, its individual board members, employees, or agents, and MCEA (Summerfield), arising out of the Employee's resignation or severance of employment with the District.
3. The Employee acknowledges that he/she received in writing, prior to signing this Agreement:
  - A. An explanation of the rights under the Age Discrimination in Employment Act, 29 USC 600, et seq., which I have waived under this Agreement.
  - B. An explanation that I have not waived the rights to any cause of action which may accrue after my signature of this Agreement and termination of employment, and that I have the right to enforce the terms of the ERIP and this Agreement, should the District fail to abide by its provisions;
  - C. Advice to consult an attorney about the terms of this Agreement;
  - D. A list of the names of all those in the group who are eligible for participation in the ERIP provided by Summerfield Schools;
  - E. Notice that I have 7 days following signature to revoke this Agreement;
  - F. A copy of this ERIP Waiver Agreement for my review.

## SCHEDULE B (Cont'd.)

The percentages in this schedule used to calculate the payment to the athletic director, band director, play director, coaches and cheerleading advisors will be based on the corresponding year's salary schedule for the B.A. Degree. The step will be determined by the total number of years of experience of the employee in that particular activity. This experience does not have to be continuous, or in the Summerfield School System. All experience as an assistant or head coach at the junior high school or high school level shall be included.

Persons presently employed in these positions will have their salary grandfathered in at the 1981-82 contract level. These salaries will continue until the present formula exceeds or equals the grandfathered salary.

**EXAMPLE:** Mr. X. coached football at the junior high school in another system for two (2) years. He coached football as an assistant for two (2) years at Summerfield before retiring from coaching. Mr. X. returned on (1) year later to coach as an assistant football coach for two (2) more years.

This year, if he would be hired as a head coach, he would be paid 10% of the teacher's salary on step 6 (7<sup>th</sup> year) of the B.A. schedule.

All other percentages in this schedule, used to calculate the payment for advisors, supervisors, directors and staff substitutes, will be based on the 0 step of the corresponding year's salary schedule for the B.A. degree.

**SUMMERFIELD SCHOOLS  
INSURANCE BENEFITS  
1999-2000, 2000-2001 & 2001-2002**

**PLAN A**

The Board shall provide MESSA Super Care I with Board paid deductible, Delta Dental Plan C plus 01/Ortho Rider, VSP-1 Vision Plan and \$5,000 Group Term Life benefits for all full-time members (a minimum of thirty (30) hours per week) of the bargaining unit and his/her family

**PLAN B**

Employees not wishing health care protection may receive MESSA Delta Dental Plan E plus 01/Ortho Rider, VSP III and \$25,000 MESSA Group term Life Plus AD&D.

If more than one full-time bargaining unit member, who during the previous contract year was under health insurance Pak Plan coverage switches over to Plan B., an amount of \$70 per month will be offered to all bargaining unit members in Plan B (which may fund an annuity, etc.) as long as those members who have switched over and the members in Plan B as of May 17, 1996 equals or exceeds a total of seven members in Plan B. In the event the number of members in Plan B goes below seven the \$70 will be eliminated.

If the increase in the rates of MESSA insurance exceeds 8%, the Association may request the board to bid the insurance with benefits equal to those specified in the contract. The SEA will then have the option to accept the Board recommended insurance carrier, or choose to pay the difference between the cost of the insurance and the 8% increase. The additional cost will be divided evenly among all SEA members receiving insurance (both Plan A and Plan B), and the additional cost will be deducted from the pay for the corresponding year. The increase will be recalculated for each year of the contract. If the rates of the Board recommended insurance carrier exceed 8%, the reduction in salary would be based on the cost difference between the MESSA rates and the rates of the Board recommended insurance carrier. If the increase in the rates of MESSA insurance are less than 0%, the difference between the cost of the insurance and the anticipated 0% increase will be divided equally among all SEA members. The increase in insurance rates will be calculated by applying the new rates to the previous year's population of SEA members, and their previous year's choice of insurance options (it will not reflect changes in personnel, persons receiving MESSA insurance who are not part of the SEA, or cost changes resulting from current members who change from Plan A to Plan B or vice versa).

Any employee contribution to insurance premium increases will be evaluated each year after notification is received from MESSA. The contribution will be through payroll deduction on a pre-tax basis evenly distributed over 21 pay periods

**L.T. D.**

The Board shall provide each full-time member MESSA LTD:

- A. Benefit Percentage - 60%
- B. Maximum monthly Income - \$2500
- C. Qualifying Period - 90 calendar days, modified fill
- D. Maternity Coverage - Yes
- E. Social Security Freeze - Yes

The contracted salary to be used will include all contract positions.

The Board shall provide the above insurance coverage through September 30, 1999, September 30, 2000, and September 30, 2001, respectively for each full-time member of the bargaining unit and his/her family provided the teaching contract is completed for the specific school year. Coverage will be discontinued upon termination of employment, if termination occurs prior to the last contracted day of school.

No cash payment will be made to any member of the bargaining unit in lieu of the insurance.

**DEATH BENEFIT**

If a teacher who has family coverage health insurance were to die while employed by Summerfield Schools, their family health insurance benefits would continue for a duration equal to one month's insurance for each year of completed service at Summerfield, with a minimum two months and a maximum of twelve months of coverage.
