ARTICLE 1
AGREEMENT AND PURPOSE

This Agreement entered into by and between the Board of Education of the East Lansing Public Schools, East Lansing, Michigan (hereinafter referred to as the "Board" or "Employer") and the International Union of Operating Engineers, Local 547-A, B, C, - AFL-CIO (hereinafter referred to as the "Union").

It is the purpose of this Agreement to set forth wages, hours and conditions of employment. It is the desire of the Board and the Union to promote harmonious relations, cooperation, and understanding between the parties.

ARTICLE 2
UNION RECOGNITION, AGENCY SHOP, CHECK OFF

A. Union Recognition

1. The Board hereby recognizes the Union as the sole and exclusive bargaining agent of the employees covered by this Agreement for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment.
2. The term "employee" shall include all educational secretaries and all personnel engaged in secretarial and clerical work including bookkeepers, keypunch operators, clerks, receptionist, switchboard operators, general typist and instructional clerks, but excluding secretaries to the Superintendent, confidential bookkeeper, personnel secretary, payroll supervisor, all supervisory employees, substitutes (subject to the provisions of Article 8) and all other employees.

As of July 1, 1994, when the employees in the positions of secretary to the Director of Finance, fringe benefits coordinator, data services operator and offset operator leave those positions, the positions shall become part of the bargaining unit. The classification and wage rates for these positions shall be determined through the procedures outlined in Article 11.

B. Agency Shop

1. a. All bargaining unit members within thirty (30) days from the first day of active employment shall, as a condition of employment, pay membership dues or a service fee to the Union, pursuant to the Union's policies and procedures.
- b. In the event the bargaining unit member shall not pay such service fee directly to the Union or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477, MSA 17.277, and at the request of the

Union, deduct the service fee from the bargaining unit member's wages and remit same to the Union under the procedures provided below:

- (1) The procedure in all cases of non-payment of the service fee shall be as follows:
 - (a) The Union shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall further advise the recipient that a request for wage deduction will be filed with the Employer in the event compliance is not effected.
 - (b) If the bargaining unit member fails to remit the service fee or authorize deduction for same, the Union may request the Employer to make such deduction pursuant to these provisions.
 - (c) The Employer, upon receipt of request for involuntary deduction, shall provide the bargaining unit member with an opportunity for a due process hearing limited to the question of whether or not the bargaining unit member has remitted the service fee to the Union or authorized payroll deduction for same.
- c. In the event that the Employer is prohibited by law or legal decision from deducting the service fees or dues without signed authorization from a bargaining unit member and if a bargaining unit member is in arrears and does not remit or authorize the deduction of the service fees or dues, the Employer, shall terminate the employment of such bargaining unit member upon the condition that the Union has given the employee required notice of the delinquency. The parties expressly agree that the failure of any bargaining unit member to comply with the provisions of this Article is just cause for discharge from employment. Required procedural due process will be observed in connection with any discharge under this provision.
- d. The Union will certify to the Employer, at least annually, the amount of service fees to be deducted by the Employer, and that said service fees include only those amounts permitted by this Agreement and by law.

The Union agrees to promptly notify the Employer of any future litigation where an order has been issued preventing the Union from implementing its policy regarding objections to political-ideological expenditures, or any successor policy pertaining to the same subject matter. In such event, the Employer shall have the right to suspend the involuntary wage deduction procedures specified herein for non-Union bargaining unit members.

- e. Nothing in this Article shall be interpreted or applied to require involuntary or passive deduction of employee contributions to political action or other similar funds of the Union or its affiliates. Such deductions shall only be made with the affirmative written and voluntary consent of the employee, on file with the Employer, in accordance with applicable statutory provisions.
2. The Union has established a policy regarding objections to political-ideological expenditures. The remedies set forth in such policy shall be exclusive and unless and until such procedures, including any administrative or judicial review have been availed of an exhausted, no dispute, claim or complaint by any objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement.
3. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the service fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year. Consequently, the parties agree that the procedures in this Article relating to the payment of the service fee by non-members shall be activated at least thirty (30) days following the Union's notification to non-members and the Employer of the fee for that given school year. It is agreed that the employee remains obligated for the entire annual service fee which shall be deducted in the remaining pay periods of the year.
4. A bargaining unit member who, because of sincerely held religious beliefs, or due to adherence to teachings of a bona fide religion, body or sect which has historically held conscientious objections to joining or supporting labor organizations, shall not be required to join or maintain Union membership or otherwise financially support the Union as a condition of employment. However, such bargaining unit member shall be required, in lieu of periodic dues, service fees and/or initiation fees, to pay sums equal to such amounts to a non-religious charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. Donations shall be made to one of three such charitable organizations as mutually designated by the Employer and the Union.
5. The Union shall indemnify and save the Employer (including the Board of Education, trustees of the Board of Education and individual administrators) harmless against any and all claims, demands, suits, or other forms of liability which may arise out of or by reason of action taken or not taken by the Employer in reliance upon information furnished to the Employer by the Union in the course of enforcing the union security provisions of this Agreement. Further, the Union agrees to indemnify and save the Employer (including the Board of Education, trustees of the Board of Education, and individual administrators) harmless against any and all claims, demands, costs, suits, claims for attorneys fees or other forms of liability as well as all court and/or administrative agency costs that may arise out of or by reason of, action by the Employer (as defined above) complying with and implementing the union security

provisions of this Agreement. The Union also agrees that neither it nor its affiliates will in any proceeding assert that the defense or indemnity provisions of this Article are either unenforceable or void.

C. Payroll Deductions

1. Requests for payroll deductions or reductions, other than dues and service fees, shall be in writing and signed by the bargaining unit member. The Board assumes only the responsibility for the remittance of the amount specified by the employee. The Board shall be held harmless from violations of the tax code relating to tax sheltered annuity contribution limitations.

ARTICLE 3
NONDISCRIMINATION

The Board and the Union both reaffirm by this Agreement the commitment not to discriminate against any person or persons because of race, creed, or ancestry, color, religion, sex, age, handicapping condition, marital status or national origin.

ARTICLE 4
VISITATION

Upon request by the Union and the presentation of proper credentials, officers or accredited representatives of the Union shall be admitted onto the Board's premises during working hours for the purpose of assisting in the adjusting of grievances. The officer or representative shall not disrupt orderly operations and must check in at the building office.

ARTICLE 5
STEWARDS

- A. The employees will be represented by a chief and an alternate steward, who shall be chosen or selected in a manner determined by the employees and the Union and whose names shall be furnished to the Board within five (5) working days of the date of their election or selection to such positions.
- B. Reasonable arrangements may be made when the chief or alternate steward is required by the Board to engage during their working day in negotiations on behalf of the Union with any representative of the Board or required to participate in any grievance procedure, including arbitration, and they shall not incur loss of salary when same has been mutually scheduled by both parties or the arbitrator.
- C. During their terms of office, the chief and alternate stewards shall be deemed to head the seniority list for their classification for the purpose of layoff and recall only, provided they are

qualified to do the required work. Upon termination of their terms, they shall be returned to their regular seniority status.

- D. The chief steward shall be supplied the following information for any newly hired employees within the employee's third week of employment: Name, date of hire, address, classification, schedule placement and job location. Such information will be only for the purpose of Union business, and in no case will the information be sold or used for any nonunion purpose.
- E. The chief steward shall receive eight (8) hours of release time per year for union business. The Employer may request reasonable notification and documentation.

ARTICLE 6 BOARD RIGHTS

There is exclusively reserved to the Board all responsibilities, powers, rights and authority vested in it by the laws and constitutions of the State of Michigan and the United States, or which have heretofore been properly exercised by it, excepting where expressly limited by the provisions of this Agreement. The Board retains the right, among others, to establish and equitably enforce reasonable rules and personnel policies relating to the duties and responsibilities of the employees and their working conditions which are not inconsistent with the provisions of this Agreement or in violation of law. It is further recognized that the Board, in meeting such responsibilities and in exercising its powers and rights, acts through its administrative staff.

ARTICLE 7 SAFETY

The Board, the Union and bargaining unit members will take reasonable measures in order to prevent and eliminate any present or potential job hazards which employees may encounter at their places of work in accordance with the Occupational Safety and Health Act, state and local regulations. If an employee feels their job safety conditions are in violation of the Occupational Safety and Health Act or state and local regulations, the employee shall promptly make a written report of the condition to her immediate supervisor and may utilize the grievance procedure through Step 3.

ARTICLE 8 JURISDICTION

Employees of the Employer not covered by the terms of this Agreement shall not perform the work covered by this agreement except in cases of instructional training, in cases of emergency or in the case when a substitute secretary is required. If a substitute works in a bargaining unit position for more than thirty (30) consecutive days, for the same person in the same building, the substitute shall be covered by all provisions of this Agreement, except that they will not accrue seniority and will terminate upon the return of the regular member.

ARTICLE 9
SENIORITY

- A. A newly hired regular employee shall be on a probationary status for sixty (60) work days, starting from the first day of employment. If at any time prior to the completion of the probationary period the employee's work performance is determined by the Employer to be unsatisfactory, the employee may be dismissed by the Board during this period without appeal by the Union. Employees who are absent during their probationary period must work additional days equal to the number of days absent in order to complete the probationary period.

Upon satisfactory completion of the probationary period, the employee's seniority date shall be retroactive to the first day of employment.

- B. 1. Seniority shall be defined as the amount of service accumulated within the District as an employee within one or more of the classifications within the bargaining unit. The classifications in this Agreement shall be as identified in Schedule A.
2. Employees regularly scheduled to work less than twenty (20) hours per week will be credited with one-half year of seniority. Employees regularly scheduled to work twenty (20) or more hours per week will be credited with a full year of seniority. There will be no prorating for a partial year of service for members hired during the course of the fiscal year. Bargaining unit members hired after the commencement of a fiscal year (July 1) shall receive pro-rated seniority, on a quarterly basis, during their first year of employment. However, quarters of service will not be pro-rated.
3. Whenever two or more members of the unit have equal seniority, they shall be ranked using the following criteria in the order stated:
- a. The employee with the earliest date of hire shall be ranked first.
 - b. If the employees have the same date of hire and one is a 12-month secretary and one is a 10-month secretary, the 12-month secretary shall be ranked first.
 - c. If the employees have the same work year (i.e. both are 12-month or both are 10-month) the employee with the lowest number in the last four digits of the employee's social security number shall be ranked first.
4. A seniority list shall be made available to all bargaining unit members and the Union by September 30 of each year. The list shall contain the employee's location, classification, seniority and date of hire into the unit. The seniority list shall contain a statement, signed by the Board and the Union, that if no objections are received within thirty (30) days thereafter, the list distributed shall be regarded as conclusive.

5. A member of the bargaining unit shall retain accumulated seniority for a period of up to two (2) years, but shall not accrue seniority while on an unpaid leave of absence.

C. Employees shall be laid off and/or recalled according to the seniority in their classification (See Schedule A). In the event it becomes necessary to lay off an employee, the employee whose position is being eliminated or reduced (by two or more hours per day) shall have the right to displace:

1. In the same classification, the employee with least seniority or the least senior employee with at least the same hours and work year; or (if no displacement is possible within the same classification under this provision)
2. the employee with least seniority with at least the same hours or work year in any lower paying classification than the person whose position is being eliminated or reduced (by two or more hours per day).

Section C (1) and (2) will only apply if the senior employee is qualified to hold the position, as determined by the Employer, and the employee has more seniority than the employee being displaced. This determination is subject to the grievance procedure.

D. In the event the Board determines to eliminate a position or to reduce the hours of a position by two (2) or more hours per day, the employee then assigned to that position shall be given a minimum of fourteen (14) calendar days written notice, with a copy of such notification furnished to the Union. The Union may then request that a meeting be scheduled with a representative of the Board in order to receive an explanation of the reasons for the lay-off or reduction of hours and how the work associated with the eliminated or reduced assignment will be performed.

E. An employee will lose seniority rights and shall be deemed terminated if the employee:

1. Quits.
2. Is discharged in accordance with the discharge provisions in Article 12 and the discharge is not reversed through the grievance procedure.
3. Does not return to work when recalled after a layoff. Notice of recall shall be sent by certified mail to the last known address which the Board has in its personnel records. If the employee does not notify the Board of acceptance of recall with seven (7) calendar days from the mailing of the notice of recall or if the employee does not report within fourteen (14) calendar days from the date of mailing of notice of recall (unless otherwise excused by the Board) the employee shall be considered a quit.
4. Is laid off for three (3) consecutive years without being recalled.

5. Is absent for three (3) consecutive working days without notifying the immediate supervisor.
 6. Fails to return to work within three (3) consecutive working days from the day of expiration of a leave of absence, vacation or disciplinary layoff without notifying the immediate supervisor.
 7. Retires.
- F.
1. The bargaining unit seniority which was accumulated as of the date an employee transfers to a position in the East Lansing School District, outside of the bargaining unit, shall be retained for up to a period of two (2) years. The employee shall have the right to exercise this seniority and bid on a vacant position within the bargaining unit providing the employee possesses the qualifications for that vacant position.
 2. When an employee is hired as a confidential secretary in the East Lansing Public Schools, the employee shall accumulate seniority, beyond any seniority retained as described in ¶ F (1) of this Article, for up to two (2) years as a confidential secretary. The employee shall have the right to exercise this seniority and bid on a vacant position within the bargaining unit providing the employee's position is being eliminated or the employee is being laid off and the employee possesses the qualifications for that vacant position.

ARTICLE 10
TRANSFER AND PROMOTIONAL PROCEDURE

- A. When the Board determines to fill a vacancy or create a new position, notice of such vacancy or newly created position shall be publicized by posting and by giving written notice to the Chief Steward within one (1) pay period from the date the Board determines to fill such vacancy. No vacancy shall be filled on a permanent basis until five (5) working days after notice of the vacancy has been posted.

The written notice of a newly created position or vacancy shall include the following information: The type of work, starting date, rate of pay, hours to be worked, classification and specific qualifications and training.

A vacancy shall not exist when the work year or work week of a bargaining unit position is increased by 20% or less. Example: If the established work week of a bargaining unit position is 35 hours, 7 or fewer added hours would not cause the position to be regarded as vacant under this Article.

Notification of appointment or non-appointment will be given to employees within the unit who have applied for the vacancy or newly created position within ten (10) working days after the position is filled.

- B. The employee with the greatest seniority making application shall be transferred to fill the vacancy or new position, provided the employee possesses the qualifications for the job, as well as the specific qualifications and the training that is necessary. For the positions [when included within the bargaining unit as is specified in Article 2 ¶ A (2) of this Agreement] of secretary to the director of finance, fringe benefit coordinator, data services operator and offset operator, the Board shall have the right to hire the most qualified applicant who applies, regardless of seniority. Any written or skills test used will be agreed upon prior to its use by a Union/management committee comprised of two Union members, appointed by the Business Representative, and the Director of Human Resources. Portions of the test may be waived if that portion of the test is not currently being performed on the job.
- C. The employee who is promoted or transferred shall be granted a two (2) week (10 working days) trial period [which includes ten (10) working days when the bargaining unit member's immediate supervisor is present and when students are in school, for those employees working in buildings with students] to determine: (1) the ability to perform on the job and (2) the desire to remain on the job. The trial period shall be extended for ten (10) additional working days upon mutual written agreement of the Employer and the Union.

During the above trial period, the employee shall have the opportunity to revert to the employee's former position.

If the employee's job performance in the new position is determined to be unsatisfactory by the Employer notice of such a finding and reasons shall be given to the employee before the employee is returned to their former position, with the employee having the right to grieve the decision of the Employer, through Step Three of the Grievance Procedure.

During the trial period, the Employer shall have the right to use a substitute employee in the position to which the promoted or transferred bargaining unit member was previously assigned.

- D. Any employee temporarily transferred from the employee's classification to another classification within the bargaining unit shall either be paid the rate of the position from which the employee is transferred or the rate of the position to which the employee is transferred, whichever is higher. Such temporary transfer shall be at the employee's present rate of pay for the first four (4) working days and then as of the fifth (5th) working day, if the employee continues in the same position, the employee shall be paid at the same step level of pay for the duration of the temporary position, retroactive to the date of temporary transfer.
- E. In the event the transferred employee reverts to the employee's former position or is returned to the former position, the position need not be re-posted as a vacancy if another bargaining unit applicant for the originally posted vacancy may be offered the position under the standards set forth in ¶ B of this Article. If there were no other bargaining unit applicants for the original posting or if those applicants do not meet the selection standards set forth in ¶ B of this Article, the position will be re-posted.

ARTICLE 11
NEW JOBS AND RECLASSIFICATION PROCEDURES

- A. When a new job in the unit is created, the Board agrees to consult with the Union regarding the designated classification of the position prior to posting of the position.
- B. Whenever an employee or the Union believes that significant new demands for skills and additional responsibility are being required for the employee's position or the employee is in a new position and feels that the position is improperly classified, the employee may request a reclassification consideration by notifying the Union in writing. In the event the Union feels that there is a need to reclassify or establish the position as a new job, the Union shall notify the Board in writing citing rationale and documentation for the changes requested.
- C. A committee consisting of two administrators and four Union members will meet to discuss that classification. If a reclassification is agreed upon, the proper rate of pay shall commence immediately and such classification shall be added to and become part of Schedule A of this Agreement. However, if the parties do not agree upon the proper classification for the position, a representative of the District will respond in writing as to why the request is being denied.
- D. Disputes concerning reclassification and new jobs cannot be taken to arbitration.

ARTICLE 12
DISCHARGE, DEMOTION AND DISCIPLINE

- A. No non-probationary employee shall be disciplined, without just cause. Any such action imposed upon an employee may be processed as a grievance through the regular grievance procedure. An employee may ask for representation from the Union in the event of any such disciplinary action.
- B. The Board agrees, promptly upon the discharge, suspension, or demotion of any employee covered by this Agreement, to furnish written notification of the action taken to the employee and the chief steward.
- C. Should it be determined that an injustice has occurred regarding an employee's demotion, suspension or discharge, the Board agrees to reinstate the employee and pay for all time lost.

ARTICLE 13
LEAVE OF ABSENCE

- A. Leave for Extended Illness/Disability

An employee who, because of illness or disability which is noncompensable under the Worker's Disability Compensation Act, is physically unable to report for work and has

exhausted all means of allowable compensation from the Board, shall be granted a leave of absence for a period of up to one (1) year, provided the employee promptly notifies the Board of the necessity of the leave and provided the employee supplies the Board with a statement from their medical or osteopathic doctor of the necessity for the leave and the projected length of time of the absence. Upon return from leave, the employee shall be assigned to the same position or a position of like nature.

B. Child Care Leave

Child care leaves may be granted (where leave is otherwise not required to be granted under the Family and Medical Leave Act) to employees for the primary care of children during infancy (approximately to 12 months). Request for such leave shall be made in writing at least two (2) months prior to the leave. Requests shall state the expected date the leave is to begin and the expected duration of the leave.

A member of the bargaining unit adopting a child may be granted (where leave is not otherwise required to be granted under the Family and Medical Leave Act) leave under the same terms and conditions as provided herein which shall begin upon the entry of an order under the Probate Court awarding custody to the adopting parents.

C. Family and Medical Leave Act

The District will comply with the provisions of the Family and Medical Leave Act of 1993 (FMLA) and the administrative guidelines developed by the District to implement this law. The guidelines will not be changed without prior consultation with the Union.

D. Military Leave

The reinstatement rights of any employee who enters the military service of the United States by reason of an act or law enacted by the Congress of the United States or who may voluntarily enlist during the effective period of such law shall be determined in accordance with the provisions of the law granting such rights.

E. Reserve Training

A leave of absence will be granted to an employee who is active in the National Guard or a branch of the armed forces reserves for the purpose of fulfilling his/her annual field training obligations, or in the event the employee is ordered to active duty for the purpose of handling civil disorders. The employee must submit a written request for the leave of absence immediately upon receiving his/her orders to report for duty. The Board will pay the difference between the employee's military pay and regular pay if military pay is less, for a period not to exceed fourteen (14) days in any fiscal year (July 1 - June 30).

F. Union Leaves

Any employee in the bargaining unit who is either elected or appointed to a full time position or office in the Union whose duties require the employee's absence from work shall be granted a leave of absence for a period up to three (3) years. The Union leave of absence may be extended beyond three (3) years, upon request by the employee, at the option of the Board. No more than one (1) Union member shall be on leave of absence for Union activity at any one time.

G. General Leave Provisions

1. All reasons for leave of absence shall be in writing, stating the reason for the request and the approximate length of leave requested with a copy of the request to be maintained by the Board. If leave is taken under this Article, the Board shall notify the Union of the identity of the bargaining unit member taking the leave but shall not be required to disclose confidential information pertaining to the leave (e.g. medical information) to the Union without the consent of the bargaining unit member.
2. An employee who meets all of the requirements as specified in this Article shall be granted a leave of absence without pay and benefits (with the exception of child care leaves or other discretionary leaves). Other leaves of absence(s) may be granted at the discretion of the Board for reasons other than those listed above when they are deemed beneficial to the employee and the Board.
3. Return from any leave of absence not covered by law shall be in accordance with the following:
 - (a) An employee who is on leave for six (6) months or less shall be entitled to resume his/her regular seniority status and all job and recall rights.
 - (b) An employee who is on a leave of more than six (6) months (to a maximum of two [2] years) must inform the Board, in writing, sixty (60) calendar days prior to the date of return, and he/she will be given the opportunity to return to the first open position for which he/she possesses seniority and for which he/she is qualified.
 - (1) A position will be considered "open" after it has been posted as per the terms of Article 10 of this Agreement.
 - (2) An employee who has informed the Board of his/her intent to return from leave shall have the right to bid on open positions which have been posted under the provisions of Article 10 of this Agreement.

4. The Employer has the right to receive medical certification from the employee's health care provider regarding the necessity for personal illness/disability leave taken under this Article. The employee will facilitate and cooperate in the furnishing of such information, which shall include the information that may permissibly be requested under Form WH-380 (or its successor form) as developed by the United States Department of Labor to implement the Family and Medical Leave Act.

The Employer has the right to require that a second medical opinion (at Employer expense) be obtained. If that opinion differs from that of the employee's health provider, the employee and Employer (in consultation with the Union, if requested by the employee) shall mutually designate a third health provider whose opinion relative to leave eligibility or initial fitness to return to work shall be considered final and binding on the Employer, the employee and the Union. The cost of this examination shall be paid by the Employer.

The Employer shall have the right to require the medical certification of the employee's fitness to return to duty at the expiration of the leave period.

ARTICLE 14 GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" shall be defined as an alleged violation of the express terms of this Agreement.
2. For the purpose of processing grievances "working days" shall be defined as Monday through Friday, excluding all paid holidays and Winter and Spring vacation intervals.

B. Procedures

1. The time elements in the Steps may be shortened, waived or extended upon written mutual agreement between the parties.
2. Any grievance which is not appealed within the specified time limits set forth in that Step level of the grievance procedure will be considered settled on the basis of the decision rendered at the previous step level of the grievance procedure.

In the event an answer to a grievance is not given within the specified time limits of that Step level of the grievance procedure, the appealing party may automatically appeal the grievance to the next Step level of the grievance procedure.

3. Any employee or Union grievance not presented for disposition through the grievance procedure within five (5) working days of the occurrence of the condition giving rise

to the grievance or within five (5) working days of the date it is reasonable to assume that the employee or the Union first became aware of the conditions giving rise to the grievance, shall not be considered as a grievance under this Agreement. The processing of a grievance by the Board, where the Board has raised an objection to the timeliness of the grievance, shall not be regarded as a waiver of the timeliness objection.

4. The purpose of this procedure is to secure, at the earliest possible administrative level, equitable solutions to grievances which may arise. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.
5. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration.

C. Step One

1. Any employee having a grievance shall discuss the grievance with their immediate supervisor within the time limitations set forth in ¶ B (3) above, and if the grievance is not settled orally, the employee may request a meeting with the Chief Steward to discuss the grievance.
2. The Chief Steward may submit the grievance in writing to the immediate supervisor stating the remedy or correction requested, plus the facts upon which the grievance is based and the alleged contract violation. The employee and the Chief Steward shall sign the grievance and submit it to the immediate supervisor within the time limitations set forth in ¶ B (3), above.

D. Step Two

1. The Chief Steward and the affected bargaining unit member(s) shall meet with the immediate supervisor to discuss the grievance within five (5) working days of its written submission to the immediate supervisor.
2. The immediate supervisor shall give a decision in writing relative to the grievance within five (5) working days of the meeting with the Chief Steward.

E. Step Three

1. Any appeal of a decision rendered by the immediate supervisor shall be presented to the Superintendent (or the Superintendent's designee) within five (5) working days from date of receipt of the answer given by the immediate supervisor, and the

Superintendent (or the Superintendent's designee) shall meet with a business representative of the Union at a time mutually agreeable to them.

2. The Superintendent (or the Superintendent's designee) shall give their answer in writing relative to the grievance within ten (10) working days of the date of the meeting with the Business Representative of the Union.

F. Step Four

1. If the Union is not satisfied with the disposition of the grievance by the Superintendent (or the Superintendent's designee), the grievance may be submitted to arbitration, provided that the grievance is submitted within thirty (30) calendar days from the date of receipt of the answer given at Step 3 or the date the answer was due, whichever date occurs first.
2. Within fifteen (15) calendar days after the demand for arbitration representatives of the Board and the Union will confer for the purpose of identifying a mutually acceptable arbitrator. If no agreement is reached on appointment of an arbitrator, within the above interval, the appealing party shall file with the Federal Mediation and Conciliation Service to request a panel of arbitrators residing within Michigan.
3. The Arbitrator, the Union or the Board may call any relevant person as a witness in any arbitration hearing.
4. Each party shall be responsible for the expenses of the witnesses that they may call.
5. The Arbitrator shall not have jurisdiction to subtract from or modify any of the terms of this Agreement or any written amendments to this Agreement, to specify the terms of a new Agreement, to decide matters removed from the scope of arbitration under this Agreement, or to substitute the Arbitrator's discretion for that of the parties.
6. The parties shall not be permitted to assert in such arbitration proceedings any ground or to rely on any evidence not previously disclosed to the other party.

The normal work week shall consist of forty (40) hours per week, Monday through Friday. The Board retains the right to regularly schedule work for less than eight (8) hours per day or forty (40) hours per week.

The normal work day will be scheduled between the hours of 6 a.m. and 7 p.m. The Board has the right to reduce the hours of positions within the bargaining unit, in accordance with the provisions of Article 9 of this Agreement.

B. Overtime

1. Time and one-half (1½) will be paid for all time worked in excess of eight (8) hours in a twenty-four (24) hour period and all time worked in excess of forty (40) hours in one week for which overtime has not already been earned, providing such overtime has been authorized.
2. Time and one-half (1½) will be paid for all hours worked on Saturday or Sunday with a three (3) hour minimum.
3. No employee shall be required to take time off from the employee's regular schedule or have their hours reduced as a result of having to report to work prior to their shift or because the employee worked over eight (8) hours in a work day.
4. If the Employer determines to allocate overtime projects (involving ten or more work hours) to its employees (as opposed to utilizing outside contractors), such projects will first be offered to bargaining unit members where the work in question involves functions normally performed by bargaining unit personnel. The person assigned to the position where the overtime opportunity occurs shall have the first opportunity to bid on the overtime project. If that person declines the overtime (or is unavailable) the next most senior bargaining unit member in the same building who is qualified to perform the overtime work will be offered that opportunity. If the work remains unallocated after the above steps, it will be offered to the most senior qualified bargaining unit member who has indicated interest in overtime opportunities by placing her name on the district-wide overtime list. Overtime will be rotated in inverse order of seniority, with the Union having responsibility for maintaining an equalization list and furnishing the Employer with an updated list at all times.

C. Reporting Pay

Any employee called to work or permitted to come to work without being notified by the Board that there will be no work, or who has been notified that there is less work than they are regularly scheduled to work, shall receive four (4) hours of pay, or if they are regularly scheduled to work less than four (4) hours per day, they shall receive their regular daily rate of pay.

D. Call Back

E. Relief Time

Employees shall be provided a fifteen (15) minute relief time for each four (4) hours of work. This period, if not used, may not accumulate to be used at some later time and may not be used for any other purpose.

F. In the event that the Board would require an employee to work more than their established work weeks per year, that employee shall be so notified by the Board as to the extension of their work year, in writing, at least thirty (30) calendar days before the effective date of the change or unless the change is by mutual agreement.
